NOTICE OF EXEMPTION

June 13, 2019

Project Name: County of Riverside, Department of Child Support Services Lease Agreement with GPT Riverside, Hunter Park Office Plaza, Riverside

Project Number: FM042611007600

Project Location: 2001, 2041, & 2081 Iowa Street, north of Spruce Street, Assessor's Parcel Numbers (APNs) 249-110-055, 249-110-056, 249-110-057, Riverside, Riverside County, California, 92507 (See attached exhibit)

Description of Project: On May 22, 2001, the County of Riverside (County) entered into a Lease Agreement on behalf of the Department of Child Support Services (DCCS) for the facility located at 2001, 2041, & 2081 Iowa Street, Riverside, California. The facility continues to meet the needs and requirements of DCCS and a new ten year lease with tenant improvements is being sought. The ten year lease would commence upon final completion of tenant improvements, which includes interior alterations to keep the facilities operating over the long term, including rehabilitation to the floor and ceilings, and improvements to keep the plumbing and mechanical systems operating efficiently. Two five year options to extend the term by the County are included as part of the terms of the Lease Agreement. The proposed lease for approximately 117,970 square feet of office space within three existing buildings and completion of tenant improvements is identified as the proposed project under the California Environmental Quality Act (CEQA). No additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: County of Riverside, Economic Development Agency

Name of Person or Agency Carrying Out Project: County of Riverside, Economic Development Agency, Department of Child Support Services, and GPT Riverside

Exempt Status: State CEQA Guidelines Section 15301 Existing Facilities Exemption, Section 15061(b) (3), General Rule or "Common Sense" Exemption, Codified under Title 14, Article 5 Sections 15061.

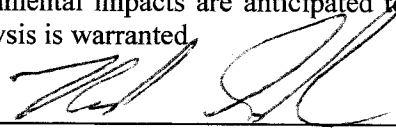

JUL 28 2019 3.25

Reasons Why Project is Exempt: The proposed project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern nor would the project include unusual circumstances which would have a potentially significant effect on the environment. No significant environmental impacts are anticipated to occur with the Lease Agreement.

- **Section 15301 –Existing Facilities:** This Class 1 categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The Project, as proposed, is limited to a lease and includes minor modifications to an existing building which would be limited to interior or exterior alterations as defined under 15301 (a). DCSS currently leases space in three free-standing buildings. DCSS will increase the amount of leased space within the building designated at 2001 Iowa Avenue, but no addition or expansion to any of the existing buildings would occur, such that that total building footprints of the three buildings would remain unchanged, the number of parking spaces would remain unchanged, and the use would be consistent with the existing commercial/office space. The Lease and tenant improvements will not substantially increase or expand the use of the site, and is limited to the continued use of the site in a similar capacity; therefore, the Project is exempt as the Project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The proposed Lease and tenant improvements will not result in any direct or indirect physical environmental impacts. The use and operation of the facility will be substantially similar to the planned use and associated entitlements which were completed prior to the construction of the existing building, which took into the account all of the potential effects that could result from a fully-occupied facility. The use of the facilities by DCSS, would be consistent with the existing and planned use, would not require additional parking, facilities, or infrastructure, such that an expansion of increase in capacity could occur; therefore, in no way, would the Project, as proposed, have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

2.2 Defined. The “**Premises**” shall consist of that certain real property, including all improvements therein or to be provided by Lessor under the terms of this Lease, and commonly known as Hunter Park Office Plaza, located in the City of Riverside, County of Riverside, State of California, also identified as Assessor Parcel Numbers 249-110-055, 249-110-056, 249-110-057, and generally described as three free standing buildings consisting of approximately 117,970 square feet with approximately 414 common parking spaces, all as shown on the site plan attached as Exhibit “A.” It is understood that the Premises include all appurtenances and easements thereto and the non-exclusive right of ingress and egress at all times to and from the public streets and highways for County, its employees and invitees.

2.3 Preparation of Premises/Acceptance. The rights and obligations of the Parties regarding the construction of the Premises before the commencement of the Lease Term are stated in the attached Leasehold Improvement Agreement, Exhibit “B.” If this Lease conflicts with the Leasehold Improvement Agreement, the Leasehold Improvement Agreement shall prevail.

2.4 Condition of Premises. Lessor shall deliver the Premises to County in a fully clean and safe condition, free of hazards and debris, entirely permitted and inspected by local authorities, on the Commencement Date, and County will

continue to occupy the Premises pursuant to the terms of the Existing Lease at all times prior to the Commencement Date. Lessor warrants for the term of this Lease, that all systems and equipment, including, but not limited to, electrical, plumbing, fire sprinkler, fire suppression system, fire/life/safety system, elevators, lighting, heating, ventilating and air conditioning systems (“HVAC”), if any, that serve the Premises and all other such elements in the Premises (herein defined as the “Base Building Systems”), other than those installed or modified or constructed by County, shall be in safe, hazard free, good operating condition, and, the roof, bearing walls and foundation of the Premises shall be free of material defect.

3. Use.

3.1 County shall use and occupy the Premises for the purpose of providing office space for use by the Department of Child Support Services (DCSS), but the Premises may be used for any official business of County government or any other legal use which is substantially consistent with general office use (provided that any use of the Premises shall at all times be in compliance with laws, rules and regulations, including zoning codes, and shall not result in the need for any tenant improvements which would be paid for by the Lessor, to the Premises or any modification of the obligations of Landlord under this Lease). Nothing contained in this Lease shall be construed to require County to occupy the Premises continuously.

4. Term.

4.1 Commencement. This Lease shall be effective upon the date of its full execution by the Parties hereto. The Term of this Lease shall be for a period of ten (10) years (“**Original Term**”) commencing on the earlier of (a) the date County staff occupies the Premises after the substantial completion of Phase III, as set forth in Exhibit “B3” and “B4” of Exhibit “B”, or (b) the date on which County accepts the Premises for occupancy after the substantial completion of Phase III, as set forth in Exhibit “B3” and “B4” of Exhibit “B” (“**Commencement Date**”), which shall occur only after Lessor delivers to County a copy of the Certificate of Occupancy (or reasonable equivalent confirming that the Premises may be legally occupied for business purposes) executed by the appropriate governing authority, if applicable, and provided that County, in its sole discretion, is satisfied that all leasehold improvements have been

completed in accordance with Exhibit "B" and Exhibit "F," excepting minor punch list items, a schedule of which shall be agreed upon by Lessor and County promptly following completion of each phase of the Leasehold Improvements, and shall be promptly completed thereafter ("**Commencement Date**"). The Original Term shall expire at midnight on the last day of the Original Term ("**Expiration Date**").

Either Party will use reasonable efforts to deliver the notice to the other Party within thirty (30) days after the Lease Commencement Date. Anything to the contrary notwithstanding, failure to forward or execute said notice shall not invalidate or nullify the provisions of this Lease.

