**BACKGROUND:**

**Summary**

The Cooperative Agreement (Agreement) sets forth the terms and conditions by which certain flood control facilities required as a condition of approval for Tract No. 30807 are to be constructed by Developer and inspected, operated and maintained by the District, County and Developer.

The Agreement is necessary to provide for District inspection and subsequent operation and maintenance of Winchester Hills – Settlers Road Storm Drain, Stage 1. Upon completion of construction, the Developer will assume ownership, operation and maintenance of the project until such time as District assumes ownership, operation and maintenance of the mainline storm drains greater than 36 inches in diameter, slope protection barriers, signage, fencing and a maintenance access road in accordance the terms and conditions as set forth in the Agreement. The County will assume ownership and responsibility for the operation and maintenance of the project's associated catch basins, inlets, outlets, connector pipes, curbs and gutters, concrete apron, riprap, wing and headwalls, access road and storm drains that are 36 inches or less in diameter located within County held rights of way. The Developer will retain ownership, operation and maintenance of four (4) water quality basins, concrete v-ditch and landscape features located within its rights of way.

County Counsel has approved the Agreement as to legal form, and the Developer has executed the Agreement. A companion item appears on the Riverside County Transportation Department's agenda this same date.

**Environmental Findings**

Resolution No. F2019-06, Considering an Environmental Impact Report (SCH#91082004) for the Winchester Hills Specific Plan No. 293, Making Responsible Agency Findings Pursuant to the Provisions of the California Environmental Quality Act (CEQA) and Issuing Certain Limited Approvals for Winchester Hills Specific Plan No. 293 Environmental Impact Report, and an accompanying Notice of Determination (NOD) was prepared by the District and adopted for Winchester Hills Specific Plan No. 293 by the Board of Supervisors on April 9, 2019 (Board Agenda Item No. 11.3). The impacts of processing Specific Plan No. 293, which includes Tract No. 30807, have been evaluated through the environmental review and there will be no

significant environmental impacts by the Winchester Hills Infrastructure. The Cooperative Agreement is an action in furtherance of the project, and nothing further is required for CEQA compliance because this proposed action was adequately analyzed in the earlier adopted NOD by this Board.

**Impact on Residents and Businesses**

As noted above, construction of these drainage improvements is a requirement for the development of Tract No. 30807. The principal beneficiaries are the future residents of the tract. Ancillary benefits will accrue to the public who will utilize the tract's roadways.

If subsequent to the inspection and in the sole discretion of DISTRICT DISTRICT FACILITIES is not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

4. DEVELOPER shall complete construction of PROJECT within twelve (12) consecutive months after execution of this Cooperative Agreement and within one hundred twenty (120) consecutive calendar days after commencing work on PROJECT. It is expressly understood

that since time is of the essence in this Cooperative Agreement, failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority for DISTRICT to perform the remaining work and require DEVELOPER'S surety to pay to COUNTY the penal sum of any and all bonds. In which case, COUNTY shall subsequently reimburse DISTRICT for DISTRICT costs incurred.

5. If DEVELOPER fails to commence construction of PROJECT within nine (9) months after execution of this Cooperative Agreement, then DISTRICT reserves the right to withhold issuance of the Notice to Proceed pending a review of the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT of the start of construction as set forth in Section I.8. In the event of a change in the existing site conditions that materially affects PROJECT function or DISTRICT's ability to operate and maintain DISTRICT FACILITIES, DISTRICT may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT.

6. DISTRICT shall endeavor to issue DEVELOPER a Notice to Proceed within twenty (20) days of receipt of DEVELOPER's complete written notice as set forth in Section I.8.; however, DISTRICT's construction inspection staff is limited and, therefore, the issuance of a Notice to Proceed is subject to staff availability.

In the event DEVELOPER wishes to expedite issuance of a Notice to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, approval. DISTRICT shall review the individual's qualifications and experience, upon approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT's behalf on all DISTRICT FACILITIES construction and quality control matters.

If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.3. exceeds ten thousand dollars (\$10,000), DISTRICT shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) days of DISTRICT'S approval of DEPUTY INSPECTOR; however, a minimum balance of ten thousand dollars (\$10,000) shall be retained on account.

7. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT designated legal holidays, unless otherwise approved in writing by DISTRICT. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written request for permission from DISTRICT to work the additional hours. The request shall be submitted to DISTRICT at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT at its sole discretion and shall be final. If permission is granted by DISTRICT, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with Ordinance Nos. 671 and 749, including any amendments thereto, of the County of Riverside.

8. DEVELOPER shall indemnify and hold harmless DISTRICT and COUNTY (including their agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any liability, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to DEVELOPER's (including its officers, employees, subcontractors and agents) actual or alleged acts or omissions related to this Agreement, performance under this Agreement, or failure to comply with the requirements of this Agreement,

including but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT; or (d) any other element of any kind or nature whatsoever.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including but not limited to attorney fees, cost of investigation, defense and settlements or awards), DISTRICT and COUNTY (including their agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) in any claim, proceeding or action for which indemnification is required.

With respect to any of DEVELOPER's indemnification requirements, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, compromise any such claim, proceeding or action without the prior consent of DISTRICT and COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes DEVELOPER's indemnification obligations to DISTRICT or COUNTY.

DEVELOPER's indemnification obligations shall be satisfied when DEVELOPER has provided to DISTRICT and COUNTY the appropriate form of dismissal (or similar document) relieving DISTRICT or COUNTY from any liability for the claim, proceeding or action involved.

The specified insurance limits required in this Cooperative Agreement shall in no way limit or circumscribe DEVELOPER's obligations to indemnify and hold harmless DISTRICT and COUNTY from third party claims.

In the event there is conflict between this section and California Civil Code Section 2782, this section shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve DEVELOPER from indemnifying DISTRICT or COUNTY to the fullest extent allowed by law.

9. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT and COUNTY, their respective officers, agents, and employees from any and all claims, demands, actions, or suits of any kind arising out of any liability, known or unknown, present or future, including, but not limited to any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DEVELOPER of DISTRICT or COUNTY, their officers, agents and employees from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of DISTRICT FACILITIES and APPURTENANCES, after the acceptance of DISTRICT FACILITIES and APPURTENANCES by DISTRICT and COUNTY, respectively.

10. Any waiver by DISTRICT or by COUNTY of any breach of any one or more of the terms of this Cooperative Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of DISTRICT or COUNTY to require exact, full and complete compliance with any terms of this Cooperative Agreement shall not be construed as in any manner changing the terms hereof, or estopping DISTRICT or COUNTY from enforcement hereof.

15. The rights and obligations of DEVELOPER shall inure to and be binding upon all heirs, successors and assignees.

16. DEVELOPER shall not assign or otherwise transfer any of its rights, duties or obligations hereunder to any person or entity without the written consent of the other parties hereto being first obtained. In the event of any such transfer or assignment, DEVELOPER expressly understands and agrees that it shall remain liable with respect to any and all of the obligations and duties contained in this Cooperative Agreement.

17. The individual(s) executing this Cooperative Agreement on behalf of DEVELOPER certify that they have the authority within their respective company(ies) to enter into and execute this Cooperative Agreement, and have been authorized to do so by all boards of directors, legal counsel, and / or any other board, committee or other entity within their respective company(ies) which have the authority to authorize or deny entering into this Cooperative Agreement.
