BACKGROUND:

Summary

The El Nido Avenue Sidewalk Safety Improvement Project (Project) was selected to receive \$731,481 in funding under RCTC's SB 821 Bicycle and Pedestrian Facilities Program (SB 821 Program). Biennially, RCTC issues a call for projects and awards SB 821 Program funds to candidate projects based on a competitive selection process. The Agreement for Funding outlines the terms and conditions for the receipt of the SB 821 Program funds.

The proposed Project is Phase 1 of a two-phased sidewalk safety improvement project which will include the construction of approximately 3,631 feet of sidewalk and pedestrian access ramps along the east side of El Nido Avenue between Orange Avenue and Placentia Avenue in the Perris area. El Nido Avenue is heavily traveled by students that attend Orange Vista High School which is located south of the project limits along Orange Avenue. The proposed Project will widen the east side of El Nido Avenue by 8 feet to install concrete curb, gutter, and sidewalk improvements at its ultimate location in order to provide a fully ADA accessible, all weather pathway for pedestrians. Phase 2 will eventually extend sidewalk improvements northerly between Placentia Avenue and Walnut Avenue, completing the pedestrian connection between Orange Vista High School and the surrounding residential communities. Future funding opportunities will be pursued for the noted Phase 2 improvements.

Project Number: D0-0019

Impact on Residents and Businesses

In addition to serving the students of Orange Vista High School and the surrounding residential communities, there are several other schools and parks in the area, including: Sierra Vista Elementary School, Lakeside Middle School, Avalon Elementary School, May Ranch Park, and Basin Park that will be served by the project.

SUPPLEMENTAL:

Additional Fiscal Information

The County will have a 2-year term to complete the Project upon approval of this Agreement. In addition to the \$731,481 in SB 821 funding, the County is proposing to provide a 40% local

match of \$500,000 in Gas Tax funds for a total Project cost estimate of \$1,282,481. The proposed County match will be finalized prior to project advertisement for construction. There are no County General Funds used on this Project.

AGREEMENT NO. 19-62-120-00

**RIVERSIDE COUNTY TRANSPORTATION COMMISSION
AGREEMENT FOR FUNDING UNDER SB 821 BICYCLE AND
PEDESTRIAN FACILITIES PROGRAM**

(Transportation Development Act Article 3; Senate Bill 821)

This Funding Agreement ("AGREEMENT") is entered into as of _____, 2019 ("Effective Date"), by and between the RIVERSIDE COUNTY TRANSPORTATION COMMISSION ("RCTC") and the County of Riverside ("RECIPIENT"). RCTC and RECIPIENT may be referred to herein individually as a "Party" and collectively as the "Parties."

RECITALS

- A. RCTC is a county transportation commission created and existing pursuant to California Public Utilities Code Sections 130053 and 130053.5.
- B. Under RCTC's SB 821 Bicycle and Pedestrian Facilities Program ("PROGRAM"), cities and counties in the County of Riverside are notified of the availability of PROGRAM funding and a call for projects ("CALL FOR PROJECTS") is anticipated to be issued biennially by RCTC.
- C. On February 4, 2019, a CALL FOR PROJECTS was published by RCTC seeking applications for FY 2020 PROGRAM funding, which applications were reviewed in accordance with the applicable evaluation criteria included in the CALL FOR PROJECTS.
- D. Based on the application attached as Attachment 1 and incorporated herein by this reference, RECIPIENT has been selected to receive PROGRAM funding for its proposed El Nido Sidewalk Safety Improvement Project ("PROJECT").
- E. Funding for the PROJECT shall be provided pursuant to the terms contained in this AGREEMENT and pursuant to applicable PROGRAM policies adopted by RCTC, which are attached hereto and incorporated herein as Attachment 2.

NOW, THEREFORE, in consideration of the preceding recitals and the mutual covenants and consideration contained herein, the Parties mutually agree as follows:

- 1. Incorporation of Recitals. The Parties acknowledge and agree that the above recitals are true and correct, and hereby incorporate those recitals by this reference into the AGREEMENT.
- 2. RCTC Funding Amount. RCTC hereby agrees to distribute to the RECIPIENT, on the terms and conditions set forth herein, a sum not to exceed Seven Hundred Thirty-One Thousand Four Hundred Eight-One Dollars (\$731,481), to be used exclusively for reimbursing the RECIPIENT for eligible expenses as described herein ("FUNDING AMOUNT").

RECIPIENT acknowledges and agrees that the FUNDING AMOUNT may be less than the actual and final cost of the PROJECT, which final costs are the sole responsibility of RECIPIENT, and RCTC will not contribute PROGRAM funds in excess of the maximum authorized in this Section 2 unless otherwise mutually agreed to in writing by the PARTIES. In the event the FUNDING AMOUNT is not fully utilized by RECIPIENT for the PROJECT, the unused FUNDING AMOUNT must be returned to RCTC within ninety (90) days of a written request by RCTC unless RECIPIENT can demonstrate in writing, subject to written approval by RCTC in its sole discretion, the following: (i) valid reason for why PROJECT costs were significantly lower than the estimate included in RECIPIENT's attached application for funding, and (ii) written proposal for how any unused FUNDING AMOUNT will be used for a proposal to support the PROJECT or other use that supports the goals and requirements of the PROGRAM.

