BACKGROUND:

Summary

In accordance with the County's Citizen Participation Plan and 24 CFR Section 91.105(e), a public hearing needs to be conducted to obtain citizen's views on community development needs and proposed uses of Community Planning and Development (CPD) funding in the One-Year Action Plan. This is the initial public hearing for the 2020-2021 HUD CPD funding cycle. No formal action by the Board of Supervisors is necessary.

Pursuant to the County's Citizen Participation Plan and 24 CFR Section 91.105, the Economic Development Agency published the required public notices notifying the public of the comment period for both the proposed 2020-2021, One-Year Action Plan of the 2019-2024 Five-Year Consolidated Plan and the public hearing.

At a later date, staff will submit the final 2020-2021, One-Year Action Plan of the 2019-2024 Five-Year Consolidated Plan to the Board of Supervisors for review and adoption. The One-Year Action Plan will identify the specific activities selected for Community Development Block Grant (CDBG), Home Investment Partnership Program (HOME), and Emergency Solutions Grant (ESG) funding. The Federal FY 2020 appropriations have been approved by Congress; therefore, staff anticipate presenting the final 2020-2021 One-Year Action Plan to the Board of Supervisors no later than May 5, 2020.

Upon completion of the citizen participation process, the review and consideration of comments, and the review and adoption by the Board of Supervisors, the final 2020-2021 One-Year Action Plan of the 2019-2024 Five Year Consolidated Plan will be forwarded to the U.S. Department of Housing and Urban Development (HUD) for review and approval.

The proposed activities under the 2020-2021 HUD-funded Community Planning and Development (CPD) programs are attached.

Impact on Residents and Businesses

It is anticipated that the County's 2020-2021 CPD allocation will total \$9,600,000 for the CDBG, HOME, and ESG programs.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Additional Fiscal Information

There will be no impact on the County's General Fund, and no budget adjustment is required.

It is anticipated that the Board of Supervisors will approve and adopt the final 2020-2021 One Year Action Plan at its regular meeting of May 5, 2020. The 2020-2021 One Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development (HUD) for review and approval on or about May 15, 2020. Please note that both the meeting date and time are subject to change.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The 2020-2021 One Year Action Plan is a component of the 2019-2024 Five Year Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the specific activities to be undertaken to meet the priority needs identified in the Consolidated Plan. Upon completion of the Citizen Participation process, the review and considerations of comments, and the approval by the Board of Supervisors, the County will prepare and submit the final 2020-2021 One Year Action Plan of the 2019-2024 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2020-21 HUD appropriations are: \$7,800,000 for the Community Development Block Grant (CDBG) program, including the Metro City Program; \$2,300,000 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and \$613,000 for the Emergency Solutions Grant (ESG) program. The County expects to utilize at least eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received eighty-three (83) proposals for the 2020-21 CDBG funding totaling \$9,796,324. The proposed activities included public services, public facility improvements, rehabilitation, economic development, code enforcement, and others. There were seven (7) requests for Emergency Solutions Grant (ESG) funding totaling \$1,664,913. Proposals for the HOME program include: HOME New Construction (\$1,117,320); HOME Direct Ownership (\$870,634); HOME/CHDO Set-Aside (\$348, 255); and HOME Administration (zero). The combined cost for the activities at

Advertising Order Confirmation

the programs (HOME, CDBG, ESG) general management and administrative activities is estimated to be \$1,844,744.

DISPLACEMENT. All planned CPD-funded activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2020-2021 CPD Funding cycle in August 2019, with the publication of the Notification of Funding Availability (NOFA) for the CDBG and ESG programs. The County initiated the Citizen Participation Process in August 2019, with the notification to residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2020-2021 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2020-2021 One Year Action Plan of the 2019-2024 Consolidated Plan includes the unincorporated areas of the County, the city of Lake Elsinore (Meira City), and the following Cooperating Cities: Banning, Beaumont, Blythe, Coachella, Canyon Lake, Desert Hot Springs, Eastvale, Indian Wells, La Quinta, Murrieta, Norco, San Jacinto, and Wildomar.

