BACKGROUND:

Summary

The Housing Authority of the County of Riverside (“HACR”) owns that certain real property located at 84679 and 84824 Calle Verde, and bordered by Calle Techa and Calle Zamora, in the City of Coachella, County of Riverside, State of California, identified with Assessor’s Parcel Numbers 768-350-002 and 768-400-001, depicted on the attached Site map (“Property”). Abode Communities, a California nonprofit corporation (“Abode”), is engaged in building safe and affordable housing for low income households. Abode has formed Villa Verde I, L.P., a California limited partnership (“Developer”), for the purpose of acting as the developer of the affordable housing project to be constructed on the Property.

The Property was acquired by the former Coachella Redevelopment Agency (“RDA”) for the development of affordable housing. The RDA, located in the County of Riverside, was duly created pursuant to the California Redevelopment Law (Health and Safety Code Section 33000 et seq., collectively, the “CRL”). California redevelopment agencies were dissolved on February 1, 2012 such that the RDA is now deemed a former redevelopment agency under Health and Safety Code section 34173 and AB x1 26, as modified by Assembly Bill No. 1484 (as modified to date, the “Dissolution Law”), which added Parts 1.8 and 1.85 to Division 24 of the CRL.

Pursuant to CRL section 34176, on January 25, 2012, the City of Coachella adopted Resolution No. 2012-10 electing not to retain responsibility for the housing assets and functions of the RDA, thus declining to become the “housing successor” to the RDA under the Dissolution Law.

Pursuant to CRL section 34176, on June 4, 2013, the HACR Board of Commissioners approved that certain Memorandum of Understanding accepting the transfer of housing assets and functions previously performed by the RDA, excluding any enforceable obligations retained by the non-housing successor agency to the RDA (“Asset Transfer”). As a result, HACR became the “housing successor” to the RDA under the Dissolution Law. The Asset Transfer included, among other things, the transfer of a fee interest in the Property. The Property was acquired by the RDA using 2006 Series A Taxable Housing Bonds.

Pursuant to applicable provisions of the Dissolution Law, the CRL and the “Housing Authorities Law” (California Health and Safety Code, Sections 34200, et seq.), whenever the Board of Commissioners determines that any real property owned by the HACR can be used to provide

**SUBMITTAL TO THE BOARD OF COMMISSIONERS HOUSING AUTHORITY
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

housing affordable to low and moderate income families, and this use is in the HACR's best interest, the HACR may sell, convey or otherwise dispose of the real property to provide affordable housing without complying with other provisions of Title 3, Division 2, Part 2, Chapter 5, Article 8 of the California Government Code. The HACR is committed to providing affordable housing and services to the residents of the County of Riverside.

On May 1, 2018, the HACR Board of Commissioners approved an Exclusive Negotiation Agreement with Predevelopment Loan ("ENA") with Abode, which was extended on January 31, 2020 and will expire on January 31, 2021. Subsequently, Abode and Developer entered into that certain Assignment and Assumption Agreement, effective November 14, 2019 ("Assignment Agreement") to assign all of Abode's rights, title, obligations and interest in and to the ENA. HACR consented to Abode's assignment of all its rights, title, obligations and interest in the ENA to Developer in that certain Consent to Assignment and Assumption Agreement of Exclusive Negotiation Agreement with Predevelopment Loan ("Consent") effective December 31, 2019. The ENA included a loan of up to \$450,000 for expenses incurred in the predevelopment and entitlement process. Four Hundred Thousand Nine Hundred Eighty Dollars and One Cent (\$431,980.01) of the proceeds of the loan have been disbursed to date on a "cost-as-incurred" basis for eligible predevelopment costs.

Pursuant to the ENA, Developer and HACR have negotiated the attached form of Disposition, Development and Loan Agreement, including attachments (collectively, the "Agreement") pursuant to which Developer desires to acquire the Property from the HACR for affordable housing purposes and to develop thereon a proposed multifamily rental housing project comprised of approximately 152 units, to be occupied by, and rented to low and moderate income households. The Agreement will restrict occupancy of 49% of the units not reserved for occupancy by property management staff to occupancy by low income households. For purposes of the Agreement, a low income household is one whose gross income does not exceed 60% of area median income. The balance of the units not reserved for occupancy by property management staff will be occupied by households earning up to moderate income, as defined by California Health and Safety Code Section 50105.

There is an unmet need for affordable housing within the County of Riverside. As a result, staff recommends the Board of Commissioners authorize the sale of the Property to Developer and the subsequent development thereon of housing affordable to low and moderate income families. Such use is in the HACR's best interest. Staff recommends the Board of Commissioners adopt Resolution No. 2021-001, A Resolution of the Board of Commissioners of the Housing Authority of the County of Riverside Making Certain Findings Pursuant to California Health and Safety Code Section 33433; Authorizing the Sale of Fee Simple Interest in Real Property Located in the City of Coachella, County of Riverside, State of California, Identified with Assessor's Parcel Numbers 768-350-002 and 768-400-001 by Grant Deed to Villa Verde I, L.P., and Approving a Disposition, Development and Loan Agreement between the Housing Authority of the County of Riverside and Villa Verde I, L.P. for the Sale and Development of the Property for Affordable Housing Purposes.

Consistent with applicable provisions of the CRL and subject to the satisfaction of certain conditions precedent, the Property will be sold at fair market value. In order to ensure the long-term affordability of the units consistent with applicable law, the Property will be subject to an Agreement Containing Covenants requiring the units remain affordable for fifty-five (55) years. The terms of the sale and development of the Property are set forth in the Agreement. Developer will purchase the Property for fair market value. The approximately 9.44-acre site has been appraised at approximately \$1,850,000, which is considered to be the fair market value of the Property. The creation of 152 affordable units is in the best interests of the HACR, the County of Riverside, and residents of the Coachella area. The County's investment will equate to an average of \$15,132 per unit for the eventual 152 housing units to be built.

When the Developer satisfies the conditions precedent to acquire the Property set forth in the Agreement, the HACR will carry back a promissory note for the fair market value purchase price plus outstanding principal under the predevelopment loan. The HACR loan will be secured by a deed of trust recorded against the Property. Developer shall be responsible for all (i) construction and development costs, (ii) entitlements, land use approvals, permits and CEQA compliance, (iii) securing financing, (iv) construction of on-site and off-site improvements, and (v) maintenance and operation obligations. All land use and development entitlements, including compliance with CEQA, must be obtained by Developer from the City of Coachella.

Pursuant to CRL Sections 33431 and 33433, the HACR published a Notice of Public Hearing notifying the public of the public hearing and consideration of the proposed Agreement relating to the conveyance of the Property and the development of affordable housing thereon. In addition, pursuant to CRL Section 33433, the HACR made available for public review on the date the Notice of Public Hearing was published the attached Agreement, including all attachments, and the attached Summary Report.

The Agreement does not constitute a project pursuant to the California Environmental Quality Act and State CEQA Guidelines (CEQA). Pursuant to CEQA Guidelines Section 15004(b), approval of the Agreement provides for the sale of property and financing subject to specific conditions. Approval by the HACR of the Agreement does not vest any development rights and will not result in any physical change to the environment. The Agreement requires the Developer to obtain all necessary land use approvals and entitlements from the City of Coachella including compliance with CEQA. As the jurisdiction exercising land use control over the Property, the City of Coachella will be the lead agency for purposes of CEQA. The Agreement does not commit the lead agency to any definite course of action or foreclose alternatives or mitigation measures that would ordinarily be part of CEQA review.

County Counsel has reviewed and approved as to form the attached Resolution No. 2021-001 and the Agreement. Staff recommends that the Board adopt Resolution No. 2021-001 and approve the Agreement, and all attachments thereto.

**DISPOSITION, DEVELOPMENT AND LOAN AGREEMENT
(Villa Verde Apartments)**

THIS DISPOSITION, DEVELOPMENT AND LOAN AGREEMENT (“**DDLA**”) is entered into as of this 12th day of January, 2021, by and between the HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE, a public body corporate and politic, (“**HACR**”) and VILLA VERDE I, L.P., a California limited partnership (“**Developer**”). HACR and Developer are collectively referred to herein as the “Parties” and individually as a “Party.”

RECITALS

The following Recitals are a substantive part of this DDLA. Capitalized terms used in these Recitals and not otherwise defined shall have the meaning set forth in Section 1.2.

A. HACR was established by action of the Board of Supervisors of the County of Riverside on November 23, 1942, pursuant to the California Housing Authority Law (Health and Safety Code §§ 34200, et seq., the “**Housing Authority Law**”), and constitutes a corporate and politic public body, exercising public and essential governmental functions, and having all the powers necessary or convenient to carry out the purposes and provisions of the Housing Authority Law.

B. The Coachella Redevelopment Agency (“**RDA**”) located in the County of Riverside (“**County**”), was duly created pursuant to California Redevelopment Law (Health and Safety Code Section 33000 et seq. the “**CRL**”).

C. Assembly Bill No. x1 26, as modified by Assembly Bill No. 1484 (collectively the “**Dissolution Act**”), added Parts 1.8 and 1.85 to Division 24 of the CRL. Pursuant to the Dissolution Act, the RDA was dissolved on February 1, 2012 such that the RDA is now deemed a former redevelopment agency under Health and Safety Code section 34173.

D. Pursuant to Health and Safety Code 34176, on January 25, 2012, the City of Coachella adopted Resolution No. 2012-10 electing not to retain responsibility for the housing assets and functions of the former RDA.

E. Pursuant to Health and Safety Code Section 34176, on June 4, 2013, the HACR Board of Commissioners approved that certain Memorandum of Understanding accepting the transfer of housing assets and functions previously performed by the former RDA, excluding any enforceable obligations retained by the successor agency (“**Asset Transfer**”), making HACR the “**Housing Successor**” to the RDA under the Dissolution Act.

F. The Asset Transfer included, among other things, the transfer of a fee interest in that certain real property consisting of approximately 9.44 acres of land located at 84679 and 84824 Calle Verde, in the City of Coachella, County of Riverside, State of California, 92236, currently identified with Assessor’s Parcel Numbers 768-350-002 and 768-400-001, as further described in the Legal Description and depicted on the Site Map attached hereto as Attachments 1 and 2, respectively, and each incorporated herein by this reference (“**Property**”). The Property was acquired by the former RDA using 2006 Series A Taxable Housing Bonds.

G. The HACR procured proposals to develop the Property through a Request for Proposals (“RFP”) and selected Developer’s predecessor-in-interest, Abode Communities, a California nonprofit public benefit corporation (“Abode”), due to, among other things, Abode’s extensive experience in the development of affordable housing, sustained history of leveraging multiple funding sources, excellent references, and distinguished property management team.

H. In conjunction with the RFP, HACR and Abode entered into that certain Exclusive Negotiation Agreement with Predevelopment Loan dated May 1, 2018 (the “ENA”), pursuant to which Abode received a loan in the amount of up to \$450,000 (the “Predevelopment Loan”) to pay the costs of preparing engineering and architecture plans and specifications for the Proposed Project (“Eligible Predevelopment Costs”). The Predevelopment Loan funds were disbursed from the proceeds of the former RDA’s 2006 Series A Taxable Housing Bonds.

I. Subsequent to entry into the ENA, Abode transferred all rights and obligations under the ENA and the Predevelopment Loan to Developer. The terms and conditions of the Predevelopment Loan will be amended and restated in accordance herewith.

J. As a result of negotiations under the ENA, HACR and Developer desire to enter into this Agreement, pursuant to which HACR will convey fee title in the Property to Developer for the development and construction thereon of affordable housing consisting of one hundred and fifty two (152) two-story units consisting of 1-bedroom, 2-bedroom, and 3-bedroom apartment units, with a property management and resident service office, a community room, laundry facilities, parking and common open spaces (collectively, the “Proposed Project”).

K. Forty-nine percent (49%) of the total units in the Proposed Project not identified for occupancy by a property manager shall be restricted to occupancy by Low Income households as set forth herein (collectively, the “Restricted Units”).

L. HACR desires to facilitate the development of the Proposed Project on the Property, which will serve to preserve, protect, improve and increase the affordable housing stock and help eliminate blight within the County of Riverside.

M. Facilitating the development of the Property for affordable multi-family rental housing through the conveyance of the Property will also assist the County and the State of California in achieving its goals of assisting families of low-income, including low-income farmworkers and their families.

N. In furtherance of the housing functions transferred to the HACR pursuant to the Dissolution Law and public purposes set forth in the Housing Authority Law, and in order to facilitate the Proposed Project, HACR desires to convey the Property to Developer for the development and construction thereon of the Proposed Project, as more specifically described herein, and provide for the HACR Loan in connection therewith.

O. The Parties intend, in this DDLA, following and contingent upon Developer obtaining the necessary Project-related financing, discretionary entitlements, permits and full compliance with the California Environmental Quality Act, to provide for HACR’s disposition of the Property to Developer, the provision of the HACR Loan, and Developer’s construction of the Improvements and operation of an affordable housing project on the Property.

NOW, THEREFORE, in consideration of the foregoing, and the promises and mutual covenants and conditions hereinafter set forth, HACR and Developer hereby do agree as follows:

If the Parties are unable to agree on responsibility for mitigation, then Developer shall have the right to terminate this DDLA.

(c) Effective upon Closing, Developer shall indemnify, defend and hold harmless HACR, the County of Riverside, and their respective agencies, districts, special districts and departments, directors, officers, governing Boards, elected and appointed officials, employees, agents and representatives (collectively, the "**HACR Indemnitees**"), by executing and delivering an Environmental Indemnity (**Attachment No. 9**).

(d) On and after the Closing, Developer hereby waives, releases and discharges the HACR Indemnitees, from any and all present and future claims, demands, suits, legal and administrative proceedings, and from all liability for damages, losses, costs, liabilities, fees and expenses (including, without limitation, attorneys' fees) arising out of or in any way connected with HACR's or Developer's use, maintenance, ownership or operation of the Property, any Hazardous Substances on the Property, or the existence of Hazardous Substances contamination in any state on the Property, however the Hazardous Substances came to be placed there, except that arising out of the gross negligence or willful misconduct of HACR, its directors, officers, elected and appointed officials, employees, agents and representatives. Developer acknowledges that it is aware of and familiar with the provisions of § 1542 of the California Civil Code which provides as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

To the extent of the release set forth in this Section 2.11, Developer hereby waives and relinquishes all rights and benefits which it may have under § 1542 of the California Civil Code.

Section 2.13 Property Access Prior to Close of Escrow

Section 2.14 Method of Financing

Development of the Project shall be financed with a combination of sources of financing, as further detailed in the Project Budget and Method of Financing, attached hereto as **Attachment No. 3** and incorporated herein by this reference. Developer shall pay all costs to obtain such financing, develop, construct and operate the Project as required by this DDLA and any Governmental Authority. Within the time period set forth in the Schedule of Performance, Developer shall submit to HACR an updated Project Budget and supporting documentation evidencing the Method of Financing at Construction Closing.

