Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2019, 2020, and 2021 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

COOPERATING AND METRO CITIES: Please note that the cities that participate in the County's CDBG program will receive their own allocation from the County's CDBG allocation for projects and activities that benefit their individual cities. A separate Notice of Funding Availability (NOFA) has been issued for this CDBG allocation. Organizations that are considering applying directly to the Cooperating or Metro Cities for their CDBG allocations must consult with those cities directly for application information, procedures, and deadlines. EDA's CDBG webpage provides contact information for the Cooperating and Metro Cities.

HOME PROGRAM: The County will accept HOME applications for new construction and substantial rehabilitation projects on an on-going, over the counter basis until all funds for the current fiscal year are exhausted. Organizations seeking HOME funds for affordable housing projects should contact the Housing Division of EDA for application information at (951) 343-5469 or rivcoeda.org. In the event that the County of Riverside EDA decides to release a competitive RFP for the solicitation of HOME funds, a notice of no less than thirty (30) days will be provided of the County's intention to release an RFP. The County is required to prepare and submit to HUD a One Year Action Plan that provides detailed information on all of the activities that the County will fund with CDBG, ESG, and HOME funds for the 2019-2020 program year. The Board of Supervisors will conduct a public hearing on the proposed One Year Action Plan during February/March 2019. The Board will then approve the final One Year Action Plan in April/May 2019.

La Diabetes

La diabetes es una enfermedad crónica que sucede cuando el cuerpo no produce suficiente insulina o cuando el organismo no es capaz de utilizar adecuadamente esta insulina. La insulina es una hormona producida por el páncreas que permite que el azúcar de los alimentos que pasa a la sangre sea transportado al interior de las células, donde es transformada en la energía que el músculo y las células necesitan para el funcionamiento. Existen dos tipos principales de diabetes:

Diabetes tipo I

El cuerpo de una persona con diabetes tipo I produce muy poca o ninguna insulina. Esto se debe a que el sistema inmunitario destruye las células del páncreas que producen insulina. La diabetes tipo I es una enfermedad autoinmune que puede desarrollarse en cualquier momento de la vida, pero a menudo se diagnostica en la infancia o en la adolescencia.

Diabetes tipo II

El cuerpo de una persona con diabetes tipo II produce suficiente insulina, pero el cuerpo no puede utilizarla correctamente. Esto se debe a que el cuerpo produce demasiada insulina o que las células no responden adecuadamente a la insulina que se produce. La diabetes tipo II es una enfermedad crónica que puede desarrollarse en cualquier momento de la vida, pero a menudo se diagnostica en la adultez.

CIUDADES COOPERANTES Y METROPOLITANAS: Tiene en cuenta que las ciudades que participan en el programa CDBG del Condado recibirán su propia asignación de concesiones de CDBG del Condado para proyectos y actividades que beneficien a sus ciudades individuales. Se ha emitido un Aviso de Disponibilidad de Fondos (NOFA) por separado para esta asignación de CDBG. Las organizaciones que están considerando solicitar directamente a las ciudades cooperantes o metropolitanas para sus asignaciones de CDBG deben consultar directamente con esas ciudades para obtener información sobre solicitudes, procedimientos y fechas límite. La página web CDBG de EDA brinda información de contacto para las ciudades cooperantes y metropolitanas.

PROGRAMA DE HOGAR: El Condado aceptará las solicitudes de HOME para la nueva construcción y los proyectos de rehabilitación importantes en forma continua, que estén sobre la mesa, hasta que se agoten todos los fondos para el año fiscal en curso. Las organizaciones que buscan fondos de HOME para proyectos de viviendas asequibles deben comunicarse con la División de Vivienda de EDA para obtener información sobre solicitudes al (951) 343-5489 o rivcoeda.org. En caso de que la EDA del Condado de Riverside decida publicar un RFP competitivo para la solicitud de fondos de HOME, se le proporcionará un aviso de no menos de treinta (30) días sobre la intención del Condado de divulgar un RFP.

Se requiere que el Condado prepare y envíe a HUD un Plan de Acción de Un Año que brinde información detallada sobre todas las actividades que el Condado financiará con los fondos CDBG, ESG y HOME para el año del programa 2019-2020. Los integrantes del grupo mexicano Bronco José Esparza, René Esparza, Lupe Esparza, Javier Cantú y Ramiro Delgado posan durante una rueda de prensa para presentar su nuevo disco "Primera Fila" el 28 de marzo de 2017 en Ciudad de México.

¿Qué bronca con Bronco?

El grupo resurgió hace dos años con Primera Fila, el tercer álbum en vivo del grupo desde sus inicios en 1979

Lorena Jiménez

Si el grupo Bronco ha resurgido con éxito manteniendo al público de hace más de 30 años, y acaparando la atención de audiencia más joven, es debido a la mezcla entre la experiencia musical de Ramiro Delgado y Lupe Esparza con las ideas frescas de los hijos de este último: José y René, de 31 y 33 años, respectivamente.

"Desde que volvimos con nuestro nombre original, en 2016, lo cual celebramos con la realización de nuestro álbum Primera Fila, nuestra principal misión fue resurgir como un proyecto mejorado. Entonces Bronco apostó por darle espacio a nuevas generaciones de músicos para que aporten ideas, porque tal vez Ramiro y yo podríamos ser repetitivos en nuestra fórmula de hacer música", ex-

plió Lupe, líder de la agrupación originaria de Apodaca, Nuevo León.

Además de José, quien es el guitarrista de la organización musical y productor de Primera Fila, y René, bajista y encargado de la parte creativa de los shows en vivo, Javier Cantú, de 29 años, también es parte de la nueva faceta de Bronco, donde luce su maestría en la batería.

Bronco resurgió hace dos años con Primera Fila, el tercer álbum en vivo del grupo desde sus inicios en 1979, pero el primero tras haber recuperado su nombre original hace dos años, pues de 2003 a 2015 la agrupación tuvo una etapa bajo el nombre de El Gigante de América.

Además de Lupe Esparza (cantante y compositor) y Ramiro Delgado (teclados y acordeón), otro de los fundadores fue José Luis Villarreal, quien falleció en 2012.

La agrupación ha plisado, en su nueva faceta, el Auditorio Nacional de México en tres ocasiones (28 de octubre y 10 de diciembre del año pasado y 3 de mayo de 2018), y ya preparan su gira por varias ciudades.

