CEO Message

MESSAGE FROM THE COUNTY EXECUTIVE OFFICER

The budget for FY 20/21 was developed during the rapidly evolving COVID-19 pandemic that has created an unprecedented global health and economic crisis. I am extremely proud of the well-coordinated response by Riverside County government to protect the health and well-being of our residents, which began when we welcomed home the first returning American citizens from China on January 29, 2020 at March Air Reserve Base.

From that day forward, our staff have continued to demonstrate the highest level of public service in response to the emerging COVID-19 health crisis to lessen the spread of the virus, while protecting the countywide healthcare system and flatten the curve of COVID-19. The health and medical responses continue as we transition toward economic recovery.

It is critical for Riverside County to pursue accelerated economic recovery in a safe and responsible manner, so businesses can reopen, people can get back to work, and our economy can heal quickly. The Riverside County Economic Recovery Task Force is fully engaged and providing much needed assistance toward economic recovery. The economic hardship caused by COVID-19 has created much fiscal uncertainty and will require difficult budget decisions.

As a result of the virus, recommendations and policies from local, state and federal agencies have caused significant changes in everyday life, including constraining consumer behavior and spending. The unemployment rate has risen to 15.3 percent in Riverside County according to the California Employment Development Department.

This budget is intended to signify the county's values and vision, and to provide the basis for our continuing commitment to improving the quality of life for all county residents, especially the vulnerable and underserved. It is during times of uncertainty, that these values are more important than ever for responding to rapidly changing economic circumstances while sustaining fundamental services.

The pandemic has resulted in an unforeseen plunge in discretionary revenue estimated at \$30 million in FY 19/20 with an additional reduction of \$50 million in FY 20/21. The reduction in general fund discretionary revenue, combined with the uncertainty of the negative impacts from the state budget, will translate into an overall budget shortfall projected to exceed \$100 million.

The FY 20/21 Recommended Budget has been prepared to align spending with the estimated \$100 million revenue reduction. I am recommending a two phased budget cut approach. All general fund departments have prepared updated budget submittals with a phase one 5-10 percent reduction from their initial budget target. The phase one cuts will translate into a savings

of \$60 million. Phase two requires the implementation of an additional 5 percent cut, which will save another \$37 million. Taken together, the two-phase cut will reduce general fund spending by \$97 million. I am recommending the Board approve the phase one cuts as part of the Recommended Budget in June. The second phase of cuts will be considered later in August – September after there is more clarity of the state budget impacts. County internal service departments have been directed to revise their budgets with similar reductions as general fund departments.

Riverside County provides essential safety net services across our health and human service departments, as well as our public safety departments. Much of the funding for these critical safety net services comes through state realignment funding, such as 1991 Realignment, 2011 Realignment, and AB109. The Governor's May Revised Budget proposes significant reductions to the realignment funding formulas. Counties are seeking backfill funding from the state to protect these critical services, which arguably are needed more during this time of health and economic crisis.

The legislature is preparing its budget in response to the Governor's May Revise. The initial budget discussions in the Senate and Assembly have introduced some level of realignment backfill. The true amount of any backfill, if any, won't be known until the state budget is adopted. Further uncertainty has been introduced at the federal level with the consideration of a subsequent federal funding relief package that could provide some potential revenue backfill to counties.

The Recommended Budget's two phased budget approach has been developed to make initial cuts associated with projected general fund revenue reductions, with the second phase to be considered when more certainty is provided by the state and federal actions regarding potential revenue backfill. Budget and funding actions at the state and federal level will require subsequent adjustment of the Riverside County budget later in the summer of 2020.

This Recommended Budget strikes a balance to reduce NCC to our county general fund departments while maintaining services at the highest level afforded by the fiscal reality of much less revenue. We must keep in mind that reduction in expenditures while utilizing reserves will result in a decline in some services at a time when safety net services are needed the most.

The county was the fortunate recipient of \$431 million in CARES Act stimulus bill funding from the U.S. government to cover COVID-19 related expenses necessary to respond to the ongoing public health emergency. An additional allocation of \$57 million is expected to be forthcoming from the state, after the state budget is approved, which will increase the total to \$488 million in CARES Act funding.

CARES Act funding cannot be used to backfill county revenue losses as a result of economic damage due to the pandemic, however, the funding can be utilized to assist county departments with legitimate COVID related costs. CARES Act funding is available for use between March 1 and December 30, 2020 to continue the county's response and preparation for COVID-19

activities. Utilization of the CARES Act funding will be thoroughly examined to maximize the federal funds to pay for direct COVID-19 county response costs. Ongoing analysis is being done in conjunction with our departments to maximize the use of legitimate CARES Act funding.

Of additional importance this fiscal year is the 2020 United States Census as Riverside County has experienced major population growth since the last census in 2010. Due to the impacts of COVID-19, the United States Census Bureau shifted the timeline, which extended portions of the operation into fiscal year FY 20/21. The county is partnering with neighboring jurisdictions, universities, and stakeholder groups to ensure everyone is counted in 2020 which will be critical to maximize federal funding.

While the journey ahead will be challenging and full of uncertainty, I am confident that our county team will continue to meet the needs of our residents. Difficult budget decisions will be necessary to balance county services against the drastic change in our fiscal reality.

My sincerest gratitude to everyone for their continued dedication to our critical services especially during these difficult times.

Respectfully,

. C. Ahon

George A. Johnson County Executive Officer

DEMOGRAPHIC & ECONOMIC PROFILE

Geography

Riverside County covers an expansive, varied geography encompassing many diverse, rapidly growing communities with a wide range of public service needs. It stretches nearly 200 miles across, comprising over 7,200 square miles of fertile river valleys, low deserts, mountains, foothills, and rolling plains. Riverside County shares borders with Imperial, Orange, San Diego, and San Bernardino Counties, comprising a region extending from the Pacific Ocean to the Colorado River. Riverside County is the fourth largest county in the state and tenth largest in the nation by population. The percentage of Riverside County's population residing in its 28 incorporated cities is 84 percent; 16 percent resides in the unincorporated area.

The county is divided into five supervisorial districts encompassing the constituents in both the incorporated and unincorporated areas of each district. Each district is represented by a supervisor elected from within that district. The members of Riverside County's Board of Supervisors are:

District 1: Kevin Jeffries District 2: Karen Spiegel District 3: Chuck Washington District 4: V. Manuel Perez District 5: Jeff Hewitt

History

The County of Riverside was formally established as the 55th county of the State of California on May 9, 1893, following a vote of the residents. The county was formed by merging a small section of southern San Bernardino County with the northern third of San Diego County. The communities that are now the current cities of Corona, Riverside, Moreno Valley, Beaumont, and the north half of Banning were all founded in San Bernardino County. The communities that are now the current cities of Perris, Elsinore, Murrieta, Temecula, San Jacinto, Palm Springs, Indio, and Blythe were all founded in San Diego County. The county took its name from the City of Riverside, which became the new county seat.

The early economy of the areas that became Riverside County was based primarily on agriculture, but mining, commerce, manufacturing, transportation, land development, and tourism soon took hold, contributing substantially to the region's rapid growth and booming wealth. The division committee that promoted the movement to form Riverside County saw great potential in the area constrained by the existing counties. They successfully petitioned and campaigned for a new county to establish self governance and self determination, particularly for the rapidly developing area in and around the City of Riverside, whose interests were often at odds with those of the power base in San Bernardino County. The communities growing in the Perris, Temecula, and Coachella valleys were likewise hindered by the vast distances and difficulty of travel over multiple mountain ranges to conduct business at government offices in San Diego In addition, the remote northern County. reaches of San Diego County held little interest for those in the port City of San Diego, who allocated few resources for improvements in the northern region of their county, necessary for economic growth.

Long before the county was established in 1893, Europeans and their descendants entered the area. Before the Europeans arrived, the land was occupied by several indigenous groups, including the tribes that came to be known as Serrano, Luiseno, Cupeño, Chemehuevi, and Cahuilla. In

the late 18th century, the Spanish began colonizing Alta California, establishing the missions of San Diego de Alcalá in 1769 in what is now San Diego County, San Gabriel Arcángle in 1771 in what is now Los Angeles County, and San Juan Capistrano in 1776 in what is now Orange County. One of the first European explorers to travel through the interior was Juan Bautista de Anza, who led an overland exploratory expedition in 1774. De Anza brought a settlement group for the San Gabriel mission through the area in 1776, stopping in areas now known as Anza Borrego and San Jacinto, and crossing the Santa Ana River at what is now known as the Anza Narrows.

During the Gold Rush in 1849, miners were plagued by scurvy caused by poor diets lacking vitamin C. This created a huge demand for citrus fruit. In 1873, the U.S. Department of Agriculture sent three starter navel orange trees to Eliza Tibbets, a resident of the City of Riverside. These trees prospered in the Riverside climate, producing superior oranges never before seen. This formed the foundation of California's prosperous commercial citrus industry. One of

those parent Washington navel orange trees remains today, and is now a California historical landmark. With the high demand for navel oranges and completion of the transcontinental railroad, the citrus industry became California's second Gold Rush. This brought a new wave of migrants from around the country and the world to tend the groves, pick fruit, and work in the packing houses. This became a huge economical factor for Riverside, and by 1895, Riverside was the wealthiest city per capita in the nation. This prosperity motivated people to relocate to Riverside to establish extensive groves that soon blanketed the countryside. In 1912, agricultural explorers came back from the Middle East with Deglet Noor Dates and settled in the Coachella Valley, which has a perfect climate for the crop. The Deglet Noor thrived and became one of the most popular dates in the nation. In 1917, local farmers and business leaders came together with a marketing idea for a Coachella Valley date festival incorporating Middle Eastern and Arabian themes with the delicious dates. Today, Riverside County continues hosting the Riverside County Fair and National Date Festival annually.

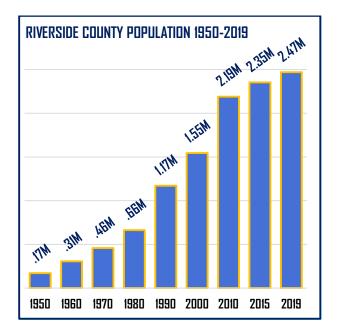

In 1918, the U.S. Army received Congressional funding to develop U.S. air power, and converted the Alessandro Field airstrip east of the City of Riverside to March Field as a training facility for the air corps. Although shuttered for several years following the armistice, March Field was reopened and expanded as the Army soon resumed developing its air capacity. Consquently, the air base played a vital role during World War II. March Air Force Base (AFB) became the final training location for many bombardment groups mobilizing for battle in the Pacific, making the area a significant hub of activity.

In addition, Major General George S. Patton, Jr., established significant training operations in the desert in eastern Riverside County. He commanded large-scale maneuvers to prepare thousands of American soldiers for combat under the harsh, arid conditions of the North African desert. This simulated theater of operation was the largest military training ground in the history of military maneuvers.

After World War II. March Air Base returned to its original role as a Tactical Air Command. March AFB strongly influenced the economy and culture of Riverside County. Many who came during the war, either in the military or in support of the war effort, chose to make homes here when the war ended. Riverside National Cemetery, one of the largest in the nation, rests on former grounds of the base overlooking the airfield, and is a testament to the strong bonds and devotion to military service present in the county. March AFB has since transitioned to a reserve base and still plays a vital role to this day. While much original base property has been repurposed for commercial development, it remains an active facility, and its airstrip continues to provide important tactical and logistical support.

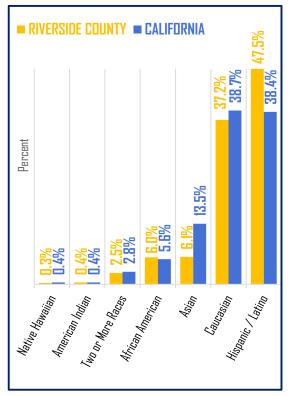

County Population

Riverside County is experiencing rapid population growth; from the period of 1990-2019, the average growth in population per year was 47,111. The County of Riverside is the fourth most populous county in California and the tenth most populous county in the United States. As of 2019, the population of Riverside County was 2.44 million. Since 1992, the county's population has nearly doubled.

Ethnic Distribution

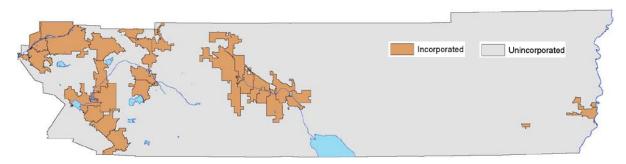

The Hispanic/Latino community in Riverside County is larger than the state average. The Hispanic/Latino population is growing and makes up 48 percent of the county's population followed by 37 percent Caucasian, 6 percent Asian, and 6 percent African American.⁴

Population by City

The County of Riverside has 28 incorporated cities and the largest cities by population are Riverside, Moreno Valley, Corona, Murrieta, and Temecula. Indian Wells and Calimesa are the least populated cities. The percentage of the population living in the unincorporated area is 16 percent.²

Health

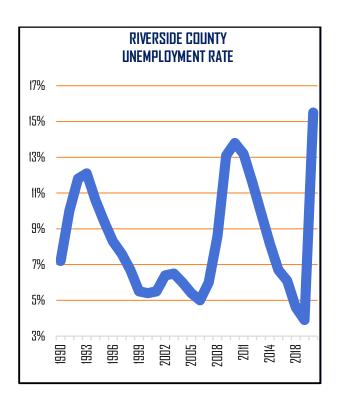

Out of 58 counties ranked in California, the County of Riverside ranks 26th and 35th for health outcomes and health factors, respectively.⁵ These measures reflect environmental conditions, economic and social factors, health behaviors, and availability and access to health care, all of which contribute to both the length and quality of life of county residents.

32 nd	Quality of Life
35 th	Health Factors
30 th	Health Behaviors
47 th	Clinical Care

The County of Riverside is committed to improving the health of its community and seeks to achieve that goal through multiple avenues, including the Riverside University Health System (RUHS). Under this system, Behavioral Health, Ambulatory Care Clinics, the RUHS Medical Center, and Public Health work together to improve the health of county residents.

Unemployment Rate

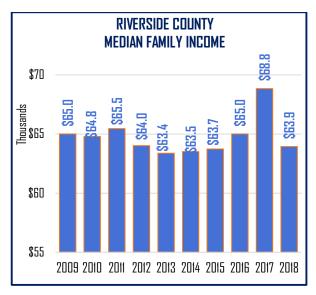

As of April 2020, the current unemployment rate stands at 15.3 percent. Compared to 3.6 percent the previous year. This is directly attributed to the COVID-19.

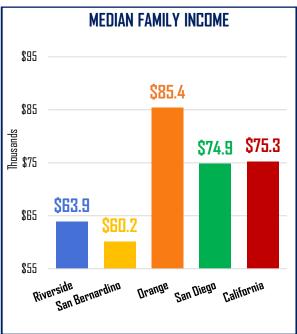

Median Family Income

Riverside County's median family household income fell during the recession in 2009. Median household income has been gradually increasing and is back to its pre-recession level. As of 2019, the median family income stands at \$63,900 dollars.¹⁵ while this is more than the median income in San Bernardino County, it lags substantially behind the median incomes in Orange and San Diego Counties and the state.

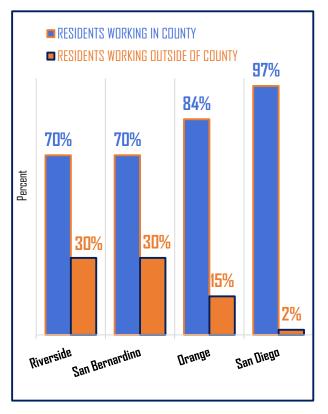

Employment in Riverside County

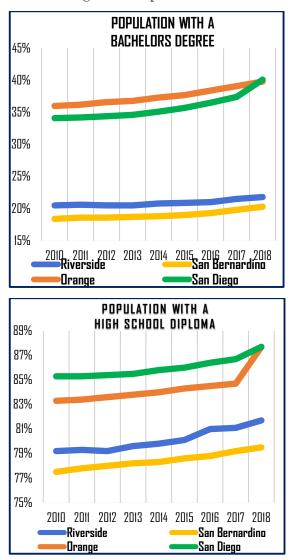

The percent of residents employed and working within Riverside County is 70 percent, while 30 percent travel to a different county for employment.¹⁹ Both inland counties have similar numbers of constituents working outside of their county. The coastal counties typically provide higher wages, which helps to explain the high % of residents traveling to the coast for employment.

Education

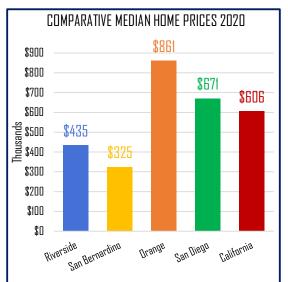

The County of Riverside educational attainment level has seen little variation over the last six years. As of 2018, Riverside County's percent of population with a high school diploma was 81 percent and the percent of the population with a Bachelor's degree was 21 percent.²⁰

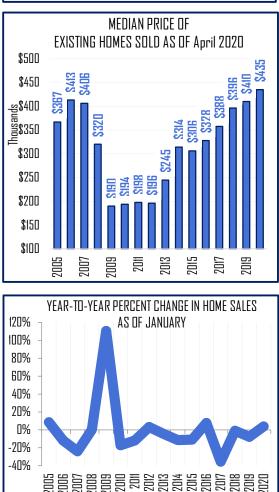

Housing

The median home price in the County of Riverside as of April 2020 was \$435,000. Since its lowest point in 2009, the median price of homes sold has risen and surpassed pre-recession levels. The inland empire offers affordable

housing, which is one factor that makes Riverside County an attractive place to live.²¹

BUDGET PROCESS

Timeline

The budget process is year-round, beginning with development of internal service rates and culminating with adoption of the budget. Budget amendment takes place throughout the year by 4/5ths vote.

October through December

In the first quarter report, the Executive Office presents budget guidelines for the next fiscal year based on economic indicators, revenue forecasts, and Board of Supervisors priorities. Internal service rates are developed based on anticipated operating budgets for the next fiscal year in accordance with Board policy.

January through February

In the midyear report, the Executive Office updates projected budget conditions. Internal service rates are also presented for approval. The Executive Office distributes Board budget policies, priorities, and information about budget targets, deadlines, and rates to departments.

March through April

Departments submit budget requests to the Executive Office for consideration in March. If economic conditions allow, departments submit new capital improvement project requests to the Executive Office. Due to financial constraints, new projects are limited.

May

The Executive Office presents the third quarter report in May, including a current year budget status, economic forecasts, and previews budget considerations for the following fiscal year.

June

The Executive Officer presents the recommended budget for Board approval by June 30. The Board holds budget hearings and provides direction on policy decisions.

July through August

The Executive Office prepares amendments to the recommended budget addressing the direction given by the Board during budget deliberations. The year-end closing process begins in July, establishing the ending fund balances that roll forward to begin the budget year.

September through November

Following budget hearings, the Board may adopt the budget as amended any time prior to October 1. Once year-end balances are complete, the Executive Office finalizes the adopted budget for publication, which is submitted to the State Controller before December 1 in accordance with the County Budget Act.

About the Budget Book

The recently revised approach uses more graphics to summarize and communicate budget detail in quick, easily read snapshots. It frames departments' budget narratives within the county's strategic objectives.

The introduction summarizes key information about the county itself to provide context, about the budget process, and about the budgetary and financial policies and procedures that influence it. The budget overview provides a synopsis concisely distilling budget detail into a compact summary and outlining the long-range budget strategy.

Budget narratives gather each department's narratives within a function together under one heading. Departments with responsibilities spanning multiple functions have more than one narrative, each found within its functional section. This function-based framework keeps related activities grouped together and maintains consistency with the state-required budget schedules discussed below.

Budget Schedules

Pursuant to the County Budget Act, the State Controller issues the forms and methods with which counties must prepare and submit budget details. Budget Schedules 1 through 15E contained at the back of this budget document conform to those state requirements. Schedules 1 through 8 summarize the unit-level detail for the governmental funds contained in Schedules 9, and proprietary funds contained in Schedules 10 and 11. Schedules 12, 13 and 14 summarize the unit-level detail for the special district budgets contained in Schedule 15 and 15E. Schedule 10 contains the budgets for the county's internal service funds, while Schedules 11 and 15E contain the budgets for the county and special district enterprise funds, respectively. In addition, Schedule 20 contains unit-level detail of positions authorized by resolution amending Ordinance 440; and Schedules 21, 22, and 23 contain detailed listings of recommended vehicles and other fixed assets. Taken together, these budget schedules comprise the official county budget approved by the Board of Supervisors in accordance with the County Budget

Act. The tables and charts contained in the narratives provide snapshots of this information.

Governmental funds account for most of the county's primary operations, the largest of which is the general fund. It is the county's basic operating fund, used to report all operating activity not accounted for in other funds. Special revenue funds account for operations with revenue sources restricted to a particular purpose. Capital project funds account for construction, rehabilitation, and acquisition of major capital assets. Debt service funds account for debt repayment. Internal service funds account for transfers between county departments supported by direct cost recovery. Enterprise funds account for county functions primarily supported by user charges to external parties.

In addition to summarizing budget detail by fund type, the State Controller's budget schedules also identify each budget unit by function, and principal activity within function. This facilitates aggregating myriad budget data across a multitude of budget units to gain a clearer picture of the sources and uses contained in the budget.

Budget Tables

For each department/agency, budget tables compare trends in staffing, expenditures, revenues, and use of fund balance across time. In a balanced budget, total sources equal total uses. In a *structurally balanced* budget, total ongoing sources equal ongoing uses, net of one-time sources & uses, including beginning fund balance.

Financial Policies and Procedures

Financial policies and procedures ensure fiscal stability and provide guidance for the development and administration of the annual budget.

Budgeting

The County Budget Act contained in Government Code §§29000, et seq. governs the authority of the Board of Supervisors to adopt the annual county budget and specifies the process and deadlines by which certain actions must be achieved. These ensure appropriations authority is in place on July 1 with which to sustain core county operations, while also accommodating year-end processes that determine the budget year's beginning fund balances. This also provides transparency process and accountability in the budget process, allowing open public information and participation when the budget is considered and public hearings are held.

The County Budget Act also empowers the State Controller to prescribe the methods and forms used in presenting the formal budget (29005). Per provisions of the County Budget Act, the Riverside County Board of Supervisors has by past actions designated the County Executive Officer as the officer responsible for administering the county budget.

Preparation of the Budget

The County Executive Officer prescribes the procedures for submitting budget requests (29042).

All county officials are to provide the County Executive Officer budget requests detailing estimated financing sources and uses required on or before June 10 (29040). The County Executive Officer receives these budget requests (29040), prepares requests when an official responsible for submitting a budget request has not done so (29045), and compiles all the requests (29060).

The County Executive Officer reviews the budget requests, prepares a recommended budget, and submits that recommended budget to the Board of Supervisors on or before June 30.

Approval of the Recommended Budget

The Board of Supervisors may make revisions, reductions, and additions to the recommended budget on or before June 30 (29063), and the County Executive Officer is responsible for revising the recommended budget to reflect those changes made by the Board (29083).

To provide the legal spending authority necessary to sustain county operations when the fiscal year begins on July 1, the Board of Supervisors must formally approve the recommended budget, as revised, on or before June 30 (29064). Approval of the recommended budget requires a majority vote.

Adoption of the Budget

- On or before September 8, the Board of Supervisors must make the recommended budget available to the public (29065) and publish public notice of its availability and announcement of public hearings on it 10 days in advance of the hearings (29080).
- Not fewer than 10 days following publication of the hearing notice, and no later than September 18, the Board of Supervisors must commence public hearings on the recommended budget (29080). The Board of Supervisors may continue those hearings day to day until concluded, not exceeding a total of 14 calendar days (29081). The Board of Supervisors must conclude budget hearings on or before October 2 (29081).
 - Any official whose budget requests have been revised (29063) and any member of the public may appear and be heard at the budget hearings (29080(c)).
 - All proposals for revisions shall be submitted in writing to the Clerk of the Board prior to close of the budget hearings (29080(d)). Increases or additions may not be made after the public hearing, unless the items were proposed in writing and filed with the Clerk of the Board before close of the public hearing or approved by the Board of Supervisors by 4/ 5ths vote.

- The Board of Supervisors must approve a resolution formally adopting the budget on or before October 2 (29088). Budget adoption requires a majority vote.
- The County Auditor-Controller must file copies of the adopted budget with the Clerk of the Board and the State Controller on or before December 2 (29093).

Actions Following Adoption of the Budget

- Revisions to the adopted appropriations may be made by an action formally adopted by the Board of Supervisors at a regular or special meeting as follows (29125):
 - If between funds, 4/5ths vote is required.
 - If transfers from appropriations for contingencies, 4/5ths vote is required.
 - If between budget units within a fund if overall appropriations are not increased, majority vote is required.
 - The Board of Supervisors has delegated to the County Executive Officer authority to approve transfers of appropriations within a budget unit to the extent overall appropriations of the budget unit are not increased (29125(b)).
- The Board of Supervisors may at any regular or special meeting by 4/5ths vote make available for appropriation any of the following balances over which the Board of Supervisors has authority (29130):
 - Restricted, committed, assigned, and unassigned fund balances, excluding general reserves, and non-spendable fund balance.
 - Amounts either in excess of anticipated amounts or not specifically set forth in the budget derived from any actual or anticipated increases in financing sources.

In the Event of Emergency

 If due to an emergency the Board of Supervisors has not approved a recommended budget by June 30, appropriations of the previous year final budget shall roll over and be deemed appropriations of the new year, excluding assets and transfers out unless specifically approved by the Board (29124(a)(3)).

- The Board of Supervisors may by 4/5ths vote at any regular or special meeting adopt a resolution declaring an emergency (29127) and approve appropriations and expenditures necessary to meet that emergency, in the following cases:
 - Upon emergency caused by war, fire, failure or imminent failure of the water supply, flood, explosion, storm earthquake, epidemic, riot, or insurrection;
 - For the immediate preservation of order or public health;
 - For the restoration to a condition of usefulness of any public property destroyed by accident;
 - For the relief of a stricken community overtaken by calamity;
 - For the settlement of approved claims for personal injuries or property damages, except claims arising from operation of public utilities owned by the county; or,
 - For mandatory expenditures required by law.
- Emergency expenditures may be paid from any money in the county treasury in any fund from which the expenditure may be properly paid (29128).

Constraints of Appropriations

- Except as provided by law, the Board of Supervisors and every other county official are limited in incurring or paying obligations to the amounts of appropriations allowed for each budget unit in the adopted budget as revised (29120).
- Except as provided by law, obligations incurred or paid in excess of budget unit appropriations are not a liability of the county, but a personal liability of the official authorizing the obligation (29121).
 Except on court order, for an emergency, or as provided by law, the Board of Supervisors cannot

approve a claim nor the Auditor issue payment for any obligation that would result in a budget unit exceeding its appropriations (29122).

 Any unencumbered appropriations remaining at the end of the fiscal year shall lapse and revert to the available fund balance from which they were appropriated (29143).

Basis of Budgeting

Government accounting is distinguished from business accounting by use of funds to separate resources of a jurisdiction by type or use. These fund types are defined by the Governmental Accounting Standards Board (GASB) as follows:

- Governmental Funds
 - General funds
 - Special revenue funds
 - Debt service funds
 - Capital project funds
 - Proprietary Funds
- Internal service funds
- Enterprise funds
- Permanent Funds
- Fiduciary Funds

Governmental funds account for the primary operations of a jurisdiction. The annual budget for governmental funds is done on the modified accrual basis of accounting. Modified accrual accounting recognizes revenues when the dollar value of the revenue is known and collectible within the current period. Proprietary funds account for the businesstype functions of a jurisdiction that provide services almost exclusively on a fee-for-service basis. Because they are intended to operate like businesses, the annual budgets for proprietary funds are done on the full accrual basis of accounting. Full accrual accounting recognizes both revenue and expense when earned. Because they hold assets for other parties, annual budgets are not adopted for fiduciary funds.

Fund Descriptions

For budgetary purposes major funds may differ from major funds reported the County of Riverside Comprehensive Annual Financial Report (CAFR). In a CAFR, major funds are those whose revenues, expenditures, assets, or liabilities are at least 10 percent of all governmental or enterprise funds and at least 5 percent of the aggregate amount for the same item. In a budget document, any fund whose revenues or expenditures, excluding other financial sources and uses, constitute more than 10 percent of the revenues or expenditures of the appropriated budget should be considered a major fund. The budgetary funds and descriptions are as follows:

Major Funds

The general fund is the county's primary operating fund, comprising 58 percent of the overall budget. It is used to account for all revenues and expenditures necessary to carry out the basic governmental activities of the county that are not accounted for through other funds. The county general fund includes such functions as general government, public protection, health and sanitation, public assistance, education, and recreation and culture services. No other single county fund qualifies as a major budgetary fund.

Non-Major Funds, Governmental

A special revenue fund is a governmental fund used to account for and report proceeds of specific revenue sources restricted or committed to expenditures for specified purposes other than debt service or capital projects. Examples include Transportation, County Structural Fire Protection, Home Program Fund, Neighborhood Stabilization, and Aviation funds.

A capital project fund is a governmental fund used to account and report for financial resources restricted, committed, or assigned to expenditures for capital outlay. This includes acquisition or construction of capital facilities and other capital assets. Examples include Developers Impact Fee Operations, the County of Riverside Enterprise Solutions for Property Taxation (CREST) Project, Public Safety Enterprise Communication (PSEC) Project, Accumulative Capital Outlay, and Capital Improvement Project (CIP) funds.

A debt service fund is a governmental fund used to account and report financial resources restricted, committed, or assigned to expenditure for principal and interest. Examples include Pension Obligation Bonds, Teeter Debt Service, and Redevelopment Obligation Retirement funds.

Non-Major Funds, Proprietary (Business-Type) and Others

An internal service fund accounts for goods or services for which the county charges internal customers. Examples include Human Resources, Information Technology, Fleet Services, Custodial Services, and Maintenance Services funds.

An enterprise fund accounts for goods or services for which the county charges outside customers. Examples include Riverside University Health System – Medical Center, Waste Resources, and Housing Authority funds.

Special district and other agency funds are used to account and report financial resources of independent units of local government organized to perform a single government function or a restricted number of related functions. Examples include County Service Areas, Flood Control & Water Conservation District, Perris Valley Cemetery Operations, Regional Parks and Open Space District.

