BACKGROUND:

Summary

On February 27, 2018 (Board agenda item no. 3.51), the Board of Supervisors approved and authorized the Chairman to sign the Memorandum of Understanding and grant application related documents to support the County's application for the OVW FY18 Improving Criminal Justice Responses to Sexual Assault, Domestic Violence, Dating Violence, and Stalking (ICJR) Grant Program. As a result, on August 30, 2018, the County of Riverside was awarded a continuation of the OVW FY15 ICJR Grant (formerly the Grants to Encourage Arrest Policies and Enforcement of Protection Orders Grant Program or "Arrest" Grant) and was awarded supplemental funding of \$899,907 to fund a second project as proposed in the OVW FY18 ICJR grant program application. On October 23, 2018 (Board agenda item #3.28), the Board of Supervisors accepted the additional funding in the amount of \$897,512 for the FY18 ICJR grant project, a second project, under the FY15 ICJR continuation grant for a total of \$1,799,907 from the U.S. Department of Justice's Office on Violence Against Women (OVW). This continuation

grant award will fund both the OVV FY15 ICJR (formerly "Arrest") and the OVV FY18 ICJR grant projects for the grant performance period of October 1, 2015 through the grant continuation period of September 30, 2021.

The Professional Service Agreements for our FY15 ICJR grant project grant partners were set to expire on September 30, 2018. With OVV's notification in August 2018 of continuing our FY15 ICJR grant performance period and providing additional funding, the County's Purchasing Agent signed and executed Amendments #1 – Amendment #3 with each of the three initial grant partners, each Amendment extended the initial performance period while we were in the process of accepting the continuation grant funding and OVV approving our FY18 ICJR grant budget. These Amendments allowed the three grant partners to continue their FY15 ICJR grant project activities using some of their remaining FY15 ICJR grant project funds.

The \$899,907 of OVV FY15 ICJR Continuation Grant funding provides \$465,253 in new subawards to fund FY18 ICJR grant project activities conducted by our initial three grant partners and our newest grant partner, Center Against Sexual Assault of Southwest Riverside County. Of the County's \$1,799,907 total award over the six (6) year grant performance period, a total of \$897,512 has been subawarded to our four grant partners.

The County Board previously approved the FY15 OVV Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program grant funding and authorized the Purchasing Agent to approve and execute any future ministerial amendments, on November 3, 2015 (3-17), in the amount of \$900,000 from the Office on Violence Against Women (OVV) for the grant performance period October 1, 2015 through September 30, 2018. On February 25, 2014 (3-32), the Board approved and authorized the Board Chairman to sign the Memorandum of Understanding and grant application related documents in support of the County's application for the FY14 OVV Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program. The FY14 grant application was not awarded. Again, on October 16, 2012 (3.41), the Board accepted the FY12 OVV Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program grant funding in the amount of \$900,000 from OVV for the grant performance period October 1, 2012 through September 30, 2014.

The Sheriff's Department, on behalf of the County and a group of collaborators, including the District Attorney's Office; Probation Department; Department of Public Social Services - Adult Protective Services Division; Safe Alternatives for Everyone; Shelter From The Storm; Riverside Area Rape Crisis Center; Circle of Safety; Friends of the Family Justice Center Foundation, and the Center Against Sexual Assault will work in collaboration both on the continued OVV FY15 grant project as well as the new OVV FY18 project funded through the Office on Violence Against Women for improving criminal justice responses to sexual assault, domestic violence, dating violence, and stalking grant program to better serve victims of domestic violence among the county's residents.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The OVW ICJR Grant Program recognizes that sexual assault, domestic violence, dating violence, and stalking are crimes that require the criminal justice system to hold offenders accountable for their actions through investigation, arrest, and prosecution of violent offenders, and through close judicial scrutiny and management of offender behavior. The ICJR Program is designed to encourage State, Local Units of Government, and Tribal Governments as well as State, Local Units of Government, and Tribal Courts to treat sexual assault, domestic violence, dating violence, and stalking as serious violations of criminal law, requiring the coordinated involvement of the entire criminal justice system. This grant program challenges communities to listen, communicate, identify problems, and share ideas that will result in new responses to ensure victim safety and offender accountability.

This is a cost reimbursement grant; therefore, the awarded amount is not received in advance. With the supplemental OVW FY15 grant funding, the total continuation project cost has increased from the 2015 initial \$900,000 funding to the new award amount of \$1,799,907. The grant funds 100% or \$1,799,907 of total project costs. The County conducted grant activities during FY 15/16 through FY 17/18 and expended \$599,342 of the total project costs. The \$1,200,565 balance will be expended in FY 18/19 – FY 20-21. The District Attorney's Office will make their own budget adjustments, if necessary.

County Counsel has approved the documents as to form.

Impact on Residents and Businesses

The continuation and additional funding of the OVW FY15 ICJR grant will assist the County and their collaborative partners in providing sexual assault, domestic violence, dating violence and stalking victims with the protection and services they need to pursue safe and healthy lives, while improving the County's capacity to hold offenders accountable for their crimes.

Additional Fiscal Information

The Sheriff's Department, on behalf of the County was originally awarded \$900,000 under the OVW FY15 ICJR Grant in October 2015. The Board of Supervisors accepted this grant award on November 3, 2015 (3-17) and approved the Purchasing Agent to execute Professional Service Agreements and execute future ministerial amendments with our three grant partners. The initial \$900,000 grant award, in part, provided a total of \$432,259 be allocated to our grant partners; Riverside Area Rape Crisis (RARCC), Safe Alternatives For Everyone (SAFE), Shelter From The Storm (SFTS). Professional Service Agreements were executed with the grant partners in total for the full \$432,259 with the Agreements to expire on September 30, 2018, same as the grant end date.

On August 30, 2018, the County of Riverside was awarded a continuation of the OVW FY15 ICJR Grant and was awarded supplemental funding of \$899,907 to fund a second project as proposed in the OVW FY18 ICJR grant program application. On October 23, 2018 (Board agenda item #3.28), the Board of Supervisors accepted the additional funding in the amount of \$899,907 for the FY18 ICJR grant project, of which these supplemental funds provided an additional \$465,253 be allocated to our original three grant partners and our newest grant partner, Center Against Sexual Assault of Southwest Riverside County (CASA).

