**BACKGROUND:**

**Summary**

By Minute Order 3.14 of February 4, 2020, the Board of Supervisors entered into a contract with Onyx Paving Company, Inc. of Anaheim, California for the construction of the Fiscal Year 2019/2020 Curb Ramp Accessibility Project at various locations in the communities of Woodcrest, Highgrove, Lake Hills, Temescal Valley, Horsethief Canyon, French Valley, and the unincorporated areas of Menifee and Temecula.

The original authorized amount of the contract was \$1,010,000. The total price of the contract came in at \$977,138 which is 3.3% less than the originally authorized amount. The reduction of the total cost was the result of using less quantities than anticipated to complete the work.

The work was completed in conformance with the plans and specifications and the contractor was granted relief of maintenance on June 18, 2020.

Project Number D0-0006, D0-0007, D0-0008

Increases or decreases in the quantity of a contract item of work will be determined by comparing the total pay quantity of such item of work with the Engineer's Estimate. If the total pay quantity of any item of work required under the contract varies from the Engineer's Estimate by 25 percent or less, payment will be made for the quantity of work of said item performed at the contract unit price, unless eligible for adjustment pursuant to Section 9-1.15, "Work-Character Changes."
