**BACKGROUND:**

**Summary**

California law requires that the Sheriff Department periodically publish a listing of unclaimed money (amount over \$15), which have resided in the department's custody for more than three years before they become the property of the County. As set forth in sections 50050 et. seq. of the California Government Code, the Department completed the required newspaper publication in the Press Enterprise, Desert Sun and Palo Verde Valley Times, and that the appropriate opportunity was given for parties of interest to file claims prior to the filing deadline.

In the process, the Sheriff Department has incurred costs of \$20,700.70 for the newspaper publications.

**Impact on Residents and Businesses**

Funds subject to newspaper publication have been held available for reimbursement for over three years, and with all efforts made to contract and reimburse these funds with no response, the impact is minimal.

**ATTACHMENTS**

- List of Unclaimed Money
- Publication Invoices