With the continuation funding of \$899,907, this brought the total grant award to \$1,799,907, of which a total of \$897,512 of this total grant award is allocated to our four grant partners to reimburse them for their approved costs to complete their portion of the grant activities, now through the grant's performance period of September 30, 2021. The original grant partner Professional Service Agreements were set to expire on September 30, 2018, when the original grant was set to end. The County extended each Agreement's length of performance terms, without any increases in the contract amount, under Amendments #1 - Amendments #3 while we waited for the grantor to approve our continuation grant award budget. The grantor recently approved our continuation award budget. Now that we have approval from the grantor, the Sheriff's Department is asking that the Board of Supervisors approve the execution of Amendment #4 for the original three grant partners and a new Agreement with our newest grant partner, CASA. The term of these agreements will end September 30, 2021, the same as the grant. Execution of these four agreements total the full \$897,512, of which is part of the total \$1,799,907 previously approved by the Board of Supervisors.

SPECIAL CONDITIONS

28. Under the Government Performance and Results Act (GPRA), VAWA 2000 and subsequent legislation, grantees are required to collect and maintain data that measure the effectiveness of their grant-funded activities. Accordingly, the grantee agrees to submit semi-annual electronic progress reports on program activities and program effectiveness measures. Grantees are required to collect the information that is included on the Measuring Effectiveness Progress Report for the OVW Program under which this award is funded.
29. A final report, which provides a summary of progress toward achieving the goals and objectives of the award, significant results, and any products developed under the award, is due 90 days after the end of the award. The Final Progress Report should be submitted to the Office on Violence Against Women through the Grants Management System with the Report Type indicated as "Final".
30. The recipient agrees that it will submit quarterly financial status reports to OVW on-line (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at www.whitehouse.gov/omb/grants/standard_forms/ff_report.pdf), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.
31. The grantee agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers. All training will be coordinated by OVW-designated technical assistance providers.
32. Funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, grantees must submit a Program Office Approval Grant Adjustment Notice (GAN) via the Grants Management System (GMS). The grantee must include a copy of the event's brochure, curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs should be attached to the GAN. The GAN request must be submitted to OVW at least 20 days prior to registering for the event. Approval to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.
33. First-time grantees, or continuation grantees if requested, must agree to have key staff members, as identified by OVW, attend the OVW grantee orientation seminar, which may be offered in-person, online, or a combination of both. Additionally, if there is a change in the project director/coordinator during the grant period, the grantee agrees, at the earliest opportunity, to send the new project director/coordinator, regardless of prior experience with this or any other federal award, to an OVW grantee orientation seminar or require completion of the orientation online, whichever is available.
34. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day or \$81.25 per hour. A detailed justification must be submitted to and approved by the Office on Violence Against Women prior to obligation or expenditure of such funds. Although prior approval is not required for consultant rates below these specified amounts, grantees are required to maintain documentation to support all daily or hourly rates.
35. The recipient agrees to submit one copy of all required reports and any other written materials or products that are funded under the project to OVW not less than twenty (20) days prior to public release. If the written material is found to be outside the scope of the program, or in some way to compromise victim safety, it will need to be revised to address these concerns or the grantee will not be allowed to use project funds to support the further development or distribution of the materials.

SPECIAL CONDITIONS

36. All materials and publications (written, visual, or sound) resulting from award activities shall contain the following statements: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Department of Justice, Office on Violence Against Women."
37. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.
38. The grantee agrees that grant funds will not support activities that compromise victim safety and recovery, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; pre-trial diversion programs not approved by OVW or the placement of offenders in such programs; mediation, couples counseling, family counseling or any other manner of joint victim-offender counseling; mandatory counseling for victims, penalizing victims who refuse to testify, or promoting procedures that would require victims to seek legal sanctions against their abusers (e.g., seek a protection order, file formal complaint); the placement of perpetrators in anger management programs; or any other activities outlined in the solicitation under which the approved application was submitted.
39. The grantee agrees to submit for OVW review and approval any anticipated addition of, removal of, or change in collaborating partner agencies or individuals who are signatories of the Memorandum of Understanding, and if applicable, the Internal Memorandum of Agreement.
40. Pursuant to 2 CFR §200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. The Office on Violence Against Women reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use the work, in whole or in part (including in the creation of derivative works), for Federal purposes, and to authorize others to do so.

The Office on Violence Against Women also reserves a royalty-free, nonexclusive and irrevocable right to reproduce publish or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient of this award, for Federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor or subcontractor) must obtain advance written approval from the Office on Violence Against Women program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor or subcontractor as applicable) to ensure that this condition is included in any subaward, contract or subcontract under this award.

SPECIAL CONDITIONS

41. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office on Violence Against Women web site at: <http://www.ovv.usdoj.gov/docs/ffata-award-term.pdf> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own and/or operate in his or her name).
42. The grantee agrees that funds will not be used for prevention activities (e.g., outreach to elementary and secondary schools, implementation of educational programs regarding domestic and dating violence intervention, and public awareness campaigns). The grantee may use funds to provide outreach regarding the specific services offered under the grant.
43. The grantee agrees to use grant funds to strengthen legal advocacy service programs for victims of domestic violence, dating violence, sexual assault and stalking, including strengthening assistance to such victims in immigration matters. Grant funds may not be used to provide long-term or short-term legal representation.
44. Grant funds may not be used to directly address child abuse, or other family violence issues such as violence perpetrated by a child against a parent, or violence perpetrated by a sibling against another sibling. Grant funds also may not be used for caregiver abuse of elders and other vulnerable adults.
45. Pursuant to 42 USC 3796hh(d), the grantee understands that 5% of this award is being withheld and that it may not obligate, expend or drawdown that 5% unless, by the period ending on the date on which the next session of the State legislature ends, the State or unit of local government:
 - (1) certifies that it has a law, policy, or regulation that requires -
 - (A) the State or unit of local government at the request of a victim to administer to a defendant, against whom an information or indictment is presented for a crime in which by force or threat of force the perpetrator compels the victim to engage in sexual activity, testing for the immunodeficiency virus (HIV) not later than 48 hours after the date on which the information or indictment is presented and the defendant is in custody or has been served with the information or indictment;
 - (B) as soon as practicable notification to the victim, or parent and guardian of the victim, and defendant of the testing results; and
 - (C) follow-up tests for HIV as may be medically appropriate, and that as soon as practicable after each such test the results be made available in accordance with subparagraph (B).

The "next session of the State legislature" means the next session after the date on which the application for this award was submitted.

If the grantee submits a certification, a Grant Adjustment Notice (GAN) will be issued, and the funds will become available for drawdown. If, by the date on which the next session of the State legislature ends, the grantee is not in compliance with this provision, the withheld funds will be deobligated from the amount of funds awarded for this award period.