2.1 Eligible Project Costs. Reimbursement for PROJECT costs ("REIMBURSEMENT") may only include those items expressly allowed for under Article 3 of the Transportation Development Act (California Public Utilities Code section 99200 *et seq.*), which provides that funding shall be allocated for the construction, including related engineering expenses, of facilities based on the PROGRAM policies adopted by RCTC, provided that such items are included in the scope of work attached hereto and incorporated herein as Attachment 3 ("SCOPE OF WORK"). All PROJECT costs not included in the SCOPE OF WORK and not expressly permitted under Article 3 of the Transportation Development Act and the PROGRAM policies shall be considered ineligible for REIMBURSEMENT. In the event the SCOPE OF WORK needs to be amended, RECIPIENT shall submit a letter requesting such amendment, the reasons for the requested change and confirmation that costs associated with the proposed amendment are eligible for PROGRAM reimbursement for written approval by RCTC, which approval is subject to RCTC's discretion.

In the event of any ambiguity between this AGREEMENT, PROGRAM policies, and applicable law, the following order of precedence will govern: (1) Applicable law; (2) PROGRAM policies; (3) this AGREEMENT. In the case of any conflict between this Agreement and any of its attachments, the body of this Agreement shall govern. In the case of any conflict between Attachment 1 and Attachment 3, Attachment 3 shall govern.

2.2 Timing for Project Completion. In accordance with the PROGRAM policies attached hereto as Attachment 2, RECIPIENT has twenty-four (24) months to complete the PROJECT from the date of this AGREEMENT, unless otherwise agreed to in writing by the PARTIES. If the PROJECT is not completed within 24 months, RCTC shall have the sole discretion to delete the PROJECT from the PROGRAM and reprogram the funding for future approved PROGRAM projects. RECIPIENT will not be reimbursed until the PROJECT is accepted as complete in writing by RCTC following the submission of the PROGRAM funding claim form ("CLAIM FORM") attached hereto and incorporated herein as Attachment 4. In the event additional time is needed for the completion of the PROJECT, RECIPIENT may submit a letter to RCTC requesting an extension of time to complete the PROJECT with an explanation of why the PROJECT cannot be completed under the existing schedule for completion included as Attachment 3, attached hereto and incorporated herein. Before and after PROJECT photographs

must be included with the CLAIM FORM upon PROJECT completion, as well as copies of paid invoices and any other backup requested for repayment and audit purposes.

2.3 Increases in Project Funding. The FUNDING AMOUNT may, at RCTC's sole discretion, be augmented with additional PROGRAM funds and local agency match funds proportionate to the amounts included in Section 3 if there is a FUNDING AMOUNT balance and the RECIPIENT provides justification as to the reason for the funding increase. Any such increase in the FUNDING AMOUNT must be approved in writing by RCTC's Executive Director and RCTC shall be under no obligation whatsoever to approve any increase in the FUNDING AMOUNT. No such increased funding shall be expended to pay for any PROJECT work already completed.

2.4 Cost Savings. In the event that bids or proposals for the PROJECT are lower than anticipated, or there are cost savings for any other reason, the FUNDING AMOUNT shall be reduced through an amendment to the AGREEMENT mutually agreed to in writing by the Parties. RECIPIENT shall inform RCTC of any cost savings and any cost savings shall be returned to RCTC or may be reprogrammed with written approval by RCTC for other RECIPIENT projects that align with the PROGRAM. No PROGRAM funding may be used for projects not approved by RCTC. If RECIPIENT provides a local match commitment and there are cost savings on the PROJECT, RCTC will still be reimbursed at the matching ratio in effect at the time of PROJECT selection and approval despite such cost savings in accordance with PROGRAM policies.

2.5 No Funding for Temporary Improvements. Only segments or components of the PROJECT that are intended to form part of or be integrated into the PROJECT may be funded by PROGRAM funds. No improvement(s) which is/are temporary in nature, including but not limited to temporary lanes, curbs, or drainage facilities, shall be funded with PROGRAM funds except as needed for staged construction of the PROJECT.

2.6 Review and Reimbursement by RCTC. Upon receipt of the final detailed invoice from the RECIPIENT clearly documenting work completed and corresponding costs, RCTC may request additional documentation or explanation of the SCOPE OF WORK costs for which reimbursement is sought. Undisputed amounts shall be paid by RCTC to the RECIPIENT within thirty (30) days. In the event that RCTC disputes the eligibility of the RECIPIENT for reimbursement of all or a portion of an invoiced amount, the Parties shall meet and confer in an attempt to resolve the dispute. Additional details concerning the procedure for the RECIPIENT's submittal of invoices to RCTC and RCTC's consideration and payment of submitted invoices are set forth in Attachment 4.

