**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

BACKGROUND:

In recognition of the need to transition to economic recovery, we continue to position the county to reopen businesses. Keep in mind, rescinding these orders does not negate the Governor's orders, as those are still in place. Any changes to the Governor's order will be provided from the state. The virus is still present within our county, California Department of Public Health and the Centers for Disease Control and Prevention (CDC), and county public health officials still recommend the use of face coverings, social distancing and frequent hand washing to reduce the likelihood of contracting the disease.

Through prior action, this Board created the Economic Recovery Task Force with leaders in the business community to work towards economic recovery. With 30 million national unemployment claims filed as of this writing, it is imperative that our residents get back to work. While we continue to work with our state partners to meet the Governor's six-point framework for reopening (including expanded testing, meeting the needs of our congregate care providers, and increasing our hospitals' capacity), we are rescinding the local public health orders.

With the assistance of our residents, Riverside County successfully prevented a surge of coronavirus patients within our countywide hospital system. With 50,000 tests conducted and counting, Riverside County leads the state in testing by having tested 1.9 percent of our population for the virus. The local Public Health Officer orders significantly slowed the spread of the disease within our county. This is evidenced by current hospital capacity and the lengthening of our doubling rate of the disease to more than 14 days. Other successful metrics include our current hospital bed census ranges between 60 and 65 percent of capacity and available ventilator capacity is approximately 70 percent. We thank our county team for their diligence, dedication, and response to this unprecedented pandemic.

We want people to be healthy, safe and have an income to support their families. Today's action creates the pathway for our residents and businesses to meet these needs.

Proposal for Board consideration

Re: Agenda Item 2.1

From: Kevin Jeffries

Principles for the Safe and Accelerated Reopening of Riverside County

The following hereby proclaims and reaffirms the position of the Riverside County Board of Supervisors during the COVID-19 Response.

The health and well-being of all residents, employees and guests in Riverside County is paramount towards establishing and maintaining strong and vibrant communities, healthcare services, and a resilient local economy.

During this declared emergency, the Board of Supervisors hereby deems it critical that publicly accessible facilities (including but not limited to, healthcare facilities, places of employment, public transportation, places of commerce, indoor recreation and indoor worship) utilize Best Practices that provide citizens, guests and employees within Riverside County with all reasonable measures and state or federally required standards to protect such individuals from exposure to COVID-19.

Best Practices should include, but are not limited, to the utilization of social distancing, utilization of glass-like dividers or barriers to protect workers and customers, routine disinfection practices, and in accordance with state and/or federal directives the wearing of gloves and/or appropriate facial protections (shields, or safety glasses, masks or cloth coverings).

The above statement shall serve as the guiding principles of the Board of Supervisors, which seeks to affirm our obligation to protect the health and well-being of our residents, our economy, and our oath to abide by the Constitution of the United States, and Constitution of the State of California.

Provide direction and/or guidance to County staff to:

1. Amend and/or incorporate these guiding principles and Best Practice recommendations into the appropriate COVID-19 guidelines and policies of the county.
2. Work with neighboring counties to develop common recommendations to the State to safely accelerate reopening the economy.
3. Promptly develop and return to the Board with a framework of guidelines in order to obtain State authorization to safely and rapidly proceed with the reopening of the Riverside County's economy.
4. Remove vocational education and higher education from the County's public school closure order.
5. Remove Short Term rentals from the County's lodging restrictions (or limit customer use to household members).
6. Return to the Board with a formalized internal county staff structure to evaluate or recommend new or amended COVID-19 health policies.
7. Include county employee representatives in discussions and planning for the reopening of county facilities.

RE: COVID-19, County Health Officer's Order Financial Impacts on the City of Menifee

Dear Supervisor Hewitt,

I am sure you are as equally frustrated as I am with the impacts of COVID-19 as it relates to the "Stay at Home" Orders from the Governor and the County Health Officer's Order decision to extend the Health Order to June 19, 2020. While I respect the desire to continue to protect the public during this pandemic, it must be understood that our collective economic sectors are being severely impacted. Consequently, I respectfully request that the Riverside County Board of Supervisors take swift and decisive action to prepare a plan to assist with opening as many segments of the economy as possible. This request is not intended to ignore Dr. Kaisers Public Health orders. It is intended to illustrate that we are ready to assist in the event you desire to form a taskforce of city representatives to assist the County with creating practical rules that would allow for businesses to open while ensuring the health and safety of the public we all serve. Please feel free to contact me if you wish to discuss some ideas.

