BACKGROUND:

Summary

The State legislature enacted the Mello-Roos Community Facilities Act of 1982 to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). ERP Holding Co., Inc., is the Developer of Tract's 30908 and 30909 and petitioned that the County of Riverside Business and Community Services (BCS) assist them in forming a district for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the proposed district and has submitted an application and formation deposit. A special tax is proposed to be levied on each individual parcel located within the boundary of the proposed CFD to fund the costs associated with street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD, and maintenance of park and landscape improvements that may include, but are not limited to all landscaping material and facilities within the CFD. These improvements may include turf, ground cover, shrubs, trees, plants, irrigation and drainage systems, masonry walls or other fencing.

Approval of proposed Resolution No. 2020-142 by the Board of Supervisors is the initial step for forming the CFD and declares the intention of the Board of Supervisors, as required by the Mello-Roos Community Facilities Act of 1982, to levy a special tax to fund the service and maintenance functions requested by the Developer. The Resolution also requires the Board of Supervisors to hold a public hearing and submit the formation of the proposed CFD 20-1M (Springbrook) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

Each new CFD is created for a specific development or developments when similar facilities are requested to be maintained by the County. A special tax is levied according to a Rate and Method of Apportionment (RMA) developed to the specific features within that District, and a special tax is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the Proposed Boundary Map, both attached herein.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The property owner (ERP Holding Co., Inc.) of Tract Map Nos. 30908 and 30909 has petitioned the County to include their property into proposed Community Facilities District 20-1M (Springbrook).

The boundaries of CFD 20-1M (Springbrook) will encompass all of Tract Map Nos. 30908 and 30909, which includes 644 single family dwelling units, none of which are currently occupied.

Reference

The CFD Rate and Method of Apportionment (RMA) are consistent with the Mello-Roos Community Facilities Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy special taxes within this proposed CFD after complying with the requirements of the Mello-Roos Community Facilities Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the proposed CFD adheres to Board Policy B-12 entitled "Land Secured Financing Districts" which was revised on January 27, 2015, to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, street lighting or other similar improvements and set goals and policies concerning CFDs.

Impact on Residents and Businesses

Only the parcels with Assessor Parcel Numbers within the proposed boundaries of the CFD which are represented by the proposed Boundary Map (inclusive of Tract Map Nos. 30908 and 30909) are impacted by the proposed special tax. By setting up a special tax for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon declining public funding sources. By specifically collecting and using the special tax revenue within the boundary of the proposed CFD, there is a financial mechanism in place to insure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding the service and maintenance of Developer-installed and County-required infrastructure, particularly park, landscaping and streetlights. The Developer shall, and is obligated to, provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget of \$737,380 for fiscal year 2021-2022 will result in a special tax of \$1,145 per taxable parcel, pursuant to the Rate and Method of Apportionment. The annual special tax may be increased by the minimum of 2%, or a maximum of 6%, or by the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), as it stands as of March of each year over the base index for March of 2020.

The CFD shall not levy Special Taxes on Public Property or Property Owners Association Property within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

For a Parcel that contains more than one Land Use Class, the Acreage of such Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Parcel. The Administrator's allocation to each Land Use Class shall be final.

The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). The rate and method of apportionment of the special tax (the "Rate and Method"), in sufficient detail to allow each landowner within the proposed Community Facilities District to estimate the maximum amount that he or she will have to pay, is described in Exhibit B attached hereto, which is by this reference incorporated herein. The special tax will be collected in the same manner as ordinary ad valorem property taxes or in such other manner as the Board of Supervisors shall determine, including direct billing of the affected property owners.

The special tax shall be levied annually until terminated by the Board of Supervisors as specified in the Rate and Method.

Section 5. The Board of Supervisors hereby sets the matter for public hearing on October 20, 2020, at 9:30 am, or as soon thereafter as the Board of Supervisors will consider the matter, at the meeting room of the Board of Supervisors, located on the first floor of the County Administrative Center, 4080 Lemon Street, 1st Floor, Riverside, California, as the time and place when and where the Board of Supervisors will conduct a public hearing on the establishment of the Community Facilities District and the levy of the special tax therein.

Section 6. The Clerk is hereby directed to publish, or cause to be published, a notice of said public hearing, as prepared and approved by County Counsel, one time in The Press Enterprise, a newspaper of general circulation published in the area of the Community Facilities District. The publication of said notice shall be completed at least seven days prior to the date set for public hearing. Said notice shall contain the information prescribed by Section 53322 of the Government Code.

The Clerk is hereby further directed to give notice of said public hearing, as prepared and approved by County Counsel, by first-class mail to each registered voter and to each landowner within the Community Facilities District. Said notice shall be mailed at least 15 days prior to the date set for public hearing and shall contain the same information as is required to be contained in the notice published pursuant to Section 53322 of the Government Code.