Section 2.15 Representations and Warranties

(a) As an inducement to HACR to enter into this DDLA and consummate the transactions described herein, Developer hereby represents and warrants to HACR, which representations and warranties are true and correct as of the date of this DDLA and any Closing and which shall survive the Close of Escrow:

(1) Developer is duly organized, validly existing and in good standing under the laws of the State of California and has the power and authority to own property and carry on its business as now being conducted and as contemplated hereby. The copies of the documents evidencing the organization of Developer delivered to HACR are true and correct copies of the originals as of the Effective Date and Closing. Developer has the legal power, right and authority to enter into this DDLA and the instruments referenced herein, and to satisfy all obligations of the Developer in this DDLA or in any instrument or document referred to herein (referred to collectively as the “**Developer’s Obligations**”);

(2) This DDLA and all documents required hereby to be executed by Developer are, and shall be, valid, legally binding obligations of and enforceable against Developer in accordance with their terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium laws or similar laws or equitable principles affecting or limiting the rights of contracting parties generally. Upon Closing, Developer will hold fee title to the Property. The parties who have executed this DDLA and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this DDLA are authorized to execute and deliver the same on behalf of Developer and all actions required under Developer’s organizational documents and applicable governing law for the authorization, execution, delivery and performance of this DDLA and all other documents or instruments executed and delivered, or to be executed and delivered pursuant hereto, have been duly taken;

(3) There is no charter, bylaw, or capital stock provision of Developer, and no provision of any indenture, instrument, or agreement, written or oral, to which Developer is a party or which governs the actions of Developer or which is otherwise binding upon Developer

or Developer's property, nor is there any statute, rule or regulation, or any judgment, decree, or order of any court or governmental entity binding on Developer or Developer's property which would be contravened by the execution, delivery or performance of any of Developer's Obligations;

(4) There is no action, suit, or proceeding at law or in equity or by or before any governmental instrumentality or other county now pending, or, to the knowledge of Developer, threatened against or affecting Developer, or any properties or rights or ability of Developer, which, if adversely determined, would materially impair the right of Developer to execute or perform any of the Developer's Obligations, or would materially adversely affect the financial condition of Developer;

(5) Developer does not have any contingent obligations or any contractual agreements which could adversely affect the ability of Developer to carry out its obligations hereunder. Neither the execution and delivery of this DDLA, including any attachments hereto or documents related to this DDLA, nor the incurrence of the Developer's Obligations, nor the consummation of the transactions herein contemplated, nor compliance with the terms of this DDLA and the documents referenced herein conflict with or result in the material breach of any terms, conditions or provisions of, or constitute a default under, any bond, note or other evidence of indebtedness or any contract, indenture, mortgage, deed of trust, loan, partnership agreement, lease or other agreements or instruments to which Developer is a party;

(6) No attachments, execution proceedings, assignments for the benefit of creditors, insolvency, bankruptcy, reorganization or other proceedings are pending or threatened against Developer, nor are any of such proceedings contemplated by Developer;

(7) All reports, documents, instruments, information and forms of evidence delivered to HACR concerning or required by this DDLA are accurate, correct and sufficiently complete to give HACR true and accurate knowledge of their subject matter, and do not contain any misrepresentation or omission; and

(8) No representation, warranty or statement of Developer in this DDLA or any Project Budget submitted to HACR pursuant hereto contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary to make the statements or facts contained therein not misleading. No representation, warranty or statement contained in materials submitted to HACR pursuant hereto, which materials were drafted, generated or authored by a third party will, to Developer's actual knowledge, contain or will contain any untrue statement of a material fact or omit or will omit to state a material fact necessary to make the statements or facts contained therein not misleading

Developer's representations and warranties made in this Section 2.14 shall be continuing and shall be true and correct as of the date of the Close of Escrow with the same force and effect as if remade in a separate certificate at that time. The truth and accuracy of the Developer's representations and warranties made herein shall constitute a condition precedent for the benefit of HACR to the performance of HACR's obligations hereunder.

(a) The party for whose benefit the condition was made shall, subject to applicable notice and cure periods provide in Section 5.1, have the right to terminate this DDLA, the Escrow and the rights and obligations of HACR and Developer hereunder, except as otherwise provided herein; and

ARTICLE 3 DEVELOPMENT OF THE PROPERTY

Section 3.1 Land Use Approvals

It is the responsibility of Developer, without any cost to HACR, to ensure that zoning of the Property and all applicable County and City land use requirements will permit development and construction of the Improvements on the Property and the use, operation and maintenance of such Improvements in accordance with the provisions of this DDLA. Nothing contained herein

shall be deemed to entitle Developer to any City or County permit or other City or County approval necessary for the development of the Project on the Property, or waive any applicable City or County requirements relating thereto. This DDLA does not (a) grant any land use Entitlement to Developer, (b) supersede, nullify or amend any condition which may be imposed by the City or the County in connection with approval of the development described herein, (c) guarantee to Developer or any other party any profits from the development of the Property, or (d) amend any City or County laws, codes or rules. Developer acknowledges that this DDLA does not vest any development rights and that this is not a Development Agreement as provided in Government Code § 65864.

Section 3.2 Compliance with CEQA and Other Laws as Condition Precedent to Closing

Prior to Closing, Developer shall have performed all necessary final actions and obtained the final approvals for the development and construction of the Project on the Property within the time frames set forth herein. Such final actions and approvals may include, but are not limited to the following: (i) completing requisite activities to comply with California Environmental Quality Act (“CEQA”), (ii) all final action and approvals for environmental and land use permits by Governmental Authorities having jurisdiction over the Property, and (iii) resolution or final adjudication of any legal challenges, including such challenges based on CEQA. This DDLA does not restrict the lead agency from considering any feasible mitigation measures and alternatives, including the “no project” alternative and does not bind the lead agency to any definite course of action prior to CEQA compliance.

Developer represents and warrants that after Close of Escrow, the Improvements located thereon, including any portion thereof, shall comply with all applicable Governmental Requirements and all covenants or restrictions of record (“**Applicable Requirements**”). If the Property does not comply with said Applicable Requirements, Partnership Assignee shall promptly rectify the same at Developer’s expense.

Developer represents and warrants that the Project will be developed in full compliance with all applicable CEQA requirements for new construction in the City. The commencement of any development and construction identified herein is contingent upon Developer obtaining all required environmental and land use permits, including CEQA compliance with any applicable public agencies. In the event any action is brought challenging the legality of compliance with CEQA or any other law applicable to the Project, including any actions related to any of the proposed uses of the Property or the DDLA, Developer shall indemnify, defend (with counsel reasonably acceptable to HACR), and hold harmless HACR, its divisions, and departments, their respective directors, officers, elected and appointed officials, employees, agents, and representatives at its sole cost and expense (including but not limited to, reasonable attorney fees, cost of investigation, defense and settlements or awards), for, from and against any and all claims, actions, proceedings, demands, liabilities, costs, expenses, including reasonable attorney’s fees and costs, damages and losses, cause or causes or action and suit or suits (“**Claims**”) arising from or in connection with the failure to comply with such applicable law, or any action to attack, set aside, void, or annul any approvals of City, any Governmental Authority with jurisdiction over the Project or the Property, or HACR, its advisory agencies, or legislative body concerning this DDLA, including CEQA compliance.

Section 3.3 Scope of Development

The Property shall be developed in accordance with and within the limitations established in the Scope of Development attached hereto as **Attachment No. 6** and incorporated herein by reference, and any and all permits issued by the City and other Governmental Authorities. Developer shall be solely responsible to pay all costs to develop and construct the Project on the Property pursuant to this DDLA, any Entitlements, and any requirements of a Governmental Authority. Except as set forth herein, HACR shall not be obligated to provide any funds for the development of the Project, provided, however, HACR acknowledges that Developer intends to request funding from the County of Riverside for development costs of some or all of the Project, though the County of Riverside shall have no obligation to provide such funding.

Section 3.4 Basic Concept, Schematic Drawings and Related Documents

(a) Developer shall prepare and submit to HACR and City for approval and review (including, but not limited to, architectural review) the following documents within the time frame set forth in the Schedule of Performance: (i) schematic drawings and related documents for the development of the Project, and (ii) construction plans for the development of the Project, (collectively called “**Plans**”).

(b) The Project shall be developed as established in the basic concept and schematic drawings and related documents.

(c) Final drawings, Plans, and specifications are hereby defined as those in sufficient detail to obtain a Building Permit (“**Final Plans**”). Final Plans will be delivered to HACR within the time frame set forth in the Schedule of Performance.

Section 3.5 Landscaping and Grading Plans

The landscaping plans for the Project shall be prepared by a professional landscape architect and the grading plans shall be prepared by a licensed civil engineer. Such landscape architect and/or civil engineer may be the same firm as Developer’s architect.

Section 3.6 Architects

Developer shall employ a licensed architect in connection with the design and construction of the Project.

Section 3.7 Cost of Construction

The cost of developing and constructing the Improvements on the Property, including any offsite or onsite improvements required by any Governmental Authority in connection therewith, shall be the responsibility of Developer without any cost to HACR. Developer shall be responsible for paying all Development Costs. If the Construction Lender requires issuance of payment and performance bonds for the Project, Developer shall take commercially reasonable steps to cause HACR to be named as an additional obligee on any such bonds.

Section 3.8 Schedule of Performance

(a) Developer and HACR shall perform all acts respectively required of such party in this DDLA within the times provided in the Schedule of Performance. The Schedule of Performance for the Project is attached hereto as **Attachment No. 4**.

(b) Developer shall begin and complete and/or cause Completion of all construction and development for the Project within the times specified in the Schedule of Performance, with such reasonable extensions of said times as may be granted by HACR as provided herein, subject to Force Majeure.

(c) Each party to this DDLA shall perform the obligations to be performed by such party pursuant to this DDLA within the respective times provided in the Schedule of Performance (**Attachment No. 4**) and if no such time is provided, within a reasonable time. The Schedule of Performance shall be subject to amendment from time to time in writing upon the mutual agreement of HACR and Developer. The Executive Director, on behalf of HACR, and without referring such matter to the Board of Commissioners, may extend all pending deadlines in the Schedule of Performance up to four (4) occasions for a total of no more than twelve (12) months for an individual line item within the Schedule of Performance. The Executive Director, on behalf of HACR, and without referring such matter to the Board of Commissioners, may extend the Outside Closing Date for up to one (1) year; provided, however, that any additional extensions and any extension of an Outside Closing Date past December 31, 2025 shall be subject to review and shall require approval by the Board of Commissioners.

(d) After the Closing, Developer shall promptly begin and thereafter diligently prosecute to Completion or cause diligent Completion of the construction of the Improvements as provided herein and in the Scope of Development.

(e) During periods of construction, Developer shall submit to HACR a written report of the progress of construction when reasonably requested by HACR. The report shall be in such form and detail as may be reasonably required by HACR and shall include a reasonable number of construction photographs (if requested) taken since the last report by Developer.

Section 3.9 Local, State, and Federal Laws

(a) Developer shall carry out development and construction (as defined by applicable law) or cause the development and construction (as defined by applicable law) of the Improvements on the Property, including, without limitation, any and all public works, (as defined by applicable law), if any, in conformity with all applicable Governmental Requirements.

(b) Prevailing wages are required for work done that falls within the definition of “public works” under California Labor Code §1720. “Public works” are defined as “construction, alteration, demolition, installation, or repair work done under contract and paid for in whole or in part out of public funds...” For those projects which are “public works” pursuant to Labor Code § 1720.2, the following applies:

Developer shall require that any contractor performing work on the Improvements, shall comply with prevailing wage requirements and be subject to restrictions and penalties in accordance with §1770 et seq. of the Labor Code, as may be amended from time to time, which

requires prevailing wages be paid to appropriate work classifications in all bid specifications and subcontracts. Developer shall require that the general contractor shall furnish all subcontractors and employees a copy of the Department of Industrial Relations prevailing wage rates which Developer will post at the job site. All prevailing wage rates shall be obtained from:

Department of Industrial Relations, Divisions of Labor Statistics and Research
455 Golden Gate Avenue, 8th Floor
San Francisco, CA 94102

Developer shall require that any contractor performing work on the Improvements shall comply with the payroll record keeping and availability requirement of §1776 of the Labor Code. Developer shall require that each contractor shall make travel and subsistence payments to workers needed for performance of work in accordance with §1773.8 of the Labor Code. Prior to commencement of work, Developer shall require that each contractor shall contact the Division of Apprenticeship Standards and comply with §1777.5, §1777.6 and §1777.7 of the Labor Code and applicable regulations. Developer shall indemnify, hold harmless, and defend and shall be responsible for any fine, penalty or fee levied against the Property arising out of any violations by Developer of this Section. Developer shall comply and stay current with all applicable local, state and federal building codes and laws as from time to time amended, including, but not limited to, the Americans with Disabilities Act requirements. Developer shall cause all improvements to be completed at Developer's cost in a workmanlike manner and in compliance with all applicable law.

(c) Developer shall be responsible for obtaining all Permits and land use approvals required by the City for the construction of the Improvements, ensuring that the use of the Property for the purposes described in this DDLA complies with the zoning and other City land use regulations (including any applicable exemptions and/or exceptions) applicable to the Property at the time of Closing.

(d) Before commencement of demolition, construction or development of any buildings, structures or other work of improvement upon any portion of the Property, Developer shall, at its own expense, secure or cause to be secured, any and all permits which may be required by the City or any other Governmental Authority affected by such construction, development or work.

Section 3.10 Notice of Non-Responsibility

HACR shall, at any and all times during the term of this DDLA, have the right to post and maintain on the Property, and record against the Property, as required by law, any notice or notices of non-responsibility provided for by the mechanics' lien laws of the State of California; provided, however, that Developer shall, on behalf of HACR, post and maintain on the Property, and record against the Property, all notices of non-responsibility provided for by the mechanics' lien laws of the State of California.

Section 3.11 Nondiscrimination During Construction

Developer agrees that during the construction of the Improvements provided for in the DDLA, Developer will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

Section 3.12 Indemnification and Insurance

Developer shall indemnify and hold harmless HACR, its directors, officers, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as “**Indemnitees**”) from any damages, costs or liability whatsoever, based or asserted upon any actions, failure to act, or services of Developer, its officers, employees, subcontractors, agents or representatives, in connection with, arising out of or in any way relating to its ownership of the Property, development of the Property, or any other activity engaged in in furtherance of this DDLA, including but not limited to property damage, bodily injury, or death or any other claim or damage of any kind or nature whatsoever. Developer shall defend the Indemnitees, at its sole expense, including payment of all costs and fees relating to such defense, including, but not limited, to attorneys’ fees, cost of investigation, defense and settlements or awards, in any claim or action based upon such alleged acts or omissions.

With respect to any action or claim subject to indemnification herein by Developer, Developer shall, at its sole cost, have the right to use counsel of its own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of HACR; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Developer’s indemnification obligations to the Indemnitees as set forth herein.

Developer’s obligation hereunder shall be satisfied when Developer has provided to HACR the appropriate form of dismissal relieving HACR and the other Indemnitees from any liability for the action or claim involved.

The specified insurance limits required in this DDLA shall in no way limit or circumscribe Developer’s obligations to indemnify and hold harmless Indemnitees herein from third party claims.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve Developer from indemnifying HACR to the fullest extent allowed by law.

The foregoing indemnity shall continue to remain in effect in the event this DDLA is terminated and after the Completion.

Without limiting or diminishing Developer’s obligation to indemnify or hold HACR and the Indemnitees harmless, the Developer shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages commencing upon Close of Escrow.

a) **Worker’s Compensation Insurance.** Developer shall maintain statutory Workers’ Compensation Insurance (Coverage A) as prescribed by the laws of the State of California.

Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of the HACR, and, if applicable, to provide a Borrowed Servant/Alternate Employer Endorsement.

b) **Commercial General Liability Insurance.** Commercial General Liability insurance coverage, including but not limited to, premises liability, contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of Developer's performance of its obligations hereunder. Developer may hire a general Contractor to comply with Completed Operations line with the Commercial General Liability requirements of this paragraph, provided that HACR is given a copy of such policy demonstrating compliance with this section. Policy shall name the HACR, County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Commissioners, employees, elected or appointed officials, agents or representatives as Additional Insured. Policy's limit of liability shall not be less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this DDLA or be no less than two (2) times the occurrence limit.

c) **Vehicle Liability Insurance.** If vehicles or mobile equipment are used in the performance of the obligations under this DDLA, then Developer shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this DDLA or be no less than two (2) times the occurrence limit. Policy shall name the HACR, County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Commissioners, employees, elected or appointed officials, agents or representatives as Additional Insured or provide similar evidence of coverage approved by County's Risk Manager ("Risk Manager").

d) **Property (Physical Damage).** Developer shall provide a policy of all-risk property insurance coverage for the full replacement value of all Developer's equipment, improvements/alterations, temporary structures, and systems, including without limitation, items owned by others in the Developer's care, custody or control, used on the Property or other HACR-owned property, or used in any way connected with the performance of the work required pursuant to this DDLA.

e) **Builder's All Risk (Course of Construction) Insurance.** Developer shall provide a policy of Builder's All Risk (Course of Construction) insurance coverage including (if the work is located in an earthquake or flood zone or if required on financed or bond financing arrangements) coverage for earthquake and flood, covering the HACR, Developer and every subcontractor, of every tier, for the entire Project, including property to be used in the construction of the work while such property is at off-site storage locations or while in transit or temporary off-site storage. Such policy shall include, but not be limited to, coverage for fire, collapse, debris removal, expediting expense, fire department service charges, valuable papers and records, trees, grass, shrubbery and plants. If scaffolding, falsework and temporary buildings are insured separately by Developer or others, evidence of such separate coverage shall be provided to HACR prior to the start of the work. Such policy shall be written on a completed value form. Such policy shall also provide coverage for temporary structures (on-site offices, etc.), fixtures, machinery and equipment being installed as part of the work. Developer shall be

responsible for any and all deductibles under such policy. Upon request by HACR, Developer shall declare all terms, conditions, coverages and limits of such policy. If the HACR so provides, in its sole discretion, the All Risk (Course of Construction) insurance for the Project, then Developer shall assume the cost of any and all applicable policy deductibles (currently, \$50,000 per occurrence) and shall insure its own machinery, equipment, tools, etc. from any loss of any nature whatsoever.

f) **General Insurance Provisions – All Lines.**

1. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California, or be approved to transact insurance by the California Insurance Commissioner, and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by Risk Manager. If Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2. Developer's insurance carrier(s) must declare its insurance self-insured retentions. If such self-insured retentions exceed \$500,000 per occurrence such retentions shall have the prior written consent of Risk Manager. Upon notification of self-insured retention unacceptable to HACR, and at the election of Risk Manager, Developer's carriers shall either: (a) reduce or eliminate such self-insured retention, or (b) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3. Developer shall cause Developer's insurance carrier(s) to furnish the HACR with copies of the Certificate(s) of Insurance and Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by Risk Manager, provide copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain an endorsement providing thirty (30) days written notice shall be given to the HACR prior to any cancellation of such insurance. Developer shall not continue operations until HACR has been furnished Certificate(s) of Insurance and copies of endorsements and if requested, copies of policies of insurance including all endorsements and any and all other attachments as required herein. An individual authorized by the insurance carrier to do so, on its behalf, shall sign the original endorsements for each policy and the Certificate of Insurance.