SPECIAL CONDITIONS

46. The recipient's budget is pending review and approval. The recipient may obligate, expend and draw down funds for travel related expenses to attend OVW-sponsored technical assistance events up to \$10,000, unless there is another condition on the award prohibiting obligation, expenditure, and drawdown of any funds in which case the condition prohibiting any obligation, expenditure or drawdown of funds will control. Remaining funds will not be available for draw down until the Office on Violence Against Women, Grants Financial Management Division has approved the budget and budget narrative, and a Grant Adjustment Notice has been issued removing this special condition. Any obligations or expenditures incurred by the recipient prior to the budget being approved are made at the recipient's own risk. If applicable, the Indirect Cost Rate will be identified in the Grant Adjustment Notice when the budget is approved.
47. The grantee acknowledges that it has a current grant award under the same OVW grant program from which this new award is being made. The recipient may obligate, expend and draw down from this award only funds for travel related expenses to attend OVW-sponsored technical assistance events up to \$10,000. The grantee agrees not to obligate, expend, or draw down any additional funds until all funds are expended on their current OVW award for the same program. If the grantee needs to obligate, expend, or draw down additional funds from this award prior to the completion/expiration of the current award, they must submit a written request to their Program Specialist for review and approval. Once the request is approved, a Grant Adjustment Notice will be issued allowing the grantee access to funds.
48. The grantee agrees that any victim service provider (except tribal governmental organizations or governmental rape crisis centers not in territories) or population specific organization meeting the mandatory partnership requirement will be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code.

OVW FY15 ICJR Grant Program Supplemental Funding Special Conditions

PROJECT NUMBER 2015-WE-AX-0005

AWARD DATE 08/30/2018

SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office on Violence Against Women ("OVW") taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award. OVW also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The recipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.333, 200.336.

3. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining current information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

6. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OVW authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

7. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears on the OVW website at <https://www.justice.gov/ovw/conference-planning>.

9. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

10. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

11. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

14. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

15. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

16. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 1425 New York Avenue, N.W. Suite 7100, Washington, DC 20530; and/or (2) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

19. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. 25. Limitation on use of funds to approved activities

The recipient agrees that grant funds will be used only for the purposes described in the recipient's approved application. The recipient must not undertake any work or activities that are not described in the grant application, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval, via Grant Adjustment Notice (GAN), from OVW.

26. Non-supplantation

The recipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

27. Confidentiality and information sharing

The recipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. The recipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

28. Activities that compromise victim safety and recovery or undermine offender accountability

The recipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation under which the approved application was submitted.

SPECIAL CONDITIONS

30. Maintaining contact information

The recipient acknowledges that it is responsible for maintaining updated contact information in the Grants Management System (GMS). To update information in GMS for either the point of contact and/or the authorized representative, the recipient must submit a Grant Adjustment Notice (GAN).

31. Semiannual and final performance progress report submission

The recipient agrees to submit semiannual performance progress reports that describe activities conducted during the reporting period, including program effectiveness measures. Reports must be submitted throughout the project period, even if no funds were spent and no activities were conducted in a given reporting period. Future awards may be withheld if reports are delinquent.

The information that must be collected and reported to OVW can be found in the reporting form associated with the grant program or initiative under which this award was made. Performance progress reports must be submitted within 30 days after the end of the reporting periods, which are January 1 - June 30 and July 1 - December 31. Recipients are required to submit their reports through the Grants Management System (GMS), unless and until OVW issues updated instructions for report submission. The final report is due 90 days after the end of the project period and should be marked "final" in the Report Type field in GMS.

32. Quarterly financial status reports

The recipient agrees that it will submit quarterly financial status reports to OVW through the Grants Management System (GMS) (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at <https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortBy=1>), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.

33. Program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by the non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval from OVW, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to the OVW award, the recipient must seek approval from its program manager via a budget modification Grant Adjustment Notice (GAN) prior to generating any program income. Any program income added to the federal award must be used to support activities that were approved in the budget and follow the conditions of the OVW award. Any program income approved via budget modification GAN must be reported in the recipient's quarterly Federal Financial Report SF-425 in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, it must be approved via a budget modification GAN by the end of the project period. If the budget modification is not submitted and approved, it could result in audit findings for the recipient.

34. FFATA reporting subawards and executive compensation

The recipient agrees to comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the Federal Funding Accountability and Transparency Act of 2006 (FFATA) Subaward Reporting System (FSRS). The details of recipient obligations, which derive from FFATA, are posted on the OVW web site at <https://www.justice.gov/ovw/grantees#award-conditions> (Award Condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

SPECIAL CONDITIONS

35. Changes to MOU and/or IMO

The recipient agrees to submit for OVW review and approval, via Grant Adjustment Notice (GAN), any anticipated addition of, removal of, or change in collaborating partner agencies or individuals who are signatories of the Memorandum of Understanding and, if applicable, the Internal Memorandum of Agreement.

36. Submission of all materials and publications

The recipient agrees to submit to OVW one copy of all materials and publications (written, web-based, audio-visual, or any other format) that are funded under this award not less than twenty (20) days prior to distribution or public release. If the materials are found to be outside the scope of the program, or in some way to compromise victim safety, the recipient will need to revise the materials to address these concerns or the recipient will not be allowed to use award funds to support the development or distribution of the materials.

37. Publication disclaimer

The recipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from award activities shall contain the following statement: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Justice." The recipient also agrees to ensure that any subrecipient at any tier will comply with this condition.

38. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

39. Grantee orientation - mandatory attendance

First-time recipients, or continuation recipients if requested, must agree to have key staff members, as identified by OVW, attend the OVW grantee orientation seminar, which may be offered in-person, online, or a combination of both. Additionally, if there is a change in the project director/coordinator during the grant period, the recipient agrees, at the earliest opportunity, to send the new project director/coordinator, regardless of prior experience with this or any other federal award, to an in-person OVW grantee orientation seminar or require completion of the orientation online, whichever is available.

40. Prior approval for non-OVW sponsored technical assistance

The recipient agrees that funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, the recipient must submit a Grant Adjustment Notice (GAN) and attach a copy of the event's brochure, a curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs. The GAN request must be submitted to OVW at least 20 days prior to registering for the event. Requests to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.

41. Participation in OVW-sponsored technical assistance

The recipient agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers.

42. Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

43. Required SAM and FAPIIS reporting

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OVW award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OVW awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to FAPIIS within SAM are posted on the OVW web site at: <https://www.justice.gov/ovw/grantees#award-conditions> (Award Condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

44. Prohibition on public awareness activities

The recipient agrees that grant funds will not be used to conduct public awareness or community education campaigns or related activities. Grant funds may be used to support, inform, and conduct outreach to victims about available services.

SPECIAL CONDITIONS

45. Limitation on use of funds for direct legal representation

The recipient agrees not to use grant funds to provide legal representation in civil or criminal matters, such as family law cases (divorce, custody, visitation, and child support), housing cases, consumer law cases and others. Grant funds may be used to provide legal representation to victims of domestic violence, dating violence, sexual assault, or stalking only in the limited context of protection order proceedings (either temporary or long term relief), or for limited immigration matters that may impact and affect the victim's ability to maintain safety (such as U visas).

46. Compliance with certifications

The recipient acknowledges that it has a continuing obligation to remain in compliance with the applicable certification requirements of 34 U.S.C. § 10461(c).

47. Withholding of funds pending determination of compliance with HIV certification

The recipient understands and agrees that five percent of its grant funds have been withheld because the recipient has not satisfied the requirements of 34 U.S.C. § 10461(d) concerning HIV testing of individuals charged with or convicted of sexual assault. The recipient therefore may not obligate, expend, or draw down the withheld five percent of its grant funds until the recipient demonstrates to OVW, and OVW determines, that the recipient has come into compliance with the requirements of 34 U.S.C. § 10461(d), and a Grant Adjustment Notice (GAN) has been issued to remove this condition. It is the responsibility of the recipient to timely submit to OVW all documentation necessary to establish that the recipient has satisfied the requirements of 34 U.S.C. § 10461(d), including appropriate certifications as to the recipient's compliance and copies of any applicable laws, policies, and regulations. If the recipient does not demonstrate its compliance with 34 U.S.C. § 10461(d) by the end of the state legislative session (in the recipient's home state) following the date on which the recipient submitted an application for the award, then the withheld five percent of the recipient's grant funds will be returned to OVW at the end of the award period.

48. Conditional clearance with release of TA funds

The recipient's budget is pending review and approval. The recipient may obligate, expend, and draw down only funds for travel-related expenses up to \$10,000 to attend OVW-sponsored technical assistance events, unless there is another condition on the award prohibiting obligation, expenditure, and drawdown of any funds, in which case the condition prohibiting any obligation, expenditure, or drawdown of funds will control. Remaining funds will not be available for drawdown until OVW's Grants Financial Management Division has approved the budget and budget narrative, and a Grant Adjustment Notice (GAN) has been issued removing this special condition. Any obligations or expenditures incurred by the recipient prior to the budget being approved are made at the recipient's own risk. If applicable, the Indirect Cost Rate will be identified in the GAN when the budget is approved.

15. The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all OVW grants issued in FY 2014 or after. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. The grantee acknowledges that it will comply with this provision.
16. The recipient acknowledges that they are responsible for maintaining updated contact information in the Grants Management System. To update information in GMS for either the point of contact and/or the authorized representative, grantees must submit a Grant Adjustment Notice.

SPECIAL CONDITIONS

28. Under the Government Performance and Results Act (GPRA), VAWA 2000 and subsequent legislation, grantees are required to collect and maintain data that measure the effectiveness of their grant-funded activities. Accordingly, the grantee agrees to submit semi-annual electronic progress reports on program activities and program effectiveness measures. Grantees are required to collect the information that is included on the Measuring Effectiveness Progress Report for the OVW Program under which this award is funded.
29. A final report, which provides a summary of progress toward achieving the goals and objectives of the award, significant results, and any products developed under the award, is due 90 days after the end of the award. The Final Progress Report should be submitted to the Office on Violence Against Women through the Grants Management System with the Report Type indicated as "Final".
30. The recipient agrees that it will submit quarterly financial status reports to OVW on-line (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at www.whitehouse.gov/omb/grants/standard_forms/ff_report.pdf), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.
31. The grantee agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers. All training will be coordinated by OVW-designated technical assistance providers.
32. Funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, grantees must submit a Program Office Approval Grant Adjustment Notice (GAN) via the Grants Management System (GMS). The grantee must include a copy of the event's brochure, curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs should be attached to the GAN. The GAN request must be submitted to OVW at least 20 days prior to registering for the event. Approval to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.
33. First-time grantees, or continuation grantees if requested, must agree to have key staff members, as identified by OVW, attend the OVW grantee orientation seminar, which may be offered in-person, online, or a combination of both. Additionally, if there is a change in the project director/coordinator during the grant period, the grantee agrees, at the earliest opportunity, to send the new project director/coordinator, regardless of prior experience with this or any other federal award, to an OVW grantee orientation seminar or require completion of the orientation online, whichever is available.
34. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day or \$81.25 per hour. A detailed justification must be submitted to and approved by the Office on Violence Against Women prior to obligation or expenditure of such funds. Although prior approval is not required for consultant rates below these specified amounts, grantees are required to maintain documentation to support all daily or hourly rates.
35. The recipient agrees to submit one copy of all required reports and any other written materials or products that are funded under the project to OVW not less than twenty (20) days prior to public release. If the written material is found to be outside the scope of the program, or in some way to compromise victim safety, it will need to be revised to address these concerns or the grantee will not be allowed to use project funds to support the further development or distribution of the materials.

36. All materials and publications (written, visual, or sound) resulting from award activities shall contain the following statements: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Department of Justice, Office on Violence Against Women."
37. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.
38. The grantee agrees that grant funds will not support activities that compromise victim safety and recovery, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; pre-trial diversion programs not approved by OVW or the placement of offenders in such programs; mediation, couples counseling, family counseling or any other manner of joint victim-offender counseling; mandatory counseling for victims, penalizing victims who refuse to testify, or promoting procedures that would require victims to seek legal sanctions against their abusers (e.g., seek a protection order, file formal complaint); the placement of perpetrators in anger management programs; or any other activities outlined in the solicitation under which the approved application was submitted.
39. The grantee agrees to submit for OVW review and approval any anticipated addition of, removal of, or change in collaborating partner agencies or individuals who are signatories of the Memorandum of Understanding, and if applicable, the Internal Memorandum of Agreement.
40. Pursuant to 2 CFR §200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. The Office on Violence Against Women reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use the work, in whole or in part (including in the creation of derivative works), for Federal purposes, and to authorize others to do so.