IMPLEMENTATION. The goals for the 2020-2021 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate-income families.

If you have any questions or require additional information about the County's CPD programs, the Citizen Participation process, public hearings, or other information, please contact EDA at (951) 351-0700, (800) 655-4228, or lcespritt@rivco.org.

DAP - SITE & PHASING PLAN

*P 49
2/11/2020*

Dear Board of Supervisors,

The Teen Leaders program focuses on creating youth that understand their value, in return creating leaders in our community that understand the importance of giving back, standing up for what is right, finishing school and creating a path for success. In our application, you can find all of the courses we teach that fall under the leadership category, however it is the caring adults and mentorship that create the drive and hunger to "do good." We have included a letter written by member Abraham Sanchez, who feels that because of these programs, mentorship and guidance, he has opportunity that he never envisioned. He has mended home relationships, discovered a passion for leading and teaching and often gives back to fellow teen and elementary members through volunteerism. Please enjoy the letter provided by Abraham, as he truly captures the change and hope we know every youth deserves.

Sincerely,

Megan Grisham

Director of Operations

Boys & Girls Clubs of the San Geronio Pass

Dear Board of Supervisors,

A year ago, my life was much different. I was facing the fact that one of the people I was closest to, my father, was passing. Instead of receiving the comfort I needed, family issues caused myself, my mom, my brother and my sister to have to leave the place we called home.

I felt lost, embarrassed and alone. I locked myself in my room, angry, sad and depressed. When I was home, there was tension. My mom was heartbroken and although we tried to do everything we could to support one another, our emotions got the best of us. It was one of the most difficult times of my life.

I had heard many of my friends talk about a place they called the teen center and wondered about it, but didn't give it a lot of thought until my friend Z'nya invited me. When I first walked in I was scared and shy to meet new people. Soon however, all I could see and hear was positivity. There were people laughing and playing games. I realized how much I needed to feel that and how long it had been since I had.

People were trying to talk to me, both staff and members, so I had no choice but to come out of my shell. I quickly realized I had a passion for leadership. There are many leadership opportunities and I found a home and close group of friends through Keystone. This group plans projects to benefit others, creates youth voice in the Club and gives volunteer opportunities. Within a couple months, I had dedicated myself so much, Shane, my staff, told me I should run for president. I did and I won.

Before I found the Club, I was not confident. In fact, sometimes I could be disrespectful. I felt like I was just another kid. Not at Boys & Girls Club. I am valued by my staff and regularly get to make decisions that affect the Club. My peers look up to me and value my opinion. The Club, especially the staff have brought back my joy. I have caring people to talk to, a new family and home away from home.

I could have gone down a different path. I could have become an angry person. I could have let depression allow me to use drugs or become a person I was not meant to be. Instead, I became a leader and a role model to many people. This grant would give us the opportunity to help more kids become leaders like me.

