State your
position below: Oppose

Comments: This reappointment of Mr. Larson to the Coachella Valley Mosquito and Vector Control District (CVMVCD) has the appearance of entrenched political elements working to continue harming disadvantaged locations (East Coachella Valley areas) with under representation from elites that have no noticeable connections to the underserved communities of Riverside County. A better selection (appointment) to the CVMVCD board of Trustees should come from areas of Riverside County and not other County Cities (Person should live in areas that they represent) and not have any connections to CVMVCD administration staff or subcontractors through family or business relationships. Consider other better member's of the Public that are not entrenched political elements of Riverside County district four for service to our community.
