BACKGROUND:

Summary

The County's Chief Forensic Pathologist works together with a full-time staff of four Forensic Pathologists. However, due to the number of autopsies and external examinations that the Coroner's Bureau performs annually, it must retain qualified physicians on contract to meet the demand.

The Coroners Bureau has experience with Doctors Garber and Luzi. Dr. Garber has provided autopsy services to the County of Riverside since 1995 and Dr. Luzi since 2012. The Coroners Bureau is requesting the Board continue the contracts with the doctors, due to the scarcity of Board-certified Forensic Pathologists with experience in examinations for law enforcement in the State of California.

Contract History and Price Reasonableness

On April 28, 2015 (item 3-32) the Board of Supervisors approved two Forensic Pathologist Contracts.

Dr. Garber and Dr. Luzi are used to augment staffing when needed. There is no contracted amount commitment to the doctors, allowing the Coroner Bureau fiscal flexibility within the Coroner budget.

Both doctors have had the same contract pricing since 2012 and are now increasing the pricing of their services. In FY 18/19 the expenditures were \$111,800. Using FY18/19 number of autopsies both contracted doctors performed, and calculating with their updated

STATE OF CALIFORNIA**

fee schedule, the total came to \$177,100. An increase of \$65,300 more than the actuals in FY 18/19.

Each year the population in Riverside County is growing and deaths per year are increasing, creating a potential increase of case load for the county's forensic pathologists. The Coroner Bureau is requesting \$200,000 per year for both doctors combined due to their increased pricing. In comparison, the annual pay range for a Forensic Pathologist IV position is \$154,262 to \$249,445.
