BACKGROUND:

Summary

The Assessor-County Clerk-Recorder (ACR), in accordance with Riverside County Board Policy B-4 (Rates Charged for Current Services), has determined that updates to the ACR's fees are necessary to comply with new and changing legislation as well as to fully recover operational costs. After a comprehensive fee study was conducted and reviewed by the County Auditor Controller, a proposed updated fee schedule is attached (Exhibit A) and, upon Board approval of the proposed amendments to the related County fee ordinances, will be made available to the public during normal business hours.

The following fees are new to the Fee Schedule:

- As legislated by the State of California, per the Building Homes and Jobs Act (SB-2), the County now charges a fee of \$75 per document recorded, to a maximum of three documents per parcel, at time of recordation. This fee is mandated by Section 27388.1 of the Government Code and does not require Board adoption or approval.
- For a fee of \$120, the public now has the option to conduct their wedding ceremony at the County owned and newly refurbished 14th Street Downtown Riverside Chapel. The fee includes up to forty attending guests and an opportunity to memorialize the event with photos.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The following fees have been removed from the fee schedule:

- Fictitious Business Name reports are now provided online free of charge to the public.
- Disposable cameras and video tapes are no longer desired by the public during wedding ceremonies. Therefore, they are no longer offered for purchase.

All other fees are adjusted to reflect current costs and/or legislation. The proposed fee changes will enable the Assessor-County Clerk-Recorder to recover costs to the extent allowed by pertinent government codes and board policies. The updated fees have been accounted for in the current fiscal year budget and no budget adjustment is necessary at this time. The Riverside County Auditor Controller has approved the fee changes as submitted.

Riverside County Ordinance Nos. 729, 735, 831, and 891 establish these fees for the ACR and must be amended accordingly. Pro forma versions of the proposed amended ordinances are attached as Exhibits B through E. The Office of County Counsel has approved the ordinance amendments as to form. The Board of Supervisors introduced the ordinance amendments in regular session on July 23, 2019 (Item 3.6).

BACKGROUND:

Summary

The Assessor-County Clerk-Recorder (ACR), in accordance with Riverside County Board Policy B-4 (Rates Charged for Current Services), has determined that updates to the ACR's fees are necessary to comply with new and changing legislation as well as to fully recover operational costs. After a comprehensive fee study was conducted and reviewed by the County Auditor Controller, a proposed updated fee schedule is attached (Exhibit A) and, upon Board approval of the proposed amendments to the related County fee ordinances, will be made available to the public during normal business hours.

The following fees are new to the Fee Schedule:

- As legislated by the State of California, per the Building Homes and Jobs Act (SB-2), the County now charges a fee of \$75 per document recorded, to a maximum of three documents per parcel, at time of recordation. This fee is mandated by Section 27388.1 of the Government Code and does not require Board adoption or approval.
- For a fee of \$120, the public now has the option to conduct their wedding ceremony at the County owned and newly refurbished 14th Street Downtown Riverside Chapel. The fee includes up to forty attending guests and an opportunity to memorialize the event with photos.

The following fees have been removed from the fee schedule:

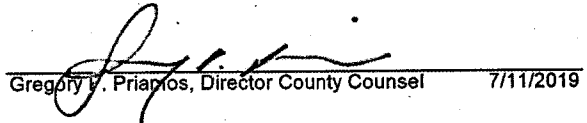

- Fictitious Business Name reports are now provided online free of charge to the public.
- Disposable cameras and video tapes are no longer desired by the public during wedding ceremonies. Therefore, they are no longer offered for purchase.

All other fees are adjusted to reflect current costs and/or legislation. The proposed fee changes will enable the Assessor-County Clerk-Recorder to recover costs to the extent allowed by pertinent government codes and board policies. The updated fees have been accounted for in the current fiscal year budget and no budget adjustment is necessary at this time. The Riverside County Auditor Controller has approved the fee changes as submitted.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Riverside County Ordinance Nos. 729, 735, 831, and 891 establish these fees for the ACR and must be amended accordingly. Pro forma versions of the proposed amended ordinances are attached as Exhibits B through E. The Office of County Counsel has approved the ordinance amendments as to form.
