**AGENDA NO.
16.1**

June 18, 2019

Riverside County Board of Supervisors

Re: The County of Riverside-prepared Idyllwild Communities Emergency Evacuation Plan Is a Public Record which must be available online and explained to the public at local community meetings.

The Ralph M. Brown Act (Government Code sections 54950-54963, referred to as the "Brown Act") is intended to provide public access to meetings of California local government agencies. Its purpose is described in the Act:

"The people of this State do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created." Gov't Code § 54950.

We, the residents and visitors to the Communities of Idyllwild, Pine Cove and Fern Valley insist upon our right to the Emergency Evacuation Plan prepared by various County agencies for these communities.

We also insist on public meetings explaining the evacuation plan.

This is a basic right of information for any community for which an emergency evacuation plan has been prepared by public agencies.

Federal laws require airline passengers to be informed of evacuation procedures, including the location of exit doors, the meaning of lights leading to those doors, how to use your seat as a flotation device, how to wear and use your life vest, and the admonition to place the oxygen mask on yourself first, before placing it on your baby.

If you boarded a ship or airplane and were told that there was a plan, there were lifeboats and life vests, there was oxygen, there was a way to protect your children and others not able to protect themselves, **but** you were not going to be told their location or how to use them, you would not board that boat or plane but would call the lack of information a violation of law--which would certainly lead to increased deaths in the case of an emergency evacuation.

The same is true of the SECRET Idyllwild Community Emergency Evacuation Plan prepared by the County Fire, Sheriff and Emergency Management Departments, among others.

We assume the County-prepared evacuation plan is "very good", but it is worthless to us, the people to be evacuated, if we do not know what the plan is.

It is a matter of our life and death, for which you are responsible, that the Idyllwild Community Emergency Evacuation Plan be immediately made available online and that ASAP a Town Hall meeting be held in Idyllwild to inform the community how they can best insure the safety and survival of themselves and their families in case an emergency evacuation is required.

Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please ensure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin to flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman, may result in removal from the Board Chambers by Sheriff Deputies.
