BACKGROUND:

Summary

County of Santa Clara maintains several contracts with various counties' treatment facilities for placement. County of Santa Clara uses these facilities based upon the needs of the youth and the facility best able to treat those needs. Placement is then ordered by the juvenile court.

County of Riverside Probation Department (Probation) is requesting approval of the attached Agreement to provide the County of Santa Clara with another facility option. Probation will willingly receive juvenile court youths from County of Santa Clara when excess accommodations exist at the Alan M. Crogan Treatment and Education Center (AMC-YTEC) and all placement needs of Probation are fully met.

Impact on Residents and Businesses

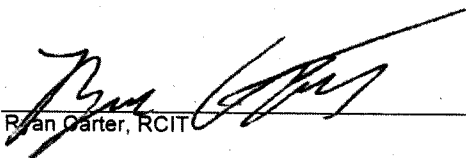

Probation's mission is "Serving Courts, Protecting our Community, and Changing Lives". Probation is proposing to offer available housing to a partner county when excess accommodations may exist at the request of the juvenile court for youths committed.

Additional Fiscal Information

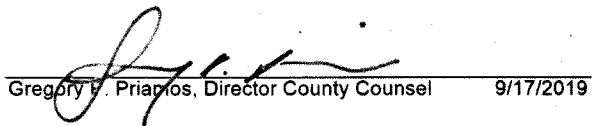

The rate of \$49.03 per youth per day is based on the WIC903 methodology. Funds received from the County of Santa Clara will be used to offset the actual cost of care to operate the facility.
