BACKGROUND:

Summary

The Department of Public Social Services (DPSS) received funding from the California Department of Social Services (CDSS) to implement a CalWORKs Housing Support Program for the County of Riverside. The goal of the DPSS CalWORKs Housing Support Program (HSP) is to help homeless families receiving CalWORKs benefits to secure permanent housing, thus removing a significant barrier to participation in the Welfare-to-Work program, and facilitating progress toward employment and self-sufficiency. DPSS selected the Housing Authority of the County of Riverside (HA) to administer the housing service component of the CalWORKs HSP, based on HA's experience, fiscal capacity and the agency's ability to quickly implement the program over the last three years.

This program will continue providing immediate housing and supportive services for at least 275 homeless CalWORKs families receiving services through the DPSS Family Stabilization Services (FSS) program. As of January 1, 2019, DPSS had received \$2,547,000 for the current fiscal year, and allocated \$1,657,320 to HA for the period of July 1, 2018 through June 30, 2019. On March 15, 2019, DPSS received email notification from CDSS of a new augmentation of \$167,924; an official County Fiscal Letter will be released in the coming weeks. The additional \$167,924 will be added to the HA contract for FY 18/19. The proposed MOU amendment would increase the maximum reimbursement amount to HA by \$167,924, totaling \$1,825,244, to cover current fiscal year costs. The remaining \$889,680 will be dedicated to DPSS for administrative costs, temporary shelter and moving expenses for homeless CalWORKs families being served.

Impact on Residents and Businesses

This project provides much needed assistance to individuals and families in the CalWORKs Rapid Re-housing program, and provides support to homeless CalWORKs families that need immediate, permanent housing before they are able to progress toward employment and self-sufficiency. Housing stability is one of the greatest challenges that CalWORKs families face. It is estimated that over 3,790 CalWORKs families (almost 8% of the total CalWORKs population) are homeless or near homeless within the County of Riverside. Participating families and the community will benefit from reductions in the number of families experiencing homelessness, reductions in the duration of time a family is homeless and reducing the amount and duration of

CalWORKS financial assistance by rapidly stabilizing families in crisis. In summary, the program reduces the trauma and individual financial cost of homelessness for families and reduces the public cost associated of homelessness and extreme poverty. Families who are stably housed have a much higher success rate in obtaining employment and higher wages.

Contract History and Price Reasonableness

The Original MOU provided up to \$700,000 in funds to HA for the duration of the term, with automatic renewals for 1 year periods, through June 30, 2020, contingent upon the availability of funding. The Original MOU was subsequently amended seven times as described below:

1. Amendment #1, effective July 1, 2015, increased the maximum reimbursement amount to \$1,500,000;
2. Amendment #2, effective July 1, 2016 (December 6, 2016, Item 3.30), exercised the first one-year renewable option and extended the contract term to June 30, 2017;
3. Amendment #3, effective May 1, 2017, reduced the maximum reimbursement amount to \$775,000;
4. Amendment #4, effective July 1, 2017, exercised the second, one-year renewable option and extended the contract term to June 30, 2018.
5. Amendment #5, effective July 1, 2017 (January 23, 2018, Item 3.20), increased the maximum reimbursement amount from \$775,000 to a new not to exceed amount of \$1,175,000;
6. Amendment #6, effective May 1, 2018 (May 1, 2018, Item 3.17), increased the maximum reimbursement amount for FY 17/18 by \$260,000 to a new not to exceed amount of \$1,435,000 and exercised the third, one-year renewal option and extended the contract term to June 30, 2019 in an amount not to exceed \$1,175,000 for FY 18/19.
7. Amendment #7, effective January 1, 2019 (January 8, 2019, Item 3.30), increased the maximum reimbursement amount for FY 18/19 to a not to exceed amount of \$1,657,320, extended the term of the MOU through June 30, 2020, and established a maximum reimbursement amount for FY 19/20 in an amount not to exceed \$1,657,320.

Amendment #8 increases the maximum reimbursement amount for FY 18/19 to a not to exceed amount of \$1,825,244. Amendment #8 has been approved as to form by County Counsel.

DPSS negotiated an agreement with HA without competition, in accordance with CDSS manual section 23-650, paragraph 1.14, which states that contracts may be negotiated without formal advertising "for any service to be rendered by any federal, state or local governmental agency, public university, public college or other public educational institution."