Sincerely,

Honorable Jeff Hewitt, Supervisor
County of Riverside

Dear Supervisor Hewitt:

While we in Moreno Valley support the governor's stay-at-home order and credit it with drastically slowing the spread of coronavirus, I write today to urge you and the County Board of Supervisors to begin a path for economic recovery by determining whether some of the business sectors currently listed as non-essential might be redesignated as essential as well as lifting some of the County Health orders.

In Moreno Valley, approximately 2,500 of our 4,500 businesses have had to close due to the efforts to slow the spread of the virus, leaving business owners uncertain whether they can ever reopen and again provide the jobs and commerce that led to our City's economic resurgence since the end of the Great Recession. Individuals and families, doing their part by isolating, are struggling to survive right now due to the loss of income and other negative effects that come with unemployment.

It seems that now, as we are beginning to see progress in the fight against the coronavirus pandemic, it is time to begin lifting County restrictions to safely reopen. Our City and residents take this seriously and we will adhere to social distancing.

As the Mayor of the second largest City in the County, I thank you for your consideration of this request. Our City staff and I stand ready to assist you in this effort in any useful manner.

Respectfully,

Dr. Yxstian Gutierrez

Dear Supervisor Hewitt,

We, the Beaumont City Council, are writing you today on behalf of the entrepreneurs, small business owners, restauranteurs, realtors, teachers, workforce, and residents of Beaumont to express our deep concern of the City's economic predicament as a result of the COVID-19 pandemic. With unemployment numbers rising every day and local businesses in serious financial strain, we implore the County Board of Supervisors to begin the process to economic recovery. We encourage the Board to move with the greatest urgency and develop a plan which is consistent with our area's diverse makeup.

Furthermore, we understand these decisions may not be without potential health risks. In order to continue to protect the health and safety of workers and the general public, we encourage that the County's economic recovery plan include the retention of safety protocols including social distancing and the use of PPE. We also request that the plan be especially sensitive to the health and welfare of the senior community as well as to students and staff of our area's schools.

Therefore, as you begin to develop the County's plan to economic recovery, we believe the communities in the Pass Area will have concerns unique to our area. We respectfully request the Board of Supervisors support the formation of a joint task force comprised of members appointed by the mayors of each City. The work of this committee would provide recommended strategies for safely reopening our communities. These recommendations are to be tailored to our unique needs and are to be incorporated into the County's plan. Eventually, we foresee this task force also incorporating various stakeholders including representatives of law enforcement, fire safety, local hospitals and health care, school districts, labor force, childcare, large and small businesses, chambers of commerce, county health, and residents.

SUBJ: Reopen Riverside County

Honorable Chair Perez and Board of Supervisors:

On behalf of the City Council of the City of Banning, I urge the Riverside County Board of Supervisors to take swift and unanimous action to revoke all four public health orders of Riverside County. I agree that removing these orders will help the transition to economic and social recovery. It is time for elected officials to extend our trust to those who have trusted us to represent them. We trust those who are sick or vulnerable to stay home and, those who choose to return to work and certain activities to do so in a manner that is appropriately safe.

COVID-19 pandemic is not to be taken lightly and our role as elected officials should be to work with health professionals to educate the community about the risks, the precautionary measures to reduce risk, and the changes that need to be made to reduce spreading the virus in the future. We also have an obligation to make sure families have jobs to support themselves, which requires businesses to be open. If we do not re-open the economy soon, our cities all across the State of California will be forced to make drastic cuts to services, lay off employees, and close public facilities. We can do better and should not be making fear-based or emotionally driven policy decisions.

The Public Health Office April 14, 2020 modeling predicted that with three protective measures (stay at home, cover face, and testing), Riverside County would have 13,108 confirmed cases, 2,228 hospitalizations, and 249 deaths yet, the actual data is far less than the "best case" model forecast. In fact, confirmed cases and hospitalizations are approximately 25% of the forecast and deaths are approximately 50% of the forecast. Modeling for California compared to actual data is just as inaccurate. Yet, we have delivered a devastating blow to families, businesses and our cities and counties, some of which may never recover.

I urge the Riverside County Board of Supervisors to not only revoke the County public health orders, but to also send a strong message to Governor Newsom that his plan to re-open California is not acceptable. It is time to proactively and deliberately start our

California economy back up before we have lost so much that there is nothing left in our small cities and towns across California. The City of Banning will experience devastating impacts if the stay at home order and non-essential business closure remains in effect until the end of May.

Honorable Jeff Hewitt, Fifth District
Riverside County Board of Supervisors
4080 Lemon Street, 5th Floor
Riverside Ca. 92501

Dear Supervisor Hewitt:

The City of Calimesa thanks you for your leadership and efforts to protect and support residents and businesses throughout Riverside County during this unprecedented public health crisis. The County's Public Health Officer has been extremely diligent in issuing orders that have been effective in "flattening the curve". We understand and appreciate those actions. However, the Calimesa City Council is very concerned about the continued level of restrictions and their effect on the local, regional and Statewide economies. Therefore, we strongly encourage the County Board of Supervisors to immediately take steps to reopen all businesses in Riverside County.