The Office on Violence Against Women also reserves a royalty-free, nonexclusive and irrevocable right to reproduce publish or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient of this award, for Federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor or subcontractor) must obtain advance written approval from the Office on Violence Against Women program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor or subcontractor as applicable) to ensure that this condition is included in any subaward, contract or subcontract under this award.

SPECIAL CONDITIONS

41. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office on Violence Against Women web site at: <http://www.ovw.usdoj.gov/docs/ffata-award-term.pdf> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own and/or operate in his or her name).
42. The grantee agrees that funds will not be used for prevention activities (e.g., outreach to elementary and secondary schools, implementation of educational programs regarding domestic and dating violence intervention, and public awareness campaigns). The grantee may use funds to provide outreach regarding the specific services offered under the grant.
43. The grantee agrees to use grant funds to strengthen legal advocacy service programs for victims of domestic violence, dating violence, sexual assault and stalking, including strengthening assistance to such victims in immigration matters. Grant funds may not be used to provide long-term or short-term legal representation.
44. Grant funds may not be used to directly address child abuse, or other family violence issues such as violence perpetrated by a child against a parent, or violence perpetrated by a sibling against another sibling. Grant funds also may not be used for caregiver abuse of elders and other vulnerable adults.
45. Pursuant to 42 USC 3796hh(d), the grantee understands that 5% of this award is being withheld and that it may not obligate, expend or drawdown that 5% unless, by the period ending on the date on which the next session of the State legislature ends, the State or unit of local government:

(1) certifies that it has a law, policy, or regulation that requires -

(A) the State or unit of local government at the request of a victim to administer to a defendant, against whom an information or indictment is presented for a crime in which by force or threat of force the perpetrator compels the victim to engage in sexual activity, testing for the immunodeficiency virus (HIV) not later than 48 hours after the date on which the information or indictment is presented and the defendant is in custody or has been served with the information or indictment;

(B) as soon as practicable notification to the victim, or parent and guardian of the victim, and defendant of the testing results; and

(C) follow-up tests for HIV as may be medically appropriate, and that as soon as practicable after each such test the results be made available in accordance with subparagraph (B).

The "next session of the State legislature" means the next session after the date on which the application for this award was submitted.

If the grantee submits a certification, a Grant Adjustment Notice (GAN) will be issued, and the funds will become available for drawdown. If, by the date on which the next session of the State legislature ends, the grantee is not in compliance with this provision, the withheld funds will be deobligated from the amount of funds awarded for this award period.

SPECIAL CONDITIONS

46. The recipient's budget is pending review and approval. The recipient may obligate, expend and draw down funds for travel related expenses to attend OVW-sponsored technical assistance events up to \$10,000, unless there is another condition on the award prohibiting obligation, expenditure, and drawdown of any funds in which case the condition prohibiting any obligation, expenditure or drawdown of funds will control. Remaining funds will not be available for draw down until the Office on Violence Against Women, Grants Financial Management Division has approved the budget and budget narrative, and a Grant Adjustment Notice has been issued removing this special condition. Any obligations or expenditures incurred by the recipient prior to the budget being approved are made at the recipient's own risk. If applicable, the Indirect Cost Rate will be identified in the Grant Adjustment Notice when the budget is approved.
47. The grantee acknowledges that it has a current grant award under the same OVW grant program from which this new award is being made. The recipient may obligate, expend and draw down from this award only funds for travel related expenses to attend OVW-sponsored technical assistance events up to \$10,000. The grantee agrees not to obligate, expend, or draw down any additional funds until all funds are expended on their current OVW award for the same program. If the grantee needs to obligate, expend, or draw down additional funds from this award prior to the completion/expiration of the current award, they must submit a written request to their Program Specialist for review and approval. Once the request is approved, a Grant Adjustment Notice will be issued allowing the grantee access to funds.

PROJECT NUMBER 2015-WE-AX-0005

AWARD DATE 08/30/2018

SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office on Violence Against Women ("OVW") taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award. OVW also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The recipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.333, 200.336.

3. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

9. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

10. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

14. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

15. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

16. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 1425 New York Avenue, N.W. Suite 7100, Washington, DC 20530; and/or (2) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

SPECIAL CONDITIONS

17. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

19. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

20. Availability of general terms and conditions on OVW website

The recipient agrees to follow the applicable set of general terms and conditions that are available at <https://www.justice.gov/ovw/grantees#award-conditions>. These do not supersede any specific conditions in this award document.

The recipient agrees that it will comply with this provision. The recipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

24. Misuse of award funds

The recipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

25. Limitation on use of funds to approved activities

The recipient agrees that grant funds will be used only for the purposes described in the recipient's approved application. The recipient must not undertake any work or activities that are not described in the grant application, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval, via Grant Adjustment Notice (GAN), from OVW.

26. Non-supplantation

The recipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

27. Confidentiality and information sharing

The recipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. The recipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

28. Activities that compromise victim safety and recovery or undermine offender accountability

The recipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation under which the approved application was submitted.

29. Termination or suspension for cause

The Director of OVW, upon a finding that there has been substantial failure by the recipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until the Director is satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis.

SPECIAL CONDITIONS

30. Maintaining contact information

The recipient acknowledges that it is responsible for maintaining updated contact information in the Grants Management System (GMS). To update information in GMS for either the point of contact and/or the authorized representative, the recipient must submit a Grant Adjustment Notice (GAN).

31. Semiannual and final performance progress report submission

The recipient agrees to submit semiannual performance progress reports that describe activities conducted during the reporting period, including program effectiveness measures. Reports must be submitted throughout the project period, even if no funds were spent and no activities were conducted in a given reporting period. Future awards may be withheld if reports are delinquent.

The information that must be collected and reported to OVW can be found in the reporting form associated with the grant program or initiative under which this award was made. Performance progress reports must be submitted within 30 days after the end of the reporting periods, which are January 1 - June 30 and July 1 - December 31. Recipients are required to submit their reports through the Grants Management System (GMS), unless and until OVW issues updated instructions for report submission. The final report is due 90 days after the end of the project period and should be marked "final" in the Report Type field in GMS.

32. Quarterly financial status reports

The recipient agrees that it will submit quarterly financial status reports to OVW through the Grants Management System (GMS) (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at <https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortBy=1>), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.

33. Program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by the non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval from OVW, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to the OVW award, the recipient must seek approval from its program manager via a budget modification Grant Adjustment Notice (GAN) prior to generating any program income. Any program income added to the federal award must be used to support activities that were approved in the budget and follow the conditions of the OVW award. Any program income approved via budget modification GAN must be reported in the recipient's quarterly Federal Financial Report SF-425 in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, it must be approved via a budget modification GAN by the end of the project period. If the budget modification is not submitted and approved, it could result in audit findings for the recipient.