4.3 Delay in Delivery of Premises. If the Original Term of this Lease has not commenced by the date which is ninety (90) days following the "Building Occupied" date for Phase III, which is May 26, 2021, as stated on the Construction Schedule attached as Exhibit "B3", County may, at its sole remedy, deduct from any rents that may become due hereunder the sum of \$8,258.00 for each day the Premises are not substantially complete and available for occupancy as per paragraph 5.2 and 6.1 of Exhibit B, after said date, as liquidated damages for failure to provide occupancy in a timely manner as prescribed hereunder. Lessor and County agree that such damages are the mutually exclusive remedy, as prescribed in this Section 4, for such failure, in that at the time of entering into this Lease it would be impractical and extremely difficult to fix the actual damages that would flow from Lessor's failure to provide occupancy in a timely manner, including, but not limited to, the difference in money between the total sum to be paid by County to another party for rent to Lease such party's real property.

4.4 Holding Over. Any holding over by County after the expiration of said term or any extension thereof shall be deemed a month to month tenancy upon the same terms and conditions of this Lease.

5. Rent. The anniversary dates shall be deemed to fall on the first day of the first full month of each lease year following commencement of the Lease term.

5.1 Rent. County shall pay the sum of two hundred forty-seven thousand seven hundred and thirty-seven dollars (\$247,737.00) per month to Lessor as rent for the Leased Premises, payable, in advance, on the first day of the month or as soon thereafter as a warrant can be issued in the normal course of County's business; provided, however, in the event rent for any period during the term hereof which is for less than one (1) full calendar month said rent shall be pro-rated based upon the actual number of days of said month.

5.2 Percentage Increase. Notwithstanding the provisions of Section 5.1 herein, the monthly rent shall be increased on the anniversary date by an amount equal to two and a half percent (2.5%) of such monthly rental.

6. Options.

6.1 Option to Extend Term. Lessor grants to County two (2) options to extend the Lease term ("**Extension Option(s)**"). Each Extension Option shall be for a period of five (5) years ("**Extended Term**"), subject to the conditions described in this Section 6.1.

6.1.1 Exercise of Option. The Extension Option(s) shall be exercised by County delivering to Lessor written notice thereof no later than sixty (60) days prior to the expiration of the Original Term or any extension thereof.

6.1.2 Option Rent. The rent payable by County during any Extended Term shall be increased by two and a half (2.5%) percent of the previous month's rent.

6.1.3 All terms and conditions of this Lease with exception of Rent and Lease Term shall remain in full force and effect during the Extended Term.

6.2 Right of First Refusal to Extend Lease Term. At such time as the Original Term and/or Extended Terms have expired, in further consideration of the Rent, Covenants, and Conditions to be paid, performed, and observed by County, Lessor hereby grants to County a right of first refusal to extend the Lease of the Premises. In the event Lessor receives, prior to the Expiration Date or within ninety (90) days following the Expiration Date, a bona fide offer from a third party to lease the

Premises, which offer is acceptable to Lessor, Lessor shall promptly notify County in writing ("**ROFO Offer**") of the offer, including the amount of rent offered and other terms and conditions of the offer. County shall have thirty (30) days following delivery of such ROFO Offer within which to notify Lessor in writing whether County agrees to extend the Lease of the Premises on the same terms and conditions as the third party offer set forth in the ROFO Offer, subject to Board of Supervisor approval. In the event County elects to extend the Lease of the Premises, the Lease shall be subject to the same terms and conditions as the third party offer (as set forth in the ROFO Offer), including, but not limited to, amount of rent, term, and commencement date. In the event County fails to give written notice of its election to extend the Lease of the Premises, Lessor shall be free to accept the bona fide offer and lease the Premises to the third party. If the third party fails to lease the Premises and the Premises remains available, County shall have the same right of first refusal granted herein with respect to a bona fide offer to lease the Premises by a subsequent third party offeror, provided, however, Lessor shall have no obligation to make a ROFO Offer to County following the expiration of ninety (90) days following the Expiration Date.

7. Compliance.

7.1 Compliance. Lessor warrants that the Premises and improvements on the Premises shall comply with all applicable State and Federal laws, covenants or restrictions of record, building codes, regulations and ordinances ("**Applicable Requirements**") in effect on the Commencement Date of this Lease, as applicable to County's use of the Premises as of the Commencement Date as permitted under the terms of this Lease. If the Premises do not comply with said warranty as of the Commencement Date, Lessor shall, as County's sole remedy, promptly after receipt of written notice from County or any governmental agency having jurisdiction over such matters setting forth the nature and extent of such non-compliance, rectify the same at Lessor's expense. If the Applicable Requirements are hereinafter changed so as to require during the Term of this Lease, unless same is the result of the use to which County puts the Premises or the result of work performed at the Premises by County or its agents, either (i) the construction of an addition to or an alteration of the Premises, (ii) the remediation of any Hazardous Substance as hereinafter defined which was not

brought to the Premises by County, or (iii) the reinforcement or other physical modification of the Premises, Lessor shall, promptly after receipt of written notice from County or any governmental agency having jurisdiction over such matters setting forth the nature and extent of such non-compliance, rectify the same at Lessor's expense.

7.2 Americans with Disabilities. Lessor warrants and represents the Premises shall be readily accessible to and usable by individuals with disabilities in compliance with Title III of the Americans with Disabilities Act of 1990 and California Title 24, as amended from time to time and regulations issued pursuant thereto and in effect from time to time. Any cost incurred to cause the Premises to comply with said Act shall be borne by Lessor.

7.3 Asbestos and Lead Based Paint. Lessor warrants and represents the Premises shall be constructed, operated and maintained free of hazard from asbestos and lead based paint, as more fully set forth in the attached Exhibit "C."

7.4 Hazardous Substance. It is the intent of the Parties to construe the term "**Hazardous Substances**" in its broadest sense. Hazardous Substance shall be defined as any product, substance, or waste whose presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials, is either: (a) potentially injurious to the public health, safety or welfare, the environment or the Premises; (b) regulated or monitored by any governmental authority; or (c) a basis for potential liability of County to any governmental agency or third party under any applicable statute or common law theory.

Lessor acknowledges that County's use may from time to time require the presence of Hazardous Substances at the Premises, County agrees that all such Hazardous Substances located in, at, or on the Premises shall be used, stored, handled, treated, transported, and disposed of in compliance with all applicable laws.

Lessor warrants and represents to County that Lessor has not used, discharged, dumped, spilled or stored any Hazardous Substances on or about the Premises, whether accidentally or intentionally, legally or illegally, and has received no notice of such occurrence and has no knowledge that any such condition exists at the Premises. If any claim is ever made against County relating to Hazardous Substances present at or around the Premises, whether or not such substances are present as of the date

hereof, or any such Hazardous Substances are hereafter discovered at the Premises (unless introduced or exacerbated by County, its agents or employees), all costs of removal incurred by, all liability imposed upon, or damages suffered by County because of the same shall be borne by Lessor, and Lessor hereby indemnifies and agrees to be responsible for and defend and hold County harmless from and against all such costs, losses, liabilities and damages, including, without limitation, all third-party claims (including sums paid in settlement thereof, with or without legal proceedings) for personal injury or property damage and other claims, actions, administrative proceedings, judgments, compensatory damages, penalties, fines, costs, losses, attorneys' fees and expenses (through all levels of proceedings), consultants or experts fees and costs incurred in enforcing this indemnity, provided in no event shall Lessor be liable under this Lease for punitive or speculative damages, or lost profits. The representation, warranty and indemnity of Lessor described in this Paragraph shall survive the termination or expiration of this Lease.