4. It is understood and agreed to by the parties hereto that Developer's insurance shall be construed as primary insurance, and HACR's insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5. If, during the term of this DDLA or any extension thereof, there is a material change in the scope of services or there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.), then HACR reserves the right to adjust the types of insurance required under this DDLA and the monetary limits of liability for the insurance coverage's currently required herein, if, in Risk Manager's reasonable judgment, the amount or type of insurance carried by Partnership Assignee has become inadequate.

6. Developer shall pass down the insurance obligations contained herein to all tiers of subcontractors.

Developer agrees to notify HACR of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this DDLA.

Section 3.13 Disclaimer of Responsibility by HACR

HACR neither undertakes nor assumes nor will have any responsibility or duty to Developer or to any third party to review, inspect, supervise, pass judgment upon or inform Developer or any third party of any matter in connection with the development or construction of the Improvements, whether regarding the quality, adequacy or suitability of the plans, any labor, service, equipment or material furnished to the Property, any person furnishing the same, or otherwise. Developer and all third parties shall rely upon its or their own judgment regarding such matters, and any review, inspection, supervision, exercise of judgment or information supplied to Developer or to any third party by HACR in connection with such matter is for the public purpose of redeveloping the Property, and neither Developer (except for the purposes set forth in this DDLA) nor any third party is entitled to rely thereon. HACR shall not be responsible for any of the work of construction, improvement or development of the Property.

Section 3.14 Rights of Access

Commencing upon the Closing and prior to Completion, representatives of HACR shall have the reasonable right of access to the Property, upon 24 hours' written notice to Developer (except in the case of an emergency, in which case HACR shall provide such notice as may be practical under the circumstances), without charges or fees, at normal construction hours during the period of construction for the purposes of this DDLA, including, but not limited to, the inspection of the work being performed in constructing the Improvements. Such representatives of HACR shall be those who are so identified in writing by the Executive Director.

Section 3.15 Taxes, Assessments, Encumbrances and Liens

Commencing upon the Closing, Developer shall pay when due all real estate taxes and assessments assessed and levied on or against the Property or any portion thereof. Developer shall not place, or allow to be placed, against the Property or any portion thereof, any loan, trust deed, encumbrance or lien other than for the Approved Financing or as otherwise authorized by this DDLA. Developer shall remove, or shall have removed, any levy or attachment made on the Property (or any portion thereof), or shall assure the satisfaction thereof within a reasonable time but in any event prior to a sale thereunder. Nothing herein contained shall be deemed to prohibit Developer from contesting the validity or amount of any tax, assessment, encumbrance or lien, or to limit the remedies available to Developer in respect thereto. The covenants of Developer set forth in this Section 3.15 relating to the placement of any unauthorized loan, trust deed, encumbrance or lien, shall remain in effect for the term of this DDLA.

Section 3.16 Prohibition Against Transfer

The qualifications and identity of Developer are of particular concern to HACR. It is because of those qualifications and identity that HACR has entered into this DDLA with Developer. No voluntary or involuntary successor in interest of Developer shall acquire any

rights or powers under this DDLA, nor shall Developer make any total or partial sale, transfer, conveyance, assignment, subdivision, refinancing or lease of the whole or any part of the Property or the Improvements thereon (excepting the rental of Units in conformity with this DDLA) without prior written approval of HACR, except for Permitted Transfers as otherwise allowed under this DDLA, including, without limitation, Section 1.5.

Section 3.17 No Encumbrances Except Approved Financing

(a) Notwithstanding Section 3.16 (Prohibition Against Transfer), upon and after the Closing, Developer shall have the right to encumber the Property with one or more deeds of trust, but only for the purpose of securing a Loan of funds to be used for financing the Development Costs and other expenditures necessary and appropriate to develop the Property which were included in the Project Budget approved by HACR (“**Approved Financing Purposes**”). Prior to Closing, Developer shall submit an updated Project Budget for the Project along with Evidence of Financing for HACR’s approval. Once approved, the financing set forth in the Project Budget shall constitute the “**Approved Financing**” for the Project. Prior to Completion: (1) Developer shall not have any authority to encumber the Property for any purpose other than Approved Financing Purposes; (2) Developer shall obtain the consent of HACR, in writing, in advance of any proposed financing other than financing included in the Approved Financing; and (3) Developer shall not enter into any agreements for non-Approved Financing Purposes requiring a conveyance of security interests in the Property without the prior written approval of HACR.

(b) In any event, Developer shall promptly notify HACR of any security interest created or attached to the Project whether by voluntary act of Developer or otherwise.

(c) The words “security interest” and “deed of trust” as used herein include all other appropriate modes of financing real estate acquisition, construction and land development.

(d) The Executive Director shall have the authority to make reasonable modifications to Sections 3.16 through 3.18 that may be requested by a Lender, provided such modification does not adversely affect the receipt of any material benefit by HACR hereunder. Upon the reasonable request of a Lender, the Executive Director shall execute from time-to-time such reasonable estoppel certificates to the extent they are consistent with the terms of this DDLA.

(e) Notwithstanding the foregoing, Developer shall have a one-time right to refinance the Permanent Loan upon written notice to HACR in accordance with this DDLA if all net proceeds from such refinance are applied against the unpaid balance of the Permanent Loan, loan closing costs, and payment of deferred developer fee, and the debt service arising from such refinance does not materially reduce the residual receipts available for payment on the HACR Loan.

Section 3.18 Lender Not Obligated to Construct Improvements

No lender shall be obligated by the provisions of this DDLA to construct or complete the Improvements or to guarantee such construction or completion. Nothing in this DDLA shall be deemed or construed to permit, or authorize any such lender to devote the Property to any uses, or to construct any improvements thereon, other than those uses or improvements provided for or authorized by this DDLA.

Section 3.19 Notice of Default to Lenders and Tax Credit Investor; Right of Lender and Tax Credit Investor to Cure Defaults

Whenever HACR shall deliver any notice or demand to Developer with respect to any breach or default by Developer hereunder, HACR shall at the same time deliver to each Lender of record and the Tax Credit Investor a copy of such notice or demand. Each such Lender shall (insofar as the rights of HACR are concerned) have the right at its option within ninety (90) days after the receipt of the notice, to cure or remedy, or commence to cure or remedy, any such default and to add the cost thereof to the security interest debt and the lien of its security interest. If such default shall be a default which can only be remedied or cured by such Lender upon obtaining possession of the Property, such Lender shall seek to obtain possession with diligence and continuity through a receiver or otherwise, and shall remedy or cure such default within ninety (90) days after obtaining possession; provided that in the case of a default which cannot with diligence be remedied or cured, or the remedy or cure of which cannot be commenced within such ninety (90) day period, such Lender shall have such additional time as reasonably necessary to remedy or cure such default with diligence and continuity not to exceed one hundred and twenty (120) days. Any Lender who forecloses on its Loan, or is assigned or otherwise succeeds to Developer's rights under this DDLA, shall have the right to undertake or continue the construction or Completion of the Improvements upon execution of a written agreement with HACR by which such Lender expressly assumes Developer's rights and obligations under this DDLA with respect to the Project, approval of which agreement shall not be unreasonably withheld by HACR. The Tax Credit Investor shall have the right to cure a default by Developer, hereunder on the same terms and conditions as Developer.

Section 3.20 Failure of Lender to Complete Improvements

In any case where, one hundred and twenty (120) days after default by Developer to complete the Improvements within the time frame required by the Schedule of Performance, subject to all applicable notice and cure periods and Force Majeure, if the Lender has elected not to complete construction of the Improvements, HACR has the right, but not the obligation, to purchase the deed of trust or other security interest by payment to the holder of the full amount of the unpaid principal debt, plus any accrued and unpaid interest and other charges secured by the loan instrument approved in writing by HACR.

Section 3.21 Right of HACR to Cure Defaults

In the event of a default or breach by Developer, subject to all applicable notice and cure periods, of the documents evidencing or governing a Loan encumbering the Property, HACR may cure the default at any time prior to completion by a Lender of any foreclosure under its deed of trust. In such event, HACR shall be entitled to prompt reimbursement from Developer of all costs and expenses incurred by HACR in curing the default. HACR shall also be entitled to increase the balance due under its Promissory Note to the extent of such costs and disbursements.

Section 3.22 Right of HACR to Satisfy Other Liens on the Property

Prior to Completion and after Developer has had a reasonable time of no less than ninety (90) days to challenge, cure or satisfy any liens or encumbrances on its interest in the Property, HACR shall have the right, but not the obligation, to satisfy any such liens or encumbrances;

provided, however, that nothing in this DDLA shall require Developer to pay or make provisions for the payment of any tax, assessment, lien or charge so long as Developer in good faith contests the validity or amount thereof, and so long as such delay in payment shall not subject the Property to forfeiture or sale. In such event, HACR shall be entitled to prompt reimbursement from Developer of all costs and expenses incurred by HACR in satisfying any such liens or encumbrances. Any such lien shall be subordinate and subject to any Loan encumbering the Property.

ARTICLE 4 USE OF THE PROPERTY

Section 4.1 Uses

(a) Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Property or any part thereof, for the duration of the Affordability Period that Developer, such successors and such assignees shall use the Property only for the development and operation of the Project and related uses specified in the HACR Loan Documents (including, without limitation, the Scope of Development, the Agreement Containing Covenants and all Governmental Approvals). No change in the use of the Property shall be permitted without the prior written approval of HACR.

(b) Notwithstanding the generality of Section 4.1(a), Developer, its successors and assigns, shall use the Property only for the uses permitted in this DDLA, specifically including the following: (i) residential rental use of the Restricted Units affordable to Low Income households, (ii) a community room, (iii) laundry facilities, (iv) property management and resident service office, and (v) parking and common open spaces.

(c) The Project shall remain in compliance with all applicable Governmental Requirements for the duration of the Affordability Period.

(d) Residential Uses. For a period of fifty-five (55) years from the recordation by the City of Coachella of the Certificate of Occupancy for the last building for which construction is completed, Developer hereby covenants and agrees as follows:

(1) All of the Restricted Units shall be continuously occupied or held vacant and made available solely to Low Income Households at an Affordable Rent, in accordance with the Distribution of Affordable Rents attached to Exhibit "C" to the Agreement Containing Covenants and the rent limitations set forth herein and in the Agreement Containing Covenants;

(2) The maximum incomes of all tenants eligible to rent a Restricted Unit shall be determined in accordance herewith;

(3) No officer, employee, agent, official or consultant of Developer may occupy any of the Restricted Units; and

(4) The Restricted Units shall remain continually affordable to Low Income Households, for fifty-five (55) years from the issuance of a Certificate of Occupancy for the Project, pursuant to the Agreement Containing Covenants. The Agreement Containing Covenants shall contain a provision making the covenants and conditions of the agreement

binding upon successors in interest of Developer. The Agreement Containing Covenants shall be recorded in the Official Records. The Agreement Containing Covenants shall be recorded in the grantor-grantee index to the name of the property owner as grantee and to the name of HACR as grantor.

(5) Notwithstanding anything to the contrary herein, the affordability covenants (rent and income restrictions) contained in the Agreement Containing Covenants shall be senior to all security instruments for all loans secured against the Property. Upon the request of any Senior Lender, all other provisions of the Agreement Containing Covenants may be subordinated to the Senior Financing pursuant to a subordination agreement in a form to be approved in the Executive Director's reasonable discretion.

(e) Restricted Units. Developer covenants and agrees that forty-nine percent (49%) of the Units not consisting of Manager Units (seventy three (73) units) shall constitute Units restricted to occupancy by Low Income Households.

Due to the number of units and rounding, it may be that fewer than 49% of Units will constitute Restricted Units. In such event, Developer and HACR agree that they will restrict the maximum number of Units not in excess of 49% as Restricted Units.

(f) Parking. Developer on behalf of itself and its successors, assigns, and each successor in interest to Developer's interest in the Property or any part thereof, hereby covenants and agrees that the Affordable Rent for each of the Restricted Units shall include one non-tandem parking space located on the Parcel on which such Restricted Unit is located at no extra charge to the occupants or tenants.

(g) Non-restricted Units. All Units except the Restricted Units and those reserved as Manager Units shall be available for occupancy and leased exclusively to Moderate Income Households at a rent that complies with HSC § 50053.

Section 4.2 Maintenance of the Property

In addition to the property maintenance requirements set forth in the Agreement Containing Covenants, Developer covenants and agrees that after Close of Escrow but prior to the commencement of construction of the Improvements, Developer shall maintain and secure the applicable Parcel in accordance with reasonable vacant property management practices, and upon and after completion of construction, Developer, its successors and assigns, shall maintain the Property and any improvements thereon and the landscaping thereon in a manner consistent with community standards which will uphold the value of the Property, in accordance with this DDLA, and applicable provisions of the City of Coachella Municipal Code and the County of Riverside Ordinances (the "Codes"), as follows:

(a) Exterior Maintenance. All exterior, painted surfaces of any structures located on the Property shall be maintained at all times in a clean and presentable manner. Any defacing marks shall be cleaned or removed within a reasonable time.

(b) Front and Side Exteriors. Developer shall, at all times, maintain the front exterior and any visible side exteriors and yards, if any, in a clean, safe and presentable manner.

(c) Graffiti Removal. All graffiti, and defacement of any type, including marks, words and pictures, must be removed from the Property and any necessary painting or repair completed within a reasonable time, but in no event more than one (1) week after notice to Developer from HACR.

(d) Landscaping. All landscaping shall be maintained in a manner consistent with the Codes and any rules, regulations and standards adopted pursuant to the Codes.

(e) Maintenance by Developer. Developer shall, at its sole cost and expense, maintain and repair the Property and the Improvements thereon, keeping the same in good condition, subject to wear and tear, and making all repairs as may be required by this DDLA and the Code.

(f) Damage and Destruction Affecting Property -- Duty to Rebuild. If all or any portion of the Property and the Improvements thereon is damaged or destroyed by fire or other casualty, if and to the extent insurance proceeds are available, it shall be the duty of Developer to rebuild, repair or reconstruct the Property in a timely manner to restore it to Code compliance condition or the condition required by the City. Developer shall have no obligation to rebuild, repair or reconstruct the Property in excess of available insurance proceeds.

(g) Variance in Exterior Appearance and Design. If the Property is damaged or destroyed by casualty, Developer may not, without the prior written consent of HACR, reconstruct, rebuild or repair the Property in a manner which will provide substantially different exterior appearance design from that which existed prior to the date of the casualty.

(h) Time Limitation. In the event of damage or destruction due to casualty, to the extent Developer is obligated to rebuild under subsection (f) above, Developer shall be obligated to proceed with all due diligence to commence reconstruction within one (1) year after the damage occurs and to complete reconstruction within a reasonable time after damage occurs, unless prevented by causes beyond the reasonable control of Developer as reasonably determined by HACR.

(i) Inspection. In the event HACR, in the sole discretion of the Executive Director, determines that the Developer has failed to maintain the Property in accordance with the requirements of this Section 4.2, HACR, or its designee, on two (2) weeks' prior written notice of any noted code violations and maintenance deficiencies (collectively, the "Deficiencies"), shall have the right, but not the obligation, to enter the Property, correct any Deficiency, and hold Developer responsible for the cost thereof. Any cost incurred by HACR to cure any such Deficiency, until paid by Developer, shall constitute a lien on the Property pursuant to Civil Code § 2881.

Section 4.3 Monitoring and Monitoring Fee

Developer covenants and agrees to pay the Monitoring Fee on an annual basis in compliance herewith, and to prepare and submit all reports required by the Agreement Containing Covenants no later than April 1 of each year during the Affordability Period, commencing on the first April 1 following the Completion of construction.