We understand that certain "social distancing", facial covering and sanitizing protocols may still be appropriate through the reopening process in order to not lessen the progress made thus far in the fight against the coronavirus. We, as the leaders of our City, will continue to support these requirements.

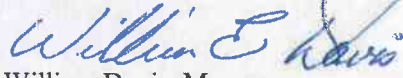

Calimesa is a small city that is characterized by many "mom and pop" businesses. Although some of these businesses are essential and, thus, have remained "open" in some modified manner, a majority, if not all, are being severely financially impacted by the continued COVID-19 restrictions. If restrictions are not lifted immediately, there will undoubtedly be businesses that will never be able to afford to reopen.

In addition, the City of Calimesa is projecting significant shortfalls in revenue including, but not limited to, sales tax, transient occupancy tax and gas tax. These current shortfalls, and any continued loss of revenue, will impact our core City services such as Fire and Emergency Management, Police, Public Works, as well as Planning and Community Development. Calimesa is a small City with a small staff. Any loss of revenue directly affects the City's ability to continue provide the service levels that our residents expect and deserve.

The City of Calimesa appreciates your consideration of our request and looks forward to joining County leadership in reopening our local economy. Thank you again for your leadership and partnership during these uncertain times.

Dear Mr. Ronaldo Fierro,

Hello, my name is Ramona Gamache. I am a self employed booth renter in a salon as well as a paramedical cosmetic tattooist, in which I own a business here in Riverside. I might add that I have exhausted any and all forms of revenue. I have yet to receive any stimulus or unemployment money to date. This means I will be unable to make my house payment or any other bills due.

I am sure you are well informed to know the reason or sole purpose we have a State license in California is for "Safety of the Public." California has always known to be one of the strictest states in America. I might add too, we also have a strict Health Department laws in regards to Body art regulations which cosmetic tattooing follows under.

My qualifications besides holding a license in cosmetology and barbering are, I am also a certified cosmetology instructor, and in cosmetic tattooing.

With that being said, I have made a list of just a few thing we can implement to assure the safety of the public during this pandemic situation with covid 19. They are as follows:

- 1) Require each staff member's temperature to be taken before each working day.
- 2) Take each clients temperature upon enter in the salon.
- 3) Request each client to wash or sanitize their hands once entering.
- 4) All staff and clients are required to wear a mask.
- 5) All staff required to wear gloves while servicing clients.
- 6) *All chairs be disinfected by an approved EPA disinfectant & stand for 10min in between each client*

Dear Mr. Rusty Bailey,

Hello, my name is Ramona Gamache. I am a self employed booth renter in a salon as well as a paramedical cosmetic tattooist, in which I own a business here in Riverside. You saw me occasionally at the city council meetings some years ago.

I know you have heard countless devastating stories from several in our beauty businesses. Especially the ones who are single like myself, and still have overhead that is not forgiving besides our house payments and household expenses. I have yet to receive any stimulus or unemployment benefits as of yet. So I am tapped out of money to say the least.

(b) A violation indicated in subdivision (a) as not waivable means that the Board, in its discretion, has determined that the violation cannot be corrected pursuant to Business and Professions Code Section 7407, and therefore that the fine for the first violation may not be avoided as provided for in Section 7409 of the Business and Professions Code.

NOTE: Authority cited: Sections 7312, 7406 and 7407, Business and Professions Code. Reference: Sections 7406, 7407 and 7409, Business and Professions Code.

974.1. Disciplinary Review Committee

(a) The disciplinary review committee of the Board shall be composed of three (3) members of the board.

(b) The board president, in his or her discretion, may appoint multiple disciplinary review committees.

(c) The board president shall annually appoint members of the disciplinary review committee; the appointment will be made concurrently with the annual election of the Board President.

(d) The board president shall select the dates and locations of the informal citation review hearings held before the disciplinary review committee.

Note: Authority cited: Sections 7312 and 7410, Business and Professions Code. Reference: Section 7410, Business and Professions Code.

974.2. Appeal to Disciplinary Review Committee

(a) In addition to requesting a hearing provided for in Section 7411 of the Business and Professions Code, the cited person may within thirty (30) days of the date the notice of violation or citation was issued, notify the Board in writing of his or her request for an informal citation review hearing before the disciplinary review committee.