7.5 Sick Building Syndrome. Lessor warrants and represents the Premises shall be constructed, operated and maintained free of certain hazards, including, but not limited to: spores, fungus, molds, bacteria, chemicals or fumes or other causes of any hazardous micro-environments, sometimes known as "**Sick Building Syndrome**," emanating from or within the Premises that may potentially cause discomfort, bodily injury, sickness or death. Should it be determined that remediation is necessary based on a report by a trained investigator, Lessor will promptly contract with a qualified and experienced company to safely remove the micro-environments using remediation guidelines recommended or required by the appropriate governmental agency. Any cost incurred to cause the Premises to be free of such hazard shall be borne by Lessor. Notwithstanding anything to the contrary herein, in no event shall Lessor have any liability or responsibility for any conditions or events arising out of any acts or work performed by County.

7.6 Waste Water. Lessor shall be responsible for compliance with all Federal, state or local laws, regulations or permits pertaining to storm water pollution, prevention plans ("**SWPPP**") and all National Pollution Discharge Elimination System ("**NPDES**") laws or regulations adopted or to be adopted by the United States

Environmental Protection Agency. Parking lot sweeping shall be done as required by NPDES rules or as needed, at least two times per year, once prior to the rainy season.

8. Custodial Services.

8.1 Custodial Services. Lessor shall provide, or cause to be provided, and pay for all custodial services in connection with the Premises and such services shall be provided as set forth in the attached Exhibit "E." The provider of such custodial services will perform background checks through LiveScan or in the manner specified by County, of qualified permanent and temporary employees to determine their suitability for employment. The provider will be bonded in the sum of \$10,000.00, and proof of such insurance, as supplied by the Lessor, shall be furnished prior to occupancy of Premises by County. In addition to bonding as required herein, Lessor shall also receive proof of statutory workers' compensation insurance, commercial general liability and vehicle liability insurance from the provider of any custodial functions performed at the Premises location.

8.2 County's Right to Provide Custodial Service and Deduct Cost.

If County provides to Lessor written notice during business hours, between 9am to 5pm, of an event or circumstance that requires the action of Lessor with respect to the custodial services as set forth in Section 8.1 and Exhibit "E," and Lessor fails to provide such action as required by the terms of this Lease within two (2) business days of receipt of the County's written notice, except if written notice is provided on Friday. If written notice is provided on Friday, Lessor shall have seventy-two (72) hours to respond. County may take the required action to provide custodial services by its staff or those of a reputable and licensed custodial contractor if: (1) County delivers to Lessor an additional written notice advising Lessor that County intends to take the required action if Lessor does not begin the required action within twenty-four (24) hours after the written notice; and (2) Lessor fails to begin the required work (or to cause the required work to be performed) within this twenty-four (24) hour period. Upon demand by County, Lessor shall promptly reimburse County the actual cost and expenses thereof, provided said costs and expenses are reasonable. Should Lessor fail to promptly pay the cost and expenses, County may deduct and offset that amount from

Rent payable under this Lease. For purposes of this Section, notice given by e-mail in accordance with the terms of Section 20.18 of this Lease shall be deemed sufficient.

9. Utilities.

9.1 Lessor warrants and represents to County that during the term of this Lease and any extension thereof that sufficient utility services to provide water, electric power, natural gas and sewers necessary to meet County's requirements exists or are available for use by County within the Premises.

9.2 County shall pay separately for all telephone, including elevator phone lines, and electric services utilized within the leased space which will be used in connection with the Premises. Lessor shall provide, or cause to be provided, and pay for all other utility services, including, but not limited to refuse collection, natural gas, water, sewer, and exterior electric services as may be required in the maintenance, operation and use of the Premises.

10. Repairs and Maintenance.

10.1 Lessor's Repair and Maintenance Obligations. Lessor shall, at Lessor's sole expense and in accordance with the terms of this Lease, repair, replace and maintain in attractive condition, good order and function throughout the term in accordance with Exhibit "F," General Construction Specifications for Leased Facilities, (a) the structural portions of the Premises (understood to include the roof, foundation and load bearing walls); (b) the nonstructural portions of the Premises (understood to include the roof covering and membrane) including but not limited to all improvements, alterations, fixtures, but excluding furnishings, fixtures, property and equipment owned, leased or brought to the Premises by County; (c) all systems and equipment, including but not limited to, Base Premises Systems as heretofore described that serve the Premises (but excluding supplemental or specialty systems of County); and (d) the exterior portions of the Premises, and real property including, but not limited to, landscaping, driveways, sidewalks, lighting and parking facilities servicing the Premises. It is the intent of this paragraph that Lessor performs any and all building repairs, replacements and maintenance. Lessor agrees to make all repairs to or alterations of the Premises that may become necessary by reason of industry standard for age, wear and tear, deferred maintenance or defects in any construction thereof by Lessor.

10.2 Lessor's Default. Repairs required to be performed by Lessor under the terms of this Lease shall be made promptly when appropriate (promptly following the time Lessor becomes aware of the need for such repairs) to keep the applicable portion of the Premises and other items in the condition described in this Section 10. County has advised Lessor that certain response time is required to ensure County operations continue with minimal interruption to ensure the safety of employees and delivery of services. Accordingly, Lessor shall use commercially reasonable efforts and diligence to commence and diligently pursue necessary repairs within two (2) business days from written notice with respect to electrical power, HVAC operations and essential daily custodial services which Lessor is required to arrange and pay for under the terms of this Lease. In any event, Lessor shall not be in default of its repair and maintenance obligations under this Section 10 if Lessor commences the repairs and maintenance required to be performed by Lessor under this Section 10.2 within two (2) business days of the aforementioned areas and ten (10) days for all others after written notice by County to Lessor of the need for such repairs and maintenance. If, due to the nature of the particular repair or maintenance obligation, more than ten (10) days are reasonably required to complete it, Lessor shall not be in default under this Section 10 if Lessor begins work and completes same within (21) days from the initial request, and diligently pursues this work to completion.

10.3 County's Right to Make Repairs and Deduct Cost. If County provides written notice to Lessor of an event or circumstance that pursuant to the terms of this Lease requires the action of Lessor with respect to the replacement, repair or maintenance to the Premises or Base Building Systems serving the Premises as set forth in Section 10.1 and Lessor fails to perform or provide such action as required by the terms of this Lease within the period specified in Section 10.2, County may (but shall not be obligated to do so) take the required action if: (1) County delivers to Lessor an additional written notice advising Lessor that County intends to take the required action if Lessor does not begin the required repair or maintenance within forty-eight (48) hours after receipt of the written notice given during business hours, except on Friday. If written notice is provided on a Friday, Lessor shall have seventy-two (72)

hours to respond; and (2) Lessor fails to begin the required work within this forty-eight (48) hour period.

10.3.1 Lessor grants to County a license, effective during the Lease Term, to enter upon those portions of the Premises access to which is reasonably necessary for County to take such action.

10.3.2 If such action was required under the terms of this Lease to be taken by Lessor and County provides the proper notices and cure periods as set forth in this Section 10, County shall be entitled to prompt reimbursement by Lessor of County's reasonable costs and expenses in taking such action, plus interest at the then prevailing legal rate of interest from the date these costs are incurred until the date of Lessor's repayment. Lessor's obligation to reimburse County shall survive expiration or earlier termination of this Lease.