Thank you,

Abraham Sanchez,

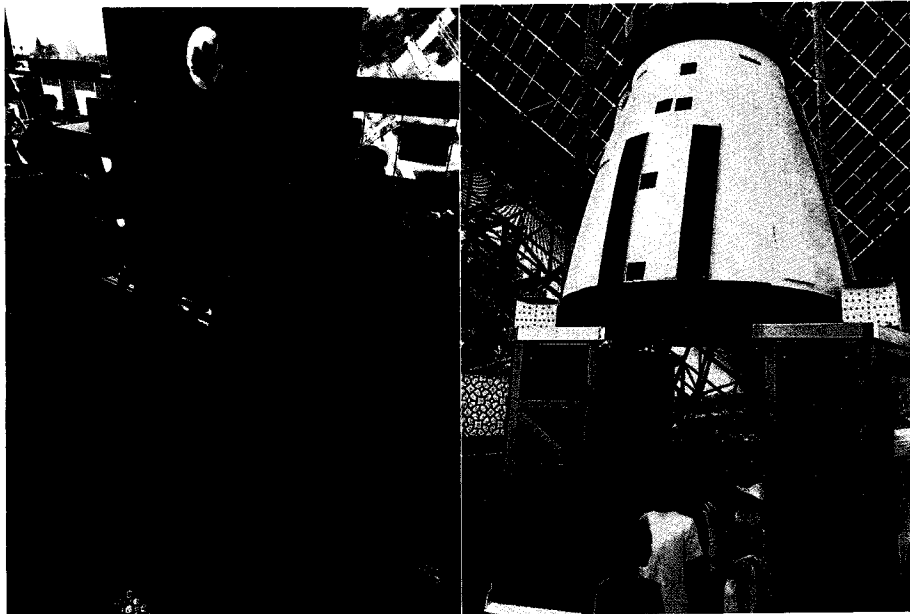

Dear Board of Supervisors,

First, let me thank you for your continued support for the Camp Kids program. We simply cannot believe another year has gone by and we are once again being considered for a grant that is immeasurable for the youth in our community.

This past quarter, the BGCSGP served 45 youth directly with CDBG funds and had the most applicants we have ever received. The youth served this year were our most challenging yet. Many youth lacked empathy, social skills and for the first time ever, the technology induced lack of interest in activities was felt. The Club, however loves a challenge, because for us, challenge means impact. We serve youth who are socio-economically disadvantaged, with a good majority coming from foster homes. Through our program, we can help youth become their best through exposure to leadership opportunities, caring adults and experiences they may not otherwise have.

By the end of summer camp, we are proud to say, we had youth who were much better at showcasing empathy, who became better at working in teams, and who left our program with a better understanding of art, culture, healthy relationships and memories to last a life time. Instead of just telling you what the grant awarded last year, we put a few pictures to show you the impact.

In the first several photos, you will see a few of the great field trips we have taken. Members traveled to the Discovery Cube in Orange County, where they learned about space and engineering, went to the Drop Zone in Perris as a reward for all of their dedication to our fitness program and had two in house field trips where they got up close and personal with reptiles, amphibians and sea creatures. Needless to say, it was a blast.

The next section showcases our partnership with local group, BEST for Safety. They taught our members self-defense, but most importantly, how to say NO, that awareness is the most important piece to staying safe and avoiding uncomfortable or dangerous situations. At first you can see how timid our members were, but as their instructors taught them more and more, their assertiveness came through, and our members became fierce, as you can see from the kids smashing boards in the pictures. We ended the program with a celebration showcasing all of their newly learned skills.

Team building activities are crucial components of camp curriculum, encouraging members to keep calm and how to work together to solve problems. Communication is so important, and we want our youth to really learn what cooperation and respect means. After each lesson, members share back highlights and struggles to ensure comprehension and to help build bonds and trust.