Section 7. The levy of said proposed special tax shall be subject to

the approval of the qualified electors of the Community Facilities District at a special election. The proposed voting procedure shall be by mailed or hand-delivered ballot among the landowners in the Community Facilities District, with each owner having one vote for each acre or portion of an acre such owner owns in the Community Facilities District.

Section 8. Each officer of the County of Riverside who is or will be responsible for providing one or more of the proposed types of Services is hereby directed to study, or cause to be studied, the proposed Community Facilities District and, at or before said public hearing, file a report with the Board of Supervisors containing a brief description of the Services by type which will in his or her opinion be required to adequately meet the needs of the Community Facilities District, and his or her estimate of the cost of providing the Services. Such officers are hereby also directed to estimate the fair and reasonable cost of the incidental expenses proposed to be paid. Such report shall be made a part of the record of said public hearing.

Section 9. In the opinion of the Board of Supervisors, the public interest will not be served by allowing the property owners within the proposed Community Facilities District to enter into a contract in accordance with subdivision (a) of Section 53329.5 of the Government Code and, accordingly, the Board of Supervisors hereby provides that such property owners may not enter into a contract in accordance with said subdivision.

Section 10. The officers of the County of Riverside are, and each of them is, hereby authorized and directed to do any and all things, and to execute and deliver any and all documents which said officers may deem necessary or advisable in order to accomplish the purposes of this resolution and not inconsistent with the provisions hereof.

**NOTICE OF PUBLIC HEARING ON INTENTION TO ESTABLISH COMMUNITY
FACILITIES DISTRICT NO. 20-1M (SPRINGBROOK) OF THE COUNTY OF RIVERSIDE
AND TO LEVY SPECIAL TAXES WITHIN THE DISTRICT**

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Riverside (the "Board of Supervisors") has adopted its Resolution No. 2020-142 on September 15, 2020, declaring its intention to form Community Facilities District No. 20-1M (Springbrook) of the County of Riverside (the "District") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, and to levy special taxes within the District. The District is proposed to have the boundaries depicted on the map on file with the Clerk of the Board of Supervisors and recorded with the County Recorder on September 23, 2020 as Instrument No. 2020-0452009 in Book 85 of Maps of Assessment and Community Facilities Districts at Page 63.

The Board of Supervisors has fixed **October 20, 2020, at 9:30 a.m.**, or as soon thereafter as the Board of Supervisors may reach the matter, at the Board of Supervisors Chambers, 4080 Lemon Street, 1st Floor, Riverside, California, as the time and place when and where the Board of Supervisors will conduct a public hearing on the establishment of the Community Facilities District and the levy of the special tax therein.

At the hearing, the testimony of all interested persons or taxpayers for or against the establishment of the district, the extent of the district, or the furnishing of specified types of public facilities or services will be heard. If 50 percent or more of the registered voters, or six registered voters, whichever is more, residing within the territory proposed to be included in the district, or the owners of one-half or more of the area of the land in the territory proposed to be included in the district and not exempt from the special tax, file written protests against the establishment of the district, and protests are not withdrawn so as to reduce the value of the protests to less than a majority, no further proceedings to create the specified community facilities district or to authorize the specified special tax shall be taken for a period of one year from the date of the decision of the legislative body.

If the majority protests of the registered voters or of the landowners are only against the furnishing of a specified type or types of facilities or services within the district, or against levying a specified special tax, those types of facilities or services or the specified special tax shall be eliminated from the resolution of formation.

Subject to two-thirds voter approval, the District proposes to levy a special tax on all non-exempt parcels of real property at a maximum tax rate of \$1,145 per taxable unit per year for residential property (other than multi-family residential property) and \$5,737 per acre for multi-family residential property and non-residential property. If the backup special tax as defined in the Rate and Method of Apportionment applies to a residential parcel, then the backup special tax will determine the maximum tax rate for that parcel.

The amount of the maximum special tax will be increased based upon the percentage change in the Consumer Price Index, with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the maximum special tax in effect in the previous year. Reference may be made to the Rate and Method of Apportionment on file with Clerk of the Board for further details.

Resolution No. 2020-142 is set forth below:

RESOLUTION NO. 2020-142

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF RIVERSIDE
OF INTENTION TO ESTABLISH A COMMUNITY FACILITIES DISTRICT AND TO

AUTHORIZE THE LEVY OF SPECIAL TAXES AND SETTING A DATE AND TIME FOR A
PUBLIC HEARING THEREON

WHEREAS, a community facilities district may be established under the Mello-Roos Community Facilities Act of 1982 (the "Act") in order to finance certain public capital facilities and services;

WHEREAS, proceedings for the establishment of a community facilities district under the Act may be instituted following the receipt of a petition by the landowners of at least 10% of the area of land proposed to be included within the territory of the community facilities district (a "Qualifying Petition") and the furnishing of a deposit by the petitioners pursuant to Section 53318(d) of the Act ("Deposit");

WHEREAS, the Board of Supervisors of the County of Riverside constitutes the legislative body of a local agency for purposes of the Act; and