Financial Forecasting

The county has a financial planning process intended to assess short-term and long-term financial implications of policy decisions. Independent economists gather economic data from the national, state, and local levels to produce a five-year generalpurpose revenue forecast for the county. This fiveyear outlook is a vital component in the financial planning process, the county uses to develop plans that maintain the financial health and stability of the county.

Governmental Fund Balance and Reserve Policy

Fund balance is the difference between assets and liabilities on a governmental fund balance sheet, and represents the net remainder of resources less expense at year-end. It is a widely used component in government financial statements analysis. Board Policy B-30, Government Fund Balance and Reserve Policy, establishes county guidelines for use of fund balance with restricted purpose versus unrestricted purpose. This policy applies to governmental funds, which includes the general fund, special revenue funds, capital projects funds, debt service funds, and permanent funds. GASB Statement No. 54, which applies to periods beginning after June 15, 2010, governs how fund balance information is reported to enhance its decision-making value.

Governmental Fund Balance Categories

Governmental fund balances are comprised of the following categories:

- Non-spendable fund balance: amounts that cannot be spent because they are not in spendable form or must be maintained intact.
- Restricted fund balance: amounts specified by external parties, such as laws, regulations creditors, or grantors.
- Committed fund balance: unrestricted amounts formally committed by the Board for a specific purpose. Board approval is required to establish, change, or remove a commitment.
- Assigned fund balance: unrestricted, uncommitted amounts set aside for a specific intended purpose.
- Unassigned fund balance: general fund equity not reported in any other category and available for use. The general fund is the only fund that has unassigned fund balance.

Spending Prioritization

Board Policy B-30 intends to ensure that:

- When both restricted and unrestricted fund balances are available, restricted amounts are used first.
- Unrestricted fund balance are used in the following order: committed, assigned, and unassigned.

Minimum Balance Requirements

Guidelines for minimum fund balance for governmental funds is essential to ensuring a prudent equity level is maintained for working capital to cover expenditures pending receipt of revenues, delays in revenue receipt, or revenue shortfalls.

Unassigned Fund Balance – General Fund

The Board's objective is to maintain a general fund unassigned fund balance of at least 25 percent of the fiscal year's estimated discretionary revenue. A portion of this fund balance may be separately identified for one-time or short-term coverage or budgetary crises. If unassigned fund balance is drawn below 25 percent, the county Executive Office is required to develop a plan to restore it to the minimum level within three years.

Fund Balance – Special Revenue Funds

Special revenue fund balances are to be kept at or above the minimum level dictated by the funding source and should not fall below zero. If the fund balance drops below minimum levels, the department responsible for the fund will develop a plan to restore the balance to established minimum levels within two years.

Pension Management Policy

The focus of Board Policy B-25, Pension Management Policy, is ensuring proper pension plan management. This policy applies to all county defined benefit pension plans, administered by the California Public Employees Retirement System (CalPERS).

Pension Management Policy Overview

• The county's pension assets constitute a trust independently administered by CalPERS to satisfy

the county's retirement obligations. The county bears the ultimate responsibility to meet pension obligations.

- The county sets contribution rates sufficient to:
 - Pay any amounts due to CalPERS;
 - Capture full cost of annual debt service on pension obligation bonds outstanding;
 - Collect designated annual contribution if the county has established a liability management fund in connection with the issuance of such bonds; and,
 - Pay consultants hired to assist the Pension Advisory Review Committee.
- Withdrawal of a group of employees from participation in the plans does not necessarily trigger a distribution of assets.
- If any employee group or department separates from the county, the associated actuarial liability and pension are subject to independent actuarially determined 'true value."
- All contracts or grants include full estimated pension cost in the contract or grant. Upon the termination of such contracts or grants, a termination payment may be negotiated.

Pension Advisory Review Committee

- The Pension Advisory Review Committee (PARC) is comprised of the County Finance Officer (Chair), Treasurer, Human Resources Director, Auditor Controller, and a local safety member department representative.
- The PARC meets at least annually or as necessary upon the call of the Chairperson to address county pension plan topics.
- Each year, PARC prepares a public report of the county's pension plan status and analysis of CalPERS's most recently available actuarial report.
- PARC reviews proposed changes to pension benefits or liability amortization schedules, and provides the Board of Supervisors with an analysis of the long-term costs and benefits.

Pension Obligation Financing

Issuance of pension-related debt is reviewed first by PARC.

- The county may establish a liability management fund in connection with the initial debt issuance, and any future issuance.
- Such liability management funds are funded by projected savings from issuance and only used to retire pension bond debt or transferred to CalPERS to reduce unfunded liability. PARC makes annual recommendations regarding prepayment of pension obligation financings or annual CalPERS contributions, and potential savings from such early payment.

Investment Policy

Board Policy B-21, County Investment Policy Statement, safeguards public funds by assuring the county follows prudent investment practices and provides proper oversight of these investments. The Treasurer annually presents their statement of investment policy to the County Investment Oversight Committee for review and to the Board of Supervisors for approval. The Treasurer's authority to make investments is reviewed annually, pursuant to state law. All investments are governed by restrictions defining the type of investments authorized, maturity limitations, portfolio diversification, credit quality standards, and applicable purchase restrictions.

Portfolio Objectives

The Treasurer actively manages the investment portfolio in a manner responsive to the public trust and consistent with state law with the objectives to:

- Safeguard investment principal;
- Maintain sufficient liquidity to meet daily cash flow requirements; and,
- Achieve a reasonable yield on the portfolio consistent with these objectives.

Investment Oversight Committee

- The Investment Oversight Committee (IOC) has five members and is chaired by the County Executive Office.
- IOC members are nominated by the County Treasurer and confirmed by the Board of Supervisors as openings occur.
- Members of the IOC are chosen from among the following:
 - Executive Office (chair)
 - County Treasurer
 - Auditor-Controller
 - A representative of the Board of Supervisors
 - The County Superintendent of Schools or his/ her designee
 - A representative selected by schools and community college districts
 - A representative selected by special districts with funds in the County Treasury
 - Up to two members of the public.
- IOC duties are specified in Government Code §27133 (review of investment policies), §27134 (compliance audits), and §27137 (prohibits members from making investment decisions), and are limited to assets in the County Treasury investment pool and outside the County Treasury whose investment are under the direct control of the County Treasurer or Board of Supervisors.
- IOC members are advised of, and subject to, Government Code §§27132.1, 27132.3, and §27133(d) (conflicts of interest prohibitions), as well as limits on gifts and honoraria set by the Fair Political Practices Commission (FPPC).

Fiduciary Responsibility

Each County Treasurer, or governing body authorized to make investment decisions on behalf of local agencies, is a trustee and therefore a fiduciary subject to the prudent investor standard. Government Code §27000.3 requires that when investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a county treasurer or board of supervisors will act with care, skill, prudence, and diligence to safeguard the principal and maintain the liquidity needs of the county and other depositors.

Debt Management Policy

Board Policy B-24, Debt Management Policy, protects the county's credit quality through proper debt management, thereby reducing the county's cost of borrowing. This policy applies to all direct county debt, conduit financing, and land secured financing.

Debt Management Policy Overview

- Long-term debt is not used to finance ongoing operational costs. When possible, the county pursues alternative sources of funding, such as grants, to minimize the level of direct debt.
- The county uses special assessment revenue, or other self-supporting debt instead of general fund debt whenever possible.
- Debt issued shall not have a maturity date beyond the useful life of the asset acquired or constructed.
- Long-term, general fund obligated debt is incurred, when necessary, to acquire land or fixed assets based upon project priority and ability of the county to pay. The project should be integrated with the county's long-term financial plan and capital improvement program.
- The county establishes an affordable debt level to preserve credit quality and ensure sufficient revenue is available to pay annual debt service. The debt level is calculated by comparing seven percent of discretionary revenue to aggregate debt service, excluding self-supporting debt.
- The county tries to maintain a variable rate debt ratio in an amount not greater than 20 percent of the total outstanding debt, excluding variable rate debt hedged with cash, cash equivalents, or a fixed-rate swap.
- When it benefits the county's financial or operating position, the county reviews outstanding debt and initiates fixed-rate

refunding. The term of such refunding does not extend the maturity beyond the original debt without compelling justification.

- Each county department, agency, district or authority managing debt:
 - Observes applicable state and federal regulations and laws regarding disclosure in all financings.
 - Files annual reports and material event notices with appropriate state and/or federal agencies in a timely manner.
 - Provides an annual certificate to the Debt Advisory Committee of its compliance or noncompliance with state and/or federal disclosure laws.

Debt Advisory Committee

- The Debt Advisory Committee (DAC) reviews proposed county-related financings at least once prior to approval by the Board of Supervisors.
- The DAC has seven members chaired by the County Executive Office:
 - County Executive Office (chair)
 - County Treasurer
 - County Auditor-Controller
 - County Counsel
 - Business and Community Services Executive Director
 - Community Facilities District/Assessment District Administrator
 - General Manager Chief Engineer, Flood Control & Water Conservation District
- DAC meetings are held monthly or as called by the Chairperson.
- Each financing proposal brought before the DAC includes:
 - A detailed description of the type and structure of the financing;

- Full disclosure of the specific use of the proceeds;
- A description of the public benefit to be provided by the proposal;
- The principal parties involved in the financing;
- Anticipated sources of repayment;
- An estimated statement of sources and uses;
- Any credit enhancements proposed;
- The anticipated debt rating, if any; and,
- An estimated debt service schedule.
- The DAC acts on items brought before it with either a 'Review and File" or 'Review and Recommend" action.

Conduit Financing

Conduit financing is an arrangement involving a government agency using its name in an issuance of fixed income securities for a large capital project. The county uses conduit financing to encourage:

- Development of residential housing intended to provide quality, affordable single-family housing for first time homebuyers, within incorporated and unincorporated areas.
- Development of residential housing that complies with both federal and state requirements for low- and moderate-income multi-family housing within the incorporated and unincorporated areas of the county.
- Commercial, retail, industrial, and other development projects that increase the employment base within the county to create jobs/housing balance and enhance the overall tax base of the county.

Land Secured Financing

Community Facilities Districts (CFDs) or Special Benefits Assessment Districts (ADs) are considered when public facilities of a residential development represent a significant public benefit:

- The county uses CFDs or ADs to develop commercial or industrial properties that increase jobs, property or sales tax revenues, and major public improvements.
- Projects comply with the requirements of the Improvement Act of 1911, the Municipal Improvement Act of 1913, the Improvement Bond Act of 1915, or the Community Facilities Act of 1982, and provisions of Board Policy B-12.

Alternate Financing Products

Alternate financing products are different methods that may be used by the county to reach their financial objectives, such as:

- Achieving greater debt savings by taking advantage of market conditions;
- Better managing county assets and liabilities;
- Reducing interest rate risk; and,
- Increasing cash flow savings.

The county does not use alternative financing products for speculative purposes, and Board of Supervisors approval is required.

Interest Rate Swaps

An interest rate swap is a financial contract between a bank and the county in which a floating rate of interest is swapped for a fixed rate on the issuance of bonds. This allows the county to save money by hedging against rising interest rates.

- Each interest rate swap agreement includes payment, term, security, collateral, default remedy, termination and other terms, conditions and provisions that the County Finance Officer, in consultation with County Counsel and the County Treasurer, deems necessary.
- To minimize counterparty risk, the county may enter into swap agreements only with counterparties rated AA by at least one rating agency, and each counterparty shall have a minimum capitalization of \$150 million.

- Diversification of counterparties is the expressed goal of the county.
- The county will not provide collateral to secure its obligations under swap agreements if the credit rating of the counterparty falls below AA by any rating agency. Collateral, equaling at least 102 percent of the swap amount, shall consist of cash or U.S. Government securities deposited with a third-party trustee.
- All swap agreements shall contain a provision granting the county the option to terminate the agreement at any time over its term.

Budget Overview

Executive Summary

The formation of this budget has been like none other due to the extraordinary speed of negative financial impacts from the COVID-19 global pandemic. The United States government has responded with unprecedented fiscal stimulus in the form of the multi-trillion-dollar CARES Act for COVID related expenses, not revenue losses, while the Federal Reserve brought enormous liquidity to the financial markets and initiated emergency interest rate cuts not seen since the Great Recession levels of the last decade. The public health crisis has quickly evolved into an economic crisis causing a plunge in projected discretionary revenue.

The overall budget establishes \$6.5 billion in appropriations for Riverside County, an increase of 3 percent from previous budgeted spending levels, while the overall estimated revenue is projected to increase to \$6.3 billion, an increase of 7 percent. The difference between appropriations and revenue is covered with use of departmental reserves, net assets and reserves.

General fund discretionary spending, or net county cost (NCC), is \$868 million, which includes \$20 million in contingency being budgeted for the Board's use in dealing with mission critical or emergency items that may arise throughout the year. General fund discretionary revenue is projected at \$842 million. The projected reduction of \$50 million in FY 20/21 in discretionary revenue is largely due to a shortfall in interest earnings, sales tax revenue, fines and penalties, and documentary transfer tax, as well as the backfill of Proposition 172 revenue loss of \$16 million to public safety departments.

A few departments submitted requests for \$98 million more in NCC, well above and beyond the base budget submittal. The entirety of these additional costs cannot be absorbed in the midst of a major shortfall in projected revenue, while also dealing with rising costs attributable to salaries and pension obligations, increasing social service program costs, as well as staffing costs related to the John J. Benoit Detention Center. After elimination of these new NCC requests, the focus was to reduce as much as possible the net deficit.

In an early effort to blunt the revenue losses as a result of the shutdown of the economy, effective March 26, all general fund departments receiving NCC were directed to eliminate all non-mission critical, nonessential spending. On May 6, in preparation for the FY 20/21 Recommended Budget, further direction was given to departments to develop a two phased budget cut approach to address the projected \$100 million or more shortfall in an effort to keep discretionary spending within acceptable reserve limits and continue meeting our high priorities established by the Board. The result was a total of \$97 million in spending reductions, equating to an overall reduction of three percent. These hard decisions have to be made to align spending with our new fiscal reality.

Reserves are intended to cover expenses for a finite length of time during an economic or natural disaster with severe economic impacts. The County's reserve balance for the beginning of FY 20/21 is projected at \$219 million, down from \$264 million, or a 21 percent decline compared to the beginning of FY 19/20. At fiscal year-end, with the two phased budget cut approach, reserves are anticipated at \$180 million, down by \$39 million.

Substantial efforts were put forth to meet the priorities set by the Board of Supervisors and serve the citizens, residents, and businesses of Riverside County, while at the same time being realistic as to the state of the economy. The COVID-19 pandemic is certainly proof that Riverside County must always be prepared and resilient, and maintain a strong financial position to weather any storm.

Total General Fund Estimated Revenue

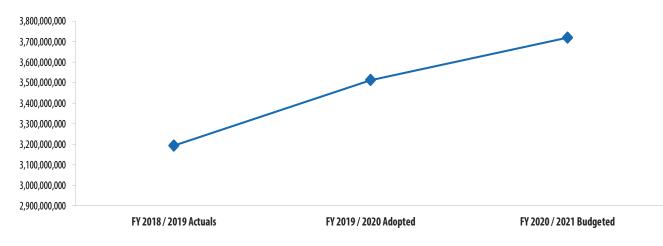

The budget projects \$3.7 billion in estimated general fund revenue, a 5.9 percent net increase of \$206.6 million. By portfolio, the Human Services Portfolio is projected to receive \$1.1 billion, or 30.3 percent of general fund revenue, a net revenue increase of 9.1 percent. The Finance and Government Services Portfolio is projected to collect \$1 billion, or 26.9 percent, a net revenue increase of 6.0 percent. The Public Safety Portfolio is projected to collect \$869.7 million, or 23.4 percent of estimated general fund revenues. As noted above, general government

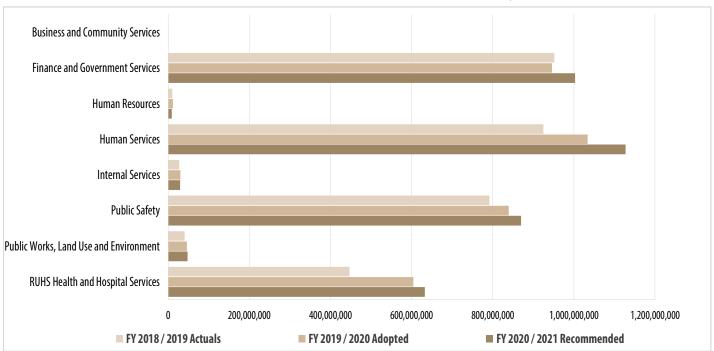

departments are responsible for collecting the bulk of the county's general-purpose revenue, causing the amount of revenue attributed to that functional group to be disproportionate to their appropriations. Such revenues include property taxes, sales and use taxes, and public safety sales tax. The RUHS Health and Hospital Services Portfolio is projected to collect \$632.8 million, or 17 percent of general fund revenue, reflecting a net revenue increase of 4.7 percent. The other portfolios together comprise only 2.4 percent of all estimated general fund revenues.

Discretionary General Fund Estimated Revenue

Overall, county spending is dominated by mandated core functions such as health, welfare, and criminal justice, which are heavily supported by purposerestricted state and federal subventions. While having fiduciary responsibility for oversight of the entire county budget, the Board of Supervisors has discretionary spending authority over a limited amount of the county's overall financial resources. The Board alone decides how general fund generalpurpose revenue will be spent. Only 23 percent, or \$842 million, of the county's estimated general fund revenue is general-purpose, with the remaining 77 percent comprised of purpose-restricted sources such as state and federal revenues. General-purpose revenues are estimated in part on internal projections based on revenue history, and on reports from independent economists hired by the county to provide economic forecasts.

Property Taxes

Property tax revenue comprises 49 percent of the county's general-purpose revenue, and is estimated at \$409.6 million, including \$122.3 million in redevelopment tax increment pass-thru revenue. As property values increase, this revenue increases. Property tax estimates assume 5 percent growth in assessed valuation.

25% Annual Change in Assessed Value

Motor Vehicle In-lieu Fees

Motor vehicle in-lieu revenue is estimated at \$286.6 million, and represents about 34 percent of the county's discretionary revenue. When the state converted this revenue source to property tax revenue, it became tied to changes in assessed valuation. In essence, although tracked separately, it is now just another component of property tax revenue. When combined with traditional property taxes, property-driven revenue equates to 83 percent of the county's general purpose revenue.

Sales and Use Taxes

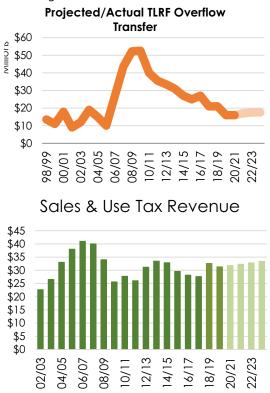

Due to the shutdown of the economy from COVID-19, sales and use taxes are estimated at \$29.1 million and represent about 3 percent of the county's discretionary revenue. The county lost a significant share of revenue to incorporations in FY 09/10, however, was partially offset from FY 12/13-15/16 while major solar projects

were under construction. Since completion of these projects, the trend has normalized.

Teeter Overflow

In 1993, the county adopted the Teeter Plan to secure participating taxing entities' property tax apportionments against delinguencies. Debt service on the Teeter financing is paid off as delinguent properties are redeemed. State law requires a tax loss reserve fund with a balance equal to 1 percent of the Teeter roll. Any delinquent collections exceeding the 1 percent, called the Teeter Overflow, may be transferred to the general fund. Due to key assumptions such as, assessment roll growth, interest and delinguency rates for FY 20/21, Teeter Overflow revenue is estimated at \$16 million.

As part of the COVID-19 related response from the State, on May 6, 2020, Governor Newson signed Executive Order N-61-20 granting county tax collectors the ability to cancel penalties, costs, and interest for taxes not timely paid on certain properties that were not delinquent prior to March 4, 2020. The Order expires May 6, 2021. The county is collecting more information with respect to late collections as part of the projections being prepared in connection with the budget.

Interest Earnings

The Treasurer's estimate includes factors such as: general fund balances in the Treasurer's Pooled Investment Fund (TPIF), current and projected level of interest rates, and the continuation of accommodative US Federal Reserve monetary policy, impacting interest earned by investors such as the TPIF. The COVID-19 pandemic will affect both general fund balances and earnings rates. General fund balances are expected to be lower as a result of revenue disruption. Due to recent rate cuts by the Federal Reserve and current economic factors, the County

Treasurer projects interest earnings at \$4 million, a decrease of \$14 million from FY 19/20.

Court Fines and Penalties

Court fines and penalties are estimated to decrease to \$10.8 million from \$19.1 million. Representing 1 percent of the county's discretionary revenue, fines and penalties are tied to funding the county's obligation to the trial courts, and subject to state maintenance-of-effort requirements. The county continues to shift fines and fees resulting from trial court reform to the state.

Documentary Transfer Tax

Documentary transfer tax revenue is generated by recordation of transfers of real property ownership and is projected to decrease 42 percent to \$8.7 million.

Franchise Fees

Franchise fee revenue is collected as part of franchise agreements executed between the county and utility, waste, and cable franchisees. Franchise revenues are typically calculated as a percentage of the franchise revenue from services and sales to customers within the county. Franchise revenue is estimated to decrease 1.4 percent to \$6.9 million. Previously, cable franchise fees were administered by the Clerk of the Board and applied to their budget as departmental revenue. However, since cable franchise fees are declining due to increased obsolescence, this revenue was realigned to discretionary revenue to stabilize the Clerk of the Board's budget. Franchise revenues tracked here do not include franchise revenue from solar power plant projects, which are deposited to a separate fund per Board policy.

Tobacco Settlement Revenue

In 1998, when the master tobacco litigation settlement was finalized, tobacco companies agreed to pay for causing tobacco-related problems across the nation. California cities and counties entered into an agreement with the state establishing allocation of the proceeds. In 2007, the county sold a portion of its tobacco settlement income to generate a one-time lump-sum amount. This year the annual payment will be \$11.5 million, which the general fund contributes to the county medical center to use for debt service payments.

Federal, State, and Other Miscellaneous

A small portion of the general fund revenue received from federal and state sources is unrestricted and available for discretionary use. Miscellaneous revenue includes other revenue not readily classified in other categories.

Discretionary General Fund Appropriations

The discretionary general fund portion of the budget includes \$868 million in net county cost allocations. These net cost allocations included 5-10 percent cuts to achieve savings. The tables below list the net county cost allocations summarized by functional area and department within the general fund, with the breakout following of individual contributions to other county funds and outside agencies with which the county has obligations.

Budget Policies

Budget Policies

The budget was developed with the following Boardapproved strategic objectives in mind.

Financial Objectives

The Executive Office focuses multi-year fiscal planning on fiscally sustainable operations that support the county's long-term strategic vision. These financial objectives include:

- Achieving a structurally balanced budget in which ongoing expenditures do not exceed ongoing revenues.
- Achieving and maintaining prudent reserves and working capital.
- Limiting use of one-time resources only to one-time expenditures and rebuilding reserves.

Short and Long-Term Factors Influencing Objectives

Several factors constrain the county's strategic financial objectives.

Revenue Growth

Assessed valuation, the basis for property tax and motor vehicle in-lieu, is assumed to grow by 5 percent during the budget year, based on the lien date of January 1 for the establishment of ownership and value for the ensuing fiscal year.

Prudently cautious about the likelihood of out-year softening, the Executive Office is now assuming a more graduated cooling to valuation growth that steps down to 3.5 percent over the next few years. Due to COVID-19 and the shutdown of the economy, growth in taxable sales, sales and use tax and Proposition 172 public safety sales tax estimates will decline. Also, actions by the Federal Reserve have caused the Treasurer's interest earnings forecast to decrease. Overall, general-purpose revenue growth is estimated to decline by 2 percent over the next fiscal year. Unfortunately, revenue growth at this rate will continue to be substantially outpaced by increasing costs.

Labor and Pension Costs

Provisions of past labor agreements and steeply rising pension obligations continue to increase costs for salaries and benefits across departments. A full detailed analysis of pension rising costs can be found in each years' annual PARC Report.

New Detention Center

Phased opening of the new detention center continues to factor substantially into long-term operational planning. However, discussions with the Sheriff's Department are ongoing, with the potential to more gradually ramp up to full operations over a longer period.

Inmate Legal Settlement

The county continues working diligently to meet the settlement terms of a federal suit filed on behalf of inmates in the county's jails. Not part of the settlement terms per se, but triggered by it, are costs to provide security for these added health care workers and their patients.

In-Home Supportive Service Costs

The Governor's May Revised budget is forecasting a reduction of roughly \$38-\$45 million, or, thirteen percent which will carry forward to FY20/21 and fully eliminate 2011 sub fund reserves. This revenue supports entitlement programs, such as IHSS, and DPSS is unable to reduce expenditures in this area. The department is actively monitoring as the state refines projections. The estimated reduction in revenue, when only applied to administrative operations, could result in upwards of a forty percent cut.

Insurance Costs

During the downturn, the county held self-insurance rates artificially low to lighten the burden on departments. However, due to an increase in costs associated with general liability and workers' compensation claims, along with increases in insurance premiums it was necessary to raise those rates. Departments have been asked to absorb increases in these costs, the charges for which correlate directly to each department's claims and judgment history. In May 2019, the Board approved recommended changes that will promote mitigation activities in an effort to prevent or reduce claims.

Internal Service Costs

Internal service rates were originally set for full cost recovery prior to COVID-19. Yet during the budget process, the internal service department budgets were cut 5 percent to give relief to the general fund departments who were also asked to take cuts. The internal service departments will absorb the budget cuts through attrition and service level negotiations with user departments.

Budget Strategy

Given limited options to address growing costs while containing discretionary spending overall, the Executive Office advocates an aggressive approach to resolving the structural deficit. This budget strategy emphasizes a pragmatic, fiscally disciplined, multiyear approach to closing the gap.

Focus on Legally-Mandated Services

Concentrating limited discretionary resources on legally mandated mission critical core services.

Cost Containment & Avoidance

- Curtailing program enhancements or expansions unless or until sustainably funded 5-year operational plans are developed.
- Holding firm on labor negotiations.
- Tightly tying new position authorization together with appropriations and funding availability.
- Selectively deauthorizing and deleting unfunded vacant positions that serve no current operational purpose.
- Capturing salary savings by deauthorizing and deleting non-essential funded vacant positions.
- Limiting hiring to replace recently vacated mission-critical positions.
- Evaluating historic returns of discretionary allocations to identify and eliminate other forms of overfunding and reallocate where missioncritical.

Achieving Efficiencies

- Implementing and expanding on findings in the criminal justice system and other areas.
- Identifying and adopting efficiencies in operations, especially internal services.

Full Cost Recovery

 Bringing departmental fee schedules current and keeping them up to date. Ensuring contracts with other jurisdictions using county services and facilities are kept current with actual costs.

Maximizing Departmental Resources

While the forecast of discretionary revenues indicates modestly optimistic growth, holding net costs as level as possible remains imperative to closing the deficit. Given the added costs of new labor contracts, increasing pension obligations, staffing costs for the new detention center as well as costs related to the legal settlement, uncertainty surrounding the outyear costs of the General Assistance Program and In-Home Supportive Services, reducing other costs remains essential.

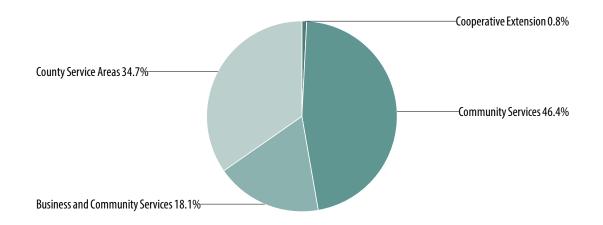

Since healthy reserves are absolutely essential when downturns occur and a key credit rating factor, a prime objective of our budget strategy has been maintaining general fund discretionary reserves at a minimum level of \$150 million and restoring them to required levels as soon as possible. Board Policy B-30 sets a reserve goal of 25 percent of discretionary revenues. The budget anticipates using reserves until structural balance is achieved.

The focus of this strategy is to contain and reverse the structural deficit while working on longer-term strategies to neutralize the factors within the county's control that contribute to structural imbalance. Achieving these financial objectives requires maintaining a pragmatic, fiscally disciplined approach to the many significant financial and operational challenges the county faces

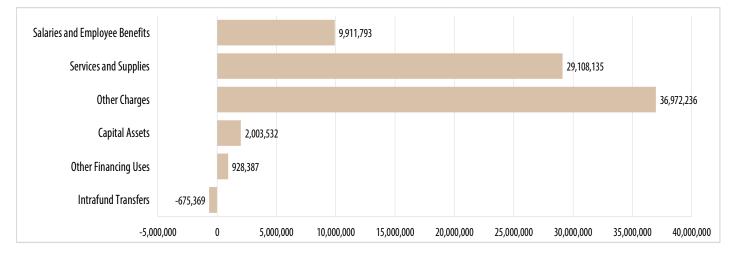

Introduction

Business and Community Services consists of Economic Development, the Riverside County Library System, the Edward Dean Museum, the Fair and National Date Festival, and various grant and administrative budget units that support operations. These departments play a vital role in the economic position of the county and its' residents. They also improve quality of life by providing cultural and entertainment activities. The services provided by this portfolio of departments are offered county-wide and each department takes a great deal of pride in providing non-traditional assistance when called upon for special projects such as distributing CARES Act funding via small business grants, helping collect Census data, and providing facilities for COVID-19 response activities.

Mission Statement

Enhance the economic position of the county and its residents, improve the quality of life, encourage business growth, build a positive business climate, develop a trained workforce, improve existing communities, offer a variety of housing opportunities, provide cultural and entertainment activities, and maintain the environment.

Description

Agency Administration is comprised of 24 accounting and administrative professionals that are responsible for the budget planning and analysis, procurement, invoice processing, revenue recovery, project costing, personnel management, and customer service needs of Business and Community Services.

Economic Development facilitates regional economic development efforts that promote job growth, investment, entrepreneurship, and innovation. It also creates a business-friendly climate that supports the efforts of the private sector.

The Fair and National Date Festival provides maximum use of the fairgrounds year-round to meet social, cultural, and economic needs of the community. The Fair and National Date Festival has been an annual community tradition in the Coachella Valley for over 70 years. The 10-day event features live entertainment, including headliner concerts, monster trucks, freestyle motocross, carnival rides, shows and attractions.