34. FFATA reporting subawards and executive compensation

The recipient agrees to comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the Federal Funding Accountability and Transparency Act of 2006 (FFATA) Subaward Reporting System (FSRS). The details of recipient obligations, which derive from FFATA, are posted on the OVW web site at <https://www.justice.gov/ovw/grantees#award-conditions> (Award Condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

SPECIAL CONDITIONS

35. Changes to MOU and/or IMOA

The recipient agrees to submit for OVW review and approval, via Grant Adjustment Notice (GAN), any anticipated addition of, removal of, or change in collaborating partner agencies or individuals who are signatories of the Memorandum of Understanding and, if applicable, the Internal-Memorandum of Agreement.

36. Submission of all materials and publications

The recipient agrees to submit to OVW one copy of all materials and publications (written, web-based, audio-visual, or any other format) that are funded under this award not less than twenty (20) days prior to distribution or public release. If the materials are found to be outside the scope of the program, or in some way to compromise victim safety, the recipient will need to revise the materials to address these concerns or the recipient will not be allowed to use award funds to support the development or distribution of the materials.

37. Publication disclaimer

The recipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from award activities shall contain the following statement: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Justice." The recipient also agrees to ensure that any subrecipient at any tier will comply with this condition.

38. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

39. Grantee orientation - mandatory attendance

First-time recipients, or continuation recipients if requested, must agree to have key staff members, as identified by OVW, attend the OVW grantee orientation seminar, which may be offered in-person, online, or a combination of both. Additionally, if there is a change in the project director/coordinator during the grant period, the recipient agrees, at the earliest opportunity, to send the new project director/coordinator, regardless of prior experience with this or any other federal award, to an in-person OVW grantee orientation seminar or require completion of the orientation online, whichever is available.

40. Prior approval for non-OVW sponsored technical assistance

The recipient agrees that funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, the recipient must submit a Grant Adjustment Notice (GAN) and attach a copy of the event's brochure, a curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs. The GAN request must be submitted to OVW at least 20 days prior to registering for the event. Requests to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.

41. Participation in OVW-sponsored technical assistance

The recipient agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers.

42. Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

43. Required SAM and FAPIIS reporting

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OVW award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OVW awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to FAPIIS within SAM are posted on the OVW web site at: <https://www.justice.gov/ovw/grantees#award-conditions> (Award Condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

44. Prohibition on public awareness activities

The recipient agrees that grant funds will not be used to conduct public awareness or community education campaigns or related activities. Grant funds may be used to support, inform, and conduct outreach to victims about available services.

SPECIAL CONDITIONS

45. Limitation on use of funds for direct legal representation

The recipient agrees not to use grant funds to provide legal representation in civil or criminal matters, such as family law cases (divorce, custody, visitation, and child support), housing cases, consumer law cases and others. Grant funds may be used to provide legal representation to victims of domestic violence, dating violence, sexual assault, or stalking only in the limited context of protection order proceedings (either temporary or long term relief), or for limited immigration matters that may impact and affect the victim's ability to maintain safety (such as U visas).

46. Compliance with certifications

The recipient acknowledges that it has a continuing obligation to remain in compliance with the applicable certification requirements of 34 U.S.C. § 10461(c).

47. Withholding of funds pending determination of compliance with HIV certification

The recipient understands and agrees that five percent of its grant funds have been withheld because the recipient has not satisfied the requirements of 34 U.S.C. § 10461(d) concerning HIV testing of individuals charged with or convicted of sexual assault. The recipient therefore may not obligate, expend, or draw down the withheld five percent of its grant funds until the recipient demonstrates to OVW, and OVW determines, that the recipient has come into compliance with the requirements of 34 U.S.C. § 10461(d), and a Grant Adjustment Notice (GAN) has been issued to remove this condition. It is the responsibility of the recipient to timely submit to OVW all documentation necessary to establish that the recipient has satisfied the requirements of 34 U.S.C. § 10461(d), including appropriate certifications as to the recipient's compliance and copies of any applicable laws, policies, and regulations. If the recipient does not demonstrate its compliance with 34 U.S.C. § 10461(d) by the end of the state legislative session (in the recipient's home state) following the date on which the recipient submitted an application for the award, then the withheld five percent of the recipient's grant funds will be returned to OVW at the end of the award period.

48. Conditional clearance with release of TA funds

The recipient's budget is pending review and approval. The recipient may obligate, expend, and draw down only funds for travel-related expenses up to \$10,000 to attend OVW-sponsored technical assistance events, unless there is another condition on the award prohibiting obligation, expenditure, and drawdown of any funds, in which case the condition prohibiting any obligation, expenditure, or drawdown of funds will control. Remaining funds will not be available for drawdown until OVW's Grants Financial Management Division has approved the budget and budget narrative, and a Grant Adjustment Notice (GAN) has been issued removing this special condition. Any obligations or expenditures incurred by the recipient prior to the budget being approved are made at the recipient's own risk. If applicable, the Indirect Cost Rate will be identified in the GAN when the budget is approved.

No recipient or subrecipient under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

SPECIAL CONDITIONS

28. Under the Government Performance and Results Act (GPRA), VAWA 2000 and subsequent legislation, grantees are required to collect and maintain data that measure the effectiveness of their grant-funded activities. Accordingly, the grantee agrees to submit semi-annual electronic progress reports on program activities and program effectiveness measures. Grantees are required to collect the information that is included on the Measuring Effectiveness Progress Report for the OVW Program under which this award is funded.
29. A final report, which provides a summary of progress toward achieving the goals and objectives of the award, significant results, and any products developed under the award, is due 90 days after the end of the award. The Final Progress Report should be submitted to the Office on Violence Against Women through the Grants Management System with the Report Type indicated as "Final".
30. The recipient agrees that it will submit quarterly financial status reports to OVW on-line (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at www.whitehouse.gov/omb/grants/standard_forms/ff_report.pdf), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.
31. The grantee agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers. All training will be coordinated by OVW-designated technical assistance providers.
32. Funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, grantees must submit a Program Office Approval Grant Adjustment Notice (GAN) via the Grants Management System (GMS). The grantee must include a copy of the event's brochure, curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs should be attached to the GAN. The GAN request must be submitted to OVW at least 20 days prior to registering for the event. Approval to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.
33. First-time grantees, or continuation grantees if requested, must agree to have key staff members, as identified by OVW, attend the OVW grantee orientation seminar, which may be offered in-person, online, or a combination of both. Additionally, if there is a change in the project director/coordinator during the grant period, the grantee agrees, at the earliest opportunity, to send the new project director/coordinator, regardless of prior experience with this or any other federal award, to an OVW grantee orientation seminar or require completion of the orientation online, whichever is available.
34. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day or \$81.25 per hour. A detailed justification must be submitted to and approved by the Office on Violence Against Women prior to obligation or expenditure of such funds. Although prior approval is not required for consultant rates below these specified amounts, grantees are required to maintain documentation to support all daily or hourly rates.
35. The recipient agrees to submit one copy of all required reports and any other written materials or products that are funded under the project to OVW not less than twenty (20) days prior to public release. If the written material is found to be outside the scope of the program, or in some way to compromise victim safety, it will need to be revised to address these concerns or the grantee will not be allowed to use project funds to support the further development or distribution of the materials.

