BACKGROUND:

Summary

The Department of Animals Services (“DAS”) serves the purpose of sheltering animals which also holds the responsibility of the disposing of animal carcasses as they come into DAS’ possession. DAS contracts the service of disposal of animals because under the Riverside County of Code of Ordinances, Chapter 8 “Health”, 8.120.020 – Accumulation of rubbish is not permitted. No person or entity shall permit the accumulation of rubbish or other material dangerous or injurious to the health and welfare of persons or the environment, on any real property in the unincorporated area of Riverside County owned by them or under their control.

Impact on Residents and Businesses

Riverside County Code of Ordinance, Chapter 8, “Health”, 8.120 – Rubbish Accumulations on Property -- finds that the unregulated and improper allowance of rubbish or other material dangerous or injurious to neighboring property or to the health or welfare of residents in the vicinity of any real property throughout the unincorporated territory of the county of Riverside poses a danger, not only because it is unsightly and negatively impacts property values, but also because it provides areas for occupation by vermin or wild animals, toxic to persons and the environment. Therefore, the accumulation of rubbish is deemed a public nuisance and poses a hazard to the safety of landowners, residents in the vicinity, users of public highways and to the public generally.

Additional Fiscal Information

There is no new financial impact the County’s general fund. The funding has been established in the Department’s annual budget.
