BACKGROUND:

Summary

The U.S. Office of National Drug Control Policy (ONDCP) has notified the Riverside County Sheriff's Department that it has been allocated HIDTA 19 Program funds for this year. The proposed grant award period of performance will be from January 1, 2019 through December 31, 2020. County Counsel has approved the award documents as to form.

For over 27 years, Riverside County has participated in the HIDTA program, which fosters cooperation among law enforcement agencies in their efforts to eliminate drug trafficking locally

STATE OF CALIFORNIA**

and nationally. The LA-HIDTA is comprised of the Los Angeles, Orange, Riverside, and San Bernardino counties. The Office of National Drug Control Policy and the LA-HIDTA have confirmed that Riverside County's total allocation for this grant award cycle is \$1,441,346. The HIDTA 19 funding level is the same as the modified \$1,441,346 HIDTA 18 Program award. Riverside County was initially awarded \$1,251,346 through the HIDTA 18 Program (6/12/18 3.32, MT #7100) with an additional \$190,000 awarded to increase the Inland Narcotics Clearing House (INCH) initiative \$100,000 and add \$90,000 for the new Vehicle Interdiction Pipeline Enforcement Resource (VIPER) initiative. Both HIDTA 19 and HIDTA 18 funding levels were higher than the \$1,251,346 for the HIDTA 17 Program (7/11/17 3.50 and 10/3/17 3.15).

Based on the HIDTA 19 award, grant funds will be distributed among the County project initiatives in the following manner:

Regional Methamphetamine Task Force (RMTF) \$385,055
Inland Narcotics Clearing House (INCH) \$619,238
Inland Crackdown Allied Task Force (INCA) \$347,053
Vehicle Interdiction Pipeline Enforcement Resource (VIPER) \$90,000

No County match is required. The HIDTA 19 grant funds will be spent during the grant performance period of January 1, 2019 through December 31, 2020 to fulfill the grant authorized requirement. HIDTA 18 grant funding must be fully expended within a grant budget category prior to starting HIDTA 19 grant activities. We anticipate expending the \$1,441,346 grant award with an estimated \$850,000 in FY 19/20 and the remaining \$591,346 in FY 20/21.

Operating with a focus throughout the entire LA-HIDTA region, the primary mission of the RMTF is to target major methamphetamine distribution, and Drug Trafficking Organizations (DTO) by investigating, disrupting, and arresting person(s) and organizations involved in illicit sales and trafficking of all hard narcotics (methamphetamine, cocaine, and heroin), thereby improving the quality of life for all citizens, both regionally and nationally.

Statistics indicate that methamphetamine, cocaine and heroin availability remain a constant concern and narcotic traffickers typically use well-established highways and pipelines to smuggle, ship and move illicit narcotics. To combat the availability of these narcotics, RMTF, using grant funds, will continue the deployment of a highway interdiction team, comprised of three narcotics detecting canines and their respective handlers. This team will be used to identify, disrupt, and arrest DTOs that regularly use these highways and trafficking routes to further their criminal enterprise(s).

INCH will also aid the task forces by providing connectivity to the Statewide Integrated Narcotics System (SINS). INCA will support the efforts of the California Department of Justice, Bureau of Investigations (BI) in enforcing laws related to illegal drugs in California. The INCA task force is comprised of numerous law enforcement agencies within the jurisdiction of the LA-HIDTA. This cooperative effort, coupled with their ability to jointly work with similar task forces, has proven to

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

be highly effective in the investigation of DTO's within the region. Additionally, INCH will assist by providing necessary case support and serve as a clearing house for the dissemination of narcotics related intelligence.

Since FY 10/11, Riverside County uses HIDTA grant funds, under the INCH initiative, to pay for five (5) Criminal Intelligence Analysts. The County purchases four of the five Criminal Intelligence Analyst services through a personnel recruiting agency, Strategic Contracting Services, Inc. (SCS). The fifth Criminal Intelligence Analyst is hired through the State of California Department of Justice, pursuant to the Memorandum of Understanding effective January 1, 2019 through December 31, 2019. In addition, the grant will also continue to provide funding for an accounting staff position at the Sheriff's Special Investigations Bureau, which the Department has filled at the Account Technician I level. INCH funds a small portion of a Sheriff's Network Administrator.

