BACKGROUND:

Summary

The Energy Crisis Response Plan was a comprehensive response to the impact of extreme temperatures on low-income County residents, especially targeting vulnerable seniors, disabled individuals, and small children, with emphasis in the desert areas of eastern Riverside County where temperatures often exceed 105 degrees from May through October. In 2010, Community Action Partnership expanded its Energy Crisis Response Plan to include warm centers from December 1 through March 31. Warm centers are activated when forecasted temperatures are 40° or below.

Since 2007, RAP Foundation has provided funding to Community Action Partnership to assist in the implementation and operation of the Cool/Warm Centers Program in eastern Riverside County. The funding supports nutritional snacks, water, educational materials and games for the following twenty (20) sites: Blythe Community Center, Colorado River Senior Center, Palo Verde Valley Transit Center, Cathedral City Branch Library, Cathedral City Senior Center, Coachella Senior Center, Desert Hot Springs Senior Center, Desert Hot Springs WIC/CAP Office, Coachella Valley Rescue Mission, First African Methodist Episcopal Church, Indio Senior Center, La Quinta Wellness Center, Martha's Village & Kitchen, Mecca Boys & Girls Club, Mecca WIC/CAP Office, Joslyn Center, Palm Desert Community Center, Palm Desert Library, James O. Jessie Desert Highland Unity Center, and Well in the Desert.

The attached Agreement, with a term of June 1, 2019 through April 30, 2020 in the amount of \$16,450, establishes the 2019-2020 funding to continue implementation of these services. Staff recommend approving this Agreement. County Counsel has approved the Agreement as to form.

Impact on Citizens and Businesses

Statistics on mortality and hospital admissions indicate that death rates increase during extremely hot and cold days. During Fiscal Year 2018-2019, close to 41,000 residents visited one of 56 centers across Riverside County. The Cool/Warm Center Program coordinates community partnerships to address the impact of extreme hot or cold weather on vulnerable low-income residents, such as those with chronic heart or lung disease, the elderly, disabled,

infants and small children. Residents are encouraged to visit a Cool or Warm Centers to provide relief from the cold or heat in situations where access to shelter away from extreme elements is not available while also making utility assistance applications available at all locations. The program also helps reduce high-energy costs during the summer and winter months.

Bodily Injury shall mean physical injury to any person, emotional distress, death and/or loss of consortium. Such duties as set forth herein shall be owed to the Foundation to the full extent allowed by law and regardless of any alleged or actual negligence, liability or fault on

the part of the Foundation or any Related Parties, whether vicarious, direct, active, passive or concurrent, save and except that a duty to defend only, and no duty to indemnify, shall arise as to a party should it be finally adjudicated by a forum of competent jurisdiction that the said Bodily Injury, personal injury or property damage arises from the sole negligence or willful misconduct of the that party or that party. (d) Professional liability insurance written on an occurrence or claims-made basis covering any of Provider's operations, including but not limited to Program activities, if any, excluded pursuant to the terms of Item (b) above.

(2) Any insurance policy or policies required to be obtained to fulfill the insurance requirements of this Section 21C shall name the Foundation as additional insured, such coverage to be afforded to the Foundation to the same extent it is afforded to the Provider and shall not be subject to any exclusion, limitation or condition to which the coverage afforded the Provider is not also subject. Insurance obtained pursuant to this Grant Agreement shall be deemed primary insurance to any insurance policy that the Foundation may obtain for such party's own benefit, which policy shall be deemed excess or secondary, and not contributing with insurance obtained by Provider to fulfill the insurance requirements herein, regardless of any language contained in any or all policies at issue. Certificates of Insurance evidencing the coverages and Additional Insured Endorsements naming all parties to be covered pursuant to this Section 21 shall be delivered to the Foundation prior to the due date of first installment of any funding due to the Provider under this Grant Agreement. Inadvertence on the part of Foundation or any other beneficiary of this Section 21C in enforcing this requirement shall not be deemed a waiver of the requirement or of the obligation to provide insurance. Such certificates shall provide that the insurance thereby evidenced will not be cancelled until the expiration of at least thirty (30) days after written notice of cancellation has been given to the party entitled to coverage under this Section 21C.

(3) In the event of any failure by Provider to comply with the provisions of this Section 21, the Foundation, shall, at the Foundation's sole option, have recourse to the following remedies, which shall not be exclusive of each other or of any other remedy available to the Foundation by virtue of Contract language or the operation of law:

(a) The Foundation may procure insurance to satisfy the Provider's obligations and charge back to the Provider or withhold and deduct from amounts due and owing to the Provider under this Grant Agreement, the full cost and expense of the premium generated thereby, but nothing herein shall be deemed an obligation upon the Foundation to do so; and,

(b) The Foundation may collect from (or withhold from sums due under this Grant Agreement to) the Provider to the full extent of any and all consequential damages flowing directly or indirectly from Provider's failure to provide the coverages and evidence of insurance called for to be provided by Provider.

(4) The issuance or maintenance of insurance by Provider or the Foundation shall not be deemed or construed to release, limit, waive or discharge the Provider from any obligation imposed by this Grant Agreement or implied by Law.

(5) Without limiting any of the Provider's obligations under this Agreement, in the event that the Provider is permissibly self insured for any of the coverages to be provided pursuant to this Section 21, or otherwise fails to provide the coverages pursuant to this Section 21, Provider shall indemnify, defend and hold Foundation harmless for attorneys fees, costs, expenses, Claims or liabilities of any kind to the extent and as if such coverages would apply.