2.7 Recipient's Funding Obligation to Complete the Work. In the event that the PROGRAM funds allocated to the SCOPE OF WORK represent less than the total cost of the PROJECT, RECIPIENT shall be solely responsible for providing such additional funds as may be required to complete the PROJECT. RCTC has no obligation with respect to the safety of any SCOPE OF WORK performed at a PROJECT site. Further, RCTC shall not be liable for any action of RECIPIENT or its contractors relating to the condemnation of property undertaken by RECIPIENT or construction related to the PROJECT.

2.8 Recipient's Obligation to Repay Program Funds to RCTC. In the event it is determined, whether through a post-completion audit or otherwise, the PROJECT was not completed in accordance with the PROGRAM requirements or this AGREEMENT, RECIPIENT agrees that any PROGRAM funds distributed to RECIPIENT for the PROJECT shall be repaid in full to RCTC. The Parties shall enter into good faith negotiations to establish a reasonable repayment schedule and repayment mechanism which may include, but is not limited to, withholding of Measure A Local Streets and Roads revenues, if applicable. RECIPIENT acknowledges and agrees that RCTC shall have the right to withhold any Measure A Local Streets and Roads revenues due to RECIPIENT, in an amount not to exceed the total of the PROGRAM funds distributed to RECIPIENT, and/or initiate legal action to compel repayment, if the RECIPIENT fails to repay RCTC within a reasonable time period not to exceed one hundred eighty (180) days, including any good faith negotiations, from receipt of written notification from RCTC that repayment is required due to failure to comply with the PROGRAM policies or this AGREEMENT.

2.9 Records Retention and Audits. RECIPIENT shall retain all PROJECT records in an organized manner for a minimum of three (3) years following completion of the PROJECT. PROJECT records shall be made available for inspection by RCTC upon request. If a post PROJECT audit or review indicates that RCTC has provided reimbursement to the RECIPIENT in an amount in excess of the maximum PROGRAM provided for in this Section 2, or has provided reimbursement of ineligible PROJECT costs, the RECIPIENT shall reimburse RCTC for the excess or ineligible payments within thirty (30) days of notification by RCTC. This Section 2.9 does not supersede any rights or remedies provided to RCTC under Section 2.8 or applicable law.

3. Recipient's Local Match Contribution. RECIPIENT shall provide at least Five Hundred and Fifty-One Thousand Dollars (\$551,000) of funding toward the SCOPE OF WORK, as indicated in RECIPIENT'S application attached as Attachment 1 and submitted to RCTC in response to its CALL FOR PROJECTS. RECIPIENT costs related to (i) preparation and administration costs related to invoices, billings and payments; (ii) any RECIPIENT fees attributed to the processing of the SCOPE OF WORK; and (iii) expenses for items not included within the attached SCOPE OF WORK shall be borne solely by the RECIPIENT and shall not qualify towards RECIPIENT's local match requirement in this Section 3.
4. Term: The term of this AGREEMENT shall be from the date first herein above written until: (i) the date RCTC formally accepts the PROJECT as complete, pursuant to Section 2.2; (ii) termination of this AGREEMENT pursuant to Section 14; or (iii) RECIPIENT has fully satisfied its obligations under this AGREEMENT. All applicable indemnification and insurance provisions of this AGREEMENT shall remain in effect following the termination of this AGREEMENT.
5. Recipient Responsibilities. RECIPIENT shall be responsible for all aspects of the PROJECT, in compliance with all applicable state and federal laws, including: (i) development and approval of plans, specifications and engineer's estimate in accordance with all applicable laws, regulations and building codes; obtaining any necessary

environmental clearances; right of way acquisition; and, obtaining all permits required by impacted agencies prior to commencement of the PROJECT; (ii) all aspects of procurement, contracting, and administration of the contracts and claims for the PROJECT; (iii) all construction management of any construction activities undertaken in connection with the PROJECT, including surveying and materials testing; and, (iv) development of a budget for the PROJECT and SCOPE OF WORK prior to award of any contract for the PROJECT, taking into consideration available funding, including PROGRAM funds.

6. Indemnification. RECIPIENT shall defend, indemnify and hold RCTC, its officials, governing board members, officers, employees, agents, and consultants free and harmless from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity, to property, persons or government funding agency, including wrongful death, to the extent arising out of or incident to any intentional or negligent acts, errors or omissions of the RECIPIENT, its officials, officers, employees, agents, and consultants related to a breach of this AGREEMENT or any act or omission arising out of the activities governed by this AGREEMENT. RECIPIENT'S obligation to indemnify includes without limitation the payment of all consequential damages and reasonable attorneys' fees, expert witness fees and other related costs and expenses of defense. RECIPIENT shall defend, at its own cost, expense and risk, any and all such aforesaid suits, actions or other legal proceedings of every kind that may be brought or instituted against RCTC, its officials, officers, employees, agents, and consultants in connection with this AGREEMENT. RECIPIENT shall pay and satisfy any judgment, award or decree that may be rendered against RCTC, its officials, officers, employees, agents, and consultants in any such suits, actions or other legal proceedings, including any settlement. RECIPIENT's obligation to indemnify shall not be restricted to insurance proceeds.
7. Expenditure of Funds by Recipient Prior to Execution of Agreement. Nothing in this AGREEMENT shall be construed to prevent or preclude RECIPIENT from expending funds on the PROJECT prior to the execution of this AGREEMENT, or from being reimbursed by RCTC for such expenditures. However, RECIPIENT understands and acknowledges that any expenditure of funds on the PROJECT prior to the execution of the AGREEMENT is made at RECIPIENT's sole risk and that some expenditures by RECIPIENT may not be eligible for reimbursement under this AGREEMENT.
8. Compliance with Applicable Laws and Insurance. RECIPIENT agrees to comply with all applicable laws and regulations, including public contracting laws, requirements for any local state or federal funding used, and records retention and performance reporting requirements concerning the SCOPE OF WORK and PROJECT, which applicable laws and regulations shall be passed on to contractors by RECIPIENT as applicable. RECIPIENT shall have the responsibility of making sure the appropriate amounts of insurance are included in all applicable agreements for the construction of the PROJECT and RCTC shall be named as an Additional Insured on all insurance certificates obtained for the completion of the PROJECT. PROJECT insurance funds shall be looked to first for the repayment of any claims determined to have merit.

