BACKGROUND:

Summary

The State Legislature enacted the Mello-Roos Act of 1982, to assist public agencies in financing certain capital improvements, public services, and maintenance activities. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFDs).

ERP Holding Co., Inc. is the Developer of Tract Map Nos. 30908 and 30909 and petitioned that the Riverside County Business and Community Services (RCBCS) assist them in forming a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 20-1M (Springbrook) will encompass the entire Tract Map Nos. 30908 and 30909, which is projected to include 644 assessable single-family dwelling units.

As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with street lighting maintenance (including energy charges, operation, maintenance, and administrative costs of streetlights) and maintenance of park and landscaping improvements that may include, but are not limited to turf, ground cover, shrub, trees and plants, irrigation and drainage systems, masonry wall or other fencing within the designated boundaries of the CFD.

The special tax is levied according to a Rate and Method of Apportionment (RMA) which is developed with respect to the specific features of the particular residential development within the District and which is approved by the eligible voters and later adopted by ordinance. The special tax levy is annually placed on the tax roll for each Assessor Parcel Number noted in the CFD Boundary Map.

On September 15, 2020, the County of Riverside Board of Supervisors approved agenda item 3.10 Resolution No. 2020-142, a resolution of intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the Developer.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

On October 20, 2020, the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2020-204, the Resolution of Formation of the CFD, which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day.

On October 27, 2020, the Board of Supervisors adopted Resolution No. 2020-208 declaring the results of the election regarding the proposed special tax and finding that 100% of the votes cast were in favor of the levy of the special tax. In addition, the Board introduced Riverside County Ordinance No. 962 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters. By today's action, the Board will formally adopt the special tax ordinance and levy the special tax.

Pursuant to CEQA, the ordinance was reviewed and determined to be exempt from CEQA pursuant to State CEQA Guidelines Section 15378, Section 15301, Class 1 – Existing facilities and Section 15061(b)(3) – Common Sense Exemption. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair and minor alteration of existing public or private structures, facilities, mechanical equipment or topographical features, involving no expansion of use. The adoption of the ordinance would not result in direct impacts to the physical environment or reasonably foreseeable indirect effects, as it would not include any changes to the existing land use or a physical degradation of the property,

County Counsel has approved the ordinance as to form.

Impact on Residents and Businesses

The voters within the CFD have voted to authorize the special tax levied by Riverside County Ordinance No. 962 on real property within the CFD to provide funds for authorized maintenance and service activities. The property owners within the CFD will be favorably impacted by the levy of the special tax and the associated maintenance and service activities it funds.

FOR COUNTY CLERK USE ONLY

NOTICE OF EXEMPTION

October 14, 2020

Project Name: County of Riverside, Community Facilities District (CFD) No. 20-1M (Springbrook) of the County of Riverside; Adoption of Ordinance No. 962, an Ordinance of the County of Riverside Authorizing the Levy of a Special Tax Within the Springbrook CFD

Project Number: ED99120001

Project Location: County of Riverside, Community Facilities District No. 20-1M (Springbrook)

Description of Project: On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with services for lighting and maintenance services for streets, roads, parks, parkways, and open space. The special tax is levied according to a Rate and Method of Apportionment which is developed with respect to the specific features of the particular development within the District and which is approved by the eligible voters and later adopted by ordinance. The special tax levy is annually placed on the tax roll for each Assessor Parcel Number noted in the CFD Boundary Map. ERP Holding Co., Inc. is the Developer of Tract Map Nos. 30908 and 30909 and petitioned that the County of Riverside Business and Community Services (BCS) assist them in forming a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 20-1M (Springbrook) will encompass the entire Tract Map Nos. 30908 and 30909, which is projected to include 644 assessable single family dwelling units. On September 15, 2020, the Board of Supervisors adopted Resolution 2020-142, a resolution of intention, as the initial step for forming the CFD and declaring the Board's intention to levy a special tax to fund the of Intention to establish a CFD for Springbrook in order to authorize the levy of special taxes to fund, pay for, and finance authorized maintenance and service activities.