Community Services

County Library System & Edward-Dean Museum

Mission Statement

Enhance the economic position of the county and its residents, improve the quality of life, encourage business growth, build a positive business climate, develop a trained workforce, improve existing communities, offer a variety of housing opportunities, provide cultural and entertainment activities, and maintain the environment.

Description

The Riverside County Library System (RCLS) is a network of 36 libraries with two more libraries being built in 2021, two bookmobiles, and a city museum.

The Edward-Dean Museum (EDM) is located in Cherry Valley, and hosts numerous weddings, receptions, banquets, retirements, concerts and other special events. The museum presents three rotating exhibits throughout the year and is committed to providing culturally enriching experiences to all attendees.

 The Business and Community Services (BCS) manages several amenities that benefit the residents, businesses, and the communities that the department serves. Community Centers, water parks, and parks under BCS management and oversight include:

Mead Valley Community Center

- Eddie Dee Smith Senior Center
- Moses Schaffer Community Center
- Idyllwild Community Center
- James Venable Community Center
- Norton Younglove Community Center
- Cove Water Park
- DropZone Water Park
- Perret Park
- Lakeland Village

These facilities are managed through operating agreements that provide community center services and activities for county residents.

Cooperative Extension

Cooperative Extension

Mission Statement

To enhance the quality of life and the environmental and economic well-being of the citizens of California through research and education.

Description

The University of California Cooperative Extension (UCCE) Riverside County programs provide research and education in: agriculture, nutrition, family and consumer sciences, 4-H youth development and natural and environmental sciences to improve the quality of life and the environmental and economic well-being of the citizens of Riverside. Healthy agricultural systems are essential to the quality of life and the economy. UCCE sparks innovation and encourages environmentally friendly production practices. Stewardship of California's natural resources — water, forests, rangelands —are core to the mission, so the landscapes are preserved for generations to come. UCCE promotes: healthy people and communities, safe, nutritious and abundant food, and education to make every food choice and dollar count. UCCE educates the communities in the county to create sustainable gardens and landscapes — from growing food to building fire-safe landscapes and making every drop of water count. 4-H believes in the power of youth. 4-H grows here knowing that every young person is unique, has strengths and real potential to improve the world. The UCCE Riverside was established in 1917 via a Memorandum of Understanding (MOU) between the University of California Agriculture and Natural Resources (UC ANR) and the County of Riverside. In this partnership, the university provides funding for researchers and educators and Riverside County provides General Fund support for the division's operational budget and support staff.

Budget Changes & Operational Impacts

Staffing

The department initially requested adding a Volunteer Services Coordinator. The Volunteer Services Coordinator (4-H Program Representative) for Latino Initiative Program was previously funded by a UC ANR pilot special funding program for three years (2015-2018). In 2019, the department maintained the position via funding from grants, cost recovery and various donors. UC and/or grant funding is not available for the Latino Initiative program this year. The department realizes the county's struggle to balance the budget, therefore will no longer be requesting at this point in time.

Expenditures

- Salaries & Benefits
 - Salaries and benefits will decrease by approximately \$40,000, or 12 percent.
 - As a result of phase 1 budget cuts, 0.5 Accounting Assistant 1 (AA1) position will be reduced. Total savings anticipated from this cut is \$26,588.
 - Other staff will cover a portion of the responsibilities due to the 0.5 reduction in personnel. Program staff and academics will work to develop improved business practices to find efficiencies. There may be a slight reduction in programming and increased

workload for existing personnel while efficient processes are sought.

Net County Cost Allocations

• Net decrease of \$40,000 consistent with the conferred net county cost reduction.

Introduction

The Finance and Government Services group provides county governance and administrative oversight. These include legislative, administrative, finance, counsel, elections, property management, plant acquisition, and promotional activities. The Board of Supervisors, supported by the Clerk of the Board, serves as the governing legislative body of the county, while the Executive Office provides administrative oversight under the Board's direction. Finance activities include assessment of property values by the Assessor; enrollment and distribution of the tax levy, depositing revenue collection, processing payments, entering budget adjustments by the Auditor Controller; collection of property taxes and management of the investment pool by the Treasurer-Tax Collector; and, procurement services by the Purchasing Agent. County Counsel performs legal advice and litigation support activities for the Board of Supervisors and county departments. The Registrar of Voters performs elections activities ensuring honest and impartial elections.

Assessor

Assessor

Mission Statement

Fulfill the legally and locally mandated functions of the Assessor in an accurate, timely, professional, and courteous manner and ensure high quality service.

Description

By law, the Assessor must locate all taxable property in the County of Riverside, identify the owners, and describe the property. The Assessor must determine a value for all taxable property and apply all legal exemptions and exclusions. The Assessor must also complete an assessment roll showing the assessed values for all taxable property in Riverside County. The Assessor's Office consists of the following divisions that address and serve the specific needs of the property tax payers: Agriculture, Business Personal Property, Commercial, Manufactured Homes, and Residential. The Assessor Division is part of the 'Assessor - County Clerk - Recorder" Business Unit (ACR). The ACR is ran by the elected County Assessor -County Clerk - Recorder. The Assessor is also the lead agency for the County of Riverside's Enterprise Solutions for Property Taxation (CREST) project. This new system will unite the county's three property tax departments (Assessor, Auditor Controller, and Treasurer-Tax Collector) by modernizing procedures, improving efficiencies, adding flexibility and ultimately replacing the current property tax system.

Budget Changes & Operational Impacts

Staffing

Net increase of eight positions from the prior fiscal year, totaling 210 authorized positions. Eleven vacant

positions have been removed due to no expectation to be filled.

Expenditures

Net increase of \$4.5 million.

- Salaries & Benefits
 - Increase of \$1.7 million due to scheduled pay increases.
- Services & Supplies
 - Increase of \$2.9 million in grant funded projects.
- Fixed Assets
 - Decrease of \$2 million attributed to hardware refresh not necessary in the current fiscal year.

Revenues

- Fees and Charges
 - Increase of \$7.1 million attributable to timeshare assessments.

Departmental Reserves

- Fund 11177 SCAPAP
 - Sub-fund use of \$3.29 million to support SCAPAP grant initiatives in accordance with State guidelines.

Budget Cut

The Assessor's office will leverage remaining reserves to bridge the budgetary gap created by FY 20/21 NCC cuts. We do not anticipate the availability of reserves beyond FY 20/21. The Assessor's office will continue to work closely with the Executive Office to address any future budgetary concerns.

Net County Cost Allocations

As salaries and benefits continue to increase due to bargaining unit agreements, the Assessor's department will continue exploring opportunities to streamline operations and maximize other available funding sources to continue providing mandated public services.

Auditor-Controller

Auditor-Controller

Mission Statement

OVERSIGHT | INTEGRITY | ACCOUNTABILITY

Description

The Office of the Auditor-Controller has many legal mandates. As legislated under the government code, the office provides fiscal oversight countywide for all governmental agencies under the control of the Board of Supervisors. The office is responsible for establishing a chart of accounts in accordance with the generally accepted accounting principles for financial transactions. The department is also responsible for financial transactions' budgetary control, property tax administration, disbursements/ vendor payments, 1099 reporting, capital assets management, biweekly payroll processing for over 22,000 employees, general ledger transactions approvals, cash management including issuance of tax anticipated notes, accounts receivable, long-term debt, rate/fee reviews, annual audit plan, and preparation of financial reports, such as the Comprehensive Annual Financial Report (CAFR), Popular Annual Financial Report (PAFR), and State Controller's report.

Our customers include serving 2.4 million county residents, over 28,000 active vendors, 28 cities, state, federal and 400 taxing agencies, K-12 school districts (430,000 students), community colleges, special districts, redevelopment successor agencies, employee unions, and county department's fiscal and accounting personnel. We have over 1 million parcels and we distribute over \$3.7 billion in property taxes annually.

Budget Changes & Operational Impacts

Staffing

The Auditor-Controller defunded 12 positions in order to meet rising costs in benefits and reduced revenues.

Expenditures

- Salaries & Benefits
 - The increase in salaries and benefits the Auditor-Controller had to absorb was offset by defunding 12 vacant positions or 11 percent of the departments' total positions. These defunded positions will negatively impact the Auditor-Controller's ability to execute its fiduciary and statutory responsibilities.
- Services & Supplies
 - Overall estimates were reduced to meet demands to cut from the overall NCC. The cuts were made to training and IT related expenses.
- Intrafund Transfers
 - There was a slight increase in the projection for Intrafund Transfers. The FY 20-21 projection is larger due to more indirect costs being recovered for services.

Revenues

- Taxes
 - Tax revenues are estimated to increase by approximately \$21.3 million.
- Intrafund Transfers
 - Estimates are reduced as costs are being allocated to other billable activities.

- Other Revenue
 - Revenue from the electronic payables program are estimated to stay the same as the program begins to stabilize and possibly decrease.

Description

The Executive Office is responsible for proper and efficient administration of county departments, agencies, and special districts under the jurisdiction of the Board. The Executive Office administers and enforces policies established by the Board and promulgates rules and regulations as necessary to implement Board policies. The department represents the Board in the county's intergovernmental relationships and activities and coordinates with other local government. The department also recommends employee relations policies and positions (in consultation with the county personnel director), prepares multi-year plans for capital projects, administers debt management, information management needs and financial issues.

The Executive Office oversees the countywide budget and its related activities such as submittal of county budget to the Board, approving fund transfers within different budgetary units, providing quarterly budget reports on the status of the budget and making recommendations to the Board, as well as establishing control systems to ensure departmental compliance with approved budgets. Additionally, it is the department's responsibility to develop countywide programs or recommend cost-saving initiatives that create savings and efficiencies in county government.

Public Information Unit

The Executive Office has formed the Public Information unit in January 2019. The unit is charged with leading and coordinating strategic countywide communications across all county departments and on all available public information platforms. The communications team is comprised of three positions: the County Public Information Officer, a Senior Management Analyst and a Public Information Specialist. Core functions of the Public Information unit include media relations, community relations, social media outreach, video production, website design and promotion of the RivCo brand. The Executive Office Public Information unit works closely with county departments and designated public information personnel to coordinate and support various public education initiatives and public relations campaigns across departments.

Legislative Administration

The legislative administration is part of the Executive Office budget and its purpose is to work in conjunction with the Board of Supervisors as a liaison to the county's legislative advocates in Sacramento and Washington D.C. on the Riverside County Legislative Program. The Executive Office acts as a centralized 'clearing house" for legislative matters, ensuring that all advocacy efforts are entirely consistent with Board of Supervisor's vision. The purpose of the program is to secure legislation, which benefits the county and its residents, and to oppose/ amend legislation, which might adversely affect the county. Further efforts will be provided through a new legislative specialist position to assist with legislative matters in Sacramento and Washington, as well as legislative changes on State funding related to COVID-19.

Contributions to Other Funds

Contributions to other funds is a budget unit organized by the Executive Office and used to contribute discretionary support to operations and programs outside of the general fund. These contributions may include required state 'maintenance of effort" payments for certain programs as well as public safety, revenue-sharing agreements, and debt service related expenditures that require general fund support.

Court Sub-fund

Fees, fines, and forfeitures collected by the Riverside Superior Court for criminal offenses are placed in a trust fund, and distributed to the county to fund adequate court facilities. The funds disbursed to the county are deposited in the general fund and monitored by the Executive Office.

CFD Assessment District Administration

The Community Facilities Districts (CFD) and Assessment Districts Administration falls within the Executive Office's responsibility. The Mello-Roo's Community Facilities Act of 1982 authorized local governments and developers to create CFDs for the purpose of selling tax-exempt bonds to fund public improvements and services. The CFD and Assessment District Administration supports the administrative activities of the county's land-secured finance districts.

Pass Thru Funds

The Executive Office also oversees various 'pass thru" funds, which include revenue from Teeter overflow activity, as well as administrative activity for development impact fees, pari-mutuel in-lieu of tax, tax loss reserve, dispute resolution, AB2766 air quality, health and juvenile services, solar program, and the Casa Blanca Clinic operations.

Contribution to Health and Mental Health

In 1991, the state transferred the responsibility for community-based mental health programs, state hospital services for county patients, institutions for mental diseases, and the AB8 county health services to the counties as part of a realignment of state and local programs. There were also changes to the county cost-sharing ratio for the California Childrens' Services, and various social services programs. The legislature and the administration developed three pieces of legislation – Ch 87/91 (AB758, Bates), Ch 89/ 91 (AB1288, Bronzan), and Ch 91/91 (AB948, Bronzan), which affected a total of 18 programs (16 in the health and welfare area).

This legislation included three major components: (1) program transfers from the state to the counties, (2) changes in state/county cost-sharing ratios for certain social services and health programs, and (3) an increase to the state sales tax and Vehicle License Fees (VLF) earmarked for supporting the increased financial obligations of the counties. The legislation did not give counties discretion to use these revenues for any local purpose, nor did it make the realigned program discretionary. The legislation does authorize counties to transfer up to 10 percent of funding from one major program area to another and an additional 10 percent from health programs to the entitlement driven programs if increased caseload costs exceed the amount of revenues available in the social services account. County general fund support of \$8.9 million is given annually to cover a portion of these costs.

On March 23, 2010, the Affordable Care Act was signed into law, which changed the dynamics of realignment funding. This new law brought along counties' costs anticipation that the and responsibilities for health care services for the indigent population would decrease. Therefore, on June 27, 2013, Governor Brown signed into law AB 85, which provides a mechanism for the state to redirect 1991 State Health Realignment funding to fund social service programs. The state offered two formula options developed in consultation with the counties and Department of Health Care Services to ensure continued viability of the county safety net: option one, 60 percent of health realignment redirected, or option two, use a formula-based approach that takes into account a county's cost and revenue experience, and redirect 80 percent of the savings realized by the county. Riverside County opted into the formulabased approach and currently redirects up to 84.4 percent of savings. The funds are then redirected to be used for social service programs.

County Executive Office - Courts

Mission Statement

In support of the Board of Supervisors, the mission of the County Executive Office is to facilitate administrative excellence in partnership with departments, through leadership, vision, stewardship of resources, and communication, to promote, foster and enhance the quality of life in Riverside County. The Executive Office's core values include: integrity in service, teamwork, competence and perspective, and making a difference.

Description

The Executive Office oversees the administration of various budget units within the Public Protection functional area. These budget units receive revenue and make payments that are required by the state based on legislation or court orders and are considered 'pass-through funds." County departments and agencies receiving the funds execute the operational activities related to each budget unit.

- Contribution to Trial Court Funding: In FY 97/98, AB233 became effective, which provides state responsibility for funding of trial court operations. Each county is responsible for contributing to trial court operations, which is permanently capped at the same dollar amount as that county provided to court operations in FY 94/95. The Contribution to Trial Court Funding budget unit receives revenues from trial courts and distributes a portion back to the state based on this legislation.
- Confidential Court Orders: This budget unit reimburses the Superior Court for defense expenses related to Penal Code 987.9. All expenses must be requested by counsel and approved by a judicial panel. Services covered include expert witnesses, experts assisting in preparation of demonstrative evidence for trial, medical and lab support, legal research and investigative services.
- Court Facilities Payments: The county makes required quarterly facilities payments for all courts transferred to the state as of December 31, 2009. Under terms of joint occupancy agreements between the county and the state, quarterly payments are made for operations, maintenance, and utilities at four shared facilities: Larson, Banning, Southwest, and Riverside Juvenile Court. The budget also provides property and liability insurance, custodial service and building maintenance for the historic courthouse and law libraries. Juror parking and a juror trolley service is also paid from this account.
- Court Reporter Transcripts: Judges in Superior Courts may make motions directing the county to pay for creating a verbatim record in criminal matters, appeals, juvenile proceedings, proceedings to declare a minor free from custody, probate proceedings and some civil matters. Pursuant to these orders, court reporters must submit an invoice along with a minute order for

each case to the County Executive Office. Requests for transcripts by the prosecutor or defense attorney are charged to the requestor's office.

- Grand Jury: The Executive Office oversees the Grand Jury budget, which funds stipend and mileage reimbursements for the 19 Grand Jury members, as well as for the Criminal Grand Jury, which is empaneled and requested at the request of the District Attorney. The Grand Jury is selected by the court following an application, interview, and then random selection of those interviewed. The impaneled jury is charged and sworn to investigate or inquire into county matters of civil concern. Penal Code 888-892 and 914.5 require the county to pay all costs associated with civil and criminal grand juries.
- Indigent Defense: This budget unit provides legal defense services to the impoverished, as directed by the court, in criminal, juvenile and probate matters. Services also are provided in some family law cases including termination of parental rights. Four private firms under contract with the county provide assistance when the Public Defender declares a representation conflict.
- National Pollutant Discharge Elimination System (NPDES): This budget unit administers and coordinates the Municipal Separate Storm Sewer System permit (MS4) compliance program within the unincorporated are to protect public health and safety. The three regional water quality control boards (Santa Ana, San Diego, and Colorado) whose regulatory boundaries are located within the county enforce this federally mandated NPDES program. Renewal of these MS4 permits typically occurs every five to seven years, and requires the county to participate in a multitude of program development initiatives in order to help mitigate the effects of urban runoff quality and quantity associated with new development, and in some cases, redevelopment.

County Capital Improvement Program (CIP)

Department/Agency Description

The Capital Improvement Program (CIP) is the capital planning mechanism for new facilities, major facility expansions, and purchases of large capital assets. The Board of Supervisors adopted Policy B-22, which is used as a guiding strategy to establish funding methods, administration and control, and allowable uses of the CIP Fund. The CIP team, led by the Executive Office, evaluates immediate and long-term capital needs, as well as financing and budget requirements, in order to best use the county's limited capital funds.

Capital facilities approved under the CIP and addressed in this section are funded through a variety of sources noted below. Capital projects of the Transportation Department, Flood Control and Water Conservation District, Regional Parks and Open Space District, and Waste Management Department are not addressed in this section but are contained under the operating budgets of those departments and districts elsewhere in this budget.

Funding Sources

- The Capital Improvement Program fund accounts for capital expenditures associated with various projects.
 - The CIP fund receives bond proceeds, project-specific resources, and contributions from the general fund, as required.
 - In 2007, the Board of Supervisors approved the securitization of future cash flows of tobacco settlement revenue. The action resulted in a one-time payment of cash to be used for qualifying general fund capital projects.
 - Reimbursement from the City of Riverside, who partnered with the county for construction of the Riverside Animal Shelter, is deposited to the CIP fund. This agreement will continue through FY34/35.
- Development Impact Fees (DIF)
 - DIF are payments required by local governments of new development for the purpose of providing new or expanded public capital facilities required to serve that development. The fees typically require cash payments in advance of the completion of development, are based on a methodology and calculation derived from the cost of the facility and the nature and size of the development, and are used to finance improvements offsite of, but to the benefit of the development.
 - In the County of Riverside, DIF pays for projects the Board authorizes. Projects and eligible funding amounts are published within the public facilities needs list, which is updated every ten years. The list is the official public document that identifies facilities eligible to financing in whole or in part, through DIF funds levied on new development within the unincorporated Riverside County. There is no general fund cost associated with this fund.
- The Cabazon Community Revitalization Act Infrastructure Fund was established pursuant to Board action taken on December 10, 2013 (Agenda Item No. 3.7b), directing that 25 percent of the growth in sales and use tax from the expansion of the factory outlets in Cabazon be set aside in a separate fund for infrastructure improvements and public safety in that area.
- Wine Country Community Revitalization Act Infrastructure fund was similarly approved to allocate 25 percent of the sales and use tax in the Wine Country area to assist with the development of the wineries.

Capital Improvement Program Process

The CIP process will allow the County of Riverside to fully account and plan for such capital projects that will have a major impact to the county's annual budget, future staffing levels and service to the public. The CIP will allow the county to anticipate and plan for its future capital needs, as well as prioritize multiple projects to maximize the use of county's limited capital funds.

CIP projects include professional facilities services and associated capital improvements with a combined project value over \$100,000, including but not limited to: master planning for public facilities, acquisition of land for a county facility, acquisition of buildings, major leases, construction or expansion of county facilities, fixed assets, enhancements to county facilities that will be used, occupied or owned by a county entity; major leases over \$1,000,000 and changes/revisions to current projects on the CIP list; or any county facilities project requiring new net county cost.

Facilities Management has received project lists from departments of each portfolio. The items on the list are to be ranked for prioritization by the Cabinet to develop a countywide ranked priority list for capital projects. The table below shows the current CIP priority list, describes the projects, and shows the estimated project budget.

The various CIP projects are included in the adopted budget based on current Board-approved project commitments and adjustments made as needed, if funding is available. Any appropriations remaining in the fund at the end of the fiscal year will automatically carry forward into the next fiscal year.

The following tables provide funding information and construction status for the previously approved CIP Projects as well as projects anticipated to initiate in FY20/21. The CIP list includes \$45.9 million in new appropriations for active capital projects. A total of 39 capital projects will be under construction during the fiscal year, consisting of seven major projects with budget values exceeding \$10 million.

Major Capital Projects (over \$10,000,000)

The guiding strategy of the CIP is to allow the County of Riverside to fully account and plan for such capital projects that will have a major impact to the county's annual budget, future staffing levels, and service to the public. The CIP allows the county to anticipate and plan for its future capital needs, as well as prioritize multiple projects to maximize the use of the county's limited capital funds.

The following table represents the CIP's Major Capital Projects (over \$10,000,000) which have been approved by the Board of Supervisors, in compliance with Board policy. Construction activities are to be managed by FM's Project Management Office. The table reflects only projects that have been fully funded or partially funded. Unfunded or partially funded projects may not proceed beyond the funding amounts committed by the Board of Supervisors per Board policy.

Executive Office - County of Riverside Asset Leasing Corp

County Executive Office – Capital Finance Administration

Mission Statement

In support of the Board of Supervisors, the mission of the County Executive Office is to facilitate administrative excellence in partnership with departments, through leadership, vision, stewardship of resources, and communication, to promote, foster and enhance the quality of life in Riverside County. The Executive Office's core values include: integrity in service, teamwork, competence and perspective, and making a difference.

Description

Capital Finance Administration provides appropriations to fund the annual lease payments due to the County of Riverside Asset Leasing Corporation (CORAL), the Riverside County Public Financing Authority (PFA), and the Riverside County Infrastructure Financing Authority (IFA) on the county's outstanding Certificates of Participation (COPs) and Lease Revenue Bonds (LRBs). The CORAL is a nonprofit public benefit corporation, authorized under its articles of incorporation and under the laws of the State of California, to finance the acquisition, construction, and operation of facilities of benefit to the county.

The PFA is a joint exercise of powers authority, duly organized and existing under and pursuant to that certain amended and restated joint exercise of powers agreement, dated May 15, 1999, by and between the County of Riverside and the redevelopment agency of the county.

The IFA is a joint exercise of powers authority, duly organized and existing under and pursuant to that certain joint exercise of powers agreement dated as of Sept. 15, 2015, by and between the County of Riverside and the Riverside County Flood Control & Water Conservation District.

The goal of this budget unit is to ensure the timely servicing of short-term and long-term debts. The FY 19/20 long-term lease obligations are budgeted at \$90 million.

Treasurer-Tax Collector

Treasurer-Tax Collector

Mission Statement

Our mission and objectives are the sound investment of public funds, fair and efficient tax collection, and exceptional public service.

Description

The Office of the Treasurer-Tax Collector is budgeted as one unit and consists of two major divisions: Treasury and Tax Collection. The Treasury Division manages between \$6 to \$8 billion held in the Treasurer's Pooled Investment Fund on behalf of the county, school districts, special districts and other discretionary depositors. With four office locations, the Tax Collection Division is responsible for mailing out more than one million secured, unsecured, and supplemental tax bills, collecting over \$4.07 billion annually in property taxes, which provides 80% of the general-purpose county's revenue. The Tax Collection Division also enforces collection on tax delinguencies and administers sales of tax-defaulted properties.

Budget Changes & Operational Impacts

Staffing

There is a net increase of four full time equivalent positions due to organizational and technological changes, and increased workloads. The 2020-21 budget will fund 112 positions, of which 96 are currently filled and 16 are vacant.

Expenditures

A net budget decrease of \$60,540.

- Salaries & Benefits
 - A net increase of \$241,800 due to personnel annual merit increases, three additional positions and an increase in the retirement benefit rate. In addition, it includes a \$15,750 bonus payout to 21 SEIU employees who are at the maximum of their salary range and will receive a one-time lump sum bonus of sevenhundred and fifty dollars in accordance with their SEIU Agreement.
- Services & Supplies
 - A net decrease of \$303,040 represents the decommission of the old mainframe system and a reduction in internal service fund costs.

Revenues

A net decrease of \$14.2 million.

- Fines, Forfeitures & Penalties
 - A total of \$6.6 million represents penalties and fees charged for the collection of tax delinquency on the second installment of the current secured tax bills and the redemption of the prior year secured delinquency. The increase of \$230,933 reflects the higher collection rate of delinquencies.
- Charges for Current Services
 - A total of \$11.6 million in revenue represents various fees charged via the cost recovery process for services rendered such as Treasury administrative fee, tax sales costs, and other staff labor-driven tasks. The \$39,798 projected decrease reflects an overall reduction in the billing and collection of supplemental taxes.

Introduction

The Housing, Homeless Prevention and Workforce Solutions provides services that enhance the life and wellbeing of the county's most vulnerable constituents. The group includes the Housing Authority, Community Development Block Grants (CDBG), Neighborhood Stabilization Programs (NSP), Continuum of Care, Community Action Partnership (CAP), and Workforce Development. The Housing Authority provides affordable decent, safe and sanitary housing opportunities to low and moderate income families including elderly and handicapped person, while supporting programs to foster economic self-sufficiency. CDBG works toward the development of viable urban communities, by providing decent housing and a suitable living environment and expanding economic opportunities, principally for persons of low and moderate income. NSP funds are used to acquire foreclosed homes; demolish or rehabilitate abandoned properties; and/or to offer purchase price assistance and closing cost assistance to low to moderate-income homebuyers. The Continuum of Care Homeless program provides countywide assistance to our homeless population in coordination with local community-based organizations. The programs provide permanent housing, emergency shelter, and other homeless services and are funded by Federal, State and County funds. CAP works to reduce poverty through education, collaboration, energy conservation, and professional development. CAP provides emergency utility assistance services, energy efficiencies, and wealth-building education to low-income individuals and families throughout the county. The Workforce Development Department is responsible for building and strengthening Riverside County's workforce. The department's primary responsibilities include providing job services, training, and employment assistance to people looking for work. The department also works with employers to find the necessary workers to fill current job openings.v

Homelessness Prevention

Mission Statement

Enhance the economic position of the county and its residents, improve the quality of life, encourage business growth, build a positive business climate, develop a trained workforce, improve existing communities, offer a variety of housing opportunities, provide cultural and entertainment activities, and maintain the environment.

Description

The Continuum of Care is responsible for implementing and supporting an effective countywide continuum for homeless citizens throughout Riverside County. The Continuum of Care (CoC) coordinates housing services funding for homeless families and individuals. Riverside County CoC has a network of more than 140 private and public sector organizations and homeless service providers designed to promote community-wide planning and the strategic use of resources to address homelessness. The CoC strives to improve coordination and integration with mainstream resources and other community programs for people who are experiencing or are at-risk of becoming homeless and to move homeless people toward stable housing and maximum self-sufficiency.

The Continuum of Care serves as the Collaborative Applicant for the County of Riverside and is directly responsible for administering annual funding received by U.S. Department of Housing and Urban Development (HUD). The Continuum of Care is also the Administrative Entity responsible for awarding State Emergency Solutions Grant funds and other State Housing Programs to eligible service providers within the CoC Service Area(s). As the Collaborative Applicant and Administrative Entity, the Continuum of Care administers over \$20 million in annual funding to various housing providers. This designation includes:

- Completing an annual Consolidated Application for new and renewal permanent housing projects;
- Support a Coordinated Entry System (CES);
- Maintained the Homeless Management Information System (HMIS), a homeless database that is required to receive HUD funding;
- The Emergency Food and Shelter Program (EFSP) Notice of Funding Availability;
- The annual Point in Time Count and Survey of homeless individuals in the county; and
- The annual enumeration of emergency systems, permanent and transitional housing units, and beds that make up the homeless assistance systems.

These counts provide an overview of the state of homelessness in a CoC, and offer the information necessary to redirect services, funding, and resources as necessary.

Budget Changes & Operational Impacts

Staffing

The FY 20/21 staff budget includes 26 funded positions, which reflects a reduction of 5 positions from the original program when it was under the

Department of Social Services. As of March 10, 2020, there are 12 filled and 10 vacant positions (total 22).

Expenditures

There is a net increase in expenditures of \$2,822,432 anticipated for FY 20/21.

- Salaries & Benefits
 - Increase of \$2,430,463 is due to the new department ID formation. Staff were previously budgeted under department ID 5100100000 and are now budgeted under 5500300000.
- Services & Supplies
 - Overall increase of \$186,993 spread among several expenses, such as advertising and travel.

- Other Charges
 - Decrease of \$726,889 is primarily due to decreases in contracts related to Homeless Emergency Aid Program (HEAP) and Homeless Housing Assistance and Prevention Program (HHAP) funding that will be spent during the year.
- Fixed Assets
 - No purchases of fixed assets are planned for FY 20/21.

Revenues

There is a net increase in revenue of \$2,731,224 for federal block grant program anticipated for FY 20/21. Department is planning to utilize \$601,639 of fund balance.

Budget Changes & Operational Impacts

Staffing

Staffing levels for all budget units reflect a net increase of 17 full time equivalents. Workforce Development has an increase of 16.0 full time equivalents and CDBG has an increase of 1.0 full time equivalents.

Expenditures

There is a net decrease in expenditures of \$548,375 anticipated for FY 20/21.

- Salaries & Benefits
 - Net increase of \$1,669,140 due to the department reorganization, the addition of temporary personnel (TAP), step increases and

payoff increases due to planned employee retirements.

- Services & Supplies
 - Overall increase of \$1,316,055 spread among several expenses such as computer equipment, rent-lease buildings, salary reimbursement, and RCIT charges.
 - Decrease of \$3,526,070 is primarily due to the department reorganization and a reduction in interfund allocations from other divisions, home and shelter services, and other contract agencies.
 - Decreases in client training and services are aligned with funding provided over a two year period of performance.
- Fixed Assets
 - Net decrease of \$7,500.