Section 4.4 Obligation to Refrain from Discrimination

Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Property or any part thereof or interest therein, there shall be no discrimination against or segregation of any person, or group of persons, on account of sex, sexual orientation, marital status, race, color, creed, religion, ancestry or national origin in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property nor shall Developer, itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees of the Property. All deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

a. In deeds: "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of § 12955 of the Government Code, as those bases are defined in §§ 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of § 12955, and § 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land."

b. In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions: that there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of § 12955 of the Government Code, as those bases are defined in §§ 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of § 12955, and § 12955.2 of the Government Code, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

c. In contracts: "There shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of § 12955 of the Government Code, as those bases are defined in §§ 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of § 12955, and § 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the land, nor shall the transferee himself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of the land."

In addition to the obligations and duties of Developer set forth herein, Developer shall, upon notice from HACR, promptly pay to HACR all fees and costs, including administrative and

attorneys' fees, incurred by HACR in connection with responding to or defending any discrimination claim brought by any third party and/or Governmental Authority, arising out of or in connection with this DDLA, the Agreement Containing Covenants, and the Grant Deed other than discrimination claims arising from the direct or indirect actions or inactions of HACR.

Section 4.5 Effect and Duration of Covenants

The covenants established in this DDLA shall, without regard to technical classification and designation, be binding on Developer and any successor in interest to the Property for the benefit and in favor of HACR, its successors and assigns. The covenants against discrimination shall remain in effect in perpetuity, and the remainder of the covenants shall remain in effect for a period of fifty-five (55) years from the issuance of the Certificate of Occupancy by the City of Coachella for the last building constructed as part of the Project.

Section 4.6 Effect of Violation of the Terms and Provisions of this Agreement

HACR is deemed beneficiary of the terms and provisions of this DDLA and the covenants herein, both for and in its own right and for the purposes of protecting the interests of the community and other parties, public or private, for whose benefit this DDLA and the covenants running with the land have been provided. Subject to the notice and cure provisions of Section 5.1, HACR shall have the right if the covenants contained in this DDLA are breached, to exercise all rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breaches to which it or any other beneficiaries of this DDLA and covenants are entitled.

Section 4.7 Hazardous Substances

At the Close of Escrow, Developer shall execute and deliver to HACR an Environmental Indemnity substantially conforming in form and substance to the Environmental Indemnity attached hereto as **Attachment No. 9**.

ARTICLE 5 DEFAULTS, REMEDIES AND TERMINATION

Section 5.1 Defaults - General

Subject to extensions of time approved in writing by the Parties, failure or delay by either party to timely perform, comply with or observe any of the conditions, provisions, terms, covenants or representations of this DDLA, including any of the Attachments or agreements entered into the form of an Attachment, shall constitute a default under this DDLA. In addition to the foregoing, the following shall constitute a default hereunder:

i. After Construction Closing, and subject to applicable notice and cure periods, the occurrence of any default by Developer under the Construction Contract, Construction Loan Agreement, Permanent Loan, or any other financing secured by an interest in the Property which is not waived by the General Contractor or applicable lender; or

ii. After Construction Closing, a court of competent jurisdiction enters an order enjoining construction of the Improvements, or such a court or an authorized governmental agency orders that leasing of the Project be suspended or halted, or any required approval,

license or permit is withdrawn or suspended, and the order, withdrawal or suspension remains in effect for a period of thirty (30) days; or

iii. After Construction Closing, and subject to applicable notice and cure periods, the occurrence of any material default by the Developer under any architectural contract for the Project, any engineering contract for the Project, or any other contract for or pertaining to the construction of the Improvements; or

iv. After Construction Closing, any surety obligated for the Developer or any Improvements is called upon to perform its obligations; or

v. After Construction Closing, and subject to applicable notice and cure periods, the occurrence of any material default by Developer under (i) any applicable Tax Credit Rules, or rules imposed by any other financing for the Project, or (ii) the Agreement of Limited Partnership or similar or related agreement entered into in connection with the syndication of the Tax Credits after the expiration of all notice and cure periods therein which is not waived by the counter party; or

vi. After Construction Closing, and subject to applicable notice and cure periods, the occurrence of any default by Developer under any of the HACR Loan Documents; or

vii. Developer fails to perform an act by the time set forth therefore in the Schedule of Performance, or, if no time is set forth, within a reasonable time, subject to Force Majeure which qualifies for a delay; or

viii. A petition is filed in bankruptcy, or other bankruptcy or similar proceeding is commenced by or against Developer or any partner of Developer under any applicable bankruptcy, insolvency or similar law now or hereafter in effect which is not released within ninety (90) days; or

ix. After Construction Closing, the failure of Developer to consummate the funding of the Construction Loan, Permanent Loan, or any other financing approved by HACR within the time period required by such financing documents, subject to a Force Majeure which qualifies for a delay; or

x. After Construction Closing, and subject to applicable notice and cure periods, the failure of Developer to receive the installments of capital contributions in accordance with the terms and conditions of the Agreement of Limited Partnership.

As provided hereinbelow, the party who so fails or delays must immediately commence to cure, correct or remedy such failure or delay, and shall complete such cure, correction or remedy with diligence. The injured party shall give written notice of default to the party in default, specifying the default complained of by the injured party. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the date of default.

Except as required to protect against further damages, the injured party may not institute legal proceedings against the party in default until an “**Event of Default**” (as such term is hereinafter defined) has occurred. For purposes of this DDLA, an “Event of Default” for purposes of instituting legal proceedings by a non-defaulting party against the defaulting party shall mean that a default as described above has occurred, and such default has continued uncured for thirty (30) calendar days after notice thereof is mailed, or, if the default cannot

reasonably be cured in thirty (30) calendar days, without the defaulting party commencing to diligently cure for thirty (30) calendar days after notice thereof in writing is mailed by the injured party to the defaulting party; provided, however, that if a different period or notice requirement is specified for any particular default under any other provision of this DDLA, including any of the Attachments, or any agreement referred to herein under which the default has occurred, the specific provision shall control; and provided further, that if such failure is not reasonably capable of being cured within such thirty (30) day or different period, despite the defaulting party's good faith and timely efforts, such time as is reasonably necessary to complete such cure but in no event shall such time exceed ninety (90) calendar days after notice thereof is mailed to the defaulting party.

The occurrence of an "Event of Default" hereunder shall entitle HACR to declare all amounts outstanding under the Predevelopment Note or Promissory Note, as applicable, immediately due and payable and pursue any other remedies permitted by law. Prepayment of the HACR Loan, whether a result of a default or due to another occurrence, shall not result in a termination of the Developer's obligations under the Agreement Containing Covenants.

Any cure of a default hereunder that is made or tendered by Tax Credit Investor shall be accepted or rejected on the same basis as if made by the Developer.

Section 5.2 Termination

(a) Termination by Developer Prior to the Closing

In the event that Developer fails, after diligent best efforts but prior to the Outside Closing Date, to obtain Entitlements necessary for the development of the Property, or to secure financing necessary to construct the Improvements on the Property and operate the Project thereon, then this DDLA may, at the option of the Developer, be terminated by written notice thereof to HACR. In the event of the Developer's exercise of such termination, the right of termination provided in this Section shall be Developer's sole and exclusive remedy.

(b) No Limitation

The foregoing right to terminate shall not in any way limit Developer or HACR's right to terminate this DDLA in an Event of Default.

(c) Automatic Termination

This DDLA shall automatically terminate upon the Outside Closing Date in the event the Closing has not occurred by such date, unless such Outside Closing Date has been extended in accordance with the terms of this DDLA.

(d) Survival of Terms After Termination

Except as otherwise expressly provided herein, following any termination, neither HACR nor the Developer shall have any further rights against or liability to the other under this DDLA or otherwise with respect to the subject matter of this DDLA. Developer's indemnification obligations under this DDLA shall remain in force following such termination with respect to any Losses and Liabilities that arose or were incurred prior the date of termination.

Section 5.3 Remedies of the Parties for Default

(a) Acceleration of Predevelopment Loan or HACR Loan

Upon the occurrence of an Event of Default, at the option of HACR and in addition to any other remedies available to HACR at law or in equity, and subject to any applicable terms of any subordination agreement to which HACR is a party, HACR may declare all amounts outstanding under the Predevelopment Note or Promissory Note, as applicable, immediately due and payable. For purposes of this DDLA, repayment of any or all amounts outstanding under the Predevelopment Note or Promissory Note, as applicable, shall not constitute a cure for any default hereunder other than a default resulting from a failure to pay any sums when due under the Predevelopment Note or Promissory Note, as applicable. The covenants set forth in the Agreement Containing Covenants shall remain in effect throughout the Affordability Period and survive any termination of this DDLA or payment or prepayment of the HACR Loan prior to the expiration of the Affordability Period.

(b) Survival

Developer's indemnification obligations under this DDLA shall survive any termination of this DDLA and/or any repayment of the Predevelopment Loan or HACR Loan, as applicable, for any Losses and Liabilities that arose or were incurred prior to the date of termination or repayment, as applicable.

(c) Limitation on Liability

Notwithstanding anything to the contrary contained herein, neither Developer nor HACR shall in any event be entitled to, and each hereby waives, any right to seek loss of profits, or any special, incidental or consequential damages of any kind or nature, however caused, from the other Party arising out of or in connection with this DDLA, even if the other Party has been advised of the possibility of the damages, and in connection with such waiver each Party is familiar with and hereby waives the provision of § 1542 of the California Civil Code which provides as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

(d) Inaction Not a Waiver of Default

Any failures or delays by either party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

Section 5.4 Attorneys' Fees

In any action between the Parties to interpret, enforce, reform, modify, rescind or otherwise in connection with any of the terms or provisions of this DDLA, the prevailing Party in the action or other proceeding shall be entitled, in addition to damages, injunctive relief or any

other relief to which it might be entitled under this DDLA, reasonable costs and expenses including, without limitation, litigation costs, expert witness fees and reasonable attorneys' fees.

(a) As used herein, the terms "attorneys' fees" or "attorneys' fees and costs" means the fees and expenses of counsel to the Parties hereto (including, without limitation, in-house or other counsel employed by HACR or Developer) which may include printing, duplicating and other expenses, air freight charges, and fees billed for law clerks, paralegals and others not admitted to the bar but performing services under the supervision of an attorney and fees and costs for expert witnesses. The terms "attorneys' fees" or "attorneys' fees and costs" shall also include, without limitation, all such fees and expenses incurred with respect to appeals, arbitrations and bankruptcy proceedings, and whether or not any action or proceeding is brought with respect to the matter for which said fees and expenses were incurred.

Section 5.5 Institution of Legal Actions

Section 6.3 Nonliability of HACR Officials and Employees

Section 6.9 Construction and Interpretation of Agreement

(a) The language in all parts of this DDLA shall in all cases be construed simply, as a whole and in accordance with its fair meaning and not strictly for or against any party. The Parties hereto acknowledge and agree that this DDLA has been prepared jointly by the Parties and has been the subject of arm's length and careful negotiation over a considerable period of time, that each party has been given the opportunity to independently review this DDLA with legal counsel, and that each party has the requisite experience and sophistication to understand, interpret, and agree to the particular language of the provisions hereof. Accordingly, in the event of an ambiguity in or dispute regarding the interpretation of this DDLA, this DDLA shall not be interpreted or construed against the party preparing it, and instead other rules of interpretation and construction shall be utilized.

(b) If any term or provision of this DDLA, the deletion of which would not adversely affect the receipt of any material benefit by any party hereunder, shall be held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this DDLA shall not be affected thereby and each other term and provision of this DDLA shall be valid and enforceable to the fullest extent permitted by law. It is the intention of the Parties hereto that in lieu of each clause or provision of this DDLA that is illegal, invalid, or unenforceable, there be added as a part of this DDLA an enforceable clause or provision as similar in terms to such illegal, invalid, or unenforceable clause or provision as may be possible.

(c) The captions of the articles, sections, and subsections herein are inserted solely for convenience and under no circumstances are they or any of them to be treated or construed as part of this instrument.

Section 6.10 Time of Essence

Time is of the essence with respect to the performance of each of the covenants and agreements contained in this DDLA.

Section 6.11 No Partnership

Nothing contained in this DDLA shall be deemed or construed to create a lending partnership, other partnership, joint venture, or any other relationship between the Parties hereto other than purchaser and seller and lender and borrower according to the provisions contained herein, or cause HACR to be responsible in any way for the debts or obligations of Developer, or any other party.

Section 6.12 Compliance with Law

Developer agrees to comply with all the Governmental Requirements now in force, or which may hereafter be in force, of all Governmental Authorities, pertaining to the Property, and the Improvements, as well as operations conducted thereon. The judgment of any court of competent jurisdiction, or the admission of Developer or any lessee, tenant or permittee in any action or proceeding against them, or any of them, whether HACR be a party thereto or not, that Developer, tenant, lessee or permittee has violated any such ordinance or statute in the use of the premises shall be conclusive of that fact as between HACR and Developer.

ARTICLE 7 ENTIRE AGREEMENT, WAIVERS AND AMENDMENTS

(a) This DDLA shall be executed in three duplicate originals each of which is deemed to be an original. This DDLA, including all attachments hereto and exhibits appended to such attachments shall constitute the entire understanding and agreement of the Parties.

(b) This DDLA integrates all of the terms and conditions mentioned herein or incidental hereto, and supersedes all negotiations or previous agreements between the Parties with respect to all or any part of the Property.

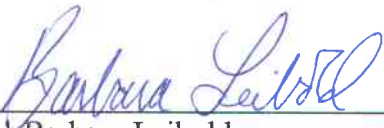

(c) All waivers of the provisions of this DDLA must be in writing and signed by the appropriate authorities of HACR or Developer, and all amendments hereto must be in writing and signed by the appropriate authorities of HACR and Developer. This DDLA and any provisions hereof may be amended by mutual written agreement by Developer and HACR.

METHOD OF FINANCING

This is the Method of Financing attached to the Disposition, Development and Loan Agreement (“**DDLA**”) between the Housing Authority of the County of Riverside, a public body corporate and politic (“**HACR**”), and Villa Verde I, L.P., a California limited partnership (“**Developer**”), pertaining to the conveyance of certain real property located in the City of Coachella (“**Property**”) from HACR to Developer for the development thereon of not less than one hundred fifty two (152) units in a multifamily rental housing project, of which forty nine percent (49%) of those not reserved for occupancy by a property manager shall be rented to and occupied by Low Income Households. The Proposed Project shall consist of 1-bedroom, 2-bedroom, and 3-bedroom apartment units, with property management and resident service offices, a community room, laundry facilities, parking and common open spaces (collectively, in such form as is ultimately approved by the City of Coachella, the “**Project**”). Any capitalized term not otherwise defined herein shall have the meaning ascribed to such term in the DDLA.

The Project will be financed by a combination of tax credits, government financing, bank financing, grants and contributions as set forth in the Project Budget (collectively, the “**Sources of Financing**”). The Sources of Financing shall be used to pay all Development Costs and shall be sufficient to provide that the operation of the Project during the Affordability Period is financially feasible.

1. **Purchase Price.** The Property will be conveyed by HACR to Developer at Closing. The Purchase Price shall be the fair market value as established by an appraisal dated within twelve (12) months of the Effective Date. If the Closing does not occur within two (2) years of the Effective Date, HACR shall have the right, but not the obligation, to require a new appraisal of the Property. If the new appraisal demonstrates that the fair market value of the Property is greater than five percent (5%) higher or lower than the value on or around the Effective Date, then the Purchase Price shall become, from that date forward, the appraised value set forth in the new appraisal. The Purchase Price shall be financed through a Seller Loan from HACR to Developer. All appraisals shall be prepared by a qualified licensed appraiser approved by HACR in its reasonable discretion.

2. **Sources of Financing.** The Parties anticipate that the Development Costs shall be financed with a combination of sources of financing as set forth in the Project Budget. Prior to the Close of Escrow, HACR shall have the right to approve, which approval shall not be unreasonably withheld, conditioned or delayed, the sources of financing, including, without limitation, the Senior Financing. The Seller Loan and the repayment of the Predevelopment Loan at Closing (collectively, the “**HACR Loan**”) shall be evidenced and secured by a Promissory Note and Deed of Trust in substantially the forms attached to the DDLA, with such revisions as are necessary in connection with the Closing.

3. **Project Budget**

- a. The Parties anticipate that all Development Costs and operations shall be set forth in the updated Project Budget submitted by Developer to HACR in connection with Construction Closing. Prior to the Closing, HACR shall have the right to approve, which approval shall not be unreasonably withheld, conditioned or delayed, an updated Project Budget, which Project Budget shall be in the form attached hereto as Attachment No. 7. The Project Budget shall demonstrate that the development and operation of the Project are financially feasible.
- b. The Development Costs in the Project Budget approved by HACR prior to Closing shall not be subject to change except upon the approval of HACR; provided, however, the use of any funds from a contingency line item in the Project Budget shall not require the approval of HACR.