On October 20, 2020, the Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2020-204, the resolution of formation of the CFD, authorizing the levy of a special tax within the CFD to pay for services, calling a special election to submit to the respective qualified voters the question of levying such special tax, and establishing an appropriations limit for the CFD; and designating the election official for such matters. Under the same agenda item, the required CFD report, Certificate of Registrar of Voters stating there are fewer than twelve registered voters, and Concurrence of Election Official in Date of Special Election were all received and filed.

The Board of Supervisors is proposing to adopt Resolution No. 2020-208 declaring the results of the election regarding the proposed special tax and finding that 100% of the votes cast were in favor of the levy of the special tax. In addition, the Board will introduce Riverside County Ordinance No. 962 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters.

The Board of Supervisors is now proposing to formally adopt Riverside County Ordinance No. 962 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters. Riverside County Ordinance No. 962, which authorizes the levy of a special tax within the Springbrook CFD to fund services for maintenance and service activities, is identified as the proposed project under the California Environmental Quality Act (CEQA). The Ordinance includes the creation of a funding mechanism to provide maintenance and service activities within the CFD. No expansion of an existing use will occur. No additional direct or indirect physical environmental impacts are anticipated from the provision of maintenance services identified in the Riverside County Ordinance No. 962.

Name of Public Agency Approving Project: County of Riverside

Name of Person or Agency Carrying Out Project: County of Riverside

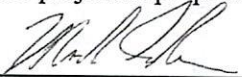

Exempt Status: Not a project as defined in California Environmental Quality Act (CEQA) Section 21065 and State CEQA Guidelines Section 15378; Section 15301, Existing Facilities Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption. Codified under Public Resources Code Division 13, Chapter 2.5, Section 21065, and California Code of Regulations Title 14, Articles 5, 19, and 20, Sections 15061, 15301, and 15378.

Reasons Why Project is Exempt: The direct effects of the adoption of the Ordinance to levy a special tax within Springbrook CFD would not constitute a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. Section 15378 (b) provides a list of five activities that are not considered a project under CEQA. The proposed Ordinance would qualify under two conditions identified in Section 15378 (b): (4) the creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant impact on the environment and (5) organizational or administrative activity of the government that will not result in direct or indirect physical changes to the environment. The adoption of the Ordinance by the Board satisfies these conditions as the Ordinance would provide a funding mechanism to provide ongoing maintenance of existing buildings that would not result in direct or indirect physical changes to the environment. Based on the above conditions, the adoption of the Ordinance is not a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. The indirect effects of the adoption of the Ordinance which would result in continued maintenance activities within the Springbrook CFD are categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern nor would the project include a reasonable possibility of having a significant effect on the environment due to unusual circumstances. The project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the provision of services to maintain the Springbrook CFD.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the site's use. The development on the site was previously reviewed under CEQA which evaluated the effects of the development of 644 single-family homes within Tracts 30908 and 30909, which is Springbrook CFD and subsequently approved. This approved development represents the environmental baseline and existing conditions under CEQA, as it is a dependent condition for the project, as proposed, to occur. The project is limited to the maintenance of the approved development within the Springbrook CFD. The maintenance within the Springbrook CFD is consistent within the activities permitted under Section 15301 and would ensure that the area does not physically deteriorate and potentially result in blight. The continued maintenance would not require any expansion of public services and facilities beyond what was approved for development; therefore, the project is exempt as it meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.

- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The adoption of the Ordinance and creation of funding to provide continued maintenance of the Springbrook CFD will not result in any direct or indirect physical environmental impacts. The use and operation of the Springbrook CFD will be substantially similar to the existing use and the ongoing maintenance will not create any new environmental impacts to the environment. No alterations and no impacts beyond the ongoing, existing use of the Springbrook CFD would occur. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Therefore, the County of Riverside Facilities Management hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

SUMMARY OF ORDINANCE NO. 962
AN ORDINANCE OF THE COUNTY OF RIVERSIDE
AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN COMMUNITY FACILITIES
DISTRICT NO. 20-1M (SPRINGBROOK) OF THE COUNTY OF RIVERSIDE

This summary is presented pursuant to California Government Code Section 25124(b). A certified copy of the full text of Ordinance No. 962 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside, located at 4080 Lemon Street 1st Floor, Riverside, California 92501.

Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the California Government Code (the "Government Code"), on September 15, 2020, the Board of Supervisors (the "Board of Supervisors") of the County of Riverside adopted Resolution No. 2020-142, stating its intention to establish a community facilities district proposed to be named Community Facilities District No. 20-1M (Springbrook) of the County of Riverside (the "District"), and to authorize the levy of special taxes to fund, pay for, and finance authorized street lighting maintenance services and park and landscaping maintenance services (the "Services") and to pay expenses incidental thereto and incidental to the levy and collection of the special taxes, so long as the special taxes are needed to fund the Services.

Ordinance No. 962 authorizes the levy of special taxes within the District at the rate and in accordance with the method of apportionment approved by the voters at an election held on October 20, 2020 regarding the proposed levy of special taxes. Ordinance No. 962 provides that the Board of Supervisors, as the legislative body of the District, is authorized and directed each fiscal year to determine or cause to be determined the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District. The special tax revenues shall be used to fund, pay for, and finance the Services and shall be levied so long as special taxes are needed to fund such Services. In addition, the special tax revenue may be used to replenish a reserve fund for the District, to pay the costs of administering the District, and to fund the cost of collecting and administering the special tax. Ordinance No. 962 provides that the special taxes may be collected on the secured property tax roll in the same manner as ordinary *ad valorem* taxes and that the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for *ad valorem* taxes. The rate and method of apportionment of the special tax authorized by Ordinance No. 962 is the rate and method approved by voters within the District and as further reflected in Exhibit A "Rate and Method" to Ordinance No. 962. A complete copy of Exhibit A "Rate and Method" is on file with the Clerk of the Board of Supervisors and is available for public inspection and copying in that office in accordance with the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code. Ordinance No. 956 takes effect immediately upon its adoption in accordance with section 25123(c) of the Government Code.

1 c. Subsequent to said public hearing, the Board of Supervisors adopted
2 Resolution No. 2020-204 (the "Resolution of Formation"), establishing the District, authorizing the levy
3 of a special tax within the District to fund the Services, subject to voter approval, establishing an annual
4 appropriations limit of \$4,000,000 for the District, subject to voter approval, and calling a special election
5 for the District for October 20, 2020 on the propositions to levy a special tax within the District and to
6 establish an appropriations limit for the District.

7 d. Pursuant to the terms of the Resolution of Formation and the provisions of
8 the Act, said special election was held on October 20, 2020. Each of the propositions was approved by
9 more than two-thirds of the votes cast at said special election.

10 e. Pursuant to the Act, the Board of Supervisors is the *ex officio* legislative
11 body (the "Legislative Body") of the District.

12 Section 2. PURPOSE. The purpose of this ordinance is to provide for the levy of a
13 special tax within the District.

14 Section 3. AUTHORITY. This ordinance is adopted pursuant to Sections 53328 and
15 53340 of the California Government Code, which authorizes counties to adopt ordinances to levy special
16 taxes at the rate and in accordance with the method of apportionment specified in the resolution of
17 formation of the community facilities district.

18 Section 4. LEVY OF SPECIAL TAXES.

19 a. By the passage of this Ordinance, the Board of Supervisors hereby
20 authorizes and levies special taxes within the District pursuant to Sections 53328 and 53340 of the
21 Government Code, at the rate and in accordance with the method of apportionment (the "Rate and
22 Method") set forth in the Resolution of Formation and attached as Exhibit A hereto and made a part
23 hereof. The special taxes are hereby levied commencing in the fiscal year 2021-2022 and in each fiscal
24 year thereafter for the period necessary to satisfy the Special Tax Requirement (as defined in the Rate and
25 Method) and until action is taken by the Board of Supervisors, acting as the Legislative Body of the
26 District, to dissolve the District.

27 b. The Board of Supervisors, acting as the Legislative Body of the District, is
28 hereby authorized and directed each fiscal year to determine, or cause to be determined, the specific

1 special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property
2 within the District, in the manner and as provided in the Rate and Method.

