BACKGROUND:

Summary

On March 4, 2020, Governor Gavin Newsom proclaimed a State of Emergency in the State of California as a result of the novel COVID-19. Subsequently, on March 8, 2020, Riverside County Public Health Officer declared a local health emergency. On September 8, 2020, the Business and Community Services Department requested Facilities Management (FM) aid in the effort of providing emergency repairs and other measures necessary for the Riverside County Fairgrounds, which has been a Federal Medical Station and Testing Site since March 28, 2020, as a temporary public medical facility, to increase its treatment capacity.

The scope of the emergency work performed by vendors and in-house staff includes but is not limited to: fire/life safety systems, heating, ventilation, and air conditioning (HVAC), restrooms, electrical, and painting. Failure to immediately address the facility deficiencies would pose immediate risk to the public and testing personnel.

FM recommends the Board of Supervisors (Board) allow FM to complete the project documentation and ensure that the Project retains operational safety and approve the project budget in the not to exceed amount of \$2,579,860.

With certainty, there is no possibility that the Indio Fairgrounds COVID-19 FMS and Testing Site Project may have a significant effect on the environment. The Project is limited to minor improvements at an existing facility required to provide emergency testing for the COVID-19 pandemic.

The emergency repairs will be completed within an existing public facility that are necessary to maintain service essential to public safety and the actions are necessary to mitigate an emergency and to meet current standards of public health and safety. Therefore, the Indio Fairgrounds COVID-19 FMS and Testing Site Project is exempt as the Project meets the scope and intent of the Common Sense Exemption identified in Section 15061 (b)(3); Statutory Emergency Projects Exemption identified in 15269 (b)(c), and Class 1 Categorical Exemption identified in Section 15301. A Notice of Exemption will be filed by the FM staff with the County Clerk within five days of Board approval.

Impact on Residents and Businesses

The Indio Fairgrounds COVID-19 FMS and Testing Site Project will ensure the public safety for testing staff and the public.

NOTICE OF EXEMPTION

September 22, 2020

Project Name: Indio Fairgrounds Coronavirus 19 Federal Medical Station and Testing Site Emergency Repairs Project

Project Number: FM08192010926

Project Location: 46263 Oasis, south of Highway 111, Indio, California 92201; Assessor's Parcel Number (APN): 614-040-006

Description of Project: On March 4, 2020, Governor Gavin Newsom proclaimed a State of Emergency in the State of California as a result of the novel COVID-19. Subsequently, on March 8, 2020, Riverside County Public Health Officer declared a local health emergency. On September 8, 2020, the Business and Community Development Department requested Facilities Management (FM) aid in the effort of providing emergency repairs and other measures necessary for the Riverside County Fairgrounds, which has been a testing site since March 28, 2020 as a temporary public medical facility, to increase its treatment capacity.

The scope of the emergency work performed by vendors and in-house staff includes but is not limited to: fire/life safety systems, heating, ventilation, and air conditioning (HVAC), restrooms, electrical, and painting. Failure to immediately address the facility deficiencies would pose immediate risk to the public and testing personnel. The improvements to the Indio Fairgrounds is identified as the proposed project under the California Environmental Quality Act (CEQA). The operation of the facility will continue to provide public services at the existing facility and will not result in a significant expansion of existing use. No additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: Riverside County

Name of Person or Agency Carrying Out Project: Riverside County Facilities Management

Exempt Status: State California Environmental Quality Act (CEQA) Guidelines, Section 15269 Emergency Projects Exemption; Section 15301 Existing Facilities Exemption; Section 15302 Replacement or Reconstruction Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption, Codified under Title 14, Articles 5, 18 and 19, Sections 15061, 15269, and 15301.

Reasons Why Project is Exempt: The proposed project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern nor would the project include unusual circumstances which could have the possibility of having a significant effect on the environment. The project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the repairs to the Indio Fairgrounds.

- **Section 15269 (b)(c) –Emergency Projects:** This Statutory exemption consists of emergency projects that are exempt under CEQA. Under (b), emergency repairs to publicly or privately owned service facilities necessary to maintain service essential to the public health, safety or welfare are exempt. Under (c), specific actions necessary to prevent or mitigate an emergency are exempt. The construction of repairs needed to provide emergency COVID-19 testing is an essential public facility that provides critical health services to protect public safety. The testing is necessary to respond to the COVID emergency and maintain the County's ability to provide these critical services. Emergency repairs at the Indio Fairgrounds are required to avoid a threat to the public health, safety and welfare. Therefore, the project is exempt as it meets the scope and intent of the Statutory Exemption identified in Section 15269, Article 18, Statutory Exemptions of the CEQA Guidelines.
- **Section 15301 (d)–Existing Facilities:** This Class 1 categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site's use. The construction of repairs needed to provide emergency COVID-19 testing is necessary in order to restore and maintain an appropriate level of public safety. The facility is temporarily providing critical health services, and the testing at the facility is required to address an emergency that is a threat to public safety. The repairs to the existing facility to protect and maintain public safety is exempt as they meet the scope and intent of the Categorical Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The implementation of repairs at the Indio Fairgrounds is an emergency action and will not result in any direct or indirect physical environmental impacts.