"Bronco tiene mucha historia en Guadalajara, tengo

recuerdos imborrables de lugares como el Río Nilo donde alguna vez rompimos récord por convocar a más de 100 mil personas.

Nunca había escuchado un spot de radio anunciando e invitando a la gente a que ya no fuera al baile porque había sobrepeso. Es una historia fantástica, pero no deja de ser historia", recordó Lupe Esparza.

El intérprete adelantó que la agrupación ha comenzado a alistar su nuevo álbum, material en el que dijo se incluirán éxitos que no entraron en Primera Fila, y para el cual también buscan colaboraciones artistas de otros géneros musicales.

"We want others to do likewise, and if enough people often enough do what is needed we will curb global warming," Brown said during an interview with The Associated Press. "But we're definitely at the beginning of what's going to be a long and difficult and contentious journey."

The state is pushing to rapidly expand adoption of electric vehicles and has created a cap-and-trade program to put a price on carbon emissions, creating incentives to reduce them. It's working toward a goal to reduce greenhouse gas emissions by 40 percent over the next 12 years.

The efforts have drawn criticism from business groups worried about rising electric bills. Some environmentalists say Brown is too cozy with oil and gas interests and plan to disrupt the San Francisco summit. The renewable energy measure would require California's utilities to generate 60 percent of their energy from wind, solar and other specific renewable sources by 2030. That's 10 percent higher than the current mandate.

The goal would then be to use only carbon-free sources to generate electricity by 2045. It's merely a goal, with no mandate or penalty for falling short.

Phasing out fossil fuels would be a massive change in the energy grid.

Utilities rely on natural gas plants to meet demand when renewables fall short, particularly in the early evening when the sun sets and people turn on their air conditioners as they get home from work.

Utilities are already dealing with an abundance of solar energy during peak times, which must be transferred to other states when there's not enough demand locally for the power.

Brown advocates for a regional energy grid that would more easily allow Western states to share en-

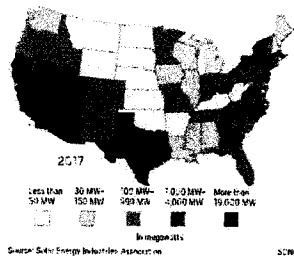

State Sen. Kevin de León, D-Los Angeles, right, watches as Gov. Jerry Brown signs the environmental measure on clean electricity, Senate Bill 100, into law Monday in Sacramento. SB 100 sets a goal of phasing out all fossil fuels from the state's electricity sector by 2045.

ergy. An effort he pushed has died the past two years in the Legislature, with critics arguing California shouldn't be part of a grid with states that rely on coal. But Brown on Monday said moving toward a regional grid is essential to achieving California's new 100 percent clean energy goal without sending electric prices skyrocketing.

"Those who don't want

it are going to be fostering very high prices on California, and I think there will be resistance to that," Brown said. "It may take one or two years, but we're going to get there. It makes too much sense."

He also pointed to the need for better battery technology to store energy.

Renewable energy experts have looked to batteries that can store solar energy generated in the afternoon as one solution, but the technology is not ready for wide-scale deployment.

Another potential solution is pumped storage, in which water is pumped uphill in the afternoon using solar energy and then released through hydroelectric generators after the sun sets.

Brown has often faced criticism that he's too lenient with the oil industry, including from environmental groups pushing him to create a moratorium on new oil and gas wells in the state. He rejected the criticism and said that California's approach to climate change relies on curbing emissions from a variety of sources, including oil.

California has nearly 54,000 active wells, some of them close to urbanized areas in Southern California and the Central Valley, according to state data.

California ranked sixth among states in crude oil production in May, the latest data available from the U.S. Energy Information Administration.

The state ranks 15th in natural gas production. California's production of crude oil has fallen steadily since the mid-1980s.

Business groups also opposed the measure amid concerns it would raise the price of energy and, together with California's other environmental and labor protections, make it hard to compete with firms in other states.

"If we're going to have these first-in-the-nation laws, we want to see first-in-the-nation benefits," said Rob Lapsley, president

of the California Business Roundtable.

The measure was written by state Sen. Kevin de León, a Los Angeles Democrat who is running for U.S. Senate against fellow Democratic U.S. Sen. Dianne Feinstein.

"Today we're setting a marker that will be remembered by future generations," de León said.

The companion executive order Brown signed directs the state to achieve "carbon neutrality" by no later than 2045. After that, he says the state should emit net negative greenhouse gas emissions.

The order directs several state agencies to set targets for artificially removing carbon dioxide from the air through a process known as "sequestration."

That could involve restoring forests and wetlands to use plants to consume carbon dioxide or new technologies that capture carbon dioxide, compress it and inject it into the ground.

It is anticipated that the Board of Supervisors will approve and adopt the final 2019-2020 One Year Action Plan, as part of the 2019-2024 Five Year Consolidated Plan (Con Plan), at its regular meeting of May 7, 2019. The 2019-2020 One-Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development (HUD) for review and approval on or about May 15, 2019. Please note that both the meeting date and time are subject to change.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The 2019-2020 One Year Action Plan is a component of the 2019-2024 Five Year Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the specific activities to be undertaken to meet the priority needs identified in the Consolidated Plan. Upon completion of the Citizen Participation process, the review and considerations of comments, and the approval by the Board of Supervisors, the County will prepare and submit the final 2019-2020 One Year Action Plan of the 2019-2024 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2019-20 HUD appropriations are: \$7,749,093 for the Community Development Block Grant (CDBG) program, including the Metro City Program; \$2,496,018 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and \$678,000 for the Emergency Solutions Grant (ESG) program. The County expects to utilize at least eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 90 proposals for the 2019-20 CDBG funding, totaling approximately \$7,900,000. The proposed activities included public service, public facility improvements, rehabilitation, economic development, code enforcement, and others. There were 22 requests for Emergency Solutions Grant (ESG) funding totaling \$1,751,732. Proposals for the use of HOME funds totaled \$2,855,054 including: HOME New Construction (\$1,872,014); HOME Direct Ownership (\$359,035); HOME/CHDO Set-Aside (\$374,404); and HOME administration (\$249,601). The combined cost for the oversight of the programs (HOME, CDBG, ESG) general management and administrative activities is estimated to be \$1,850,270.