10.3.3 If, within thirty (30) days after receipt of County's written demand for payment of County's costs incurred in taking such action on Lessor's behalf, Lessor has not paid the invoice or delivered to County a detailed written objection to it, County may deduct from Rent payable by County under this Lease the amount set forth in the invoice, plus interest at the interest rate described above from the date these costs are incurred until the date of County's Rent set off.

10.4 Emergency Repairs.

10.4.1 An "Emergency Repair Situation" is defined as the existence of any condition that requires prompt repair, replacement or service to minimize the impact of an event or situation which materially affects County's ability to conduct business in a neat, clean, safe and functional environment.

10.4.2 If County notifies Lessor of an Emergency Repair Situation which occurs in or about the Premises which is the responsibility of the Lessor to repair or maintain, then Lessor shall commence appropriate repairs or maintenance immediately after notice of the condition is given by County, which notice may be via telephone, facsimile, personal contact or any other means, and Lessor shall thereafter diligently pursue to completion said repairs or maintenance.

10.4.3 If Lessor fails to commence repairs within forty-eight (48) hours of the aforementioned notice, except if written notice is provided on a Friday, in

which case Lessor shall have seventy-two (72) hours to respond, or if the County is unable to contact Lessor or any designated agent within a reasonable time based upon the seriousness of the event or situation, County may, but shall not be so obligated to, cause said repairs or replacements to be made or such maintenance to be performed. Upon demand by County, Lessor shall promptly reimburse County the actual cost and expenses thereof, provided said costs and expenses are reasonable and necessary. Should Lessor fail within twenty-one (21) days following receipt of such notice to pay the cost and expenses incurred by County or to provide written notice setting forth the reasons Lessor is not obligated to pay such costs, County may thereafter deduct and offset that amount from Rent payable under this Lease.

10.5 Periodic Services. Lessor shall provide, or cause to be provided, and pay for all Periodic Services, including, interior painting of common areas every three years, if so requested by County; monthly pest control services, quarterly HVAC standard preventative maintenance and changing of air filters; annual fire extinguisher inspections; reset interior and exterior time clocks for time changes; annual roof inspections and maintenance to include roof repairs/replacement; cleaning of roof gutters, drains, and down spouts prior to rainy season.

11.1.2 Lessor shall require that Contractor shall comply with prevailing wage requirements and be subject to restrictions and penalties in accordance with §1770 et seq. of the Labor Code which requires prevailing wages be paid to appropriate work classifications in all bid specifications and subcontracts.

11.1.2.1 The Lessor shall require that Contractor shall furnish all subcontractors/employees a copy of the Department of Industrial Relations prevailing wage rates at which Lessor will post at the job site. All prevailing wages shall be obtained by the Lessor/Contractor from:

11.1.2.2 Lessor shall require that Contractor shall comply with the payroll record keeping and availability requirement of §1776 of the Labor Code.

11.1.2.3 Lessor shall require that Contractor shall make travel and subsistence payments to workers needed for performance of work in accordance with §1773.8 of the Labor Code.

11.1.2.4 Prior to commencement of work, Lessor shall require that Contractor shall contact the Division of Apprenticeship Standards and comply with §1777.5, §1777.6 and §1777.7 of the Labor Code and applicable regulations.

11.1.3 Lessor shall comply and stay current with all applicable local, state and federal building codes and laws as from time to time amended, including, but not limited to, the Americans with Disabilities Act requirements in providing the County with any requested Leasehold Improvements.

11.1.4 If any agency, division or department of any governmental entity with appropriate jurisdiction condemns the Premises or any part of the Premises as unsafe or not in conformity with any of the laws or regulations controlling their construction, occupation or use, or orders or requires any alteration, repair or reconstruction of the Premises the responsible party shall be the Lessor who at its sole cost and expense (and without any right of reimbursement from County) immediately effect all necessary alterations and repairs required for the Premises full and exact compliance. Notwithstanding the foregoing, Lessor shall not be liable to make any alterations or repairs to the extent the need for such alterations or repairs arises out of or results from any acts or work performed by the County or any breach of County's obligations under this Lease.

11.1.5 Lessor shall cause the Leasehold Improvements (defined in Exhibit "B" to this Lease) to be lien free, completed at Lessor's cost in a workmanlike manner and in compliance with all Applicable Law.

11.1.6 County agrees when requested by Lessor to execute and deliver any applications, consents or other instruments required to permit Lessor to complete such Leasehold Improvements or to obtain permits for such work.

11.1.7 Tenant improvements or alterations requested by County following the Commencement Date and completed by Lessor shall be promptly reimbursed by County at Lessor's cost plus 10% within thirty (30) days following delivery of an invoice for such work. Lessor's invoices for such improvements shall be itemized according to material, sales tax, labor and Lessor's 10% overhead handling charge.

11.1.8 Due to County fiscal year funding and accounting practices, any costs due to Lessor for reimbursement of tenant improvements during the term must be invoiced and received by the County prior to May 1st of each fiscal year in which services to County were provided to ensure payment.

11.2 Improvements by County.

11.2.1 Any alterations, improvements or installation of fixtures to be undertaken by County shall have the prior written consent of Lessor. Such consent shall not be unreasonably withheld, conditioned or delayed by Lessor, provided that any work, alterations, improvements, or installations which may affect any structural portions of the Premises (including, without limitation, walls, foundations and roofs) or base building systems (including, without limitation, electrical, plumbing, HVAC and fire life safety) shall be subject to Lessor's prior written approval in Lessor's sole and absolute discretion.

11.2.2 All alterations and improvements made, and fixtures installed, by County shall remain County property and may be removed by County at or prior to the expiration of this Lease; provided, however, that such removal does not cause injury or damage to the Leased Premises beyond normal wear and tear.

11.3 Communications Equipment. County may, from time to time, install maintain, replace and/or remove any satellite dishes, links, duct bank or antennas on the grounds, roof and/or exterior walls or parapet of the Premises as County deems reasonably necessary or desirable, provided County shall first obtain Lessor's written approval, which approval shall not be unreasonably withheld, conditioned, or delayed.

Upon the removal by County of any such satellite dishes, links or antennas, County shall repair any damage incurred in connection with such removal.

12. Hold Harmless. Except as otherwise provided herein, County represents that it has inspected the Premises, accepts the condition and fully assumes any and all risks incidental to the use thereof. County shall not be liable to Lessor, its agents, employees, subcontractors or independent contractors for any personal injury or property damage suffered by them which may result from hidden, latent or other dangerous conditions in, on, upon or within the property unknown to the County, its officers, agents or employees.