4. **No Subordination of Affordability Covenants.** Notwithstanding anything to the contrary herein or in the DDLA, the affordability covenants (rent and income restrictions) contained in the Agreement Containing Covenants (Attachment No. 11 the DDLA) shall be senior to all security instruments for all loans secured against the Property. Upon the request of any Senior Lender, all other provisions of the Agreement Containing Covenants may be subordinated to the Senior Financing pursuant to a subordination agreement in a form to be approved in the Executive Director's reasonable discretion.

5. **Evidence of Financing and Marketing Plan.**

- a. **Construction Financing.** The sum of the Construction/Permanent Loans shall be sufficient at all times to pay all Development Costs and operate the Project as set forth in the HACR approved Project Budget. To the extent that the sum of the Construction/Permanent Loans is insufficient to pay all Development Costs and operate the Project, Developer shall submit evidence acceptable to HACR that additional funds will be available as and when required to fully pay for all Development Costs and operations for the Project.
- b. **Marketing Plan.** Developer shall prepare and submit to HACR for review a marketing plan containing the overall plan for marketing of the Restricted Units, indicating the start and duration of the marketing period, methods of dissemination of information to the public, selection criteria, etc. HACR shall not unreasonably withhold its approval of the Marketing Plan.

6. **Initial Operating Budget.** Developer shall prepare an initial annual budget for the operation of the Project, as well as a projected cash flow for at least fifteen (15) years, to be included in the Project Budget (together, the "**Initial Operating Budget**"). If Developer determines that the Initial Operating Budget needs to be amended upon conversion to permanent financing for reasons that were not reasonably foreseeable when the Initial Operating Budget

was prepared, Developer shall submit an amended annual Operating Budget to HACR in a Project Budget updated as of conversion to permanent financing, which shall be the same Operating Budget provided to the permanent lender(s) at conversion to permanent financing. The amended annual Operating Budget shall be for HACR's reference but shall not require HACR's approval.

Wire Fraud Alert

This Notice is not intended to provide legal or professional advice. If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. **DO NOT** use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the phone number of relevant parties to the transaction as soon as an escrow account is opened.** **DO NOT** send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do **NOT** reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

Section 2. COVENANTS AND INDEMNITY

The following covenants and indemnities are hereby given and made by Indemnitor:

2.1 Covenants.

(a) Indemnitor covenants that it shall comply with any and all laws, regulations, and/or orders which may be promulgated, from time to time, with respect to the discharge and/or removal of Hazardous Materials, to pay immediately when due the costs of the removal of, or any other action required by law with respect to, any such Hazardous Materials, and to keep the Property free of any lien imposed pursuant to any such laws, regulations, or orders.

(b) Indemnitor covenants that the Property will not, while Indemnitor is the owner thereof, be used for any activities involving, directly or indirectly, the use, generation, treatment, storage, release, or disposal of any Hazardous Materials, except for de minimis quantities used at the Property in compliance with all applicable environmental laws and required in connection with the development of the Property in conformance with the HACR Loan Documents.

(c) Indemnitor further agrees that Indemnitor shall not release or dispose of any Hazardous Materials at the Property without the express written approval of HACR and that any such release or disposal shall be effected in strict compliance with all applicable laws and all conditions, if any, established by HACR.

(d) HACR shall have the right, at any time, to conduct an environmental audit of the Property at HACR’s expense, unless Hazardous Materials are found in violation of this Indemnity, then at Indemnitor’s sole cost and expense, and Indemnitor shall cooperate in the conduct of any such environmental audit but in no event shall such audit be conducted unless HACR believes that such audit is warranted. Other than in an emergency, such audit shall be conducted only after prior notice has been given to Indemnitor and only in the presence of a representative of Indemnitor. Indemnitor shall give HACR and its agents and employees access to the Property to remove, or otherwise to mitigate against the effects of, Hazardous Materials.

(e) Indemnitor shall not install, or permit to be installed, on the Property friable asbestos or any substance containing asbestos and deemed hazardous by federal or state regulations respecting such material, and, with respect to any such material currently present in the Property, Indemnitor shall promptly either (i) remove or cause to be removed any material

that such regulations deem hazardous and require to be removed, or (ii) otherwise comply with such federal and state regulations, at Indemnitor's sole cost and expense. If Indemnitor shall fail to so do within the cure period permitted under applicable law, regulation, or order, HACR may do whatever is necessary to eliminate said substances from the premises or to otherwise comply with the applicable law, regulation, or order, and the costs thereof shall be added to the Obligations (as hereinafter defined) of Indemnitor under this Section 2.

(f) Indemnitor shall immediately advise HACR in writing of any of the following: (i) any pending or threatened environmental claim against Indemnitor or the Property, (ii) any condition or occurrence on the Property that (A) results in noncompliance by Indemnitor with any applicable environmental law, (B) could reasonably be anticipated to cause the Property to be subject to any restrictions on the ownership, occupancy, use or transferability of the Property under any environmental law, or (C) could reasonably be anticipated to form the basis of an environmental claim against the Property or Indemnitor.

2.2 Indemnity. Indemnitor shall indemnify, protect, and hold HACR and its directors, officers, employees, and agents (the "Indemnified Parties") harmless from and against any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, proceedings, costs, disbursements, or expenses (including, without limitation, attorneys' and experts' fees and disbursements) of any kind or of any nature whatsoever (collectively, the "Obligations") which may at any time be imposed upon, incurred by or asserted or awarded against HACR and arising in connection with, from or out of:

- (a) The presence of any Hazardous Materials on, in, under, or affecting all or any portion of the Property, which were stored, discharged, released or emitted after the Close of Escrow conveying the Property from HACR to Indemnitor;
- (b) The breach of any covenant made by Indemnitor in Section 2.1 hereof; or
- (c) The enforcement by HACR of any of the provisions of this Section 2.2 or the assertion by Indemnitor of any defense to its obligations hereunder.

Notwithstanding the foregoing, Indemnitor's liability under this Section 2.2 shall not extend to any Hazardous Substance present or released in, on, or around any part of the Property, or in the soil, groundwater, or soil vapor or under the Property that existing on the Property prior to the Close of Escrow or that first arise, commence or occur after the actual dispossession of the Property from Indemnitor and all entities which control, are controlled by, or are under common control with Indemnitor, following foreclosure or acquisition of the Property by a deed in lieu of foreclosure.

Section 3. INDEMNITOR'S UNCONDITIONAL OBLIGATIONS

3.1 Unconditional Obligations. Indemnitor hereby agrees that the Obligations will be paid and performed strictly in accordance with the terms of this Indemnity, regardless of any law, regulation, or order now or hereafter in effect in any jurisdiction affecting the HACR Loan

Documents or affecting any of the rights of HACR with respect thereto. The obligations of Indemnitor hereunder shall be absolute and unconditional irrespective of:

- (a) The validity, regularity, or enforceability of the DDLA or any other instrument or document executed or delivered in connection therewith;
- (b) Any alteration, amendment, modification, release, termination, or cancellation of the HACR Loan Documents, or any change in the time, manner, or place of payment or performance of, or in any other term in respect of, all or any of the obligations of Indemnitor contained in any of the HACR Loan Documents;
- (c) Any exculpatory provision in any of the HACR Loan Documents or any document delivered in connection therewith limiting HACR's recourse to property encumbered by the deed of trust securing Indemnitor's obligations under the HACR Loan Documents, or to any other security, or limiting HACR's rights to a deficiency judgment against Indemnitor;
- (d) The insolvency or bankruptcy of Indemnitor; or
- (e) Any other circumstance that might otherwise constitute a defense available to, or a discharge of, Indemnitor with respect to any or all of the Obligations.

3.2 Continuation. The Indemnity provided under § 2.2 (a) is a continuing indemnity and shall remain in full force and effect until the satisfaction in full of all of the Obligations (notwithstanding the release or other extinguishment of the deed of trust securing Indemnitor's obligations under the HACR Loan Documents); and (b) shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded or must otherwise be returned by the HACR upon the insolvency, bankruptcy, or reorganization of Indemnitor, all as though such payment had not been made.

3.3 Termination. Notwithstanding the payment (and performance) in full of all of the Obligations and the payment (or performance) in full of all of Indemnitor's obligations under the HACR Loan Documents, this Indemnity shall not terminate if any of the following shall have occurred:

- (a) HACR has at any time or in any manner participated in the management or control of, taken possession of (whether personally, by agent or by appointment of a receiver), or taken title to the Property or any portion thereof, whether by foreclosure, deed in lieu of foreclosure, sale under power of sale or otherwise; or
- (b) There has been a change, between the date hereof and the date on which all of the Obligations are paid and performed in full, in any Hazardous Materials laws, the effect of which may be to make a lender or mortgagee liable in respect of any of the Obligations, notwithstanding the fact that no event, circumstance, or condition of the nature described in paragraph (a) above ever occurred.

Section 4. WAIVER

Indemnitor hereby waives the following:

- (a) Promptness and diligence;
- (b) Notice of acceptance and notice of the incurrence of any obligation by Indemnitor;
- (c) Notice of any action taken by HACR, Developer, or any other interested party under the DDLA or under any other agreement or instrument relating thereto;
- (d) All other notices, demands, and protests, and all other formalities of every kind, in connection with the enforcement of the Obligations, the omission of or delay in which, but for the provisions of this Section 4, might constitute grounds for relieving Indemnitor of its Obligations hereunder;
- (e) Any requirement that HACR protect, secure, perfect, or insure any security interest or lien in or on any property subject thereto,
- (f) Any requirement that HACR exhaust any right or take any action against Borrower or any other person or collateral;
- (g) Any defense that may arise by reason of:
 - (1) The incapacity, lack of authority, death or disability of, or revocation hereof by, any person or persons;
 - (2) The failure of HACR to file or enforce any claim against the estate (in probate, bankruptcy, or any other proceedings) of any person or persons; or
 - (3) Any defense based upon an election of remedies by HACR, including, without limitation, an election to proceed by non-judicial foreclosure or which destroys or otherwise impairs the subrogation rights of HACR or any other right of HACR to proceed against Indemnitor.

Section 5. NOTICES

6.1 Indemnitor shall make any payment required to be made hereunder in lawful money of the United States of America, and in same day funds, to HACR at its address specified in the first paragraph hereof.

6.2 No amendment of any provision of this Indemnity shall be effective unless it is in writing and signed by Indemnitor and HACR, and no waiver of any provision of this Indemnity, and no consent to any departure by Indemnitor from any provision of this Indemnity, shall be effective unless it is in writing and signed by HACR, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

None of the rights or obligations of Indemnitor hereunder may be assigned or otherwise transferred without the prior written consent of HACR, except as provided in the HACR Loan Documents.

6.6 Indemnitor hereby (a) irrevocably submits to the jurisdiction of the Superior Court of Riverside County in any action or proceeding arising out of or relating to this Indemnity, (b) waives any defense based on doctrines of venue or forum non convenient or similar rules or doctrines, and (c) irrevocably agrees that all claims in respect of any such action or proceeding may be heard and determined in such California or federal court. Indemnitor irrevocably consents to the service of any and all process which may be required or permitted in any such action or proceeding to the address specified in the first paragraph of this Indemnity, above. AGREEMENT CONTAINING COVENANTS
(INCLUDING RENTAL RESTRICTIONS)

THIS AGREEMENT CONTAINING COVENANTS (INCLUDING RENTAL RESTRICTIONS) (this "Covenant Agreement" or "Agreement") is entered into as of _____, 20__, by and between the HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE, a public body, corporate and politic (herein referred to as "HACR"), as successor-in-interest to the former Coachella Redevelopment Agency, a public body, corporate and politic ("Former Agency") and VILLA VERDE I L.P., a California limited partnership (herein referred to as "Developer"). HACR and Developer are individually referred to herein as a "Party" and collectively as "Parties."

RECITALS

A. HACR was established by action of the Board of Supervisors of the County of Riverside on November 23, 1942, pursuant to the California Housing Authorities Law (Health and Safety Code §§ 34200, et seq., the "Housing Authority Law"), and constitutes a corporate and politic public body, exercising public and essential governmental functions, and having all the powers necessary or convenient to carry out the purposes and provisions of the Housing Authority Law.

B. California redevelopment agencies were dissolved on February 1, 2012 such that the Redevelopment Agency of the City of Coachella ("Former Agency") is now deemed a former redevelopment agency under Health and Safety Code section 34173 and AB x1 26, as modified by Assembly Bill No. 1484 (as modified to date, the "Dissolution Law"), which added Parts 1.8 and 1.85 to Division 24 of the California Community Redevelopment Law (Health and Safety Code sections 33000 et seq., the "CRL").

C. Pursuant to CRL § 34176, on January 25, 2012, the City of Coachella adopted Resolution No. 2012-10 electing not to retain responsibility for the housing assets and functions of the Former Agency, thus declining to become the “housing successor” to the Former Agency.

D. Pursuant to CRL § 34176, on June 4, 2013, the HACR Board of Commissioners approved that certain Memorandum of Understanding accepting the transfer of housing assets and functions previously performed by the Former Agency, including related rights, powers, duties, obligations, and housing assets (excluding unencumbered amounts in the Low and Moderate Income Housing Fund and enforceable obligations retained by the non-housing successor agency under the Dissolution Law) (the “Asset Transfer”), making HACR the “Housing Successor” to the Former Agency under the Dissolution Law.

E. The Asset Transfer included, among other things, the transfer of a fee interest in that certain real property consisting of approximately 9.44 acres of land located at 84679 and 84824 Calle Verde, in the City of Coachella, County of Riverside, State of California, 92236, currently identified with Assessor’s Parcel Numbers 768-350-002 and 768-400-001, as further described in the Legal Description attached hereto as Exhibit A, incorporated herein by this reference (the “Property”).

F. In furtherance of the affordable housing goals and objectives of the HACR, HACR and Developer entered into that certain Disposition, Development and Loan Agreement (“DDLA”) dated January 12, 2021, relating to, among other things, the sale of the Property by HACR to Developer, and Developer’s construction and development thereon of one hundred fifty two (152) two-story apartment units consisting of 1-bedroom, 2-bedroom and 3-bedroom units, forty nine percent (49%) of which not reserved for occupancy by property managers shall be affordable to Low Income Households, with a property management and resident service office, community room, laundry facilities, common open spaces, and parking (collectively, the “Improvements”) as more specifically described in the DDLA (“Project”). The term “DDLA” as used herein shall mean, refer to and include the DDLA, as well as any riders, exhibits, addenda, implementation agreements, modifications, amendments and attachments thereto (which are hereby incorporated herein by this reference) or other documents expressly incorporated by reference in the DDLA. Any capitalized term not otherwise defined herein shall have the meaning ascribed to such term in the DDLA.

G. Pursuant to the DDLA, upon approval of the Project by the City of Coachella and all other governmental authorities having jurisdiction over the Property, and the closing of financing for the development, construction and operation of the Project (“Construction Closing”), HACR shall convey fee title to the Property to Developer. It is a condition of the DDLA that this Agreement be entered into by the parties hereto and recorded against the Property in the official records of the County of Riverside concurrently with Construction Closing.

H. In accordance with the DDLA, and in furtherance of the housing functions transferred to HACR pursuant to the Dissolution Law, the Developer is required to restrict the use and occupancy of forty-nine percent (49%) of the units not reserved for occupancy by staff in the Project (collectively, the “Restricted Units”) to occupancy by Low Income Households at an Affordable Rent for a period of fifty-five (55) years from the date of issuance of a Certificate of Occupancy for the last building within the Project.

I. Concurrently herewith, HACR is making a loan to Developer in the amount of \$ _____ (the "HACR Loan") for the purchase of the Property and repayment of a Predevelopment Loan provided by HACR to Developer to fund certain predevelopment costs for the Project. The Property was initially purchased by the Former Agency as HACR's predecessor-in-interest with 2006 Series A Taxable Housing Bond proceeds deposited into the Low and Moderate Income Housing Fund (LMIHF). The Predevelopment Loan was funded from the same funds. The covenants and restrictions set forth herein are given in consideration of the HACR Loan and the conditions imposed upon the use of LMIHF monies by applicable law.

J. HACR has agreed to provide the HACR Loan to Developer on the condition that the Project be maintained and operated in accordance with CRL Sections 33334.2 et seq., and in accordance with additional restrictions concerning affordability, operation, and maintenance of the Project, as specified in this Covenant Agreement.

K. In consideration of receipt of title to the Property, the HACR Loan, deferred repayment terms and below market rate interest, the Developer has agreed to observe the terms and conditions set forth herein.