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2019-2020 CPD Funding cycle in July, 2018, with the publication of the *Notification of Funding Availability* (NOFA) for the CDBG and ESG programs. The County initiated the *Citizen Participation Process* in July, 2018, with the notification to residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2019-2020 CPD Funding cycle. The Citizen Participation Process consisted of a comprehensive community needs assessment as well as public meetings in unincorporated communities to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2019-2020 One Year Action Plan of the 2019-2024 Consolidated Plan will include the unincorporated areas of the County, the City of Lake Elsinore (Metro City), and the following Cooperating Cities: Banning, Beaumont, Blythe, Coachella, Canyon Lake, Desert Hot Springs, Eastvale, Indian Wells, La Quinta, Murrieta, Norco, San Jacinto, and Wildomar.

IMPLEMENTATION. The goals for the 2019-2020 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

It is anticipated that the Board of Supervisors will approve and adopt the final 2019-2020 One Year Action Plan, as part of the 2019-2024 Five Year Consolidated Plan (Con Plan), at its regular meeting of May 7, 2019. The 2019-2020 One-Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development (HUD) for review and approval on or about May 15, 2019. Please note that both the meeting date and time are subject to change.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The 2019-2020 One Year Action Plan is a component of the 2019-2024 Five Year Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the specific activities to be undertaken to meet the priority needs identified in the Consolidated Plan. Upon completion of the Citizen Participation process, the review and considerations of comments, and the approval by the Board of Supervisors, the County will prepare and submit the final 2019-2020 One Year Action Plan of the 2019-2024 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2019-20 HUD appropriations are: \$7,749,893 for the Community Development Block Grant (CDBG) program, including the Metro City Program; \$2,496,018 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and \$678,000 for the Emergency Solutions Grant (ESG) program. The County expects to utilize at least eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 90 proposals for the 2019-20 CDBG funding, totaling approximately \$7,900,000. The proposed activities included public service, public facility improvements, rehabilitation, economic development, code enforcement, and others. There were 22 requests for Emergency Solutions Grant (ESG) funding totaling \$1,751,732. Proposals for the use of HOME funds totaled \$2,855,054 including: HOME New Construction (\$1,872,014); HOME Direct Ownership (\$339,035); HOME/CHDO Set-Aside (\$374,404); and HOME administration (\$249,601). The combined cost for the oversight of the programs (HOME, CDBG, ESG) general management and administrative activities is estimated to be \$1,850,270.

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2019-2020 CPD Funding cycle in July, 2018, with the publication of the Notification of Funding Availability (NOFA) for the CDBG and ESG programs. The County initiated the Citizen Participation Process in July, 2018, with the notification to residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2019-2020 CPD Funding cycle. The Citizen Participation Process consisted of a comprehensive community needs assessment as well as public meetings in unincorporated communities to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2019-2020 One Year Action Plan of the 2019-2024 Consolidated Plan will include the unincorporated areas of the County, the City of Lake Elsinore (Metro City), and the following Cooperating Cities: Banning, Beaumont, Blythe, Coachella, Canyon Lake, Desert Hot Springs, Eastvale, Indian Wells, La Quinta, Murrieta, Norco, San Jacinto, and Wildomar.

IMPLEMENTATION. The goals for the 2019-2020 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of sub-standard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low-and moderate-income families.

If you have any questions or require additional information about the County's CPD programs, the Citizen Participation process, public hearings, or other information, please contact EDA at (951) 351-0700, (800) 655-4228, or edearen@rivco.org.

NOTICE OF FUNDING AVAILABILITY

2019-2020 COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM – DISTRICT ALLOCATION

I. Program Description:

The County of Riverside has opened the Online Application System for the FY 2019-2020 Community Development Block Grant (CDBG) cycle. CDBG is a flexible program that provides communities with resources to address a wide range of unique community development needs. Beginning in 1974, the CDBG program is one of the longest continuously run programs at HUD. The CDBG entitlement program allocates annual grants to larger cities and urban counties to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons.

The CDBG program is a federally-funded program administered through the U.S. Department of Housing and Urban Development (HUD). As an Urban County in the Entitlement CDBG program, the County receives an annual formula allocation of CDBG funds from HUD. HUD determines the amount of each grant by using a formula comprised of several measures of community need, including the extent of poverty, population, housing overcrowding, age of housing, and population growth lag in relationship to other metropolitan areas.

The program works to ensure decent affordable housing, to provide services to the most vulnerable in our communities, and to create jobs through the expansion and retention of businesses. CDBG is an important tool for helping local governments tackle serious challenges facing their communities. The CDBG program has made a difference in the lives of millions of people and their communities across the Nation.

CDBG was authorized under the Housing and Community Development Act of 1974, as amended, and is listed under the Catalog of Federal Domestic Assistance (CFDA) as 14.218. Applicable CDBG regulations can be found at 24 CFR Part 570 and 24 CFR Part 91.

CDBG funding has been used by the County and subrecipients for a wide variety of community, economic, and social development activities. Activities include public facilities such as fire stations, parks, community centers, senior centers, homeless shelters, health clinics, water and sewer improvements, and street and sidewalk improvements. CDBG also provides public service activities such as child care, health care, after school, programs, senior programs, food and clothing distribution, job training, recreation, and many more.

All activities funded with the County's CDBG funds must:

1. serve persons or communities within the County's Urban County area;
2. be an eligible activity under CDBG regulations (24 CFR Part 570.201); and
3. meet a National Objective of the CDBG program (24 CFR Part 570.208).

Most activities meet a National Objective by benefitting low-income persons or low-income communities.

The County's *Urban County CDBG Program* includes all of the unincorporated areas of Riverside County as well as the "cooperating" cities of: Banning, Beaumont, Blythe, Canyon Lake, Coachella, Desert Hot Springs, Eastvale, Indian Wells, La Quinta, Murrieta, San Jacinto, and Wildomar. The cities of Lake Elsinore and Palm Desert participate in the County's Urban County program as a "Metro Cities." **Please Note: the cooperating cities receive their own CDBG allocation from the County's Urban County CDBG program. Any organization seeking funding from a cooperating city's CDBG allocation must contact that city for application procedures and additional information. Applications for 2019-2020 CDBG funds from the cooperating cities cannot be submitted through the County's Online Application System.**

II. CDBG Award Information:

Subject to Federal appropriations, the County anticipates receiving approximately \$8,000,000 in CDBG funds for the FY 2019-2020 program, including the cooperating cities' allocations. The amount of CDBG funding to be allocated to the Supervisorial District allocations is expected to be approximately \$2,000,000. The actual amount of the County's allocation is determined by final funding appropriations from Congress and HUD's CDBG allocation formula. For the 2018-2019 Supervisorial District allocations, sixty-six (66) eligible applications were received and fifty (50) activities were funded totaling \$1,720,415.