Lessor shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, its officers, Board of Supervisors, agents, employees, elected or appointed officials, agents or representatives and independent contractors (individually and collectively hereinafter referred to as Indemnitees) free and harmless from any liability whatsoever, based or asserted upon any act or omission of Lessor, its officers, agents, employees, subcontractors and independent contractors for property damage, bodily injury, or death (County's employees included) or any other element of damage of any kind or nature, relating to or in any way connected with or arising from its use, occupancy or operation of the Premises, and Lessor, shall defend, at its expense, including attorney fees, Indemnitees in any legal action based upon such alleged acts or omissions. With respect to any action or claim subject to indemnification herein by Lessor, Lessor shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Lessor's indemnification to Indemnitees as set forth herein. Lessor's obligation hereunder shall be satisfied when Lessor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved. The specified insurance limits required in this Lease shall in no way limit or circumscribe Lessor's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

13. Insurance.

13.1 Lessor's Insurance. Without limiting or diminishing the Lessor's obligation to indemnify or hold the COUNTY harmless, Lessor shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Lease. As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

Policy shall also include fire and extended coverage on the improvements, alterations and fixtures to be constructed and installed upon the Premises in an amount not less than the full replacement value of such improvements, alterations and fixtures. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

13.1.4.2 The insurance requirements contained in this Lease may be met with a program(s) of self-insurance. Lessor must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Lease. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that a minimum of thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. If Lessor insurance carrier(s) policies does not meet the

minimum notice requirement found herein, Lessor shall cause Lessor's insurance carrier(s) to furnish a 30-day Notice of Cancellation Endorsement.

13.1.4.4 In the event of a material modification, cancellation, expiration, or reduction in coverage, this Lease shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed Certificate of Insurance and copies of endorsements evidencing coverage's set forth herein and the insurance required herein is in full force and effect. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance.

13.1.4.5 It is understood and agreed to by the parties hereto that the Lessor's insurance shall be construed as primary insurance, and the County's insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

13.1.4.6 COUNTY reserves the right to require that Lessor adjust the monetary limits of insurance coverage as required in this Paragraph 13 herein every fifth (5th) year during the term of this Lease or any extension thereof, subject to ninety (90) days written notice to County of such adjustment, in the event that COUNTY reasonably determines that the then existing monetary limits of insurance coverage are no longer consistent with those monetary limits of insurance coverage generally prevailing in the Riverside County area for facilities comparable to the Premises; provided, however, that any adjustment shall not increase the monetary limits of insurance coverage for the preceding five (5) years in excess of fifty percent (50%) thereof.

13.1.4.7 Lessor shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Lease.

13.1.4.8 Lessor agrees to notify County of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

13.2 County's Insurance. It is agreed by both parties that the County is a self-insured entity and upon written request, County will provide Lessor with a certificate of Self-Insurance evidencing coverage, which shall include, without limitation, Property and casualty insurance, covering all of County's personal property, fixtures and equipment owned, leased or otherwise controlled by County.

14. Damage and Destruction

County agrees to notify Lessor in writing promptly of any damage to the Premises resulting from fire, earthquake, or any other identifiable event of a sudden, unexpected, or unusual nature ("**Casualty**"). If the Premises are damaged by a Casualty, or the Casualty results in the Premises not being provided with Base Building Systems or parking facilities, and if neither Lessor nor County has elected to terminate this Lease under this Section 14, Lessor shall promptly and diligently restore Premises, the Leasehold Improvements originally constructed by Lessor, Base Building Systems, and County's parking facilities to substantially the same condition as existed before the Casualty, subject to modifications required by building codes and other laws. If County requests that Lessor make any modifications to the Leasehold Improvements in connection with the rebuilding, Lessor may condition its consent to those modifications on: (a) confirmation by Lessor's contractor that the modifications shall not increase the time needed to complete the County Improvements; or (b) an agreement by County that the additional construction period shall not extend the rent abatement period, and (c) confirmation that County (or its insured) will be fully responsible for the cost of any such modifications.

14.2 Repair Period Notice. Lessor shall, within forty-five (45) days after the date of the Casualty, provide written notice to County indicating the anticipated period for repairing the Casualty ("**Repair Period Notice**"). The Repair Period Notice shall be accompanied by a certified statement executed by the Contractor retained by Lessor to complete the repairs or, if Lessor has not retained a Contractor, a licensed Contractor not affiliated with Lessor, certifying the Contractor's opinion about the anticipated period for repairing the Casualty. The Repair Period Notice shall also state, if applicable, Lessor's election either to repair or to terminate the Lease under Section 14.3.

14.3 Lessor's Option to Terminate or Repair. Lessor may elect either to terminate this Lease or to effectuate repairs if: (a) the Repair Period Notice estimates that the period for repairing the Casualty exceeds twelve (12) months from the date of the Casualty; and (b) the estimated repair cost of the Premises, even though covered by insurance, exceeds fifty percent (50%) of the full replacement cost, or (c) the Casualty is uninsured and the coverage at issue was not required to be provided under the terms of this Lease (such as earthquake, flood or terrorism).

14.4 County's Option to Terminate. If (a) the Repair Period Notice provided by Lessor indicates that the anticipated period for repairing the Casualty exceeds twelve (12) months, and (b) notwithstanding the above, in the event of a substantial or total casualty to the Premises or improvements (more than 50% of replacement cost), County may by written notice to Lessor within thirty (30) days after such damage or destruction of its intention to terminate this Lease, elect to terminate this Lease by providing written notice (County's Termination Notice) to Lessor within thirty (30) days after receiving the Repair Period Notice. If County does not elect to terminate within said thirty (30) day period, County shall be considered to have waived its option to terminate.

14.5 Rent Abatement Due to Casualty. Lessor and County agree that County's Rent shall be fully abated during the period beginning on the later of: (a) the date of the Casualty; or (b) the date on which County ceases to occupy the Premises and ending on the date of Substantial Completion of Lessor's restoration obligations as provided in this Section 14 ("**Abatement Period**"). If, however, County is able to occupy and does occupy a portion of the Premises, Rent shall be abated during the Abatement Period only for the portion of the Premises not occupied by County.

14.6 Damage Near End of Term. Despite any other provision of this Section 14, if the Premises are destroyed or damaged by a Casualty during the last eighteen (18) months of the Original Lease Term, Lessor and County shall each have the option to terminate this Lease by giving written notice to the other of the exercise of that option within forty-five (45) after that damage or destruction, provided, however, County may negate Lessor's election to terminate under this Section 14.6 by electing, within ten (10) days after receipt of Lessor's termination notice, to exercise any

unexercised option to extend this Lease. If County negates Lessor's election, this Lease shall continue in effect unless Lessor has the right to, and elects to, terminate this Lease under Section 14.3.

14.7 Effective Date of Termination; Rent Apportionment. If Lessor or County elects to terminate this Lease under this Section 14 in connection with a Casualty, this termination shall be effective thirty (30) days after delivery of notice of such election. County shall pay Rent, properly apportioned up to the date of the Casualty. After the effective date of the termination, Lessor and County shall each be fully discharged of all future obligations under this Lease, except for those provisions that, by their terms, survive the expiration or earlier termination of the Lease.

14.8 Waiver of Statutory Provisions. The provisions of this Lease, including those in this Section 14 constitute an express agreement between Lessor and County that applies in the event of any Casualty to the Premises. Lessor and County, therefore, fully waive the provisions of any statute or regulation, for any rights or obligations concerning a Casualty, including, without limitation, California Civil Code Sections 1932(2) and 1933(4).

14.9 Release on Termination. In the event of any termination of this Lease in accordance with Section 14, the Parties shall be released there from without further obligation to the other Party, except as may otherwise be specifically set forth in this Lease and items that have accrued and are unpaid.

15. Eminent Domain.

15.1 Total Condemnation. If all of the Premises are condemned by eminent domain, inversely condemned, or sold in lieu of condemnation for any public or quasi-public use or purpose, this Lease will terminate as of the date of title vesting in that proceeding and the Rent will be abated from the date of termination.

