BACKGROUND:

Summary

This agreement is entered into annually. The purpose of this agreement is for the county to perform high-risk, pest exclusion inspections and enforcement activities for the California Department of Food and Agriculture (CDFA) and for CDFA to reimburse the county for these activities. Revenue from this source was previously included in the Agricultural Commissioner's FY 19/20 budget request. This agreement was approved as to form by County Counsel.

Impact on Residents and Businesses

Residents and businesses will be positively impacted in that this program is aimed at preventing invasive species that are injurious to landscape and agricultural plants, as well as to the local environment, from entering and becoming established within the county and the state. This will result in reduced pest control efforts/costs and an increased quality of life.

Contract History and Price Reasonableness

This agreement has been entered into each year since its inception in FY 1998/99 and the dollar amount covers all related costs.
