**BACKGROUND:**

**Summary**

By Minute Order dated December 17, 2019 (Agenda Item 3.46), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Slurry Seal Project for Fiscal Year 2019/2020 at various locations in the communities of Lake Hills, Highgrove Woodcrest, Temescal Valley, Horsethief Canyon, Lakeland Village, Thousand Palms and the unincorporated areas of Menifee and Rancho Mirage. The specific roads are listed in Attachment "1".

This project proposes to apply slurry seal, cape seal, and micro-surfacing treatments based on the condition of the existing pavement.

The slurry seal and cape seal treatments are provided as preventative maintenance measures to extend the life of the pavement and postpone more costly pavement rehabilitation. Both surface seal treatments seal small cracks, restore lost flexibility to the pavement surface and help preserve underlying pavement structure.

The micro-surfacing treatment is similar to slurry seal except it uses polymer modified and fast setting asphalt emulsion allowing thicker layers to be placed. The thick layer application is used to fill in ruts commonly found on roads with light to moderate truck traffic.

During the advertisement, period one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addendum on their contractor's Bid in order to be considered for award. The addendum is attached and designated as Addendum No. 1.

The contract will include the following schedules of work:

Base Bid: Slurry Seal Project in the County of Riverside, Districts 1, 2, 3 and 4.

Alternative Bid Schedule 1: Slurry Seal Project in the City of Riverside (*Not Selected for Award*).

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

Alternative Bid Schedule 2: Slurry Seal Project in the City of Menifee (*Not Selected for Award*).

The Cities of Riverside and Menifee have been invited to participate in the project; however, they did not concur with the bid price proposed by the low bidder, Roy Allan Slurry Seal, Inc., for Alternative Bid Schedules 1 and 2 respectively.

The contractor, Roy Allan Slurry Seal, Inc. is qualified to perform the work as outlined in the bid. They have executed the Contract and have provided bonds and insurance documents that meet the requirements of the Contract.

Project Nos.:

D0-0006 (District 1),  
D0-0007 (District 2),  
D0-0008 (District 3), and  
D0-0009 (District 4)

**Impact on Residents and Businesses**

The Slurry Seal treatment will extend the life of the pavement thereby reducing the need for more extensive types of resurfacing that can be up to ten times more costly.

The work is expected to begin in Spring of 2020 and will take approximately three and half months to complete.

**Additional Fiscal Information**

The Contract is recommended to be awarded to Roy Allan Slurry Seal, Inc. for the total amount of \$3,031,610. The slurry seal Contract is funded with Measure A/Western, Measure A/Coachella Valley, and Gas Tax/SB-1 funds.

The proposed budget as shown on Attachment "A" includes Contract award amount and other associated costs. There are no General Funds used in this project.

**Contract History and Price Reasonableness**

Five bids were received on Wednesday January 8, 2020, ranging from \$3,131,701 to \$4,207,120. One of the five received bids was lower than the Engineer's Estimate. The basis for the selection of a contractor is the lowest responsive and responsible bid.

All received bids were responsive to the bidding requirements set forth for the project. The lowest responsible bid was submitted by Roy Allan Slurry Seal, Inc. in the amount of \$3,131,701 which is \$138,287 (4.2%) below the Engineer's Estimate. The contract amount (\$3,031,611) varies from bid amount (\$3,131,701) because Alternate bid Schedules 1 and 2 are not selected for award.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

The Transportation Department recommends the award of the contract to the lowest responsive and responsible contractor, Roy Allan Slurry Seal, Inc.

### SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Covered Operations
As required by contract documents	As required by contract documents

**A. Section II – Who Is An Insured** is amended to include as an additional insured the person or organization shown in the Schedule above, whom you are required to add as an additional insured on this policy under a written contract or written agreement. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations or "your work" as included in the "products-completed operations hazard", which is the subject of the written contract or written agreement at the Location designated and described in the Schedule above.

However, the insurance afforded to such additional insured:

1. Only applies to the extent permitted by law; and
2. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.

**B. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:**

This insurance does not apply to:

"Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering or failure to render any professional architectural, engineering or surveying services including:

- a. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved, the rendering of or the failure to render any professional architectural, engineering or surveying services.

**C. The following is added to Paragraph 2. Duties In The Event Of Occurrence, Offense, Claim Or Suit of Section IV – Commercial General Liability Conditions:**

The additional insured must see to it that:

1. We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
2. We receive written notice of a claim or "suit" as soon as practicable; and
3. A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured, if the written contract or written agreement requires that this coverage be primary and non-contributory.

**D. For the purpose of the coverage provided by this endorsement:**

1. The following is added to the Other Insurance Condition of Section IV – **Commercial General Liability Conditions:**

**Primary and Noncontributory insurance**

This Insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

- a. The additional insured is a Named Insured under such other insurance; and
- b. You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.

2. The following paragraph is added to Paragraph 4.b. of the Other Insurance Condition of Section IV – **Commercial General Liability Conditions:**

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

**E. With respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section III – Limits Of Insurance:**

The most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement referenced in Paragraph A. of this endorsement; or
2. Available under the applicable Limits of Insurance shown in the Declarations, whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

  3. Servicing;
  4. "Loss"; or
  5. Destruction.
2. The following is added to the Paragraph A. **Coverage Provision of the Physical Damage Coverage Section**:

**Temporary Substitute Autos – Physical Damage**

We will pay the owner for "loss" to the temporary substitute "auto" unless the "loss" results from fraudulent acts or omissions on your part. If we make any payment to the owner, we will obtain the owner's rights against any other party.