15.2 Partial Condemnation. If any portion of the Premises is condemned by eminent domain, inversely condemned, or sold in lieu of condemnation for any public or quasi-public use or purpose and the partial condemnation renders the Premises unusable for County's business, this Lease will terminate as of the date of title vesting or order of immediate possession in that proceeding and the Rent will be abated to the date of termination. If the partial condemnation does not render the Premises

unusable for the business of County and less than a substantial portion of the Premises is condemned, Lessor must promptly restore the Premises to the extent of any condemnation proceeds recovered by Lessor, excluding the portion lost in the condemnation, and this Lease will continue in full force, except that after the date of the title vesting, the Rent will be adjusted, as reasonably determined by Lessor and County.

15.3 Award. If the Premises are wholly or partially condemned, Lessor will be entitled to the entire award paid for the condemnation, and County waives any claim to any part of the award from Lessor or the condemning authority. County, however, will have the right to recover from the condemning authority any compensation that may be separately awarded to County in connection with costs in removing County's merchandise, furniture, fixtures, leasehold improvements, and equipment to a new location.

15.4 Temporary Condemnation. In the event of a temporary condemnation, this Lease will remain in effect, County will continue to pay Rent, and County will receive any award made for the condemnation. If a temporary condemnation remains in effect at the expiration or earlier termination of this Lease, County will pay Lessor the reasonable cost of performing any obligations required of County with respect to the surrender of the Premises. If a temporary condemnation is for a period that extends beyond the Term, this Lease will terminate as of the date of occupancy by the condemning authority and any award will be distributed in accordance with Section 15.3.

16. Estoppel Certificates.

16.1 Within twenty (20) Business Days after receipt of a written request by either party, the other party shall execute and deliver to the requesting party an Estoppel Certificate, in the form of the attached Exhibit "G," indicating in the certificate any exceptions to the statements in the certificate that may exist at that time.

17. Subordination, Non-Disturbance, and Attornment.

17.1 Subordination, Non-Disturbance, and Attornment Agreement. To carry out the purposes of Section 17.2 and Section 17.3, the Parties agree to execute a Subordination, Non-Disturbance and Attornment Agreement in the form set forth in the attached Exhibit "H."

17.2 Subordination. County agrees that within Forty five (45) Business Days after Lessor's written request, it shall execute the agreement referred to in Section 17.1 that Lessor or its assignees reasonably considers necessary to evidence or confirm the subordination of this Lease to the lien of any mortgage, deed of trust or other encumbrance of the Premises or any renewal, extension, modification, replacement thereof, provided however, that such Subordination Agreement shall be strictly limited to matters contained in the agreement referred to in Section 17.1 and no such Subordination Agreement shall materially increase any of County's obligations or materially decrease any of County's rights under this Lease, nor shall the possession of County be disturbed, by reason of any foreclosure, sale or other action under any such trust deed, mortgage or other encumbrance.

17.3 Attornment. If Lessor's interest in the Premises passes to a successor or is assigned to a lender, and provided County has received or receives the Subordination Agreement referred to in Section 17.1, County shall, within forty-five (45) Business Days after Lessor's transferee's or assignee's request, execute the agreement referred to in Section 17.1, thereby agreeing to subordinate, attorn and to recognize the transferee as the Lessor under this Lease; provided the transfer of Lessor's interest in the Premises was by sale, lease, assignment, foreclosure, deed in lieu of foreclosure, exercise of any remedy provided in any encumbrance or operation of law.

18. Breach by Lessor.

18.1 Lessor's Default. Except as provided to the contrary in this Lease, Lessor's failure to perform any of its obligations under this Lease shall constitute a default by Lessor under the Lease if the failure continues for thirty (30) days after written notice of the failure from County to Lessor. If the required performance cannot be completed within thirty (30) days, Lessor's failure to perform shall constitute a default under the Lease unless Lessor undertakes to cure the failure within thirty (30) days and diligently and continuously attempts to complete this cure as soon as reasonably possible.

18.2 County's Right to Cure Lessor's Default and Deduct Cost. Except as provided to the contrary in this Lease, if County provides notice to Lessor of Lessor's failure to perform any of its obligations under this Lease and Lessor fails to

provide such action as required by the terms of this Lease within the period specified, County may take the required action if: (a) County delivers to Lessor an additional written notice advising Lessor that County intends to take the required action if Lessor does not begin the required action within ten (10) days after the written notice; and (b) Lessor fails to begin the required action within this ten (10) day period.

18.3 Rent Setoff. If, within thirty (30) days after receipt of County's written demand for payment of County's costs incurred in taking such action on Lessor's behalf, Lessor has not paid the invoice or delivered to County a detailed written objection to it, County may deduct from Rent payable by County under this Lease the amount set forth in the invoice, including transaction costs and attorneys' fees, plus interest at the then legal rate of interest from the date these costs are incurred until the date of County's Rent setoff.

19. Lessor's Representations and Warranties. Lessor represents and warrants to County that:

19.1 Title. Lessor's fee interest in the Premises is free and clear of restrictions which would restrict County's rights under this Lease.

19.2 Certificate of Authority. Lessor covenants that it is a duly constituted under the laws of the state of its organization, and that the person(s) who is acting as its signatory in this Lease is duly authorized and empowered to act for and on behalf of the Lessor. Upon County's request, Lessor shall furnish County prior to the execution hereof with evidence of the authority of the signatory to bind the entity or trust as contemplated herein.

19.3 No Litigation. There are no judicial, quasi-judicial, administrative or other orders, injunctions, moratoria or pending proceedings against Lessor or the Premises which preclude or interfere with, or would preclude or interfere with, the construction contemplated herein or the occupancy and use of the Premises by County for the purposes herein contemplated.

19.4 Easements. Lessor shall not (a) subdivide, parcel or otherwise divide the Premises, (b) create, modify or terminate any ingress or egress to or from the Premises, or (c) create any easements in the Premises, without County's prior written approval, which shall not be unreasonably withheld, conditioned or delayed.

20. Miscellaneous.

20.1 Quiet Enjoyment. Lessor covenants that County shall at all times during the term of this Lease peaceably and quietly have, hold and enjoy the use of the Premises so long as County shall fully and faithfully perform the terms and conditions that it is required to do under this Lease. If the Premises are part of a building shared with other tenants of Lessor, during County's tenancy, Lessor may make or permit other tenants to make alterations, renovations and improvements to those portions of the building not occupied by County. Lessor covenants for itself and anyone deriving title from or holding title under Lessor that County's access, ingress, loading and unloading and sufficient parking for County's business shall not unreasonably be obstructed nor shall the daily business of County be disrupted (other than temporarily) as a result of such alterations, renovations and improvements.

20.2 Non-Waiver. 20.5 Venue. Any action at law or in equity brought by either of the Parties hereto for the purpose of enforcing a right or rights provided for by this Lease shall be tried in a court of competent jurisdiction in the County of Riverside, State of California, and the Parties hereto waive all provisions of law providing for a change of venue in such proceedings to any other county.

20.6 Attorneys' Fees. In the event of any litigation or arbitration between Lessor and County to enforce any of the provisions of this Lease or any right of either party hereto, the unsuccessful party to such litigation or arbitration agrees to pay

to the successful party all costs and expenses, including reasonable attorneys' fees, incurred therein by the successful party, all of which shall be included in and as a part of the judgment rendered in such litigation or arbitration.

