BACKGROUND:

Summary

The Cooperative Agreement (Agreement) sets forth the terms and conditions by which certain flood control facilities, required as a condition of approval for Plot Plan No. 180023 are to be constructed by Developer and inspected, operated and maintained by the District, County and Developer.

The Agreement is necessary to provide for District construction inspection and subsequent ownership and maintenance of Perris Valley MDP Lateral H-11.1, Stage 2 facility. Upon completion of construction, the Developer will assume ownership, operation and maintenance of the flood control facilities until such time the District assumes ownership, operation and maintenance in accordance the terms and conditions as set forth in the Agreement. The County will assume ownership and responsibility for the operation and maintenance of the project's associated catch basins, inlets, curbs and gutters, concrete collar and connector pipes and laterals that are 36 inches or less in diameter located within County rights of way. The Developer will retain ownership, operation and maintenance of the detention basin located within its rights of way.

County Counsel has approved the Agreement as to legal form and the Developer has executed the Agreement. A companion item appears on the Riverside County Transportation Department's agenda this same date.

Environmental Findings

Pursuant to Section 15096 of the State CEQA Statutes and Guidelines, the District, in its limited capacity as a responsible agency, considered the Mitigated Negative Declaration (MND) that was prepared by the Lead Agency for the Developer's residential project and independently finds that the MND adequately covers the District's actions. No significant impacts will result from execution of the Cooperative Agreement or from the operation and maintenance of the

flood control facilities that are the subject of the Agreement. As such, nothing further is required under CEQA.

Impact on Residents and Businesses

As noted above, construction of these drainage improvements is a requirement for the development of Plot Plan No. 180023. The principal beneficiaries are the future tenants. Ancillary benefits will accrue to the public who will utilize the roadways.

Additional Fiscal Information

The Developer is funding all construction and construction inspection costs. Future operation and maintenance costs of the District maintained storm drain facilities will accrue to the District.

This Cooperative Agreement ("Agreement"), dated as of March 10, 2020, is entered into by and between the Riverside County Flood Control and Water Conservation District, a body politic ("DISTRICT"), the County of Riverside, a political subdivision of the State of California ("COUNTY"), and Rider Commerce, L.L.C., a Delaware limited liability company ("DEVELOPER"), (together, the "Parties"). The Parties hereto agree as follows:

RECITALS

A. DEVELOPER is the legal owner of record of certain real property located within the County of Riverside. DEVELOPER has submitted for approval Plot Plan No. 180023 located in an unincorporated area of western Riverside County. As a condition of approval for Plot Plan No. 180023, DEVELOPER must construct certain flood control facilities in order to provide flood protection and drainage for DEVELOPER's planned development; and

B. The legal description of Plot Plan No. 180023 is provided in Exhibit "A" attached hereto and made a part hereof; and

C. The required flood control facilities and drainage improvements, are identified in DISTRICT's Perris Valley Master Drainage Plan ("MDP"), as shown on DISTRICT's Drawing No. 4-1147, and as shown in concept in blue on Exhibit "B", attached hereto and made a part hereof and includes the construction of:

(i) Approximately 1,362 lineal feet of underground storm drain system including its transition structure ("STAGE 2"). At its downstream terminus, STAGE 2 will connect to the proposed Perris Valley MDP Lateral H-11.1, Stage 1 facility;

(ii) All safety devices requested by DISTRICT staff during the course of PROJECT construction, including but not limited to concrete pads, slope protection barriers, signage and fencing, ("SAFETY DEVICES").

SAFETY DEVICES shall be purchased and installed by DEVELOPER, and subject to the DISTRICT's inspection and approval. STAGE 2 and SAFETY DEVICES are hereinafter called "DISTRICT DRAINAGE FACILITIES"; and

D. Associated with the construction of DISTRICT DRAINAGE FACILITIES is the construction of certain catch basins, curbs and gutters, concrete collar, connector pipes, inlets, and various lateral storm drains that are thirty-six inches (36") or less in diameter that are located within COUNTY held easements or rights of way ("APPURTENANCES"); and

E. Also associated with the construction of DISTRICT DRAINAGE FACILITIES is the construction of a detention basin located within DEVELOPER held rights of way or easements ("DEVELOPER BASIN"), to be initially owned and maintained by DEVELOPER and subsequently owned and maintained by the Property Owners' for Plot Plan 180023; and

H. The ADP Fee obligation for Plot Plan 180023 ("OBLIGATION"), is calculated based on the current fee at the time of issuance of building permits; and

I. If DISTRICT estimates that upon constructing STAGE 2, DEVELOPER would earn ADP Fee credit ("CREDIT"), the estimated difference between OBLIGATION and CREDIT will result in an excess ADP Fee credit ("EXCESS CREDIT"); and

J. Pursuant to the "Rules and Regulations for Administration of Area Drainage Plans", dated June 10, 1980, as amended, ("RULES"), and the provisions of this Agreement, CREDIT earned by DEVELOPER for the construction of ADP FACILITY may be used to satisfy OBLIGATION; and

In which case, COUNTY shall subsequently reimburse DISTRICT for DISTRICT costs incurred.

