Summary

On October 8, 2019, the District Attorney's Office was authorized by the Board of Supervisors to apply for grant funding under the California Office of Emergency Services (Cal OES) XC Grant Program (10/8/19; Item #3.9, MT#10881). As a result of this application, the District Attorney's Office has been awarded grant funding for FY19/20 and FY20/21.

The project awarded funds under the County Victim Services (XC) Grant Program ensures coordinated, case managed services by community partners and Victim Services co-located in the Family Justice Centers hosted by the Riverside County District Attorney's Office. The Division of Victim Services will provide key services to child victims of crime and their families to include crisis intervention, notification of friends and family, criminal justice system orientation, court escort, case status and disposition, emergency assistance and more. Co-locating community nonprofit partners at the Family Justice Centers ensure trauma informed services are directly provided to child victims, primary and secondary, and to their families to help child victims heal from the victimization. Specialized services targeting child emotional and physical safety from a multidisciplinary team of professionals and services will help provide long term outcomes for children.

The total awarded grant program costs are \$887,226; \$709,781 in State of California funding and a 20% county matching cost of \$177,445. A budget adjustment of \$225,000 is necessary to increase anticipated revenues for FY19/20 as a result of this new award.

County Counsel has reviewed and approved the grant award as to form.

Impact on Residents and Businesses

The Grant Program will assist the County by supporting the District Attorney's on-going efforts to provide and coordinate direct services for child victims of crime and their families.