L. To ensure that the Property will be used and operated in accordance with all applicable conditions and restrictions, HACR and Developer wish to enter into this Covenant Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Developer, on behalf of itself and its successors, assigns, and each successor in interest to the Property or any part thereof, and HACR agree as follows:

I. Restrictions.

a. Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Property or any part thereof, that Developer, such successors and such assignees shall use the Property only for the uses specified in the DDLA and this Covenant Agreement. No change in the use of the Property shall be permitted without the prior written approval of HACR. The Improvements shall comply with all applicable requirements of the California Building Code, including, without limitation, all applicable sections regarding comprehensive accessibility and adaptability requirements for multifamily new construction development.

b. Without limiting the generality of the foregoing, Developer shall use the Property for the development, construction and operation thereon of the Project, consisting of one hundred fifty two (152) multi-family affordable rental units, seventy three (73) of which shall constitute the Restricted Units hereunder. The Restricted Units shall be made available solely to and occupied by Low Income Households at an Affordable Rent. The required distribution of the

Restricted Units by type is set forth in Exhibit C attached hereto and incorporated herein by this reference.

c. The maximum incomes of Low Income residential tenants eligible to rent the Restricted Units shall be determined on the basis of the area median income for the County of Riverside Standard Metropolitan Area as determined by the U.S. Department of Housing and Urban Development and published approximately annually by the California Department of Housing and Community Development ("Area Median Income").

d. For purposes of this Agreement, the term "Low Income" shall mean a household gross income that does not exceed sixty percent (60%) of Area Median Income, adjusted for family size. For purposes of this definition, "adjusted for family size" means the actual number of persons in the applicable household.

e. The maximum monthly Affordable Rent for a Low Income household, including a reasonable utility allowance for utilities and services (excluding telephone), that may be charged to tenants of the Restricted Units, shall not exceed one-twelfth (1/12) times the product of thirty percent (30%) times sixty percent (60%) of the Area Median Income, adjusted for family size appropriate for the Restricted Unit.

f. For purposes of this Agreement, the phrase, "adjusted for family size appropriate for the Restricted Unit" shall mean the number of bedrooms in the Unit plus one; or, if permitted in accordance with the CRL, the number of bedrooms in the Unit multiplied by 1.5.

g. HACR, and its successors and assigns, shall have the right, but not the obligation, to monitor and enforce the covenants contained in this section 1.

h. To the extent permitted by law, Section 42 of the Internal Revenue Code shall govern in the event of increases in tenant incomes: (a) a tenant who initially qualified as a Low Income household, but who, due to an increase in income, no longer qualifies as a Low Income household but whose household income does not exceed 80% of Area Median Income, shall pay as rent in an amount not to exceed one twelfth (1/12th) of the product of 30% of 70% of Area Median Income; and (b) if a household's income increases to above 80% of Area Median Income, the household may be required to pay the greater of one twelfth (1/12th) of the product of 30% of the family's gross income pay or the market rate rent for the unit, to the extent permitted by applicable law.

i. Except for a resident manager, no officer, employee, agent, official or consultant of Developer may occupy any of the units.

j. Units in the Project that are not Restricted Units shall be occupied by households whose Gross Income does not exceed that permitted for a Moderate Income household at a monthly rent not to exceed one-twelfth (1/12) times the product of thirty percent (30%) times one hundred ten percent (110%) of the Area Median Income, or such greater amount permitted in accordance with CRL Section 50053(b)(4), adjusted for family size appropriate for the unit. For purposes hereof, the term "Moderate Income" shall mean a household income that does not exceed the requirements of CRL §50093, adjusted for family size. Prior to leasing a Unit and annually thereafter, Developer, at its sole expense, shall cause the Property Manager to certify the eligibility

of the Moderate Income household tenants consistent with the income certification procedures for Restricted Units set forth in Section 19.d.

k. Failure to comply with the affordability requirements of this Agreement is an event of default under the terms of the DDLA.

l. Except for the non-discrimination provisions set forth below, which shall remain in effect in perpetuity, this Agreement and the use and occupancy restrictions set forth herein shall remain in effect for a period of fifty-five (55) years from the issuance of a Certificate of Occupancy for the last building built in the Project (“Term” or “Affordability Period”).

m. Developer, and its successors and assigns, shall comply with the terms of this Agreement, the DDLA and related Agreements to the extent applicable to the Project and any other instrument secured by the Property.

n. Notwithstanding anything to the contrary contained herein, if the Project qualifies for low income housing tax credits, Developer shall at all times comply with the rent restrictions and affordability requirements set forth in Section 42 of the Internal Revenue Code of 1986, as amended and any statutes, regulations of TCAC. In the event of a conflict between the two, Developer shall comply with the most restrictive covenant.

2. Maintenance of the Property. Developer, on behalf of itself and its successors, assigns, and each successor in interest to the Property and Project or any part thereof, hereby covenants to and shall protect, maintain, and preserve the Property in compliance with all applicable federal and state law and regulations and local ordinances. In addition, Developer, its successors and assigns, shall maintain the improvements on the Property in the same aesthetic and sound condition (or better) as the condition of the Property at the time of the issuance of a Certificate of Occupancy for the Project, reasonable wear and tear excepted. This standard for the quality of maintenance of the Property shall be met whether or not a specific item of maintenance is listed below. However, representative items of maintenance shall include frequent and regular inspection for graffiti or damage or deterioration or failure, and, within a reasonable period of time, repainting or repair or replacement of all surfaces, fencing, walls, equipment, etc., as necessary; emptying of trash receptacles and removal of litter; on-site walks and paved areas and washing-down as necessary to maintain clean surfaces; maintenance of all landscaping in a healthy and attractive condition, including trimming, fertilizing and replacing vegetation as reasonably necessary; cleaning windows on a regular basis; painting the buildings on a regular program and prior to the significant deterioration of the painted surfaces; conducting a roof inspection on a regular basis and maintaining the roof in a leak-free and weather-tight condition; and maintaining security devices in good working order. In the event Developer, its successors or assigns, fails to maintain the Property in accordance with the standard for the quality of maintenance, HACR or its designee shall have the right but not the obligation to enter the Property upon reasonable notice to Developer, correct any violation, and hold Developer, or such successors or assigns, responsible for the cost thereof, and such cost, until paid, shall constitute a lien on the Property; provided, however, any such liens shall be subject and subordinate to the deed of trust in favor of any senior Lender.

3. Nondiscrimination. Developer shall not discriminate on the basis of race, gender, religion, national origin, ethnicity, sexual orientation, age or disability in the solicitation, selection,

hiring or treatment of any contractors or consultants, to participate in subcontracting/subconsulting opportunities. Developer understands and agrees that violation of this clause shall be considered a material breach of this Covenant Agreement and may result in termination, debarment or other sanctions. This language shall be incorporated into all contracts between Developer and any contractor, consultant, subcontractor, subconsultants, vendors and suppliers. Developer shall comply with the provisions of the California Fair Employment and Housing Act (Government Code Sections 12900 et seq.), the Federal Civil Rights Act of 1964 (P.L. 88-352), as amended, and all Administrative Rules and Regulations issued pursuant to said acts and orders with respect to its use of the Property.

Developer herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall the transferee itself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of the Property.

Developer, its successors and assigns, shall refrain from restricting the rental, sale, or lease of the Property or any portion thereof, on the basis of race, color, creed, religion, sex, sexual orientation, marital status, national origin, or ancestry of any person. Every deed, lease, and contract entered into with respect to the Property, or any portion thereof, after the date of this Covenant Agreement shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

In deeds: "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land."

In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions: That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing, subleasing, transferring, use,

occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased.”

In contracts: “There shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the land, nor shall the transferee itself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of the land.”

In addition to the obligations and duties of Developer set forth herein, Developer shall, upon notice from HACR, promptly pay to HACR all fees and costs, including administrative and attorneys’ fees, incurred by HACR in connection with responding to or defending any discrimination claim brought by any third party and/or local, state or federal government entity, arising out of or in connection with this Agreement.

4. Development of the Property. Developer covenants and agrees for itself, its successors and assigns and every successor in Developer’s interest in the Property or any part thereof, that Developer, its successors and assigns, shall develop and construct, or cause the development and construction, of the Improvements on the Property constituting the Project in accordance with the provisions of the DDLA, including, but not limited to the Entitlements for the Property, the Scope of Development (Attachment No. 6 to the DDLA), and all applicable Governmental Approvals.

5. Covenants Running with the Land. All conditions, covenants and restrictions contained in this Agreement shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by HACR, and its successors and assigns, against Developer, and its successors and assigns, to or of Developer’s interest in the Property, or any portion thereof or any interest therein, and any party in possession or occupancy of said Property or portion thereof. HACR shall be deemed the beneficiary of the covenants, conditions and restrictions of this Agreement both for and in its own right and for the purposes of protecting the interests of the community. The covenants, conditions, and restrictions shall run in favor of HACR, without regard to whether HACR has been, remains, or is an owner of any land or interest therein in the Property. Except as provided in the preceding sentence, the covenants, conditions and restrictions contained in this Agreement shall not benefit nor be enforceable by any other owner or tenant of real property except HACR.

6. Insurance. Without limiting or diminishing Developer’s obligation to indemnify or hold HACR harmless, Developer shall procure and maintain or cause to be maintained during the Term, at its sole cost and expense, insurance meeting the requirements set forth in the DDLA.

7. Hold Harmless/Indemnification. Developer shall indemnify and hold harmless HACR, the County of Riverside, its agencies, districts, special districts and departments, their

respective directors, officers, governing Boards, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as "Indemnitees") from any liability whatsoever, based or asserted upon any actions or failure to act of Developer, its officers, employees, subcontractors, agents or representatives, arising out of, in connection with or in any way relating to the construction, development or operation of the Project on the Property, including but not limited to property damage, bodily injury, or death or any other claim or injury of any kind or nature whatsoever, except in the event of the gross negligence or willful misconduct of an Indemnitee; provided however, any gross negligence or willful misconduct of an Indemnitee will only affect Developer's duty to indemnify for the specific act found to be gross negligence or willful misconduct, and will not preclude Developer's duty to indemnify for any act or omission of Developer as required herein. Developer shall defend the Indemnitees against any claim or action based upon such alleged acts or omissions, at Developer's sole expense, including all costs and fees including, but not limited, to attorneys' fees and costs, cost of investigation, defense and settlements or awards. With respect to any action or claim subject to indemnification herein by Developer, Developer shall, at its sole cost, have the right to use counsel of its own choice to adjust, settle, or compromise any such action or claim without the prior consent of Indemnitees; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Developer's indemnification obligation to Indemnitees as set forth herein. Developer's obligation hereunder shall be satisfied when Developer has provided to HACR the appropriate form of dismissal relieving Indemnitees from any liability for the action or claim involved. The specified insurance limits required in this Agreement shall in no way limit or circumscribe Developer's obligations to indemnify and hold harmless the Indemnitees herein from third party claims. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Developer from indemnifying the Indemnitees to the fullest extent allowed by law. The indemnity set forth herein shall survive the expiration or earlier termination of this Agreement.

8. Notices. All Notices provided for in this Agreement shall be deemed received when personally delivered, or two (2) days following mailing by certified mail, return receipt requested. 9. Remedies. HACR shall have the right, in the event of any breach of any term or covenant of this Agreement, to exercise all available rights and remedies, and to maintain any actions at law or suit in equity or other proper proceedings to enforce the curing of such breach of such term or covenant.

10. Term. The non-discrimination covenants, conditions and restrictions contained in this Covenant Agreement shall remain in effect in perpetuity. Every other covenant, condition and restriction contained in this Covenant Agreement shall continue in full force and effect for the Affordability Period.

11. Notice and Cure. Prior to exercising any remedies hereunder, HACR shall give Developer notice of such default in accordance herewith. Any monetary default shall be cured within seven (7) business days of delivery of written notice. Except as otherwise set forth herein, if a non-monetary default is reasonably capable of being cured within sixty (60) days of delivery of such notice of default, Developer shall have such period to effect a cure prior to exercise of remedies by HACR. If the non-monetary default is such that it is not reasonably capable of being cured within sixty (60) days of delivery of such notice of default, and Developer (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Developer shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by HACR; but in no event no later than one hundred eighty (180) days from delivery of such notice of default.

HACR, upon providing Developer with any notice of default under this Agreement, shall at the same time provide a copy of such default notice to permitted lenders or a tax credit investor who have given written notice to HACR of its interest in the Property and the Project. From and after such notice has been delivered to the permitted lenders and tax credit investor, such permitted lenders and tax credit investor shall have the same period for remedying the default complained of as the cure period provided to Developer pursuant to this Section. HACR shall accept performance by the permitted lenders and tax credit investor as if the same had been made by Developer.

If a violation of any of the covenants or provisions of this Covenant Agreement remains uncured after the respective time period set forth in this Section (an "Event of Default"), HACR and its successors and assigns, without regard to whether HACR or its successors and assigns is an owner of any land or interest therein to which these covenants relate, may institute and prosecute any proceedings at law or in equity to abate, prevent or enjoin any such violation or attempted violation or to compel specific performance by Developer of its obligations hereunder. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recover for the continuation or repetition of such breach or violations or any similar breach or violation hereof at any later time.

12. Sale, Assignment or Transfer of the Project or Property. Except for a Permitted Transfer as provided in the DDLA, Developer hereby covenants and agrees not to sell, transfer, assign or otherwise dispose of the Project, the Property or any portion thereof, without obtaining the prior written consent of HACR, which shall be granted or withheld in its discretion. Any approved sale, assignment, or transfer of the Project or Property shall be memorialized in an assignment and assumption agreement the form and substance of which have been first approved

in writing by HACR. Such assignment and assumption agreement shall, among other things, provide that the transferee has assumed in writing and in full, and is reasonably capable of performing and complying with, Developer's duties and obligations under this Covenant Agreement, provided, however Developer shall not be released for any obligations which arose or were due to be performed prior to the date of such assignment.

13. Amendments or Modifications. This Agreement may only be changed or modified only by a written amendment signed by authorized representatives of both parties.

14. Governing Law; Venue; Severability. This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Covenant Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Covenant Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way

15. Binding Effect. The rights and obligations of this Agreement shall bind and inure to the benefit of the permitted respective heirs, successors and assigns of the parties.

16. Permitted Mortgages. No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Covenant Agreement shall defeat or render invalid or in any way impair the lien or charge of any deed of trust or mortgage permitted by the DDLA or the lien or charge of a deed of trust made by the Developer for the benefit of any lender first approved in writing by HACR, to the extent such approval is required by the DDLA (each, a "Permitted Lender") and nothing herein or in the DDLA shall prohibit or otherwise limit the exercise of a Permitted Lender's rights and remedies thereunder, including a foreclosure or deed-in-lieu of foreclosure and subsequent transfer thereafter.

17. Severability. In any event that any provision, whether constituting a separate paragraph or whether contained in a paragraph with other provisions, is hereafter determined to be void and unenforceable, it shall be deemed separated and deleted from the agreement and the remaining provisions of this Covenant Agreement shall remain in full force and effect.

18. Operation of Project.

a. Project Monitoring and Evaluation; Tenant Checklist. Developer shall submit a Tenant Checklist Form to HACR, as shown in Exhibit B which is attached hereto and incorporated herein by this reference, and may be revised by HACR from time to time, summarizing the racial/ethnic composition, number and percentage of households who are tenants of the Restricted Units. The Tenant Checklist Form shall be submitted upon Completion of the construction and thereafter, on a semi-annual basis on or before March 31 and September 30. In addition, Developer shall annually submit, on each April 1 after the issuance of a Certificate of Occupancy for the last building in the Project, such other monitoring forms as reasonably requested by HACR.

During the Affordability Period and upon request by HACR, Developer shall provide access and cooperation for periodic onsite compliance monitoring in accordance with

HACR Monitoring Policy and Procedures. The on-site visit may include, without limitation: (i) interviews with staff and tenants; (ii) review of system certifications; (iii) review of tenant files; and (iv) housing quality standards inspection of buildings, grounds, systems and assisted and handicap accessible housing units.

Developer shall provide written lease agreements for tenants of the Project for not less than one year. HACR shall review the initial form of the lease agreement prior to Developer executing any leases and, provided that Developer uses the approved lease form, Developer shall be permitted to enter into residential leases without HACR's prior written consent. Any material changes to the written lease shall be approved in writing by HACR prior to any use by Developer.

b. Prohibited Lease Terms. The rental agreement/lease may not contain any of the following provisions:

(1) Agreement to be sued. Agreement by the tenant to be sued, to admit guilt or to a judgment in favor of Developer in a lawsuit brought in connection with the lease.

(2) Treatment of property. Agreements by tenant that Developer may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. Developer may dispose of this personal property in accordance with State law.

