BACKGROUND:

Summary

On March 10, 2020 (Agenda Item 11.5, MT#11976), the Board of Supervisors for the District authorized the Clerk of the Board to advertise for construction contract bids for the Norco – Crestview Drive Debris Basin, Stage 1 project.

The District opened bids for Norco – Crestview Drive Debris Basin, Stage 1 on April 15, 2020. The lowest responsible bid was received from Mamco, Inc. dba Alabbasi for the sum of \$1,333,333. Fourteen contractors submitted a bid in response to this call for bids. The bid documents have been reviewed by County Counsel and District staff.

On May 11, 2020, a Notice of Intent to Award the contract to Contractor was posted under Public Notices at rcflood.org. Pursuant to Article 3, Section 3.3 of the Instructions to Bidders, bidders are provided five (5) days to submit any protest of the intent to award. No protests were received by the deadline.

The Contractor has executed the construction contract and provided the bonds and insurance documents which meet the requirements of the contract.

The Fiscal Data listed includes this bid amount plus the required Western Riverside County Multiple Species Habitat Conservation Plan mitigation payment (see Additional Fiscal Information section below).

The goal of the Norco – Crestview Drive Debris Basin, Stage 1 project is to reduce mud/debris issues along Crestview Drive between Mt. Rushmore Drive and Seventh Street. The Norco – Crestview Drive Debris Basin, Stage 1 project (shown in blue) will collect mud/debris from the La Sierra Hills located southeast of the Crestview Drive and Seventh Street intersection. The Norco – Crestview Drive Debris Basin's outlet structure will convey flows during moderate storm events southwesterly in an underground storm drain to Norco MDP Line NA-1, Stage 2 (shown in red). See attached project location and description map.

County Counsel has reviewed the construction contract with exhibits and approved as to form.

CEQA Compliance

On March 10, 2020 (Agenda Item 11.5, MT#11976), the Board of Supervisors for the District found that the construction of the Norco – Crestview Drive Debris Basin, Stage 1 project will not have a significant adverse effect on the environment and is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15282(k) and Section 15304(a) of the State CEQA Guidelines. In accordance with CEQA, a Notice of Exemption was prepared by the District and filed by the Clerk of the Board upon approval of the project.

Impact on Residents and Businesses

The goal of this project is to reduce mud/debris issues along Crestview Drive between Mt. Rushmore Drive and Seventh Street. The Norco – Crestview Drive Debris Basin, Stage 1 (shown in blue) project will collect mud/debris from the La Sierra Hills located southeast of the Crestview Drive and Seventh Street intersection. The Debris Basin's outlet structure will convey flows during moderate storm events southwesterly in an underground storm drain to Norco MDP Line NA-1, Stage 2 (shown in red). See attached project location and description map. This project is funded by ad valorem property tax revenue and entails no new fees, taxes or bonded indebtedness.

Additional Fiscal Information

Pursuant to the Implementing Agreement for the Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP) executed on June 22, 2004, the Financial Data listed is comprised of the bid amount of \$1,333,333 for Contractor, plus up to \$39,999 (3% of bid) for MSHCP mitigation, for a total of \$1,373,332 (bid plus 3% amount). The MSHCP Implementing Agreement requires the District to make a payment to the Western Riverside County Regional Conservation Authority for up to 3% of the total capital costs (bid amount described above) as required mitigation for the construction of flood control facilities. The actual mitigation payment that will be made by the District may be reduced based on acquisition of replacement habitat for the benefit of Covered Species, as defined in the Implementing Agreement and the MSHCP.

Contract History and Price Reasonableness

Pursuant to Public Contract Code 21091, invitation of sealed bids was solicited by advertising in print and digital media. The Contractor's bid was reasonable and is below the project engineer's estimate.

COMMON POLICY CONDITIONS

SCHEDULE

Name(s) and Address(es):

ALL PERSONS OR ORGANIZATIONS AS ON FILE WITH US

The following Condition is added:

Notice Of Cancellation Or Non-Renewal To Specified Persons Or Organizations

- 1. If we cancel or non-renew this policy for any reason other than non-payment, we will deliver notice of the cancellation or non-renewal to any Person(s) or Organization(s) shown in the Schedule thirty (30)] days prior to the effective date of cancellation or non-renewal.
- 2. If we cancel this policy for non-payment, we will deliver notice of the cancellation to any Person(s) or Organization(s) shown in the Schedule Ten (10) days prior to the effective date of cancellation.
- 3. If notice is mailed, proof of mailing will be sufficient proof of notice.
- 4. Any failure by us to notify such person(s) or organization(s) will not invalidate such cancellation or non-renewal with respect to any other person(s) or organization(s).

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. We may audit your books and records as they relate to this insurance at any time during the term of this policy and up to three years afterwards
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- The statements in the Declarations are accurate and complete;
- Those statements are based upon representations you made to us; and
- **c.** We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Or Waiver Of Rights Of Recovery Against Others To Us

We will waive the right of recovery we would otherwise have had against another person or organization, for loss to which this insurance applies, provided the insured has waived their rights of recovery against such person or organization in a contract or agreement that is executed before such loss.

To the extent that the insured's rights to recover all or part of any payment made under this Coverage Part have not been waived, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

This condition does not apply to Coverage C.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.