3 c. All of the collections of the special tax shall be used as provided for in the
4 Act, the Rate and Method and the Resolution of Formation, including, but not limited to, to fund, pay for,
5 and finance authorized street lighting maintenance, park and landscape improvements and to pay expenses
6 incidental thereto, so long as the special taxes are needed to fund such services; to replenish the reserve
7 fund for the District; to pay the costs of administering the District, and to pay the costs of collecting and
8 administering the special tax.

9 d. The special taxes shall be collected from time to time as necessary to meet
10 the financial obligations of the District on the secured real property tax roll in the same manner as
11 ordinary *ad valorem* taxes are collected, or may be collected in such other manner as set forth in the Rate
12 and Method. The special taxes shall have the same lien priority, and shall be subject to the same penalties
13 and the same procedure and sale in cases of delinquency as provided for *ad valorem* taxes. The Board of
14 Supervisors, acting as the Legislative Body of the District, is hereby authorized and directed to take all
15 actions necessary in order to effect the proper billing and collection of the special tax, so that the special
16 tax shall be levied and collected in sufficient amounts and at the times necessary to satisfy the financial
17 obligations of the District in each fiscal year.

18 e. Notwithstanding the foregoing, the Board of Supervisors, acting as the
19 Legislative Body of the District, may collect, or cause to be collected, one or more installments of the
20 special taxes by means of direct billing by the District of the property owners within the District if, in the
21 judgment of the Legislative body, such means of collection will reduce the burden of administering the
22 District or is otherwise appropriate in the circumstances. In such event, the special taxes shall become
23 delinquent if not paid when due as set forth in any such respective billing to the property owners.

24 Section 5. EXEMPTIONS. Properties or entities of the state, federal or other local
25 governments shall be exempt from any levy of the special taxes, to the extent set forth in the Rate and
26 Method. In no event shall the special taxes be levied on any parcel within the District in excess of the
27 maximum tax specified in the Rate and Method.

1 designated for each land use as determined by reference to the site plan approved for
2 such Parcel. The Administrator's allocation to each Land Use Class shall be final.

3
4 **2. Approved Property**

5

7 product of the applicable Undeveloped Property Maximum Special Tax per Acre times
8 the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is
9 expected to become Single Family Property as reasonably determined by the

9 **Property.**

10
11 **D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

12
13 Commencing with Fiscal Year 2021-2022 and for each following Fiscal Year, the
14 Administrator shall levy the Special Tax on all Taxable Property until the amount of
15 Special Tax equals the Special Tax Requirement in accordance with the following steps:

16
17 First: The Special Tax shall be levied Proportionately on each Parcel of Developed
18 Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the
19 Special Tax Requirement;

20
21 Second: If additional moneys are needed to satisfy the Special Tax Requirement after
22 the first step has been completed, the Special Tax shall be levied Proportionately on
23 each Parcel of Approved Property at up to 100% of the Maximum Special Tax for
24 Approved Property.

25
26 Third: If additional moneys are needed to satisfy the Special Tax Requirement after the
27 first two steps have been completed, the Special Tax shall be levied Proportionately on
28

1 each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special
2 Tax for Undeveloped Property.

3
4 Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal
5 Year against any Parcel of Residential Property for which a Certificate of Occupancy has been
6 issued be increased by more than ten percent (10%) as a result of a delinquency in the payment
7 of the Special Tax applicable to any other Parcel above the amount that would have been levied
8 in that Fiscal Year had there never been any such delinquency or default.

9
10 **E. EXEMPTIONS**

11
12 The CFD shall not levy Special Taxes on Public Property or Property Owners Association
13 Property within the CFD.

14
15 **F. MANNER OF COLLECTION**

16
17 The Special Tax shall be collected in the same manner and at the same time as ordinary *ad*
18 *valorem* property taxes and shall be subject to the same penalties, the same procedure, sale
19 and lien priority in the case of delinquency; provided, however, that the Administrator may
20 directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner
21 if necessary to meet the financial obligations of the CFD, and provided further that the CFD may
22 covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes
23 as permitted by the Act.

