

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

On motion of Supervisor Hewitt, seconded by Supervisor Spiegel, and duly carried, IT WAS ORDERED that the meeting of Tuesday, October 8, 2019 be adjourned in memory of Dorothy Ray Lamar Corr Skelley, who passed away peacefully on September 27, 2019.

Born Dorothy Ray Lamar on "the 27th of the August" as she liked to tell people when she was young. She was born and raised in Riverside, California, and she spent summers on the Balboa Peninsula. Dorothy graduated from Riverside Polytechnic in 1944. She attended Mills College for one year as a music major. In 1948 she graduated from Stanford University with a degree in Physical Therapy. During college, she met Donald John Corr, they married in December of 1948.

In 1953 they moved to Rochester, Minnesota, where Don was a Resident, then a Fellow, at the Mayo Clinic. Dorothy took organ lessons at Calvary Episcopal Church and was a substitute organist at First Congregational Church. In 1956 she and her family moved back to Riverside. Over the years, she was involved in many organizations: the Junior League, the Plymouth Towers Board of Directors (of which she was president for some years), the University Club, the Victoria Club, and the Executive Board of Directors of the Riverside Symphony Association.

Dorothy started the first Stanford Alumni Club in the Inland Empire. She grew citrus with the family business "Lamar Lamar & Corr." Shortly after Don Corr died in 1967, she earned her AS from RCC and passed the RN boards. She worked at Riverside Community Hospital and was quickly promoted to Charge Nurse. In the late 70's she earned a double Nurse Practitioner Degree, both Pediatric and Adult. In the early 80's Dorothy became the Director of Health Services at Riverside Community College. She served in that capacity for thirteen years, having a great impact in the lives of countless students, faculty and staff.

Dorothy played many sports, including golf, and earned a trophy for a golf tournament one year at the Victoria Club. The second love of her life E. R. "Bob" Skelley (married from 1982 through 2002) was an avid golfer. Her love of music was a lifelong passion. Dorothy was an accomplished pianist and organist. To celebrate her 80th birthday she learned how to play her great uncle's 1888 banjo.

She loved spending time with her family. She enjoyed decades of happiness sailing and swimming at her family beach houses in Balboa and later, Laguna Beach. She shared her passion of the ocean with her children, then her grandchildren and 'bonus' grandchildren.

Dorothy's memory and passionate spirit will live forever in the hearts of those who knew and loved her. She will be greatly missed but never forgotten.

The Board of Supervisors commemorates her service to the County of Riverside.

IT WAS FURTHER ORDERED that the Board of Supervisors expresses its heartfelt condolences to the family of Dorothy Corr Skelley.

I hereby certify that the foregoing is a full true, and correct copy of an order made and entered on
