**BACKGROUND:**

**Summary**

Riverside University Health System – Behavioral Health (RUHS-BH) operates a continuum of care system that consists of County-operated and contracted service providers delivering a variety of Substance Abuse Treatment Services within each geographic region of Riverside County. RUHS-BH utilizes several Recovery Residences to assist in providing a stable, substance-free, living environment to consumers receiving outpatient treatment in the Substance Abuse Prevention and Treatment Program (SAPT).

On August 28, 2018 (#3.57), the Board approved a \$350,000 contract aggregate for Recovery Residence Services. On February 26, 2019 (#3.24), the Board approved an increase to the annual contract aggregate amount by \$500,000 from \$350,000 to \$850,000 annually through FY22/23. On February 11, 2020 (#3.20) the Board approved and increase to the to the contract aggregate amount by \$323,891 from \$850,000 to \$1,173,891 for FY19/20, and by \$777,489 to \$1,627,489 for FY20/21 through 22/23. Recovery Residences support the SAPT vision of providing a full continuum of care for Riverside County residents, and the demand for these services continues to increase. Therefore, RUHS-BH is requesting that the Board of Supervisors approve and authorize the request to increase the contractor aggregate by \$667,151 for a new contract aggregate amount of \$2,294,640 annually through FY22/23 and approve the new contract with VARP, Inc. for Recovery Residence Services.

**Impact on Citizens and Businesses**

These services are a component of Behavioral Health’s system of care aimed at improving the health and safety of consumers and the community.

**Contract History and Price Reasonableness**

On December 5, 2017, RUHS-BH in conjunction with Riverside County Purchasing issued the Request for Proposal (RFP) #MHARC-221 for Recovery Residences that resulted in contracts with five (5) vendors.

Due to increased demand for services and the need for additional providers, RUHS-BH in conjunction with Riverside County Purchasing issued a second RFP on June 19, 2019, #MHARC-221A, for Recovery Residences that resulted in contracts with four (4) additional vendors.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

In June 2020, VARP, Inc. submitted, for RUHS-BH consideration, a proposal to provide Recovery Residence Services in Blythe, CA, which is an underserved and remote location. To promote a full continuum of care, meet a community need, and increase support to Riverside County residents in this region, RUHS-BH recommends approval of the contract with VARP, Inc. for Recovery Residence Services. Additionally, as of July 2020, two (2) existing vendors have proposed to expand services, offering higher capacity as well as more availability to serve women with children; increases to their Contract Max are noted in Attachment A.

This provision shall not be

construed to limit or diminish Contractor's obligations to indemnify, defend and hold harmless County under Section 9 of this Addendum.

- F. **Documentation.** Pursuant to 45 CFR §164.414(b), in the event Contractor's use or disclosure of PHI and/or ePHI violates the Privacy Rule, Contractor shall maintain documentation sufficient to demonstrate that all notifications were made by Contractor as required by 45 CFR Part 164, Subpart D, or that such use or disclosure did not constitute a breach, including Contractor's completed risk assessment and investigation documentation.

For purposes of this Section 8.G, "unauthorized" has the meaning given such term in California Health & Safety Code §1280.15(j)(2).
- 1) Contractor agrees to assist County to fulfill its reporting obligations to affected patients and to the California Department of Public Health ("CDPH") in a timely manner under the California Health & Safety Code §1280.15.

Contractor further agrees such report shall be made in writing, and shall include substantially the same types of information listed above in Section 8.A.2 (Content of Notification) as applicable to the unlawful or unauthorized access, use, or disclosure as defined above in this section, understanding and acknowledging that the term "breach" as used in Section 8.A.2 does not apply to California Health & Safety Code §1280.15.

- A. Contractor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Contractor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.

Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.

- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.

Either party, upon written notice to the other party describing the breach, may take any of the following actions:

  - 3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.
- B. **Effect of Termination.**
- 1) Upon termination of this Addendum, for any reason, Contractor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Contractor. Upon determination by Contractor that return or destruction of PHI and/or ePHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.
