BACKGROUND:

Summary

On August 23, 2016, the Board of Supervisors of the County of Riverside (County) approved a Financial Assistance Award from the U.S. Department of Commerce, Economic Development Administration (USED A) to establish a Revolving Loan Fund in the County. The purpose of the fund is to support economic development and provide for a source of business capital. On August 23, 2016, the Board of Supervisors also approved and adopted Resolution No. 2016-026, establishing the County of Riverside Economic Development Agency Revolving Loan Fund Program (RLF Program). The total loan pool of \$1,528,633 was capitalized with the grant from USED A (80% of total) and matched by County of Riverside EDA Economic Development funds (20% of total). When a loan is issued under the program, the same ratio of USED A versus local EDA funds is used.

EDA has received a loan request from Casey A. Hutchinson, an individual doing business as JC's Patio Café (JC's Café), a restaurant located at 73-200 El Paseo Drive, Suite A1, Palm Desert, California. Casey A. Hutchinson has requested a loan in the amount of \$140,000 which is proposed to be used to purchase additional furniture, fixtures and equipment, to restructure

STATE OF CALIFORNIA**

debt, and to use as working capital to hire and train new employees to serve the anticipated increase in customer demand.

Casey A. Hutchinson purchased JC's Café and began operating the restaurant in October of 2017. He has extensive restaurant experience, having owned and operated the Sunshine Café in Cathedral City for many years. In prior years, the previous owners of JC's Café had only been open for business for six hours per day and closed every summer for three months between July and September. Casey A. Hutchinson will expand hours of operation to include the evening hours and evolve the business into a year round operation to better retain the customer base, increase sales, increase profits, maintain an expanded full staff of employees, and better serve the surrounding retail and hospitality district of El Paseo.

The proposed loan meets the RLF Program requirements as originally approved in that the applicant is a for-profit business located within the County of Riverside and the proposed use of funds is consistent with eligible purposes as stipulated in the program requirements. The applicant has provided documentation that the loan would not substitute for a private loan, financing is not otherwise available for the requested loan, and the applicant will create at least one job for every \$35,000 of loan proceeds as required by the USEDPA. Casey A. Hutchinson will be required to hire four new employees as a condition to the receipt of the RLF Program loan in the amount of \$140,000.

When a loan application is received under the RLF Program, EDA conducts a preliminary review to determine if it meets basic RLF Program parameters. If so, the next step in the process is to conduct an in-depth financial review and credit underwriting to ensure financial viability and repayment ability of the applicant. EDA partners with the Finance Center at the Orange County/Inland Empire Small Business Development Center (SBDC) network to conduct credit analysis and underwriting. Upon review of submitted finances and proposed job creation impact, the SBDC determined the loan application from Casey A. Hutchinson to be a viable candidate to move forward in the approval process.

After SBDC review, the next step is review by the EDA Loan Review Committee that is comprised of representatives from the commercial lending sector and EDA executive management. As part of that process, recommendations are made as to the terms and conditions of the loan. On October 2, 2018, EDA convened its Loan Review Committee, which recommended that the loan request from Casey A. Hutchinson proceed forward for Board of Supervisor's consideration in the amount of \$140,000 as requested, at an interest rate 5.5% for a five year term. Casey A. Hutchinson understands the conditions and is agreeable to the terms. The terms of the proposed RLF Program loan from the County to Casey A. Hutchinson, doing business as JC's Patio Café, in the amount of \$140,000 (Loan), is memorialized in the attached Loan Agreement (Revolving Loan Fund Program), including exhibits (Loan Agreement). The Loan will be evidenced by a Promissory Note and secured by a Deed of Trust and UCC-1 Fixture Filing (each attached).

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Financial assistance provided through the RLF Program falls within the meaning of an economic development subsidy under California Government Code Section 53083. Notice of a public hearing was published in a newspaper of general circulation with the specific disclosure information required under Section 53083. A summary report was also made available for public review pursuant to California Government Code Section 53083. In accordance with California Government Code Section 53083, on and after January 1, 2014, each local agency shall, before approving any economic development subsidy within its jurisdiction, provide the information required therein, in written form available to the public, and through its Internet Web site and conduct a public hearing. The term "economic development subsidy" is defined as any expenditure of public funds or loss of revenue to a local agency in the amount of \$100,000 or more, for the purpose of stimulating economic development within the jurisdiction of a local agency, including, but not limited to, bonds, grants, loans, loan guarantees, enterprise zone or empowerment zone incentives, fee waivers, land price subsidies, matching funds, tax abatements, tax exemptions, and tax credits. "Economic development subsidy" shall not include expenditures of public funds by, or loss of revenue to, the local agency for the purpose of providing housing affordable to persons and families of low or moderate income.

Pursuant to the California Environmental Quality Act (CEQA), the Loan Agreement was reviewed and determined to be categorically exempt from CEQA under State CEQA Guidelines Section 15061(b) (3), General Rule or "Common Sense" exemption, and Section 15301 Class 1- Existing Facilities exemption. The project includes the loan of RLF program funds to purchase furniture and other fixtures and equipment (that at most involve minor alterations to existing facilities), to restructure debt, and as working capital to hire new employees (Project). The Project will have mostly financial impacts. The installation of furniture and fixtures and equipment on the existing facility is categorically exempt from CEQA under CEQA Guidelines 15301, Class 1 – Existing Facilities, since the Project includes de minimus rehabilitation activity of existing facilities and no expansion of an existing use will occur. In addition, it can be seen with certainty that there is no possibility that the activity in question will have a significant impact on the environment since the Project is a loan of funds that will not require any construction activities and will not lead to any direct or reasonably foreseeable indirect physical environmental impacts since the existing use will be maintained. A Notice of Exemption will be filed by EDA staff with the County Clerk upon approval of the Loan Agreement. Additionally, the uses of the funds through the Loan Agreement are categorically excluded activities under the National Environmental Policy Act (NEPA) under 40 CFR §1508.4 for USEDA. The actions to be undertaken pursuant Loan Agreement do not individually or cumulatively have a significant effect on the human environment.

EDA Staff recommends that the Board of Supervisors conduct a public hearing on the proposed economic subsidy pursuant to Government Code Section 53083 and approve the proposed Loan Agreement, including all exhibits. County Counsel has approved as to form the Loan Agreement.

ARTICLE 2
MAINTENANCE AND MODIFICATION OF
THE PROJECT AND SECURITY

Section 2.1 Maintenance and Modification of the Project by Trustor

The Trustor agrees that at all times prior to full payment of the sum owed under the Note, the Trustor will, at the Trustor's own expense, maintain, preserve and keep the Security or cause the Security to be maintained and preserved in good condition. The Trustor will from time to time make or cause to be made all repairs, replacements and renewals deemed proper and necessary by it. The Beneficiary shall have no responsibility in any of these matters or for the making of improvements or additions to the Security.

Trustor agrees to pay fully and discharge (or cause to be paid fully and discharged) all claims for labor done and for material and services furnished in connection with the Security, diligently to file or procure the filing of a valid notice of cessation upon the event of a cessation of labor on the work or construction on the Security for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Security or any part thereof. Trustor irrevocably appoints, designates and authorizes Beneficiary as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file for record any notices of completion or cessation of labor or any other notice that Beneficiary deems necessary or desirable to protect its interest in and to the Security, the Loan Agreement, or the Note; provided, however, that Beneficiary shall exercise its rights as agent or Trustor only in the event that Trustor shall fail to take, or shall fail to diligently continue to take, those actions as hereinbefore provided.

Upon demand by Beneficiary, Trustor shall make or cause to be made such demands or claims as Beneficiary shall specify upon laborers, suppliers, subcontractors or other persons who have furnished or claim to have furnished labor, services or materials in connection with the Security. Nothing herein contained shall require Trustor to pay any claims for labor, materials or

services which Trustor in good faith disputes and is diligently contesting provided that Trustor shall, within thirty (30) days after the filing of any claim of lien, record in the Office of the Recorder of the County of Riverside, a surety bond in an amount 1-1/2 times the amount of such claim item to protect against a claim of lien, or otherwise protect Beneficiary's security to Beneficiary's reasonable satisfaction.

As to these exceptions, Beneficiary will grant and/or direct the Trustee to grant such easements.

ARTICLE 3 ASSIGNMENT OF LEASES, RENTS AND PROFITS

Section 3.1 Assignment.