5. If DEVELOPER fails to commence construction of PROJECT within nine (9) months after execution of this Cooperative Agreement, then DISTRICT reserves the right to withhold issuance of the Notice to Proceed pending a review of the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT of the start of construction as set forth in Section I.8. In the event of a change in the existing site conditions that materially affects PROJECT function or DISTRICT's ability to operate and maintain DISTRICT DRAINAGE FACILITIES, DISTRICT may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT.

6. DISTRICT shall endeavor to issue DEVELOPER a Notice to Proceed within twenty (20) days of receipt of DEVELOPER's complete written notice, as set forth in

Section I.8.; however, DISTRICT's construction inspection staff is limited and, therefore, the issuance of a Notice to Proceed is subject to staff availability.

In the event DEVELOPER wishes to expedite issuance of a Notice to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, approval. DISTRICT shall review the individual's qualifications and experience and, upon approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT's behalf on all PROJECT construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.3. exceeds ten thousand dollars (\$10,000), DISTRICT shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) days of DISTRICT's approval of DEPUTY INSPECTOR; however, a minimum balance of ten thousand dollars (\$10,000) shall be retained on account.

7. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT designated legal holidays, unless otherwise approved in writing by DISTRICT. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written request for permission from DISTRICT and COUNTY to work the additional hours. The request shall be submitted to DISTRICT and COUNTY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT at its sole discretion and shall be final. If permission is granted by DISTRICT, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection

time required in connection with the overtime work in accordance with Ordinance Nos. 671 and 749, including any amendments thereto, of the County of Riverside.

8. DEVELOPER shall indemnify and hold harmless DISTRICT and COUNTY (including their agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any liability, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to DEVELOPER's (including its officers, employees, subcontractors and agents) actual or alleged acts or omissions related to this Agreement, performance under this Agreement, or failure to comply with the requirements of this Agreement, including but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT; or (d) any other element of any kind or nature whatsoever.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including but not limited to attorney fees, cost of investigation, defense and settlements or awards), DISTRICT and COUNTY (including their agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) in any claim, proceeding or action for which indemnification is required.

With respect to any of DEVELOPER's indemnification requirements, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, compromise any such claim, proceeding or action without the prior consent of DISTRICT and COUNTY; provided, however, that any such adjustment, settlement

or compromise in no manner whatsoever limits or circumscribes DEVELOPER's indemnification obligations to DISTRICT or COUNTY.

DEVELOPER's indemnification obligations shall be satisfied when DEVELOPER has provided to DISTRICT and COUNTY the appropriate form of dismissal (or similar document) relieving DISTRICT or COUNTY from any liability for the claim, proceeding or action involved.

The specified insurance limits required in this Cooperative Agreement shall in no way limit or circumscribe DEVELOPER's obligations to indemnify and hold harmless DISTRICT and COUNTY from third party claims.

In the event there is conflict between this section and California Civil Code Section 2782, this section shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve DEVELOPER from indemnifying DISTRICT or COUNTY to the fullest extent allowed by law.

9. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT and COUNTY, their respective officers, agents, and employees from any and all claims, demands, actions, or suits of any kind arising out of any liability, known or unknown, present or future, including, but not limited to any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DEVELOPER of DISTRICT or COUNTY, their officers, agents and employees from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of DISTRICT DRAINAGE FACILITIES and APPURTENANCES, after the acceptance of

DISTRICT DRAINAGE FACILITIES and APPURTENANCES by DISTRICT and COUNTY, respectively.

10. Any waiver by DISTRICT or by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of DISTRICT or COUNTY to require exact, full and complete compliance with any terms of this Agreement shall not be construed as, in any manner, changing the terms hereof, or estopping DISTRICT or COUNTY from enforcement hereof.

11. This Agreement is to be construed in accordance with the laws of the State of California. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall remain in full force and effect without being impaired or invalidated in any way.
