BACKGROUND:

Summary

The County of Riverside Transportation Department (Transportation Department) currently provides ongoing Professional Services to the City of Jurupa Valley for engineering and survey services, as well as maintenance of traffic signals. The City has requested that the County extend the agreement to continue providing these services.

By Minute Order 3.68 of July 23, 2019, the Board of Supervisors ratified Amendment No.1 to the Agreement between the County of Riverside and City of Jurupa Valley for Professional Services. The amendment to Section 29 of the Agreement provided for an extension of the Agreement every twelve (12) months, starting on June 30, 2020, if the parties, through their respective governing bodies, mutually agree to the extension in writing and mutually agree on the hourly rate to be charged for services.

The City and County desire to amend the Agreement to allow the County to continue to provide ongoing Professional Services to the City during fiscal year 20/21. All work will be completed with current Transportation Department staff, and this amendment will not require new positions.

The amendment outlines the term extension and hourly rate to be charged for services. The City of Jurupa Valley approved the amendment at their June 18, 2020 City Council meeting.

Impact on Residents and Businesses

This agreement will provide for efficient maintenance and response time to traffic signals within the City, and engineering and survey services on an as-needed basis.

Additional Fiscal Information

The City of Jurupa Valley will be responsible for 100% of the funding for all requested professional services cost. No net county cost will be used.
