BACKGROUND:

Summary

The Sheriff's Department is responsible for planning, coordinating, and conducting LEDS and/or FOS courses for the POST mandated perishable skills training. POST has agreed to reimburse the Sheriff's Department for the cost incurred during the provision of the LEDS and/or FOS courses presented at BCTC for up to 1,272 students. Pursuant to the State's standard agreement (No. 20112312), POST will pay for 1,272 students (who are not Riverside County Sheriff employees) to take the 4-hour LEDS and/or the 4-hour FOS course at a cost not to exceed \$110 per student per 4-hour course which equates to a total reimbursement of \$139,920 in FY 20-21.

In addition, the State has extended the current agreement (No. 19112312) LEDS and/or FOS courses for the POST mandated perishable skills training through December 31, 2020.

Impact on Residents and Businesses

The two simulator training courses fulfill eight hours of the 24 hours of POST mandated perishable skills training required biennially of California peace officers employed by a POST-certified agency. The department relies on training within simulated, yet realistic, scenarios to hone an officers' ability to react quickly and appropriately when faced with similar conditions in the field.

DOING BUSINESS WITH THE STATE OF CALIFORNIA

The following laws apply to persons or entities doing business with the State of California.

1. CONFLICT OF INTEREST: Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (Pub. Contract Code §10410):

- 1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (Pub. Contract Code §10411):

- 1). For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)