36. All materials and publications (written, visual, or sound) resulting from award activities shall contain the following statements: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Department of Justice, Office on Violence Against Women."
37. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.
38. The grantee agrees that grant funds will not support activities that compromise victim safety and recovery, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; pre-trial diversion programs not approved by OVW or the placement of offenders in such programs; mediation, couples counseling, family counseling or any other manner of joint victim-offender counseling; mandatory counseling for victims, penalizing victims who refuse to testify, or promoting procedures that would require victims to seek legal sanctions against their abusers (e.g., seek a protection order, file formal complaint); the placement of perpetrators in anger management programs; or any other activities outlined in the solicitation under which the approved application was submitted.
39. The grantee agrees to submit for OVW review and approval any anticipated addition of, removal of, or change in collaborating partner agencies or individuals who are signatories of the Memorandum of Understanding, and if applicable, the Internal Memorandum of Agreement.
40. Pursuant to 2 CFR §200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. The Office on Violence Against Women reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use the work, in whole or in part (including in the creation of derivative works), for Federal purposes, and to authorize others to do so.

The Office on Violence Against Women also reserves a royalty-free, nonexclusive and irrevocable right to reproduce publish or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient of this award, for Federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor or subcontractor) must obtain advance written approval from the Office on Violence Against Women program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor or subcontractor as applicable) to ensure that this condition is included in any subaward, contract or subcontract under this award.

The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office on Violence Against Women web site at: <http://www.ovw.usdoj.gov/docs/ffata-award-term.pdf> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own and/or operate in his or her name).
42. The grantee agrees that funds will not be used for prevention activities (e.g., outreach to elementary and secondary schools, implementation of educational programs regarding domestic and dating violence intervention, and public awareness campaigns). The grantee may use funds to provide outreach regarding the specific services offered under the grant.
43. The grantee agrees to use grant funds to strengthen legal advocacy service programs for victims of domestic violence, dating violence, sexual assault and stalking, including strengthening assistance to such victims in immigration matters. Grant funds may not be used to provide long-term or short-term legal representation.

Grant funds also may not be used for caregiver abuse of elders and other vulnerable adults.
45. Pursuant to 42 USC 3796hh(d), the grantee understands that 5% of this award is being withheld and that it may not obligate, expend or drawdown that 5% unless, by the period ending on the date on which the next session of the State legislature ends, the State or unit of local government:
 - (1) certifies that it has a law, policy, or regulation that requires -
 - (A) the State or unit of local government at the request of a victim to administer to a defendant, against whom an information or indictment is presented for a crime in which by force or threat of force the perpetrator compels the victim to engage in sexual activity, testing for the immunodeficiency virus (HIV) not later than 48 hours after the date on which the information or indictment is presented and the defendant is in custody or has been served with the information or indictment;
 - (B) as soon as practicable notification to the victim, or parent and guardian of the victim, and defendant of the testing results; and
 - (C) follow-up tests for HIV as may be medically appropriate, and that as soon as practicable after each such test the results be made available in accordance with subparagraph (B).

The "next session of the State legislature" means the next session after the date on which the application for this award was submitted.

If the grantee submits a certification, a Grant Adjustment Notice (GAN) will be issued, and the funds will become available for drawdown. If, by the date on which the next session of the State legislature ends, the grantee is not in compliance with this provision, the withheld funds will be deobligated from the amount of funds awarded for this award period.

46. The recipient's budget is pending review and approval. The recipient may obligate, expend and draw down funds for travel related expenses to attend OVW-sponsored technical assistance events up to \$10,000, unless there is another condition on the award prohibiting obligation, expenditure, and drawdown of any funds in which case the condition prohibiting any obligation, expenditure or drawdown of funds will control. If applicable, the Indirect Cost Rate will be identified in the Grant Adjustment Notice when the budget is approved.

OVW FY15 ICJR Grant Program Supplemental Funding Special Conditions

PROJECT NUMBER 2015-WE-AX-0005

AWARD DATE 08/30/2018

SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office on Violence Against Women ("OVW") taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award. OVW also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The recipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.333, 200.336.

3. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

14. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

15. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

16. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 1425 New York Avenue, N.W. Suite 7100, Washington, DC 20530; and/or (2) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

27. Confidentiality and information sharing

The recipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. 28. Activities that compromise victim safety and recovery or undermine offender accountability

The recipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation under which the approved application was submitted.

30. Maintaining contact information

The recipient acknowledges that it is responsible for maintaining updated contact information in the Grants Management System (GMS). To update information in GMS for either the point of contact and/or the authorized representative, the recipient must submit a Grant Adjustment Notice (GAN).

31. Semiannual and final performance progress report submission

The recipient agrees to submit semiannual performance progress reports that describe activities conducted during the reporting period, including program effectiveness measures. Reports must be submitted throughout the project period, even if no funds were spent and no activities were conducted in a given reporting period. Future awards may be withheld if reports are delinquent.

The information that must be collected and reported to OVW can be found in the reporting form associated with the grant program or initiative under which this award was made. Performance progress reports must be submitted within 30 days after the end of the reporting periods, which are January 1 - June 30 and July 1 - December 31. Recipients are required to submit their reports through the Grants Management System (GMS), unless and until OVW issues updated instructions for report submission. The final report is due 90 days after the end of the project period and should be marked "final" in the Report Type field in GMS.

32. Quarterly financial status reports

The recipient agrees that it will submit quarterly financial status reports to OVW through the Grants Management System (GMS) (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at <https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortBy=1>), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.

