BACKGROUND:

Summary

Riverside County Information Technology (RCIT)-Public Safety Enterprise Communication (PSEC) system is the primary communication services for the Sheriff's Department and multiple county agencies. PSEC has a total of thirteen (13) mountain top locations and one (1) ground level location in Blythe powered by diesel generators. The sites provide significant radio coverage for the PSEC system enabling vital communications for Sheriff, Fire command and other first responders while responding to emergency incidents.

The sites are in remote locations where fuel delivery is difficult. Interruption of fuel services to the below communication sites will cause service outages to the PSEC system, radio transmitters for Riverside County Fire and much of the County of Riverside Network (CORNET) and telephone networks.

Sites requiring fuel delivery are as follows:

- Black Eagle
- Black Jack
- Blythe
- Box Canyon
- Estelle Mountain
- Glen Avon
- Margarita
- Midland
- North Mountain
- Palen-McCoy
- Road 62
- Santa Rosa Peak
- Sunnyslope
- Toro Peak

STATE OF CALIFORNIA**

Public safety agencies in Riverside County, as well as City of Corona, City of Riverside, City of Banning, City of Murrieta Police Departments, and University of California, Riverside rely on the PSEC system to serve and protect the community. The PSEC system provides critical countywide communication for these agencies. This Agreement will provide fueling for generators, which provide both primary and backup power to 13 remote mountain tops sites and 1 ground level location of the PSEC system. It is required that these 14 sites remain operational to continue to provide the radio coverage necessary for these agencies to perform their public safety services.

County Counsel has reviewed and approved the attached Agreement as to form.

Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification,

cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. CONTRACTOR shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier shall sign the original endorsements for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the parties hereto that the CONTRACTOR'S insurance shall be construed as primary insurance, and the COUNTY'S insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

23.2 Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of

this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

23.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

23.4 CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

23.5 CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. 23.6 Nothing in this Agreement shall prohibit the COUNTY from acquiring the same type or equivalent equipment, products, materials or services from other sources, when deemed by the COUNTY to be in its best interest. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

23.7 The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

23.10 CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

23.11 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of

the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

23.12 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing.