Based upon the identified exemptions above, the County of Riverside, Facilities Management hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

The Indemnitees shall be entitled to the defense and indemnification provided for hereunder regardless of whether the Loss is in part caused or contributed to by the acts or omissions of an Indemnitee or any other person or entity; provided, however, that nothing contained herein shall be construed as obligating CONSTRUCTION MANAGER to indemnify and hold harmless any Indemnitee to the extent not required under the provisions of Paragraph 6.2, below.

7. INSURANCE: Without limiting or diminishing the CONSTRUCTION MANAGER'S obligation to indemnify or hold the COUNTY harmless, CONSTRUCTION MANAGER shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage

As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

A. Workers' Compensation:

If any such self-insured retention exceed \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the Country's Risk Manager, CONSTRUCTION MANAGER'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

Further, said Certificate(s) shall contain the covenant of the insurance agent/producer that thirty (30) days written notice shall be given to the County of Riverside prior to cancellation of such insurance except ten (10) days for cancellation due to nonpayment. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified copies of the policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. ***CONSTRUCTION MANAGER shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, review original of the policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance. Upon COUNTY'S request, CONSTRUCTION MANAGER shall make available for inspection by County Risk Manager, at a mutually agreeable location, copies of CONSTRUCTION MANAGER'S insurance policies.***

4) It is understood and agreed to by the parties hereto that the CONSTRUCTION MANAGER'S insurance shall be construed as primary insurance, and the COUNTY'S insurance/or deductible and/or self-insured retentions or self-insured program shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material

change in the scope of services; or, there is a material change in the equipment to be used in the performance in the scope of work; or, the term of this Agreement, including any extension thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONSTRUCTION MANAGER has become inadequate.

6) CONSTRUCTION MANAGER shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONSTRUCTION MANAGER agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

8. TERMINATION: COUNTY may, by written notice to CONSTRUCTION MANAGER, terminate this Agreement in whole or in part at any time. Such termination may be for COUNTY'S convenience or because of CONSTRUCTION MANAGER'S failure to perform its duties and obligations under this Agreement including, but not limited to, the failure of CONSTRUCTION MANAGER to timely perform services pursuant to the Scope of Services described in Exhibit "A" of this Agreement.

8.1 Discontinuance of Services. Upon Termination, CONSTRUCTION MANAGER shall, unless otherwise directed by the Notice, discontinue all services and deliver to the COUNTY all data, estimates, graphs, summaries, reports, and other related materials as may have been prepared or accumulated by CONSTRUCTION MANAGER in performance of services, whether completed or in progress.

8.2 Effect of Termination For Convenience. If the termination is to be for the convenience of the COUNTY, the COUNTY shall compensate CONSTRUCTION MANAGER for services satisfactorily provided through the date of termination. CONSTRUCTION MANAGER shall provide documentation deemed adequate by COUNTY to show the services

actually completed by CONSTRUCTION MANAGER prior to the date of termination. This Agreement shall terminate thirty (30) days following receipt by the CONSTRUCTION MANAGER of the written Notice of Termination.

8.3 Effect of Termination For Cause. If the termination is due to the failure of CONSTRUCTION MANAGER to fulfill its obligations under this Agreement, CONSTRUCTION MANAGER shall be compensated for those services which have been completed in accordance with this Agreement and accepted by the COUNTY. In such case, the COUNTY may take over the work and prosecute the same to completion by contract or otherwise. Further, CONSTRUCTION MANAGER shall be liable to the COUNTY for any reasonable additional costs incurred by the COUNTY to revise work for which the COUNTY has compensated CONSTRUCTION MANAGER under this Agreement, but which the COUNTY has determined in its sole discretion needs to be revised in part or whole to complete the Project. Prior to discontinuance of services, the COUNTY may arrange for a meeting with CONSTRUCTION MANAGER to determine what steps, if any, CONSTRUCTION MANAGER can take to adequately fulfill its requirements under this Agreement. In its sole discretion, County's Representative may propose an adjustment to the terms and conditions of the Agreement, including the contract price. Such contract adjustments, if accepted in writing by the Parties, shall become binding on CONSTRUCTION MANAGER and shall be performed as part of this Agreement. In the event of termination for cause, unless otherwise agreed to in writing by the parties, this Agreement shall terminate seven (7) days following the date the Notice of Termination was mailed to the CONSTRUCTION MANAGER. Termination of this Agreement for cause may be considered by the COUNTY in determining whether to enter into future agreements with CONSTRUCTION MANAGER.

8.4 Notwithstanding any of the provisions of this Agreement, CONSTRUCTION MANAGER'S rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty, or a willful or material breach of this Agreement by CONSTRUCTION MANAGER, or in the event of CONSTRUCTION MANAGER'S unwillingness or inability for any reason whatsoever to perform the duties hereunder, or if the

Agreement is terminated pursuant to Section 8. In such event, CONSTRUCTION MANAGER shall not be entitled to any further compensation under this Agreement.