Strategic Contracting Services, Inc. serves as the Employer of Record for all LA HIDTA contracted analysts, including the four Criminal Intelligence Analysts working under the INCH initiative. Strategic Contracting Services, Inc. continues to be a single source vendor as they are the only approved HIDTA contractor providing the necessary contracted criminal intelligence analysts' services for case support and assistance with the dissemination of narcotics related intelligence within HIDTA. Using Strategic for such services provides consistency across the various intelligence initiatives and is a necessity throughout the region. Replacing these positions would be a lengthy, extensive time-consuming process, which if delayed, can inhibit the effectiveness of the intelligence support system of the LA HIDTA. The County and Sheriff's Department benefit by receiving the services of highly trained analysts whose services can be discontinued at the end of the grant performance period and maintain zero liability as an employer. There are no costs to the County for the recruitment, background, hiring or training of Strategic Contracting Services personnel.

Beginning with HIDTA 18 Program funding, Riverside County uses HIDTA grant funds, under the VIPER initiative, to pay for deputies' overtime worked during daily operations and in pre-planned operations with other LA-HIDTA Domestic Highway Enforcement teams. The program also funds equipment purchases and travel costs incurred to attend the annual National Interdiction Conference for valuable training.

HIDTA 19 grant related FY 18/19 expenditures have been included in the Sheriff Department's FY 18/19 department budget. The department will submit FY 19/20 and FY 20/21 budget adjustments as needed.

Impact on Residents and Businesses

The HIDTA funding will allow the Sheriff's Special Investigations Bureau (SIB) to provide a level of narcotics enforcement beyond the normal, everyday enforcement.

Additional Fiscal Information

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The HIDTA 19 funding will offset FY 18/19 through FY 20/21 overtime and other operational costs related in their efforts to eliminate drug trafficking within Riverside County and nationally through the High Intensity Drug Trafficking Areas (HIDTA) Grant Program period of January 1, 2019 through December 31, 2020. The contracting rate for the Criminal Intelligence Analysts' positions is established and approved by the grant. The grant program requires Strategic Contracting Services, Inc. to perform the analyst services in order for receipt of the HIDTA grant funds.

- 4a. **Was the request approved for a different project?**

 Yes **No**

5. **Supply/Service being requested:**
 Strategic Contracting Services, Inc. provides crime analyst Employer of Record services. The Department would like to continue contracting the four (4) Criminal Intelligence Analysts for case support.

request. The Purchasing Agent, or designee, is the signing authority for agreements unless the service is exempted by Ordinance 459, Board delegated authority or by State law. All insurance requirements must be met prior to work commencement. See the Risk Management website for vendor insurance requirements.)

- 6. Unique features of the supply/service being requested from this supplier.** *(If this sole source request is due to proprietary software or machinery, or hardware, provide a supporting letter from the manufacturer. If this is a single source request provide an explanation of how this provides the best value for the County by selecting this vendor.)*

Riverside County and Riverside County Sheriff's Department act as the fiduciary for the Inland Narcotics Clearing House in a grant from the LA HIDTA. One of the requirements of the grant is that Congress mandates that analytical intelligence groups operate as part of the grant, assisting in the fight against large scale illegal narcotics trafficking.

Strategic Contracting Services, Inc. serves as the Employer of Record for all contract analysts within the LA HIDTA, including INCH, LA CLEAR and The Joint Regional Intelligence Center (JRIC). Inland Narcotics Clearing House (INCH) LA CLEAR and JRIC are initiatives of the LA HIDTA Intelligence Support System. This system is part of the larger national intelligence narcotics network of HIDTA (High Intensity Drug Trafficking Areas).

Serving as the Employer of Record, Strategic Contracting Services, employs the contract analysts under their Federal Employer Tax ID number, and provide all tax liabilities, FICA, Medicare, Federal and State Unemployment Taxes, Workers Compensation Insurance, and provide W2 forms to employees at the end of each year. INCH and other HIDTA initiatives are not legal entities with Employer Tax Identification numbers, therefore, we must utilize an HR company willing to serve as the Employer of Record with proper Employer Tax Identification. The contract employees are offered medical insurance plans, and 401k plans at competitive rates with more options than other HR companies.