20.7 County's Representative. County hereby appoints the Assistant County Executive Officer/ECD as its authorized representative to administer this Lease.

It is expressly understood and agreed that in the event Lessor is not a resident of the State of California or it is an association or partnership without a member or partner resident of the State of California, or it is a foreign corporation, then in any such event, Lessor shall file with County's Assistant County Executive Officer/ECD, upon its execution hereof, a designation of a natural person residing in the State of California, giving his or her name, residence and business addresses, as its agent for the purpose of service of process in any court action arising out of or based upon this Lease, and the delivery to such agent of a copy of any process in any such action shall constitute valid service upon Lessor. It is further expressly understood and agreed that if for any reason service of such process upon such agent is not feasible, then in such event, Lessor may be personally served with such process out of this county and that such service shall constitute valid service upon Lessor. It is further expressly understood and agreed that Lessor is amenable to the process so served, submits to the jurisdiction of the court so obtained and waives any and all objections and protests thereto.

If, at any time, Lessor's title or right to receive Rent and any other sums due hereunder is disputed, County may withhold such sums thereafter accruing until County is furnished satisfactory evidence as to the Party entitled thereto.

20.15 Conveyance by Lessor. Should Lessor convey the Premises, all rights and obligations inuring to the Lessor by virtue of this Lease shall pass to the grantee named in such conveyance, and the grantor shall be relieved of all obligations or liabilities hereunder, except those theretofore accrued and not discharged.

This Leasehold Improvement Agreement shall set forth the terms and conditions relating to the construction of the Leasehold Improvements in the Premises. This Leasehold Improvement Agreement is essentially organized chronologically and addresses the issues of the construction of the Premises, in sequence, as such issues will arise during the actual construction of the Premises. All references in this Leasehold Improvement Agreement to Paragraphs or Sections of the "**Lease**" shall mean the relevant portion of that certain Office Lease to which this Leasehold Improvement Agreement is attached as Exhibit "B" and of which this Leasehold Improvement Agreement forms a part, and all references in the Lease to Sections of "**Leasehold Improvement Agreement**" shall mean the relevant portion of this Leasehold Improvement Agreement and all references in this Leasehold Improvement Agreement to Section of this Leasehold Improvement Agreement shall mean the relevant portion of this Leasehold Improvement Agreement.

SECTION 1 – LESSOR’S INITIAL CONSTRUCTION OF PREMISES

1.1 Lessor owns the free standing buildings described in Section 2 of the Lease, (the "Buildings"). Premises. The base, shell and core of the Buildings, consisting of the structural portions of the Buildings and the existing base building systems, may be hereinafter referred to as the "**Base Building.**"

SECTION 2 – CONSTRUCTION DRAWINGS FOR THE PREMISES

2.1 Lessor shall, at its sole cost and expense construct the improvements in the Premises (the "**Leasehold Improvements**") pursuant to those certain blueprints, floor and space plans, specifications and final construction prices more particularly set forth in the following exhibits and schedules attached to this Leasehold Improvement Agreement: Exhibit B1 (Final Space Plan); Exhibit B2 (Final Working Drawings), Exhibit B3 (Construction Schedule); Exhibit B4 (Phasing Plan); Addendum 1 (Itemized Costs); and Addendum 2 (Actual Costs); all of which, collectively, together with the final working drawings prepared by Lessor's architect and approved by County and Lessor may be collectively referred to as the "Approved Working Drawings". Lessor shall make no changes or modifications to the Approved Working Drawings without the prior written consent of County, which consent may be withheld if such change or modification would directly or indirectly delay the "**Substantial Completion,**" as that term is defined in Section 6.1 of this Leasehold Improvement Agreement, of the Premises or increase the cost of designing or constructing the Leasehold Improvements. The cost of any changes or modifications approved by Lessor and the County shall be allocated as agreed by the parties in writing at the time of approval therefor.

SECTION 3 – CONSTRUCTION DRAWINGS

3.1 Selection of Architect/Constructions Drawings. Lessor shall retain an architect or space planner (the “**Architect**”) to prepare the Construction Drawings. Lessor shall retain the engineering consultants (the “**Engineers**”) to prepare all plans and engineering working drawings relating to the structural, mechanical, electrical, plumbing, HVAC, life safety, and sprinkler work of the Leasehold Improvements. The plans and drawings to be prepared by Architect and the Engineers hereunder shall be known collectively as the “**Construction Drawings.**” All Construction Drawings shall comply with the drawing format and specifications as determined by Lessor, and shall be subject to the County’s approval.

Lessor and Architect shall verify, in the field, the dimensions and conditions as shown on the relevant portions of the Base Building Plans, and Lessor and Architect shall be solely responsible for the same, and County shall have no responsibility in connection therewith. County’s review of the Construction Drawings as set forth in this Section, shall be for its sole purpose and shall not imply County’s review of the same, or obligate Lessor to review the same, for quality, design, Code compliance or other like matters. Accordingly, notwithstanding that any Construction Drawings are reviewed by County or its agent and consultants, and notwithstanding any advice or assistance which may be rendered to Lessor by County or County’s agent or consultants. County shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Construction Drawings, and Lessor’s waiver and indemnity set forth in this Lease shall specifically apply to the Construction Drawings.

3.2 Final Space Plan. Prior to execution of the Lease by County, Lessor and the Architect shall prepare the final space plan for Leasehold Improvements in the Premises (collectively, the “**Final Space Plan**”), which Final Space Plan shall include a layout and designation of all offices, rooms and other partitioning, their intended use, and equipment to be contained therein, and shall deliver the Final Space Plan County for County’s approval. The Final Space Plan shall be set forth as Exhibit “B1.”

3.3. Final Working Drawings. Within one hundred and twenty (120) working days after execution of the Lease by County and delivery of a copy of the Lease to Lessor, Lessor, the Architect and the Engineers shall complete the architectural and engineering drawings for the Leasehold Improvements, and the final architectural working drawings in a form which is complete to allow subcontractors to perform the work and to obtain all applicable permits (collectively, the “**Final Working Drawings**”) and shall submit the same to County for County’s approval. The Final Working Drawings shall be set forth as Exhibit “B2.”

3.4 Permits. The Final Working Drawings shall be approved by Lessor and the County (the “**Approved Working Drawings**”) prior to the commencement of the construction of the Leasehold Improvements. Lessor shall immediately submit the Approved Working Drawings to the appropriate municipal authorities for all applicable building permits necessary to commence and fully complete the construction of the

Leasehold improvements (the "**Permits**"). Lessor hereby agrees that neither County nor County's agents or consultants shall be responsible for obtaining of the same shall be Lessor's responsibility; provided however that County shall, in any event, cooperate with Lessor in executing permit applications and performing other ministerial acts reasonably necessary to enable Lessor to obtain any such permit or certificate of occupancy. No changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of Lessor and County, provided that County may withhold its consent, in its sole discretion, to any change in the Approved Working Drawings if such change would directly or indirectly delay the "**Substantial Completion**" of the Premises as that term is defined in Section 6.1 of this Leasehold Improvement Agreement.