(b) Upon receipt of a timely written request, the board staff shall schedule the cited person for the next hearing to be held in the general vicinity of the cited person's address of record and which is at least forty five (45) days after the board's receipt of the request for the hearing. The board staff shall, at least thirty (30) days before the date of the hearing, mail written notice to the cited person of the date, time, and location of the hearing.

(c) The cited person shall appear and may bring legal counsel or an authorized representative to the hearing and may present written information and/or oral testimony to the disciplinary review committee.

(d) The cited person may contest or appeal any of the following aspects of the citation or notice of violation:

(1) The occurrence of a violation of the Barbering and Cosmetology Act or the regulations adopted by the board;

(2) The period of time for correction, if any; and/or

(3) The amount of the fine.

(e) At the conclusion of the informal citation review hearing, the disciplinary review committee may elect to continue the hearing or to hold the record open for the cited person to present additional information to the committee. If the disciplinary review committee elects to continue the hearing, it will be continued until the next scheduled hearing to be held in the general vicinity of the cited person's address of record. Board staff shall give notice to the cited person of the date, time, and location of the continued hearing in accordance with subsection (b).

If the disciplinary review committee elects to hold the record open for submission of additional written information, the cited person must provide the additional written information to the same disciplinary review committee prior to its next scheduled meeting, and the committee shall close the record and consider the matter at its next scheduled meeting.

(f) The disciplinary review committee may affirm, modify or dismiss the citation, including any fine. In no event shall the violations recorded on the citation or notice of violation or the administrative fines be increased. The disciplinary review committee may consider the history of previous violations of the same or similar nature in determining its decision in the matter. A written decision based on findings of fact shall be mailed to the cited person and his or her legal counsel, if any, within thirty (30) days from the date of the informal citation review hearing. The effective date of the decision shall be thirty (30) days after it is mailed to the cited person, and the effective date shall be written in the decision. This decision shall be deemed to be a final order with regard to the citation issued, including the fine levied.

(g) If the cited person fails to appear at the informal citation review hearing and fails to show good cause, as defined in Section 975 for the failure to appear, the administrative fine shall become final and there shall be no administrative appeal except as otherwise provided by law.

(h) If the disciplinary review committee affirms or modifies the citation or notice of violation, including any fine, the cited person may, prior to the effective date of the decision of the disciplinary review committee, request in writing a hearing before an administrative law judge pursuant to section 7411 of the Business and Professions Code. If the disciplinary review committee dismisses the citation or notice of violation in its entirety, any request for a hearing before an administrative law judge shall be deemed to be withdrawn.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Sections 7410, 7412 and 7413, Business and Professions Code.

975. Good Cause for Failure to Appear for Hearing

The board defines "good cause" for the purpose of Business and Professions Code Section 7413 as follows: Personal illness, auto accident, death or severe illness in the immediate family or other severe physical or emotional hardship. Any condition to be considered good cause by the board must be verified in writing (i.e., letter from a physician, official accident report, obituary notice).

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7413, Business and Professions Code.

976. Citations; Unlicensed Activity

A citation containing an order of abatement or an order to pay an administrative fine may be assessed against any person, firm, or corporation who is engaged in barbering, cosmetology or any of its branches, or electrolysis for compensation without a valid, unexpired license issued by the board.

All citations issued pursuant to this section shall meet the requirements of section 125.9 of the Code.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Sections 125.9, 148 and 7317, Business and Professions Code.

Article 12 Health and Safety

977. Health and Safety Definitions

The following words and terms, when used in this article, shall have the following meanings:

Autoclave—A device used to sterilize tools, equipment and supplies by subjecting them to high-pressure saturated steam.

Over-the-Counter—Cosmetology, barbering or electrology products that are made available for purchase by the general public without a physician's prescription.

978. Minimum Equipment and Supplies

(a) Establishments and schools shall have and maintain the following minimum equipment and supplies:

- (1) If hair services are performed, at least one covered waste container per establishment for the disposal of hair. Hair must be disposed of in a covered waste container.
- (2) Closed containers to hold all soiled towels, gowns, smocks, linens and sheets in any enclosed area frequented by the public.
- (3) Closed, clean cabinets, drawers, or containers to hold all clean non-electrical tools, towels, gowns, smocks, linens and sheets.
- (4) Containers for disinfectant solution for tools and equipment to be disinfected. Containers must be labeled "Disinfectant Solution."
- (5) Each container specified in (4) shall contain sufficient disinfectant solution to allow for the total immersion of tools.
- (6) If electrolysis is performed, an autoclave or dry heat sterilizer that meets the requirements of Section 982.

(b) Establishments and schools shall have disinfectant solution, mixed according to manufacturer's directions, available for use at all times.

(c) A manufacturer-labeled container for the disinfectant used must be available at all times in the establishment or school. In the event that the last remaining disinfectant has been used, the empty manufacturer-labeled container must be present.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code.