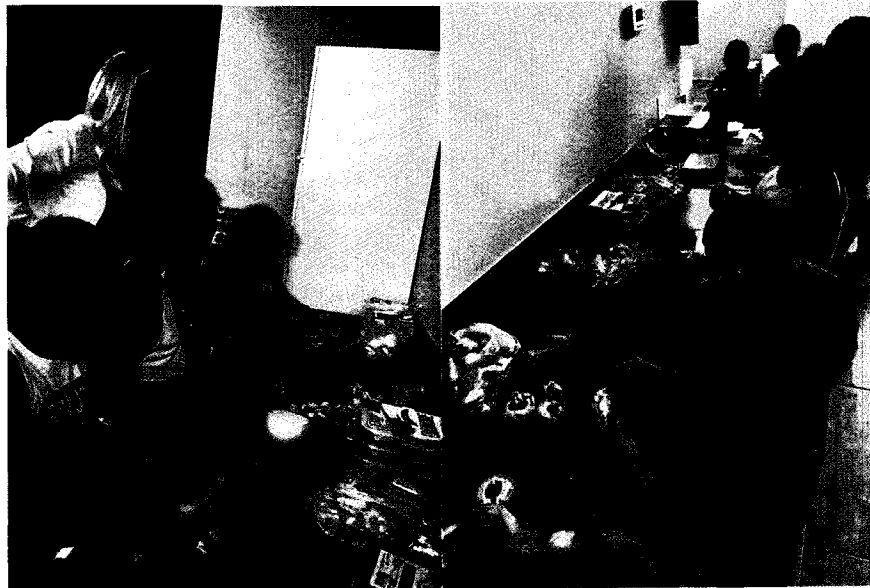

Above: members showcasing their team building skills

Cooking class was a huge hit during camp. Members received weekly cooking instruction at the camp site and traveled to the full kitchen at our Teen Center several times for lessons that were more advanced. Each session

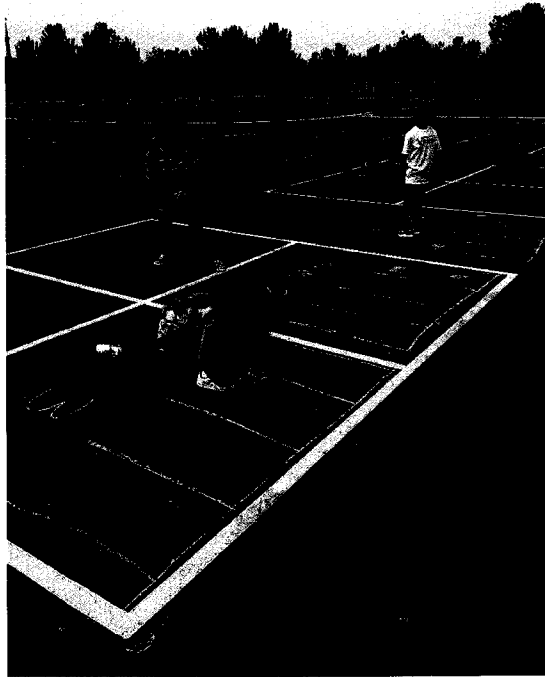

taught members how to cook with healthful ingredients, how to select what is in season, flavor profiles, culture and tradition in cooking, plating and much, much more. Members made dishes such as veggie packed Thai fresh rolls, mushroom potstickers and no bake fruit desserts.

Beyond the artistry that comes along with cooking, youth learned safety techniques, culinary terms and how to prep, measure and read ingredients. We feel it is safe to say that our members are definitely experts at dicing to perfection.

Above: Members chopping fresh veggies for a Thai inspired meal.

Each day, members would exercise under the guise of games and challenges, ensuring our commitment to healthy lifestyles was met with no lack of excitement. The Triple Play program ensures all youth find a healthy physical outlet that suites them, with games and activities ranging from dance, yoga, to team sports.

Above: An exciting Triple Play game that also involved math equations.

STEM is a huge focus during camp, as it keeps learning and curiosity in motion with activities that allow youth to explore, create and solve. Over the next pages, you will see some of their creations, including solar ovens and volcanos.

Although we love to do crafts at the Boys & Girls Club and you definitely cannot have camp without them, we have a commitment to youth exposure to fine art. Members studied artists, different mediums and had courses in water color, acrylic painting, photography and music making. Over the next few pictures, you will see some snapshots of our artistic youth in action.

Boys & Girls Club believes in the power of playing traditional board games. So often, our youth are consumed with their devices that they've lost touch with face to face conversation. Board games are a great equalizer and

teach youth to communicate effectively in a fun setting. Members learned how to play strategic games, such as chess, checkers and pool.

The BGCSGP loves any excuse to celebrate, so of course we had to honor our country with fun trivia competitions, a cook out and a patriotic themed photobooth.