Depending upon the type of activity to be funded, a successful subrecipient will have one (1) year to complete, expend, and drawdown their CDBG award for a public service activity, or no more than two (2) years for a public facility or other CDBG activities.

Typical individual awards for CDBG-funded activities range from \$10,000 for public service activities to \$100,000 or more for public facilities, acquisition, or other eligible activities. All CDBG awards made by the County will be in the form of a grant, excluding projects funded under economic development. Subrecipients will be required to execute an approved subrecipient agreement with the County. Non-profit organizations, non-County governmental entities, and Tribal organizations will be required to execute a "Sponsor's Agreement" with the County. A copy of template of the Sponsor's Agreement is available upon request to EDA. **Please Note: all grant funding awarded by the County from the 2019-2020 CDBG application cycle will be available to successful subrecipients no earlier than July 1, 2019.**

Organizations that have previously applied for County CDBG funding are eligible to apply, and there is no limit on the number of applications an organization can submit.

Eligibility Information:

Eligible Applicants:

The County of Riverside will only accept CDBG applications from the following organizations or entities:

1. Non-Profit organizations subject to 26 U.S.C. 501 (c)(3) of the tax code;
2. County of Riverside Agencies and Departments; and
3. Governmental agencies including Cities, Special Districts, and Tribes.

Individuals cannot apply for County CDBG funding.

Non-profit organizations will be required to submit documentation as part of the CDBG application pertaining to their incorporation, bylaws, and tax exempt status.

Cost Sharing and Leveraging:

Applications for funding under the County's CDBG allocation, excluding the funding from the cooperating cities, must successfully demonstrate a matching contribution of at least 5% of the CDBG request. This matching contribution, referred to as "leveraging", can include other Federal, State, local, or private funding; donations; "in-kind" contributions; and volunteer hours. Leveraging used to match previous CDBG grants cannot be used. The County may consider requests for waivers of the leveraging requirements on a case-by-case basis.

Applicants are encouraged to utilize the greatest amount of leveraging possible to improve the competitiveness of their proposal.

Real Property Acquisition – Displacement of Tenants:

In order to comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, applicants considering the submittal of a CDBG application for real property acquisition and/or the displacement of tenants must contact EDA prior to the submittal of any application.

Minimum Funding Level:

In order to ensure the effective, efficient, and appropriate allocation and use of the County's CDBG funding, the County may reject any proposed CDBG activity in an amount less than \$10,000. Exceptions to this policy include traditionally "county-wide" activities which are funded from:

1. both a County Supervisor's allocation and a cooperating city;
2. two or more cooperating cities; or
3. two or more County Supervisor allocations.

Compliance with Laws and Regulations:

The successful applicants will be required to comply with all applicable federal, state, and local laws, regulations, and ordinances. Pursuant to an executed subrecipient agreement, the applicant will certify that it will adhere to and comply with the laws and regulations found in **Attachment 1** as they may be applicable to a subrecipient of funds granted pursuant to the Housing and Community Development Act of 1974, as amended.

IV. APPLICATION REVIEW INFORMATION

The County of Riverside uses a Priority Evaluation and Project Rating System for all CDBG proposals. As part of the review and evaluation process, EDA staff will review and evaluate all proposals utilizing the following checklist:

1. ACTIVITY EVALUATION:

Does the activity address an established need?

Is the proposed activity eligible (24 CFR 570.201) under the CDBG program?

Does the proposed activity meet one of the three broad National Objectives:

Principally benefit low and moderate-income persons;

Prevents or eliminates slum and blight; or

Addresses an urgent need or problem in the community.

Has the applicant provided sufficient explanation concerning their ability to adequately and accurately document the benefit to low and moderate income persons?

Can the project be implemented and completed within a reasonable amount of time (Public Service activities 1 year / all other activities 2 years maximum)?

Has the applicant identified all the major tasks or components that will be required in carrying out the activity? Are there any potential issues or concerns?

Has the applicant provided a reasonable estimate of the resources necessary for each component of the project, and has it developed a realistic budget that reflects these resources? Are other sources of funds (leveraging) committed to this project?

Is the proposed budget for the CDBG-funded activity separate from other activities undertaken by the applicant?

2. APPLICANT (ORGANIZATIONAL) EVALUATION

Has the applicant ever undertaken the proposed activity before? What were the results?

Does the applicant have experience with CDBG or other Federal programs? Has the applicant conducted a Single Audit pursuant to 2 CFR Part 200 within the last two years?

Does the applicant and prospective staff understand the additional requirements associated with Federal funding?

Does the applicant have qualified staff for all the necessary functions associated with the proposed activity? Is there adequate staff time available?

Does the applicant possess adequate administrative structures, management systems, and policies & procedures?

Does the applicant possess adequate financial stability? Will the applicant be overly dependent upon CDBG funding?

3. ELIGIBLE ACTIVITIES

Applicants should refer to HUD regulations found at 24 CFR Sections 570.201-204 regarding eligible uses of CDBG funding.

4. MINIMUM ACTIVITY FUNDING LEVEL

In an effort to ensure effective, efficient, and appropriate allocation and use of CDBG funds, the County may reject any proposed CDBG activity in an amount less than \$10,000. Exceptions to this policy include: traditionally county-wide activities (city/county, multiple city, etc.) or a project or activity serving a very remote location. These exceptions must be pre-approved by EDA prior to the application submittal.

5. LEVERAGE/MATCHING FUNDS

Verification of at least five percent (5%) matching funds must be provided prior to the date of the grant awarded to the grantee. Funds used to match a previous CDBG grant may not be used to match a subsequent grant award. Applications with zero leverage will be disqualified. Leverage may include, but is not limited to, the following: Federal, State, and local government funding; private donations; and in-kind contributions (e.g., volunteer hours at \$5.00 hour, etc.).

V. APPLICATION RATING

Each complete CDBG application is rated by CDBG program staff to determine if the proposal meets the minimum score rating. The County uses a 200 point rating system with four (4) rating criteria with a minimum rating score of at least 100 points. The rating criteria are:

- Quality of Program Design/ four sub-criteria (40 points)
- Quality of Proposal Elements/ four sub-criteria (60 points)
- Capacity and Experience/four sub-criteria (40 points)
- Proposed Funding Request/five sub-criteria (60 points)

There are three (3) threshold sub-criteria that all applications must receive at least five (5) points each, or the proposal will not be funded:

- Does the proposed program/project comply with the overall regulations, goals and objective of the CDBG program? Application describes how the identified need relates to the objectives of the CDBG program?

