

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

On motion of Supervisor Jeffries, seconded by Supervisor Hewitt, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, February 4, 2020 be adjourned in memory of Ann Patrice Gibbons "Trice," who passed away January 21, 2020.

Trice's family moved to Corona in 1972, when she was ten years old. Five years later, they moved to Perris, where Trice grew into a country girl through and through. She developed a love for horses, dogs, country music and dancing. In 1980, Trice returned to Corona and embraced it as her forever home. She met her husband, J.R., at the Corona Bowl, a popular spot for fun loving young people in the City.

Trice was active in the Centennial High School Booster Club while her son, Randy played ball, fund-raising, crating programs and fliers and showing up to cheer the Huskies on, at every game. She later became a paralegal. She guided those who needed legal assistance and refused any sort of payment, satisfied that she had been able to help someone she loved.

Trice was active with the Foundation for Community and Family Health, contributing her creative talents and her computer expertise at countless golf tournaments and elegant galas. She became invaluable to the community bank she worked for as well as the financial advisor she worked with until she couldn't work any longer. The Elks Lodge was the last organization she gave here heart and talent to, and she lived for the times she felt well enough to join in any festivities or events. Her zest for life was contagious. She loved big; her family, camping, dogs and her friends.

Trice's memory and passionate spirit will live forever in the hearts of those who knew and loved her.

The Board of Supervisors commemorates her service to the County of Riverside.

IT WAS FURTHER ORDERED that the Board of Supervisors expresses its heartfelt condolences to the family of Ann Patrice "Trice" Gibbons.

I hereby certify that the foregoing is a full true, and correct copy of an order made and entered on February 4, 2020 of Supervisors Minutes.
