**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

On March 18, 2008 the Board approved Board Policy A-62 on Credit Card Use (Item No. 3.8). This policy requires a department that has an essential need to use credit cards other than the County Procurement Card (P-Card) to have such use approved annually by the Board of Supervisors.

The Clerk of the Board (COB) is requesting approval to continue using its two credit cards (Staples and Office Depot) to meet the department's needs for supplies that must be acquired in a timely manner to continue business. The Board of Supervisors has several satellite offices with limited ability to obtain supplies from COB inventory. Occasionally, it is necessary for the satellite offices to have immediate access to supplies and it is primarily for that reason the credit cards are maintained.

The COB follows procedures as set forth in Board Policy A-62. Use of the credit cards require management approval, and the cards are assigned to an individual at one satellite district office and to one staff in the COB, which are stored in a safe when not in use. All invoices are audited against receipts by accounting staff on a monthly basis.

**Impact on Residents and Businesses**

No impact is anticipated.