With all HIDTA contract analysts being employed by Strategic Contracting Services, it provides stability across the entire intelligence sector of the LA HIDTA as each group of analysts work under the same umbrella of protection provided by Strategic Contracting Services, Inc. This consistency across intelligence initiatives is a necessity throughout the region as replacing these positions would be a lengthy, extensive time-consuming process, which if delayed, can inhibit the effectiveness of the intelligence support system of the LA HIDTA.

Lastly, utilizing Strategic Contracting Services, Inc. as the single source of all of the analysts within the LA HIDTA (30+ analysts), provides increased control over the related information, a fundamental requirement in the fight against large scale narcotics/drug trafficking organizations.

- 7. Reasons why my department requires these unique features from the vendor and what benefit will accrue to the county:** The analysts provide the necessary case support and assist with the dissemination of narcotics related intelligence within the HIDTA. The County and Sheriff's Department benefit by receiving trained analysts whose services can be discontinued at the end of the grant performance period and maintain zero liability as an employer. There are no costs to the County for the recruitment, background, hiring, or training of Strategic Contracting Services personnel. The County also benefits by not directly employing the contracted employees. All insurance claims and other tax liabilities are

covered by Strategic Contracting Services as the Employer of Record as previously outlined. All employee handbooks and regulations are also maintained by Strategic Contracting Services, which ensures the Sheriff's Department and the other HIDTA initiatives receive a consistent service, and as mentioned above positively impacts the control of information.

8. Period of Performance: From: January 1, 2019 to December 31, 2020
 (total number of years)

Is this an annually renewable contract? No Yes
 Is this a fixed-term agreement: No Yes

(A fixed-term agreement is set for a specific amount of time; it is not renewed annually. Ensure multi-year fixed-term agreements include a cancellation, non-appropriation of funds, or refund clause. If there is no clause(s) to that effect, then the agreement must be submitted to the Board for approval. No exemptions shall apply.)

9. Identify all costs for this requested purchase. In addition, please include any single or sole source amounts previously approved and related to this project and vendor in the section designated below for current and future fiscal years. You do not need to include previous fiscal year amounts. If approval is for multiple years, ongoing costs must be identified below. If annual increases apply to ongoing costs such as CPI or other contract increases, provide the estimated annual cost for each consecutive year. If the annual increase may exceed the Purchasing Agent's authority, Board approval must be obtained. (Note: ongoing costs may include but are not limited to subscriptions, licenses, maintenance, support, etc.)

10. Price Reasonableness: *(Explain why this price is reasonable or cost effective – were you provided government discounted pricing? Is this rate/fee comparable to industry standards?)*
 The contracting rate for the Criminal Intelligence Analyst positions is established and approved by the grant, and all funding is provided by LA HIDTA (a national conglomerate piece of the larger HIDTA controlled by the federal government in Washington DC). Strategic Contracting Services provides competitive rates for serving as the Employer of Record for the four (4) Criminal Intelligence Analysts contracted employees for case support under the INCH initiative.

MEMORANDUM OF UNDERSTANDING

Riverside Inland Narcotic Clearing House

&

Los Angeles Regional Criminal Information Clearinghouse

This Memorandum of Understanding (MOU) is between the Riverside County Sheriffs' Department (RCSD), Inland Narcotic Clearing House (INCH), the California State Department of Justice (DOJ), and the Los Angeles Regional Criminal Information Clearinghouse (LA CLEAR).

PERSONNEL

Through LA CLEAR, The State of California, Department of Justice will hire and/or manage one (1) Criminal Intelligence Specialist III (CIS III) to be housed at the Inland Narcotic Clearing House (INCH) as outlined in the approved Methamphetamine Regional Task Force (RMTF) initiative. The CIS III will adhere to Western States Information Network (WSIN) policies, 28 CFR Part 23, and will be non-operational. The CIS III will be operationally supervised by an INCH on-site supervisor and/or manager. For state personnel issues, the CIS III will be administratively supervised through a Criminal Identification and Intelligence Supervisor (CIIS) assigned at LA CLEAR.

COMPONENTS

The two basic components of LA CLEAR pertinent to this MOU are:

- **State wide Integrated Narcotic System (SINS)** – Provides the base capability for technical, analytical and communications support to law enforcement agencies within California. This system provides access to a centralized intelligence database known as the California State Intelligence Index (CSII) via the SINS network, which is administered by the California Department of Justice. CSII has seamless interconnectivity to the national Regional Information Sharing Systems (RISS) projects and its RISS Intel intelligence database. SINS provides access to the DOJ Division of Law Enforcement Case Information Management System (CIMS), which provides agencies with a sophisticated information management tool for case information that

also supports state-wide information sharing. SINS also provide access to the Southwest Border States Anti-Drug Information System.

