BACKGROUND:

Summary

By Minute Order dated April 30, 2019 (Agenda Item 3.35), the County of Riverside (County) Board of Supervisors authorized the Clerk of the Board to advertise for the construction of Ellis Avenue and Theda Street intersection widening project in the Good Hope Community of the County.

Ellis Avenue is a two-lane road that travels in the east-west direction; Theda Street is a two-lane road that travels in the north-south direction and ends at Ellis forming a T-intersection where both roads meet. The minor widening will provide a left turn pocket for westbound traffic on Ellis Avenue, turning southbound onto Theda Street.

Project construction will include placement of asphalt concrete pavement, installation of corrugated steel pipe for relocation of an existing roadside drainage ditch, reconstruction of asphalt concrete dike and driveways, removal of trees, installation and relocation of roadside signs, placement of thermoplastic crosswalks and pavement markings, and any other work as may be required.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addendum on their contractor's Bid in order to be considered for award. The Addendum was issued to modify the approved contract documents. The addendum is attached and designated as Addendum No. 1.

The contractor, Granite Construction Company is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents which meet the requirements of the Contract.

Project No.: C8-0081

Impact on Residents and Businesses

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The Ellis Avenue at Theda Street intersection widening project improves traffic flow by providing a lane for the westbound traffic turning left to move out of the flow of traffic. Ellis Avenue and Theda Street are used as routes to the Good Hope Elementary School located on the southeast corner of the intersection. The intersection widening project work will be phased to keep Ellis Avenue and Theda Street open during construction. The contractor will coordinate with the school to avoid work activities during peak hours and special events.

The work is scheduled to begin in summer 2019 and will take approximately five weeks to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The contract is recommended to be awarded to Granite Construction Company for the total amount of \$247,742.

The project will be funded with County Service Area 41 and Gas Tax / HUTA funds.

The proposed budget as shown on Attachment "A" includes the contract award amount and other associated costs.

There are no General Funds used in this project.

Contract History and Price Reasonableness

Six bids were received ranging from \$247,742 to \$366,000. Four of the six received bids were higher than the Engineer's estimate. The basis for the selection of a contractor is the lowest responsive and responsible bid.

All received bids were responsive to the bidding requirements set forth for the project. The lowest responsible bid was submitted by Granite Construction Company in the amount of \$247,742 which is \$88,378 (26%) below the Engineer's Estimate. However, it is \$7,460 (2%) below the average cost of the six submitted bids.

The Transportation Department recommends the award of the contract to the lowest responsive and responsible contractor, Granite Construction Company.

**BLANKET ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS -
WITH PRODUCTS-COMPLETED OPERATIONS COVERAGE**

It is understood and agreed that this endorsement amends the **COMMERCIAL GENERAL LIABILITY COVERAGE PART** as follows:

SCHEDULE (OPTIONAL)

| |
|---|
| Name of Additional Insured Persons Or Organizations |
| (As required by "written contract" per Paragraph A. below.) |

| |
|--|
| Locations of Covered Operations |
| (As per the "written contract," provided the location is within the "coverage territory" of this Coverage Part.) |

- A. Section II - Who Is An Insured** is amended to include as an additional insured:
1. Any person or organization whom you are required by "written contract" to add as an additional insured on this Coverage Part; and
 2. The particular person or organization, if any, scheduled above.
- B. The insurance provided to the additional insured is limited as follows:**
1. The person or organization is an additional insured only with respect to liability for "bodily injury," "property damage," or "personal and advertising injury" caused in whole or in part by:
 - a. Your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your ongoing operations specified in the "written contract"; or
 - b. "Your work" that is specified in the "written contract" but only for "bodily injury" or "property damage" included in the "products-completed operations hazard," and only if:
 - (1) The "written contract" requires you to provide the additional insured such coverage; and
 - (2) This Coverage Part provides such coverage.
 2. If the "written contract" specifically requires you to provide additional insurance coverage via the 10/01 edition of CG2010 (aka CG 20 10 10 01), or via the 10/01 edition of CG2037 (aka CG 20 37 10 01), or via the 11/85 edition of CG2010 (aka CG 20 10 11 85), then in paragraph B.1. above, the words 'caused in whole or in part by' are replaced by the words 'arising out of'.
 3. We will not provide the additional insured any broader coverage or any higher limit of insurance than:
 - a. The maximum permitted by law;
 - b. That required by the "written contract";
 - c. That described in B.1. above; or
 - d. That afforded to you under this policy,
 whichever is less.
 4. Notwithstanding anything to the contrary in Condition 4. Other Insurance (Section IV), this insurance is excess of all other insurance available to the additional insured whether on a primary, excess, contingent or

any other basis. But if required by the "written contract" to be primary and non-contributory, this insurance will be primary and non-contributory relative to insurance on which the additional insured is a Named Insured.

5. The insurance provided to the additional insured does not apply to "bodily injury," "property damage," or "personal and advertising injury" arising out of:
 - a. The rendering of, or the failure to render, any professional architectural, engineering, or surveying services, including:
 - (1) The preparing, approving, or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 - (2) Supervisory, inspection, architectural or engineering activities; or
 - b. Any premises or work for which the additional insured is specifically listed as an additional insured on another endorsement attached to this Coverage Part.

C. SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS is amended as follows:

1. The Duties In The Event of Occurrence, Offense, Claim or Suit condition is amended to add the following additional conditions applicable to the additional insured:

An additional insured under this endorsement will as soon as practicable:

- (1) Give us written notice of an "occurrence" or an offense which may result in a claim or "suit" under this insurance, and of any claim or "suit" that does result;
- (2) Except as provided in Paragraph B.4. of this endorsement, agree to make available any other insurance the additional insured has for a loss we cover under this Coverage Part;
- (3) Send us copies of all legal papers received, and otherwise cooperate with us in the investigation, defense, or settlement of the claim or "suit"; and
- (4) Tender the defense and indemnity of any claim or "suit" to any other insurer or self insurer whose policy or program applies to a loss we cover under this Coverage Part. But if the "written contract" requires this insurance to be primary and non-contributory, this provision (4) does not apply to insurance on which the additional insured is a Named Insured.

We have no duty to defend or indemnify an additional insured under this endorsement until we receive from the additional insured written notice of a claim or "suit."

- D. Only for the purpose of the insurance provided by this endorsement, **SECTION V – DEFINITIONS** is amended to add the following definition:

"Written contract" means a written contract or written agreement that requires you to make a person or organization an additional insured on this Coverage Part, provided the contract or agreement:

1. Is currently in effect or becomes effective during the term of this policy; and
2. Was executed prior to:
 - a. The "bodily injury" or "property damage"; or
 - b. The offense that caused the "personal and advertising injury,"

for which the additional insured seeks coverage under this Coverage Part.

All other terms and conditions of the Policy remain unchanged.