9. Representatives of the Parties. RCTC's Executive Director, or his or her designee, shall serve as RCTC's representative and shall have the authority to act on behalf of RCTC for all purposes under this AGREEMENT. RECIPIENT hereby designates _____ [title], or his or her designee, as RECIPIENT'S representative to RCTC. RECIPIENT'S representative shall have the authority to act on behalf of RECIPIENT for all purposes under this AGREEMENT and shall coordinate all activities with RCTC concerning the SCOPE OF WORK under the RECIPIENT's responsibility. RECIPIENT shall work closely and cooperate fully with RCTC's representative and any other agencies which may have jurisdiction over or an interest in the PROJECT.
10. Monitoring of Progress by RCTC. RECIPIENT shall allow RCTC's designated representative, or designee, to inspect or review the progress of the work at any reasonable time with prior written notice by RCTC. RCTC may request that the RECIPIENT provide RCTC with progress reports concerning the status of the SCOPE OF WORK and PROJECT completion.
11. Binding on Successors in Interest. Each and every provision of this AGREEMENT shall be binding and inure to the benefit of the successors in interest of the Parties. Due to the specific obligations contemplated herein, this AGREEMENT may not be assigned by any Party hereto except with the prior written consent of the other Party.
12. Independent Contractors. Any person or entities retained by RECIPIENT or any contractor shall be retained on an independent contractor basis and shall not be employees of RCTC. Any personnel performing services on the PROJECT shall at all times be under the exclusive direction and control of the RECIPIENT or contractor, whichever is applicable. The RECIPIENT or contractor shall pay all wages, salaries and other amounts due such personnel in connection with their performance of services on the SCOPE OF WORK and as required by law. The RECIPIENT or contractor shall be responsible for all reports and obligations concerning such personnel, including, but not limited to: social security taxes, income tax withholding, unemployment insurance and workers' compensation insurance.
13. Conflicts of Interest. For the term of this AGREEMENT, no member, officer or employee of RECIPIENT or RCTC, during the term of his or her service with RECIPIENT or RCTC, as the case may be, shall have any direct interest in this AGREEMENT, or obtain any present or anticipated material benefit arising therefrom.
14. Termination. This AGREEMENT may be terminated for cause or convenience as further specified below.

14.1 Termination for Convenience. Either RCTC or RECIPIENT may, by written notice to the other party, terminate this AGREEMENT, in whole or in part, for convenience by giving thirty (30) days' written notice to the other party of such termination and specifying the effective date thereof.

14.2 Effect of Termination for Convenience. In the event that RECIPIENT terminates this AGREEMENT for convenience, RECIPIENT shall, within 180 days, repay to

RCTC in full all PROGRAM funds provided to RECIPIENT under this AGREEMENT. In the event that RCTC terminates this AGREEMENT for convenience, RCTC shall, within 90 days, distribute to the RECIPIENT PROGRAM funds in an amount equal to the aggregate total of all unpaid invoices which have been received from RECIPIENT regarding the SCOPE OF WORK for the PROJECT at the time of the notice of termination; provided, however, that RCTC shall be entitled to exercise its rights under Section 2.6, including but not limited to conducting a review of the invoices and requesting additional information from RECIPIENT. This AGREEMENT shall terminate upon receipt by the non-terminating party of the amounts due it under this Section 14.

14.3 Termination for Cause. Either RCTC or RECIPIENT may, by written notice to the other party, terminate this AGREEMENT, in whole or in part, in response to a material breach hereof by the other Party, by giving written notice to the other Party of such termination and specifying the effective date thereof. The written notice shall provide a thirty (30) day period to cure any alleged breach. During the 30 day cure period, the Parties shall discuss, in good faith, the manner in which the breach can be cured.