- **Analytical Unit** - Provides case support analysis to law enforcement agencies (local, state and federal) operating in four Counties, Los Angeles, Orange, Riverside and San Bernardino, High Intensity Drug trafficking Area (HIDTA). Because of the high population density and that Los Angeles is the west coast point for international trade operations, there has been an increasing demand for assistance by law enforcement and prosecutorial agencies in the Los Angeles HIDTA. Criminal Intelligence Specialists provides telephone toll analysis, case management, charting and graphing, and assist in prosecution of narcotic traffickers. Additionally, analysts also provide support to the Special Operations Center as law enforcement agencies are increasing the utilization of electronic surveillance capabilities (i.e., wire tap, covert cameras technologies, etc.), in support of investigations to disband, disrupt, and/or dismantle sophisticated drug trafficking organizations.

FUNDING

The amount of monies needed for the Department of Justice analyst, funded by the Inland Narcotic Clearing House (INCH) grant will be paid directly to the California Department of Justice as costs are incurred. Those costs are not exceed **\$99,000.00** (rounded).

All invoices should be billed to/mailed to the following addresses:

Bill to: Riverside County Sheriffs' Department
1500 Castellano Road
Riverside, CA 92509
Attn: Nanette Woodward

Mail to: LA CLEAR
5700 S. Eastern Avenue
Commerce, CA 90040
Attn: Brenton E. Chinn

NONDISCRIMINATION CLAUSE

During the performance of this Agreement, DOJ Shall not deny the contract benefits to any person on the basis of religion, color, ethnic group identification, sex, age, physical or mental disability, nor shall they discriminate unlawfully against any employee or applicant for

employment because of race, religion, color, national origin, ancestry, physical handicap, disability, marital status, age, or sex. DOJ shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. DOJ shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgate there under (Cal. Admin. Code Title 2, §7285.0 et seq), the provision of Article 9.5, Chapter 1, Part 1, Division 3, title 2 of the Government Code (Gov. Code §11135-11139.5), and the regulations or standards adopted by the CHIEFS to implement such article.

DOJ shall give notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. DOJ shall include the nondiscrimination compliance provisions of this clause in all subcontracts to perform work under the Contract.

INDEMNIFICATION

It is agreed that LA CLEAR shall defend, save harmless and indemnify RCSD, their officers and employees from any and all claims which arise out of the terms and conditions of this Agreement and which result from negligent acts or omissions of LA CLEAR, its officers and/or employees. It is further agreed that RCSD shall defend, save harmless, and indemnify LA CLEAR, its officers and employees from any and all claims for injuries or damage to persons and/or property which arise out of the terms and conditions of this Agreement and which result from the negligent acts or omissions of RCSD, its officers and/or employees. In the event of concurrent negligence of RCSD its officers and/or employees and LA CLEAR, its officers and/or employees, then the liability for any and all claims for injuries or damage to persons and/or property which arise out of the terms and conditions of this Agreement shall be apportioned according to the California theory of comparative negligence.

The State of California Office of the Attorney hereby agrees to provide legal counsel and assistance in all matters which concern LA CLEAR.

The undersigned concur with the terms of agreement in this MOU. This MOU will be in effect from **January 1, 2019 through December 31, 2019** from which the required funds are allocated. This MOU will be renewed each year in conjunction with the HIDTA grant periods as long as both parties are willing to continue the arrangement. The last signed agreement will remain in effect during the period all parties are preparing and/or negotiating a new agreement should there be any inadvertent period of lapse. This agreement can be amended or terminated by RCSD or a majority vote of the RCSD or the LA CLEAR Executed Council.

For this award, the Part 200 Uniform Requirements supersede, among other things, the provisions of 28 C.F.R. Parts 66 and 70, as well as those of 2 C.F.R. Parts 215, 220, 225, and 230.

For more information on the Part 200 Uniform Requirements, see <https://cfo.gov/cofar/>. For specific, award-related questions, recipients should contact ONDCP promptly for clarification.