Revenues

There is a net decrease in revenues of \$548,375 anticipated for FY 20/21.

- Federal Revenue
 - The Workforce Innovation and Opportunity ACT (WIOA) will decrease by \$1.0 million due to changes in client training and services.
 - The HUD CDBG services budget will increase by \$306,586 due to estimated increases in project activities.
 - The HOME Investment Partnership Act results in a net decrease of \$718,948 for the HUD HOME program activities.
 - The Neighborhood Stabilization Program will increase by \$200,048 due to program activities.
- State Revenue
 - The Workforce Innovation and Opportunity ACT (WIOA) will increase by \$2.0 million due

to additional funding for the Prison to Employment and San Bernardino Slingshot funds.

- Other Revenue
 - The Workforce Innovation and Opportunity ACT (WIOA) will decrease by \$893,221 due to reductions in rental income and other revenue as a result of the department restructure.
 - The HUD CDBG services budget will increase by \$51,155 due to estimated increases in program income revenue.
 - The HOME Investment Partnership Act will decrease by \$272,224 due to decreases in program income revenue.
 - The Neighborhood Stabilization Program will decrease by \$422,361 due to decreases in program income revenue.
- Departmental Reserves
- Fund 21550 Workforce Development

- Fund Nonspendable for Imprest Cash \$10,000. The Nonspendable for Imprest Cash (Petty Cash) with a balance of \$10,000. This revolving fund was established to provide urgently needed supportive services for WIOA enrolled customers to remove barriers for participation in authorized WIOA activities. These services included but are not limited to mileage reimbursement, child services, and job search activities.
- Fund Restricted Program Money \$1,459,830. The WIOA funding is restricted use for the federal program and represents a timing variance between the revenue draw down and expenditures.
- Fund AFB for Program Money \$576,206. Fund balance is required for the day to day operations and to ensure cash needs are met for all program related expenditures.

Housing Authority of the County of Riverside

Mission Statement

The mission of the Housing Authority of the County of Riverside (HACR) is to transform and promote healthy, thriving communities, re-ignite hope and restore human dignity through the creation and preservation of high quality and innovative housing and community development programs which enhance the quality of life and revitalize neighborhoods to foster self-sufficiency.

Description

The HACR's strategic objectives are to finance, acquire, develop, rehabilitate, own, manage, and sell affordable housing in Riverside County for the benefit of persons of extremely low, low and moderate-income families.

Housing Authority is responsible for The administering the County's federally funded Housing Choice Voucher Program (Section 8), which includes both tenant based vouchers and project based vouchers, Moderate Rehabilitation Program, and Veteran Affairs Supportive Housing Program, and is also the housing successor to the former Redevelopment Agencies for the County of Riverside and City of Coachella. The purpose of these programs are to combat homelessness, provide decent and safe housing, expand the supply of affordable housing, increase homeownership opportunities for lowmoderate income households and to oversee the wind down of the Former Redevelopment Agencies for the County of Riverside and City of Coachella.

Community Action Partnership

Mission Statement

Facilitate opportunities to achieve self-sufficiency through education, wealth building, energy assistance, and advocacy.

Description

The Community Action Partnership of Riverside County (CAP) is a division of Housing, Homelessness Prevention and Workforce Solutions (HHPWS). CAP works to reduce poverty through education, collaboration, energy conservation, and professional development. It provides emergency utility assistance services, energy efficiencies, and wealth-building education to low-income individuals and families throughout the county.

Several CAP programs are designed to provide individuals with an opportunity to gain valuable work experience and marketable job skills. Community Action's dispute resolution program certifies and trains volunteers to mediate court and community cases, providing an alternative to costly litigation for low-income individuals. Additionally, CAP offers a program that provide a savings-match, thus providing low-income individuals an incentive to save and build assets such as starting a business or purchasing a first home. CAP also facilitates free tax-preparation services by IRS-certified volunteers for low-income individuals and families contributing millions of dollars back into Riverside County. Last, CAP facilitates more than 50 cool and warm centers that provide a place for residents to escape extreme weather conditions while saving on their utility bills.

In order to provide these essential programs and services to the community, Community Action relies on hundreds of volunteers and partners throughout Riverside County. In collaboration with the Community Action Commission, emerging issues are identified to advance residents across Riverside County. The Community Action Commission participates in the development, planning, implementation, and evaluation of programs that serve the low-income community in Riverside County.

Budget Changes & Operational Impacts

Staffing

The FY 20/21 staff budget includes the following position additions: one Community Program Specialist I, one Secretary I for a net change of 2 positions.

In FY 20/21, there are 62 funded and 18 unfunded positions (total 80). As of March 10, 2020, there are 49 filled and 29 vacant positions (total 78).

Expenditures

There is a net increase in expenditures of \$404,264 anticipated for FY 20/21.

- Salaries & Benefits
 - Increase of \$408,722 is due to wage and benefit increases as well as the addition of two new positions for FY20/21 offset by reductions in Temporary Assistance Pool (TAP) staff.
- Services & Supplies
 - Overall increase of \$432,711 spread among several expenses, such as software, computer equipment, printed forms, propane assistance to customers and security guard services for after hour community events.
- Other Charges
 - Decrease of \$260,329 is primarily due to reduction in Countywide Cost Allocation Plan (COWCAP) and Public Health support services provided to Community Action Partnership.
- Fixed Assets
 - No future purchases of fixed assets planned for FY 20/21.
- Intrafund Transfers
 - Increase of \$176,840 for CAP administrative support allocation among CAP programs.
 Basis for allocation was revised to reflect percentages based on CAP program positions supported.

Revenues

There is a net increase in revenue of \$404,264 for energy programs anticipated for FY 20/21

- Intergovernmental Revenue
 - Increase of \$442,929 in federal funding for energy programs available for rollover into FY 20/21.

- Other Revenue
 - Overall decrease of \$38,666 expected for Other Revenue in FY 20/21. Reduction is primarily due to decrease in estimated FY 20/ 21 number of client visits for City of Riverside SHARE Program. These funds cover CAP administrative costs.

Departmental Reserves

- Fund Number 21050- Community Action Agency
 - Community Action Partnership reserves represent advances received from various federal programs. Program advances are recorded in deferred revenue. As program expenses are incurred and approved by the grantor, funds are recognized from deferred revenue.

Net County Cost Allocations

Decrease of \$6,499 in NCC Contribution for a total FY 20/21 NCC Contribution of \$58,492.

Introduction

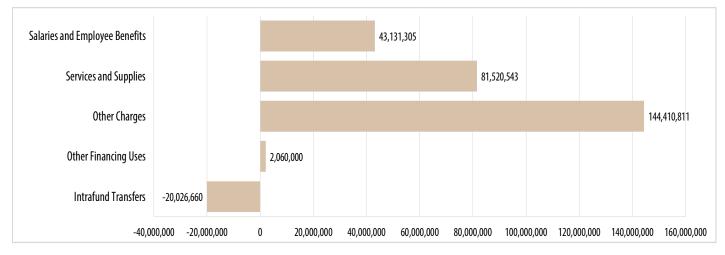

The Human Resources Department is responsible for supporting the lifecycle of the employee. From interviewing, hiring, and onboarding; to negotiating union contracts, planning retirements, or investigating issues in the work environment, staff members give assurance to management and the public that HR is in full compliance with federal, state, and local laws and regulations. Additionally, HR reviews overall compensation through cyclical classification and compensation studies. HR also strives to create a growth mindset by promoting professional development and offering numerous educational opportunities for employees at all levels, empowering them to take their careers to the next level and beyond.

In addition to its Core Services operating within the General Fund, Human Resources maintains 13 internal service funds which are organized into three major programs: Risk Management, Insurance, and Benefits Maintenance.

Description

Human Resources-CORE SERVICES

The Human Resources Department is responsible for supporting the lifecycle of the employee. From interviewing, hiring, and onboarding; to negotiating union contracts, planning retirements, or investigating issues in the work environment, staff members give assurance to management and the public that HR is in full compliance with federal, state, and local laws and regulations. Additionally, HR reviews overall compensation through cyclical classification and compensation studies. HR also strives to create a growth mindset by promoting professional development and offering numerous educational opportunities for employees at all levels, empowering them to take their careers to the next level and beyond.

Human Resources accounts for all its core activities within the General Fund, which are subsequently charged to all other County departments on a fair and equitable basis that reflects the actual level of services used annually. These service activities are organized into four major programs: Business Services, Recruiting, Benefits, and Departmental Services.

- Business Services: This program includes the following activities related to general administration: Executive, Asset Management, Business Administration, Business Systems Solutions, Finance, and Marketing.
- Recruiting: This program includes the following activities related to employee hiring: Recruiting, Assessment & Background, Psychological

Assessments, Temporary Assistance Program, and Testing.

- Benefits: This program includes the following activities related to employee benefits: Benefits, Culture of Health, Employee Assistance Program, Retirement, and Rideshare.
- Departmental Services: This program includes the following activities related to department service and support: Business Partners, Class & Compensation, Employee Relations, Employee Services, Labor Relations, Learning & Organizational Development, and Onboarding/ Community Events/College Relations.

Human Resources also provides additional services to specific departments as requested on a contracted basis for needs that exceed the core service levels.

Human Resources-INTERNAL SERVICES

In addition to its Core Services operating within the General Fund, Human Resources maintains 13 internal service funds which are organized into three major programs: Risk Management, Insurance, and Benefits Maintenance.

 Risk Management: There are five divisions within the Risk Management program – Disability Access, Leave Management, Occupational Health, Safety/Loss Control, and Workers Compensation.

The Disability Access division coordinates compliance efforts to ensure that there is no discrimination in any terms, conditions, or privileges of employment within the County of Riverside.

The Leave Management division ensures County compliance with state and federal leave laws and has established family and medical leave practices that enable employees to be away from work while maintaining their employment status. The Occupational Health division provides preemployment physicals to all potential county employees, as well as yearly health screenings for many classifications based on the needs of the departments.

The Safety/Loss Control division promotes full compliance with Federal and California Occupational Safety and Health Agency (Cal OSHA) rules and regulations for the workplace. This division provides training, on-site safety, and ergonomic evaluations, conducts accident investigations, reviews or assists in the creation of department-required written safety programs, and acts as the County's liaison with outside regulatory agencies on matters pertaining to occupational health and safety.

The Workers Compensation division ensures that employees who are injured or become ill on the job receive appropriate medical attention and treatment. The division also works to return employees who have disabling injuries to full or modified work as soon as their medical conditions permit.

- Insurance: To protect the resources of the county, HR maintains actuarially defined reserves for general and auto liability, and medical malpractice to self-insure against accidents and disasters. Additional insurance is purchased to pay claims beyond specified high-dollar amounts and for certain other insurances, including but not limited to property, watercraft, and cyber liability.
- Benefits Maintenance: Human Resources manages several benefit programs and selfinsured medical and dental providers for County employees: Deferred Compensation, Delta Dental, Exclusive Care Employer Provider Option (EPO) medical health plan, Local Advantage Dental (Blythe and Plus), and Short Term and Long Term Disability insurance.

The self-insured medical dental plans are high quality, low cost solutions that reduce out-ofpocket expenses for employees. Exclusive Care EPO is a full-service health plan offering health and pharmacy benefits to county employees and their dependents with its own on-site center for optimum health and pharmacy that employees can choose for their medical care needs.

Human Resources-RIDESHARE

The Commuter Services program under the Air Quality Management Division, also known as 'Rideshare", promotes a broad range of commuter transportation alternatives for driving to work through creative planning and partnerships with other public entities.

The program provides incentives that promote cleaner air through alternative commuting choices, including carpooling, participation in the county vehicle program or personal vehicles, biking to work, walking to work, transit passes, and telecommuting. The county vehicle program is funded by employee participation fees, and all other program expenses are funded by AB2766, administered by the Air Quality Management District which supports programs that reduce air pollution.

Introduction

The Human Services group provides services that help alleviate hardship for constituents and foster a safer, healthier community through financial aid programs and other assistance, care of court wards, and veteran's services. The Department of Social Services administers federal and state mandated aid programs intended to stabilize the community and prevent the abuse and neglect of children and fragile adults by assisting families experiencing extreme financial hardships. The Office on Aging coordinates health and wellness programs for the elderly and their caretakers. Veteran Services provides advocacy and counseling to former military personnel and their families through a wide range of services aimed at assisting them in fully accessing benefits and services for which they are eligible. The Child Support Services Department enforces court orders for the financial and medical support of children and families.

Children & Families First Commission

Children & Families Commission – First Five

Mission Statement

First 5 Riverside invests in partnerships that promote, support, and enhance the health and early development of children, prenatal through age five, their families, and communities.

Description

The Riverside County Children and Families Commission, First 5 Riverside (F5R) is funded by tobacco taxes generated as a result of Proposition 10 to support our youngest Californians, from prenatal through age five, to get the best start in life. Focus areas established by the Commission include quality early learning, comprehensive health and development, resilient families, and countywide impact. First 5 Riverside provides funding to local agencies to support services creating an integrated and coordinated system for children and families.

Budget Changes & Operational Impacts

The primary revenue source for First 5 is driven by two factors – Riverside County's share of tobacco tax sales collection based upon statewide births, which are expected to decline approximately 2.5 percent annually. Negative impacts to the Commission's annual revenue stream is adjusted by backfill revenue received from Prop. 56, as well as diversified funding streams. In response to the declining revenues, First 5 Riverside continues to meet growing demands through a systems approach, while ensuring sustainability through diversified funding streams, capacity building, and community engagement.

The Commission's FY 20-21 budget includes appropriations of approximately \$33.3 million, a net increase of \$490,323 from the prior year.

Staffing

Increase in the number of full-time positions from 43 to 65 to support oversight of family resource centers and cross-system collaboration within the County for home visitation services. Increase in salary and benefit rates resulted in an overall increase of approximately \$2.1 million.

Expenditures

Net decrease of approximately \$1.7 million.

- Services & Supplies
 - Operating expense decreases, reductions in contracted services, and increases in building improvements

Revenues

Net decrease of \$803,607

- CA Tobacco Tax Prop 10 and Prop 56 Backfill- net decrease of \$2.7 million
- Federal DTI and IMPACT decreases of \$2.0 million
- Contributions for other funds increase of \$4.0 million

Reserves

Use of Committed Reserves and Assigned Fund Balance Reserves – approximately \$2 million.

Budget Changes & Operational Impacts

The FY 20/21 budget includes the addition of 35 positions and incudes \$5.4 million in increased state funding. Due to current events, this increase will be confirmed in late 4th quarter.

Staffing

The FY 20/21 budget restores positions that had been lost through attrition. Increased staffing will allow the department to create greater community awareness of the program and improved services to the county's continuants.

Expenditures

The DCSS budget is anticipation of an increased state allocation. The total budget increased from \$42.2 million to almost 47.5 million, a \$5.3 million increase:

- Salary and Benefits rose to \$35.9 million.
- Appropriations 2 totaling \$9.5 million.

Revenue

The history of RCDCSS budgets involves funding that comes primarily from state and federal Budget Tables

- Intergovernmental Revenue
 - CA state support enforcement accounts for approximately 34 percent of revenue, or approximately \$16.1 million.
 - Federal support enforcement accounts for approximately 66 percent of revenue, or approximately \$ 31.3 million.

Department of Public Social Services

Department Of Public Social Services

Mission Statement

The Riverside County Department of Public Social Services is dedicated to supporting and improving the health, safety, independence and well-being of individuals and families.

Description

The Department of Public Social Services (DPSS) includes three major program divisions that provide support and services to county residents who are members of various vulnerable populations. The budget unit described here represents the department's general operating fund for all three divisions: The Adult Services Division (ASD) provides programs to help elder and dependent adults live safely with as much independence as possible.

The Adult Protective Services (APS) program receives and responds to reports of abuse and neglect for elder and dependent adults. The In-Home Supportive Services (IHSS) program helps elders, dependent adults, and minors live safely in their own homes or other non-institutional settings by providing in-home assistance to eligible clients in need.

Children's Services Division (CSD) investigates allegations of child abuse and neglect and offers a wide variety of programs that are designed to promote the safety, permanency, and well-being of vulnerable children. The CSD supports prevention programs by working with internal and external partners including Faith in Motion, First 5 Riverside, Public Health, Behavioral Health, and the Family Resource Centers (FRC). Additionally, as Riverside County's appointed Child Abuse Prevention Council, the HOPE Collaborative established six collaborative councils, one in each of the supervisory districts, and one in the community of Blythe. These councils work on a variety of prevention efforts which include educating the public and mandated reporters on the topic of abuse and neglect.

The Self-Sufficiency Division (SSD) serves and supports individuals and families to achieve and sustain their health, well-being and economic independence. The division's mission is achieved by providing low-income residents with health care coverage (Medi-Cal and Affordable Care Act), Food/ Nutritional Benefits (CalFresh Program) and (California Temporary Cash Assistance Work Opportunity and Responsibility for Kids (CalWORKs) and General Assistance). Employment services are also offered to assist individuals to become selfsufficient. With customer service at its forefront, the Self-Sufficiency Division strives to be the leader in an innovative service delivery model that is customer centric, effective and efficient. The division provides services that are easily accessible through a variety of channels including on-line, in-person, and over the phone. The SSD delivers services respectfully, timely and accurately in accordance with State and Federal regulations.

Budget Changes & Operational Impacts

In FY 18/19, programmatic changes adopted on April 28, 2018 and implemented on July 1, 2018 resulted in increased General Assistance caseload and expenditure levels. FY 20/21 is projected to increase \$7.1 million above the FY 19/20 budget in client benefits costs and salary and benefits to administer the program. With the NCC reduction of \$6.8 million the department will need to reduce staffing in Child Welfare Services (CWS) and CalFresh from the original FY 20/21 budgeted targets. FTEs will decrease by 81.1 in CWS and 11.8 in CalFresh.

Child Welfare Impacts Social Workers

CSD social workers fulfill state and federal mandates to ensure the protection and well-

being of vulnerable children in Riverside County. The CSD is available 24 hours a day to receive reports of child abuse and neglect, investigating between 1,500-2,000 referrals per month. Social workers also serve approximately 3,900 children every month by providing direct services and resources. This mandated position is a specialized and high priority to fill due to attrition (18 percent). If these positions were reduced, the effect would increase staff workload and create the potential to negatively impact outcomes for children: delayed safety, permanence, and wellbeing.

Support Staff Direct Services

Support staff plays a critical role in meeting the state and federal mandates for the Department to provide timely interventions that ensure child health, safety, and well-being. Based on the caseload sizes of the social workers, the role of the support staff is integral to ensure that the treatment and service needs of the children and families are appropriately addressed. Without this position, the collateral needs such as family visitation, court appointments, medical visits, and resource services could be jeopardized. These positions are a high priority for the division as many functions would otherwise have to be reassigned to the social workers. Reassignment of such duties would negatively impact the social worker's workload and capacity to meet state and federal time mandates.

Clerical Support

The Office Assistant II/III (OA II/III) is an essential position in the Children's Services Division (CSD) as they perform a large array of clerical activities in support of our social worker staff. The OA II/IIIs are responsible for critical duties such as Livescans of potential caregivers to support safe placements for children in foster care, completing forms for social workers to initiate placements, creating legal notice for Juvenile Court cases, Court Report copying, research of clients' cases in the Child Welfare Services/Case Management System (CWS/CMS), issuance of bus passes to our clients, issuing vehicles, and reception duties. In addition, the OA II/IIIs are responsible for the Centralized Assignment Desk in which they assign and track child abuse referrals, case transfers, and case closures. Foster Care determines the eligibility of caregivers to access needed funding to provide for the care of the child. These positions are a high priority for the Division as the OA II/IIIs perform many clerical functions that would otherwise have to be reassigned to the social workers. Reassignment of such duties would negatively impact the social worker's workload and capacity to meet state and federal time mandates such as CFT meetings, TDMs, agency collaborative meetings such as placement screenings, and Wraparound services coordination.

CalFresh Impacts

Agency Program Performance- Financial Sanctions

The Federal Food and Nutrition Services (FNS), Department of Agriculture has set standards for efficiency and effectiveness of the CalFresh program, federally titled Supplemental Nutrition Assistance Program (SNAP). When a State payment error exceeds standards, the State faces financial sanctions that are passed through to the 16 large counties, one of which is Riverside County. In 2016 Riverside County had the 3rd highest error rate in the State and faced financial sanctions estimated at \$4-5 million. Since then Riverside County has worked diligently on decreasing the error rate and has, for three consecutive years, had the lowest QC error rate of all large counties. Decreasing staffing to this program would result in less productivity, therefore increasing our risk of failing to meet error standards and potentially facing financial sanctions.

Caseload Increase- Workforce Impacts

Currently, CalFresh Eligibility Technician exceed caseload standards. In addition to the CF cases, the staff in this program are responsible for administering the General Assistance program. Below is the caseload impact with the recommended decrease in CalFresh FTEs: Health and Food Security- Delayed Benefits

The CalFresh program currently provides \$3 million monthly in supplemental food benefits to over 250.000 individuals in 126.000 households. During the months of June through September of 2019, the program added approximately 16,000 cases as a result of SSI program expansion. During the months of March and April 2020 the program averaged a 260 percent increase in applications. This increase not only results in growth to the overall caseload, but in the next six months will result in the same increase in annual and semiannual reporting. A reduced workforce will not be capable of processing such an increased workload in a timely manner. The result would be that families will not receive their benefits on time and household changes will be delayed, many which would have resulted in increased benefits to a family.

Program Reach Index- Outreach

The Federal Food and Nutrition Services (FNS) and California Department of Social Services (CDSS) has set forth expectations and tracking measure to increase the population receiving CalFresh benefits. The Program Reach Index (PRI) identifies how many households report living under the poverty level on their annual Federal and State tax returns against how many households are active on the CalFresh program. Currently Riverside County has a PRI of 68 percent, which is the 28th ranked county in the State. We have set forth a strategic goal to increase by 8-10 percent each fiscal year. Decreasing the number of CalFresh FTEs will significantly impact our ability to participate in outreach efforts outside of our regular case processing.

Federal Policy Changes- ABAWD

Effective September 1, 2020, Federal rule changes affecting CalFresh clients considered Abled Body Adults Without Dependent (ABAWD) will take effect. The change will limit CalFresh eligibility to three months every three years for persons that do not meet exemption criteria (disabled, working, enrolled in education/training or volunteering). Preliminary department projections indicate that there will be an increase in call volume due to noticing as well as an increase in requests for assistance in enrolling in CalFresh Employment and Training programs.

Staffing

Due to allocation increases and caseload, and incorporating the NCC reduction, DPSS has a net increase of funded FTEs of 189.4.

Expenditures

For all DPSS budget units combined, appropriations increased from FY 19/20 budgeted levels. The key factors influencing the increase are programmatic funding changes by the State in CalWORKs Assistance, caseload growth in Foster Care, Emergency Assistance, Adoptions Assistance, and General Assistance, increases in contracted services and salaries and benefits.

- Salaries & Benefits
 - Increased \$40.6 million over the FY 19/20 budgeted level due to staffing, payroll and retirement plan account increases.
- Service & Supplies
 - Decreased \$8.8 million over the FY 19/20 budgeted level due to facility related costs and car pool expenses.
- Other Charges increased by \$69.3 mil related to the following:
 - Child Care services decreased \$7.7 million due to transition of California Alternative Payment Program (CAPP) child care to RCOE and contracted services increased \$6.3 million. IHSS IP payments increased \$28.3 million. The Adoption Assistance program expenditures continue to grow resulting in an \$8.5 million budget increase. Foster Care and Emergency Assistance caseload is increasing resulting in an \$21.4 million increase over the prior year. The State budget increased CalWORKs assistance payment rates while caseload is decreasing resulting in a net increase of \$6.3

million and other assistnce increased by \$1.0 million. General Assistance client benefit payments increased by \$5.5 million over the prior year.

Revenues

Net increase as compared to FY 19/20 adopted budget.

- Intergovernmental Revenue
 - Federal revenue net incease of \$24.8 million for changes in Child Welfare Services, CalFresh, Medi-Cal, and Foster Care, and Adoptions Assistance.
 - State revenue net decrease of \$15.4 million due to the State redirection of realignment revenue related to AB85 which offset State general funding and changes in program expenditures in Child Welfare Services, CalFresh, Medi-Cal, IHSS, Foster Care, and Adoptions Assistance.
 - Realignment revenue net increase of \$42.1 million due to redirected realignment revenue related to AB85 and changes in Child Welfare Services, Adult Protective Services, IHSS, Foster Care, and Adoptions Assistance.
- Departmental Reserves
- Reserve Balances

- The General Fund refects a net decrease of \$2.2 million which is the result of reclassification of entries to properly reflect balances related to advances in the department. The California Department of Social Service (CDSS) provides advance funding to the department to support anticipated expenditures. The actual expenditures for a period are reconciled against the advances to record revenue in the period earned and to adjust the next State advance from CDSS.
- The realignment 2011 Local Revenue Fund reflects a net decrease of \$25.9 million due to projected use of deferred revenue balances in FY 20/21.
- Projected use of the AB 85 realignment 1991 deferred revenue balances to support anticipated CalWORKs expenditures, results in a net increase of \$840,000.

Net County Cost Allocations

Increase \$6.0 million in net county cost (NCC). Increases include IHSS MOE charges of \$2.3 million, and General Assistance of \$7.1 million. Decreases include CWS staffing of \$3.2 million and CalFresh staffing of \$200,000.v

IHSS Public Authority

In-Home Support Services Public Authority

Mission Statement

The IHSS Public Authority's mission is to strive to assist the elderly and people with disabilities to remain safely in their homes.

Description

The Department of Public Social Services is responsible for administering the County's In-Home Supportive Services (IHSS) program and provides oversight for the IHSS Public Authority. The Riverside County Board of Supervisors, via Ordinance 819, established the IHSS Public Authority to act as employer of record for Riverside County's IHSS care providers. The IHSS Public Authority achieves this goal by recruiting, training, maintaining and mobilizing a registry of viable in-home care providers to assist vulnerable elderly and people with disabilities to remain in their homes. This service is available at no cost to the eligible IHSS consumers.

Budget Changes & Operational Impacts

In FY 19/20, the Governor's January budget included additional funding for Public Authorities. The California Association of Public Authorities (CAPA) and other county Public Authorities agreed on an allocation methodology that resulted in Riverside's allocation increasing from FY 18/19, which was higher than budgeted levels. Riverside anticipates that the PA Administrative allocation will remain constant for FY 20/21. Utilization of \$869,000 from the Public Authority fund balance reserve is included in the FY 20/21 budget.

Staffing

The proposed budget supports funding a staffing level of 65 full time employees out of 85 authorized, 10 more than FY 19/20.

Expenditures

Net increase of \$604,000.

- Salaries & Benefits
 - Net increase of \$525,568.
- Services & Supplies
 - Net increase of \$44,952.
- Other Charges
 - □ Net increase of \$46,425.

Revenues

Net increase of \$83,873.

- Intergovernmental Revenue
 - Federal Increase of \$48,782.
 - State Increase of \$235,091.

Departmental Reserves

Net decrease of \$333,072.

- Fund 22800
 - Planned utilization of \$869,000 from the Public Authority fund balance reserve in FY 20/21.

Net County Cost Allocations

No contribution for FY 20/21.

Office On Aging

Office On Aging

Mission Statement

Promote and support a life of dignity, well-being and independence for older adults and persons with disabilities.

Description

The Riverside County Office on Aging (RCOoA) provides over 27 different programs and services, either directly or through contracted providers, which allow older adults and persons with disabilities to live independently in their homes and communities. All RCOoA programs and services are free to those who meet the minimum qualifications for each program. These services include care coordination, options counseling and decision support, healthy lifestyle and wellness programs, social engagement and community activation, advocacy, coordination and outreach, and community education.

This year in 2020, Riverside County will realize the projected 200 percent increase in the population of persons over the age of 60, so that 1 of 4 (25 percent) adults in the county will be 60 or older. By 2030, the older adult population will increase by another 29 percent. The Riverside County Office on Aging's 2020-2024 Area Plan on Aging, 'The Path Ahead" highlights the challenges and needs of the growing older adult population and how communities can respond to the opportunities for change presented by the increase. Aging Americans are living longer, achieving higher levels of education, and striving to remain physically and socially active as they age, making it necessary to alter the approach to service provision across the nation.

In recent years, RCOoA recognized the marked need to enhance access and provide services at the local level, in communities where older adults live. As they age, Boomers seek long-term care options that allow them to remain in their homes and communities for as long as possible. The call for person-centered care, along with the current financial climate, requires the department to take a multi-contextual view of a person's needs and develop coordinated partnerships that promote a seamless system of delivery.

Budget Changes & Operational Impacts

Riverside County Office on Aging (RCOoA) will operate with an annual budget of approximately \$18.2 million in federal, state, county contributions and local funds for FY 20/21. The department relies heavily on funding through the Older Americans Act (OAA) and the Older Californians Act, to provide core services to the county's most frail and vulnerable seniors and persons with disabilities over the age of 18. In recent years, OAA programs have required increased resources to maintain current programs due to the pronounced population increase in persons over the age of 60, which is approximately 25 percent of the county's total residents. The continued growth of older adults in our communities forces the department to adjust and transform traditional service delivery systems to address the needs of the aging seniors, which continue to evolve and grow more complex later in life.

The California Department of Aging (CDA) administers the funds allocated under the federal Older Americans Act and the Older Californians Act through the network of Area Agencies on Aging. RCOoA is the Area Agency on Aging (AAA) for Riverside County. During the third quarter of FY 19/20, the California Department of Aging allocated additional Federal funds statewide as a result of increases to the Federal 2019 and 2020 grants. Through this additional allocation, RCOoA received a

baseline adjustment of \$1 million. In addition, the California Department of Aging allocated new funding in FY 19/20 to implement and support two new programs, the Aging and Disability Resource Connection Infrastructure Grants Program for \$360,100 and the Fall Prevention Grant Program for \$42,000. The Multipurpose Senior Services Program also received an increase in funding of \$266,000. Although the California Department of Aging has confirmed the increase in baseline will continue into FY 20/21, it is not certain at this time if it will carry on, or stay at the same funding levels into future fiscal years.

The department was successful in securing new funding and/or increases from local partners including the Department of Housing and Homelessness and a local health plan, which will result in a net increase of \$675,000 in revenue in FY 20/21. RCOoA will continue to work strategically to achieve operational efficiencies and develop effective partnerships that increase service access and enhance client outcomes. RCOoA has included the increase baseline and new funding of \$2.3 million in the budget for FY 20/21 and will keep the Executive Office apprise of the continuous of this funding into future fiscal years.

Staffing

Staffing levels reflect a net increase of 15 full-time equivalents, raising the total number of funded positions to 88. The increase in total positions is due to new funding and/or increase of local grants in FY 19/20 to fulfill contractual agreements.

Expenditures

- Salaries & Benefits
 - Increase of \$1.8 million in salaries and benefits due to organizational changes and additional permanent positions added during FY 19/20 to support enhanced and new social service programs.
- Services & Supplies
 - A net decrease of approximately \$173,657.

- Other Charges
 - Increase of approximately \$620,488 due to additional allocation to senior service providers, coinciding with the increased federal revenue.
- Fixed Assets
 - No request for fixed assets for FY 20/21.

Revenues

- Total revenues have increased by \$2.3 million.
 - Federal/State increase of approximately \$1.7 million baseline funding due to the increase in allocation of the Federal/State grants.
- Local
 - Net increase of \$675,000 due to securing new funding and/or increases from local partners including the Department of Housing and Homelessness and a local health plan.

Net County Cost Allocations

The net county contribution decreased \$183,135, or fifteen percent, to a total of \$1,037,768 for FY 19/20. The decreased allocation is offset by a decrease in internal service fund (ISF) rates in the amount of \$22,159, resulting in a net decrease of \$160,976. To mitigate adverse service level impacts to critical older adult and persons with disabilities programs, the department will rely on limited subfund balances to absorb the net county contribution decrease.

Veterans Services

Department Of Veterans Services

Mission Statement

To promote and honor all veterans and enhance their quality of life, and that of their dependents and survivors through counseling, claims assistance, education, advocacy and special projects.

Description

Riverside County is home to 126,412 veterans that comprise 5.2 percent of the total county population; this is the third largest veteran population in the state. Further, the total veteran, dependent and surviving spouse population is 442,442 or 18.1 percent of the county's population. The Department of Veterans' Services assists veterans, their dependents and survivors in obtaining veteran's benefits from local, state and federal agencies. The Department's focus is on enhancing the lives of veterans, their dependents and survivors through providing customer-centric, high quality service and promoting healthy communities. This includes encouraging businesses to participate in the County's Veteran-Friendly Business program. The Department partners with other county departments, all levels of government, and community organizations to connect veterans to programs, services and resources, to achieve the best possible quality of life.

Budget Changes & Operational Impacts

Staffing

In FY 20/21 the net equivalent of 17 full-time positions will remain and 3 full-time positions will be removed to meet 10 percent budget cuts.

In FY 19/20, Veterans' Services was authorized 20 full-time positions. The department currently filled 18 positions. department's goal was to fill the 20 full-time positions by the end of FY 19/20 and the department requested to hire 7 additional full-time employees increasing to 27 full-time positions, to expand services to veterans and their families in the southern county region with the highest density of veterans and for needed operational administrative support at all branch offices. This goal for expansion will be postponed until economic recovery occurs and additional funding becomes available to pursue the expansion.

Expenditures

Net decrease in expenditures for FY 20/21 of \$29,309

- Salaries & Benefits
 - \$1.3 million decrease of \$143,216
- Services & Supplies
 - \$494,081 increase of \$113,907

Total budgeted expenses for FY 19/20 are: \$1.89 million and total department requested expenditures for FY 20/21 are \$1.86 million.

Revenues

Net increase of \$191,906 in revenue for FY 20/21.

Total estimated revenue for FY 20/21 is \$739,306. This is \$191,906 more than in FY 18/19. The increased CA MHSA grants contributed to increased revenues along with subfunds applied as revenue for outreach services. The department anticipates reduced revenue for subvention and medi-cal cost avoidance in FY 20/21 and 21/22 due to staffing reductions and the COVID-19 public health emergency impacts. FY 20/21 revenue is based upon claims work performed in the prior fiscal year (FY 19/20). Two of our newer VSR's hired in FY 18/19 completed training/ accreditation and are contributing to generating revenue for work performed in FY 19/20. The Department hired three new Veterans Representatives in FY 19/20 who are currently in training. They would be ready to start generating state revenue and filing claims in FY 20/21 but two VSR positions will be eliminated.

- CA-License Plate Fund = \$17,000
- CA-Veterans Service Officer Reimbursement (Subvention) = \$380,000

- Veterans Service Officers Reimbursement for Medi-Cal Cost Avoidance = \$85,000
- CA-Other Operating Grants = \$253,480

Departmental Reserves

- Fund Number: 11176 Reserve Type: 230100
- Net decrease in reserves of \$162,886 will be applied for outreach veterans services and help to reduce further staffing reductions.

Net County Cost Allocations

The departments net county cost allocation reduced from \$1,245,534 NCC allocation for FY 19/20, to \$1,120,981 for FY 20/21.

Introduction

The county's internal service funds provide an essential method by which to deliver general services internally to other departments within the county on a fee for service basis through Board-approved rate structures. This enables the county to distribute overhead costs on the basis of goods and services used. The county is thereby able to recover partial costs from state and federal programs, and other jurisdictions that contract with the county for municipal services. Internal services include records management, custodial and maintenance services, dental, life, property, disability, and unemployment insurance, information technology, central mail, purchasing, and supply services. Internal service funds are proprietary funds that operate and budget on a full accrual basis.

Facilities Management

Facilities Management

Mission Statement

Facilities Management is committed to providing safe, comfortable, efficiently operated and aesthetically pleasing facilities for all county employees and the general public.

Description

Administration is comprised of 46 accounting and administrative professionals that are responsible for the budget planning and analysis, procurement, invoice processing, revenue recovery, project costing, personnel management, inventory and asset management, and customer service needs of Facilities Management.

Custodial Services Division (CSD) consists of 162 highly skilled team members committed to providing professional and comprehensive custodial services to all customers. The primary goal of Custodial Services is to provide a clean, safe, and sanitary environment for county employees and partner agencies, customers, visitors, and the public.

Maintenance Services Division (MSD) maintains county building infrastructure in excess of 7.5 million square feet and is comprised of 140 maintenance professionals that perform over 42,000 corrective, preventive, and predictive maintenance activities annually in 311 diverse buildings spanning 7,200 square miles.

Real Estate Division (RED) delivers a wide variety of full-service public/private real estate transactions for the county and its clients. The division manages a portfolio of approximately 10 million square feet of county-owned space and 4.6 million square feet of county-leased space, which includes over 460 real estate lease agreements.

Project Management Office (PMO) is responsible for constructing new facilities and tenant improvements

to fulfill the capital needs of county departments in support of their mission. Project Management oversees all phases from inception to completion in accordance with scope, schedule, and budget in compliance with all applicable laws and statutes.

Energy Services is responsible for promoting renewable clean energy, use of water, natural gas, and power resources by Riverside County using technology, innovations, and renewable energy systems. The division analyses and processes all utility bills for over 40 county departments.

Parking Services is responsible for operation and patrol of county-owned and leased parking structures and surface lots. The division aims to develop a parking system within downtown Riverside that recognized the need for short-term public parking, while encouraging mass transit, ridesharing and carpooling.

Community Centers are recreational amenities that benefit the residents, businesses, and the communities served by Riverside County. These amenities include community centers, water parks, and parks managed through operating agreements.

Information Technology

Information Technology Department (RCIT)

Mission Statement

The employees of Riverside County Information Technology (RCIT) are committed to excellence and ensuring the business of government remains efficient by providing an information technology infrastructure with systems that are secure, reliable, and financially viable. We continuously strive to improve the dissemination of public service information through the expanded use of communications, computing technology and effective management oversight.

Description

RCIT is an umbrella organization responsible for planning, designing, implementing, operating, and coordinating the county's information and communications technology. Included Services are: Countywide Cyber Security, GIS, Rivco TV, Network, Wireless, Managed Technology Services, Digital Equity Program & the Public Safety Enterprise Communication System (PSEC).

The department fully manages 27 separate county departments under the Board's shared services approach. RCIT provides a variety of county technologies including applications development, Office 365, operations support services, help desk services, field support, data center server and storage services, project management and additional support services all designed to meet the ever-changing demands of the county.

Special Revenue Funds: Geographical Information Systems (GIS) & RivcoTV

The Geographic Information Services (GIS) team provides spatial and non-spatial data platforms that allow data sharing internally for County analysis and decision-making, and externally with the public, our business customers, and partners. The GIS team provides the tools that enable the discovery, analysis and communication of the County's wide-ranging services and activities.

RIVCOTV provides professional media services for Riverside County Departments and external customers as well as operates the county chambers for 'legislative" typed board meetings, workshops and training sessions which are primarily broadcast live on the county public access channels that are maintained and operated by the team. RIVCOTV provides high quality audio/video products such as public service announcements (PSA's), highlights, public events and multi-camera shoots to be utilized with various mediums such as television broadcasting, social media platforms (live), livestreaming and websites. The team works in all phases of media production to create a polished product for the customer.

Budget Changes & Operational Impacts

Staffing

RCIT's authorized positions for FY 20/21 is 441 unchanged from the previous year. Due to Budget Reductions the department is embarking on a reorganization that will reduce funding to authorized positions and budget over time.

- RCIT Operations
 - Total authorized 407
- Pass Thru
 - Total authorized N/A
- PSEC

- Total authorized 26
- GIS
 - Total authorized 8
- RivcoTV
 - Total authorized N/A

Expenditures

RCIT's Internal Service Funds (ISF) experienced a \$10.2 million reduction in FY 20/21 offset by an increase in Special Revenue Funds of \$575 thousand resulting in a \$9.6 million decrease. The reduction results from a combination of COVID-19 budget impacts, reorganization, and capital lease reductions. This includes a \$6.4 million reduction to RCIT Operations including a \$3.9 million rate/allocation reduction for COVID-19 impacts and \$2.5 million in reduced direct services from departments.

Pass Thru experienced a reorganization which resulted in a \$2.6 million reduction in cost, and PSEC experienced a reduction of \$1.2 million including a \$685 thousand rate/allocation reduction for COVID-19 impacts and \$516 thousand primarily due to reduced capital lease costs.

GIS experienced a \$174 thousand increased cost and RivcoTV experienced a \$400 thousand increased cost. RCIT will work to support our customers at the highest levels possible during this time and will seek to protect the County's critical infrastructure.

Net decrease of \$9.6 million in overall expense budget.

- Salaries & Benefits net increase of \$895 thousand (increase of \$2.8 million due to step increases, pension increases and a decrease of \$2 million due to COVID-19 budget reduction from defunding 19 positions).
- Services & Supplies net decrease of \$2.6 million. To assist with the COVID19 reductions, RCIT removed all new Software purchases and HVAC end of life upgrades, eliminated training, removed maintenance for our security camera, removed outside consultants that assist with project management and web site development and

removed computer refresh for end of life computers.

- Other Charges net decrease of \$7.4 million is mainly due to a decrease in leases obligations and depreciation. To assist with the COVID19 reductions, RCIT removed proposed leases for hardware refreshes for end of life equipment.
- Fixed Assets net decrease of \$500 thousand is due to net decrease in cash purchase requests.

Revenues

Net decrease of \$9.6 million in overall revenue budget.

 Charges for Current Services – net decrease of \$9.6 million due to decreasing RCIT revenue by \$6.4 million to be in line with RCIT's Expense budget, decreasing Pass Thru revenue by \$2.6 million to be in line with Pass Thru's Expense budget, and decreasing PSEC revenue by \$1.2 million to be in line with PSEC's Expense budget. Additionally, net increases were realized in GIS of \$175 thousand and RivCo TV of \$400 thousand.

Purchasing and Fleet Services

Purchasing and Fleet Services Department

Mission Statement

To provide materials, vehicles and services to county departments and agencies in the most effective and efficient manner and to serve our customers with integrity, professionalism, reliability, and strive for excellence in performance.

Description

The Purchasing and Fleet Services Department manages the divisions of Purchasing, Central Mail, Fleet Services, and Surplus Operations. The Purchasing Division is led by the Purchasing Agent, who is authorized by law and by the Board of Supervisors (Ord. 459). The department establishes procurement policies and procedures to comply with state regulations, and implements best practices to provide services with fairness and integrity. Twentytwo staff are dedicated to providing procurement services for thirteen departments. Nine staff serve the remaining departments and manage countywide contract implementation, contract compliance, procurement training, management of the procurement card system, oversight of the county's eProcurement / contract management system (RivcoPRO), and the county's travel program.

Fleet Services provides a comprehensive fleet management program for all vehicles in the central county fleet. This includes vehicle acquisition, maintenance, repair, modification, fuel sales, motor pool, car wash, and vehicle disposal. The department operates eight garages throughout the county, nine motor pool locations, and thirteen fuel sites. Fleet Services manages over 4,484 vehicles, including 3,490 non-patrol vehicles and 994 patrol vehicles.

Central Mail processes all county incoming and outgoing U.S. Postal Service mail, certified and registered mail, packages, and interoffice mail. The department sorts all interoffice mail for 420 mail stops and delivers to 271 locations throughout the county, excluding Blythe.

Budget Changes & Operational Impacts

Staffing

Purchasing Staffing

The Purchasing Department staffing level will reduce by one position to 34, compared to the Board approved amount of 35 in FY19/20. As of May, 13, 2020 ,one position is vacant.

Fleet Services Staffing

For Fleet Services there are 55 fleet positions budgeted and funded in FY20/21. The Fleet Services budget also includes eight administrative staff positions to support the four Purchasing and Fleet Services divisions, for a total of fifty-three. The eight administrative staff positions support the entire Purchasing and Fleet organization and the costs are split proportionately between the three divisions.

Central Mail and Supply Services Staffing

Central Mail staffing was reduced by one position to meet the required budget target and three of the four positions for Supply Services were eliminated due to required budget cuts leaving only one position to support Surplus Operations.

Expenditures

- Salaries & Benefits
 - Purchasing's salaries and benefits reflect an increase of \$696,735 from FY 19/20. This is the

net result an increase in costs associated with the retirement contributions, step increases and flex benefits related to union negotiations, and overtime for the Emergency Operations Center EOC. All costs associated with supporting the EOC activities are reimbursed by the Emergency Management Department (EMD). All costs for PCSs that are assigned to specific departments are reimbursed by the department.

- Fleet Services budget reflects an increase of \$260,947 in salaries and benefits. This is as a result of added back/new positions, retirement contributions, step increases and other contributions as a result of the new union contract. Central Mail's salary and benefits costs reflect a 1.39% increase which is the result of the reduction of one position and the cost due to of retirement contribution, step increases and a potential retirement payout for the remaining staff. Supply Services has been dissolved and only Surplus Operations remain and fund one position.
- Services & Supplies
 - Purchasing increase of \$39,176 in services and supplies is due primarily to software maintenance costs for the new eProcurement system (RivcoPRO) charged by RCIT, which will be offset by charges to departments for the countywide system.
 - Fleet's budget increased due to fuel tank upgrade and fuel controller replacement which were allowed by using Unrestrict Net Asset. There are no significant changes in Central Mail's Budget. The Supply Services budget reflects a very large decrease due to eliminating the former Supply Services expenses which included product pass-thru costs to departments. The remaining expense is minimal and associated with only one person to support the Surplus Operations.
- Other Charges
 - Purchasing's increase in this appropriation is for the financed portion of the costs for the

new eProcurement system (RivcoPRO) which will be offset by charges to departments for the countywide system.

- For Fleet Services, vehicle depreciation expense is decreasing compared to FY19/20 due to a reduction of new vehicles requested by department in FY20/21. There are no significant changes Central Mail's budget.
- Fixed Asset
 - Purchasing's decrease in this appropriation is due to the end of the implementation for the eProcurement system (RivcoPRO). Future costs will be for maintenance in services and supplies.
 - Fleet Services rebudgeted in FY 20/21 for vehicles ordered but not received in the previous year. Surplus Operations and Central Mail will not purchase capital equipment in FY20/21.
- Intrafund Transfers
 - Purchasing's change in this appropriation is primarily for payments from general fund departments to offset the costs for the eProcurement system (RivcoPRO).

Revenues

- Revenue from Use of Assets
 - The use of net assets for Fleet Services is for the purpose of replacement of vehicles, shop equipment, fuel controllers for the fuel sites and the upgrade of fuel tanks. Surplus Operations and Central Mail's budgets do not include the use of net assets.
- Charges for Current Services
 - Purchasing's budget reflects a slight increase in interfund revenue for the reimbursement for the eProcurement system (RivcoPRO) from departments who are special revenue funds. The increase is also due to reimbursement for the eProcurement system (RivcoPRO) from departments who are internal service and enterprise funds.

- Fleet Services reflects an increase in maintenance revenue and a decrease in Motor Pool revenue due to the restructure of the rate methodology to recognize vehicles that are less than or greater than eight years old. There are no significant changes for Central Mail. There are no longer Supply Services delivery charges as that operation has been dissolved. The only charge is a charge to support Surplus Operations.
- Other Revenue
 - There are no significant changes.

Net County Cost Allocations

The net county cost allocation decreased by 147,191 from FY19/20 due to the required ten percent (10%) budget reduction.

Public Safety

Introduction

Under the California Constitution, public safety is the first responsibility of local government (Article XIII, Section 35). Generally speaking, public safety refers to the protection and welfare of the whole community. More specifically, the Public Safety Portfolio is focused on carrying out programs involving, directly or indirectly, the protection, safety, law enforcement activities, and criminal justice system of Riverside County. As a group, we are committed to:

- Being ready by having the right people, in the right place, with the right tools.
- Responding at the right time, in the right manner, with the right resources.
- Resolving matters through the effective use of a variety of resources.
- Restoring residents and our communities to a position of safety, stability, and resilience.

The Sheriff's Department is dedicated to suppressing and preventing crime. They have the responsibility for upholding both the United States and California constitutions, and the reasonable enforcement of all federal and state laws or ordinances. They also serve the courts and maintain our county jails.

The Probation Department serves the courts, protects the community and changes lives by working in a collaborative manner with law enforcement, public and private social services agencies, mental health, schools, and other county departments. The department conducts investigations on adult and juvenile criminal offenders, provides intensive supervision and early intervention and treatment services in the community, participates on task force assignments, and delivers juvenile institutional detention and treatment programs throughout the county.

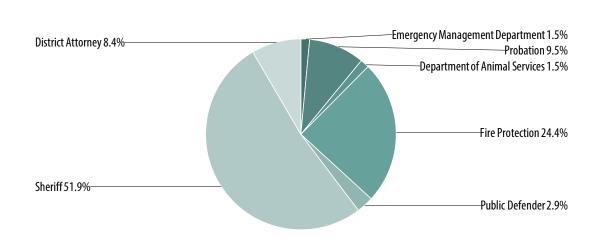

The District Attorney's Office is the public prosecutor acting on behalf of the community and vigorously enforces the law, pursues the truth, and safeguards the rights of individuals to ensure that justice is done. They work with every component of the criminal justice system to protect the innocent, to convict and appropriately punish the guilty, and to protect the rights of victims. They also work within the community to prevent and deter crime, now and for future generations.

The Public Defender's Office provides legal representation to those individuals who are charged with a crime or involved in certain civil matters. While maintaining the highest level of professional integrity, they are diligent and conscientious advocates and seek to honor and protect the rights of all members of the community by providing vigorous defense from fully competent attorneys.

The Riverside County Fire Department, in cooperation with Cal Fire, is committed to cooperative, regional and integrated fire protection and emergency services. They are an all-risk department devoted to protecting and serving our residents and visitors.

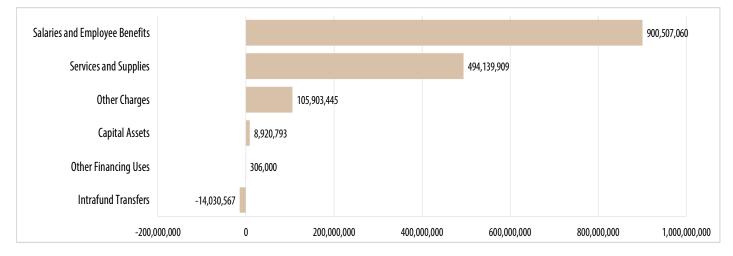

The Emergency Management Department enhances the safety and security of the whole community by leading the efforts to mitigate, prepare for, respond to, and recover from emergencies and disasters. They work diligently to implement a novel, all-hazards approach to emergency management with integrated programs for our area's stakeholders.

The Department of Animal Services works to promote an environment of responsible pet ownership through progressive animal welfare initiatives, community outreach, and humane education in a culture of compassion, creativity and integrity.

Department of Animal Services

Animal Services

Mission Statement

Working together to improve Riverside County for people and animals.

Description

The Department of Animal Services (DAS) is comprised of the Animal Shelters, Public Safety and Enforcement Services, and Veterinary Services operational groups that together services up to 19 contract cities and the unincorporated areas of Riverside County.

Animal Shelters provide a safe haven for animals and function as the center of the community's animal care and control programs. Animals sheltered at the facilities include dogs, cats, horses and other livestock, rabbits, 'pocket pets" including guinea pigs, hamsters, and reptiles. In addition to caring for the animals, DAS shelters provide education programs, spay and neuter, adoption, licensing and euthanasia services.

Public Safety and Enforcement Services are necessary to pick up and impound dogs and other animals running at large, and contribute to the education of the community, cultivate public support and compliance with state and local animal laws. Riverside County animal control officers cover 7,000 square miles.

Veterinary Services includes spay and neuter surgery, shelter medicine, and public pet wellness services. The veterinary services team plays an integral role in community public health encompassing: rabies control efforts including animal bite reporting and prevention, zoonotic disease surveillance activities; and reporting of suspected disease outbreaks in impounded poultry and livestock.

Budget Changes & Operational Impacts

Staffing

Riverside County Department of Animal Services (RCDAS) currently has 223 authorized positions. RCDAS has been operating with 187 employees to run 4 shelters. With the reduction of their net county cost the department will be reducing its staff significantly.

Expenditures

- Salaries & Benefits
 - RCDAS will have staffing reductions that will result in a net decrease of 1.8 million.
 - Shutting down the San Jacinto shelter operations will result in cost savings of \$538,606. Unincorporated field operations and veterinary clinic will still operate out of the shelter.
 - Closing the Blythe Shelter will result in a cost savings of \$229,879. One Animal Control Officer will patrol and answer calls in the unincorporated areas. Animals will be transported to the Coachella Valley Animal Campus.
 - The Integrated Canine Licensing program (ICLP) will be shut down and result in cost savings of \$645,310.
 - In addition, four other positions are not included in the budget that results in cost savings of \$405,597
- Services & Supplies
 - RCDAS will see reductions in several areas to help meet the budgetary goals.
 - San Jacinto sheltering services closure will have reduction of \$120,156

- Blythe Shelter closing will have reduction of \$116,192
- ICLP closure will have reduction of \$61,053
- RCDAS will cut pharmaceutical, medical supplies, microchip, have volunteers pay for background checks, and with staff reductions older vehicles can be turned in to reduce charges from Fleet Services. Cost saving (\$100,000)

Revenues

- RCDAS will move to a full cost recovery model for all contracted cities. Increased revenue. (\$2.7 million)
- RCDAS has projected, at a minimum, to lose the following contracted cities: Menifee, Perris, Banning, Blythe and Rialto. It is possible other cities may decline to contract with RCDAS. That will have to be monitored and adjusted on a case by case basis.

Departmental Reserves

- Animal Services currently has two sub-funds that are being used and have a balance.
 - Sub-Fund 11102 is currently being set up to track state mandated funds. Funds are currently in and agency fund 65465. Once the funds are moved to sub-fund 11102 agency fund 65465 will be closed. Current balance is approximately \$160,000. Funds are used to enhance the spay and neuter program.
 - Sub-fund 11109 is currently set up to track monetary donations coming into Animal Services. Current balance is approximately \$70,000. Each donation is assigned one of four (4) project codes that help to identify the wishes of the donor.

Net County Cost Allocations

RCDAS has been allocated \$9.1 million, a reduction of \$1 million

District Attorney

District Attorney's Office

Mission Statement

The District Attorney of Riverside County, as the public prosecutor acting on behalf of the People, vigorously enforces the law, pursues the truth, and safeguards the rights of all to ensure that justice is done on behalf of our community. The District Attorney works with every component of the criminal justice system to protect the innocent, to convict and appropriately punish the guilty, and to protect the rights of victims. The District Attorney also works within our community to prevent and deter crime and to promote public safety, now and for future generations. The District Attorney fulfills these critical responsibilities through the efforts of the employees of the District Attorney's Office, and each employee is integral to achieving this mission. To that end, the employees of the Riverside County District Attorney's Office, will adopt the highest standards of ethical behavior and professionalism and proudly commit ourselves to the following core values in the performance of the department's duties: Integrity, Respect, Quality, Loyalty, Teamwork, Partnership, Innovation, Fairness, and Service.

Description

The District Attorney's Office is comprised of approximately 700 attorneys, investigators, and support staff who serve more than 2 million residents across the vast 7,200 square miles that make up Riverside County - the 10th largest county in the United States. The department handles, on average, more than 60,000 criminal cases each year and is one of the largest District Attorney offices in the state.

Budget Changes & Operational Impacts

Staffing

The District Attorney continues to utilize austerity measures to meet County budget targets. This includes restricting hiring to grant funded and mission critical positions necessary to absorb several new unfunded legal mandates and still maintain minimum service levels. As of the April 2020 roster, the District Attorney's Office has 704 filled full time positions.

In the FY 20/21 budget, the District Attorney requests an increase of 19 percent when compared to prior years request. This mission critical increase is necessary to meet the demands of new legal mandates. Of this new request, 39 percent is funded through non-county resources (restricted sub funds, state and federal reimbursements, and competitive grant awards). The remaining 61 percent will be funded through a combination of additional net county cost (NCC), absorbed attrition, delayed hiring, and office restructuring. Consistent with the Board's overriding fiscal objectives, this strategy seeks to hold NCC requirements to the lowest possible level that will ensure our constitutional and statutory obligations are met without compromising essential public safety services.

Expenditures

Salaries & Benefits

The District Attorney's Office is reporting a \$16.6 million decrease in the Adopted Budget from FY 19/20 to the recommended budget for FY 20/21. However, we should note that the full impact of position reflects a \$26.9 million shortfall which

includes the 5 percent scenario cut instituted by the Executive Office. When we compare the projected FY 19/20 position with the projected FY 20/21 estimates we can report a nineteen percent (\$25 million) increase, with total projected expenditures of \$135.4 million (\$52.2 million in non-NCC funding and \$73.3 million in Executive Office recommended NCC). The \$25 million in preliminary increases in costs are made up of the following:

- \$6.1 million necessary to maintain current staffing levels due to unfunded rollover deficit which includes nondiscretionary operating cost increases (internal service fund charges, insurance rates, pension liability payments, and county negotiated salary increases) outside of department control.
- \$8.9 million to address critical vacancies among non-attorney/non-sworn personnel due to new unfunded state legal mandates the significant and address staffing deficiencies that have occurred over the years. Action has already been taken to fill these positions and therefore staff has since been onboarded beginning from pay period one. The office opened several recruitments intended to address the long-standing staffing shortages the office has struggled with for too long. Those recruitments resulted in several qualified additions to the office.
- \$4.5 million to specifically address new initiatives to be taken by the office including the Internet Crimes Against Children and Cold Case investigations. which would specifically work on proactive investigations, covert internet decoy operations and identifying and arresting predators.
- \$2.5 million in additional staff requests needed to fulfill additional recruitments in areas which will aid the office in the fulfilment of additional mandates. However, if county additional funding is not available to address this effort in this budget cycle, this effort will be postponed.

- \$3 million reduction in NCC will have a major impact on salaries and benefits from the potential loss of several mission critical staff in both scenarios. The impact of those losses will have a deterimental effect on District Attorney operations and could hamper the execution of mandated duties as required.
- Services & Supplies
 - There is a net increase of \$1.2 million (7 percent) in FY 20/21 over FY 19/20 projections. One of the primary reasons for this increase is due to a combination of Internal Service Fund increases in areas such as EDA Janitorial/Maintenance Services and Human Resources.
- Fixed Assets
 - There is a net decrease of \$233,000 in FY 20/21 over FY 19/20 projections. The necessary technological updates were finalized in FY 19/ 20, hence the reduction in the current year.

Revenues

Projected Revenues for FY 20/21 have stayed consistent, however, as a result of the COVID-19 pandemic those projections are expected to change. The final economical effect of these revenue impacts remains unknown.

Departmental Reserves

The department use of reserves remains consistent from the prior years. The District Attorney's Office projects to spend \$5.5 million in reserves for FY 20/21:

- \$1.0 million in asset forfeiture funds restricted to support law enforcement training and equipment; and
- \$4.6 million in restricted funding for salaries and benefits of designated staff in Consumer, Environmental Fraud, and new Cannabis Regulation Task Force.

Net County Cost Allocations

Net county cost was \$77.1 million which has subsequently been reduced to \$73.3 million. This

anticipated 5 percent reduction in expenditures goes hand in hand with reduced service levels.

Emergency Management Department

Emergency Management Department

Mission Statement

Enhance the safety and security of the whole community by leading the efforts to mitigate, prepare for, respond to, and recover from emergencies and disasters.

Description

The County of Riverside Emergency Management Department (EMD) was established in July 2015 and has four divisions: Business and Finance, Operations, Preparedness, and Riverside County Emergency Medical Services Agency (REMSA). These divisions function together to provide coordination and oversight of emergency management and disaster response services for the residents of Riverside County. EMD also supports the Riverside County Operational Area and the Regional Disaster Medical Health Coordination for California Region VI.

Budget Changes & Operational Impacts

Staffing

EMD is requesting 77 funded positions. Three additional positions were requested in the budget process.

Expenditures

Salaries & Benefits

- A net decrease of \$26,454 as a result of not funding certain vacant positions to meet the 10 percent NCC reduction. The original request had an increase of \$166,053 due to the addition of a request for an Operational Area Recovery Team.
- Services & Supplies
 - A net increase of \$4.5 million, or 33 percent due to new grant funding and additional carryforward grant funds.
- Other Charges
 - A net increase of \$131,133, or 15 percent increase to allow distribution of overhead and ISF's from special funds.
- Fixed Assets
 - A net decrease of \$144,116, or 64 percent, driven by the department's need for the fiscal year.
- Intrafund Transfers
 - A net increase of \$3.7 million reflects the estimated amount projected for FY 20/21.
 Estimates are based on an a three year average of interfund transfers.
- Operating Transfers Out
 - **\$**0

Revenues

- Licenses, Permits & Franchises
 - No net change to ambulance licensing fees, EMT, paramedics, Mobile Intensive Care Nurse (MICN) certification and credentialing.
- Fines, Forfeitures & Penalties

 A net decrease of \$76,808 in fines from CA Health and Safety Code \$1797.98a-1797.98g.

Departmental Reserves

The departmental reserves are restricted by state and federal regulations as outlined below. The department's reserves are currently used to maintain the existing level of services, and to fund the implementation of the emergency medical services.

- Fund 10000 EMS Restricted Revenue Balances
 - The EMS deferred revenue balance is \$7,341,554. Of that, \$3,469,194 is encumbered for FY 20/21. This balance represents the combined restricted revenue from the ambulance contract and the MADDY/Richie fine money. EMD is continuing the multi-year implementation of the REMSA EMS Strategic plan. The EMS Strategic Plan includes system wide enhancements that are budgeted to be funded out of this account.
- Fund 21800 Public Health Emergency Preparedness (PHEP) Equity
 - The PHEP Equity account balance \$2,304,525.
 This is a result of restricted, interest bearing funds from federal grants passed through the California Department of Public Health.

Reserves must be spent on improvements to the health/medical emergency management system. The PHEP Equity fund is used to update equipment in the Medical/Health Branch of the Emergency Operations Center, Medical/Health Department Operations Center (DOC) and to support professional services contracts for EOC/DOC policy development and exercises. The fund is reducing and is projected to be expended by FY 22/23.

- Fund 21810 Hospital Preparedness Program (HPP) Equity
 - The HPP Equity account balance is \$64,540. This is a result of unexpended grant funding received over multiple fiscal years. EMD is required to maintain HPP funds in a separate interest-bearing account and the funds can only be used on projects that enhance hospital preparedness programs.

Net County Cost Allocations

The department's original net county cost allocation was \$2.7 million, the same amount received in FY 19/20. At the direction of the EO, the net county cost allocation was reduced to \$2.5 million, a \$276,837 reduction.

Fire Protection

Fire Department

Mission Statement

The department is a public safety agency dedicated to protecting life, property, and the environment through professionalism, integrity, and efficiency.

Description

The Riverside County Fire Department (RCFD) is an integrated, cooperative, regional fire protection system that provides fire, emergency medical services, technical rescue and hazardous materials response to approximately 1.6 million residents in the unincorporated area, in 20 partner fire cities and one community services district. The County of Riverside contracts for emergency response from the California Department of Forestry and Fire Protection (CALFIRE) to serve as the RCFD. All hazards emergency response services are provided from 95 fire stations using about 1,050 firefighters (CALFIRE), 276 administrative and support personnel, and about 150 reserve volunteer firefighters. CALFIRE is responsible to protect the State Responsibility Area (SRA) or watershed as part of the cooperative agreement and Public Resources Code §§4125-4127. The RCFD is one of the largest regional fire service organizations in California.

Budget Changes & Operational Impacts

Staffing

The department proposes to authorize 282 positions. There are currently 282 authorized and 42 vacancies. The department's position authority increased by three positions from the FY 19/20 adopted budget during FY 19/20. The increase is in the Communications / IT Bureau.

 Increase of Communications / IT Bureau position by three positions. The positions were added during FY 19/20 to eliminate a service contract with Cal OES. The elimination of the contract will save the department \$300,000 annually.

Expenditures

A net increase of \$16 million or 4.7 percent.

- Salaries & Benefits
 - Increase of \$0.25 million, or 0.8 percent, as a result of three additional positions, increases in merits, worker's compensation and benefits.
- Services & Supplies Increase of \$16 million or 7 percent
 - The CalFire cooperative agreement increased by \$11.4 million over the FY 19/20 Final Adopted Budget; \$10 million for the city partners and \$1.4 for the county. The large increase in the city partners portion is due to requested staffing changes. City partners are

invoiced actual cost, however, the department budget at top step for their staffing.

- The transfer expense from the Structural Fire Tax fund increased by \$3.3 million. This increase is to transfer the estimated increase in revenue from the fund.
- Field equipment increased by \$1.3 million. The city partners have requested to purchase fire apparatus through the department's purchasing bureau.

Revenues

A net increase of \$18.8 million or 6.7 percent.

- Charges for Current Services Increase of \$13.2 million or 6.7 percent
 - \$12.4 million is an increase in transfers from the Structural Fire Taxes fund
 - \$0.8 million is reimbursement from city partners for direct and indirect fire services costs
- Intergovernmental Revenues Increase of \$1 million or 4.5 percent from estimated grant funding.
- Taxes Increase of \$2.6 million or 5.4 percent in taxes for the county unincorporated area and six city partners tax pass through.

• Other Revenue – Increase of \$1.9 million or 12.5 percent. The increase is from miscellanous and city partner contracts pass through revenue.

Departmental Reserves

- 21000 Structural Fire Tax Fund
 - Fire Department structural fire tax and redevelopment funds for the county and six (6) city partners under contract with the county for fire services. The fund balance is due to the timing of deposits after year end cut off dates in FY 18/19.
- 30300 Construction & Land Acquisition Fund
 - The fund balance is from previous mitigation fees and solar impact capital funds. The restricted fund balance is expected to be \$1.5 million. These funds must be utilized for construction and land acquisition for future fire stations, training facilities and capital purchases for the Fire Department. It is anticipated to be eliminated in five to ten years based on completed construction or land acquisition.

Net County Cost Allocations

The department has \$52 million of NCC. This is a reduction of \$2.7 million or 5 percent of NCC received in FY 19/20.

Probation

Probation Department

Mission Statement

Serving Courts, Protecting Our Community, Changing Lives

Description

The Probation Department is one of the most diversified criminal justice agencies in the county and enjoys an excellent reputation for working in a collaborative manner with other county agencies and various organizations in the community. The department's three distinct services are:

- Field Services is responsible for the investigation and supervision of adult and juvenile offenders through 14 office locations countywide. Services include state-mandated services to the courts, performing intake and investigation functions, and preparing court reports; providing community supervision to approximately 11,355 adult clients, including Post Release Community Supervision and Mandatory Supervision, and approximately 1,234 juvenile clients. Institution Services is responsible for the operation of two juvenile detention facilities: Indio Juvenile Hall (IJH), and Southwest Juvenile Hall (SJH), and the Alan M. Crogan Youth Treatment and Education Center (AMC YTEC), a secure treatment program.
- Administrative and Business Services is responsible for providing the infrastructure by which the department can achieve its mission. The division provides research and evaluation, fiscal, and human resources services.
- Juvenile Court Placement is responsible for the out-of-home care for minors who are wards of the Juvenile Court, funds all psychological services ordered by the Juvenile Court and pays for minors sent to the California Department of Corrections and Rehabilitation, Division of Juvenile Justice

(DJJ) under the Welfare and Institutions Code (WIC) Sections 601-827.e.

Budget Changes & Operational Impacts

Staffing

The requested budget includes 1,038 positions, a net decrease of 57 positions, due primarily to the Riverside Juvenile Hall closure.

- Probation currently has 1,095 full-time equivalent authorized positions. Of these positions, 802 are filled and 293 are vacant at budget submission.
- To meet the 10 percent budget reduction as directed by the Executive Office (EO), the department funded 911 positions. The remaining 126 positions will not be funded in FY 20\21.

Expenditures

A projected net decrease of \$2.8 million.

- Salaries & Benefits
 - Net decrease of \$2 million, or 2 percent. The original requested budget included a net decrease of \$138,892 due to the Riverside Juvenile Hall closure although annual merit increases, and pension obligation increased.
 - To meet the 10 percent reduction as directed by the EO, the department defunded an additional 35 positions or \$1.86 million.
- Services & Supplies
 - Net decrease of \$2.7 million. The original requested budget included a net decrease of \$1.29 million due to reduction in ISF rates,

returning office space back to EDA which includes Riverside Juvenile Hall, Franklin Office and YTEC Aftercare Trailers.

- To meet the 10 percent reduction as directed by the EO, the department included an additional cut of \$1.47 million which included a reduction of \$531,842 in ISFs, and \$1 million in various operating cost which include computer/office supplies, non-fixed assests, pre-employment services, advertsing and training costs.
- Other Charges
 - Net increase of \$1.9 million. The original requested budget included a net increase of \$2.6 million primarily due to increases in contracted services with other agencies. These services are funded primarily through the Juvenile Justice Crime Prevention Act (JJCPA) and the Community Corrections Subaccounts (AB 109).
 - To meet the 10 percent reduction as directed by the Executive Office, the department reduced operational costs by postponing facility management projects and reducing the cost associated with housing youths at Division of Juvenile Justice (DJJ).

Revenues

The original requested budget submitted in March included projected net increases of \$1.4 million, or 1 percent (detailed below) based on the estimated funding levels from the Governor's proposed budget released in January.

- Intergovernmental Revenue
 - Increase of \$3.5 million in Adult Probation Reform "Misdemeanor".
 - Increase of \$1.06 million in Title IV-E Revenue due to increase in claims through contracted services of JBI.
 - Increase of \$1.64 million in Youthful Offender Block Grant and estimated FY19/20 growth allocation.

- Increase of \$.60 million in Juvenile Probation Camp Fund and Juvenile Probation Activities.
- Decrease of \$3.85 million in SB678 Comm Cor Perf Incen Act due to decreases in offsetting expenditures.
- Decrease of \$.85 million in Court Collections of Juvenile and Adult Probation Fees.
- Decrease of \$.75 million in Juvenile Re-entry Grant which is specific to DJJ released youth expenditures.

Since the development of the department's budget, the Governor has released the State May Revision Budget. The impact of the state's budget on the department is significant with a projected net decrease of \$14.58 million in revenues.

Departmental Reserves

The below reserves are restricted by state and federal regulations. To maintain current service levels, these funds and projected rollover balances from FY19/20 will be recognized based on anticipated expenditures within FY20/21.

- Fund Number 11047 Title IV-E Advances
 - Prior year balance of \$2.6 million in advances will be fully expended during FY19/20. FY20/ 21 budget includes anticipated advances of \$3.1 million. Funds are used to support youth at imminent risk of removal from their homes.
- Fund Number 11164 SB678 Comm Cor Perf Incen Act
 - Budget year ending balances of \$3.1 million is budgeted in FY20/21 to provide treatment and intervention services for adult offenders.
- Fund Number 11167 Local Revenue Fund 2011
 - Community Corrections Partnership (CCP) Training Grants: These funds are received by the Community Corrections Partnership Executive Committee (CCPEC) for the training and evaluation of the county's CCP implementation plans. Funds are approved and distributed by the CCPEC. \$168,889 in

CCP Grant funds is included in the FY20/21 budget for contracted services with UCR-Presley Center of Crime and Justice Studies to conduct a research study of the Day Reporting Centers.

- Juvenile Justice Crime Prevention Act (JJCPA) funds : These funds are administered through the Juvenile Justice Coordinating Council to support the juvenile preventive programs with a goal of preventing, intervening, and suppressing juvenile delinquency. \$1.64 million in JJCPA reserved funds is budgeted in FY20/21 to maintain services provided to atrisk youth throughout Riverside County.
- Youthful Offender Block Grant (YOBG): These funds are used for the ongoing operational needs of the Alan M. Crogan Youth and Treatment Center. \$8.2 million in YOBG reserved funds is budgeted in FY20/21.

Net County Cost Allocations

The department's original net county cost allocation was \$42.1 million, the same amount received in FY 19/20. At the direction of the EO, the net county cost allocation was reduced to \$37.9 million, a \$4.2 million reduction.

Law Office of the Public Defender

Law Office Of The Public Defender

Mission Statement

Provide the highest quality of legal representation to any indigent person unable to afford such representation in criminal, juvenile or certain civil proceedings upon the request of the client or appointment of the court.

Description

Since 1948, The Law Office of the Public Defender has continued to deliver highly skilled legal representation to the indigent population in Riverside County. The department consists of lawyers, investigators, paralegals, social workers, and clerical staff. The department represents approximately 85% of all criminal cases filed within the County of Riverside.

Budget Changes & Operational Impacts

Staffing

- 256 full-time equivalent positions.
 - The summary of authorized positions in the requested FY 20/21 budget is 256. The number of funded positions is 229, and not funded is 27. There are 220 filled, and 36 vacant positions.

Expenditures

There are minimal net changes when compared to the FY19/20 adopted budget. However, the department has an additional request of \$4.5 million due to increases in pension cost and unfunded mandates to the county.

Revenues

No change in expected revenues this fiscal year, as compared to the prior year.

Departmental Reserves

- 11123 Indian Gaming Spc. Distribution
 - The purpose is to reimburse the department for staff time associated with Indian Gaming cases. Approximately \$32,000 is expected to be spent in FY 20/21.
- 11167 Local Revenue Fund 2011
 - The purpose is to reimburse the department for AB109 casework. All money is posted to the budget each fiscal year as revenue. Normally there are more expenditures in AB109 casework than there is revenue available.

Net County Cost Allocations

No change in the base NCC allocation this fiscal year, as compared to the prior year. In addition to the rollover budget for NCC, there will be a separate budget request to fund positions under the new SB1437 state mandate.

Sheriff

Sheriff's Department

Mission Statement

In partnership with the public we serve, we are dedicated to suppress and prevent crime through the reduction of criminal recidivism; we have the responsibility for upholding both the United States and California constitutions, the reasonable enforcement of all federal and state laws or ordinances, and all required mandates of the elected Sheriff; we serve our superior courts by providing court security, service of civil processes, and the execution of lawful orders of the court; we maintain our county jails and committed inmates in accordance with state guidelines and regulations in a fair and humane manner; and we perform the legal functions of the Coroner-Public Administrator with dignity and respect for those in need of our services.

Description

The core services of the Sheriff's Department are to provide a 24/7 uniformed response to calls for service from the public in the unincorporated county areas, to operate a countywide jail system that serves all local agencies, to provide court security and service of court processes and orders, and to perform Coroner – Public Administrator functions pursuant to California law.

- The Field Operations Division provides much of the county's law enforcement via ten Sheriff patrol stations, several support bureaus, and specialty teams spread across the county's different regions. In addition, the department provides police services for seventeen incorporated cities, one tribal reservation, and one community college district.
- The Corrections Division operates five correctional facilities, an alternative sentencing program, and several in custody treatment programs.

- The Courts Services Division provides court security by maintaining public safety, execution of orders issued by the court, service, and enforcement of civil processes, and serving civil and criminal arrest warrants. The Court Services Division also provides enhanced security at the County Administration Center.
- The Coroner's Bureau investigates and reports on all the violent, sudden, or unusual deaths of persons within the county as established by California law. The Public Administrator investigates and administers the estates of Riverside County residents who die without someone available or willing to handle their affairs.
- The department supports internal operations through the Administration Division, Support Services Bureau, and the Ben Clark Training Center.

Budget Changes & Operational Impacts

Staffing

The FY 20/21 full budget request funds 4,089 positions, of which 3,755 are currently filled and 334 are vacant at budget submission. The vacancies are related to the opening of JJBDC, unincorporated patrol staffing and critically needed positions for our coroner's bureau.

Expenditures

The full requested budget includes a net increase of \$34 million when compared to the FY 19/20 adopted budget. However, significant adjustments were made

to the department's budget throughout the year. As a result of these adjustments, the true net increase to the department's budget request is \$70 million when compared with the FY 20/21 initial NCC target.

- Salaries & Benefits
 - Net increase of \$17.9 million when compared to the FY 19/20 adopted budget. However, based on the full request of the department, there is a net increase of \$83 million, or 16 percent. The majority of the increase is related to an increase of \$35 million in pension obligation benefits and a \$15 million increase in labor cost due to the new RSA agreement. Also, overtime increase by \$18 million, however, half of the increased costs will be reimbursed by various contracts for services. There are also unfunded increases of \$3 million in labor cost for positions assigned to Trial Court, and \$1 million for the costs of mandated positions in the Coroner's division and the new CPRA unit. Additionally, workers compensation insurance increased by \$2 million and the estimated retirement payoff costs increased by \$6 million. Finally, an increase in unincorporated patrol staffing of \$3 million is requested.
- Services & Supplies
 - Net increase of \$2.9 million when compared to the FY19/20 adopted budget. However, based on the department's request, there is a net increase of \$7 million primarily due to County Internal Service Fund rate increases of \$3 million. Also, department wide body worn Cameras (\$3 million) and taser purchases (\$1 million), which are funded by grants and subfund revenues and will not impact the general fund.
- Other Charges
 - No significant changes.
- Fixed Assets
 - Net increase of \$6.9 million when compared to the FY19/20 adopted budget. However, when compared to the FY19/20 adjusted

budget, there is a net decrease of \$5 million due to the operational need to purchase a variety of equipment and software that are funded by a combination of subfunds and grant revenue.

- Intrafund Transfers
 - No significant changes.

Revenues

No significant changes.

Departmental Reserves

- 11026 Federal Asset Forfeiture
 - Use of \$4.5 million departmental reserves.
- 11085 Booking Recovery Fund
 - Use of \$1.9 million departmental reserves.
- 11013 Auto Theft Interdiction (RAID)
 - Use of \$1.7 million departmental reserves.
- 11067 Sheriff Writ Assessment
 - Use of \$769,280 departmental reserves.
- 11008 AB709 Court Svs Auto
 - Use of \$271,450 departmental reserves.
- 11087 Automated County Warrant Sys
 - Use of \$126,265 departmental reserves.
- 11042 State Asset Forfeiture
 - Use of \$43,080 departmental reserves.

Net County Cost Allocations

The department requested NCC of \$404.2 million, \$70 million above the original NCC target of \$334.6 million. A 5 percent cut to the department's NCC is \$16.7 million and equates to a loss of 104 sworn deputy positions.

Introduction

The Public Works, Land Use and Environment Portfolio consists of the Agricultural Commissioner's Office, the Department of Environmental Health, the Department of Waste Resources, the Flood Control and Water Conservation District, the Regional Parks & Open Space District, and the Transportation and Land Management Agency. The portfolio's departments are focused on infrastructure, facilities, and critical services, which are essential to the quality of life, safety, well-being, and public health of Riverside County residents.

Agricultural Commissioner & Sealer Of Weights & Measures

Mission Statement

Promote and protect the agricultural industry of the county and its environment, ensure the health and safety of the county's citizens, and foster confidence and equity in the marketplace through education and the fair and uniform enforcement of laws, regulations, and ordinances enacted by the people of the State of California and the County of Riverside.

Description

The Agricultural Commissioner's Office protects the environment, public health and Riverside County's \$1.3 billion agricultural industry and ensures a fair and equitable marketplace for businesses and consumers. This is accomplished through a combination of public outreach, industry education and appropriate regulatory action. The department is comprised of five key programs.

Pest Prevention – Protect the environment and agricultural businesses by preventing the introduction, establishment and spread of invasive agricultural pests.

Environmental Protection – Protect public health and the environment from adverse effects of pesticides through the administration of regulatory requirements aimed at ensuring the safe and legal use of pesticides, as well as investigating and reporting on pesticide-related illnesses and injuries.

Weights and Measures – Protect businesses and consumers by testing the accuracy of commercial weighing and measuring devices and point-of-sale systems and ensuring that product packaging and labeling meets all regulatory requirements.

Consumer Protection – Promote healthy communities and sustainable agriculture through the administration of the direct marketing, organic farming and egg quality control programs, and the

inspection of agricultural commodities for compliance with California quality and maturity standards.

Administration – Oversee the department budget, personnel, contract procurement, invoicing and the publishing of the annual Riverside County Agricultural Production Report quantifying the production and value of Riverside County agriculture.

Budget Changes & Operational Impacts

Staffing

This year's budget maintains the staffing of 57 permanent, funded full time positions. The deparment is anticipating maintaining all positions filled as revenue is directly tied to personnel. The four vacant positions (Agricultural and Standards Investigators) can be filled with candidates who already have the required licenses, thus automatically advancing to a higher level.

Expenditures

- Salaries & Benefits
 - Salaries and benefits will increase by approximately \$530,000, or ten percent. This change is due to increased activity in exotic pest infestations/tree removals, as well as the Fruit and Vegetable Standardization and Industrial Hemp Registration Programs. Another portion will be the result of

promotions as field staff continue to attain qualifying licenses.

- As a result of Phase I Budget Cuts, one vacant management position will be eliminated. Total savings anticipated from this cut is \$154,625.
- Services & Supplies
 - Services and supplies will increase by approximately \$90,000 (eight percent) due to moves to more suitable office space.
 - A decrease in county ISF cost of approximately \$20,000 will be incurred by the department during phase I budget cuts.
- Other Charges
 - Our total other charges will decrease by approximately \$30,000 (54 percent) as a result of phase I budget cuts.

Revenues

Net increase of approximately \$715,000.

Intergovernmental Revenue

- State revenue is expected to increase by approximately \$540,000, or 17 percent, as new contracts for service are awarded. Increasing the number of pesticide use monitoring inspections performed will also result in a higher share of the statewide pesticide mill fee funds awarded to Riverside County.
- Charges for Current Services
 - Increase of approximately \$175,000 (seven percent) based on anticipated decrease in demand for export certification services; however, there may be a loss in revenue in this category due to the closure of business and other restrictions imposed as a result of the COVID-19 pandemic.

Net County Cost Allocations

- Net decrease of \$75,585 consistent with the requested ten percent net county cost reduction.
- The reduction in net county cost will potentially affect our Gas Tax revenue in a negative way. The Gas Tax revenue is directly tied to our NCC funding, per state law. The loss amount is yet to be determined.

TLMA - Public Protection

Transportation and Land Management Agency (TLMA) - Public Protection

Mission Statement

Integrate transportation and land use functions in order to enhance the quality of life in existing communities, properly plan new communities to accommodate growth in a balanced way, be good stewards of the environment and natural resources, and serve the public through excellent customer service.

Description

The Transportation and Land Management Agency (TLMA) consists of the Transportation, Planning, Building and Safety, and Code Enforcement departments.

The Planning Department reviews and processes land use applications and makes recommendations to the Planning Commission and Board of Supervisors on cases. Applications include tract and parcel maps for residential, commercial, and industrial projects, land use and zoning changes; plot plans, and conditional use permits for business operations. The Planning Department also fulfills advanced planning functions mandated by state law, including management of the county's General Plan. The advanced planning function also prepares community plans and consistency zoning for areas where the county is looking to proactively foster orderly growth and economic development in conjunction with community stakeholders.

The Building and Safety Department provides construction permit related services, including grading, building plan check, front counter assistance, and field inspections. Development fees fund department activities. The department also assists the Emergency Management Department with postdisaster assessments, CALFIRE with emergency fire damage assessments, as well as the Riverside County Flood Control and Water Conservation District and Coachella Valley Water District as the Flood Plain Administrator.

Riverside County Code Enforcement assists the county's development efforts for orderly and responsible growth and ensures compliance with county ordinances as well as various state and federal regulations. Common code issues include, but are not limited to, accumulated rubbish, excessive outside storage, inoperative or abandoned vehicles, substandard structures, open and unprotected excavations, zoning violations, construction or grading without a permit, unlawful cannabis dispensaries and cultivation, and state and federal water quality control acts. Code Enforcement is funded through a net cost allocation from the general fund, supplemented through cost recovery efforts and grants.

Budget Changes & Operational Impacts

Staffing

The Code Enforcement Department has filled 53 out of 54 budgeted positions in FY 19/20. This increased staffing level will allow Code Officers to engage more effectively with communities which will help improve quality of life, health and safety of our communities, and maintenance of property values in the unincorporated areas of the County of Riverside. The Department has implemented a flat fee cost recovery process. Although it is still in its early stage, we have seen higher percentage of voluntary compliance during advisory period, and cases are being closed faster.

The Planning Department is budgeting 29 positions and Building and Safety Department is budgeting 47 positions for FY 20/21. In addition, Planning and Building and Safety utilize contract planners, building inspectors and plan examiners to help manage workflow demands.

Expenditures

- Salaries & Benefits
 - Code Enforcement will have an increase of \$802,233 due to the filling of positions in FY 19/20 and the PERS increase.
 - The Building and Safety Department's salaries and benefits will decrease by \$189,399 by not filling vacant positions.
- Services & Supplies
 - Code Enforcement will see an increase of \$221,452 in Services & Supplies including increase litigation support from County Counsel, greater towing of inoperative vehicles, and purchase of protective equipment.
- Other Charges

 Building and Safety will have an increase of \$491,462 to directly cover more of the costs of general support at our Permitting Counters, thereby reducing General Fund use from Planning for this activity.

Revenues

- Code is expecting a draw of \$900,000 from the abatement fund for FY 20/21.
- The Planning Department is anticipating a revenue of \$462,500 for SB 2 and Local Early Action Planning (LEAP) grants in FY 20/21 for housing activities. Overall, there will be a decrease of \$103,232 due to a decrease in deposit based fees revenues.

Net County Cost Allocations

The recommended NCC allocated to Planning has been reduced from \$3.6 million in FY 19/20 to \$3.1 million in FY 20/21. This includes a shift of \$500,000 NCC from Planning to Code to cover Code operations and staffing. This will result in a reduction in ordinance amendments and advance Planning activities done in FY 20/21.

The Code Department budget is seeing a modest increase from \$5.9 million in FY 19/20 to \$6.7 million in FY 20/21 to help cover the cost of a full-year of the additional Code staffing. This includes a proposed shift of \$500,000 in NCC from Planning to Code to avoid staffing reductions.

Department of Environmental Health

Environmental Health

Mission Statement

The mission of the Department of Environmental Health is to enhance the quality of life in Riverside County through implementation of environmental health programs that protect public health and safety as well as the environment.

Description

The Department of Environmental Health consists of three divisions. The District Environmental Services Division consists of professional, technical, and support staff located in seven area offices throughout the county. The major programs within the division include retail food safety, recreational water safety, vector control, mobile home parks, organized camps, and retail tobacco. Second is that of Environmental Protection and Oversight (EPO), which is responsible for compliance relating to hazardous materials handling and disposal, liquid/solid waste collection/ disposal, medical waste storage/disposal, body art, land use and water system programs. Lastly, the Business Operations and Finance Division (BOF) provides administrative support for the entire department. Support functions provided include accounting, revenue tracking and analysis, purchasing, special projects, and budget preparation and monitoring. In addition to the Mission Statement mentioned above, the overall goal of the department is to gain compliance with the law by educating applicable businesses. The department provides these critical services with its talented and dedicated staff of 203 and an annual budget of approximately \$32 million.

Budget Changes & Operational Impacts

Staffing

After the past few years of backfilling behind several retirements, the Department of Environmental Health (DEH) has made significant gains in bringing onboard new Environmental Health Specialists and is approaching a staffing level that ensures a balanced budget while maintaining limited vacancies. As in the past few fiscal years, DEH is maintaining its staffing level at 203 for FY 20/21. Operating within this staffing level, DEH during the previous fiscal year added an Assistant Director but deleted a Deputy Director and Environmental Health Technician I to offset the cost. The operational effect both inward and outward has been a benefit to DEH and the constituents it serves.

Expenditures

- Salaries & Benefits:
 - Net increase of approximately \$1.3 million from previous fiscal year. This includes onetime retiree leave buyout charges of over \$300,000. Additionally, new MOU contracts with SEIU and LIUNA have increased pay and benefits for a large majority of DEHs employees. This is also inclusive of increased pension obligations for all DEH employees.
- Services & Supplies, Other Chargers
 - Minor increases of some services and supply expenses, including ISF costs. However, and as previously noted in the FY 19/20 budget, DEH has included costs for the potential CAC 10th floor redesign. Project costs are budgeted this year at approximately \$300,000 for the design portion of this project.
- Capital Asset Purchases

DEH is proposing to purchase three capital assets this FY. One is for the HAZMAT program, a hazardous materials analyzer, which will be acquired through an EMD CHOG grant like previous years. The other two will be for our Vector Control program and consist of a truck mounted fogger and a cryofreezer. These two vector control items are proposed to be purchased utilizing remaining fund balance from Fund 11116, Mosquito Control.

Revenues

DEH derives its revenue primarily from permit fees. As presented to the Board in early April 2020, the Ordinance 640 update authorizes DEH to increase its fees by Consumer Price Index (CPI) annually, should it be required to cover next fiscal year costs. Thus, the impact of the 3% increase to selected DEH permit fees is approximately \$250,000. With consideration of increased facility counts, DEH expects revenue to increase by approximately \$650,000 inclusive of the CPI increase.

- Licenses, Permits & Franchises
 - Activity such as business, construction, hazardous materials, underground storage tank, sewage, medical waste and unpackageed food cart permits.
- Charges for Current Services
 - Activity such as issuance of business licenses, local enforcement agency tipping fees, refuse, food facility, and swimming pool permits.

Net County Cost Allocations

Not applicable. DEH does not receive Net County Cost Allocations.

Departmental Funds

DEH reserves consist of deferred, restricted, and committed funds that range from legal mandates, solid waste efforts, vector control issues and grants. Restrictions are placed on these reserves for uses relative to state mandates, stipulated judgements, and/or other Board policy commitments. These funds are budgeted this FY and consist of the following.

- 11053 CalRecycle Local Enforcement Grant
 - Annual grant from CalRecycle to support the Local Enforcement Agency's (LEA) solid waste facilities permit and inspection program as specified in the annual workplan.
- 11059 Hazardouse Waste Generators Fines and Penalites
 - Restricted by court or administrative enformecement order for fine and penalty assessments levied against certain hazardous waste generators.
- 11089 Local Enforcement Agency Fees
 - Coachella Valley illegal dumping fees collected until 2008. The fund supports illegal dumping cleanup and other activities in this area. No further revenue is anticipated to be received by this fund.
- 11114 Temescal Valley, Synagro Fund
 - Fund restricted for First District use in and around the area of the Temescal Valley concurrent with Board approval. No further revenue is anticipated to be received by this fund.
- 11116 Mosquito Control VBDS
 - A grant received from California Department of Public Health (CDPH) for vector control activites. No further revenue is anticipated to be received by this fund.

