**BACKGROUND:**

**Summary**

The Riverside County Office on Aging (RCOoA) proposes entering into twelve (12) amendments with twelve (12) contractors (identified in Attachment A) to extend their professional services agreements for one (1) additional year, July 1, 2020 to June 30, 2021, to continue the delivery of services for the Multipurpose Senior Services Program (MSSP) to provide case management services to Medi-Cal beneficiaries who are at risk of being removed from their homes due to increasing frailty. Seniors, 65 years and older, who are eligible for Medi-Cal and at risk for institutionalization, may receive case management services by a skilled Nurse Care Manager (Registered Nurse) and a Social Work Care Manager. MSSP Care Managers communicate, collaborate, and coordinate with the senior, family members, medical and mental health providers, and other service providers to effectively plan for the services necessary for the senior to remain in their home. This reduces the risk of premature or inappropriate institutionalization of the disabled and frail senior. To assist in meeting this goal, RCOoA contracts with vendors to provide a variety of in-home and community-based services.

These amendments were reviewed and approved as to form by County Counsel.

**Contract History and Price Reasonableness**

The Riverside County Purchasing Department released Request for Proposal (RFP) #OAARC-013 to seek MSSP service providers for the period July 1, 2014 through June 30, 2019. On December 9, 2014, (Agenda Item 3.20), the Board of Supervisors ratified, awarded, and approved the Professional Services Agreements with nineteen (19) contractors of senior services in Riverside County to deliver MSSP services. On July 2, 2019, (Agenda Item 3.15), the Board of Supervisors ratified and approved a one (1) year extension of fourteen (14) of the Professional Services Agreements with fourteen (14) contractors of senior services in Riverside County to deliver MSSP services. RCOoA is requesting that the Board of Supervisors extend the Professional Services Agreements with twelve (12) contractors for one (1) additional year, beginning on July 1, 2020 to June 30, 2021.

All contractors identified in Attachment A are meeting contractual requirements and are committed to maintaining necessary service levels throughout the extension period.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

**Impact on Residents and Businesses**

Since 1999, MSSP has assisted frail older persons (65 years and older) to avoid inappropriate or premature placement in nursing facilities and to foster independent living in their own home and communities. On average, MSSP provides services to 248 disabled and frail older adults. In FY 2019/2020, MSSP provided over 5,952 services to 314 disabled and frail seniors. Approval for extending these agreements will ensure that adequate services are available to older adults in need of MSSP services.

**Additional Fiscal Information**

RCOoA included funding for the cost to extend these professional service agreements in its FY 20/21 recommended budget; therefore, no budget adjustment is needed. The services are 100% funded with Federal and State funds. There is no impact to the County General Fund. The amount awarded to each contractor for FY 20/21 is set forth in Attachment A.