- Does the proposed activity address a priority community development need as identified in the Five Year Consolidated Plan?
- Does the organization have the demonstrated capacity to successfully implement and complete the proposed activity in a timely manner?

VI. APPLICATION REVIEW AND SELECTION PROCESS

For the County's allocation, each CDBG application is received, reviewed, evaluated, and rated. CDBG program staff and EDA management then meet with the individual District Supervisors for their CDBG funding decisions. EDA staff will provide background information on each proposals, answer questions, and provide funding recommendations if requested.

VII. ANTICIPATED ANNOUNCEMENT, AWARD DATE, AND NOTICE

The Board of Supervisors for the County of Riverside will make all final CDBG funding decisions for the County's 2019-2020 CDBG allocation. This is anticipated to occur in April/May 2019 during a regular meeting of the Board of Supervisors when the Board approves the 2019-2020 One Year Action Plan (part of the 2019-2024 Five Year Consolidated Plan).

After the approval date, applicants will be notified by mail of the Boards funding decisions. The One Year Action Plan is then submitted to the U.S. Department of Housing and Urban Development (HUD) for review and approval.

Those applicants that have been approved for CDBG funding will be notified by mail. The letter will clearly indicate the amount of their award, and that this is not a notification to proceed or to incur costs. The letter will inform the successful applicants that a subrecipient agreement will be prepared and forwarded to them in the near future with further instructions.

VIII. ADMINISTRATIVE AND NATIONAL POLICY REQUIREMENTS

All CDBG awards made by the County and the cooperating cities will be in the form of a grant, excluding projects funded under economic development. Subrecipients will be required to execute an approved subrecipient agreement with the County. Non-profit organizations, non-County governmental entities, and Tribal organizations will be required to execute a "Sponsor's Agreement" with the County. A copy of template of the Sponsor's Agreement is available upon request to EDA. The Cooperating Cities must execute a Supplemental Agreement with the County each year. Subrecipients of the Cooperating Cities' CDBG funding will enter into an approved subrecipient agreement with the awarding city.

IX. POST AWARD REPORTING REQUIREMENTS

To ensure compliance with the CDBG program National Objective requirements, all subrecipients of CDBG funds will be required to comply with the applicable CDBG reporting requirements. The type, amount, frequency, format (paper or electronic), and detail of the reporting requirements depends upon the specific use of the CDBG funds and corresponding National Objective. PREPARATION OF THE COUNTY OF RIVERSIDE'S 2019-2024 FIVE YEAR CONSOLIDATED PLAN

The County of Riverside has initiated the preparation of the County's next Five Year Consolidated Plan. The 2019-2024 Consolidated Plan is designed to assist the County, its cooperating cities, residents, and service providers assess affordable housing and community development needs and to make data-driven, place-based investment decisions.

The consolidated planning process serves as the framework for a community-wide dialogue to identify housing and community development priorities that align and focus funding from the HUD's CPD formula block grant programs including the: Community Development Block Grant (CDBG) Program, HOME Investment Partnerships (HOME) Program, and Emergency Solutions Grants (ESG) Program.

The Consolidated Plan is carried out through Annual Action Plans, which provide a concise summary of the actions, activities, and the specific federal and non-federal resources that will be used each year to address the priority needs and specific goals identified by the Consolidated Plan.

The 2019-2020 Action Plan will be the first Action Plan of the 2019-2024 Consolidated Plan. Grantees report on accomplishments and progress toward Consolidated Plan goals in the Consolidated Annual Performance and Evaluation Report (CAPER).

A primary component of the Consolidated Plan process is a comprehensive community needs assessment survey. All interested persons, organizations, and agencies are encouraged to complete the online 2019-2024 Consolidated Plan Survey. The survey is available in English or Spanish and can be accessed at:

COUNTY OF RIVERSIDE

NOTICE OF FUNDING AVAILABILITY

2019-2020 URBAN COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

FOR COOPERATING CITIES

I. Program Description:

The County of Riverside has opened the CDBG application period for the FY 2019-2020 Community Development Block Grant (CDBG) cycle for Cooperating Cities within the County's Urban County CDBG program.

CDBG is a flexible program that provides communities with resources to address a wide range of unique community development needs. Beginning in 1974, the CDBG program is one of the longest continuously run programs at HUD. The CDBG entitlement program allocates annual grants to larger cities and urban counties to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons.

The CDBG program is a federally-funded program administered through the U.S. Department of Housing and Urban Development (HUD). As an Urban County in the Entitlement CDBG program, the County receives an annual formula allocation of CDBG funds from HUD. HUD determines the amount of each grant by using a formula comprised of several measures of community need, including the extent of poverty, population, housing overcrowding, age of housing, and population growth lag in relationship to other metropolitan areas.

The program works to ensure decent affordable housing, to provide services to the most vulnerable in our communities, and to create jobs through the expansion and retention of businesses. CDBG is an important tool for helping local governments tackle serious challenges facing their communities. The CDBG program has made a difference in the lives of millions of people and their communities across the Nation.

CDBG was authorized under the Housing and Community Development Act of 1974, as amended, and is listed under the Catalog of Federal Domestic Assistance (CFDA) as 14.218. Applicable CDBG regulations can be found at 24 CFR Part 570 and 24 CFR Part 91.

CDBG funding has been used by the County, its cooperating cities, and other subrecipients for a wide variety of community, economic, and social development activities. Activities include public facilities such as fire stations, parks, community centers, senior centers, homeless shelters, health clinics, water and sewer improvements, and street and sidewalk improvements. CDBG also provides public service activities such as child care, health care, after school, programs, senior programs, food and clothing distribution, job training, recreation, and many more.

All activities funded with the County's CDBG funds must:

1. serve persons or communities within the County's Urban County area;
2. be an eligible activity under CDBG regulations (24 CFR Part 570.201); and
3. meet a National Objective of the CDBG program (24 CFR Part 570.208).

Most activities meet a National Objective by benefitting low-income persons or low-income communities.