8.5 Cumulative Remedies. The rights and remedies of the parties provided in this Section are in addition to any other rights and remedies provided by law or under this Agreement.

9. CONFLICT OF INTEREST: CONSTRUCTION MANAGER covenants that it presently has no interest, including but not limited to, other projects or independent contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Agreement. CONSTRUCTION MANAGER further covenants that in the performance of this Agreement, no person having any such interest shall be employed or retained by it under this Agreement.

10. ADMINISTRATION: The Deputy Director, Facilities Management, Project Management Office (or designee) shall administer this Agreement on behalf of COUNTY.

11. ASSIGNMENT: This Agreement shall not be assigned by CONSTRUCTION MANAGER, either in whole or in part, without prior written consent of COUNTY. Any assignment or purported assignment of this Agreement by CONSTRUCTION MANAGER without the prior written consent of COUNTY will be deemed void and of no force or effect.

12. NONDISCRIMINATION: CONSTRUCTION MANAGER represents that it is an equal opportunity employer and it shall not discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, sex, physical condition, or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.

13. ALTERATION: No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties hereto, and no oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto. No additional services shall be performed by CONSTRUCTION MANAGER without a written amendment to this Agreement.

CONSTRUCTION MANAGER understands that the County Purchasing Agent or the County Board of Supervisors are the only authorized COUNTY representatives who may at any time, by written order, make any alterations within the general scope of this Agreement.

If CONSTRUCTION MANAGER feels that any work requested of it is beyond the scope of services under this Agreement, any claim by the CONSTRUCTION MANAGER for adjustment under this paragraph shall be made within thirty (30) days of when the CONSTRUCTION MANAGER is requested to perform the disputed scope of work.

14. LICENSE AND CERTIFICATION: CONSTRUCTION MANAGER verifies upon execution of this Agreement, possession of a current and valid license and certification in compliance with any local, State, and Federal laws and regulations relative to the scope of services to be performed under Exhibit "A", and that services(s) will be performed by properly trained and licensed staff.

Our understanding of the project scopes is derived from a scoping document provided to us by the County and the information discussed during our September 9, 2020 on-site meeting with Facilities Management (FM) and Fair Management staff. During this meeting we discussed the need for these projects to be completed prior to December 30, 2020 in order to qualify for Federal funding reimbursement, and identified project scopes that could most likely be achieved prior to that deadline. Project scopes that require additional exploratory field investigations, documents research and design/engineering services are not included in this CM fee proposal.

I. Scope of Work

3. Provide preparation work and new paint to exterior tubular steel fencing panels, vehicular gates, pedestrian gates along perimeter of facility and at fencing segments within facility.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the stock insurance company member of The Hartford providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II - Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V - Definitions.

SECTION I - COVERAGES

COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III - Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments - Coverages A and B.

b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
 - (2) The "bodily injury" or "property damage" occurs during the policy period; and
 - (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II - Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- c. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
 - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
 - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
- d. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".
- e. **Incidental Medical Malpractice And Good Samaritan Coverage**
- "Bodily injury" arising out of the rendering of or failure to render the following health care services by any "employee" or "volunteer worker" shall be deemed to be caused by an "occurrence" for:

- (1) Professional health care services such as:
 - (a) Medical, surgical, dental, laboratory, x-ray or nursing services or treatment, advice or instruction, or the related furnishing of food or beverages;
 - (b) Any health or therapeutic service, treatment, advice or instruction; or
 - (c) The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances; or
- (2) First aid services, which include:
 - (a) Cardiopulmonary resuscitation, whether performed manually or with a defibrillator; or
 - (b) Services performed as a Good Samaritan.

For the purpose of determining the limits of insurance, any act or omission together with all related acts or omissions in the furnishing of these services to any one person will be considered one "occurrence".

However, this Incidental Medical Malpractice And Good Samaritan Coverage provision applies only if you are not engaged in the business or occupation of providing any of the services described in this provision.

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:

- (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

- (b) Such attorney fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or
- (3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

- (1) An "employee" of the insured arising out of and in the course of:

This exclusion applies:

- (1) Whether the insured may be liable as an employer or in any other capacity; and

This exclusion does not apply to liability assumed by the insured under an "insured contract".

- (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

- (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

- (b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

- (i) Any insured; or

However, this subparagraph does not apply to:

- (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

- (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

- (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire"; or

- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the

operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

This exclusion does not apply to:

- (1) A watercraft while ashore on premises you own or rent;

(b) The operation of any of the machinery or equipment listed in Paragraph **f.(2)** or **f.(3)** of the definition of "mobile equipment"; or

(6) An aircraft that is not owned by any insured and is hired, chartered or loaned with a paid crew. - a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";

Notwithstanding the provisions of Paragraph 2.b.(2) of Section I - Coverage A - Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:
