BACKGROUND:

Summary

The Sheriff's Department is submitting the FY 2019-20 computations of the contract law enforcement rate for personnel, facilities, and vehicle mileage. The Sheriff's Department is required, by Board policy B-3, to obtain full cost recovery on any cost incurred through our contract city policing operations.

The Riverside County Sheriff's Department has a long history in providing contract policing services to communities large and small. The Sheriff's Department operates a flexible menu for selecting services uniquely suited to each community, and no two of the seventeen cities contract for police services in the same manner. Pursuant to California Government Code section 51350, the County shall charge any city pursuant to contract or as authorized by law, for all costs incurred in providing the services so contracted or authorized, and any general overhead costs that is attributable to services made available to all portions of the county, as determined by resolution of the board of supervisors, or which are general overhead costs of operation of the county government regardless of whether or not the county provided a service under contract to a city, are not charged to that city under contract.

Each year the Sheriff's Department does an analysis of just its patrol operations and determines real costs effectively through its sheer size. Other requirements of the Sheriff such as jail operations, court operations, and coroner operations are not involved in the determination of the yearly contract rates.

The contract law enforcement rates are adjusted annually. The fully supported rate increased 2.93% from last fiscal year's rate. This is primarily due to increases in pension obligations and County Internal Service Fees. If approved, the personnel and mileage rates are retroactive to July 1, 2019. All contract entities will receive billing adjustments from that date.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

All personnel costs are current fiscal year costs incurred and services and supplies (Class II) are real costs incurred in the previous fiscal year. Salaries and benefits for all Sheriff's personnel are negotiated directly between the various labor groups and the Board of Supervisors. The largest cost component in the contract rate are personnel costs.

The fully supported contract law enforcement rates include the entire systemic costs involving the running of a police department. They include the cost of the patrol deputies, detectives that support the deputies, supervisors, and managers that oversee those police operations just as any police department would incur. The rate also includes dispatch services, recruiting, training, and clerical support all based on agreed upon service hours contracted for by the entity.

The Facility Rate is an annual amount charged to Sheriff's contract entities for expenses at the buildings that house stations, Central and Coachella Valley Dispatch, Administration, Accounting and Finance, Information Services Bureau, Personnel, the Technical Services Bureau, the Central Homicide Unit and the Grants Unit. This rate is calculated separately for each contract entity and varies according to the level of service provided.

The Sheriff's Department meets periodically throughout the year with all our contract city partners to share information, provide planning projections, and the proposed rates based upon extensive analysis. After review and input from each contract city partner, those rates are sent to the Board of Supervisors for final approval. Once approved, the rate is effective for the entire Fiscal Year 19-20.

Impact on Residents and Businesses

Contract law enforcement is a practical means of obtaining quality service at a very reasonable cost. The Riverside County Sheriff's Department has been contracting law enforcement services since 1964. Contract law enforcement has evolved into a sophisticated method for contract partners to meet their statutory obligation to supply a total law enforcement program for their community. The Riverside County Sheriff's Department offers a wide range of programs and service levels to meet the specialized needs and population sizes of the communities within Riverside County.

Additional Fiscal Information

Attachment A: This table details contract personnel rates charged cities, school districts, county service areas and Tribal groups. Lastly, Attachment A details hourly differentials for K-9 and motor officers and vehicle mileage rates.

Subject: Sherriff's pay raises

To Whom It May Concern,

I am a Riverside resident of Canyon Crest and I am a public-school teacher in the county.

I am very troubled by the recent developments relating to Riverside Sherriff officers purposely destroying private property. I am absolutely against any sort of pay raise for the Sherriffs' office at this time, when so much need is out there for social services during this very difficult time.

I am including a picture showing officers marching past a parked car and then bashing in the windows with their batons. The video very clearly shows this.

Thank you

Dear Madame Clerk

I would like to submit my public comment for today's county Board of Supervisors meeting regarding Action Item 2.35 for the Public Calendar as follows:

Good morning members of the Board of Supervisors, my name is Felipe de Pierola and I reside in the City of Menifee which I have proudly called my home for over nine years. In light of everything that everything that has taken place in the last few days, I believe that we should not be paying the police in Riverside County more money to impose a curfew on us and we should not reward them teargassing protesters by giving them a raise in the pay. There are so many people whose lives are being disrupted by COVID-19 and the money they are thinking of using to pay the cops more should be used to help them or towards cleaning up and restoring cities. Putting police over other needs right now is practically malfeasance, especially when their their pay hasn't been affected by this public health crisis and when they put this on the public agenda so close to the last minute it all ends up being very outrageous, callous, and very out of touch with the people. It is for these reasons that the Riverside County Sheriffs should not be given a raise at this time. Thank you.

Sincerely,
Felipe de Pierola

Riverside County Board of Supervisors,

I am OPPOSED to our tax payer money being used to increase Sheriff salaries. Bianco & his crew decided not to enforce health orders put in place to decrease the spread of the coronavirus yet he'll enforce a curfew that halts our right to protest against police brutality. UNACCEPTABLE!

Dear Clerk of the Board,

I see the Board is considering today Sheriff Bianco's request for a rate hike. Please note a vehement no from this Riverside County law enforcement family. Because of the pandemic, our cities and towns have take tremendous hits on the tax base. At the same time, our businesses and residents are suffering devastating economic losses. Now, throw in the tumult happening across America that was set off by a horrendous incident of police brutality.

Any raise given now to police salaries would be absurdly inappropriate. We have other priorities at this time. This law enforcement family is asking our representatives to vote no.

Thank you.

Dear County,

I write to you on behalf of Starting Over, Inc. As you know during this pandemic we have spoken out against the Sheriff's failure to protect people inside the Riverside County Jail System and have asked for your support in holding the Sheriff's accountable. As of today, we the public still have no transparency around the number of COVID-19 cases inside the jail system, who has been tested, how many people have been tested, what facility the positive cases are at or data stratifying COVID cases by race as reports have shown the virus disproportionately affects black and brown people. In addition, the Sheriff has touted his inaction to release people vulnerable to COVID-19 saying he is protecting the public but with most of the people sitting in Riverside jails being people of color and people too poor to afford bail, it is clear the Sheriff does not make decisions that protect people of color and of low income. This county has a long history of systemic racism and at a time when the community and nation are watching more than ever, I urge you all to vote no to an increase in the Sheriff's salaries. Support black and brown lives by not increasing a budget that already takes up the majority of resources in this county. Our county is hurting more than ever economically and emotionally. We need funding for support services like child care, reentry, housing, rental assistance, not policing.

Thank you,

Dear Board Members,

My name is Jonathan Raya, I live in the city of Riverside. I am absolutely disgusted that sheriff Bianco is asking for more money. This is the same man the openly defied county orders and said he would not uphold them because it was "unconstitutional". They have made no valid reasons on why they need more money. If sheriff's department was tight for money then it shouldn't have bought two new helicopters.

What we need is more money for community projects such as ending the homelessness problem with housing first.

thank you for your time.

I oppose any salary increase for the Sheriff's Dept (Item 3.25). In fact, I think the Board should rebuke Chad Bianco for his direct insubordination in refusing to enforce the county's COVID-19 restrictions.

I support any and all measures to mitigate the damage to people and our economy. Consequently, I support Item 3.27 the Riverside county rental relief program and Item 3.4 moratorium against evictions.

Thank you for honoring the citizens of Riverside County.

I'm writing to oppose sheriff salary increases (agenda item 3.25). In this moment of economic crisis, when the Sheriff of Riverside County has used excessive force against hundreds of protesters within the last 24 hours it is both irresponsible and unjustified. Subject: Opposing Item 3.25

Hello,

I am a resident of Riverside, and I would like to express my strong opposition to this item:

Item 3.25 on the Policy Calendar for the Riverside County Board of Supervisors:

The morning after a protest for Black Lives Matter, with thousands peacefully in attendance, it is unconscionable to discuss more funds going to law enforcement, specifically salary raises for sheriffs. With county budget cuts in place, the last thing we need is sheriff raises. The Sheriff's budget is the biggest county budget than any other department. We need county funds for social services like IHSS, child care and rental assistance. Please take care of our basic needs before giving MORE funds to law enforcement.

I also support these agenda items:

3.2712745 SUPERVISOR V. MANUEL PEREZ: REPORT BACK REGARDING EVICTION MORATORIUM DURING COVID-19 PANDEMIC, SUPPORT OF RENTERS AND PROPERTY OWNERS ECONOMICALLY IMPACTED BY COVID-19 AND THE LAUNCH OF THE RIVERSIDE COUNTY RENTAL RELIEF PROGRAM – ALL DISTRICTS – \$33.3MILLION FEDERAL FUNDING.

3.4 12744 SUPERVISOR V. MANUEL PEREZ: REPORT BACK REGARDING EVICTION MORATORIUM DURING COVID-19 PANDEMIC AND ADOPTION OF ORDINANCE NO. 958, AN URGENCY ORDINANCE OF THE COUNTY OF RIVERSIDE ENACTING A TEMPORARY PROHIBITION ON COVID-19 PANDEMIC RELATED EVICTIONS IN THE UNINCORPORATED AREAS OF THE COUNTY OF RIVERSIDE – ALL DISTRICTS – CEQA Exempt – 4/5 Vote Required

Subject: Agenda item 3.25

Hello,

I am emailing I'm not supporting a raise for Chad Bianco. While he takes a knee for Black Lives Matter movement he did not act justly in the times where he needed to show his empathizes.

His kneeling for the BLM movement is virtue signaling- since he has never once supported a cause that would actually help POC and minorities.

I am writing to not give Chad Bianco a raise- agenda item 3.25

Thanks you for your time,

Laurel Nelson

Hi,

I am a constituent of Riverside County, and oppose the salary increases for the Riverside County Sheriff's Department. Right now is not the time to talk about pay increases or approve agendas.

Best,

Subject: Board meeting regarding sheriff salary increases

To All Riverside County Board Members:

The Riverside County Sheriff's office Since the beginning of the pandemic has refused to enforce statewide emergency orders from the governor of California.

Additionally, in light of the current uprisings and recognition that BLACK LIVES MATTER as well as other POC I urge the board to begin reconsidering how the County allocates its resources to become more aligned with a racial and social justice framework proposed by Governor Newsom.

I urge the board to seriously reflect on what "protect and serve" means in our communities. It certainly doesn't mean uparmoured tanks, fully combat uniformed LEO. What has happened to our community, that it is okay to have our police departments look more like the military in Kuwait where I served for 4 years. This is certainly one area of review I urge the board to consider.

We need approachable, community oriented sheriffs and we are a long way from that goal.

Subject: No raises for Sheriffs

To whom it may concern,

As a concerned community member, I am asking for there to be NO raises for ANY public officials at this time. This includes the Sheriffs Department. We are currently in a worldwide pandemic, and the shutdown is causing great financial distress for many. Giving raises to the Sheriff Department during a time when they are placing curfews on peaceful protests and placing Sheriffs on the streets that resemble the military in a war zone does NOT show solidarity with the black community. Sheriff Bianco is a public disgrace, one who said he would not infringe on the constitutional rights citizens by enforcing a LEGAL stay at home order, nor did he impose a curfew on those protesting it, however, he IS placing curfews where there are First amendment protected peaceful protests. His actions mark him as a hypocrite and one unfit for his position. It is not his job to interpret the law as he see fits, and in doing so exposes his racial bias. Following his lead to give raises to the Sheriffs Department at this time only stokes the fires of unrest and justifiable anger of citizens in your jurisdiction. I am pleading that you DO the right thing, and reject ANY and ALL raises to the sheriffs department at this time and instead, put together a concrete plan that addresses racism and bid within the Riverside County Sheriffs Department.

Thank you,

Katherine Aleman
