BACKGROUND:

Summary

On May 19, 2020, the Board of Supervisors of the County of Riverside (County) accepted the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) funding from the United States Department of Treasury and authorized the allocation of \$50,000,000 in funds for countywide business assistance in response to COVID-19 impacts to be administered by the Riverside County Business and Community Services department.

On June 2, 2020, the County Board of Supervisors authorized Riverside County Business and Community Services to create of the COVID-19 Small Business Assistance Grant Program in the total amount of \$46,575,000 with the purpose of retention and the overall economic preservation of small businesses throughout the County by providing financial assistance to County-based small businesses impacted by the COVID-19 pandemic.

Riverside County Business and Community Services is proposing to use \$1.5 million of the Riverside County Business Assistance CARES Act allocation to create the Riverside County Tourism Recovery Campaign to support and help rebuild the tourism industry as a result of negative impacts from the COVID-19 pandemic. This program will provide funding for several key organizations whose primary function is to grow tourism and convention/conference activity in the county and support the hospitality industry. These industry groups are requesting that the County allocate funding to support the short and long-term recovery of the tourism industry in all parts of the county. Each organization (e.g. Convention & Visitor Bureau, Convention Center) would submit their proposed action plan to Riverside County Business and Community Services for review which would include detailed information on how the money will be utilized consistent with the overall program objective. Throughout the program time frame, each organization will also provide reporting on the impact the Tourism Recovery Campaign is having in their region. The Department intends to enter into Professional Service Agreements with Tourism & Hospitality Organizations, including Greater Palm Springs Convention & Visitors Bureau, Riverside Convention and Visitors Bureau, and Visit Temecula Valley and allocate the funds amongst the organizations to implement the Riverside County Tourism Recovery Campaign.

Tourism has historically been a critical component of our county's economy with its direct and indirect job creation, sales tax revenue, and transient occupancy tax revenue. The tourism and hospitality sector is one of the most negatively impacted industries in Riverside County by COVID-19. Visit California, the State tourism agency contracts with Dean Runyan Associates to study the travel industry economy across the State of California, which includes Riverside County. The study estimated that in 2019 the hospitality industry generated 86,499 direct jobs for Riverside County. Due to COVID-19 an estimated 40% (34,599) of those jobs have been lost and the majority work in frontline occupations.

In addition to employment, travelers spent an estimated \$8.9 billion and generated \$3.7 billion in taxable sales in Riverside County in 2019. This important industry accounted for over \$292

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

million in taxes for the county and over \$422 million for the state. These revenues support police, fire, education and many more government services. It is vital that the hospitality industry is able to recover and compete effectively for travelers. As neighboring states accelerate their re-opening, it will be imperative for the hospitality industry in Riverside County to reopen and begin to recover these important jobs and revenues.

Riverside County Business and Community Services is also proposing to allocate \$425,000 in Riverside County Business Assistance CARES Act allocation for the Business Ambassador Program (BAP). Riverside County Business and Community Services administers this program which was created to support businesses with COVID-19 readiness and reopening. Through the program, Business Ambassadors which are comprised of Riverside County Business and Community Services and Transportation and Land Management Agency (TLMA) staff will, at no-cost, conduct an individualized in-person, virtual, or telephone consultation to help identify ways businesses can operate safely and stay in compliance with reopening guidelines. During the visit, businesses are provided a toolkit which includes State Industry Guidance and Checklists, protocols for when employees test positive for COVID-19, face masks, mask compliance posters and other resource information. Businesses can even take the "Greater Together, Safer Together" pledge to demonstrate to their customers and employees their commitment to safe and healthy operating practices. So far, we have visited or communicated with nearly 100 businesses. As the program continues to grow, it requires additional resources to continue offering support and resources. This requested allocation of funding will offset Riverside County Business and Community Services and TLMA staffing and administrative costs along with any additional programmatic costs needed to implement the program.

An additional allocation of \$3,675,000 is requested from the county's CARES Act allocation to extend the Small Business Assistance Program. As the pandemic continues to impact the business community, the Small Business Assistance Grant program will be able to assist small businesses struggling due to the closures during the pandemic. Combined with the remaining \$1,500,000 Riverside County Business Assistance CARES Act allocation, a total of \$5,175,000 will be added to the grant program to assist an additional 500 businesses.

Impact on Residents and Businesses

The proposed funding for tourism is expected to have a positive impact on the entire county, including its businesses and residents. Tourism affects most sectors of the economy and contributes to sales and transient occupancy tax revenues, jobs and income. The Business Ambassador Program directly benefits county businesses as well as benefits the health and safety of its residents and patrons. The additional Riverside County CARES Act funding will be added to the grant program to assist 500 businesses struggling due to the pandemic.

Additional Fiscal Information

The proposed Tourism Program and Business Ambassador Program will be funded entirely by CARES Act funding from United States Department of Treasury funds and will not impact the County's General Fund.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

As presented in the monthly CARES Act presentation to the Board on September 29, 2020, the remaining balance of the allocation is \$258.2 million. Allocating the additional request of \$3,500,000, will reduce the balance of available CARES Act allocation to \$254.7 million. The remaining amount will be used towards county frontline departments such as RUHS-Public Health, clinics, and medical center, as well as public safety departments, testing, outreach, contact tracing, congregate care facilities (jails, juvenile halls, skilled nursing facilities, rehabilitation facilities, etc.), and countywide regional hospital support.

20. EDD Reporting Requirements

In order to comply with child support enforcement requirements of the State of California, the COUNTY may be required to submit a Report of Independent Contractor(s) form **DE 542** to the Employment Development Department. The CONTRACTOR agrees to furnish the required data and

certifications to the COUNTY within 10 days of notification of award of Agreement when required by the EDD. In the event a contract has been issued, failure of the CONTRACTOR to comply with all federal and state reporting requirements for child support enforcement or to comply with all lawfully served Wage and Earnings Assignments Orders and Notices of Assignment shall constitute a material breach of Agreement. If CONTRACTOR has any questions concerning this reporting requirement, please call (916) 657-0529. CONTRACTOR should also contact its local Employment Tax Customer Service Office listed in the telephone directory in the State Government section under "Employment Development Department" or access their Internet site at www.edd.ca.gov.