33. Program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by the non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval from OVW, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to the OVW award, the recipient must seek approval from its program manager via a budget modification Grant Adjustment Notice (GAN) prior to generating any program income. Any program income added to the federal award must be used to support activities that were approved in the budget and follow the conditions of the OVW award. Any program income approved via budget modification GAN must be reported in the recipient's quarterly Federal Financial Report SF-425 in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, it must be approved via a budget modification GAN by the end of the project period. If the budget modification is not submitted and approved, it could result in audit findings for the recipient.

34. FFATA reporting subawards and executive compensation

The recipient agrees to comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the Federal Funding Accountability and Transparency Act of 2006 (FFATA) Subaward Reporting System (FSRS). The details of recipient obligations, which derive from FFATA, are posted on the OVW web site at <https://www.justice.gov/ovw/grantees#award-conditions> (Award Condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

35. Changes to MOU and/or IMO A

The recipient agrees to submit for OVW review and approval, via Grant Adjustment Notice (GAN), any anticipated addition of, removal of, or change in collaborating partner agencies or individuals who are signatories of the Memorandum of Understanding and, if applicable, the Internal Memorandum of Agreement.

36. Submission of all materials and publications

The recipient agrees to submit to OVW one copy of all materials and publications (written, web-based, audio-visual, or any other format) that are funded under this award not less than twenty (20) days prior to distribution or public release. If the materials are found to be outside the scope of the program, or in some way to compromise victim safety, the recipient will need to revise the materials to address these concerns or the recipient will not be allowed to use award funds to support the development or distribution of the materials.

37. Publication disclaimer

The recipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from award activities shall contain the following statement: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Justice." The recipient also agrees to ensure that any subrecipient at any tier will comply with this condition.

38. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds with purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

39. Grantee orientation - mandatory attendance

First-time recipients, or continuation recipients if requested, must agree to have key staff members, as identified by OVW, attend the OVW grantee orientation seminar, which may be offered in-person, online, or a combination of both. Additionally, if there is a change in the project director/coordinator during the grant period, the recipient agrees, at the earliest opportunity, to send the new project director/coordinator, regardless of prior experience with this or any other federal award, to an in-person OVW grantee orientation seminar or require completion of the orientation online, whichever is available.

40. Prior approval for non-OVW sponsored technical assistance

The recipient agrees that funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, the recipient must submit a Grant Adjustment Notice (GAN) and attach a copy of the event's brochure, a curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs. The GAN request must be submitted to OVW at least 20 days prior to registering for the event. Requests to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.

41. Participation in OVW-sponsored technical assistance

The recipient agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers.

42. Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

43. Required SAM and FAPIIS reporting

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OVW award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OVW awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to FAPIIS within SAM are posted on the OVW web site at: <https://www.justice.gov/ovw/grantees#award-conditions> (Award Condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

44. Prohibition on public awareness activities

SPECIAL CONDITIONS

45. Limitation on use of funds for direct legal representation

The recipient agrees not to use grant funds to provide legal representation in civil or criminal matters, such as family law cases (divorce, custody, visitation, and child support), housing cases, consumer law cases and others. Grant funds may be used to provide legal representation to victims of domestic violence, dating violence, sexual assault, or stalking only in the limited context of protection order proceedings (either temporary or long term relief), or for limited immigration matters that may impact and affect the victim's ability to maintain safety (such as U visas).

46. Compliance with certifications

The recipient acknowledges that it has a continuing obligation to remain in compliance with the applicable certification requirements of 34 U.S.C. § 10461(c).

47. Withholding of funds pending determination of compliance with HIV certification

The recipient understands and agrees that five percent of its grant funds have been withheld because the recipient has not satisfied the requirements of 34 U.S.C. § 10461(d) concerning HIV testing of individuals charged with or convicted of sexual assault. The recipient therefore may not obligate, expend, or draw down the withheld five percent of its grant funds until the recipient demonstrates to OVW, and OVW determines, that the recipient has come into compliance with the requirements of 34 U.S.C. § 10461(d), and a Grant Adjustment Notice (GAN) has been issued to remove this condition. It is the responsibility of the recipient to timely submit to OVW all documentation necessary to establish that the recipient has satisfied the requirements of 34 U.S.C. § 10461(d), including appropriate certifications as to the recipient's compliance and copies of any applicable laws, policies, and regulations. If the recipient does not demonstrate its compliance with 34 U.S.C. § 10461(d) by the end of the state legislative session (in the recipient's home state) following the date on which the recipient submitted an application for the award, then the withheld five percent of the recipient's grant funds will be returned to OVW at the end of the award period.

48. Conditional clearance with release of TA funds

The recipient's budget is pending review and approval. The recipient may obligate, expend, and draw down only funds for travel-related expenses up to \$10,000 to attend OVW-sponsored technical assistance events, unless there is another condition on the award prohibiting obligation, expenditure, and drawdown of any funds, in which case the condition prohibiting any obligation, expenditure, or drawdown of funds will control. Remaining funds will not be available for drawdown until OVW's Grants Financial Management Division has approved the budget and budget narrative, and a Grant Adjustment Notice (GAN) has been issued removing this special condition. Any obligations or expenditures incurred by the recipient prior to the budget being approved are made at the recipient's own risk. If applicable, the Indirect Cost Rate will be identified in the GAN when the budget is approved.

The Director of OVW, upon a finding that there has been substantial failure by the recipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until the Director is satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 CFR Part 18, as applicable mutatis mutandis.
25. The grantee agrees that if they receive any funding that is duplicative of funding received under this grant, they will notify their OVW grant manager as soon as possible so that a Grant Adjustment Notice (GAN) can be issued modifying the budget and project activities to eliminate the duplication. Further, the grantee agrees and understands that any duplicative funding that cannot be re-programmed to support non-duplicative activities within the program's statutory scope will be deobligated from this award and returned to OVW.
26. The grantee agrees to comply with the provisions of 42 U.S.C. 13925(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. The grantee also agrees to ensure that any subgrantees meet these requirements.
27. The grantee agrees to submit semiannual progress reports that describe project activities during the reporting period. Progress reports must be submitted within 30 days after the end of the reporting periods, which are January 1 - June 30 and July 1 - December 31 for the duration of the award. Future awards may be withheld if progress reports are delinquent. Grantees are required to submit this information online, through the Grants Management System (GMS), on the semi-annual progress report for the relevant OVW grant programs.