 - Non-profit Certifications (when applicable)
3. Audits conducted pursuant to 2 CFR Part 200, Subpart F, “Audit Requirements” must be submitted no later than nine months after the close of the grantee’s audited fiscal year to the Federal Audit Clearinghouse at <https://harvester.census.gov/facweb/>.
4. Grantees are required to submit Federal Financial Reports (FFR) to the Department of Health and Human Services, Division of Payment Management (HHS/DPM). Federal Financial Report is required to be submitted quarterly and within 90 days after the grant is closed out.

6. Recipients of HIDTA funds are not agents of ONDCP. Accordingly, the grantee, its fiscal agent (s), employees, contractors, as well as state, local, and Federal participants, either on a collective basis or on a personal level, shall not hold themselves out as being part of, or representing, the Executive Office of the President or ONDCP.

These general terms and conditions, as well as archives of previous versions of the general terms and conditions, are available online at www.whitehouse.gov/ondcp/grants.

7. Conflict of Interest and Mandatory Disclosures

A. Conflict of Interest Requirements

As a non-Federal entity, you must follow ONDCP's conflict of interest policies for Federal awards. Recipients must disclose in writing any potential conflict of interest to an ONDCP Program Officer; recipients that are pass-through entities must require disclosure from subrecipients or contractors. This disclosure must take place immediately whether you are an applicant or have an active ONDCP award.

The ONDCP conflict of interest policies apply to sub-awards as well as contracts, and are as follows:

- i. As a non-Federal entity, you must maintain written standards of conduct covering conflicts of interest and governing the performance of your employees engaged in the selection, award, and administration of subawards and contracts.
- ii. None of your employees may participate in the selection, award, or administration of a subaward or contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an organization considered for a subaward or contract. The officers, employees, and agents of the non-Federal entity must neither solicit nor accept gratuities, favors, or anything of monetary value from subrecipients or contractors or parties to subawards or contracts.
- iii. If you have a parent, affiliate, or subsidiary organization that is not a state, local government, or Native American tribe, you must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, you are unable or appear to be unable to be impartial in conducting a sub-award or procurement action involving a related organization.

B. Mandatory Disclosure Requirement

As a non-Federal entity, you must disclose, in a timely manner, in writing to ONDCP all violations of Federal criminal law involving fraud, bribery or gratuity violations potentially affecting the Federal award. Non-Federal entities that have received a Federal award that includes the term and condition outlined in 200 CFR Part 200, Appendix XII "Award Term and Condition for Recipient Integrity and Performance Matters," are required to report certain civil, criminal, or administrative proceedings to System for Award Management (SAM). Failure to make required disclosures can result in remedies such as: temporary withholding of payments pending correction of the deficiency, disallowance of all or part of the costs associated with noncompliance, suspension, termination of award, debarment, or other legally available remedies outlined in 2 CFR 200.338 "Remedies for Noncompliance".

8. Federal Funding Accountability and Transparency (FFATA) / Digital Accountability and Transparency Act (DATA Act). Each applicant is required to (i) Be registered in SAM before submitting its application; (ii) provide a valid DUNS number in its application; (iii) continue to maintain an active System for Award Management registration with current information at all times during which it has an active Federal award; and (iv) provide all relevant grantee information required for ONDCP to collect for reporting related to FFATA and DATA Act requirements.
9. Subawards are authorized under this grant award. Subawards must be monitored by the award recipient as outlined in 2 CFR 200.331.

10. Recipients must comply with the Government-wide Suspension and Debarment provision set forth at 2 CFR Part 180, dealing with all sub-awards and contracts issued under the grant.
11. As specified in the HIDTA Program Policy and Budget Guidance, recipient must:
 - a) Establish and maintain effective internal controls over the Federal award that provides reasonable assurance that Federal award funds are managed in compliance with Federal statutes, regulations and award terms and conditions. These internal controls should be in compliance with the guidance in “Standards for Internal Control in the Federal Government,” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework,” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
 - b) Comply with Federal statutes, regulations, and the terms and conditions of the Federal awards.
 - c) Evaluate and monitor compliance with applicable statute and regulations, and the terms and conditions of the Federal award.
 - d) Take prompt action when instances of noncompliance are identified, including noncompliance identified in audit findings.
 - e) Take reasonable measures to safeguard protected PII and other information ONDCP or the recipient designates consistent with applicable Federal, state, and local laws regarding privacy and obligations of confidentiality.

