BACKGROUND:

Summary

The purpose of the EMPG-S program is to assist states, territories, tribes, and local governments with their public health and emergency management activities supporting the prevention of, preparation for, and response to the ongoing Coronavirus Disease 2019 (COVID-19) public health emergency. The amount applied for will be pre-determined by CalOES through a funding formula which considers both a base and the county population. As the lead agency for the OA, EMD is applying for EMPG-S funding on behalf of the Riverside County Operational Area. These grant funds will be utilized to support planning and operational readiness for COVID-19 preparedness and response, development of tools and strategies for prevention, preparedness, and response, and ongoing communication and coordination. A Signature Authority Resolution is required with the application. EMD will return to the Board of Supervisors for acceptance of the grant once awarded.

Impact on Residents and Businesses

The FY 2020 EMPG-S program will provide funds to assist state, local, and territorial emergency management agencies with preventing, preparing for, and responding to the COVID-19 public health emergency.

SUPPLEMENTAL:

Additional Fiscal Information

This grant is a federally funded dollar-for-dollar local cash or in-kind match. Each agency that is awarded funding is responsible for providing the dollar-for-dollar cash or in-kind match requirement. The dollar-for-dollar match portion of funding dedicated to the EMD will be derived from Emergency Services Coordinators' regular salaries that come from Net County Cost.

All cities are invited to participate in this grant program. The match for this pass-through amount will come from 100% City funds.