1 **G. APPEALS**

2
3 Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the
4 Administrator, provided that the appellant is current in his/her payments of Special Taxes.
5 During pendency of an appeal, all Special Taxes must be paid on or before the payment due
6 date established when the levy was made. The appeal must specify the reasons why the
7 appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet
8 with the appellant if the Administrator deems necessary, and advise the appellant of its
9 determination. If the Administrator agrees with the appellant, the Administrator shall grant a
10 credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of
11 previously paid Special Taxes shall be made.

12
13 The Administrator shall interpret this Rate and Method of Apportionment and make
14 determinations relative to the annual levy and administration of the Special Tax and any
15 taxpayer who appeals, as herein specified.

16
17 **H. TERM OF THE SPECIAL TAX**

18
19 The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.

COMMUNITY FACILITIES DISTRICT NO. 20-1M
(SPRINGBROOK) OF THE COUNTY OF RIVERSIDE**

The Board of Supervisors of the County of Riverside ordains as follows:

Section 1. FINDINGS. The Board of Supervisors finds that:
a. Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, (the "Act"), commencing with Section 53311 of the California Government Code (the "Government Code"), on September 15, 2020, the Board of Supervisors (the "Board of Supervisors") of the County of Riverside (the "County") adopted Resolution No. 2020-142 (the "Resolution of Intention"), stating its intention to establish a community facilities district proposed to be named Community Facilities District No. 20-1M (Springbrook) of the County of Riverside (the "District"), and to authorize the levy of special taxes to fund, pay for, and finance authorized street lighting maintenance, park and landscape improvements (as specified and reflected in the Resolution of Intention, the Resolution of Formation, and the Rate and Method of Apportionment of Special Tax) (the "Services") and to pay expenses incidental thereto and incidental to the levy and collection of the special taxes, so long as the special taxes are needed to fund the Services, and setting October 20, 2020 as the date for a public hearing to be held on the establishment of the District.

b. On October 20, 2020, the Board of Supervisors opened, conducted and closed said public hearing. At said public hearing, all persons desiring to be heard on all matters pertaining to the proposed establishment of the District, the furnishing of the Services, and the proposed levy of an annual special tax were heard. Written protests, if any, were received, and a full and fair hearing was held.

c. Subsequent to said public hearing, the Board of Supervisors adopted Resolution No. 2020-204 (the "Resolution of Formation"), establishing the District, authorizing the levy of a special tax within the District to fund the Services, subject to voter approval, establishing an annual appropriations limit of \$4,000,000 for the District, subject to voter approval, and calling a special election for the District for October 20, 2020 on the propositions to levy a special tax within the District and to establish an appropriations limit for the District.

d. Pursuant to the terms of the Resolution of Formation and the provisions of the Act, said special election was held on October 20, 2020. Each of the propositions was approved by more than two-thirds of the votes cast at said special election.

e. Pursuant to the Act, the Board of Supervisors is the ex officio legislative body (the "Legislative Body") of the District.

Section 2. PURPOSE. The purpose of this ordinance is to provide for the levy of a special tax within the District.

Section 3. AUTHORITY. This ordinance is adopted pursuant to Sections 53328 and 53340 of the California Government Code, which authorizes counties to adopt ordinances to levy special taxes at the rate and in accordance with the method of apportionment specified in the resolution of formation of the community facilities district.

Section 4. LEVY OF SPECIAL TAXES.
a. By the passage of this Ordinance, the Board of Supervisors hereby authorizes and levies special taxes within the District pursuant to Sections 53328 and 53340 of the Government Code, at the rate and in accordance with the method of apportionment (the "Rate and Method") set forth in the Resolution of Formation and attached as Exhibit A hereto and made a part hereof. The special taxes are hereby levied commencing in the fiscal year 2021-2022 and in each fiscal year thereafter for the period necessary to satisfy the Special Tax Requirement (as defined in the Rate and Method) and until action is taken by the Board of Supervisors, acting as the Legislative Body of the District, to dissolve the District.