B. Recipient Integrity and Performance Matters

Reporting of Matters Related to Recipient Integrity and Performance

1. General Reporting Requirement

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain and report current information to the SAM that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition (below). This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which You Must Report

Submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent 5 year period; and
- c. Is one of the following:

- (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition (below);
- (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
- (3) An administrative proceeding, as defined in paragraph 5 of this award term and condition, that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
- (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
 - (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
 - (iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent 5 year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

Accordingly, the grantee, its fiscal agent (s), employees, contractors, as well as state, local, and Federal participants, either on a collective basis or on a personal level, shall not hold themselves out as being part of, or representing, the Executive Office of the President or ONDCP.

These general terms and conditions, as well as archives of previous versions of the general terms and conditions, are available online at www.whitehouse.gov/ondcp/grants.

7. Conflict of Interest and Mandatory Disclosures

A. Conflict of Interest Requirements

As a non-Federal entity, you must follow ONDCP's conflict of interest policies for Federal awards. Recipients must disclose in writing any potential conflict of interest to an ONDCP Program Officer; recipients that are pass-through entities must require disclosure from subrecipients or contractors. This disclosure must take place immediately whether you are an applicant or have an active ONDCP award.

The ONDCP conflict of interest policies apply to sub-awards as well as contracts, and are as follows:

- i. As a non-Federal entity, you must maintain written standards of conduct covering conflicts of interest and governing the performance of your employees engaged in the selection, award, and administration of subawards and contracts.
- ii. None of your employees may participate in the selection, award, or administration of a subaward or contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an organization considered for a sub-award or contract. The officers, employees, and agents of the non-Federal entity must neither solicit nor accept gratuities, favors, or anything of monetary value from subrecipients or contractors or parties to subawards or contracts.
- iii. If you have a parent, affiliate, or subsidiary organization that is not a state, local government, or Native American tribe, you must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, you are unable or appear to be unable to be impartial in conducting a sub-award or procurement action involving a related organization.

B. Mandatory Disclosure Requirement

As a non-Federal entity, you must disclose, in a timely manner, in writing to ONDCP all violations of Federal criminal law involving fraud, bribery or gratuity violations potentially affecting the Federal award. Non-Federal entities that have received a Federal award that includes the term and condition outlined in 200 CFR Part 200, Appendix XII "Award Term and Condition for Recipient Integrity and Performance Matters," are required to report certain civil, criminal, or administrative proceedings to System for Award Management (SAM). Failure to make required disclosures can result in remedies such as: temporary withholding of payments pending correction of the deficiency, disallowance of all or part of the costs associated with noncompliance, suspension, termination of award, debarment, or other legally available remedies outlined in 2 CFR 200.338 "Remedies for Noncompliance".

8. Federal Funding Accountability and Transparency (FFATA) / Digital Accountability and Transparency Act (DATA Act). Each applicant is required to (i) Be registered in SAM before submitting its application; (ii) provide a valid DUNS number in its application; (iii) continue to maintain an active System for Award Management registration with current information at all times during which it has an active Federal award; and (iv) provide all relevant grantee information required for ONDCP to collect for reporting related to FFATA and DATA Act requirements.
9. Subawards are authorized under this grant award. Subawards must be monitored by the award recipient as outlined in 2 CFR 200.331.

10. Recipients must comply with the Government-wide Suspension and Debarment provision set forth at 2 CFR Part 180, dealing with all sub-awards and contracts issued under the grant.
11. As specified in the HIDTA Program Policy and Budget Guidance, recipient must:
 - a) Establish and maintain effective internal controls over the Federal award that provides reasonable assurance that Federal award funds are managed in compliance with Federal statutes, regulations and award terms and conditions. These internal controls should be in compliance with the guidance in "Standards for Internal Control in the Federal Government," issued by the Comptroller General of the United States and the "Internal Control Integrated Framework," issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
 - b) Comply with Federal statutes, regulations, and the terms and conditions of the Federal awards.
 - c) Evaluate and monitor compliance with applicable statute and regulations, and the terms and conditions of the Federal award.
 - d) Take prompt action when instances of noncompliance are identified, including noncompliance identified in audit findings.
 - e) Take reasonable measures to safeguard protected PII and other information ONDCP or the recipient designates consistent with applicable Federal, state, and local laws regarding privacy and obligations of confidentiality.

As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.
