SOURCE OF FUNDS: 30% Federal, 70% State			Budget Adjustment: No	
			For Fiscal Year: 19/20 – 21/22	

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The CBHDA team strives to shape proposed policy and fiscal changes at the State level, while providing each member with valuable, up-to-date information regarding policy changes that affect local services. Through the Governing Board and over a dozen committees and task forces, CBHDA has provided directors and their county staff many opportunities throughout the past year to stay informed, influence State policy, and obtain the support and advice of colleagues.

RUHS-BH is requesting approval to increase the FY19/20 due amount previously approved by \$19,429 from \$71,260 to \$90,689 and authorize payment for subsequent invoices through June 30, 2022.

Impact on Citizens and Businesses Impact on Citizens and Businesses

During FY 18/19, CBHDA activities and accomplishments continue to illustrate the benefits of membership:

- Helped secure ongoing State funding (SGF) to help pay for the expansion of residential and intensive outpatient substance use disorder treatment under the Drug Medi-Cal Organized Delivery System (DMC-ODS) Waiver;
- Sponsored AB 2861 (Salas) to allow Medi-Cal reimbursement for Substance Use Disorders (SUD) individual counseling services provided via telehealth by LPHAs and Certified SUD Counselors. The bill passed the Legislature with bi-partisan support and was signed into law by the Governor;
- Helped to shape other successful legislation to (1) ban the marketing of cannabis products to minors via the internet (AB 3067); (2) require licensed residential SUD treatment programs to adopt the ASAM criteria as the minimum standard of care (SB 823); (3) require residential SUD treatment programs to accept patients who take medications to manage addiction, and to have a continuing care plan for patients who are discharged due to relapse while in treatment (SB 992); and (4) to prohibit the practice of patient brokering (SB 1228);
- Helped to shape legislation which established statewide priorities for MHSA Prevention and Early Intervention funding (SB 1004);

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

- Co-sponsored legislation to establish a continuum of substance use disorder treatment services in California for Medi-Cal eligible youth pursuant to the Early and Periodic Screening, Diagnostic and Treatment (EPSDT) mandate;
- Co-sponsored a State Budget proposal to expand the alcohol Screening, Brief Intervention and Referral to Treatment (SBIRT) benefit under Medi-Cal to include screening for drug use;
- Sponsored and successfully had signed SB 688 (Moorlach) to require the Department of Health Care Services to revise the MHSA Annual Revenue and Expenditure Reports to be in accordance with Generally Acceptable Accounting Principles (GAAP);
- Published the Second Annual Legislative Score Card, which highlights the behavioral health legislative priorities for CBHDA and provides a grade for the Governor and each of the 120 members of the California State Legislature based on their voting records; and
- Advocated on behalf of county behavioral health directors alongside CSAC on the impacts of 1991 Mental Health growth redirection for IHSS; securing in the Governor's FY 19/20 State Budget, a restoration of the IHSS Maintenance of Effort and discontinuation of the redirection of growth funds, providing counties with approximately \$80 million in 1991 Realignment growth statewide.

Additional Fiscal Information

The membership dues combine the County's CBHDA, Mental Health Services Act (MHSA) Supplemental Assessment, and Alcohol & Other Drug (AOD) dues assessments. This year's dues invoice reflects an increase to the Association's operations over last fiscal year.

Contract History and Price Reasonableness

Ordinance 459 allows for the payment of memberships, sponsorships and registrations without bidding as these costs are pre-established fees or dues associated with the prescribed service. On December 13, 2016 (Item 3-35), the Board approved CBHDA dues in the amount of \$71,260 annually through June 30, 2020. The annual dues amounts have been consistent for the last five years; however, CBHDA advised that the invoices for FY19/20 through FY 21/22 reflect incremental increases. Therefore, RUHS-BH is requesting approval to increase the FY19/20 amount previously approved to \$90,689 and authorize payment for subsequent invoices through June 30, 2022.