The County's *Urban County CDBG Program* includes all of the unincorporated areas of Riverside County as well as the "cooperating" cities of: Banning, Beaumont, Blythe, Canyon Lake, Coachella, Desert Hot Springs, Eastvale, Indian Wells, La Quinta, Murrieta, San Jacinto, and Wildomar. The cities of Lake Elsinore and Palm Desert participate in the County's Urban County program as a "Metro City." **For purpose of this NOFA, Lake Elsinore and Palm Desert are Cooperating Cities.**

CDBG Award Information:

Subject to Federal appropriations, the County anticipates receiving approximately \$8,000,000 in CDBG funds for the FY 2019-2020 program. The amount of CDBG funding to be allocated to the Cooperating Cities is expected to be approximately \$2,400,000. The actual amount of the County's allocation is determined by final funding appropriations from Congress and HUD's CDBG allocation formula. Funds from this 2019-2020 CDBG application cycle will be available to the Cooperating Cities and their subrecipients no earlier than July 1, 2019.

Depending upon the type of activity to be funded, the cooperating cities and their subrecipients will have one (1) year to complete, expend, and drawdown their CDBG award for a public service activity, or two (2) years for a public facility or other CDBG activities.

Typical individual awards for CDBG-funded activities range from \$10,000 for public service activities to \$100,000 or more for public facilities, acquisition, or other eligible activities.

All CDBG awards made by the County to the cooperating cities will be in the form of a grant. The cooperating cities must execute a Supplemental Agreement with the County each CDBG program year. Non-city subrecipients (non-profits, special districts, etc.) receiving CDBG funds from a cooperating city will be required to enter into a County-approved subrecipient agreement with the awarding city.

II. Eligibility Information:

Eligible Applicants:

The County of Riverside will only accept CDBG applications from the cooperating cities listed above. The cooperating cities may award their CDBG funds to the following entities and organizations:

1. City Departments or Agencies;
2. Non-Profit organizations subject to 26 U.S.C. 501 (c)(3) of the tax code; and
3. Governmental agencies including the County, other Cities, Special Districts, and Tribes.

Individuals cannot apply for County CDBG funding.

Non-profit organizations will be required to submit documentation as part of their cooperating city CDBG application including incorporation, bylaws, board of directors, and tax exempt status.

Cost Sharing and Leveraging:

The cooperating cities and their subrecipient applicants are encouraged to utilize the greatest amount of leveraging as possible to improve the competitiveness of their proposal.

In order to comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, cooperating cities that are considering the submittal of a CDBG application for real property acquisition and/or the displacement of tenants must contact EDA prior to the submittal of any application.

Minimum Funding Level:

In order to ensure the effective, efficient, and appropriate allocation and use of the County’s CDBG funding, the County may reject any proposed cooperating city CDBG activity in an amount less than \$10,000. Exceptions to this policy include traditionally “county-wide” activities which are funded from:

1. both a County Supervisor’s allocation and a cooperating city; or
2. two or more cooperating cities.

Compliance with Laws and Regulations:

The successful applicants will be required to comply with all applicable federal, state, and local laws, regulations, and ordinances. Pursuant to an executed subrecipient agreement, the applicant will certify that it will adhere to and comply with the laws and regulations found in **Attachment 1** as they may be applicable to a subrecipient of funds granted pursuant to the Housing and Community Development Act of 1974, as amended.

In addition, all CDBG-funded projects using CDBG for facility construction, renovation, or improvements will be considered as “Public Works,” and therefore, subject to applicable State of California Department of Industrial Relations requirements.

Dun and Bradstreet Data Universal Number System (DUNS) and System for Award Management (SAM)

Pursuant to Federal regulations, all cooperating cities and their subrecipients submitting applications for CDBG funds must comply with the following requirements prior to submitting their CDBG application to the County for the 2019-2020 program year:

1. Be registered in the System for Award Management (SAM) system;
2. Provide a valid DUNS number in the application; and
3. Must maintain an active SAM registration, with current information, at all times during the performance period of the CDBG grant.

The County and the Cooperating Cities will not make any CDBG grant awards to any organization or government entity that fails to comply with the SAM and DUNS requirements.

System for Award Management (SAM):

The System for Award Management (SAM) is combining federal procurement systems and the Catalog of Federal Domestic Assistance into one new system. This consolidation is being done in phases. The first phase of SAM includes the functionality from the following systems:

1. Central Contractor Registry (CCR)
2. Federal Agency Registry
3. Excluded Parties List (EPLS)
4. Online Representations and Certifications Application

How does SAM benefit organizations? The overarching benefits of SAM include streamlined and integrated processes, elimination of data redundancies, and reduced costs while providing improved capability.

<https://www.sam.gov/portal/SAM/#1>

Data Universal Number System (DUNS):

The Federal government requires all applicants for Federal grants have a DUNS number. The Federal government uses the DUNS number to better identify related organizations that are receiving funding under Federal grants and to provide consistent name and address data for electronic grant application systems.

If you do not already have a DUNS number, contact Dun and Bradstreet toll free at 1-866-705-5711.

APPLICATION REVIEW INFORMATION

The County of Riverside uses a Priority Evaluation and Project Rating System for all CDBG proposals. As part of the review and evaluation process, EDA staff will review and evaluate all proposals utilizing the following checklist:

I. ACTIVITY EVALUATION:

Does the activity address an established need?

Is the proposed activity eligible (24 CFR 570.201) under the CDBG program?

Does the proposed activity meet one of the three broad National Objectives:

Principally benefit low and moderate-income persons;

Prevents or eliminates slum and blight; or

Addresses an urgent need or problem in the community.

Has the applicant provided sufficient explanation concerning their ability to adequately and accurately document the benefit to low and moderate income persons?

Can the project be implemented and completed within a reasonable amount of time (Public Service activities 1 year / all other activities 2 years maximum)?

Has the applicant identified all the major tasks or components that will be required in carrying out the activity? Are there any potential issues or concerns?

Has the applicant provided a reasonable estimate of the resources necessary for each component of the project, and has it developed a realistic budget that reflects these resources? Are other sources of funds (leveraging) committed to this project?

Is the proposed budget for the CDBG-funded activity separate from other activities undertaken by the applicant?

II. APPLICANT (ORGANIZATIONAL) EVALUATION

Has the applicant ever undertaken the proposed activity before? What were the results?

Does the applicant have experience with CDBG or other Federal programs? Has the applicant conducted a Single Audit (formerly OMB Circular A-133) within the last two years?

Do the applicant and prospective staff understand the additional requirements associated with Federal funding?

Does the applicant have qualified staff for all the necessary functions associated with the proposed activity? Is there adequate staff time available?