979. Disinfecting Non-Electrical Tools

(a) Before use upon a client, all non-electrical tools that can be disinfected, excluding shears, shall be disinfected in the following sequential manner:

- (1) Remove all visible debris.
- (2) Clean with soap or detergent and water.
- (3) Completely dry tools with a new, clean paper towel.
- (4) Then totally immerse in an EPA-registered disinfectant with demonstrated bactericidal, fungicidal, and virucidal activity, used according to manufacturer's instructions.
- (5) Licensees or students shall wear protective gloves or use tongs when removing tools from the disinfectant.

(b) The disinfectant solutions specified in subdivision (a) shall:

- (1) Remain covered at all times.
- (2) Be changed according to the manufacturer's instructions or when it is cloudy or contains debris.

(c) All tools used on a client or soiled in any manner shall be placed in a container labeled "Dirty," "Soiled," or "Contaminated."

(d) All disinfected tools shall be stored in a clean, covered place that is labeled "Clean" or "Disinfected."

(e) Disinfected tools shall not be placed in a container, pouch or holder that cannot be disinfected.

(f) Shears shall be disinfected according to the following sequential procedures:

- (1) Remove all visible debris.
- (2) Clean with soap or detergent and water.
- (3) Spray or wipe the shear with an EPA-registered disinfectant with demonstrated bactericidal, fungicidal, and virucidal activity, used according to manufacturer's instructions.

(g) Disinfected shears shall not be placed in a container, pouch or holder that cannot be disinfected.

(h) If tools specified in this section are sterilized in accordance with the requirements outlined in Section 982, the requirements of this section will be deemed to have been met.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code.

980. Disinfecting Electrical Tools

(a) Clippers and other electrical tools shall be disinfected prior to each use in the following sequential manner:

(1) First removing all visible debris.

(2) Disinfect with an EPA-registered disinfectant spray or wipe with demonstrated bactericidal, fungicidal, and virucidal activity used according to manufacturer's instructions.

(b) All disinfected electrical tools shall be stored in a clean place.

(c) All soiled electrical tools used on a client, or soiled in any manner, shall be placed in a container labeled "Soiled," "Dirty," or "Contaminated" (excluding hot styling tools).

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code.

980.1. Procedures for Cleaning and Disinfecting Whirlpool Foot spas, and Air-Jet Basins

(a) As used in this section, "whirlpool foot spa" or "spa" is defined as any basin using circulating water.

(b) An air-jet basin is defined as any basin using an air jet stream system to move water.

(c) After use upon each client, each whirlpool foot spa or air-jet basin shall be cleaned and disinfected in the following sequential manner:

(1) All water shall be drained from the basin.

(2) The inside walls of the basin shall be scrubbed and cleaned of all visible debris with a clean brush, liquid soap (labeled as such on soap product), and water.

(3) The spa basin shall be rinsed with water.

(4) The spa basin shall be refilled with clean water.

(5) The water in the basin shall be circulated with the correct amount (read manufacturer label for mixing instructions) of the EPA-registered hospital-liquid disinfectant that is labeled as a bactericide, fungicide, and virucide through the basin for at least 10 minutes.

(6) The spa basin must be drained, rinsed, and wiped dry with a new, clean paper towel.

(7) Record this procedure in the pedicure equipment-cleaning log. The log shall contain the date and time of each cleaning, initials of the person who completed the procedure, and shall indicate that the cleaning was done after a client.

(d) At the end of each day and after the last client, each whirlpool foot spa or air-jet basin shall be cleaned and disinfected in the following sequential manner:

(1) The screen and any other removable parts shall be removed.

(2) Scrub all visible debris from the screen, inside walls of the basin, any other removable parts, and the area behind them with a clean brush, liquid soap (labeled as such on soap product), and water.

(3) Reinsert the clean screen and any other removable parts.

(4) Fill the basin with warm water and detergent (labeled as such on detergent product) and circulate the detergent through the spa system for at least 10 minutes (follow the spa manufacturer's instructions).

(5) Drain the detergent solution and rinse the basin.

(6) Refill the basin with clean water and circulate the correct amount (read the label for mixing instructions) of the EPA-registered hospital-liquid disinfectant that the label claims is a bactericide, fungicide, and virucide through the basin for at least 10 minutes.

(7) Drain, rinse, and wipe the basin dry with a new, clean paper towel and allow basin to dry completely.

(8) Record this procedure in the pedicure equipment-cleaning log. The log shall contain the date and time of each cleaning, initials of the person who completed the procedure, and shall indicate that the cleaning was done at the end of the day.