Department of Waste Resources

Department Of Waste Resources

Mission Statement

Protect the general public's health and welfare by efficiently managing Riverside County's solid waste system through: the provision of facilities and programs, which meet or exceed all applicable local, State, Federal and land use regulations; the utilization of up-to-date technological improvements; the development and maintenance of a system that is balanced economically, socially and politically; and the economically feasible recovery of waste materials.

Description

The Department of Waste Resources (DWR) is responsible for the efficient and effective landfilling of non-hazardous waste. DWR operates five active landfills, 33 inactive landfills, has a contract agreement for waste disposal with an additional private landfill, and administers several transfer stations and collection center leases. The department believes that much of what our society throws away today actually has residual value and should be repurposed for a better use; therefore, every effort is made to recycle and reuse appropriate items with scrupulous attention to public health and safety.

As required by statute, DWR ensures that Riverside County has a minimum of 15 years of capacity, at any time, for future landfill disposal. DWR is organized so that nearly all functions of designing, permitting, operating, maintaining, and supporting the landfill system are performed by in-house staff. In addition to landfill management, DWR provides a variety of community services including household hazardous waste collection, recycling, composting, illegal dumping clean up, community clean-ups, and graffiti abatement.

Budget Changes & Operational Impacts

Staffing

The Department proposes funding 277 permanent mission critical positions in FY 20/21. This is a net increase of 10 positions from staffing levels as of December 2019.

Additional staffing is needed to maintain service levels, enhance landfill operations, expand services, and ensure compliance with regulatory requirements.

Expenditures

There is a projected net increase of approximately \$21.8 million from the FY 19/20 adopted budget in overall expenses.

Salaries & Benefits

The net increase in salaries and benefits is \$9.5 million and is primarily related to increased staffing and pension related expense.

 Additional staffing positions, combined with merit increase requirements of labor union agreements result in a net salary/benefits related expense increase of approximately \$3.6 million.

- In order to reach the 80% funding level as mandated by Board Policy B-25, the Department of Waste Resources proposes to double the minimum required payment in FY 20/21 towards the District pension obligation. Current projections indicate that, under this proposed revised payment schedule, the 80% funded level will be achieved in FY 21/22. With this increase and the projected increase to pension expense related to DWR County employees, based on a projection for FY19/20 provided by the Auditor Controller's Office, there is a net increase of approximately \$5.9 million for pension expense.
- Services & Supplies

While there is a net decrease in services and supplies of approximately \$3.7 million there have been both increases and decreases to individual accounts. Details of the larger changes are presented below:

- Site improvements required at the closed Pedley landfill estimated at \$800,000, and \$600,000 for active and inactive landfill site maintenance and repair activities result in a net increase of \$1.4 million. In addition, there is a decrease due to the reclassification of the Board of Equalization integrated waste payments budgeted at \$2,241,677 to an appropriation 3 account code that better identifies the type of expense.
- Other Charges

Depreciation and Taxes and Assessments make up the total in other charges with a net increase of approximately \$2.8 million.

- The increase is primarily due to the reclassification of the Board of Equalization integrated waste payments of \$2,241,677 to the Taxes and Assessments account to better identify the type of expense.
- Fixed Assets

These costs consist of capital improvements, as well as the construction and purchase of assets. A net increase of approximately \$6.6 million is projected based on the following increases/decreases:

- \$2.4 million for the Badlands landfill liner expansion project.
- \$2.4 million for other landfill infrastructure projects including gas collection system expansions and other site structural improvements to both the open and closed landfills.
- \$2.6 million for the replacement of landfill heavy equipment that is must be replaced due to California Air Resources Board (CARB) compliance requirements.
- \$1.8 million decrease for building improvements. In FY 19/20 the Department's budget included costs for the construction of a Fleet Maintenance Facility and Hazardous Waste Collection Facility which have been substantially completed and costs will not carry forward into FY 20/21.
- \$1 million decrease for the purchase of light and heavy on-road vehicles.
- Intrafund Transfers
 - This negative \$10.9 million cost offsets expense recorded as other charges, which includes budgeted depreciation. As Fixed Assets fully depreciate and new assets are added, the net amount will change. There is a projected decrease of \$6.6 million in the offset.
- Operating Transfers Out

DWR is expected to provide approximately \$16.2 million to the General Fund and other agencies in FY 20/21.

 Distribution of in-county tonnage revenue includes \$2.4 million to Habitat Conservation, \$1,031,582 to Environmental Health for regulatory oversight and \$839,660 to Code Enforcement/Cities in support of the Abandoned Vehicle Abatement program. Revenue distribution for Out-Of-County tonnage includes \$3.7 million to Habitat Conservation, \$3.2 million to the General Fund, \$497,714 to Environmental Health (vector control), and \$205,901 to TLMA. Other funds provided to the General Fund include \$2.5 million for contracted import tonnage received at county landfills and \$1.8 million for the annual landfill lease payment.

Revenues

Net revenue was initially projected to increase by \$7.2 million in FY 20/21 over prior year projections. \$6 million of the projected increase was anticipated to be due to landfill service fees and the remaining from other revenue sources. However, these projections were calculated prior to the realization of the effects of the COVID-19 pandemic and were based on estimates available at time of budget submittal and did not factor in impacts of COVID-19.

- Charges for Current Services
 - Based on historical and current data at the time of budget submittal, initial estimates were based on relatively flat tonnage growth, with revenue growth primarily resulting from scheduled rate increases to contracted rates and an annual CPI rate increase anticipated for non-contracted rates. Based on recent trends, DWR now expects tonnage to decline more significantly negating the antcipated revenue

increase and will be closely monitoring the impacts of reduced revenue on the budget.

- Other Revenue
 - Revenue sources other than landfill fees are expected to increase in some categories and decrease in others resulting in a net increase of \$1.3 million in FY 20/21 compared to FY 19/20. The overall increase is primarily due to an increase in projected interest of \$777,469 and an increase of \$325,288 related to reimbursement from closure escrow funds for Mecca II site closure.

Departmental Reserves

- Unrestricted Net Assets Account 380100
 - With the projected revenue and expense for FY19/20 as presented by the Budget, an anticipated increase of approximately \$5.4 million is projected. Waste will monitor all expenses throughout the year and continue to implement cost saving measures as needed.

Net County Cost Allocations

DWR does not receive general fund support.

Flood Control and Water Conservation District

Flood Control and Water Conservation District

Mission Statement

The mission of the Riverside County Flood Control and Water Conservation District is to responsibly manage stormwater in service of safe, sustainable and livable communities. Our vision is to be a leader in the field of stormwater management, achieve extraordinary results for our customers, be the home of high-quality teams and return value to our community.

Description

The Riverside County Flood Control and Water Conservation District is a special district formed in 1945 by the State Legislature to serve the regional stormwater management needs of western Riverside County and its citizens. The County Board of Supervisors serves as the District's legislative body.

The District's 2,700-mile service area covers the western third of the county, with its eastern limits reaching Desert Hot Springs, most of Palm Springs and parts of Cathedral City. Stormwater management for the balance of the county is provided by Coachella Valley Water District or directly by the county. Local cities and the county also maintain local drainage infrastructure that connect to larger regional District facilities.

The District performs the following broad services:

- Plans, designs, constructs and operates regional storm drains, channels, levees and dams;
- Partners with local water agencies to conserve stormwater and other local water supplies;
- Works with cities and the county to protect the environmental integrity of local lakes, rivers, and streams;

- Partners with cities and local agencies to fund the design and construction of storm water management systems.
- Provides flood hazard related development review, floodplain management and public education support to city and county departments;
- Works with local agencies to find opportunities to incorporate multi-use functions into District facilities, including parks, trails, and habitat; and
- Maintains and operates flood warning and early detection systems.

The District currently maintains nearly \$1 billion in assets, including over 600 miles of channels, storm drains and levees and 55 dams and debris basins. An additional 400 miles of regional channels and another 48 dams and debris basins are proposed in the District's Master Drainage Plans as part of our comprehensive plan to protect the county's residents.

The District employs over 220 staff and maintains an annual operating budget of approximately \$197 million. The District's functions are supported by ad valorem property tax revenues, contributions from other local, state and federal agencies, grants and special assessments.

Net zero change in the staffing.

Currently, 322 funded authorized positions; 223 filled positions, recruiting 23 positions, and 76 vacant positions. For purposes of succession planning, the District incorporates vacant positions into its budget to ensure business processes continue to flow during times of attrition that may arise due to retirements, promotions or job changes.

Expenditures

Net increase of \$36.8 million.

- Salaries & Benefits
 - Net increase of \$ 8.5 million as a result of a 4.2% increase in the unfunded liability contribution from prior year and also due to additional 21 positions requested to be added in the staffing for the District
- Services & Supplies
 - Net decrease of \$13.1 million being a result of partner led projects reclassified as contribution to other agencies (Class 3) instead of contracts (Class 2) as stated in the prior year.
- Other Charges
 - Net increase of \$38.5 million as a result of an increase in the total amount of the District's contribution to non-county agencies for construction project costs.
- Fixed Assets
 - Net increase of \$6.6 million as a result of an increase in land purchases for construction projects and infrastructure. Also, an increase in the number of heavy equipment purchases.
- Operating Transfers Out
 - Net increase of \$3.3 million as a result of allocations charged to all other District funds

and received by the general fund for administrative purposes.

- Intrafund Transfers
 - Net increase of \$777,000 as a result of an increase in transfers to the District's Capital Project Fund.

Revenues

Net increase of 5.3 million.

- Taxes
 - Net increase of \$1.9 million due to County Assessor projections and actual tax revenue receipts for the last three years.
- Redevelopment Pass-Thru
 - Net decrease of \$2.7 million due to average actual tax. Revenue varies from year to year.
- Special Assessment
 - Net zero change from prior year budget.
- Intergovernmental Revenue
 - Net in crease of \$7,905 due to County Assessor projections and actual tax revenue receipts for the last three years. Revenue varies from year to year.
- Charges for Current Services
 - Net increase of \$ 4.4 million due to Federal Emergency Management Agency (FEMA) rimbursement for the Holy Fire/Storm damages.
- Area Drainage Fees
 - Net zero change from prior year budget as the revenue is contingent upon growth in the local economy and it fluctuates based on development (construction) activity.
- Investment Earnings
 - Net increase of \$1.9 million is budgeted to receive a 2 percent increase in earnings based on the forecasted U.S. Federal Funds interest rate.

- Operating Transfers In
 - Net increase of \$5.3 million as a result of allocation of funds now being accounted for in the Contribution From Other Funds revenue account in the District general fund instead of the Intrafund Transfer account.

Departmental Reserves

- Fund 15000 Special Accounting
 - These funds are unassigned and are primarily from recovering costs associated with inspection of developer-constructed facilities to be accepted into the District's maintained system.
 - Anticipate increase in revenue due to increased construction inspection activity.
- Fund 15100 Administration
 - This fund accounts for revenue and expenditures related to the general administration of the District. Services provided include accounting, personnel, payroll and benefits, budgeting, purchasing, agreement preparation, grant application and administration, and secretarial services.
 - This fund also finances the operation costs of the District's office complex in Riverside.
 - These services are primarily financed by ad valorem property taxes designated for this purpose, supplemented by appropriate contributions from all the other District Funds benefiting from the provided services.
 - There is an anticipated slight increase in revenue for this fund due to County Assessor projections. Revenue varies from year to year.
- Fund 15105 Funded Leave Balance

Regional Parks & Open Space District

Regional Parks & Open Space District

Mission Statement

To acquire, protect, develop, manage, and interpret for the inspiration, use and enjoyment of all people, a well-balanced system of park related places of outstanding scenic, recreational, and historic importance.

Description

The county's award-winning park and open space system features more than 91,000 acres and includes camping parks, historic sites, nature centers, ecological reserves and trails. The district is accredited by the National Recreation and Park Association for demonstrating the highest standards of ethical and professional practices in the delivery of park and recreation programs.

Budget Changes & Operational Impacts

Staffing

The District's personnel count has been reduced by 23 positions, from 123 to 100 for the remainder of FY19/20 and through FY20/21. The decrease in positions was a result of drastic cost-cutting measures in the final quarter of FY19/20 related to the COVID-19 pandemic that impacted the District's ability to collect revenue due to mandatory closures.

Expenditures

- Salaries & Benefits
 - Salaries and Benefits have decreased by 12 percent or \$1.24 million due to the twentythree positions eliminated.

- Services & Supplies
 - Increase in contracted maintenance services and utilities. Also, increase in internal service fund (ISF) charges costs (\$93k) and COWCAP (\$77k)
- Operating Transfers Out
 - Decrease of \$386,000 in Operating Transfers from Fund 25400 to to Fund 25420 as operational support will not be needed in FY20/21 due to transfer of the Jurupa Valley Boxing Club to the City of Jurupa Valley and operational restructuring of the Rancho Jurupa Regional Sports Complex.

Revenues

- Taxes
 - Property Tax revenues are expected to increase by 6.2 percent or \$348,268 from previous year.
- Operating Transfers In
 - Decrease of \$268,000 in Operating Transfers from Fund 25400 to to Fund 25420 as operational support will not be needed in FY20/21 due to transfer of the Boxing Club to the City of Jurupa Valley and operational restructuring of the Rancho Jurupa Regional Sports Complex.

Departmental Reserves

- 25400 Regional Park and Open-Space District Operating Fund
 - The District's fiscal policy states minimum reserves for its operating fund is 30 percent of current annual operating expenditures: 25 percent of which as a general reserve, three percent as a reserve for accrued leave

liabilities, and two percent as a reserve for emergency disaster relief. The District expects fund 25400 to end FY 19/20 with a fund balance of \$1.9 million, which represents only 13 percent of FY 19/20 operating expenditures totalling \$15 million and the reserve will be \$2.55 million underfunded.

- The COVID-19 pandemic impacted fund reserves for FY19/20 due to the District's inability to collect revenue during the mandatory closures of park facilities, interpretive sites, and recreational facilities. The District took drastic measures such as reduction in personnel and cancellation/ reduction of contracted services.
- The expected ending reserve in 25400 for FY 20/21 is \$2.8 million, which represents 21.3 percent of FY 20/21 operating expenditures totaling \$13.5 million and is \$1.17 million underfunded.
- 33100 Park Acquisition and Development, District
 - FY 20/21: The district has budgeted to use \$405,000 of the FY 19/20 ending reserve balance to complete much-needed maintenance projects on aging infrastructure in FY 20/21. As a result of this spending, the expected ending reserve in 33100 for FY 19/20 is \$1.58 million, which represents just 10.6 percent of FY 19/20 operating expenditure, and is \$813,000 underfunded.

Transportation and Land Management Agency

Transportation and Land Management Agency

Mission Statement

Integrate transportation and land use functions in order to enhance the quality of life in existing communities, properly plan new communities to accommodate growth in a balanced way, be good stewards of the environment and natural resources, and serve the public through excellent customer service.

Description

The Transportation and Land Management Agency (TLMA) consists of the Transportation, Planning, Building and Safety, and Code Enforcement departments.

The Transportation Department oversees the design, operation, and maintenance of 2,250 miles of county maintained roads and 108 bridges. The department protects the health and safety of residents and improves quality of life through a variety of critical activities. These include engineering design, construction, and maintenance of county roads; review of plans and construction of transportation facilities by private land development; and land surveying and map processing.

Survey is a major division in the Transportation Department responsible for all land surveying functions, supporting the delivery of the Transportation Department's Transportation Improvement Program (TIP), reviewing and processing land development cases, and assisting the public and other agencies with research relating to land records. The division also provides public information and keeps land surveying and public right-of-way records, performs office analysis of all field surveys, processes public right-of-way documents for transportation projects and private developments, reviews Local Agency Formation Commission (LAFCO) documents, approves street

name changes, performs reviews on tract and parcel maps, records of survey, corner record reviews, lot line adjustments, parcel mergers, and certificates of compliance.

TLMA Administration provides executive management; purchasing; facilities support; human resources; fee administration; special projects, records and information management; and budgeting, accounting, and fiscal business services in support of the TLMA departments.

The Counter Services group provides permit counter staffing, property research information, and public outreach services.

The Airport Land Use Commission (ALUC) is an appointed seven-member commission, with staff support provided by TLMA. The commission undertakes local jurisdiction project reviews within Airport Influence Areas (AIAs), updates airport land use compatibility plans, and cooperates with the State Department of Transportation on regional aviation issues.

The Aviation Division manages five airports: Blythe, Hemet Ryan, French Valley, Jacqueline Cochran, and Chiriaco Summit encompassing over 5,000 acres of land and provide aviation facilities and services to private and corporate tenants, aircraft users, and businesses. Each airport is unique and offers a variety of services. The Aviation Division applies receives grants from the Federal Aviation Administration (FAA) and the State of California Department of Transportation (Cal-Trans) for capital improvement projects for each airport.

Budget Changes & Operational Impacts

Staffing

- Transportation Department currently has 339 authorized positions. Transportation projects to end FY 20/21 with 348 budgeted positions, a net increase of nine, which are primarily in field operations to enhance the ability to do daily road maintenance and upkeep, and provide effective emergency response.
- Survey presently has 37 authorized positions and requests the same for FY 20/21.
- Aviation will have a decrease of one position for FY 20/21.

Expenditures

- Salaries & Benefits
 - All Transportation and Land Management Agency (TLMA) departments will be absorbing additional 2.9 percent PERS costs in FY 20/21, totaling \$1,312,759.
 - Salaries & Benefits in Transportation Department increased by \$2.7 million. It is primarily driven by PERS increase of \$737,556, salary step increases of \$455,934, and the 9 additional positions.
 - Salaries and benefits have increased in Transportation Garage Department by \$221,859 due to PERS and Workers Comp increases.

- Salaries & Benefits in Administration Department increased by \$218,081 primarily due to PERS increases, salary step increases, and adding two Aviation fiscal staff due to EDA reorganization.
- Salaries & Benefits in Counter Services Department increased by \$692,747 mainly due to adding four Land Use Technician positions in current fiscal year and two Ombudsman in FY 20/21 at permit counters to reduce customer wait times, to assist our less-erperienced customers, and increase inperson and online case processing efficiency, as well as \$64,408 in PERS and step increases.
- Salaries & Benefits in Survey increased by \$218,365. Major expenses are salary costs associated with staffing to provide the required technical and specialty services, and consultant costs.
- Salaries & Benefits in Aviation will have no significant changes from prior year.
- Services & Supplies
 - Services & Supplies cost increased by \$209,477 in Transportation Department.
 - Costs have increased in Transportation Garage Department by \$302,520 from FY 19/20 primarily due to increases in field equipment maintenance, fuel, parts, and tire inventory associated with increased equipment and Fleet Services ISF costs.
 - Administration will have a decrease of \$607,612 in Services & Supplies mainly due to overall \$329,864 reduction in RCIT costs and direct allocation of RCIT server system maintenance costs to each department based on the IT device inventory.
 - Aviation will have a net increase of \$179,030 primarily due to an increase in leagel support costs, a CPI increase of the French Valley Terminal Building lease, and an increase in fleet charges for the lease of a new replacement vehicle.
- Other Charges

- Other charges in Transportation Department have decreased by \$440,589 from FY 19/20. The decrease is primarily driven by COWCAP, administrative costs, and maintenance work needed from facilities management.
- Costs have increased in Transportation Garage Department by \$906,192 from FY 19/20 due to increased capital leases to replace end of life cycle equipment and to comply with California Air Resources Board (CARB) regulations to replace off road heavy equipment.
- Aviation will have a net increase of \$56,810 primarily due to an increase in Admin overhead.
- Fixed Assets
 - Transportation Garage's Equipment Purchases will be decreased by \$2.1 million due to carry over from prior year budget into current fiscal year.
 - Administration is budgeting \$100,000 for the laserfiche cloud storage cost in FY 20/21. As we move forward with the Trusted System Program which will allow TLMA to destroy paper copies, it is imperative that back up electronic and/or disaster recovery storage is in place via cloud storage through a vendor that is compatible with our current Electronic Content Management System (Laserfiche). Cost would include initial software installation and monthly storage fees.
 - Aviation will have a net increase of \$46,000 for an improved weather system and the purchase of a runway sweeper and an air traffic counter.

Revenues

• At the time of budget submittal, Transportation's Capital Budget is expecting an increase of \$13 million in revenues due to an increase in SB 1 gas taxes and other funding sources. Delivery of major capital projects such as completion of the Limonite/I-15 Interchange, the Scott/I-215 Interchange, start of construction on the Avenue 66th Railroad Grade Separation, right-of-way acquisition on the Jurupa Railroad Grade Separation, and numerous SB 1 repaving projects will keep expenditures at FY 19/20 levels.

- Survey relies on a mixture of state, federal, and local transportation improvement dollars to support activity of the annual TIP program and Deposit Based Fees (DBF) for development cases. Survey does not receive funding from the general fund.
- Aviation will have a net increase of \$960 in Fines, Forfeitures & Penalties to align with higher actual revenues in fines and fees in FY19/20, a net increase of \$321,072 in Revenue From Use of Money & Property due to CPI increases in lease revenue and interest allocations, a net decrease of \$126,958 in Charges for Current Services primarily due to lower reimbursement of salaries on grant capital projects, a net increase of \$2,463 in Other Revenue to align with higher actual miscellaneous revenues received in FY19/20, and a net decrease of \$456,286 in Federal Revenues due to a decrease in airport improvement projects scheduled for FY 20/21.

Departmental Reserves

- TLMA Administration Services is anticipating a draw of \$308,000 from its fund balance.
- Transportation Operations cost center will have a draw of \$3.2 million from its fund balance to cover the cost of storm damage repairs.
- Transportation Garage cost center is expecting to purchase new equipment in the amount of \$2.5 million. Much of this cost are carry-over from FY 19/20 due to delayed equipment delivery from the manufacturers. The projected draw from its fund balance will be \$900,000 in FY 20/21.
- Aviation anticipates to use \$363,390 in unreserved fund balance from County Airports (22100) and \$243,600 in unreserved fund balance from Special Aviation (22350) for FY20/21.

Waste Resources Management District

Waste Resources Management District

Description

Although the District was dissolved in 1993, active employees at the time of dissolution have retained their District status. This budget unit is solely for District employee salaries, benefits, and mileage reimbursement costs. Please refer to the Department of Waste Resources for a complete description of the mission and objectives.

Budget Changes & Operational Impacts

Staffing

A net decrease of 2 positions from current levels is proposed in FY 20/21 for a total of 12 funded positions. It is expected that over time all District positions will be eliminated through attrition as District employees retire or otherwise separate from employment.

Expenditures

There is a projected net decrease of \$134,819 in overall expenses. The detail of change to each expense category is as follows:

- Salaries & Benefits
 - As District employees retire or leave the department, the positions are being eliminated and refilled as county positions.

- Services & Supplies
 - The only costs in the category are directly related to District employee cost. As District positions decrease, this cost will decrease as well.

Revenues

The net decrease of \$134,819 in budgeted revenues for FY 20/21 is directly related to the decrease in projected employee related expense. The only revenue recorded in the District fund is interest received and reimbursement for employee related expense from the operating fund.

Departmental Reserves

The projected gains anticpated for FY 19/20 as well as FY 20/21 are based on the amount of interest revenue only. The projected revenue, other than interest revenue, should closely match the projected expense for the District employee related expense, which is reimbursed by the operating fund.

Net County Cost Allocations

The District fund does not incur any net county cost, nor does it generate revenue to offset the cost to the other county departments.

Introduction

The Health and Sanitation group provides accessible physical, mental, and behavioral healthcare, monitors and prevents the spread of communicable diseases, promotes healthy living, and prevents abuse, and protects the overall safety and wellbeing of the community. These departments deliver, coordinate, and administer a range of federal, state, and local programs that support constituent's health needs and the county's strategic objective of building healthy communities through activities related to health and hospital care, sanitation, and California children services. The Riverside University Health System provides coordinated ambulatory care services, behavioral health treatment, hospital care, and public health services throughout the community. The Environmental Health department implements programs to protect the health of people and the environment, while the Department of Waste Resources provides sanitation services.

Riverside University Health System

Behavioral Health & Public Health

Mission Statement

Improve the health and well-being of our patients and communities through our dedication to exceptional and compassionate care, education, and research.

Description

The Riverside University Health System (RUHS) is comprised of six divisions: Federally Qualified Health Center (FQHC), Behavioral Health (RUHS-BH), Public Health (RUHS-PH), RUHS Medical Center (RUHS-MC), Correctional Health Services (CHS), and Medically Indigent Services Program (MISP).

- RUHS-Public Health: This department is responsible for preserving and protecting the health of Riverside County's 2.4 million residents and visitors. Core functions include: the control and prevention of communicable diseases; responding to public health emergencies; prevention and control of chronic disease; promoting healthy behaviors including increased physical activity, healthy eating and tobacco cessation; monitoring, analyzing and communicating data reflecting health indicators and risk; registering vital events of births and deaths; providing diagnosis and treatment services, case management and physical and occupational therapy to children under age 21 with complex life-threatening or physically handicapping medical conditions.
- RUHS-Behavioral Health: The integration of Behavioral Health (BH) within RUHS has provided opportunities for increased community mental health and substance use services throughout the county as RUHS continues to implement healthcare reform changes and work toward behavioral health, healthcare and substance

abuse treatment integration. RUHS-BH has five key budget programs:

Mental Health Treatment provides treatment and support services to transition age youth, adults and older adults who have a mental illness and children who are seriously emotionally disturbed. Services include outpatient services, medication, peer recovery services, education, housing, residential care, and acute care.

Detention Mental Health provides mental health and substance use services to individuals incarcerated at the county's five adult correctional facilities and juvenile halls. A mental health response team is available to address lifethreatening situations, as well as to provide mental health evaluations, treatment, and medication as needed.

Mental Health Administration provides state required management and oversight of the mental health and substance use programs including: quality improvement, patient's rights, compliance, managed care utilization review, research and evaluation, finance, and general administration.

Substance Abuse Treatment and Prevention Program provides direct alcohol and drug use prevention and treatment for all ages through a network of countywide clinics and contract providers.

Public Guardian Division provides conservatorship investigation and administration services and is presented in the Public Protection section of this budget document.

 Correctional Health Services provides effective, efficient, and professional health care to adults and juveniles incarcerated in Riverside County. Correctional Health Services administratively reports to the administration of the Medical Center and provides medical and dental services in five county jails and three county juvenile halls. The department is responsible for providing all non-acute medical services to individuals admitted to the jails and juvenile halls. Per Title 15 of the California Code of Regulations, the Sheriff is responsible for ensuring basic and emergency medical, and dental services to adult inmates. Both the Sheriff and Probation departments have memorandums of understanding with Correctional Health to provide these services.

 Medically Indigent Services Program provides financial assistance for health needs of adults. The program covers acute illnesses and medical care to prevent disability. The goal of the program is to reduce costly hospital stays and increase a patient's ability to work.

Budget Changes & Operational Impacts

Staffing

- The budget request includes 781 positions for Public Health (PH) & California Children's Services (CCS). There is a decrease in positions for PH due to the budget cuts.
- The budget includes funding for over 2,100 authorized positions for RUHS-Behavioral Health.
- The budget includes funding for 328 authorized positions for Correctional Health Services.
- The budget includes funding for 43 authorized positions for Public Guardian.
- The budget includes funding for 53 authorized positions for Medically Indigent Services Program.

Expenses

The budget for Public Health (PH) and the California Children's Services (CCS) reflects an increase of \$6.9 million. The budget for Behavioral Health is \$557 million, an increase of \$18.7 million. The budget for Correctional Health is \$45.2 million. The RUHS-Public Guardian budget request is \$5.2 million, an increase of \$560,000 from current year budget. The budget for the Medically Indigent Services Program (MISP) is \$6.5 million.

- Salaries & Benefits
 - Public Health and CCS salaries and benefits are expected to have a net increase of \$3.1 million. Increases are for Per Diem salaries, Temporary Assistance Pool (TAP) expenses, and standby pay and are offset by reductions in workers' compensation insurance. The overall increase includes a rise in pension costs which is offset by salary and benefit reductions for staffing cuts.
 - Behavioral Health has a net decrease of \$5.7 million under current year budget due to integration and efficiency efforts, although offset by the rising cost of labor for filled positions.

- Correctional Health has a decrease of \$7.5 million due to necessary care and service adjustments to meet the proposed budget targets.
- Public Guardian has salaries and benefits totaling \$3.9 million.
- Services & Supplies
 - PH and CCS expect a rise in cost of \$5 million for Services and Supplies. Contributing to the increase is a rise in wage and benefit costs along with reduction of support costs allocated to Community Action Partnership (CAP) resulting in an increase of \$1.2 million for administrative and support department allocations to departments receiving their services. CAP is transferring out of RUHS-DOPH and to a new department that will provide assistance to homeless and low income county residents. Additional increase is due to a change in the method used to record lease costs for space occupied by Public Health in the Perris FQHC Clinic, resulting in a cost transfer between appropriations. In the past, Public Health was charged CORAL lease expense (under Other Charges) for space occupied in the Perris FQHC Clinic. The process has been modified and now the entire debt service (CORAL) for the Perris FQHC Clinic is paid by the RUHS FQHC Care Clinics and space leased by Public Health is recorded as a building lease cost (under Services and Supplies). Other expense increases are for occupancy related costs of \$481,000, training and travel related expenses of \$344,000, professional services of \$346,000, pharmaceuticals of \$222,000, software maintenance \$192,000, COWCAP of \$249,000, and security guard services of \$106,000.
- Other Charges
 - Contract increases for Behavioral Health are necessary to meet the increasing service demands of Children's Medicaid and Substance Abuse Disorder entitlement programs. Also included is the

implementation of the social rehabilitiation and community-based continuum of care treatment and wrap-around support targeting those facing programs homelessness, and diversion of those with a serious mental illness and/or a co-occuring substance use disorder away from hospitalization or incarceration. This will improve care, reduce recidivism, preserve public safety, and provide lower levels of outpatient recovery in order to avoide costly acute inpatient care.