Does the applicant possess adequate administrative structures, management systems, and policies & procedures?

Does the applicant possess adequate financial stability? Will the applicant be overly dependent upon CDBG funding?

III. ELIGIBLE ACTIVITIES

The cooperating cities and their prospective subrecipients should refer to HUD regulations found at 24 CFR Sections 570.201-204 regarding eligible uses of CDBG funding.

IV. MINIMUM ACTIVITY FUNDING LEVEL

In an effort to ensure effective, efficient, and appropriate allocation and use of CDBG funds, the County may reject any proposed CDBG activity in an amount less than \$10,000. Exceptions to this policy include: traditionally county-wide activities (city/county, multiple city, etc.) or a project or activity serving a very remote location. These exceptions must be pre-approved by EDA prior to the application submittal.

V. APPLICATION RATING

Each complete CDBG application is rated by CDBG program staff to determine if the proposal meets the minimum score rating. The County uses a 200 point rating system with four (4) rating criteria with a minimum rating score of at least 100 points. The rating criteria are:

- Quality of Program Design/ four sub-criteria (40 points)
- Quality of Proposal Elements/ four sub-criteria (60 points)
- Capacity and Experience/four sub-criteria (40 points)
- Proposed Funding Request/five sub-criteria (60 points)

There are three (3) threshold sub-criteria that all applications must receive at least five (5) points each, or the proposal will not be funded:

- Does the proposed program/project comply with the overall regulations, goals and objective of the CDBG program? Application describes how the identified need relates to the objectives of the CDBG program?
- Does the proposed activity address a priority community development need as identified in the Five Year Consolidated Plan?
- Does the organization have the demonstrated capacity to successfully implement and complete the proposed activity in a timely manner?

APPLICATION REVIEW AND SELECTION PROCESS

The Cooperating Cities establish their own application process and make their own CDBG funding decisions – all cooperating city applications are subject to EDA review and Board of Supervisor approval.

ANTICIPATED ANNOUNCEMENT, AWARD DATE, AND NOTICE

The Board of Supervisors for the County of Riverside will make all final CDBG funding decisions for the County's 2019-2020 CDBG allocation. This is anticipated to occur in April/May 2019 during a regular meeting of the Board of Supervisors when the Board approves the 2019-2020 One Year Action Plan and 2019-2024 Five Year Consolidated Plan.

After the approval date, the cooperating cities will be notified by mail of the Boards funding decisions. The One Year Action Plan is then submitted to the U.S. Department of Housing and Urban Development (HUD) for review and approval. The letter will clearly indicate the amount of their award, and that this is not a notification to proceed or to incur costs. The letter will inform the cooperating city that a supplemental agreement will be prepared and forwarded in the near future with further instructions.

POST AWARD REPORTING REQUIREMENTS

To ensure compliance with the CDBG program National Objective requirements, all cooperating cities and their subrecipients will be required to comply with the applicable CDBG reporting requirements. The type, amount, frequency, format (paper or electronic), and detail of the reporting requirements depends upon the specific use of the CDBG funds and corresponding National Objective. All specific reporting requirements will be stated in the supplemental agreement.

PREPARATION OF THE COUNTY OF RIVERSIDE'S 2019-2024 FIVE YEAR CONSOLIDATED PLAN

The 2019-2024 Consolidated Plan is designed to assist the County, its cooperating cities, residents, and service providers assess affordable housing and community development needs and to make data-driven, place-based investment decisions.

The consolidated planning process serves as the framework for a community-wide dialogue to identify housing and community development priorities that align and focus funding from the HUD's CPD formula block grant programs including the: Community Development Block Grant (CDBG) Program, HOME Investment Partnerships (HOME) Program, and Emergency Solutions Grants (ESG) Program.

The Consolidated Plan is carried out through Annual Action Plans, which provide a concise summary of the actions, activities, and the specific federal and non-federal resources that will be used each year to address the priority needs and specific goals identified by the Consolidated Plan.

The 2019-2020 Action Plan will be the first Action Plan of the 2019-2024 Consolidated Plan. Grantees report on accomplishments and progress toward Consolidated Plan goals in the Consolidated Annual Performance and Evaluation Report (CAPER).

A primary component of the Consolidated Plan process is a comprehensive community needs assessment survey. All cooperating cities, interested persons, and organizations are encouraged to complete the online 2019-2024 Consolidated Plan Survey. The survey is available in English or Spanish and can be accessed at:

NOTICE OF FUNDING AVAILABILITY

2019-2020 EMERGENCY SOLUTIONS GRANT PROGRAM

A. Program Description:

The County of Riverside has opened the Online Application System for the FY 2019-2020 Emergency Solutions Grants (ESG) cycle.

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program, and revises the Emergency Shelter Grants program and renames it as the Emergency Solutions Grants (ESG) program. The HEARTH Act also codifies into law the Continuum of Care planning process, a longstanding part of HUD's application process to assist homeless persons by providing greater coordination in responding to their needs.

Emergency Solutions Grant (ESG) funds can be used to provide a wide range of services and supports under the five program **components**: Street Outreach, Emergency Shelter, Rapid Re-housing, Homelessness Prevention, and HMIS.

All activities funded with the County's ESG funds must provide funding to:

1. Engage homeless individuals and families living on the street;
2. Improve the number and quality of emergency shelters for homeless individuals and families;
3. Help operate these shelters;
4. Provide essential services to shelter residents;
5. Rapidly re-house homeless individuals and families utilizing housing first approach; and
6. Prevent families and individuals from becoming homeless

HUD allocates the fiscal year appropriation for ESG to eligible recipients in accordance with the percentage of ESG funding each jurisdiction was allocated for the previous fiscal year. However, where the ESG allocation for a metropolitan city or urban county would be less than .5 percent of the total fiscal year appropriation for ESG, HUD adds that jurisdiction's allocation to the allocation for the State in which the jurisdiction is located.

Subtitle B of Title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371-11378). Regulations are at 24 CFR part 576. Agreement is Emergency Solutions Grant (ESG) funds (CFDA 14.231).

Note: The Act to Prevent Mortgage Foreclosures and Enhance Mortgage Credit Availability Act was signed into law on May 20, 2009 (Public Law 111-22). Division B of this new law is the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act). The HEARTH Act amends Subtitle B of Title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371-11378) to rename the program the Emergency Solutions Grants program, expand the range of eligible activities under the program, and add or change certain program requirements. HUD is now in the process of revising the

regulations at 24 CFR part 576 to implement these changes and make other refinements to the program and definitions.