(e) At least once each week, after completing the procedures provided in subsection (d) (1 through 6), each whirlpool foot spa and air-jet basin shall not be drained and the following sequential procedures shall be followed:

(1) Do not drain the disinfectant solution. The unit shall be turned off and the disinfecting solution shall be left undisturbed in the unit for at least 6 hours.

(2) After the disinfectant solution has been sitting at least 6 hours, drain and rinse the basin with clean water.

(3) Refill the basin with clean water and flush the system.

(4) Record this procedure in the pedicure equipment-cleaning log. The log shall contain the date and time of each cleaning, initials of the person who completed the procedure, and shall indicate that the cleaning was done weekly.

(f) The pedicure equipment-cleaning log shall be made available upon request by either a client or a board representative.

(g) A whirlpool foot spa "Not in Service" must have a notation on the pedicure equipment-cleaning log that the foot spa is not in service. The foot spa must have a "Not in Service" sign displayed on the chair and be kept in a sanitary condition.

(h) A violation of this section may result in an administrative fine and/or disciplinary action. Each whirlpool foot spa or air-jet basin not in compliance with this section may result in a separate violation.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code.

980.2. Procedures for Cleaning and Disinfecting Pipeless Foot spas

(a) As used in this section, "pipeless" foot spa is defined as any unit with footplates, impellers, impeller assemblies, and propellers.

(b) After use upon each client, each pipeless foot spa shall be cleaned and disinfected in the following sequential manner:

(1) All water shall be drained from the spa basin.

(2) Remove footplate and any other removable components according to the manufacturer's instructions.

(3) Scrub all visible debris from the impeller, footplate, inside walls of the basin, and other components, and the areas behind or under each with a clean brush, liquid soap (labeled as such on soap product), and water. Rinse with clean water.

(4) Reinsert the properly cleaned footplate and other components.

(5) Refill the basin with clean water and circulate the correct amount (read the label for mixing instructions) of the EPA-registered hospital-liquid disinfectant that the label claims is a bactericide, fungicide, and virucide, through the basin for at least 10 minutes.

(6) Drain, rinse, and wipe the basin dry with a new, clean paper towel.

(7) Record this procedure in the pedicure equipment-cleaning log. The log shall contain the date and time of each cleaning, initials of the person who completed the procedure, and shall indicate that the cleaning was done after a client.

(c) At the end of every day and after performing the procedures provided in subsection (b)(1 through 7) and after the last client, each pipeless foot spa shall be cleaned and disinfected in the following sequential manner:

(1) Fill the basin with warm water and detergent (labeled as such on detergent product) and circulate the detergent through the spa system for at least 10 minutes (follow manufacturer's instructions).

(2) Drain the detergent solution and rinse the basin.

(3) Refill the basin with clean water and circulate the correct amount (read the label for mixing instructions) of the EPA-registered hospital-liquid disinfectant that the label claims is a bactericide, fungicide, and virucide, through the basin for at least 10 minutes.

(4) Drain, rinse, and wipe the basin dry with a new, clean paper towel.

(5) Allow the basin to dry completely.

(6) Record this procedure in the pedicure equipment-cleaning log. The log shall contain the date and time of each cleaning, initials of the person who completed the procedure, and shall indicate that the cleaning was done at the end of the day.

(d) At least once each week, after completing the procedures provided in subsection (c) (1 through 3), the disinfectant solution in each pipeless foot spa shall not be drained and the following sequential procedures shall be followed:

(1) The unit shall be turned off and the disinfecting solution shall be left in the unit undisturbed for at least 6 hours.

(2) After the disinfectant solution has been sitting at least 6 hours, rinse and wipe the basin dry with a new, clean paper towel.

(c) Infections or parasitic infestation capable of being transmitted between licensee or student and client include, but are not limited to, the following:

- Cold, influenza or other respiratory illness accompanied by a fever, until 24 hours after resolution of the fever.
- Streptococcal pharyngitis ("strep throat"), until 24 hours after treatment has been initiated, and 24 hours after resolution of fever.
- Purulent conjunctivitis ("pink eye"), until examined by a physician or other licensed clinician and approved for return to work.
- Pertussis ("whooping cough"), until five days of antibiotic therapy has been completed.
- Varicella ("chicken pox"), until the sixth day after onset of rash or sooner if all lesions have dried and crusted.
- Mumps, until nine days after onset of parotid gland swelling.
- Tuberculosis, until a local health department authority states that the individual is noninfectious.
- Impetigo (bacterial skin infection), until 24 hours after treatment has begun.
- Pediculosis (head lice), until the morning after first treatment.
- Scabies ("crabs"), until after treatment has been completed.