14.4 Effect of Termination for Cause. In the event that RECIPIENT terminates this AGREEMENT in response to RCTC's uncured material breach hereof, RCTC shall, within ninety (90) days, distribute to the RECIPIENT PROGRAM funds in an amount equal to the aggregate total of all unpaid invoices which have been received from RECIPIENT regarding the SCOPE OF WORK for the PROJECT at the time of the notice of termination. In the event that RCTC terminates this AGREEMENT in response to the RECIPIENT's uncured material breach hereof, the RECIPIENT shall, within one hundred eighty (180) days, repay to RCTC in full all PROGRAM funds provided to RECIPIENT under this AGREEMENT. Notwithstanding termination of this AGREEMENT by RCTC pursuant to this Section 14.4, RCTC shall be entitled to exercise its rights under Section 2.6, including but not limited to conducting a review of the invoices and requesting additional information. This AGREEMENT shall terminate upon receipt by the terminating Party of the amounts due it under this Section 14.4.

14.5 No Program Funding. In the event that RCTC determines there are inadequate PROGRAM funds for whatever reason, RCTC shall have the ability to immediately terminate the AGREEMENT with written notice to RECIPIENT. In the event that RCTC terminates this AGREEMENT under this Section 14.5, RCTC shall, within 90 days, distribute to the RECIPIENT PROGRAM funds in an amount equal to the aggregate total of all unpaid invoices which have been received from RECIPIENT regarding the SCOPE OF WORK for the PROJECT at the time of the notice of termination; provided, however, that RCTC shall be entitled to exercise its rights under Section 2.6, including but not limited to conducting a review of the invoices and requesting additional information from RECIPIENT.

14.6 Cumulative Remedies. The rights and remedies of the Parties provided in this Section 14 are in addition to any other rights and remedies provided by law or under this AGREEMENT.

15. Notice. All notices hereunder shall be in writing and shall be effective upon receipt by the other Party. All notices and communications, including invoices, between the Parties to this

AGREEMENT shall be either personally delivered, sent by first-class mail, return receipt requested, sent by overnight express delivery service with postage or other charges fully prepaid as follows:

Riverside, California 92502
Phone: (951) 955-6740

Any party may update its address and contact information by providing written notice of the new information to the other Parties in accordance with this Section 15.

16. Prevailing Wages. RECIPIENT and any other person or entity hired to perform services on the SCOPE OF WORK are alerted to the requirements of California Labor Code Sections 1770 *et seq.*, which require the payment of prevailing wages where the SCOPE OF WORK or any portion thereof is determined to be a "public work," as defined therein. RECIPIENT shall ensure compliance with applicable prevailing wage requirements by any person or entity hired to perform the SCOPE OF WORK or any portion thereof falling within the definition of "public work." RECIPIENT shall defend, indemnify, and hold harmless RCTC, its officers, employees, consultants, and agents from any claim or liability, including without limitation reasonable attorneys' fees, arising from any failure or alleged failure to comply with California Labor Code Sections 1770 *et seq.* on the PROJECT.
17. Equal Opportunity Employment. The Parties represent that they are equal opportunity employers and they shall not discriminate against any employee or applicant for employment because of race, religion, color, national origin, sexual orientation, ancestry, sex or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.
18. Entire Agreement. This AGREEMENT embodies the entire understanding and agreement between the Parties pertaining to the matters described herein and supersedes and cancels all prior oral or written agreements between the Parties with respect to these matters. Each Party acknowledges that no Party, agent or representative of the other Party has made any promise, representation or warranty, express or implied, not expressly contained in this AGREEMENT, that induced the other Party to sign this document. Modifications to this AGREEMENT shall be in the form of a written amendment executed by authorized representatives of the Parties to be bound.
19. Governing Law and Severability. This AGREEMENT shall be governed by, and be construed in accordance with, the laws of the State of California. If any portion of this

AGREEMENT is found to be unenforceable by a court of law with appropriate jurisdiction, the remainder of the AGREEMENT shall be severable and survive as binding on the Parties.

20. Attorneys' Fees. If any legal action is initiated for the enforcement/interpretation of this AGREEMENT, or because of any alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this AGREEMENT, the successful or prevailing party shall be entitled to recover reasonable attorneys' fees, witness fees and other costs incurred in that action or proceeding, in addition to any other relief to which it may be entitled as determined by a court of law or appointed decider under alternative legal proceedings.
21. No Third Party Beneficiaries. There are no intended third party beneficiaries of any right or obligation assumed by the Parties.
22. Section Headings and Interpretation. The section headings contained herein are for convenience only and shall not affect in any way the interpretation of any of the provisions contained herein. The AGREEMENT shall not be interpreted as being drafted by any Party or its counsel.
23. No Waiver. Failure of RCTC to insist on any one occasion upon strict compliance with any of the terms, covenants or conditions in this AGREEMENT shall not be deemed a waiver of such term, covenant or condition, nor shall any waiver or relinquishment of any rights or powers hereunder at any one time or more times be deemed a waiver or relinquishment of such other right or power provided under applicable law.
24. Time of Essence. Time is of the essence for each and every provision of this AGREEMENT.
25. Counterparts. This AGREEMENT may be executed in any number of counterparts, each of which shall be deemed to be an original, but all which together will constitute but one agreement. Facsimile copies of signatures shall be treated as originals.

