**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

Solid waste landfills are regulated by the California Environmental Protection Agency Air Resources Board, Department of Resources Recycling and Recovery (CalRecycle), Department of Toxic Substances Control, and State Water Resources Control Board. Local Enforcement Agencies (LEA) are designated by CalRecycle to enforce regulations in different regions. Nearly all CalRecycle regulations are found in Title 14 (Natural Resources) and Title 27 (Environmental Protection) of the California Code of Regulations (CCR).

To comply with Title 27, Section 20810 (Vector and Bird Control), solid waste landfill operators must provide adequate vector control measures to minimize bird problems. The most effective method is with birds of prey, which keep nuisance birds away. Since 2006 the Department has utilized the services of a professional falconer. On December 3, 2019 and January 15, 2020, the Department was cited at its Moreno Valley and Beaumont landfills for violations of inadequate bird control. In response to these violations and because of the increased bird population at the sites, the Department is required to increase the number of hours provided by the falconer. Since the increase in falconry service, the sites have been in compliance with Section 20810, and the LEA has not issued any violations for vector control.

Staff recommended approval of the Agreement, and County Counsel has approved the Agreement as to form.

**Impact on Residents and Businesses**

Approval of this Agreement will help ensure the County landfills maintain compliance with environmental regulations and can help prevent the spread of disease from birds coming in contact with waste.

**SUPPLEMENTAL:**

**Contract History and Price Reasonableness**

On September 6, 2017, Purchasing and Fleet Services on behalf of the Department released Request for Quote RFQ #WMARC-330A. The County received responses from three (3) vendors, ISOTECH Pest Management (\$142,500), Loomacres (\$127,500), and XFalconry

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

(\$76,500). After evaluation, XFalconry was awarded as the lowest responsive responsible bidder and an agreement was entered into as of November 20, 2017 under the Purchasing Agent's authority because the contract amount did not exceed \$100,000 annually.

In 2018, Jorge Herrera forfeited the business name XFalconry and the County consented to the assignment of all terms and obligations of the agreement to Jorge Herrera as an individual, and the agreement was amended, extending the period of performance through November 20, 2022.

**Additional Fiscal Information**

So far this fiscal year, the Department has spent \$61,592 on Falconry Service through February 29, 2020. Prior to this year, the Department usage was only twice per week at each landfill—Badlands and Lamb Canyon. We now have the falconer on site at least every other day or four (4) times per week at each site. With the added hours, the estimated annual expenditure is \$117,592 for this fiscal year. The Department is requesting approval of up to \$130,000 annually through November 20, 2025, which is an additional three years beyond the current expiration. This will avoid needing to re-address this matter with the Board. In addition, XFalconry—now Jorge Herrera—was the lowest bidder in 2017 by \$51,000 compared to the next lowest bidder. Also, Mr. Herrera continues to provide exceptional service, and has never raised his original per hour rate.

Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the County's Risk Manager, CONTRACTOR'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) CONTRACTOR shall cause CONTRACTOR'S insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. CONTRACTOR shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier shall sign the original endorsements for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the parties hereto that the CONTRACTOR'S insurance shall be construed as primary insurance, and the COUNTY'S insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope

of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.

6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONTRACTOR agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

### **23. General**

**23.1** CONTRACTOR shall not delegate or assign any interest in this Agreement, whether by operation of law or otherwise, without the prior written consent of COUNTY. Any attempt to delegate or assign any interest herein shall be deemed void and of no force or effect.

**23.2** Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

**23.3** In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

**23.4** CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

**23.5** CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

**23.7** The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

**23.8** CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. In the event that there is a conflict between the various laws or regulations that may apply, the CONTRACTOR shall comply with the more restrictive law or regulation.

**23.9** CONTRACTOR shall comply with all air pollution control, water pollution, safety and health ordinances, statutes, or regulations, which apply to performance under this Agreement.

**23.10** CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

**23.11** This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

**23.12** This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. **EXHIBIT A**  
**SCOPE OF SERVICE**

**1.1 SCOPE OF WORK:**

CONTRACTOR is to provide Falconry Services at the Lamb Canyon and Badlands Landfill sites on an as needed basis. If deemed necessary for any reason, Riverside County Department of Waste Resources (RCDWR) shall have the option to change the schedule or frequency of service as necessary due to site conditions, weather, or time of year.