WHEREAS, the Board of Supervisors has received both a Qualifying Petition and the Deposit pursuant to the Act and therefore institutes proceedings to establish a community facilities district (the "Community Facilities District") and to authorize the levy of special taxes therein in order to finance:

- i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the surrounding area of the Community Facilities District; and
- ii) Park and Landscaping improvements that may include, but are not limited to, turf, ground cover, shrubs, trees, plants, irrigation and drainage systems, masonry walls or other fencing located within the designated boundaries of the Community Facilities District.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED BY the Board of Supervisors of the County of Riverside, State of California (the "Board of Supervisors") in regular session assembled on September 15, 2020 at 9:30 a.m. or soon thereafter, in the meeting room of the Board of Supervisors, located on the first floor of the County Administrative Center, 4080 Lemon Street, Riverside, California as follows:

Section 1. The Board of Supervisors proposes to establish a community facilities district under the terms of the Act. The boundaries of the territory proposed for inclusion in the Community Facilities District are described in the map showing the proposed Community Facilities District (the "Boundary Map") on file with the Clerk of the Board of Supervisors (the "Clerk"), which boundaries are hereby preliminarily approved and to which map reference is hereby made for further particulars. The Clerk is hereby directed to sign the original Boundary Map and record, or cause to be recorded, the Boundary Map with all proper endorsements thereon in the office of the Riverside County Recorder within 15 days of the date of adoption of this resolution, all as required by Section 3111 of the California Streets and Highways Code.

Section 2. The name proposed for the Community Facilities District is "Community Facilities District 20-1M (Springbrook) of the County of Riverside."

Section 3. The services (the "Services") proposed to be financed by the Community Facilities District pursuant to the Act are described in Exhibit A attached hereto and as follows:

- i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the surrounding area of the Community Facilities District; and
- ii) Park and Landscaping improvements that may include, but are not limited to, turf, ground cover, shrubs, trees, plants, irrigation and drainage systems, masonry walls or other fencing located within the designated boundaries of the Community Facilities District.

Section 4. Except where funds are otherwise available, a special tax sufficient to pay for all Services, secured by recordation of a continuing lien against all nonexempt real property in the

Community Facilities District, will be annually levied within the Community Facilities District. The rate and method of apportionment of the special tax (the "Rate and Method"), in sufficient detail to allow each landowner within the proposed Community Facilities District to estimate the maximum amount that he or she will have to pay, is described in Exhibit B attached hereto, which is by this reference incorporated herein. The special tax will be collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as the Board of Supervisors shall determine, including direct billing of the affected property owners.

The special tax shall be levied annually until terminated by the Board of Supervisors as specified in the Rate and Method.

Section 5. The Board of Supervisors hereby sets the matter for public hearing on October 20, 2020, at 9:30 am, or as soon thereafter as the Board of Supervisors will consider the matter, at the meeting room of the Board of Supervisors, located on the first floor of the County Administrative Center, 4030 Lemon Street, 1st Floor, Riverside, California, as the time and place when and where the Board of Supervisors will conduct a public hearing on the establishment of the Community Facilities District and the levy of the special tax therein.

Section 6. The Clerk is hereby directed to publish, or cause to be published, a notice of said public hearing, as prepared and approved by County Counsel, one time in *The Press Enterprise*, a newspaper of general circulation published in the area of the Community Facilities District. The publication of said notice shall be completed at least seven days prior to the date set for public hearing. Said notice shall contain the information prescribed by Section 53322 of the Government Code.

The Clerk is hereby further directed to give notice of said public hearing, as prepared and approved by County Counsel, by first-class mail to each registered voter and to each landowner within the Community Facilities District. Said notice shall be mailed at least 15 days prior to the date set for public hearing and shall contain the same information as is required to be contained in the notice published pursuant to Section 53322 of the Government Code.

Section 7. The levy of said proposed special tax shall be subject to the approval of the qualified electors of the Community Facilities District at a special election. The proposed voting procedure shall be by mailed or hand-delivered ballot among the landowners in the Community Facilities District, with each owner having one vote for each acre or portion of an acre such owner owns in the Community Facilities District.

Section 8. Each officer of the County of Riverside who is or will be responsible for providing one or more of the proposed types of Services is hereby directed to study, or cause to be studied, the proposed Community Facilities District and, at or before said public hearing, file a report with the Board of Supervisors containing a brief description of the Services by type which will in his or her opinion be required to adequately meet the needs of the Community Facilities District, and his or her estimate of the cost of providing the Services. Such officers are hereby also directed to estimate the fair and reasonable cost of the incidental expenses proposed to be paid. Such report shall be made a part of the record of said public hearing.

Section 9. In the opinion of the Board of Supervisors, the public interest will not be served by allowing the property owners within the proposed Community Facilities District to enter into a contract in accordance with subdivision (a) of Section 53329.5 of the Government Code and, accordingly, the Board of Supervisors hereby provides that such property owners may not enter into a contract in accordance with said subdivision.

Section 10.
