C.E.O. RECOMMENDATION:

BACKGROUND:

Summary

The Riverside County Fire Department is eliminating two (2) 1995 Type I Fire Engines from their fleet. The Department is requesting to donate the vehicles to Moreno Valley College Public Safety Education and Training Department. The Fire Department received a donation request from Moreno Valley College. Moreno Valley College is partnered with Riverside County Fire to operate their academy at Ben Clark Public Safety Training Center. Individuals are educated and trained with the most up to date training platforms and equipment. In order to maintain a high level of training Moreno Valley College is constantly looking to upgrade and replace the equipment students are using. The donation of the two (2) Type I Fire Engines will help ensure they maintain that standard.

The vehicles are identified as:

1995 Type I Fire Engine E289 94-829 License No. 018533 VIN: 4ENRAAA87R1004109

1995 Type I Fire Engine E294 94-824 License No. 018528 VIN: 4ENRAAA8XR1004112

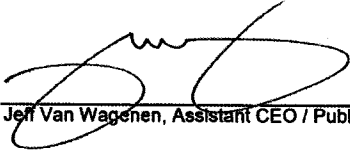

Impact on Residents and Businesses

The Moreno Valley College will maintain the high level of training with this donation. This training will provide trained individuals for the communities in which they ultimately work. The partnership between the Ben Clark Public Training Center and the Moreno Valley College provides the opportunity for the trained individuals to remain within the County of Riverside and benefit the citizens and business of the County of Riverside.

Additional Fiscal Information

The two (2) 1995 Type I Fire Engines have served the useful life and are fully depreciated. They are not being utilized by the Department and have been designated for County auction. Upon approval of the donation, Moreno Valley College will assume all maintenance, liability, transfer registration and insurance requirements.

Attention: Deputy Chief Casey Hartman, Support Operations

Dear Chief Hartman:

The purpose of this letter is let you know of our Basic Firefighter Academy's need for additional two type I fire engines.

As you know, Moreno Valley College is fortunate to partner with Riverside County Fire to operate our academy at the Ben Clark Public Safety Training Center. This affords us the ability to educate and train men and women to enter into the fire service using the most up to date training platforms and equipment.

In order to maintain our training at a high level, we are in constantly looking to upgrade and replace the equipment that our students use. The donation of the two type I fire engines will help in ensuring we maintain that standard.

Please contact me at 951-571-6320 or arthur.turnier@mvc.edu if you need any additional information. Again, thank you for your partnership and CAL FIRE /Riverside County Fire Department continued support of our College and more importantly our students.

Best Regards,

Arthur F. Turnier