(d) Blood-borne diseases, such as HIV/AIDS and hepatitis B (HBV), shall not be considered infectious or communicable diseases for the purpose of this section.

(e) No person working or training in an establishment or school shall perform services upon a surface of the skin or scalp where such skin is inflamed or broken (e.g., abraded, cut), or where a skin infection or eruption is present; nor shall a person working or training in an establishment or school perform services if the skin of his or her hands is inflamed or broken, or where a skin infection or eruption is present, without wearing gloves.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code; and Section 121365, Health and Safety Code.

985. Neck Strips

A sanitary neck strip or towel shall be used to keep the protective covering, such as client capes, from coming in direct contact with a client's neck.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code.

986. Neck Dusters and Brushes

(a) Before use on a client, neck or nail dusters and all other manicure brushes that are used in an establishment or school on a client shall be cleaned in the following sequential manner:

- (1) Remove all visible debris.
- (2) Clean with soap or detergent and water.
- (3) Dry dusters or brushes.
- (4) Store all clean dusters or brushes in a clean, covered place that is labeled "Clean."
- (5) All dusters or brushes used on a client or soiled in any manner shall be placed in a container

labeled "Dirty," "Soiled," or "Contaminated."

(b) Before use on a client, natural fiber, facial, acrylic, gel, nail-art, and makeup brushes used in an establishment or school, on a client, shall be cleaned in the following sequential manner:

- (1) Remove all visible debris.
- (2) Clean by using a cleansing agent(s) such as monomer, makeup brush liquid/spray cleaner, alcohol.
- (3) Dry brushes.
- (4) Store all clean brushes in a clean, covered place that is labeled "Clean."

(5) All brushes used on a client or soiled in any manner shall be placed in a container labeled "Dirty," "Soiled," or "Contaminated."

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e) Business and Professions Code.

987. Towels

(a) After a towel, sheet, robe, linen, or smock has been used once, it shall be deposited in a closed container and not used until properly laundered and sanitized.

(b) Towels, sheets, robes, linens, and smocks shall be laundered either by regular commercial laundering or by a noncommercial laundering process which includes immersion in water at least 160o F for not less than 25 minutes during the washing or rinsing operation. Alternately, it is acceptable if the commercial laundry opts to use chemicals and cold water to reduce organisms on laundry, provided the laundry follows manufacturers' instructions for washing machines, dryers, detergents, rinse aids, and other additives. The laundry detergents used are not required to have stated antimicrobial claims.

(c) All clean towels, sheets, robes, linens, and smocks shall be stored in clean, closed cabinets or a clean, closed container.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code.

988. Liquids, Creams, Powders, and Cosmetics

(a) All liquids, creams, waxes, shampoos, gels, and other cosmetic preparations shall be kept in clean, closed containers. Powders may be kept in clean shakers.

(b) All bottles and containers shall be distinctly and correctly labeled to disclose their contents. All bottles and containers containing poisonous substances shall be additionally and distinctly marked as such. Poisonous substances that are maintained in the manufacturer-labeled container are not required to have additional labeling.

(c) When only a portion of a cosmetic preparation is to be used on a client, it shall be removed from the bottle or container in such a way as not to contaminate the remaining portion.

(1) This provision does not apply to cosmetic preparations that have been demonstrated to be unlikely to transmit pathogens (e.g., nail polish, artificial nail monomer liquids).

(d) Pencil cosmetics shall be sharpened before each use.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code.

989. Prohibited Hazardous Substances/Use of Products

No establishment or school shall:

(a) Have on the premises cosmetic products containing hazardous substances banned by the FDA for use in cosmetic products.

(b) Have on the premises methyl methacrylate monomer and/or methylene chloride.

(c) Use a product in a manner that is disapproved by the FDA, Occupational Safety and Health Administration, or EPA.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code.

990. Headrests, Shampoo Trays and Bowls, and Treatment Tables

(a) The headrest of chairs shall be covered with a clean towel or paper sheet for each client.

(b) Shampoo trays and bowls must be cleansed with soap and water or other detergent after each shampoo, kept in good repair, and in a sanitary condition at all times.

(c) Treatment tables must be covered with either clean treatment table paper, a clean towel, or a clean sheet after each use. After a towel or sheet has been used once, it shall immediately be removed from the treatment table and be deposited in a closed container and not used again until it has been properly laundered and sanitized. Treatment table paper shall be immediately disposed of after a single use.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Section 7312(e), Business and Professions Code.

991. Invasive Procedures

(a) No licensee or student may use a product, device, machine, or other technique or combination of the same, which results in the removal, destruction, incision, or piercing of a client's skin beyond the epidermis. Any such act shall be considered an invasive procedure.

