BACKGROUND:

Summary

The County of Riverside Transportation Department (Transportation Department) currently provides the Maintenance of Traffic Signal and Safety Lighting Inspection to the City of Perris and has previously provided this service to the City through an agreement. The City has requested that the County extend the agreement to continue providing these services.

By Minute Order 3.51 of June 25, 2019, the Board of Supervisors approved Amendment No.1 to the Agreement between the County of Riverside and the City of Perris for Maintenance of Traffic Signal and Safety Lighting Inspection. The amendment to Section 28 of the Agreement provided for an extension of the Agreement every twelve (12) months, starting on June 30, 2020, if the parties, through their respective governing bodies, mutually agree to the extension in writing and mutually agree on the hourly rate to be charged for services.

The City and County desire to amend the Agreement to allow the County to continue to perform inspection services within the City during fiscal year 20/21. All work will be completed with current Transportation Department staff, and this amendment will not require new positions.

The amendment outlines the term extension and hourly rate to be charged for services. The City of Perris approved the amendment at their July 28, 2020 City Council meeting.

Impact on Residents and Businesses

This agreement will provide efficient inspection services for traffic signals and safety lighting installations within the City.

Additional Fiscal Information

The Transportation Department will provide traffic signal and safety lighting inspection to the City of Perris on a reimbursement basis. All work will be 100% paid for by the City of Perris. No net county cost will be used.