Once again, thank you for helping us reach our mission by ensuring all youth have a safe and positive place to go during out of school time. We look forward to continue serving youth of the Pass during school breaks and will always strive to offer the best possible experience to each child, allowing them to grow, explore and create lasting memories.

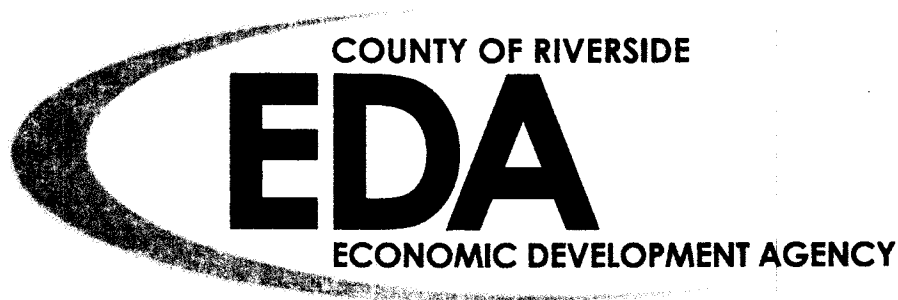

Sincerely,

Megan Grisham

The 2020-2021 One-Year Action Plan will then be forwarded to the U.S. Department of Housing and Urban Development (HUD) for review and approval on or about May 15, 2020. Please note that both the meeting date and time are subject to change.

EXECUTIVE SUMMARY. The primary objective of the County's CPD programs is the development of viable urban communities by providing decent housing, a suitable living environment, and expansion of economic opportunities, principally for persons of low and moderate incomes. The 2020-2021 One Year Action Plan is a component of the 2019-2024 Five Year Consolidated Plan that must be updated annually. It provides detailed information on the resources the County expects to receive and the specific activities to be undertaken to meet the priority needs identified in the Consolidated Plan. Upon completion of the Citizen Participation process, the review and considerations of comments, and the approval by the Board of Supervisors, the County will prepare and submit the final 2020-2021 One Year Action Plan of the 2019-2024 Five Year Consolidated Plan to the U.S. Department of Housing and Urban Development.

ANTICIPATED FUNDS. Anticipated allocations to be received through the FY 2020-21 HUD appropriations are: \$7,800,000 for the Community Development Block Grant (CDBG) program, including the Metro City Program; \$2,300,000 for the Home Investment Partnership (HOME) program, including the Community Housing Development Organizations (CHDO) program; and \$613,000 for the Emergency Solutions Grant (ESG) program. The County expects to utilize at least eighty-five percent (85%) of the CPD funds for activities that will benefit low and moderate-income persons.

SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received eighty-three (83) proposals for the 2020-21 CDBG funding totaling \$9,796,324. The proposed activities included public service, public facility improvements, rehabilitation, economic development, code enforcement, and others. There were seven (7) requests for Emergency Solutions Grant (ESG) funding totaling \$1,664,913. Proposals for the HOME program include: HOME New Construction (\$1,117,320); HOME Direct Ownership (\$870,634); HOME/CHDO Set-Aside (\$348, 255); and HOME administration (\$232,169). The combined cost for the oversight of the programs (HOME, CDBG, ESG) general management and administrative activities is estimated to be \$1,844,744.

DISPLACEMENT. All planned CPD-funded activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate- income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2020-2021 CPD Funding cycle in August 2019, with the publication of the *Notification of Funding Availability* (NOFA) for the CDBG and ESG programs. The County initiated the *Citizen Participation Process* in August 2019, with the notification to residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2020-2021 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2020-2021 One Year Action Plan of the 2019-2024 Consolidated Plan includes the unincorporated areas of the County, the city of Lake Elsinore (Metro City), and the following Cooperating Cities: Banning, Beaumont, Blythe, Coachella, Canyon Lake, Desert Hot Springs, Eastvale, Indian Wells, La Quinta, Murrieta, Norco, San Jacinto, and Wildomar.

IMPLEMENTATION. The goals for the 2020-2021 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.