b. The Board of Supervisors, acting as the Legislative Body of the District, is hereby authorized and directed each fiscal year to determine, or cause to be determined, the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District, in the manner and as provided in the Rate and Method.

c. All of the collections of the special tax shall be used as provided for in the Act, the Rate and Method and the Resolution of Formation, including, but not limited to, to fund, pay for, and finance authorized street lighting maintenance, park and landscape improvements and to pay expenses incidental thereto, so long as the special taxes are needed to fund such services; to replenish the reserve fund for the District; to pay the costs of administering the District, and to pay the costs of collecting and administering the special tax.

d. The special taxes shall be collected from time to time as necessary to meet the financial obligations of the District on the secured real property tax roll in the same manner as ordinary ad valorem taxes are collected, or may be collected in such other manner as set forth in the Rate and Method. The special taxes shall have the same lien priority, and shall be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes. The Board of Supervisors, acting as the Legislative Body of the District, is hereby authorized and directed to take all actions necessary in order to effect the proper billing and collection of the special tax, so that the special tax shall be levied and collected in sufficient amounts and at the times necessary to satisfy the financial obligations of the District in each fiscal year.

e. Notwithstanding the foregoing, the Board of Supervisors, acting as the Legislative Body of the District, may collect, or cause to be collected, one or more installments of the special taxes by means of direct billing by the District of the property owners within the District if, in the judgment of the Legislative body, such means of collection will reduce the burden of administering the District or is otherwise appropriate in the circumstances. In such event, the special taxes shall become delinquent if not paid when due as set forth in any such respective billing to the property owners.

Section 5. EXEMPTIONS. Properties or entities of the state, federal or other local governments shall be exempt from any levy of the special taxes, to the extent set forth in the Rate and Method. In no event shall the special taxes be levied on any parcel within the District in ex-

cess of the maximum tax specified in the Rate and Method.

Section 6. SEVERABILITY. If for any reason any portion of this ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel within the District, by a court of competent jurisdiction, the balance of this ordinance and the application of the special tax to the remaining parcels within the District shall not be affected.

Section 7. EFFECTIVE DATE. This ordinance relating to the levy and collection of special taxes in the District shall take effect immediately upon its passage in accordance with the provisions of Section 25123(c) of the Government Code. The Chairman of the Board of Supervisors shall sign this ordinance, and the Clerk of the Board of Supervisors shall attest to the Chairman's signature and then cause a summary of the same to be published within 15 days after its passage at least once in The Press-Enterprise, a newspaper of general circulation published and circulated in the area of the District.

The rate and method of apportionment of the special tax authorized by Ordinance No. 962 is the rate and method approved by voters within the District and as further reflected in Exhibit A "Rate and Method" to Ordinance No. 962. A complete copy of Exhibit A "Rate and Method" is on file with the Clerk of the Board of Supervisors and is available for public inspection and copying in that office in accordance with the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code. Ordinance No. 962 takes effect immediately upon its adoption in accordance with section 25123(c) of the Government Code.

The special taxes are hereby levied commencing in the fiscal year 2021-2022 and in each fiscal year thereafter for the period necessary to satisfy the Special Tax Requirement (as defined in the Rate and Method) and until action is taken by the Board of Supervisors, acting as the Legislative Body of the District, to dissolve the District.

b. The Board of Supervisors, acting as the Legislative Body of the District, is hereby authorized and directed each fiscal year to determine, or cause to be determined, the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District, in the manner and as provided in the Rate and Method.

In such event, the special taxes shall become delinquent if not paid when due as set forth in any such respective billing to the property owners.

Section 5. EXEMPTIONS. Properties or entities of the state, federal or other local governments shall be exempt from any levy of the special taxes, to the extent set forth in the Rate and Method. In no event shall the special taxes be levied on any parcel within the District in excess of the maximum tax specified in the Rate and Method.

Section 6. SEVERABILITY. If for any reason any portion of this ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel within the District, by a court of competent jurisdiction, the balance of this ordinance and the application of the special tax to the remaining parcels within the District shall not be affected.
