**BACKGROUND:**

**Summary**

Landscaping and Lighting Maintenance Districts (L&LMD's) are formed for the purpose of creating a funding mechanism to pay for the installation and maintenance of landscaping, streetlights, traffic signals, drainage inlet water quality filters, decorative fencing, and other roadside features within the road right of way. Within an established L&LMD, zones are created for specific developments, a fee structure is developed specific to the features within that zone, and the zone is then assessed through a tax levy on annual basis for the installation and maintenance of the features within that particular zone.

L&LMD No. 89-1-Consolidated ("L&LMD No. 89-1-C") was formed in 1994, Resolution No. 94-389, and currently consists of 146 individual zones with different fee structures spread throughout Riverside County. The commercial property owner of Conditional Use Permit No. 180006, as described in the attached Exhibit "A", has petitioned the County to annex their property into L&LMD No.89-1-C, creating Street Lighting Zone 141. The boundaries of Street Lighting Zone 141 will encompass the entire Conditional Use Permit No. 180006 and will include the maintenance and servicing of streetlights.

On August 25, 2020, a public hearing was held to receive all testimony regarding the annexation of Street Lighting Zone 141 to L&LMD No. 89-1-C. After closing the public hearing, the Board of Supervisors directed the Director of Transportation, or her designee, to tabulate the assessment ballots that had been received prior to the close of the hearing. The assessment ballots were to be tabulated on August 26, 2020 at 10:00 a.m. in Conference Room C on the 8<sup>th</sup> Floor of the County Administrative Center. The tabulation shows that votes representing 1 parcel out of a possible 1 were cast, and that 1 vote (or 100%) was cast in favor of the annexation of Street Lighting Zone 141 to L&LMD No. 89-1-C and the levy and enrollment of the special assessment.

Adoption of Resolution No. 2020-224 confirms the assessment levy as indicated in the Engineer's Report for fiscal year 2021-22 for Street Lighting Zone 141 of L&LMD No. 89-1-C and orders the placement of the annual assessment on the County's Assessment Roll for fiscal year 2021-22.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

**Impact on Residents and Businesses**

The new assessment is for the purpose of providing the maintenance and servicing of streetlights within public right-of-way.

Only the commercial property owners within the proposed boundaries of Street Lighting Zone 141, which are represented by Conditional Use Permit No. 180006, as described in the attached Exhibit "A" (a two-page exhibit containing a description and diagram) are impacted by the cost of this annexation. By setting up an assessment for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

The proposed budget for fiscal year 2021-22 for Street Lighting Zone 141 is \$344.00. This will result in an assessment for fiscal year 2021-22 within Street Lighting Zone 141 of \$302.00 per acre. Street Lighting Zone 141 includes one commercial parcel totalling 1.14 acres. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Customers for electricity (CPI-U), if any, as it stands as of March of each year over the base index for March of 2021.
