BACKGROUND:

Summary

This Project will construct an underground storm drain within 8th Street in the city of Desert Hot Springs to reduce flooding in the vicinity (see attached project description and location map).

On January 9, 2018, Minute Order 11.2 (MT#5734), the Board of Supervisors for the District approved the Amended and Restated Cooperative Agreement between the Riverside County Flood Control and Water Conservation District (District) and the City of Desert Hot Springs (City) for the Project. The Amended and Restated Cooperative Agreement sets forth the terms and conditions by which the District and the City have agreed upon on the design, construction, maintenance and funding of the Project.

The contract documents have been approved as to form by County Counsel. A brief project description and location map is attached.

CEQA Findings

Based on the review of the Project, the District has determined that the work is statutorily exempt from CEQA pursuant to Public Resource Code §21080.21. Public Resources Code §21080.21 statutorily exempts pipeline projects less than one mile in length including the installation of new pipeline or maintenance, repair, restoration, removal or demolition of an existing pipeline. The project consists of the installation of approximately 5,000 lineal feet (0.94 mile) of pipeline. The District has concluded that no potential significant environmental impacts will occur, and no further environmental analysis is warranted.

Prev. Agn. Ref.: MT#5734, 11.2 of 01/09/2018 (Cooperative Agreement)

Impact on Residents and Businesses

Improved flood protection and public safety in the project vicinity.

Additional Fiscal Information

The Project contemplated in this Form 11 merely approves the Plans and Specifications and Contract Documents identifying the proposed work, as well as authorizes the Clerk of the Board to advertise said contract documents. No expenses will be incurred as a result of this action.

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD
OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

Contract History and Price Reasonableness

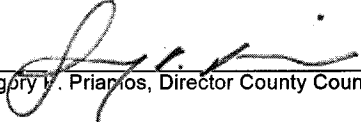

The Engineer's estimate for this Project is \$3,170,892.00, and the action today, if approved, will authorize the District to pursue competitive bids through the California Public Works Contract Process. The District will then return to the Board of Supervisors to seek approval to award the Contract to the lowest responsive bidder.

Questions or requests must be received **no later than 5:00 p.m. on Tuesday, July 23, 2019.**

Pursuant to Labor Code Section 1771.1, any Contractor bidding and subcontractors to be listed on a Bid Proposal are subject to Public Contract Code Section 4104 and shall not be eligible to bid unless currently registered with the Department of Industrial Relations and qualified to perform public works pursuant to Labor Code Section 1725.5. No Contractor or subcontractor may be awarded a public works project or enter into a Contract without proof of current registration to perform public works.

General prevailing rate of per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

THIS PROJECT IS SUBJECT TO COMPLIANCE MONITORING AND ENFORCEMENT BY THE DEPARTMENT OF INDUSTRIAL RELATIONS. The awarded prime Contractor shall post job site notices, including a copy of the prevailing rate of per diem wages determinations made by the Director for the Department of Industrial Relations and other notices prescribed by regulations and comply with the provisions of the California Labor Code, including, without limitation, Sections 1771.4, 1773.1, 1773.2, 1774, 1775, 1776, and 1777.5.

Contractor shall furnish the records specified in Labor Code Section 1776, including but limited to the certified payroll records, directly to the Labor Commissioner for the Department of Industrial Relations.

Substitution of securities for any moneys withheld by District shall be permitted as provided for by Section 22300 of the California Public Contract Code.

Contractors submitting proposals for this project shall have an active and in good standing Class A Contractor's license from the State of California in order to be considered eligible for the contract award. The license(s) shall remain active and in good standing throughout the entire duration of the project.

With the submittal of the Bid Proposal, the Contractor shall submit for approval by the District documented evidence of satisfaction of all of the Bidder Qualifications listed above. As part of this submittal, Experience Statement shall be completed indicating at a minimum, the name, address, and phone number of the project owner and owner's representative, the location of the project, the amount of material installed, and completion date.