(3) Excusing Developer from responsibility. Agreement by the tenant not to hold Developer or Developer's agents legally responsible for any action or failure to act, whether intentional or negligent.

(4) Waiver of notice. Agreement of the tenant that Developer may institute a lawsuit without notice to the tenant.

(5) Waiver of legal proceeding. Agreement by the tenant that the Developer may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties.

(6) Waiver of a jury trial. Agreement by the tenant to waive any right to a trial by jury.

(7) Waiver of right to appeal court decision. Agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease.

(8) Tenant chargeable with cost of legal actions regardless of outcome. Agreement by the tenant to pay attorneys' fees or other legal costs even if the tenant wins in a court proceeding by Developer against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

(9) Mandatory supportive services. Agreement by the tenant (other than a tenant in transitional housing) to accept supportive services that are offered.

c. Written Selection Policies. Developer shall adopt written selection policies and criteria that meet the following requirements, and are approved in writing by HACR prior to entering into any lease for the Project which selection policies shall be subject to all applicable laws, including Section 42 of the Internal Revenue Code:

(1) Are consistent with the purpose of providing housing for Low Income Households.

(2) Are reasonably related to program eligibility and the applicants' ability to perform the obligations of the lease.

(3) Provide for:

(A) The selection of tenants from a written waiting list in the chronological order of their satisfaction of all eligibility requirements, insofar as is practicable; and

(B) The prompt written notification to any rejected applicant of the grounds for any rejection.

(4) To the extent permitted by law, provide first priority in the selection of otherwise eligible tenants to persons displaced by HACR (if any).

(5) Carry out the affirmative marketing procedures of HACR, to provide information and otherwise attract eligible persons from all racial, ethnic and gender groups in the housing market area. Developer and HACR shall cooperate to effectuate this provision during the Developer's initial lease-up of the Restricted Units and as vacancies occur.

d. Income Requirements and Certification. Prior to leasing a Restricted Unit and annually thereafter, Developer, at its sole expense, shall cause the Property Manager to certify the eligibility of each tenant applicant as a Low Income Household. The Developer shall complete such certification on forms as may be reasonably required by HACR (which may include provision to HACR of any reporting forms required by California Tax Credit Allocation Committee (CTCAC)). Gross income calculations for prospective (and continuing) tenants shall be determined in accordance herewith and with applicable state law. Developer shall cause the Property Manager to submit such income certification, verification thereof and such additional information as may reasonably be required in the future by HACR or CTCAC. Such supporting documentation shall include, for each member of the household eighteen (18) years old or older, copies of documentation and verification procedures as required by Section IV of CTCAC's Compliance Online Reference Manual, as may be amended from time to time by CTCAC and currently located at - <https://www.treasurer.ca.gov/ctcac/compliance/manual/manual.pdf>. Developer and HACR agree and acknowledge that HACR may require such additional information, if any, required to comply with applicable California law regarding affordable housing.

e. Submission of Audited Financial Statements. Developer shall prepare and obtain an audited annual financial statement for the Project for each Fiscal Year (the "Annual Audited Financial Statements") ending after Completion of such Project. By no later than the April 1st following the year in which final certificate of occupancy for the Project is issued, Developer shall submit such Annual Audited Financial Statements to HACR for the immediately preceding calendar year. Thereafter, by no later than each April 1st, Developer shall submit Annual Audited Financial Statements to HACR for the immediately preceding year in accordance with Section 6.1 of the DDLA.

19. Access to Project. Representatives of HACR shall have the right of access to the Property, upon twenty four (24) hours' prior written notice to Developer (except in the case of an emergency, in which HACR shall provide such notice as may be practical under the circumstances), without charges or fees, during normal business hours to review the operation of the Project in accordance with this Agreement subject to the rights of tenants under individual tenant leases.

20. Management. Developer shall be responsible for the operation of the Project either by direct management or by contracting its managerial functions to a third party property manager ("Property Manager") reasonably acceptable to HACR, which Property Manager will be charged with managing the Project on behalf of the Developer. HACR shall have the right to review and approve, which approval shall not be unreasonably withheld, conditioned or delayed any such entity prior to its selection by the Developer. Developer shall include in any such property management agreement a provision providing for the termination of the agreement in the event that the Property Manager violates the terms of this Covenant or any federal, state or local health and safety laws and regulations which are not cured within thirty (30) days following the giving of notice of such violations by HACR or any other governmental entity; provided, however, that in the case of a violation that cannot be cured within such thirty (30) day period, that such cure shall be commenced within thirty (30) days of notification and shall be diligently prosecuted to completion not later than sixty (60) days after notification.

21. Compliance with Applicable Laws. Developer shall carry out the design, construction and operation of the Project in conformity with all applicable federal, state and local laws, ordinances, statutes, codes, rules, resolutions, regulations, policy statements, orders, and decrees including without limitation, all applicable labor and employment laws and standards, laws regarding hazardous substances, laws regarding the acceptance or rejection of tenants and/or the termination of any tenancy, zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City of Coachella Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. § 12101, et seq., as currently exists or as may be amended from time to time, Government Code § 4450, et seq., as currently exists or as may be amended from time to time, Government Code § 11135, et seq., as currently exists or as may be amended from time to time, and the California Building Standards Code, Health and Safety Code § 18900, et seq. as currently exists or as may be amended from time to time.

IN WITNESS WHEREOF, HACR and Developer have signed this Agreement as of the dates set opposite their signatures.

FOR VALUE RECEIVED, VILLA VERDE I L.P., a California limited partnership (“**Borrower**”), hereby promises to pay to the HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE, a public entity, corporate and politic, in its capacity as housing successor to the former Coachella Redevelopment Agency (“**Authority**”), or holder, the principal amount of FOUR HUNDRED AND FIFTY THOUSAND DOLLARS AND NO CENTS (\$450,000) (“**Predevelopment Loan**”), or so much thereof as may be advanced by the Authority to the Borrower. Borrower acknowledges that it has received loan funds in the amount of \$431,980.01 as of the date hereof pursuant to the Predevelopment Loan executed in connection with that certain Exclusive Negotiation Agreement with Predevelopment Loan dated as of May 1, 2018 (“**ENA**”) between Borrower’s predecessor-in-interest, Abode Communities, a California corporation, and the Authority, incorporated herein by this reference. This Amended and Restated Predevelopment Promissory Note (“**Predevelopment Note**” or “**Note**”) amends and restates the Predevelopment Promissory Note executed in connection with the ENA in its entirety. The Predevelopment Loan shall be used to pay certain Authority approved Eligible Predevelopment Costs in connection with the Proposed Project (as defined in the DDLA). The term “**DDLA**” as used herein shall mean, refer to that certain Disposition, Development and Loan Agreement between Authority and Borrower dated of even date herewith, as well as any riders, exhibits, addenda, implementation agreements, amendments and attachments thereto (which are hereby incorporated herein by this reference) or other documents expressly incorporated by reference in the DDLA and any amendments or modifications thereto. The Borrower shall pay interest on the outstanding principal at the rate, in the amount and at the time hereinafter provided. Borrower acknowledges and agrees that the outstanding interest due hereunder as of December 13, 2020 is \$3,728.05. The holder of this Note shall have full recourse against the undersigned, and shall not be required to proceed against the collateral securing this Note in the event of default.

1. Capitalized Terms. Any capitalized term not otherwise defined herein shall have the meaning ascribed to such term in the DDLA.

2. Term. The term of this Note shall commence on the date first stated above and shall terminate upon the earlier of (“**Maturity Date**”): (i) the Outside Closing Date, (ii) termination of the DDLA for any reason, including, without limitation, an Event of Default; or (iii) Construction Closing pursuant to the DDLA. It is the intent of the parties that the proceeds of the “HACR Loan” issued at Construction Closing by HACR to Borrower will be deemed to repay all outstanding principal amounts hereunder.

3. Evidence of Obligation. This Predevelopment Note evidences the obligation of the Borrower to the Authority for the repayment of the Predevelopment Loan. All of the funds provided pursuant to the Predevelopment Loan were funded from Authority’s 2006 Series A Taxable Housing Bonds.

4. Where and How Payable. This Predevelopment Note is payable at the principal office of the Authority, c/o Housing Authority of the County of Riverside, 5555 Arlington Avenue, Riverside, CA 92555 Attention: Executive Director, or at such other place as the holder hereof may inform the Borrower in writing, in lawful money of the United States.

5. Payments. Except in an event of acceleration described in Section 10, below, no payments are due under this Predevelopment Note until the Maturity Date. Upon the occurrence of the Maturity Date due to an Event of Default, all unpaid principal and interest owing under this Predevelopment Note shall be due and payable in full to the Authority, and once such payment is received by Authority, this Predevelopment Note shall be endorsed as "paid in full" and returned to Borrower.

In the event the Maturity Date occurs upon Construction Closing, all outstanding principal hereunder shall be deemed repaid with the proceeds of the HACR Loan. Upon issuance of the HACR Loan and Construction Closing in accordance with the DDLA, this Predevelopment Note shall be endorsed as "paid in full" and returned to Borrower. All accrued interest owing hereunder shall continue to be due and payable under the HACR Loan issued to Borrower concurrently with the Closing. Upon issuance of the HACR Loan, the outstanding balance of the Predevelopment Loan principal and interest shall be paid over a fifty five year term from Project residual receipts in accordance with the note evidencing the HACR Loan.

In the event the Maturity Date occurs as a result of the automatic termination of the DDLA upon the Outside Closing Date, all outstanding principal and interest hereunder shall be deemed repaid upon the assignment by Borrower and delivery thereof of all plans, reports, data and other predevelopment materials funded by the Predevelopment Loan and assigned to the Authority by the Assignment of Plans (as defined in Section 9 below).

Should default be made in payment of principal and interest when due and such default shall continue beyond the applicable notice and cure period provided herein, the whole sum of principal and interest shall become immediately due at the option of the holder of this Note. Principal and interest are payable in lawful money of the United States. If action be instituted on this Note, the undersigned promises to pay such sums as the Court may fix as attorney's fees.

6. Disbursement. A portion of the proceeds of this Predevelopment Note were disbursed to Borrower in accordance with the ENA. As of the date hereof, Borrower acknowledges and agrees that it has received disbursement of Four Hundred Thirty One Thousand Nine Hundred Eighty Dollars and One Cent (\$431,980.01) in Predevelopment Loan principal.

7. Use of Funds. The Predevelopment Loan proceeds shall be used solely to reimburse Borrower for Eligible Predevelopment Costs, not to exceed a total reimbursement of Four Hundred and Fifty Thousand Dollars and No Cents (\$450,000.00). Borrower shall submit to Authority invoices, receipts, copies of checks or other written documentation satisfactory to the Executive Director or designee evidencing Borrower's payment of Eligible Predevelopment Costs incurred up to the date of the disbursement request.

For purposes hereof, "**Eligible Predevelopment Costs**" include costs of preparing engineering and architecture plans and specifications for the Project and such other costs as may be reasonably determined by Authority to be customary predevelopment costs for a project similar in size and scope to the Proposed Project.

8. Interest. Except in an event of acceleration described in Section 10, below, this Predevelopment Note shall bear interest at the rate of three percent (3%) per annum, simple interest, which shall begin to accrue once funds are disbursed. Borrower acknowledges that as of December 31, 2020, accrued interest owing hereunder is \$3,728.05.

9. Security. This Predevelopment Note is secured by an Assignment of Agreements, Plans, Specifications and Entitlements in the form attached as Exhibit A hereto and delivered to Authority ("**Assignment of Plans**") executed by the Borrower in favor of the Authority.

10. Due on Expiration of Term or Upon Acceleration. The entire unpaid principal balance of this Predevelopment Note and all accrued but unpaid interest, if any, shall be due and payable on the Maturity Date or immediately upon the occurrence of any of the following events of acceleration:

(a) In the event Borrower uses the Predevelopment Loan funds to pay costs other than the Eligible Predevelopment Costs; or

(b) The date on which there is a default by Borrower under the terms of this Predevelopment Note, the DDLA, the Schedule of Performance attached as Attachment No. 13 to the DDLA, or the Assignment of Plans, which is not cured or waived within the respective time period provided herein and therein; or

(c) The DDLA is terminated for any reason (other than a termination caused by Authority); or

(d) If the DDLA is transferred or assigned by Borrower without the prior written approval of the Authority.

11. Prepayment. Borrower may prepay the principal balance of this Predevelopment Note in full at any time. Borrower may provide prior written notice of Borrower's intent to prepay in full and the date on which the prepayment will be made.

12. Waivers. Borrower waives presentment for payment, demand, protest, and notices of dishonor and of protest; the benefits of all waivable exemptions; and all defenses and pleas on the ground of any extension of the time of payment or of any due date under this Predevelopment Note, in whole or in part, whether before or after maturity and with or without notice. Borrower hereby agrees to pay all costs and expenses, including reasonable attorney's fees, which may be incurred by the holder hereof, in the enforcement of this Predevelopment Note, the DDLA, the Assignment of Plans or any term or provision of either thereof.

13. Exercise of Rights and Waivers. Upon the failure of the Borrower to perform or observe any term or provision of this Predevelopment Note, upon an event of acceleration

described in Section 10 herein, or upon the occurrence of any event of default under the terms of the DDLA or the Assignment of Plans, the holder may exercise its rights or remedies hereunder or thereunder. This Note, the DDLA and the Assignment of Plans shall be collectively referred to herein as the “**Authority Loan Documents.**”

14. Application of Payments. Each payment under this Predevelopment Note shall be credited first to interest then due and any remainder to principal.

15. Costs of Collection. If this Predevelopment Note is not paid when due, whether on the Maturity Date or on acceleration of this Predevelopment Note, Borrower promises to pay all collection costs, including, but not limited to, attorney fees and costs, whether or not suit is filed on this Predevelopment Note.

16. Default Rate of Interest. Upon the occurrence of a Default under this Predevelopment Note, the entire outstanding principal balance shall then automatically bear interest at an annual rate equal to the lesser of ten percent (10%) or the highest rate of interest permitted by law (the “**Default Rate**”).

17. Defaults.

(a) Subject to the extensions of time set forth in the DDLA, and subject to the further provisions of this Section 17, failure or delay by the Borrower to perform any term or provision of this Predevelopment Note, the DDLA or any other Authority Loan Document after notice and expiration of any cure period constitutes a default hereunder.

(b) Authority shall give written notice of default to the Borrower, specifying the default complained of by the Authority. Delay in giving such notice shall not constitute a waiver of any default nor shall it change the time of default.

(c) Any failures or delays by the Authority in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by the Authority in asserting any of its rights and remedies shall not deprive the Authority of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, asset, or enforce any such rights or remedies.

(d) If a monetary event of default occurs under the terms of this Predevelopment Note, the DDLA or any Authority Loan Document, prior to exercising any remedies hereunder or thereunder, the Authority shall give the Borrower written notice of such default. Borrower shall have ten (10) days after such notice is given within which to cure the default prior to exercise of remedies by the Authority under the DDLA or any Authority Loan Document. In no event shall the Authority be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within ten (10) days after the notice of default is first given.

(e) If a non-monetary event of default occurs under the terms of this Predevelopment Note, the DDLA or any Authority Loan Document, prior to exercising any remedies hereunder or thereunder, the Authority shall give the Borrower written notice of such default. If the default is reasonably capable of being cured within thirty (30) days, the Borrower shall have such period to effect a cure prior to exercise of remedies by the Authority under the DDLA or any Authority Loan Document. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and the Borrower (i) initiates corrective action within said

period, and (ii) diligently and in good faith works to effect a cure as soon as possible, then the Borrower shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by the Authority, but in no event longer than sixty (60) days from the date the first written notice was given. In no event shall the Authority be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within sixty (60) days after the notice of default is first given.

(f) Any notice of default shall be deemed given only if either (i) dispatched by first class mail, registered or certified, postage prepaid, return receipt requested, to the addresses specified for the Borrower, or (ii) by personal delivery (including by means of professional messenger or courier service such as United Parcel Service or Federal Express) to the addresses specified for the Borrower. Receipt shall be deemed to have occurred on the date marked on a written postal service or messenger or courier service receipt as the date of delivery or refusal of delivery (or attempted delivery if undeliverable). If either party gives notice of a change of address in the manner specified in this paragraph, all notices, demands and communications originated after receipt of the change of address (or the effective date specified in the notice of change of address, if later) shall be transmitted, delivered or sent to the new address.

18. Governing Law. This Note has been negotiated and entered in the State of California, and shall be governed by, construed and enforced in accordance with the internal laws of the State of California, applied to contracts made in California by California domiciliaries to be wholly performed in California. Any action at law or in equity arising under this Note or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Note shall be filed in the Superior Courts of Riverside County, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court or jurisdiction.

