C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The Purchasing Department released RFP EMARC-011 in March 2017 on behalf of the Emergency Management Department EMS Agency to solicit the assistance of an RN Consultant to design, develop and implement a Specialty Care Program Realignment Plan. Specialty Care Programs include Stroke, STEMI, Trauma and EMS for Children (EMSC). Daniel Sitar was the successful bidder. The purpose of hiring a consultant was to make recommendations for improving specialty care programs according to new State regulations released by the Emergency Medical Services Authority (EMSA). The proposed regulations standardized Stroke and STEMI systems (Final proposed regulations: CCR, Title 22, Division 9, Chapters 7.1 and 7.2).

REMSA is in the final building and implementation phase of the Stroke, STEMI and Trauma registries. This phase includes mapping of elements, submitting data, and end-user training for twelve Stroke, six STEMI and four Trauma centers.

A six-month extension of the Agreement is necessary for the consultant to complete the implementation of the specialty care registries and the Specialty Care Program Realignment Plan in accordance with the final version of the regulations.

County Counsel has approved Amendment No. 3 as to legal form.

Impact on Residents and Businesses

A realignment plan for Specialty Care will lead to better coordination of care and access to critical resources in the event of a major health issue such as stroke or cardiac arrest. There is no negative impact on residents and businesses.

Additional Fiscal Information

The original amount of the Agreement was \$91,728 and was approved by Purchasing. Amendment No. 1 extended the Agreement for six months at the cost of \$30,576 and was approved by the Board on December 11, 2018 in Minute Order No. 3.20. The additional twelve month extension in Amendment No. 2 was approved on June 25, 2019 in Minute Order No. 3.18, and cost \$61,152. Amendment No. 3 requests a six month extension, and an adjustment

for CPI, for a total contract amount of \$216,918. The EMS Agency is funded by EMS System funds and no general funds will be used. The additional funding of \$33,462 requested has been included in the FY 2020/21 budget.

Contract History and Price Reasonableness

The original term of the Agreement was July 1, 2017 – December 31, 2018. There were two responses to RFP EMARC-011. Daniel Sitar, RN, was the most responsive and qualified bidder.