**1.1 Locations:**

Lamb Canyon Landfill, 16411 Lamb Canyon Road, Beaumont CA 92223  
(refer to Exhibit C Vicinity Map)

Badlands Landfill, 31125 Ironwood Avenue, Moreno Valley, CA 92555  
(refer to Exhibit D Vicinity Map)

**1.2 Site Surroundings:**

The San Jacinto River is located approximately 2.5 miles south of the Lamb Canyon and Badlands Landfills. The Lake Perris State recreation area is located approximately 6 miles West / Southwest of each facility. The Banning Airport is located approximately 6 miles East of the facilities.

**1.3 Permits:**

No depredation permits are available at this time.

**1.4 Contractors Responsibilities:**

a) The CONTRACTOR shall provide Falconry Service by means of a bird of prey (ex. Falcon) and a trainer which subsequently reduces the existing bird population, predominantly seagull's, to the satisfaction of RCDWR departmental supervising personnel. "Reduction" is considered as no birds landing and feeding on the landfill(s) site. This service shall include all materials, equipment, supplies, travel, labor, facilities, and supervision to perform all work necessary for the outlined Falconry Services.

b) The Lamb Canyon Landfill property totals just over 1,100 acres, of which to-date only 145 acres have been permitted for landfill operations. However, landfill operation activities typically take place within an area of approximately 30 acres in size; within which the Falconry services will be required. The CONTRACTOR shall be advised that the disposal pad location is continuously being moved within the 145-acre footprint area in order to accommodate landfill operation.

c) The Badlands Landfill property totals just over 1,168 acres, of which to-date only 150 acres have been permitted for landfill operations. However, landfill operation activities typically take place within an area of approximately 30 acres in size; within which the Falconry services will be required. The CONTRACTOR shall be advised that the disposal pad location is continuously being moved within the 150-acre footprint area in order to accommodate landfill operation.

d) The CONTRACTOR shall be aware that the Lamb Canyon and Badlands landfills are active landfill sites. The CONTRACTOR's activities shall not impede or interrupt daily landfill operations. Full cooperation of the CONTRACTOR and his/her employees is required to assure safe working conditions. Therefore, it is necessary to emphasize that RCDWR will have full authority to eject any of the CONTRACTOR's employees who do not immediately abide by the landfill site safety rules. (A copy of the Landfill Safety Rules is included as Exhibit C)

e) The CONTRACTOR shall be available to start the contracted services within five (5) calendar days immediately after notice of award and receipt of Purchase Order (PO) from RCDWR. The CONTRACTOR shall provide Falcon Services at the aforementioned landfill sites at any length of time between the hours of 6:00 a.m. to 5:00 p.m. (with 4 hours minimum time) as directed by RCDWR site supervision. A business day is hereby defined as Monday through Saturday, except for legal holidays recognized by the County.

**f)** The CONTRACTOR shall attend each site's operations meetings on an as-needed basis and as deemed necessary by the RCDWR staff. The occurrences of these meetings are once a month. These meetings will allow both CONTRACTOR and RCDWR staff to evaluate the level of service and to discuss any areas of concern or changes in landfill operation that may affect the falconry services.

**g)** The CONTRACTOR's shall provide a cell phone to the trainer so he or she may communicate with onsite supervision staff. The trainer is to program the numbers listed below and call in the order stated when the need for immediate communication arise.

Lamb Canyon Landfill:

- 1) Kevin Daudert – Cell (951) 640-5840
- 2) Mitch Hoenig – Cell (951) 941-4012

Badlands Landfill:

- 1) Kevin Rhodes – Cell (951) 236-2823
- 2) Paul Spencer – Cell (951) 315-9960

**h)** The CONTRACTOR is to have the bird trainer sign-in and sign-out at the beginning and the end of each working day, respectively. The bird trainer shall clearly note his/her name, date, time in, time out, total hours worked, and sign the sheet provided by RCDWR. Sign-in/out sheets must be completed by the trainer on every work day. RCDWR site supervisors will verify each entry made by the bird trainer for accuracy and initial the sign-in/out sheet. Hours listed in the sign-in/out sheets shall represent the actual time worked at the landfill site(s). Bird "fly-off" is defined as time that requires the trainer to search for the bird, which would cause interruption of service and will affect the ability to provide effective falcon service at the landfill site(s). When bird fly-off occurs, the trainer must note on the sign-in sheet the actual hours the bird was away, and RCDWR shall not be responsible for payment during this time when no effective falcon service is being provided. Monthly payments will be made by the RCDWR to the Contractor for actual hours the trainer and bird of prey are present at the landfill site(s) and providing effective falcon services.
