BACKGROUND:

Summary

Peer Support and Resource Centers operated by Recovery Innovation, Inc., are referred to as "Wellness Cities". The Wellness Cities are operating in all three regions of the County and provide an open recovery environment for adults and transitional aged youth (TAY) where they can explore a wide range of mental health and recovery-based services. The centers are consumer-operated support settings for current or past mental health consumers and their families needing support, resources, knowledge, and experience to aid in their recovery process. Each location offers a variety of support services including vocational, educational, housing, benefit resources and activities to support the skill development necessary to pursue personal goals and self-sufficiency. Wellness Cities are a "step-down" from the more intensive programs or levels of care, as consumers work towards self-sufficiency and full community integration. This program works to engage individuals to take the next steps in their recovery process. Utilizing the Wellness Cities assist consumers to become less reliant on more costly core Riverside County Behavioral Health services.

Impact on Citizens and Businesses

These services are a component of the Department's system of care aimed at improving the health and safety of consumers and the community.

Additional Fiscal Information

The agreement is 100% funded with state MHSA funds. Each agreement has a termination clause in the event that funds become unavailable. No additional County funds are required. The agreement's funding allocation by region is as follows:

Western	Mid-Count	Desert	Total

7. **Reasons why my department requires these unique features from the vendor and what benefit will accrue to the county:** Through the on-going Mental Health Services Act (MHSA) Community Planning Process, peer-to-peer support continues to surface as a priority need identified by Stakeholders. Peer Support and Resource Centers are a key component of the Peer Support Services Work Plan. resources, knowledge, and experience to aid in their recovery process. 10. **Price Reasonableness:** (Explain why this price is reasonable or cost effective – were you provided government discounted pricing? Is this rate/fee comparable to industry standards?)
 By utilizing RII's existing infrastructure and knowledge-base, the cost to Riverside University Health System – Behavioral Health will be contained. RII Wellness Cities program provides an opportunity for linkage and collaboration with other community organization. The department believes that consumers who participate in this program through RII, reduces their usage of traditional more costly core mental health services. These services were competitively awarded via MHARC-152 back in 2014. A new RFP for this program has been released; however, to prevent a gap in services RUHS-BH needs this contract to continue until a new contract can be awarded.

If the RUHS-BH accepts the CONTRACTOR's proposed plan of corrective action, it shall suspend other punitive actions to give the CONTRACTOR the opportunity to come into compliance. If the RUHS-BH determines CONTRACTOR has failed to implement corrective action, funds may be withheld or disallowed until compliance is achieved. Failure to cooperate or take corrective action may result in termination of this Agreement.

V. INDEPENDENT CONTRACTOR:

This Agreement is by and between the RUHS-BH and CONTRACTOR and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between RUHS-BH and CONTRACTOR. CONTRACTOR and its employees, agents and/or subcontractors shall not be entitled to any benefits payable to RUHS-BH employees, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and/or injury leave or other leave benefits.  8. Unless otherwise notified by the COUNTY, CONTRACTOR invoicing will be paid by the COUNTY thirty (30) calendar days after the date a correct PIF is received by the COUNTY and invoice is generated by the applicable COUNTY Region/Program.
 9. Pursuant to Section III.A. – REIMBURSEMENT AND USE OF FUNDS AND SECTION XXV. – PROHIBITED AFFILIATIONS of the Agreement, CONTRACTOR acknowledges any payment received for an excluded person may be subject to recover and/or considered an overpayment by RUHS-BH and DHCS and/or be the basis for other sanctions by DHCS.

J. COST REPORT:

1. For each fiscal year, or portion thereof, that this Agreement is in effect, CONTRACTOR shall provide to COUNTY two (2) copies, per each Program Code, an annual Cost Report with an accompanying financial statement and applicable supporting documentation to reconcile to the Cost Report within one of the length of times as follows and as indicated below by an "X":
 - Thirty (30) calendar days following the end of each fiscal year (June 30th), or the expiration or termination of the Agreement, whichever occurs first.
 - Forty-five (45) calendar days following the end of each fiscal year (June 30th), or the expiration or termination of the Agreement, whichever occurs first.
 - Seventy-Five (75) calendar days following the end of each fiscal year (June 30th), or the expiration or termination of the Agreement, whichever occurs first.
2. The Cost Report shall detail the actual cost of services provided. The Cost Report shall be provided in the format and on forms provided by the COUNTY.
3. CONTRACTOR shall follow all applicable Federal, State and local regulations and guidelines to formulate proper cost reports, including but not limited to OMB-circular A-122 and OMB-circular A-87.
4. It is mandatory that the CONTRACTOR send one representative to the COUNTY'S annual cost report training that covers the preparation of the year-end Cost Report. The COUNTY will notify CONTRACTOR of the date(s) and time(s) of the training. Annual attendance at the training is mandatory in order to ensure that the Cost Reports are completed appropriately. Failure to attend this training will result in delay of any reimbursements to the CONTRACTOR.
5. CONTRACTOR will be notified in writing by COUNTY, if the Cost Report has not been received within the specified length of time as indicated in Section I, paragraph 1 above. Future monthly reimbursements will be withheld if the Cost Report contains errors that are not corrected within ten (10) calendar days of written or verbal notification from the COUNTY. Failure to meet any pre-approved deadlines or extensions will immediately result in the withholding of future monthly reimbursements.
6. The Cost Report shall serve as the basis for year-end settlement to CONTRACTOR including a reconciliation and adjustment of all payments made to CONTRACTOR and all revenue received by CONTRACTOR. Any payments made in excess of Cost Report settlement shall be repaid upon demand, or will be deducted from the next payment to CONTRACTOR.
7. All current and future payments to CONTRACTOR will be withheld by the COUNTY until all final, current and prior year Cost Report(s) have been reconciled, settled and signed by CONTRACTOR, and received and approved by the COUNTY.
8. CONTRACTOR shall report Actual Costs separately, if deemed applicable and as per CONTRACTOR'S Schedule I, to provide Agreement Client Ancillary Services, Prescriptions, Health Maintenance Costs, and Flexible funding costs under this Agreement on the annual cost report. Where deemed applicable, Actual Costs for Indirect Administrative Expenses shall not exceed the percentage of cost as submitted in the CONTRACT Request for Proposal or Cost Proposal(s).