As set forth above, Trustor has absolutely, presently and unconditionally assigned, transferred, conveyed and set over to the Beneficiary (the "Assignment") all of the Trustor's right, title and interest in and to the Leases, Rents and Profits ("Rents & Profits") to be applied by Beneficiary to the indebtedness secured by this Deed of Trust (the "Indebtedness"). This Assignment shall be fully operative without any further action on the part of Trustor or Beneficiary and Beneficiary shall be entitled, at its option, to all Rents and Profits whether or not Beneficiary takes possession of the Security. Trustor hereby further grants to Beneficiary the right to (a) enter and take possession of the Security for the purposes of collecting the Rents and Profits, (b) dispossess, by the usual summary proceedings, of any tenant defaulting in the payment thereof to Beneficiary, (c) let the Security of any part thereof, and (d) apply the Rents and Profits, after payment of all necessary charges and expenses (including attorneys' fees and costs) to the Indebtedness. Neither the exercise of any rights under this Assignment by Beneficiary nor the application of the Rents and Profits to the Indebtedness shall cure or waive an Event of Default or notice of default, and shall be cumulative with all other rights and remedies of Beneficiary.

Section 3.2 Trustor's License

Notwithstanding anything in Section 3.1 above to the contrary, as long as an Event of Default (described below) has not occurred, Trustor shall have a license to collect and receive all Rents and Profits. Upon the occurrence and/or continuance of an Event of Default, such license shall be deemed automatically revoked, without regard to the adequacy of Beneficiary's security and without notice to or demand upon Trustor, and any Rents and Profits received thereafter by Trustor shall be immediately turned over to Beneficiary. Upon the occurrence and/or continuance of an Event of Default, Trustor agrees to deliver the original copies of all Leases to Beneficiary. Trustor hereby irrevocably appoints Beneficiary its true and lawful attorney-in-fact to enforce in Trustor's name or Beneficiary's name or otherwise all rights of Trustor in the instruments, including without limitation, checks and money orders, tendered as payments of Rents and Profits and to do any and all things necessary and proper to carry out the purposes of this Assignment.

Section 3.3 Trustor's Covenants

Trustor shall not: (i) execute an assignment of the rents or any part thereof from the Security; (ii) except where the lessee is in default thereunder, terminate or consent to the cancellation or surrender of any Lease having an unexpired term of two (2) years or more unless, promptly after the cancellation or surrender of any Lease, a new Lease is entered into with a new lessee satisfactory to Beneficiary and on terms at least as favorable to the lessor thereunder as were the terms of the Lease so terminated or canceled; (iii) modify any Lease or give consent to any assignment or subletting without Beneficiary's prior written consent; (iv) accept prepayments of any installments of rent or additional rent to become due under the Leases, except prepayments in the nature of security for the performance of the lessee's obligations thereunder; or (v) in any other manner impair the value of the Security or the security of the Trustee or Beneficiary for the payment of the Indebtedness. Trustor shall not execute any Lease for all or a substantial portion of the Security except for actual occupancy by the lessee thereunder, and shall at all times promptly and faithfully perform, or cause to be performed, all of the covenants, conditions and agreements contained in all Leases now or hereafter existing, on the part of the lessor thereunder to be kept and performed. Trustor shall, from time to time upon request of Beneficiary, specifically assign to Beneficiary as additional security hereunder, by a written instrument approved by Beneficiary, all right, title and interest of Trustor in and to any and all Leases, together with all security therefore and all monies payable thereunder, subject to the Trustor's conditional license to collect the Rents and Profits. Trustor shall also execute and deliver to Beneficiary any notification, financing statement or other document reasonably required by Beneficiary to perfect the Assignment as to any of the Leases. Each Lease shall provide that, in the event of the enforcement by the Trustee or Beneficiary of the remedies provided for by law or by this Deed of Trust, any person succeeding to the interest of Trustor as a result of such enforcement shall not be bound by any payment of rent or additional rent for more than one month in advance, and that nothing in the Lease or Deed of Trust affects or impairs the rights of Beneficiary to terminate the Lease in connection with the Beneficiary's or Trustee's exercise of its remedies hereunder.

3.4 Foreclosure. Upon a sale of the Security pursuant to foreclosure of this Deed of Trust, all right, title and interest of Trustor in and to the Leases shall, by virtue of this Deed of Trust and the Assignment, automatically vest in and become the absolute property of the purchaser of the Security without any further act or assignment by Trustor. Trustor hereby irrevocably appoints Beneficiary and its successors and assigns, as its agent and attorney-in-fact, to execute all instruments of assignment or further assurances in favor of such purchaser of the Property as may be necessary or desirable for such purpose. Nothing contained herein shall prevent Beneficiary from terminating through foreclosure the Lease of any tenant subordinate to this Deed of Trust.

Trustor shall pay all taxes, assessments, charges and levies imposed by any public authority or utility company which are or may become a lien affecting the Security or any part thereof; provided, however, that Trustor shall not be required to pay and discharge any such tax, assessment, charge or levy so long as (a) the legality thereof shall be promptly and actively contested in good faith and by appropriate proceedings, and (b) Trustor maintains reserves adequate to pay any liabilities contested pursuant to this Section 4.1. With respect to taxes, special assessments or other similar governmental charges, Trustor shall pay such amount in full prior to the maturity of any lien therefore on any part of the Security; provided, however, if such taxes, assessments or charges may be paid in installments, Trustor may pay in such installments. Except as provided in clause (b) of the first sentence of this paragraph, the

provisions of this Section shall not be construed to require that Trustor maintain a reserve account, escrow account, impound account or other similar account for the payment of future taxes, assessments, charges and levies.

In the event that Trustor shall fail to pay any of the foregoing items required by this Section to be paid by Trustor, Beneficiary may (but shall be under no obligation to) pay the same, after the Beneficiary has notified the Trustor of such failure to pay and the Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefore by Beneficiary, together with interest thereon from the date of such advance at the lesser of twelve percent (12%) per annum, or the maximum rate permitted by law, shall become an additional obligation of Trustor to the Beneficiary and shall be secured hereby, and Trustor agrees to pay all such amounts.

Section 4.2 Provisions Respecting Insurance

Trustor agrees to provide insurance as may reasonably be required by the Beneficiary and described in the Loan Agreement to insure the Property and improvements thereon against fires and other perils. Such insurance shall be maintained at all times until all amounts secured by this Deed of Trust have been paid and all other obligations secured hereunder fulfilled, and this Deed of Trust reconveyed.

All such insurance policies and coverages shall be maintained at Trustor's sole cost and expense. Certificates of insurance for all of the above insurance policies, showing the same to be in full force and effect, shall be delivered to the Beneficiary upon demand therefore at any time prior to the Beneficiary's receipt of the entire Principal and all amounts secured by this Deed of Trust. All such insurance policies shall name the Beneficiary as the loss payee.

Section 4.3 Advances

In the event the Trustor shall fail to maintain the full insurance coverage required by this Deed of Trust or shall fail to keep the Security in accordance with the Loan Agreement or any Debt Instruments, the Beneficiary, after at least seven (7) days prior notice to Trustor, may (but shall be under no obligation to) take out the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefore by the Beneficiary shall become an additional obligation of the Trustor to the Beneficiary (together with interest as set forth below) and shall be secured hereby, which amounts the Trustor agrees to pay on the demand of the Beneficiary, and if not so paid, shall bear interest from the date of the advance at the lesser of twelve percent (12%) per annum or the maximum rate permitted by law.

ARTICLE 5 DAMAGE, DESTRUCTION OR CONDEMNATION

Section 5.1 Awards and Damages

In the event of any fire or casualty to the Property or any portion thereof, or eminent domain proceedings resulting in the condemnation of the Property or any portion thereof, such event shall not constitute a default under the Note, Loan Agreement, this Deed of Trust (collectively, the "Loan Document") and the Trustor shall have the right to rebuild the affected portion(s) of the Property, and to use all available insurance or condemnation proceeds to that end, provided that: (a) the available proceeds, together with any funds supplied by Trustor from other sources, are sufficient to rebuild the affected property in a manner that provides adequate security to the Trustor for repayment of any amounts due pursuant to the Loan Documents; and (b) no material default then exists under any Loan Documents other than defaults which are a result of a fire or other casualty or condemnation.

ARTICLE 6
AGREEMENTS AFFECTING THE DEVELOPMENT; FURTHER ASSURANCES;
PAYMENT OF PRINCIPAL AND INTEREST

Section 6.1 Other Agreements Affecting Development

The Trustor shall duly and punctually perform all terms, covenants, conditions and agreements binding upon it under the Loan Agreement, the Note, the Debt Instruments and any other agreement of any nature whatsoever now or hereafter involving or affecting the Security or any part thereof. The terms of each said document is incorporated herein by reference. Each such document contains covenants intended by Trustor and Beneficiary to run with the land and obligations which survive reconveyance of this Deed of Trust.

Section 6.2 Agreement to Pay Attorneys' Fees and Expenses

In the event of any Event of Default (as defined below) hereunder, and if the Beneficiary should employ attorneys or incur other expenses for the collection of amounts due or the enforcement of performance or observance of an obligation or agreement on the part of the Trustor in this Deed of Trust, the Trustor agrees that it will, on demand therefore, pay to the Beneficiary the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Beneficiary; and any such amounts paid by the Beneficiary shall be added to the indebtedness secured by the lien of this Deed of Trust, and shall bear interest from the date such expenses are incurred at the lesser of twelve percent (12%) per annum or the maximum rate permitted by law.

Section 6.3 Payment of the Principal

The Trustor shall pay to the Beneficiary the Principal and any other payments as set forth in the Note in the amounts and by the times set out therein.

Section 6.4 Personal Property

To the maximum extent permitted by law, the personal property subject to this Deed of Trust shall be deemed to be fixtures and part of the real property and this Deed of Trust shall constitute a fixtures filing under the California Commercial Code. As to any personal property not deemed or permitted to be fixtures, this Deed of Trust shall constitute a security agreement under the California Commercial Code.

Section 6.5 Financing Statement

Upon request of the Beneficiary, the Trustor shall execute and deliver to the Beneficiary such Financing Statements pursuant to the appropriate statutes, and any other documents or instruments as are required to convey to the Beneficiary a valid perfected security interest in the Security. The Trustor agrees to perform all acts which the Beneficiary may reasonably request so as to enable the Beneficiary to maintain such valid perfected security interest in the Security in order to secure the payment of the Note in accordance with its terms. The Beneficiary is authorized to file a copy of any such Financing Statement in any jurisdiction(s) as it shall deem appropriate from time to time in order to protect the security interest established pursuant to this instrument.

Section 6.6 Operation of the Security

The Trustor agrees and covenants to operate the Security (and, in case of a transfer of a portion of the Security subject to this Deed of Trust, the transferee shall operate such portion of the Security) in full compliance with the Loan Agreement, and the Debt Instruments.

Section 6.7 Inspection of the Security

If in the reasonable opinion of Beneficiary, the Security may be impaired, the Trustor covenants and agrees that at any and all reasonable times upon seventy-two (72) hours notice, the Beneficiary and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right, without payment of charges or fees, to inspect the Security.

Section 6.8 Nondiscrimination

The Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, sexual preference or orientation, marital status, national origin, ancestry, disability, medical condition, age, mental condition, AIDS acquired or perceived, familial status, pregnancy, childbirth or related medical condition, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Security, nor shall the Trustor itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Security. The foregoing covenants shall run with the land.

Section 6.9 Hazardous Materials

a. Covenants

1. Hazardous Materials Activities. The Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that Trustor, its heirs, executors, administrators and assigns shall not cause or permit the Property to be used as a site for the use, generation, manufacture, storage, treatment, release, discharge, disposal, transportation or presence of any oil, petroleum product, flammable explosives, asbestos, urea formaldehyde insulation, radioactive materials, hazardous wastes, toxic or contaminated substances or similar materials, including, without limitation, any substances which are "hazardous substances," "hazardous wastes," "hazardous materials" or "toxic substances" under applicable environmental laws, ordinances or regulations (collectively, "Hazardous Materials"). Reasonable quantities of household products and maintenance supplies normally found on property and used exclusively for residential purposes and, during construction, reasonable quantities of materials customarily used for construction shall not be considered as Hazardous Materials.

2. Hazardous Materials Laws. The Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that Trustor, its heirs, executors, administrators and assigns shall comply and cause the Property and any improvements thereon to comply with all laws, ordinances and regulations relating to Hazardous Materials ("Hazardous Materials Laws"), including, without limitation, those relating to soil and groundwater conditions.

3. Notices. The Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that Trustor, its heirs, executors, administrators and assigns shall immediately notify the Beneficiary in writing of: (a) the discovery of any Hazardous Materials on or under the Property; (b) any knowledge by Trustor that the Property does not comply with any Hazardous Materials laws; (c) any claims or actions pending or threatened against the Trustor or the Property by any governmental entity or agency or any other person or entity relating to Hazardous Materials or pursuant to any Hazardous Materials Laws ("Hazardous Materials Claims"); and (d) the

discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be designated as "border zone property" under the provisions of California Health and Safety Code Section 25220, et seq., or any regulation adopted in accordance therewith.

4. Remedial Action. In response to the presence of any Hazardous Materials on, under or about the Property, Trustor shall immediately take, at Trustor's sole expense, all remedial action required by any Hazardous Materials Laws or any judgment, consent decree, settlement or compromise with respect to any Hazardous Materials Claims.

b. Legal Effect of Section. Trustor and Beneficiary agree that:

1. This Section 6.9 is intended as Beneficiary's written request for information (and Trustor's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure §726.5; and

2. Each representation and warranty in this Section 6.9 (together with any indemnity applicable to a breach of any such representation and warranty) with respect to the environmental condition of the Property is intended by Beneficiary and Trustor to be an "environmental provision" for purposes of California Code of Civil Procedure §736.

c. Environmental Indemnity. Trustor shall defend, indemnify, and hold the Beneficiary free and harmless against any claims, demands, administrative actions, litigation, liabilities, losses, damages, response costs, and penalties, including all costs of legal proceedings and attorney's fees, that the Beneficiary may directly or indirectly sustain or suffer as a consequence of any inaccuracy or breach of any representation, warranty, agreement, or covenant contained in this Agreement with respect to Hazardous Materials, or as a consequence of any use, generation, manufacture, storage, release, or disposal (whether or not Trustor knew of same) of any Hazardous Materials occurring after the Closing.

ARTICLE 7 EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default

The following shall constitute Events of Default: (1) failure to make any payment when due to Beneficiary under the Note after notice, if any is required, and failure to cure or the time to cure has expired; (2) failure to observe or perform any of Trustor's other covenants, agreements or obligations under the Loan Agreement, including, without limitation, the provisions concerning nondiscrimination and continuance of such failure after any applicable cure periods; or (3) failure to make any payment or perform any of Trustor's other covenants, agreements, or obligations under any other Debt Instruments or Loan Documents secured by the Property which default shall not be cured within the times and in the manner provided therein.

Section 7.2 Acceleration of Maturity

If an Event of Default shall have occurred and be continuing, then at the option of the Beneficiary, the amount of any payment related to the Event of Default and the unpaid Principal, plus accrued Interest, of the Note shall immediately become due and payable without notice or demand which are hereby expressly waived, upon written notice by the Beneficiary to the Trustor and no omission on the part of the Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right.

Section 7.3 The Beneficiary's Right to Enter and Take Possession

If an Event of Default shall have occurred and be continuing, the Beneficiary may:

- a. Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Security and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value or marketability of the Property, or part thereof or interest therein, increase the income therefrom or protect the security thereof. The entering upon and taking possession of the Security shall not cure or waive any Event of Default or Notice of Default hereunder or invalidate any act done in response to such Event of Default or pursuant to such Notice of Default and, notwithstanding the continuance in possession of the Security, Beneficiary shall be entitled to exercise every right provided for in this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;
- b. Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;
- c. Deliver to Trustee a written declaration of default and demand for sale, and a written Notice of Default and election to cause Trustor's interest in the Security to be sold, which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of the County of Riverside; or
- d. Exercise all other rights and remedies provided herein, in the instruments by which the Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating or security all or any portion of the obligations secured hereby, or provided by law.

Section 7.4 Foreclosure by Power of Sale

Should the Trustee elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall notify Trustee and shall deposit with Trustee this Deed of Trust, and the Note which is secured hereby (and the deposit of which shall be deemed to constitute evidence that the unpaid principal amount of the Note is immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

a. Upon receipt of such notice from the Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and Election to Sell as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and after Notice of Sale having been given as required by law, sell the Security, at the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine unless specified otherwise by the Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale, and Trustor hereby covenants to warrant and defend the title of such purchaser or purchasers.

b. After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale

to payment of: (1) the unpaid Principal amount of the Note; (2) all other sums then secured hereby; and (3) the remainder, if any, to Trustor.

c. Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

Section 7.5 Receiver

If an Event of Default shall have occurred and be continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6 Remedies Cumulative

No right, power or remedy conferred upon or reserved to the Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver

a. No delay or omission of the Beneficiary to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy, or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Deed of Trust to the Beneficiary may be exercised from time to time and as often as may be deemed expeditious by the Beneficiary. No consent or waiver, expressed or implied, by the Beneficiary to or any breach by the Trustor in the performance of the obligations hereunder shall be deemed or construed to be a consent to or waiver of obligations of the Trustor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by the Beneficiary of its right hereunder or impair any rights, power or remedies consequent on any Event of Default by the Trustor.

b. If the Beneficiary (1) grants forbearance or an extension of time for the payment of any sums secured hereby, (2) takes other or additional security for the payment of any sums secured hereby, (3) waives or does not exercise any right granted in the Loan Agreement, the Promissory Note, (4) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions or agreements in the Loan Agreement, the Promissory Note, (5) consents to the granting of any easement or other right affecting the Security, or (6) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change or affect the Trustor's obligation under this Deed of Trust, or any other obligation of the Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety or guarantor (unless expressly released); nor shall any such act or omission preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except

as otherwise expressly provided in an instrument or instruments executed by the Beneficiary, shall the lien of this Deed of Trust be altered thereby.

Section 7.8 Suits to Protect the Security

The Beneficiary shall have power to institute and maintain such suits and proceedings as it may deem expedient to (1) prevent any impairment of the Security and the rights of the Beneficiary as may be unlawful or any violation of this Deed of Trust, (2) preserve or protect its interest (as described in this Deed of Trust) in the Security, and (3) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement or compliance with such enactment, rule or order would impair the Security thereunder or be prejudicial to the interest of the Beneficiary.

Section 7.9 Trustee May File Proofs of Claim

In the case of any receivership, insolvency, bankruptcy, reorganization, arrangements, adjustment, composition or other proceedings affecting the Trustor, its creditors or its property, the Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by the Trustor hereunder after such date.

Section 7.10 Waiver

Except where notice is required to trigger a cure period, the Trustor waives presentment, demand for payment, notice of dishonor, notice of protest and nonpayment, protest, and all other notices or demands under the California Commercial Code, notice of costs, expenses, or losses and interest thereon, notice of interest on interest and late charges, and diligence in taking any action to collect any sums owing under the Note or in proceedings against the Security, in connection with the delivery, acceptance, performance, default, endorsement or guaranty of this Deed of Trust.

ARTICLE 8 MISCELLANEOUS

Section 8.1 Amendments

This instrument cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by Beneficiary and Trustor.

Section 8.2 Reconveyance by Trustee

Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey the Security to Trustor, or to the person or persons legally entitled thereto.

Section 8.3 Notices

Either party may change its address at any time by giving written notice of such change to Beneficiary or Trustor as the case may be, in the manner provided herein, at least ten (10) days prior to the date such change is desired to be effective.

Section 8.4 Successors and Joint Trustors

Where an obligation is created herein binding upon Trustor, the obligation shall also apply to and bind any transferee or successors in interest. Where the terms of the Deed of Trust have the effect of creating an obligation of the Trustor and a transferee, such obligation shall be deemed to be a joint and several obligation of the Trustor and such transferee.

Section 8.5 Captions

The captions or headings at the beginning of each Section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

Section 8.6 Invalidity of Certain Provisions

Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court or other body of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid or applied to the full payment of that portion of the debt which is not secured or partially secured by the lien of this Deed of Trust.

Section 8.7 Governing Law

This Deed of Trust shall be governed by and construed in accordance with the laws of the State of California.

Section 8.8 Gender and Number

In this Deed of Trust the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires.

Section 8.9 Deed of Trust, Mortgage

Any reference in this Deed of Trust to a mortgage shall also refer to a deed of trust and any reference to a deed of trust shall also refer to a mortgage.

Section 8.10 Actions

Trustor agrees to appear in and defend any action or proceeding purporting to affect the Security.

Section 8.11 Substitution of Trustee

Beneficiary may from time to time substitute a successor or successors to any Trustee named herein or acting hereunder to execute this Trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers, and duties conferred upon any Trustee herein named or acting hereunder. Each such appointment and substitution shall be made by written instrument executed by Beneficiary, containing reference to this Deed of Trust and its place of record, which, when duly recorded in the proper office of the county or counties in which the Property is situated, shall be conclusive proof of proper appointment of the successor trustee.

Section 8.12 Nonrecourse Obligation

Except as expressly provided in the second paragraph of this Section 8.12, notwithstanding any other provision of the Note or Loan Agreement, Trustor shall not have any direct or indirect personal liability for payment of the principal of, or interest on, the Note secured by this Deed of Trust or the performance of the covenants of the Trustor under the Note, the Loan Agreement, or this Deed of Trust. The sole recourse of Beneficiary with respect to the principal of, or interest on, the Note and any monetary obligation arising as a result of default by Trustor in the performance of its covenants under this Deed of Trust, the Note, or the Loan Agreement shall be to the Property securing the indebtedness evidenced by the Note. No judgment, or execution thereon, entered in any action, legal or equitable, on the Note, the Loan Agreement or this Deed

of Trust shall be enforced personally against Trustor, but shall be enforced only against the property described in this Deed of Trust and such other further security as, from time to time, may be hypothecated for the Note; provided, however, that nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement against all such security for the Note of all the rights and remedies of Beneficiary of, or (b) be deemed in any way to impair the right of Beneficiary to assert the unpaid principal amount of the Note as demand for money within the meaning and intent of Section 431.70 of the California Code of Civil Procedure or any successor provision thereto.

The foregoing limitation of liability is intended to apply to the obligation for the repayment of the principal of, and payment of interest on the Note, the performance of Trustor's obligations under this Deed of Trust, except as hereafter set forth; nothing contained herein is intended to relieve the Trustor of liability for (1) fraud or willful misrepresentation; (2) the failure to pay taxes,

assessments or other charges which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (3) the fair market value of any personal property or fixtures removed or disposed of by Trustor other than in accordance with this Deed of Trust; (4) the misapplication of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss, or destruction to any portion of the Property; (5) Trustor's indemnification obligations under Section VI of the Loan Agreement or Section 6.9 of this Deed of Trust; (6) payment to Beneficiary of any rental income or other income arising with respect to the Property received by the Trustor after the Beneficiary has given notice to the Trustor of the occurrence of an Event of Default; and (7) all legal costs and expenses reasonably incurred by the Beneficiary after the giving to Trustor of notice of the occurrence of an Event of Default, other than those customarily incurred by a lender in realizing upon its lien in an uncontested foreclosure sale after an undisputed default.

Section 8.13 Conflicts

If any term or provision of this Deed of Trust conflicts with any term or provision of the Loan Agreement, the term or provision of the Loan Agreement shall control to the extent of such conflict.

IN WITNESS WHEREOF, Trustor has executed this Deed of Trust as of the day and year first above written.

The Note Amount shall be disbursed in such amounts and at such times as set forth in Parts 1 and 2 of the Agreement and pursuant to the Disbursement Agreement (Exhibit J to the Agreement) dated on or about the date hereof and executed by County and Borrower. This Note is secured by the Borrower's Property and other collateral to secure payment and performance of all debts, liabilities, and obligations whenever and however incurred by Borrower, which security includes the following: that certain Deed of Trust with Assignment of Rents, Security Agreement and Fixture Filing executed by Borrower as trustor for the benefit of County, dated on or about the date hereof and recorded on or about the date hereof in the Official Records of the County of Riverside ("Deed of Trust"), that certain UCC-1 Fixture Filing dated on or about the date hereof, and all of Borrower's presently owned or hereafter acquired liens on real property; and other collateral, as appropriate.

III. Payments. Except in the event of acceleration described in Section IV, below, this Note shall bear interest at the rate of seven and one quarter percent (7.25%) simple interest per annum for five (5) years, which shall begin to accrue upon disbursement. In the case of an event of acceleration described in Section IV below, the unpaid balance shall bear interest at the highest rate of interest permitted by law, from disbursement until paid in full.

IV. Due on Expiration of Term or Upon Event of Default. The entire unpaid principal balance of this Note and any accrued but unpaid interest shall be due and payable upon the expiration of the Term hereof, or, after notice and opportunity to cure, upon the occurrence of either of the following events of acceleration herein after referred to as "Events of Default":

ORIGINAL

Any failures or delays by County in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by County in asserting any of its rights and remedies shall not deprive County of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

The party who fails or delays must commence to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with reasonable diligence.

b. The injured party shall give written notice of default to the party in default, specifying the default complained of by the injured party. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default. Except as

otherwise expressly provided in this Agreement, any failures or delays by either party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by either party in asserting any of its rights and remedies shall not deprive either party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

c. If a monetary event of default occurs, prior to exercising any remedies hereunder, the injured party shall give the party in default written notice of such default. SECTION 505 RIGHTS AND REMEDIES ARE CUMULATIVE

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

SECTION 506 REMEDIES

Upon the occurrence of any default, after notice and opportunity to cure (except as otherwise provided in the Loan Documents), the County may take any one or more of the following actions at its option:

a. Upon the occurrence of any default described in Section 509 below, the entire principal amount of the Loan, together with all late charges and interest accrued thereon and all other amounts due under any Loan Document, shall automatically become due and payable; from and after the occurrence of any other default, and at any time thereafter, County may declare all such amounts immediately due and payable.