BIENNIAL CALL FOR PROJECTS APPLICATION

I. APPLICANT INFORMATION

Lead Agency: County of Riverside Transportation Department
Address: 3525 14th Street, Riverside, CA 92501
Contact Person: Dennis Acuna Title: County Traffic Engineer
Telephone #: (951) 955-6820 Fax #: (951) 955-3164
Email Address: dacuna@rivco.org
Project Name: El Nido Avenue Sidewalk Safety Improvement Project – Orange Avenue to Placentia Avenue

II. PROJECT DETAILS

Project type:

Bicycle Project Pedestrian Project

Project located within a disadvantaged community?

Yes No Partial

Project location:

Coachella Valley Western Riverside County

Does this project proposal include any of the following (check all that apply):

Curb Gutter Driveway ramps

If any of the above were checked, is the benefit provided for the exclusive use of bicyclists/pedestrians?

No Yes

III. PROJECT DESCRIPTION

The proposed El Nido Sidewalk Safety Improvement Project is located within the Perris area of unincorporated Riverside County. Sidewalk improvements are proposed along the east side of El Nido Avenue between Orange Avenue and Placentia Avenue, where there is a 3,631 foot gap in existing sidewalk improvements (Exhibit A, Project Location Map). El Nido Avenue is currently a two-lane rural collector roadway with an approximate pavement width of 24 feet with no curb, gutter, or sidewalk improvements. The proposed project is Phase 1 of a two-phase

FY19/20 SB 821 Bicycle and Pedestrian Facilities Program

BIENNIAL CALL FOR PROJECTS APPLICATION

sidewalk safety improvement along El Nido Avenue. Phase 2 extends sidewalk improvements along the east side of El Nido Avenue between Placentia Avenue and Walnut Avenue. It is the County's intention to pursue future funding opportunities (ATP, SB821, etc.) for the Phase 2 improvements.

North of the project limits, existing sidewalk improvements extend north along the east side of El Nido Avenue and west along the north side of Walnut Street where they intersect a vast network of sidewalk improvements within the City of Perris. South of the project limits, existing sidewalk improvements extend west along the south side of Orange Avenue (Orange Vista High School frontage) to the intersection of Indian Avenue (City of Perris), providing pedestrian access to Orange Vista High School, Triple Crown Elementary School, and multiple residential communities.

As established by California Environmental Protection Agency (CalEPA) for the purpose of SB 535, the proposed project location is located within a designated disadvantaged community and is among the 25% highest scoring census tracts for high amounts of pollution. This tract is in the 90th percentile amongst pollution burden, the 98th percentile amongst ozone burden, and the 87th percentile amongst drinking water burdens.

IV. DESTINATIONS SERVED

There are several community destinations providing goods and services to the residents of adjacent residential communities that are within walking distance of the proposed sidewalk improvements. Among these destinations are:

1. Orange Vista High School
2. Sierra Vista Elementary School
3. Lakeside Middle School
4. Avalon Elementary School
5. May Ranch Park
6. Basin Park

The location of each of these destinations are shown on the attached Community Characteristics Map (Exhibit D).

FY19/20 SB 821 Bicycle and Pedestrian Facilities Program

BIENNIAL CALL FOR PROJECTS APPLICATION

Orange Vista High School (1,053 student enrollment) is located south of the project limits along Orange Avenue. Orange Vista High School has a large football stadium and hosts various afterschool programs and sports games. Pedestrian activity is generated by this campus throughout the day and into most evenings. Sierra Vista Elementary School (1,069 student enrollment) and Lakeside Middle School (1,241 student enrollment) are located east of the project limits along Walnut Street. Avalon Elementary (699 student enrollment) is located northeast of the project limits along Rider Street.

Due to the close proximity between the elementary, middle, and high schools, the local roadway network experiences a significant volume of pedestrians before and after school. The project is centrally located to these four campuses, thereby extending access to each from the surrounding residential communities.

May Ranch Park is located within the City of Perris, west of El Nido Avenue. May Ranch Park offers a wide variety of amenities including playgrounds, basketball courts, baseball and softball fields, gazebos, picnic tables, and grass fields for volleyball and soccer and other outdoor sports. This park is a popular attraction for students and residents within the area as it is near Sierra Vista Elementary School and Lakeside Middle School and within walking distance of the project location. Basin Park is located within the City of Perris directly west of the project limits along Old Evans Road, west of Walnut Street.

V. SAFETY

Within the project limits, the east side of El Nido Avenue is not improved and does not have curb, gutter, or sidewalk improvements. Single family residences front both sides of El Nido Avenue between Orange Avenue and Placentia Avenue. Because the homes have dirt shoulders, there is a somewhat flat surface for pedestrians to travel along. However, these limited areas are discontinuous and uneven and do not meet current ADA standards with regard to minimum width and slope allowances. As shown in the photographs (Exhibit C), there are also various obstacles such as gates, bushes, trees, sign posts, power poles, cars, mailboxes, and utilities which impede pedestrian mobility. These existing obstacles require pedestrians to travel in the street while traversing this segment of El Nido Avenue. Currently, pedestrians requiring the use of a wheel chair and/or other similar devices are not able to traverse this segment of El Nido Avenue and must utilize the roadway. Furthermore, parking is allowed along both sides of the roadway within the dirt shoulders, which creates additional roadside obstacles, requiring pedestrians to move further into the roadway while traversing El Nido Avenue.