As an Urban County in the Entitlement ESG program, the County receives an annual formula allocation of ESG funds from HUD. HUD determines the amount of each grant by using a formula comprised of several measures of community need, including the extent of poverty, population, housing overcrowding, age of housing, and population growth lag in relationship to other metropolitan areas.

The County's *Urban County ESG Program* includes all of the unincorporated areas of Riverside County as well as the "cooperating" cities of: Banning, Beaumont, Blythe, Canyon Lake, Coachella, Desert Hot Springs, Eastvale, Indian Wells, La Quinta, Murrieta, San Jacinto, and Wildomar.

B. ESG Award Information:

Subject to Federal appropriations, the County anticipates receiving approximately \$680,000 in ESG funds for the FY 2019-2020 program. The actual amount of the County's allocation is determined by final funding appropriations from Congress and HUD's ESG allocation formula. Funds from this 2019-2020 ESG application cycle will be available to successful subrecipients no earlier than July 1, 2019.

Depending upon the type of activity to be funded, a successful sub recipient will have one (1) year to complete, expend, and drawdown their ESG award.

Typical individual awards for ESG-funded activities range from \$10,000 to \$60,000 or more for emergency shelter, outreach services, rapid re-housing, and homelessness prevention eligible activities. For the 2018-2019 program years, the County received 12 eligible applications and made 10 grant awards.

All ESG awards made by the County will be in the form of a grant. Subrecipients will be required to execute an approved subrecipient agreement with the County; non-profit organizations, non-County governmental entities, and Tribal organizations will be required to execute an "ESG Agreement" with the County. A copy of template of the ESG Agreement is available upon request to EDA.

Please Note: organizations that have previously applied for County ESG funding are eligible to apply, and there is no limit on the number of applications an organization can submit.

C. Eligibility Information:

Paraphrased, these regulations require that the building (or portion thereof) that is to be improved be leased to an existing or newly established wholly secular entity (which may be an entity established by the church). Further, the regulations require that the leased premises will be used exclusively for secular purposes available to all persons regardless of religion.
- Rehabilitation, conversion, or renovation of a property within a 100-year flood plain, as designated by the Federal Emergency management Agency.
- A project which is inconsistent with environmental standards as established by HUD.
- Emergency Solutions Grant amounts may not be used for activities other than those authorized under Section 576.21 (a) (2-4).

4. Minimum Funding Level:

In order to ensure the effective, efficient, and appropriate allocation and use of the County's ESG funding, the County may reject any proposed ESG activity in an amount less than \$10,000.

5. Compliance with Laws and Regulations:

The successful applicants will be required to comply with all applicable federal, state, and local laws, regulations, and ordinances. Pursuant to an executed subrecipient agreement, the applicant will certify that it will adhere to and comply with the laws and regulations found in **Attachment 1** as they may be applicable to a subrecipient of funds granted pursuant to the Housing and Community Development Act of 1974, as amended.

The County of Riverside has initiated the preparation of the County's next Five Year Consolidated Plan (CP). The 2019-2024 Consolidated Plan is designed to assist the County, its cooperating cities, residents, and service providers assess affordable housing and community development needs and to make data-driven, place-based investment decisions.

The consolidated planning process serves as the framework for a community-wide dialogue to identify housing and community development priorities that align and focus funding from the HUD's CPD formula block grant programs including the: **Community Development Block Grant (CDBG) Program, HOME Investment Partnerships (HOME) Program, and Emergency Solutions Grants (ESG) Program.**

The Consolidated Plan is carried out through Annual Action Plans, which provide a concise summary of the actions, activities, and the specific federal and non-federal resources that will be used each year to address the priority needs and specific goals identified by the Consolidated Plan.

The 2019-2020 Action Plan will be the first Action Plan of the 2019-2024 Consolidated Plan. Grantees report on accomplishments and progress toward Consolidated Plan goals in the Consolidated Annual Performance and Evaluation Report (CAPER).

A primary component of the Consolidated Plan process is a comprehensive community needs assessment survey. All interested persons, organizations, and agencies are encouraged to complete the online 2019-2024 Consolidated Plan Survey. The survey is available in English or Spanish and can be accessed at:

 - D. **Action Item: Southern Coachella Valley Community Services District potential annexation of North Shore and measure for assessment increase**
 - a. **Draft Motion:** Formal support of the Community Council for the proposed annexation and assessment increase.
 - b. **Record of Action:**
 - c. **Background:** The Southern Coachella Valley Community Services District (SCVCSD) is a law enforcement agency that was formed in 1985 to serve Thermal, Oasis, Mecca and Vista Santa Rosa through an assessment charge. In 1989, the District also started handling trash pickup through a contract with Burtec.

At one point, the SCVCSD's contract with the Riverside County Sheriff's Department funded five sheriff's deputies, today, the District is down to two. This is primarily due to the rising costs associated with hiring sheriffs (approximately \$150,000 per year). SCVCSD is considering annexing North Shore, which would serve a dual purpose: North Shore can possibly obtain a dedicated sheriff and the SCVCSD would have additional funding to ensure they don't drop to one sheriff.

Since 1986, the assessment charge has remained at \$66 per residential unit, \$88 per commercial unit, and \$1 per acre (\$20 minimum). Meanwhile, sheriff employment costs have increased over the years and will continue to do so. The SCVCSD is proposing to annex North Shore and within 2-3 years of the annexation they would like to ask voters for an increase in the assessment to offset the rising law enforcement contract services. The proposed assessment increase would be \$75 - \$85 per residential unit, \$100 per commercial unit, with no current plan to increase the acreage assessment. Please note that these dollars amounts may be subject to change in the future. Sheriffs employed by SCVCSD are strictly dedicated to communities within the district. These dedicated sheriffs proactively investigate crimes such as burglaries, theft, vandalism, assault, fraud, and other localized and non-emergency calls. In other words, they are able to take care of calls the Patrol Division may not be able to address based on the prioritization of the call.

Without the North Shore annexation and assessment increase, there will be a decrease in supplemental law enforcement services, elimination of community based programs (TOM site, cleanups, etc.), and the eventual dissolution of SCVCSD. The district plans on petitioning the

Local Agency Formation Committee (LAFCO) to request and pay for the annexation of North Shore. They also plan on sending informational mailers to residents regarding the assessment increase and eventually putting it to a vote in the community. The District has an office at the Mecca Library in case there are any questions.