- An increase of \$325,000 is expected for Other Charges for Public Health. The County's financial obligation for the Optional Targeted Low Income Childrens Program population under the California Childrens Services program has increased from 6 percent to 11.75 percent resulting in a cost increase of \$1.1 million for support and care of persons in FY 20/21. There is also an increase of \$122,000 for Public Health support cost allocations to the Prop 56 Tobacco Control and Local Oral Health programs (under special revenue funds) due to wage and benefit cost increases impacting Public Health support department cost allocations. In FY 20/21, it is not anticipated that there will be cost allocations for IT charges to RUHS-Public Health from other RUHS IT units, resulting in a cost reduction of \$658,000.
- Fixed Assets
 - Public Health expects an overall decrease of \$172,580 for fixed asset purchases due to a reduction in purchases of Information Technology capital items and no planned purchases of routers.
- Intrafund Transfers
 - Public Health anticipates an overall increase in Intrafund Transfers of \$1.6 million for FY 20/ 21. The increase is due to the overall rise in cost of wages and benefits, impacting allocations of Public Health support services in addition to a reduction in Public

Health support cost allocations to Community Action Partnership (CAP).

Revenues

- Intergovernmental Revenue
 - Federal funding for Behavioral Health increased due to increases in Children's Medicaid and Substance Abuse Disorder entitlement programs.
 - Mental Health Services Act (MHSA) increased due to the continued implementation of MHSA programs as well as funding diversion programs discussed above.
 - California Children's Services (CCS) revenue is expected to increase by \$1.5 million. State funding for administrative and therapy services and Medi-Cal reimbursements are anticipated to increase by \$1.4 million and realignment funds to increase by \$100,000.
 - For Public Health (PH), intergovernmental revenue is expected to increase by \$3.2 million. There are various grants/programs contributing to the increased funding such as the CDC Ending Epidemic, Infectious Disease Prevention & Control, Home Visitation Program Expansion, Black Infant Health, Perinatal Equity, Hepatitis C State Local Assistance, Riverside Overdose to Action Surveillance/Intervention, and Adolescent Family Life grants. Offsetting these funding increases are reductions for several grants including Nutrition and Physical Activity, Women, Infant, and Children (WIC), Sexually Transmitted Disease (STD)-Clinical Services, Propositions 56 & 99 Tobacco Control, Local Oral Health, Ryan White, and the Lead Program.
- Charges for Current Services
 - Funding from Charges for Current Services under Public Health is anticipated to rise by \$101,000 in FY 20/21. The primary increase is from the Nurse Family Partnership/National Service Office grant with First 5 of \$1.2 million

which was transferred from the Other Revenue category in order to more accurately classify the funding source; offset by a reduction of \$829,000 for the CalWORKS Home Visitation Initiative. An additional reduction of \$273,000 is from elimination of RUHS – Information Services support allocation from Public Health to Community Action Partnership (CAP). CAP will transfer from RUHS-Department of Public Health to a new department that will focus on providing assistance to homeless and low income residents of Riverside County.

- Other Revenue
 - Other Revenue for RUHS Public Health is projected to decrease by \$1.7 million in FY 20/ 21. Revisions to revenue accounts to more accurately classify funding sources resulted in fluctuations between revenue categories. For the National Services Office grant with First 5, \$1.4 million was transferred from Other Revenue to the Current Charges for Services category. revenue In addition, the Department does not anticipate RUHS -Medical Center will require IT services from RUHS-IT staff budgeted under Public Health, resulting in a revenue reduction of \$410K.

Departmental Reserves

Public Health Department reserves represent advances received from federal and state grants and funds set aside in order to cover the unpredicatable variation in medical treatment costs for CCS children, the year-to-year changes in realignment funding, and the potential impacts from the repeal of the Affordable Care Act of approximately \$22.1 million. As an example, a single heart/lung transplant case can cost \$1.2 million, more common neonatal intensive care unit cases for bronchopulmonary dysplasia run \$500,000, and the number of cases each year cannot be predicted. A few high cost cases can dramatically change the county's cost obligation.

Net County Cost Allocations

- A 10 percent decrease to Behavioral Health Treatment net county cost allocation will result in 500 fewer acute inpatient beds available.
- Correctional Health and Behavioral Health Detention will make the necessary care and service adjustments to meet the proposed budget targets.
- Public Guardian's budget request remains within the allocated net county cost.
- The NCC allocation for Public Health was reduced by \$797,689, which brings the total allocation to \$10.8 million for both PH & CCS. There were no changes to NCC for CCS.
- There was a \$199,649 cut in NCC to MISP, bringing the total allocation to \$1.8 million.

Riverside University Health System – Medical Center

Mission Statement

Improve the health and well-being of our patients and communities through our dedication to exceptional compassionate care, education, and research.

Description

The Riverside University Health System (RUHS) is comprised of six divisions: Federally Qualified Health Center (FQHC), Behavioral Health (RUHS-BH), Public Health (RUHS-PH), RUHS Medical Center (RUHS-MC), Correctional Health Services (CHS), and Medically Indigent Services Program (MISP).

RUHS-MC is comprised of the Medical Center, hospital-based clinics and the Medical and Surgical Center (MSC) with nearly 3,500 healthcare professionals and support staff. Its mission and work profoundly and positively affect tens of thousands of patients every year. The 29-clinic, 439-bed Medical Center trains 1,000 medical residents and students and 2,500 nursing students annually. The Medical Center also operates one of only 10 emergency psychiatric hospitals in California. In FY 18/19, RUHS-MC oversaw 115,149 clinic visits, 111,387 inpatient days, 18,460 discharges, 1,691 births, 78,065 emergency room visits and 142,262 outpatient diagnostic visits.

In FY19/20, RUHS opened the MSC which will provide patients with an improved and more efficient ability to access a complete array of outpatient services, thereby increasing the overall experience and enhanced health outcomes for those served. By providing these services in an outpatient setting, RUHS is able to deliver a higher quality of care in a much more cost effective environment. Additionally, this development also creates the opportunity for the expansion of much needed specialty care services within the hospital. The MSC will allow RUHS to expand our reach and footprint in the County of Riverside elevating the standard of healthcare delivery by providing the community the opportunity to receive the care they need in the most appropriate, efficient and cost effective manner, for the benefit of all.

RUHS established key strategic initiatives in FY 14/15 based on four pillars that leverage technology and develop a culture of perpetual improvement to enhance, build, and expand service lines to effectively meet community needs. After a multi-year strategic planning process, RUHS has adopted a vision to align the services of RUHS-MC and the FQHC to improve access to the delivery of coordinated care while cutting costs and improving clinical outcomes. Integrated care improves the quality of care as well as overall experience to help create a sustainable future for health promotion, disease prevention and coordinated care for all community members with the goal of ensuring care is delivered in the right place, at the right time, and for the right cost.

Integrated Delivery Network: Technology provides the foundation for establishing a clinically integrated network, which is comprised of electronic patient health records designed to enhance patient care and enable health care providers to implement consistent preventative health measures. Additionally, RUHS recognizes that coordinated care across the health system, including close collaboration with other county departments and community partners, is essential to improving the health and well-being of the community. Together with department partners, RUHS can positively influence all aspects of an individual's state of health, both physical and emotional.

Master Plan: Developing services, service lines, and structures that align and efficiently meet the demands of the rapidly growing community is essential to the community's wellness and to RUHS's financial viability.

Rebranding: RUHS has been one of the region's bestkept secrets. RUHS's community deserves to learn how to access the exceptional services the County of Riverside has to offer across the continuum of care.

Efficient, high quality services: Improving care delivery models, streamlining care, improving access, and improving outcomes results in an overall reduced cost for care and demonstrates the value of the care delivered. While all of this is essential for the patients, providing efficient high quality service is paramount to RUHS's financial future as the payment structure for services is expected to shift more towards outcomeoriented, value-based incentives, while reimbursement for services is expected to decline over time.

Budget Changes & Operational Impacts

Staffing

- The Riverside University Health System Medical Center (RUHS-MC) budget request is for 3,625 positions, an increase of 70 positions over the current number of authorized positions.
- The Riverside University Health System-Community Health Centers (RUHS-CHC) budget request is for 641 positions.
- Additional positions are necessary to accommodate the increase in estimated volume and additional patient capacity expected due to the Medical and Surgical Center, including ancillary and clinic expansion.
- Operations are being closely reviewed for improved efficiency opportunities as the Lean improvement process continues to mature. All position recruitments will be evaluated to determine if there is a quantifiable revenue increase or a demonstrated need associated with the addition or replacement.

Expenditures

- Salaries & Benefits
 - RUHS-MC budget request is \$417.4 million, an increase of \$25.8 million over current year budget.
 - Salaries and benefits were with an anticipated 2 percent volume increase. Volume adjusted, salaries and benefit expenditures are budgeted to increase 4.6 percent.
 - Non-volume related budgeted increases to salaries and benefits expenditures was primarily related to merit increases and pension rate increases.
 - Volume adjusted overtime was budgeted to decrease by 5 percent.
 - RUHS-CHC salaries and benefits budget request is \$70.6 million, an increase of \$8.6 million over current year budget due to rising labor costs, and staff increases at RUHS-CHC Main Campus.
- Services & Supplies
 - RUHS-MC budget request is \$241.7 million, an increase of \$21.2 million over current year budget.
 - Cost increases are being driven by projected inflation increases in the costs of pharmaceuticals and medical supplies.
 - An additional \$11.3 million was budgeted to account for a full year of operations for the Medical and Surgical Center and increased services provided through service contracts.
 - RUHS-CHC services and supplies budget request is \$40.3 million, an increase of \$10.6 million over current year budget due to full year operating costs of the clinic expansion and integration efforts including the new Main Campus-CHC.
- Other Charges
 - RUHS-MC budget request is \$41.5 million, an increase of \$5.0 million over current year budget.

- Increases were primarily due to depreciation and interest related to budgeting for a full year of operations for the Medical and Surgical Center.
- RUHS-CHC other charges budget request is \$7.1 million, an increase of \$5.9 million over current year budget due to the Main Campus-CHC clinic expansion efforts.
- Fixed Assets
 - RUHS-MC budget request is \$34.3 million, a decrease of \$134.6 million over current year budget.
 - The decrease is due to capital purchases related to the Medical and Surgical which began operations in the fourth quarter of FY 19/20.
 - RUHS-MC's commitment to updating outdated equipment is critical to providing the safest and highest quality of healthcare. Typical capital investments for an organization this size are roughly \$30 \$40 million annually.
 - RUHS-CHC fixed assets budget request is \$705,000, a decrease of \$3.6 million over current year budget.

Revenues

- Intergovernmental Revenue
 - RUHS-MC budget request is \$272.6 million, an increase of \$32.6 million over the current year budget.
 - This increase is primarily due to budgeted increases in Managed Care pass-thru supplemental funding.
- Charges for Current Services
 - RUHS-MC budget request is \$400.2 million, an increase of \$27.7 million over current year budget.
 - Increases were budgeted within current services based on an anticipated 2 percent increase in patient volume.

- RUHS-CHC budget request is \$105 million, an increase of \$22.6 million over current year budget.
- Other Revenue
 - RUHS-CHC budget request is \$34.5 million, which is an increase of \$12 million over the current year budget due expected increases of the Main Campus-CHC and clinic expansion over the FY 19/20 budget.

Departmental Reserves

- 40050- RUHS-MC
- Budget Tables

RUHS-MC has a FY 19/20 beginning net position of (\$185.8 million). The projected net position at the end of FY 19/20 is (\$185.8 million). Based on the requested FY 20/21 budget, the year end net position is (\$185.8 million).

Net County Cost Allocations

- RUHS-MC budget request is \$20.3 million, which is a decrease of \$0.3 million over the current budget.
- RUHS-CHC will make the necessary care and service adjustments to meet the proposed budget target.

Tax and Revenue Anticipation Notes (TRANs): A shortterm, interest-bearing note used as a cash management tool. Public agencies often receive revenues on an uneven basis throughout a fiscal year. The borrowed funds allow the agency to meet cash requirements during periods of low revenue receipts and repay the funds when the revenues are greater.

Teeter Plan: An optional alternative method for allocating delinquent property tax revenues. Using the accrual method of accounting under the Teeter Plan, counties allocate property tax revenues based on the total amount of property taxes billed, but not yet collected. The Teeter Plan allows counties to finance property tax receipts for local agencies by borrowing money to advance cash to each taxing jurisdiction in an amount equal to the current year's delinguent property taxes. In exchange, the counties receive the penalties and interest on the delinquent taxes when collected. For counties not under the Teeter Plan, interest and penalty are allocated to all agencies based on their pro rata share of the delinquent property tax. However, the county retains the penalty on delinguent property taxes if the delinguency is cleared up within the same fiscal vear.

It is preposterous that this board is considering increasing the Public Safety appropriation by 3%. I urge the supervisors to push for cuts to Public Safety. We are living in a time when people are beginning to understand that police are a malignant force in our society. They cause far more problems than they solve, and our particular Sheriff's Department here in Riverside County has been particularly resistant to any suggestions of reform. It is time we spent our money in areas that will directly improve quality of life for residents of this county. I think a great place to start would be the Housing, Homelessness Prevention and Workforce Solutions appropriation.

Signed, Luke Hobbs 3939 Cranford Ave, Riverside

Mayors of Riverside County

June 22, 2020

Supervisor V. Manuel Perez, Board Chair Supervisor Karen Spiegel, Board Vice Chair Supervisor Kevin Jeffries Supervisor Chuck Washington Supervisor Jeff Hewitt County of Riverside Board of Supervisors 4080 Lemon Street Riverside, California 92501

Honorable Supervisors:

The undersigned Mayors of Riverside County cities are asking the County Board of Supervisors to approve distribution of CARES Act funding to the incorporated cities within the County.

As you know, the CARES Act provided funding of \$150 billion to the State of California, of which Riverside County received \$432 million for the stated purpose of helping cover the costs associated with the effects of the COVID-19 crisis. Cities with less than 500,000 in population were informed that funding would flow to our cities through our County governments.

We commend the Board of Supervisors for allocating CARES Act funding for the Small Business Grant Program, public health, medical and emergency management programs, non-profit organizations and United Lift; however, cities also need relief. As such, we are seeking a partial distribution of the remainder of County CARES Act funds to the County's 28 cities, which represent 2,040,780 of the County's nearly 2.5 million total population (Source: County Website).

To date, on a national basis, CARES Act funding has been distributed to States and County governments, to cities of more than 500,000 population, to businesses and nonprofit agencies, to the unemployed and to taxpaying families and individuals. The impacts on cities of our size, however, have largely been ignored. Only 6 of the State's 500+ cities have populations of more than 500,000. Our cities serve citizens who are unemployed and unable to pay rent or mortgages. We have landlords who will be unable to pay mortgages or otherwise care for their properties. We have populations of vulnerable people who need assistance. Our businesses are reopening and require our assistance in meeting the safety guidelines established by the State and County. We fully appreciate that CARES Act funding cannot be used to offset lost City or County revenue, but with sales and hospitality taxes so greatly affected, there is little city revenue available to provide assistance needed to our residents during this COVID-19 crisis.

1

We fully appreciate the CARES Act imposed requirements on fund uses, and understand that the County is bound by them. If funds are shared with cities, each recipient city would be equally bound to adhere to the same requirements. Given that the funds must be allocated by December 31, 2020, we believe the most efficient method of allocation will be for equal distribution to all cities within the County. And, per the requirements, the cities will know best how to allocate such funds based on their respective local needs.

In closing, the undersigned Mayors are asking the County Board of Supervisors to allocate funding in the amount of **\$56 million**, to be allocated at **\$2 million per city**. Each city will be obligated to spend the funds in keeping with CARES Act requirements by December 31, 2020. We do believe that it was not the intention of Congress to allocate \$15 trillion nationwide without ANY portion of that designated for distribution to the thousands of cities throughout the nation. One wonders why the largest 6 cities in the State would be so amply funded, but residents of the other 500+ cities would end up unaccounted for. We have partnered with the County throughout this pandemic, supporting efforts for both public health and economic recovery. Our request and hope is that Riverside County would see fit to provide for this largest portion of the County populace.

Thank you for your prompt attention to our request.

Sincerely,

Daniela Andrade

Dear County of Riverside Officials,

My name is Natalie and I am a resident of Orangecrest Community in Riverside, CA. I am writing to demand that you, as officials for the County of Riverside, revise your budget proposal to defund the Riverside County Sheriff's Department and redirect that funding into services that prioritize community well-being such as education, housing, and public health.

As you know, we are in the midst of widespread upheaval over the systemic violence of over-policing our communities. George Floyd's murder is one of many instances that show how policing leads to death when racism and anti-Blackness still exist in America. Hence, instead of "reforming" or "reviewing police policies," the time has come to defund the Sheriff's Department.

Currently, the County of Riverside is recommending a 3% increase in appropriation to \$1.5 billion towards Public Safety for FY2020-2021. Continued status quo funding only sustains systemic violence in our county against Black and Brown communities through policing and mass incarceration. As seen with George Floyd's murder and many others before him, funding law enforcement will not be the solution for a change.

I urge you to join the calls of those across the country to defund the police. The County of Riverside cannot wait any longer for a budget that meets the needs of its residents. The only way to achieve this is to take immediate steps to defund the police and support community well-being.

It is your duty to represent your constituents. Thus, I am urging you to revise the County of Riverside budget for FY2020-2021 completely. Public opinion is with me.

Thank you for your time, Natalie Apostol 8343 Vienna Way, Riverside, CA, 92508 natalieapostol99@yahoo.com (951) 215-8999

I am a Temecula resident and have been for over 25 years. I am also a current Fire Captain with 40 years of fire service experience. I don't believe in cutting back on law enforcement by cutting budgets or a ridiculous ideas of defunding! Look at Seattle! How's that working out! Get your sheriff's the best, most current training available and stand behind them. We moved to this area because of the quality of life it offered. You cut back or remove the sheriffs department and the quality will go into the toilet!

Hello my is Gustavo. I'm a resident of Riverside, The idea of Police reform is anit-Black. Any support to increase funding is anti-Black. I demand y'all fund the dozens of other resources we need right now. We need housing, healthcare, fire fighting and child care ASAP. Increasing the Sheriff's budget is an act of cruelty against every resident of Riverside. Improve the conditions that make prisons and the police a political necessity. I demand you as a body do better.

All Black Lives Matter. All Prisoners Matter.

To Whom it May Concern:

My name is Dr. Casey Lester and I am a psychiatrist in the County of Riverside. I have been living in and caring for patients in this county for the past two years. I am not able to attend tomorrow's meeting as I will be busy caring for my patients. I have concerns about the proposed changes to the Riverside Sheriff's Department budget. This is a county that is dramatically underserved and underfunded in mental health services, addiction treatment services, homeless outreach services, and public education. Investment in any of these areas would reduce the need for policing, and would very likely be more cost effective than increases to the Sheriff's Department budget. Furthermore, there is an ongoing problem with police brutality in our country, including the recent murder of George Floyd. I strongly believe that any increase in spending on policing should be used to facilitate a paradigm shift focusing on reducing police brutality, rather than to "maintain the status quo." Thank you in advance for taking the time to review my comments during tomorrow's meeting.

Greetings Supervisors,

My name is Diana Jimenez and I am writing to once again comment on the revision of Riverside County's FY 2020-21 Budget and advocate for a reduction to the Sheriff's budget. As life-long residents of City of Riverside's Northside Neighborhood my family and I have seen Riverside transition in various ways but the County continues to experience increasing levels of housing insecurity, and the COVID-19 pandemic has exacerbated our critical needs. The FY 2020-2021 Budget must meet those critical needs instead of continuing the pattern of overfunding law enforcement which is not designed to care for our residents.

The Sheriff's department has not played a pivotal role in our recovery as a community yet this department is slated to receive a disproportionate amount of funding for the upcoming fiscal year. Funding should instead be redirected to the programs and departments that truly aid our county. As County officials I implore you to invest in the true needs of our communities and divert funding from the Sheriff's Department to the Dept of Social Services, Public Health, Housing Authority and the Economic Development Agency.

In the 2018-2019 FY Budget approval it was noted that Riverside County experienced a shortfall of 66,209 units of affordable housing (FY 18/19 Budget Amendments p29, EDA Memo) yet the budget only reflected a \$14M Housing Authority adopted budget while the Sheriff's budget received \$74M.

In 2019 the Point in Time Count for people experiencing homelessness increased by 23% (<u>PIT Report p12</u>) yet the County has refused to comprehensively fund departments that can alleviate poverty, housing insecurity, health disparities, and barriers to upward mobility. The 2019-2020 FY appropriations demonstrated a priority in policing by allocating <u>44% of</u> <u>the budget to "Public Protection"</u> (Fiscal Year 2019/20 Adopted Budget p42), meaning law enforcement grew while the true needs of our county were ignored.

Now the proposed 2020-2021 FY appropriations fail to yet again meet the needs of our communities by only granting 1.4% of the budget to Housing, Homelessness Prevention and Workforce Solutions while Public Safety (i.e. Sheriff's Dept and Law Enforcement) is granted 23% of the budget.

It is unacceptable to grant "public safety" over 1 BILLION dollars (\$1,495,746,640) while Housing, Homelesness Prevention and Workforce Solutions is only appropriated 88 million (Fiscal Year 2021 Recommended Budget p32). Our community deserves investment in agencies and programs that address our challenges through housing, economic opportunity and healthy infrastructure. We do not require more investment in law enforcement, please listen to your constituents by amending the 2020-2021 FY Budget to divert funding from so-called "Public Safety" to Housing, Health, Public Works, and Community Services all of which can create a truly safe and thriving Riverside.

Thank you for your time, Diana Jimenez Riverside County Constituent, 92501

To Whom it May Concern,

My name is Dr. Karen Clarey, MD. I am a psychiatrist working in the County of Riverside. I am writing in regards to the Board of Supervisors meeting scheduled tomorrow morning. Due to my work schedule, I will not be able to attend. However, I would like to voice my concerns/opinions regarding the proposed increase in the Riverside's Sheriff's budget.

I have served patients as a student and, now, as a physician in this county for over 7 years. As a psychiatrist who works at the Riverside County Mental Health Inpatient Treatment Facility, Emergency Treatment Services, and at outpatient clinics, I see the benefit of having the PD and Sheriff's department to patrol the streets and assist the residents of this county. However, I strongly oppose the increase in Riverside Sheriff's budget.

I believe the budget dedicated to the sheriff's department is incredibly inflated. Any further increase would be unwarranted and misguided. I believe the community would be better served if the proposed budget increase were allocated into county programs that target education, housing, mental health services. Many of the issues believed to be handled by PD and Sheriff's department would be better addressed by redistribution of funding to the services mentioned.

Additionally, in the light of recent murder of George Floyd, among countless others killed and severely injured by law enforcement, I believe Riverside should be an example for neighboring counties and communities and realign the budget to meet the needs of the people.

I ask that you please raise my concerns and push for more equal distribution of the budget away from policing into community programs, education, housing, and mental health programs during tomorrow's meeting.

Sincerely,

Karen Clarey, MD Resident Physician, Department of Psychiatry and Neurosciences, University of California, Riverside School of Medicine

To whom it may concern,

I am emailing to make my comments public for tomorrow's Supervisor Meeting. My name is Felipe Saavedra I have been a resident of Riverside County for greater than 7 years. I am emailing to voice my concerns about the proposed budget increase for the Sheriff's Department. I am a radiological technician in the area and I am all too aware of how drastically underserved our population is in regards to community programs, mental health resources, and drug and addiction programs. I believe we would be doing a disservice to the county by continuing to increase the Sheriff's budget as this is not in the best interest of the people. These funds should be allocated to departments that better serve our communities. Thank you for taking the time to consider my comments for the meeting.

I write to you to in the hopes that my plea will be delivered to the leaders and the decision makers to whom we have entrusted the supervision of the place we call home, Riverside County. I am a voice among many thousands in our county who say:

I AM NOT IN FAVOR OF DEFUNDING THE POLICE.

I implore you as representatives of our beloved county to NOT take any action that supports the defunding of our police.

We cannot allow a fringe radical group opinion nor the folly of a fickle mob mentality to threaten our safety by dismantling our police. The police force is our shield, they enforce the law of the land and only under this shield can we peacefully cohabitate as a people.

The police are our brave civil servants. They are the soldiers who stand on our frontlines ensuring that justice prevails, the weak are protected, and that the resulting peace and security are enjoyed by all who reside within our borders.

Do Not Defund the Police!

Seriously, Cindy MacIntosh

To Whom it May Concern:

My name is Dr. Alexander Truong and I am a psychiatrist in the County of Riverside. I have been living in and caring for patients in this county for the past year. I am not able to attend tomorrow's meeting as I will be busy caring for my patients. I have concerns about the proposed changes to the Riverside Sheriff's Department budget. This is a county that is dramatically underserved and underfunded in mental health services, addiction treatment services, homeless outreach services, and public education. Investment in any of these areas would reduce the need for policing, and would very likely be more cost effective than increases to the Sheriff's Department budget. Furthermore, there is an ongoing problem with police brutality in our country, including the recent murder of George Floyd. I strongly believe that any increase in spending on policing should be used to facilitate a paradigm shift focusing on reducing police brutality, rather than to "Maintain the status quo." Thank you in advance for taking the time to review my comments during tomorrow's meeting.

Sincerely,

Alexander Truong, MD

Riverside County Board of Supervisors 4080 Lemon St, Riverside, CA 92501 Item 19.3 Recommended budget Opposition to the proposed budget proposal for FY 20/21

Dear Riverside County Board of Supervisors,

The Sierra Club believes that exploring, protecting, and enjoying the planet is a privilege that everyone deserves to live by. We are writing this letter to you today to oppose the budget for Riverside County, specifically on items regarding public safety.

We are committed to building a green, equitable community for all and we also know that the status quo can't continue. As we work to protect the public and economic health, sustainability, and natural beauty of our communities, we must also commit to listening to, working alongside, and joining those fighting to dismantle the systems of oppression that have allowed the inequities and violence that have been imposed on Black communities for generations.

Although implicit and explicit racial bias toward Black Americans and communities of color is not a new phenomenon, we believe now more than ever that Sierra Club must take a stand to stop rewarding law enforcement institutions like the Riverside Sheriff's department with funding. At the Sierra Club we support the movement for Black lives, we understand that we cannot be silent while our governments continue to fund an excessive, brutal, and discriminatory system of policing. Black people deserve basic rights, safety, and freedom.

It has come to our attention that the County will have access to an additional \$430 million in spending than the previous year. We urge the county board of supervisors to use this new spending to benefit community members with direct services such as: affordable housing, community land trust, investing in clean solar and storage energy projects for unincorporated areas, electric vehicle charging infrastructures, child care, social services, mental health support, library services, and many more solutions that benefit the health of our communities.

The My Generation Campaign believes that social justice, air pollution, the climate crisis, and our economy can be community based solutions that heal and move us forward. We demand your serious consideration to delay the budget until you are able to elicit robust community input and support for this county's budget. Sincerely,

Yassi Kavezade, Organizing Representative

Dear County of Riverside Officials,

My name is Pauldean Tamras Piere, and I am a resident of Fountain Valley, CA. I hope that you are doing well. I am writing to demand that you, as officials for the County of Riverside, revise your budget proposal to defund the Riverside County Sheriff's Department and redirect that funding into services that prioritize community well-being such as education, housing, and public health.

As you know, we are in the midst of widespread upheaval over the systemic violence of over-policing our communities. George Floyd's murder is one of many instances that show how policing leads to death when racism and anti-Blackness still exist in America. Hence, instead of "reforming" or "reviewing police policies," the time has come to defund the Sheriff's Department.

Currently, the County of Riverside is recommending a 3% increase in appropriation to \$1.5 billion towards Public Safety for FY2020-2021. Continued status quo funding only sustains systemic violence in our county against Black and Brown communities through policing and mass incarceration. As seen with George Floyd's murder and many others before him, funding law enforcement will not be the solution for a change.

I urge you to join the calls of those across the country to defund the police. The County of Riverside cannot wait any longer for a budget that meets the needs of its residents. The only way to achieve this is to take immediate steps to defund the police and support community well-being.

It is your duty to represent your constituents. Thus, I am urging you to revise the County of Riverside budget for FY2020-2021 completely. Public opinion is with me.

I hope that you have a great day.

Thank you for your time, Pauldean Tamras Piere 10168 clear river ct, fountain valley ca, 92708 <u>Xiiidreamer@hotmail.com</u> 949-375-6139 From: Denese Watson <<u>watsondenese@gmail.com</u>> Sent: Thursday, June 18, 2020 9:43 AM To: COB <<u>COB@RIVCO.ORG</u>> Subject: Saving our Police Force

Praying Psalm 7 : 14-17 NLT over this current call to defund our Police Departments:

14 The wicked conceive evil;

they are pregnant with trouble

and give birth to lies.

15 They dig a deep pit to trap others,

then fall into it themselves.

16 The trouble they make for others backfires on them.

The violence they plan falls on their own heads.

17 I will thank the Lord because he is just;

I will sing praise to the name of the Lord Most High.

I have lived in Riverside County for nearly 28 years now, seeing it grow and prosper. There will always be a need for Law and Order. Anything less becomes chaos and unruly.

It is because it is a Presidential Election year that this current climate is being pushed. It is to fit a narrative of the liberal politicians/press/agitators. Most reasonable citizens can see through this agenda. My husband and I have always had a real respect for the Police officers, Firemen, rescue workers. They must deal with the toughest people and situations daily and still interact with rest of citizens. I pray for their safety and safety of our homes and neighborhoods.

I cannot imagine being a single mom or elderly person living alone and hearing people want to defund the police. Whom is calling out for this, people who want to incite trouble and angst. I pray this nonsense is shut down immediately and with bold confidence it is not the opinion of the majority.

This year has been hard, being told to stay home, not being able to be free to work and provide for our family, children masked and kept away from school and friends. It is all a ploy to threaten people to comply to this liberal, left, socialist narrative. I am done with it. It is time for reasonable people to go to work, to live their lives, return to Church, to help one another, to live safely in their communities and to turn off the Main Street Media that is stuffing these lies and falsehoods hourly/daily/nonstop down people's throats.

Thank you for all you do to ensure our safe communities! If I could hug you all, I'd do it! I'm praying for God to show up mighty in this trial and to get people back to thinking what is most important in our lives: To love God and one another!

Respectfully, Denese Watson