The deductible for the temporary substitute "auto" will be the same as the deductible for the covered "auto" it replaces.

**O. Amended Duties In The Event Of Accident, Claim, Suit Or Loss**

Paragraph a. of the **Duties In The Event Of Accident, Claim, Suit Or Loss Condition** is replaced by the following:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident", claim, "suit" or "loss". However, these duties only apply when the "accident", claim, "suit" or "loss" is known to you (if you are an individual), a partner (if you are a partnership), a member (if you are a limited liability company) or an executive officer or insurance manager (if you are a corporation). The failure of any

agent, servant or employee of the "insured" to notify us of any "accident", claim, "suit" or "loss" shall not invalidate the insurance afforded by this policy.

Include, as soon as practicable:

- (1) How, when and where the "accident" or "loss" occurred and if a claim is made or "suit" is brought, written notice of the claim or "suit" including, but not limited to, the date and details of such claim or "suit";
- (2) The "insured's" name and address; and
- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

If you report an "accident", claim, "suit" or "loss" to another insurer when you should have reported to us, your failure to report to us will not be seen as a violation of these amended duties provided you give us notice as soon as practicable after the fact of the delay becomes known to you.

**P. Waiver of Transfer Of Rights Of Recovery Against Others To Us**

The following is added to the **Transfer Of Rights Of Recovery Against Others To Us** Condition:

This Condition does not apply to the extent required of you by a written contract, executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. This waiver only applies to the person or organization designated in the contract.

**Q. Employee Hired Autos – Physical Damage**

Paragraph b. of the **Other Insurance** Condition in the Business Auto Coverage Form and Paragraph f. of the **Other Insurance – Primary and Excess Insurance Provisions** Condition in the Motor Carrier Coverage Form are replaced by the following:

For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

- (1) Any covered "auto" you lease, hire, rent or borrow; and
- (2) Any covered "auto" hired or rented under a written contract or written agreement entered into by an "employee" or elected or appointed official with your permission while being operated within the course and scope of that "employee's" employment by you or that elected or appointed official's duties as respect their obligations to you.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

**R. Unintentional Failure to Disclose Hazards**

The following is added to the **Concealment, Misrepresentation Or Fraud** Condition:

However, we will not deny coverage under this Coverage Form if you unintentionally:

- (1) Fail to disclose any hazards existing at the inception date of this Coverage Form; or
- (2) Make an error, omission, improper description of "autos" or other misstatement of information.

You must notify us as soon as possible after the discovery of any hazards or any other information that was not provided to us prior to the acceptance of this policy.

**S. Hired Auto – World Wide Coverage**

Paragraph 7a.(5) of the **Policy Period, Coverage Territory** Condition is replaced by the following:

- (5) Anywhere in the world if a covered "auto" is leased, hired, rented or borrowed for a period of 60 days or less,

**T. Bodily Injury Redefined**

The definition of "bodily injury" in the **Definitions** Section is replaced by the following:

"Bodily injury" means bodily injury, sickness or disease, sustained by a person including death or mental anguish, resulting from any of these at any time. Mental anguish means any type of mental or emotional illness or disease.

**U. Expected Or Intended Injury**

The **Expected Or Intended Injury** Exclusion in Paragraph **B. Exclusions** under **Section II – Covered Auto Liability Coverage** is replaced by the following:

**Expected Or Intended Injury**

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured". This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

**V. Physical Damage – Additional Temporary Transportation Expense Coverage**

Paragraph **A.4.a.** of **Section III – Physical Damage Coverage** is replaced by the following:

**4. Coverage Extensions**

**a. Transportation Expenses**

We will pay up to \$50 per day to a maximum of \$1,000 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

**W. Replacement of a Private Passenger Auto with a Hybrid or Alternative Fuel Source Auto**

The following is added to Paragraph **A. Coverage** of the **Physical Damage Coverage** Section:

In the event of a total "loss" to a covered "auto" of the private passenger type that is replaced with a hybrid "auto" or "auto" powered by an alternative fuel source of the private passenger type, we will pay an additional 10% of the cost of the replacement "auto", excluding tax, title, license, other fees and any aftermarket vehicle upgrades, up to a maximum of \$2500. The covered "auto" must be replaced by a hybrid "auto" or an "auto" powered by an alternative fuel source within 60 calendar days of the payment of the "loss" and evidenced by a bill of sale or new vehicle lease agreement.

To qualify as a hybrid "auto", the "auto" must be powered by a conventional gasoline engine and another source of propulsion power. The other source of propulsion power must be electric, hydrogen, propane, solar or natural gas, either compressed or liquefied. To qualify as an "auto" powered by an alternative fuel source, the "auto" must be powered by a source of propulsion power other than a conventional gasoline engine. An "auto" solely propelled by biofuel, gasoline or diesel fuel or any blend thereof is not an "auto" powered by an alternative fuel source.

**X. Return of Stolen Automobile**

The following is added to the **Coverage Extension** Provision of the **Physical Damage Coverage** Section:

If a covered "auto" is stolen and recovered, we will pay the cost of transport to return the "auto" to you. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage.

All other terms, conditions, provisions and exclusions of this policy remain the same.