K. BANKRUPTCY:

Within five (5) calendar days of filing for bankruptcy, CONTRACTOR shall notify COUNTY'S Behavioral Health's Fiscal Services Unit, in writing by certified letter with a courtesy copy to the Behavioral Health's Program Support Unit. The CONTRACTOR shall submit a properly prepared Cost Report in accordance with requirements and deadlines set forth in Section I before final payment is made.

L. AUDITS:

1. CONTRACTOR agrees that any duly authorized representative of the Federal Government, the State or COUNTY shall have the right to audit, inspect, excerpt, copy or transcribe any pertinent records and documentation relating to this Agreement or previous Agreements in previous years.
2. If this Agreement is terminated in accordance with Section XXVII, TERMINATION PROVISIONS, the COUNTY, Federal and/or State governments may conduct a final audit of the CONTRACTOR. Final reimbursement to CONTRACTOR by COUNTY shall not be made until all audit results are known and all accounts are reconciled. Revenue collected by CONTRACTOR during this period for services provided under the terms of this Agreement will be regarded as revenue received and deducted as such from the final reimbursement claim.
3. Any audit exception resulting from an audit conducted by any duly authorized representative of the Federal Government, the State or COUNTY shall be the sole responsibility of the CONTRACTOR. Any audit disallowance adjustments shall be paid in full upon demand or withheld at the discretion of the Director of Behavioral Health against amounts due under this Agreement or Agreement(s) in subsequent years.
4. The COUNTY will conduct Program Monitoring Review and/or Contract Monitoring Team Review (CMT). Upon completion of monitoring, CONTRACTOR will be mailed a report summarizing the results of the site visit. If and when necessary, a corrective Action Plan will be submitted by CONTRACTOR within thirty (30) calendar days of receipt of the report. CONTRACTOR'S failure to respond within thirty (30) calendar days will result in withholding of all payment until the corrective plan of action is received. CONTRACTOR'S response shall identify time frames for implementing the corrective action. Failure to provide adequate response or documentation for this or subsequent year's Agreements may result in Agreement payment withholding and/or a disallowance to be paid in full upon demand.

M. TRAINING:

CONTRACTOR understands that as the COUNTY implements its current MIS to comply with Federal, State and/or local funding and service delivery requirements, CONTRACTOR will, therefore, be responsible for sending at least one representative to receive all applicable COUNTY training associated with, but not limited to, applicable service data entry, client registration, billing and invoicing (batching), and learning how to appropriately and successfully utilize and/or operate the current and/or upgraded MIS as specified for use by the COUNTY under this Agreement. The COUNTY will notify the CONTRACTOR when such training is required and available.

N. FURNISHINGS AND EQUIPMENT

1. **OWNERSHIP:** If equipment and furnishings were previously purchased through this Agreement, CONTRACTOR acknowledges that these items are the property of COUNTY. Procedures provided by COUNTY for the acquisition, inventory, control and disposition of the equipment and the acquisition and payment for administrative services to such equipment (e.g. office machine repair) are to be followed.

2. **INVENTORY:** CONTRACTOR shall maintain an internal inventory control system that will provide accountability for equipment and furnishings purchased through this Agreement, regardless of cost. The inventory control system shall record at a minimum the following information when property is acquired: date acquired; property description (to include model number); property identification number (serial number); cost or other basis of valuation; funding source; and rate of depreciation or depreciation schedule, if applicable. An updated inventory list shall be provided to COUNTY on a semi-annual basis, and filed with the Annual Cost Report. Once COUNTY is in receipt of this list, COUNTY inventory tags will be issued to CONTRACTOR, and are to be attached to the item as directed.
3. **DISPOSAL:** Approval must be obtained from COUNTY prior to the disposal of any property purchased with funds from this Agreement, regardless of the acquisition value. Disposal (which includes sale, trade-in, discard, or transfer to another agency or program) shall not occur until approval is received in writing from COUNTY.
4. **CAPITAL ASSETS:**
 - a. Capital assets are tangible or intangible assets exceeding \$5,000 that benefit an agency more than a single fiscal year. For capital assets approved for purchase by COUNTY, allowable and non-allowable cost information and depreciation requirements can be found in the Center for Medicare and Medicaid Services (CMS) Publication 15, Provider Reimbursement Manual (PRM) Parts I & II. It is CONTRACTOR'S responsibility to ensure compliance with these requirements.
 - b. Any capital asset that was acquired or improved in whole or in part with funds disbursed under this Agreement, or under any previous Agreement between COUNTY and CONTRACTOR, shall either be, at the election of COUNTY as determined by the Director or designee: (1) transferred to COUNTY including all title and legal ownership rights; or (2) disposed of and proceeds paid to COUNTY in a manner that results in COUNTY being reimbursed in the amount of the current fair market value of the real or personal property less any portion of the current value attributable to CONTRACTOR's out of pocket expenditures using non-county funds for acquisition of, or improvement to, such real or personal property and less any direct and reasonable costs of disposition.