(b) Invasive procedures include, but are not limited to, the following:

(1) Application of electricity that visibly contracts the muscle.

(2) Application of topical lotions, creams, serums, or other substances that require a medical license to purchase.

(3) Penetration of the skin by metal needles, except electrolysis needles/wire filaments.

(4) Abrasion and/or exfoliation of the skin below the epidermal layers.

(5) Removal of skin by means of a razor-edged tool or similar device.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Sections 7312(e), 7316, 7320, 7320.1, Business and Professions Code.

992. Skin Exfoliation

(a) Only the upper layer of the skin, known as the epidermis, may by any method or means be removed, and then only for the purpose of improving the appearance of the skin.

(b) Skin removal techniques and practices that result in destruction of living tissue beyond the epidermal layer of the skin is prohibited.

(c) Only over-the-counter products that are not sold for physician's use only may be used for the purpose of skin exfoliation.

(d) All skin exfoliation products must be applied using the manufacturer's instructions for consumer health and safety.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Sections 7312(e), 7316, and 7320, Business and Professions Code.

993. Prohibited Tools

(a) No establishment or school shall have on the premises or use any razor-edged tool for the purpose of removing calluses or other similar procedures.

(b) No establishment or school shall have on the premises or use any needle-like tool used for the purpose of extracting skin blemishes and other similar procedures.

Note: Authority cited: Section 7312, Business and Professions Code. Reference: Sections 7312(e), 7320, and 7320.1, Business and Professions Code.

994. Cleanliness and Repair

(a) Establishments and schools shall keep the floors, walls, woodwork, ceilings, furniture, furnishing, and fixtures clean and in good repair.

MINUTES OF THE BOARD OF SUPERVISORS

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

BACKGROUND:

In recognition of the need to transition to economic recovery, we continue to position the county to reopen businesses. Keep in mind, rescinding these orders does not negate the Governor's orders, as those are still in place. Any changes to the Governor's order will be provided from the state. The virus is still present within our county, California Department of Public Health and the Centers for Disease Control and Prevention (CDC), and county public health officials still recommend the use of face coverings, social distancing and frequent hand washing to reduce the likelihood of contracting the disease.

Through prior action, this Board created the Economic Recovery Task Force with leaders in the business community to work towards economic recovery. With 30 million national unemployment claims filed as of this writing, it is imperative that our residents get back to work. While we continue to work with our state partners to meet the Governor's six-point framework for reopening (including expanded testing, meeting the needs of our congregate care providers, and increasing our hospitals' capacity), we are rescinding the local public health orders.

With the assistance of our residents, Riverside County successfully prevented a surge of coronavirus patients within our countywide hospital system. With 50,000 tests conducted and counting, Riverside County leads the state in testing by having tested 1.9 percent of our population for the virus. The local Public Health Officer orders significantly slowed the spread of the disease within our county. This is evidenced by current hospital capacity and the lengthening of our doubling rate of the disease to more than 14 days. Other successful metrics include our current hospital bed census ranges between 60 and 65 percent of capacity and available ventilator capacity is approximately 70 percent. We thank our county team for their diligence, dedication, and response to this unprecedented pandemic.

We want people to be healthy, safe and have an income to support their families. Today's action creates the pathway for our residents and businesses to meet these needs.

Riverside County supervisors,
Please do not rescind the four public health orders for Covid-19. I feel this is to soon for our community and smaller steps could be taken first.
Thank you,
Julie Terrell

As a citizen of Menífee I believe the current practices of face coverings and social distancing should be maintained. The best medical advice (Drs Brix nationally and Kaiser locally) advocate these precautions be maintained until testing is more extensive and decreased rates of infection are established. Their medical cognizance demands implementation.

Subject: rescinding public health orders

Hi,

I am a resident of Riverside and former full time public school teacher for RUSD and still continue to substitute teach. I have seen that the county board of supervisors is meeting tomorrow to discuss rescinding public health orders such as the requirement of face coverings and social distancing. I am incredibly concerned that this is even being discussed at this point when our county is one of the most affected from COVID-19. I understand the economy needs to reopen at some point and an unimaginable number of residents are negatively impacted by the shut down but you are putting people's lives at risk by possibly rescinding these orders. You claim this is to help the economy once state orders are lifted so then why not wait until they are actually lifted? The message you are sending to residents is that you believe it is safe enough to not wear masks in public. Shame on you for being willing to let people die because a face mask is inconvenient for you at this moment. I am ashamed to have taught in a district with leaders that are willing to cause as much sickness and death that could result from such a reckless decision. I hope that you reconsider rescinding the public health orders that are there to protect us. The decision you make will make it clear whether you put lives or profit first.

A Concerned Riverside Resident,
Amanda Figueroa