FY19/20 SB 821 Bicycle and Pedestrian Facilities Program
BIENNIAL CALL FOR PROJECTS APPLICATION

The current traffic volume on El Nido Avenue is approximately 1,000 vehicles per day and the posted speed limit is 45 miles per hour (mph). Collision records indicate that within the previous 5 years, there has been 4 vehicular collisions within the project limits. According to a study by the UNC Highway Safety Research Center conducted for the Federal Highway Administration, the likelihood of a site with a paved sidewalk being a crash site is 88.2 percent lower than a site without a sidewalk after accounting for traffic volume and speed limits.

The proposed project will provide the improvements that are necessary to enhance pedestrian safety and encourage use of non-motorized modes of transportation when visiting all of the local community destinations.

VI. PROJECT ENHANCEMENT

The proposed project will widen the east side of El Nido Avenue by 8 feet and install concrete curb, gutter, and sidewalk improvements at its ultimate location in order to provide a fully ADA accessible, all weather pathway for pedestrians (Exhibit B, Proposed Improvements).

Improvements will also include eight ADA compliant pedestrian ramps, 10 ADA compliant driveway approaches for the various fronting homes, relocation and/or removal of roadside obstacles, and other incidental items needed to maximize pedestrian mobility and safety. In addition, the existing marked school crosswalk located at the intersection of Orange Avenue and El Nido Avenue will be relocated to the east side of the intersection to align with the proposed sidewalk improvements. In order to provide a continuous pedestrian pathway from Orange Vista High School, drainage improvements are required for the northeast corner of Orange Avenue and El Nido Avenue in order to install an ADA compliant pedestrian ramp.

All of the noted improvements for Phase 1 are necessary and are for the exclusive benefit of pedestrians. All proposed improvements will be constructed utilizing current County Standards (See exhibit E, County Standard Plans). The proposed improvements will be within the existing right-of-way. However, temporary construction easements or rights-of-entry agreements may also be needed during construction.

The proposed project will help facilitate and extend an existing complete sidewalk network that provides the adjacent residential community accessibility to various community destinations, each within $\frac{3}{4}$ of a mile of the project as noted in Section IV of the grant application. As shown in Exhibit D, when Phase 1 and Phase 2 improvements are completed, El Nido Avenue will provide a north-south pedestrian link between two dense residential areas.

VII. MULTIMODAL ACCESS

Within the project's service area, there are multiple bus stops along RTA Route 30 and Route 41. Route 30 runs along Orange Avenue, El Nido Avenue, and Walnut Avenue and includes a stop along Orange Avenue (Orange Vista High School). The noted bus stops are shown on Exhibit F. The bus stops have been numbered by location and include the following:

BUS STOP LOCATIONS			
<u>Orange Avenue</u>	<u>Route</u>	<u>Direction</u>	<u>Cross Street</u>
1	30	Eastbound, at	Orange Vista High School
2		Eastbound, east of	Murrieta Road
<u>Evans Road</u>	<u>Route</u>	<u>Direction</u>	<u>Cross Street</u>
3	30	Northbound, north of	Citrus Avenue
4		Southbound, south of	Old Evans Road
5	41	Northbound, north of	Rider Street
6		Southbound, south of	Marigold Drive
<u>Rider Street</u>	<u>Route</u>	<u>Direction</u>	<u>Cross Street</u>
7	30	Westbound, east of	Bradley Road
8		Westbound, west of	Sherman Road
<u>Sherman Road</u>		<u>Direction</u>	<u>Cross Street</u>
9	30	Northbound, north of	Walnut Street

It should be noted that RTA Route 30 and Route 41 provide extensive service within the immediate residential area, including local community destinations such as Orange Vista High School, Sierra Vista Elementary School, Lakeside Middle School, and various parks as shown in Exhibit G. The proposed project will extend the existing sidewalk network and thus, enhancing access to existing bus stops which supports the use of bus service to access more distant community destinations.

VIII. PROJECT BUDGET AND SCHEDULE

The project budget and local match may only encompass the pedestrian or bicycle facility project; no additional maintenance, street projects, etc. expenses should be included.

Total Estimated Project Cost	\$ <u>\$1,282,481</u> (100 %)
Local Match* Committed:	\$ <u>\$500,000</u> (40 %)

Subject: Funding Commitment for the FY19/20 SB821 Bicycle and Pedestrian Facilities Program – El Nido Avenue Sidewalk Safety Improvement Project – Orange Avenue to Placentia Street

Dear SB821 Evaluation Committee:

This letter provides confirmation that the Riverside County Transportation Department has funding available to commit to the local share match presented in this application for the El Nido Avenue Sidewalk Safety Improvement Project – Orange Avenue to Placentia Street. Each year, the Riverside County Transportation Department prepares an annual Transportation Improvement Program that is approved by the Board of Supervisors. This project will be included in our Transportation Improvement Program upon notification of funding availability from the SB821 Bicycle and Pedestrian Facilities Program.