3.5 County shall use its best, good faith, efforts and all due diligence to cooperate with the Architect, the Engineers, and Lessor to complete all phases of the Construction Drawings and the permitting process and to receive the permits, as soon as possible after the execution of the Lease, and, in that regard, shall meet with Lessor on a scheduled basis to be determined by County, to discuss Lessor's progress in connection with the same. Upon County's execution of this Lease, Lessor shall provide County with a construction schedule including time projects for planning, entitlement process, related preparation and construction of the Leasehold Improvements. A Construction Schedule provided by Lessor shall be Exhibit "B3."

SECTION 4 – LESSOR COVENANTS

4.1 Lessor recognizes, understands and covenants that any and all improvements shall be undertaken according to Exhibit "F", General Construction Specifications for Leased Facilities, attached thereto and made a part of the Lease.

4.3 Lessor shall comply and stay current with all applicable building standards; which may change from time to time, including but not limited to, the Americans with Disabilities Act of 1990 and any regulations issued pursuant thereto in constructing the Leasehold Improvements contemplated herein.

SECTION 5 – CONSTRUCTION

5.1 Lessor shall diligently pursue the planning, entitlement process, related preparation and construction of the Leasehold Improvements. Lessor shall provide County with periodic written progress reports, which reports shall contain, without limitation, updated information relative to permit approvals and construction.

5.2 Lessor shall notify County, in writing, forthwith when such planning, entitlement process, related preparation and construction of the Leasehold Improvements

have been completed for each respective Phase, based on Phasing Plan as set forth in Exhibit "B4", a Certificate of Occupancy (or reasonable equivalent therefor) has been issued by the City of Riverside, or if no new Certificate of Occupancy is required, issuance of a Temporary Certificate of Occupancy and upon acceptance of the improvements by the City of Riverside upon final inspection, all required permits for each respective Phase have been obtained and electrical power has been turned on. Lessor shall obtain from the State of California permits for elevators if required. Within ten (10) days following delivery of the Premises to County, County shall schedule and conduct a "job walk" with Lessor for the purpose of accepting the Premises for occupancy. County shall accept the Premises if the improvements are Substantially Complete and the Premises are available for useful occupancy, hereinafter defined. County reserves the right to determine if the Premises are Substantially Complete based on agreed upon scope of work by the Landlord, and such determination shall be reasonable and industry standard. The Parties agree and understand that Lessor shall obtain separate permits for each respective phase.

5.3 In addition, immediately after the Substantial Completion of the Premises, Lessor shall have prepared and delivered to the County (1) a complete set of "As-Built" drawings showing every detail, latent or otherwise, of such improvements, including but not limited to electrical circuitry and plumbing, and (2) the same complete set of "As-Built" drawings on a computer disk in a CADD format.

SECTION 6 – COMPLETION OF THE COUNTY IMPROVEMENTS; LEASE COMMENCEMENT DATE

6.1 For purposes of this Lease, "**Substantial Completion**" of the Premises shall occur upon the completion of construction of the Leasehold Improvements in the Premises pursuant to the Approved Working Drawings; compliance with Section 5.2 of this Exhibit "B," with the exception of any punch list items; and any County fixtures, workstations, built-in furniture, cabling, wiring or equipment to be installed by County, provided, however, that such punch list items do not preclude the useful occupancy of the Premises, and the Premises shall be safe, free of safety hazards, and available for the use set forth in the Lease.

6.2 The Lease Commencement Date shall occur as set forth in the Lease.

SECTION 7 – CONSTRUCTION COSTS

7.1 Prior to County's execution of this Lease, Lessor shall provide County an itemized cost breakdown of the construction costs of the Leasehold Improvements, attached hereto and made a part hereof as Addendum 1. As shown in Addendum 1, Lessor shall budget the amount set forth in Addendum 1 for use by County a contingency for any items requested by County not in the current itemized cost breakdown in Addendum 1. In no event shall Lessor be obligated to expend more than the amount set forth in Addendum 1 to construct the Leasehold Improvements, unless and to the extent increases are approved in writing by Lessor and County prior to commencement of the

work resulting in the increased cost. Any unused County contingency shall be applied as a credit towards County's monthly rent.

7.2 If requested by County, upon completion of the Leasehold Improvements and within thirty (30) days of Substantial Completion and acceptance of the Premises by County, Lessor shall provide County with an itemized statement, similar to the cost breakdown form attached as Addendum 1, of the actual costs of the Leasehold Improvements incurred by Lessor set forth as Addendum 2, accompanied by vendor, contractor, subcontractor, material man invoices if requested by the County along with request for reimbursement of actual costs incurred. It is the intent of the Parties to set forth as Addendum 1 a memorialization of the Leasehold Improvements. Leasehold Improvements as shown on the Approved Working Drawings shall be made at the sole cost of the Lessor, with the cost of any changes being subject to the terms of this Leasehold Improvement Agreement.

7.3 Furniture design fees shall be paid out of the County contingency or reimbursed by County to Lessor if contingency funds are not available.

SECTION 8 - MISCELLANEOUS

8.1 County's Entry Prior to Substantial Completion. Provided that County and its agents do not interfere with Lessor's work in the Premises, Lessor shall allow County access to the Premises prior to the Substantial Completion of the Premises for the purpose of County installing over-standard equipment or fixtures (including County's data and telephone equipment) in the Premises. Prior to County's entry into the Premises as permitted by the terms of this Section 8.1, County shall submit a schedule to Lessor, for approval, which schedule shall detail the timing and purpose of County's entry. County shall hold Lessor harmless from and indemnify, protect and defend Lessor against any loss or damage to the Premises and against injury to any persons caused by County's actions pursuant to this Section 8.1.

8.2 County's Representative. ASBESTOS

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
 2. Common public areas which County employees or its invitees would normally/reasonably use.
 3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.

- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

3.1. Lender consents to the Lease.

3.2. Despite County's subordination under Section 2, County's peaceful and quiet possession of the Premises shall not be disturbed and County's rights and privileges under the Lease, including its right to early termination, its right to extend the term of the Lease, its right of first refusal to lease the property after expiration of the original term and the extensions thereof, shall not be diminished by the Lender's exercise of its rights or remedies under the Loan Documents, provided that County has not canceled or terminated the Lease, nor surrendered or abandoned the Premises.

3.3. If (a) Lender shall acquire title to, and possession of, the Premises on foreclosure in an action in which Lender shall have been required to name County as a party defendant, and (b) County is not in default under the Lease, nor surrendered, vacated or abandoned the Premises and remains in actual possession of the Premises at the time Lender shall so acquire title to and possession of, the Premises, Lender and County shall enter into a new lease on the same terms and conditions as were contained in the Lease, except that:

(a) The obligations and liabilities of Lender under a new lease shall be subject to the terms and conditions of this Agreement (including the provisions of Section (5-7));

(b) Lender shall have no obligations or liabilities to County under any such new lease beyond those of Lessor as were contained in the Lease; and

(c) The expiration date of any new lease shall coincide with the original expiration date of the Lease.

4. **Attornment.**

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding the foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement of the Lease. Lender agrees to give County written notice if Lender has succeeded to the interest of the Lessor under the Lease. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

5. **Lender as Lessor.** If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that county would have had under the Lease against Lessor; provide,

however, that despite anything to the contrary in this Agreement of the Lease, Lender, as successor to the Lessor's interest, shall be:

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability (including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extend or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and county shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in the Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.