Please do not hesitate to contact me at (951) 955-6747 should you have any questions about this funding commitment from the Riverside County Transportation Department.

Sincerely,

Patricia Romo
Director of Transportation

(PROGRAM POLICIES)

RIVERSIDE COUNTY TRANSPORTATION COMMISSION TRANSPORTATION DEVELOPMENT ACT ARTICLE 3 BICYCLE AND PEDESTRIAN FACILITIES PROGRAM ADOPTED POLICIES

Transportation Development Act Policies

1. Up to 5% of Article 3 apportionment can be used to supplement other funding sources used for bicycle and safety education programs; the allocation cannot be used to fully fund the salary of a person working on these programs.
2. Article 3 money shall be allocated for the construction, including related engineering expenses, of the facilities, or for bicycle safety education programs.
3. Money may be allocated for the maintenance of bicycling trails, which are closed to motorized traffic.
4. Facilities provided for the use of bicycles may include projects that serve the needs of commuting bicyclists, including, but not limited to, new trails serving major transportation corridors, secure bicycle parking at employment centers, park and ride lots, and transit terminals where other funds are available.
5. Within 30 days after receiving a request for a review from any city or county, the transportation-planning agency shall review its allocations.
6. Up to 20 percent of the amount available each year to a city or county may be allocated to restripe Class II bicycle lanes.
7. A portion of each city's allocation may also be used to develop comprehensive bicycle and pedestrian plans. Plans must emphasize bike/pedestrian facilities that support utilitarian bike/pedestrian travel rather than solely recreational activities; a maximum of one entire allocation per five years may be used for plan development.
8. Allowable maintenance activities for the local funds are limited to maintenance and repairs of Class I off-street bicycle facilities only.

RCTC Policies

1. The SB 821 Call for Projects will occur on a biennial basis, with a release date of the first Monday of every other February and a close date of the last Thursday of every other April, beginning in 2015.
2. If a project cannot be fully funded, RCTC may recommend partial funding for award.
3. Agencies awarded funds will not be reimbursed for any project cost overruns.
4. Agencies being awarded an allocation will be reimbursed in arrears only upon submitting adequate proof of satisfactory project completion, including but not limited to the claim form for the fiscal year in which the project was awarded, copies of paid invoices, and photographs of the completed project.

5. The allocated amount represents the maximum amount eligible for reimbursement. For projects completed under the allocated amount, the agency will be reimbursed at the matching ratio in effect at the time of project selection and approval.
6. The Commission expects all projects to be ready for construction; therefore, an agency will have twenty-four (24) months from the time of the allocation to complete the project. There will be no time extensions granted unless the reason for the delay is due to unforeseen circumstances. Where substantial progress or a compelling reason for delay can be shown, the agency may be granted administrative extensions in twelve-month increments at the discretion of the Executive Director.
7. Any programmed and unused Article 3 Program funds will be forfeited unless that agency can a) utilize the unused funds to complete projects that are the same or similar in scope and/or are contiguous to the approved project or b) apply the funds to a project previously submitted under an Article 3 call for projects and approved by the Commission, subject to Executive Director approval.
8. Design and construction of facilities must conform to the general design criteria for non-motorized facilities as outlined in the Caltrans Highway Design Manual.
9. Temporary facilities, projects in the bid process, or projects that are under construction will not be funded.
10. The SB 821 evaluation committee will be comprised of a minimum of five evaluators representing a wide range of interests; such as: accessibility, bicycling, Coachella Valley, public transit, and the region. Staff, consultants, and other representatives from agencies submitting project proposals will not be eligible to participate on the evaluation committee that year.
11. Following each call, staff will monitor the equity of allocations to Coachella Valley versus Western Riverside County; the allocation should be relative to what the Coachella Valley's share would have been if distributed on a per capita basis (the percentage of funds applied for should also be taken into consideration). If the allocation is often found to be inequitable to the Coachella Valley, staff will recommend adoption of a new policy to correct the imbalance.
12. Certain costs at times associated with bicycle/pedestrian projects are not eligible when the benefit provided is not the exclusive use of bicyclists/pedestrians, such as: curb and gutter as part of roadway drainage system, driveway ramps installed across sidewalks, and where roadway design standards require a roadway shoulder width that is at least as wide as a standard bike lane.

ATTACHMENT 3

(SCOPE OF WORK)

SCOPE OF WORK:

The proposed El Nido Sidewalk Safety Improvement Project is located within the Perris area of unincorporated Riverside County. Sidewalk improvements are proposed along the east side of El Nido Avenue between Orange Avenue and Placentia Avenue, where there is a 3,631 foot gap in existing sidewalk improvements. El Nido is currently a two-lane rural collector roadway with an approximate pavement width of 24 feet with no curb, gutter, or sidewalk improvements. The proposed project is Phase 1 of a two-phase sidewalk safety improvement along El Nido Avenue. Phase 2 extends sidewalk improvements along the east side of El Nido Avenue between Placentia Avenue and Walnut Avenue. It is the County's intention to pursue future funding opportunities (ATP, SB 821, etc) for the Phase 2 improvements.