19. Highest Interest Rate. All agreements between Borrower and Authority are expressly limited, so that in no event or contingency, whether because of the advancement of the proceeds of this Predevelopment Note, acceleration of maturity of the unpaid principal balance, or otherwise, shall the amount paid or agreed to be paid to Authority for the use, forbearance, or

retention of the money to be advanced under this Predevelopment Note exceed the highest lawful rate permissible under applicable usury laws. If, under any circumstances, fulfillment of any provision of this Predevelopment Note or any other agreement pertaining to this Predevelopment Note, after timely performance of such provision is due, shall involve exceeding the limit of validity prescribed by law that a court of competent jurisdiction deems applicable, then, ipso facto, the obligations to be fulfilled shall be reduced to the limit of such validity. If, under any circumstances, Authority shall ever receive as interest an amount that exceeds the highest lawful rate, the amount that would be excessive interest shall be applied to reduce the unpaid principal balance under this Predevelopment Note and not to pay interest, or, if such excessive interest exceeds the unpaid principal balance under this Predevelopment Note, such excess shall be refunded to Borrower. This provision shall control every other provision of all agreements between Borrower and Authority.

20. No Modification. No modification, rescission, waiver, release or amendment of any provision of this Note shall be made except by a written agreement executed by Borrower and the duly authorized representative of the Authority.

21. Assignment by Authority. The Authority may, in its sole and absolute discretion, assign its rights under this Note and its right to receive repayment of the Note amount without obtaining the consent of Borrower.

22. Prohibition against Assignment by Borrower. In no event shall Borrower assign or transfer any portion of this Note or any rights herein without the prior express written consent of the Authority, which consent the Authority may give or withhold in its sole and absolute discretion. In the absence of specific written agreement by the Authority, no unauthorized assignment or transfer, or approval thereof by the Authority, shall be deemed to relieve Borrower or any other party from any obligations under the DDLA or this Note. This provision shall not affect or diminish the Authority's assignment rights under this Note.

23. Relationship of Parties. The relationship of Borrower and Authority pursuant to this Note is that of debtor and creditor and shall not be, or be construed to be, a joint venture, equity venture, partnership or other relationship.

24. Captions. The captions and headings in this Note are for convenience only and are not to be used to interpret or define the provisions hereof.

25. Binding on Borrower's Successors and Assigns. This Note shall be binding upon Borrower and its heirs, successors and assigns, and shall benefit the Authority and its successors and assigns.

26. Partial Invalidity. If the rights created by this Predevelopment Note shall be held by a court of competent jurisdiction to be invalid or unenforceable as to any part of the obligations described herein, the remaining obligations must be completely performed and paid.

27. Conflicts. In addition to the other terms of this Predevelopment Note, Borrower hereby agrees and acknowledges that, notwithstanding any internal accounting procedures or provision pertaining to the use of receipts, payments, reserves and distributions contained in its

agreement of partnership or other organizational document, the terms of this Predevelopment Note and the ENA shall control as to the use of the Authority funds provided under the ENA and this Note.

28. Joint and Several. If Borrower is comprised of more than one person or entity, the obligations hereunder shall be the joint and several obligations of each such person or entity so comprising Borrower.

29. Time Is of the Essence. Time is of the essence with respect to all obligations of Borrower under this Predevelopment Note.

3.5 Maker shall have a one-time right to refinance the Permanent Loan upon written notice to Holder in accordance with the DDLA ("**Permitted Refinance**"). If Maker refinances all or part of the Project other than a Permitted Refinance, any Net Refinancing Proceeds (as hereinafter defined) of that refinancing shall be payable to Holder no later than the recording of the refinancing and applied to the outstanding balance of the Loan. If Maker transfers all or part of the Project, the Property or the DDLA, any net proceeds of that transfer shall be payable to Holder no later than the date of close of escrow or other consummation of the transfer and applied to the outstanding principal and interest due on the Loan. If any casualty or condemnation occurs to the Project prior to expiration of the fifteen year tax compliance period, Maker shall either rebuild the Project or pay any net proceeds to Holder in accordance with the previous sentence. Notwithstanding the foregoing, Holder shall have the right to declare all amounts outstanding immediately due and payable in the event of a transfer other than a Permitted Transfer in accordance with the terms and conditions of the DDLA. The terms and conditions of the Regulatory Agreement shall survive any repayment of the HACR Loan pursuant to this Section prior to the expiration of the Affordability Period.

For purposes hereof, "**Net Refinancing Proceeds**" means the gross face amount of any loan obtained in connection with such refinancing, after: (a) payment of the actual, documented and reasonable expenses of such refinancing, including escrow fees, title policy expenses, legal expenses, survey fees, recording fees, commissions, or other usual and reasonable expenses of any such refinancing (provided, that no deduction shall be allowed for payments in connection with such refinancing which are in excess of the amounts that would be paid for the same or equivalent services in an arms' length transaction between unrelated parties acting reasonably); and (b) deduction of amounts repaid (excluding voluntary payments) in connection with the refinancing towards amounts outstanding under any financing senior to the Authority Agreements and (c) payment of Deferred Developer Fee.

4. **Default; Cross-Default; Acceleration.**

4.1 Default by Maker of this Note or of any of the HACR Loan Documents (subject to all applicable notice and cure periods), shall constitute a default of this Note and all of the HACR Loan Documents.

4.2 The entire outstanding principal balance of the Note, together with any outstanding interest and other amounts payable thereunder, shall become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by Borrower:

(a) Upon the occurrence of any "Event of Default" as set forth below; or

(b) Except as permitted by the HACR Loan Documents, Maker sells or transfers the Project or the Property, including, without limitation, lease, exchange or other disposition of the Property or any interest therein, whether voluntary or involuntary, except a sale or transfer which under federal law would not, by itself, permit Holder to exercise a due on sale or due on encumbrance clause, and except as permitted by the DDLA; or

(c) Except as permitted by (b) above, if Maker refinances the lien of the Deed of Trust or any lien or encumbrance to which the Deed of Trust is subordinate for a loan amount in excess of the then current loan balance secured by such lien or encumbrance, any Net Refinancing Proceeds shall be paid to Holder in an amount not to exceed any amounts due Holder under the HACR Loan Documents.

4.3 In the event Maker fails to perform hereunder or under any of the HACR Loan Documents, Maker shall be in default of this Note. Prior to exercising any of its remedies hereunder, Authority shall give Maker written notice of such default, and Maker shall thereafter have thirty (30) days to cure such default; provided, however, that if such default cannot be cured within the 30-day period, Maker shall not be in default provided Maker promptly commences to cure such matter and diligently prosecutes same to completion, provided that, in no event shall Maker have longer than one hundred eighty (180) calendar days to effect any cure, unless agreed to in accordance with the DDLA. If Maker cures a default under the HACR Loan Documents within the cure period set forth in the applicable HACR Loan Documents, Maker shall be deemed to have also cured that default under this Note. If Maker does not cure a default under any of the HACR Loan Documents within the cure period set forth in the applicable HACR Loan Documents, an "Event of Default" shall be deemed to have occurred under all of the HACR Loan Documents and under this Note. In an Event of Default, Holder may, at its option declare this Note and the entire obligations hereby evidenced immediately due and payable, regardless of the date of maturity, and notice of the exercise of said option is hereby expressly waived by Maker.

5. **Collection Costs; Attorneys' Fees.** If, because of any Event of Default under this Note or any of the HACR Loan Documents, any attorney is engaged by Holder to enforce or defend any provision of this instrument, whether or not suit is filed hereon, then Maker shall pay upon demand reasonable attorneys' fees, expert witness fees and all costs so incurred by Holder

together with interest thereon until paid at the applicable rate of interest payable hereunder, as if such fees and costs had been added to the principal owing hereunder.

6. **Waivers by Maker.** Maker and all endorsers, guarantors and persons liable or to become liable on this Note waive presentment, protest and demand, notice of protest, demand and dishonor and nonpayment of this Note.

7. **Severability.** The unenforceability or invalidity of any provision or provisions of this Note as to any persons or circumstances shall not render that provision or those provisions unenforceable or invalid as to any other provisions or circumstances, and all provisions hereof, in all other respects, shall remain valid and enforceable.

8. **Notices.** All notices, demands, requests, elections, approvals, disapprovals, consents or other communications given under this Note shall be in writing and shall be given by personal delivery, certified mail, return receipt requested, or overnight guaranteed delivery service and addressed as follows:

Notwithstanding anything to the contrary contained in this Note, Holder agrees that any cure of any default made or tendered by Maker's limited partner shall be deemed to be a cure by Maker and shall be accepted or rejected on the same basis as if made or tendered by Maker. Copies of all notices which are sent to Maker shall also be sent to Maker's limited partner as specified above.

9. **Modifications.** Neither this Note nor any term hereof may be waived, amended, discharged, modified, changed or terminated orally; nor shall any waiver of any provision hereof be effective except by an instrument in writing signed by Maker and Holder. No delay or

omission on the part of Holder in exercising any right hereunder shall operate as a waiver of such right or of any other right under this Note.

10. No Waiver by Holder. No waiver of any breach, default or failure of condition under the terms of this Note shall be implied from any failure of the Holder of this Note to take, or any delay be implied from any failure by the Holder in taking action with respect to such breach, default or failure from any prior waiver of any similar or unrelated breach, default or failure.

11. Usury. Notwithstanding any provision in this Note, the total liability for payment in the nature of interest shall not exceed the limit imposed by applicable laws of the State of California.

12. Assignability. Holder may freely transfer, assign, or encumber Holder's interest in this Note in any manner, at Holder's sole discretion. Maker may not transfer, assign or encumber its obligations hereunder except upon the prior written consent of Holder in accordance with the DDLA. All amounts outstanding under this Note shall become immediately due and payable upon a transfer in violation of the terms and conditions of the DDLA.

13. Governing Law. This Note has been executed and delivered by Maker in the State of California and is to be governed and construed in accordance with the laws thereof.

14. Time of Essence. Time is of the essence in the performance of the obligations and provisions set forth in this Note.

15. Non-Recourse. Notwithstanding anything to the contrary herein contained (i) the liability of Maker (and its partners) shall be limited to Maker's interest in the Property and any other security for this Note and any rents, issues, and profits arising from the Project or the Property and, in addition, with respect to any obligation to hold and apply insurance proceeds, proceeds of condemnation or other monies hereunder, any such monies received by it to the extent not so applied in accordance with the terms of this Note; (ii) no other assets of Maker (or its partners) shall be affected by or subject to being applied to the satisfaction of any liability which Maker may have to Holder or to another person by reason of this Note; and (iii) any judgment, order, decree or other award in favor of Holder shall be collectible only out of, or enforceable in accordance with, the terms of this Note by termination or other extinguishment of Maker's interest in the Site. Notwithstanding the foregoing, it is expressly understood and agreed that the aforesaid limitation on liability shall in no way restrict or abridge Maker's continued personal liability for: (A) fraud or willful or negligent misrepresentation made by Maker in connection with this Note or any of the HACR Loan Documents; (B) misapplication of (a) proceeds of insurance and condemnation or (b) rent received by Maker under rental agreements entered into for any portion of the Property after default of the Note; (C) the retention by Maker of all advance rentals and security deposits of tenants not refunded to or forfeited by such tenants; (D) the indemnification undertakings of Maker under the HACR Loan Documents, provided, however, nothing herein shall be deemed to obligate Maker to repay any portion of the HACR Loan evidenced hereby as a result of any such indemnification; and (E) material waste by Maker with respect to the Property.

IN WITNESS WHEREOF, Maker has executed this Note as of the date first above written.

DO NOT RECORD

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust recorded in each county in California as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A. To protect the security of this Deed of Trust, Trustor agrees:

1) To keep said property in good condition and repair, not to remove or demolish any building thereon; to complete or restore promptly and in a good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor, to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at the option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

4) To pay: at least ten (10) days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from the date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. It is mutually agreed:

1) That any award in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon, or join in any extension agreement or any agreement subordinating the lien or charge hereof.

4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The Grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or be a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collecting of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6) That upon default by Trustor in payment of any indebtedness secured hereby or in the performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

8) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledges, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

Trustor shall and will warrant and forever defend the above-bargained Property in the quiet and peaceable possession of Trustee, its successors and assigns, against all and every person or persons lawfully claiming or to claim the whole or any part thereof. Trustor agrees that any greater title to the Property hereafter acquired by Trustor during the term hereof shall be subject hereto.

2. Obligations Secured. Trustor makes this grant and assignment for the purpose of securing the following obligations (“**Secured Obligations**”):

(a) Payment to Beneficiary of all indebtedness at any time owing under the terms of the Note;

(b) Payment and performance of all obligations of Trustor under this Deed of Trust, the DDLA, the Note, and the Regulatory Agreement;

(c) Payment and performance of all future advances and other obligations of Trustor or any other person, firm, or entity with the approval of Trustor, may agree to pay and/or perform (whether as principal, surety or guarantor) for the benefit of Beneficiary, when the obligation is evidenced by a writing which recites that it is secured by this Deed of Trust; and

(d) All modifications, extensions and renewals of any of the obligations secured hereby, however evidenced.

3. **Obligations.** The term “obligations” is used herein in its broadest and most comprehensive sense and shall be deemed to include, without limitation, all interest and charges, prepayment charges, late charges and fees at any time accruing or assessed on any of the Secured Obligations.

4. **Incorporation.** All terms of the Note and the Secured Obligations are incorporated herein by this reference. All persons who may have or acquire an interest in the Property shall be deemed to have notice of the terms of all of the foregoing documents.

5. **Subordination.** Beneficiary shall subordinate this Deed of Trust to the Senior Financing (as such term is defined in the DDLA) in accordance with the DDLA pursuant to a subordination agreement in such form as is acceptable to Beneficiary.

6. **Mortgagee-in-Possession.** Neither the assignment of rents set forth in this Deed of Trust nor the exercise by Beneficiary of any of its rights or remedies hereunder shall be deemed to make Beneficiary a “mortgagee-in-possession” or otherwise liable in any manner with respect to the Property, unless Beneficiary, in person or by agent, assumes actual possession thereof. Nor shall appointment of a receiver for the Property by any court at the request of Beneficiary or by agreement with Trustor, or the entering into possession of the Property by such receiver, be deemed to make Beneficiary a “mortgagee-in-possession” or otherwise liable in any manner with respect to the Property.

7. **Required Insurance.**

Trustor shall at all times provide, maintain and keep in force or cause to be provided, maintained and kept in force, at no expense to Trustee or Beneficiary, policies of insurance in accordance with the terms of the DDLA in form and amounts, providing for deductibles, and issued by companies, associations or organizations covering such casualties, risks, perils, liabilities and other hazards as required by the DDLA or by Beneficiary pursuant thereto.

8. **Casualty and Condemnation.** In the event of any fire or other casualty to the improvements on the Property or eminent domain proceedings resulting in condemnation of the improvements or any part thereof, and provided Beneficiary has been provided the opportunity to participate in any proceedings as required in this Deed of Trust, if the Beneficiary determines that restoration or rebuilding of the improvements is economically feasible, Trustor shall have the right to rebuild the improvements, and to use the net insurance proceeds therefor subject to the following requirements, (i) the funds are sufficient to rebuild as evidenced by a construction budget and construction contract reasonably approved by Beneficiary, (ii) if the funds are insufficient to rebuild, that Trustor shall provide the balance of such funds necessary to rebuild, (iii) that all funds will be held by an independent escrow company for distribution during reconstruction, and (iv) any excess proceeds shall be applied to reduce the Note (subject to the terms of the Senior Financing). Condemnation alone shall not cause acceleration of the Note and Secured Obligations shall not be due and payable unless it is a condemnation of a material portion of the Project, in Beneficiary’s reasonable discretion.

9. **No Cure.** In the event Beneficiary collects and receives any rents under the Deed of Trust upon any default hereof, such collection or receipt shall in no way constitute a curing of the default.

10. Default; Opportunity to Cure. Trustor's failure or delay to perform any term or provision of this Deed of Trust constitutes a default under this Deed of Trust; however, Trustor shall not be deemed to be in default if (i) Trustor cures, corrects, or remedies such default within thirty (30) days after receipt of a notice specifying such failure or delay, or (ii) for such defaults that cannot reasonably be cured, corrected, or remedied within thirty (30) days, if Trustor commences to cure, correct, or remedy such failure or delay within thirty (30) days after receipt of a written notice specifying such failure or delay, and diligently prosecutes such cure, correction or remedy to completion; provided that any such cure shall be completed within one hundred (180) calendar days, unless such period for cure is extended in accordance with the DDLA.

Beneficiary shall give written notice of default to Trustor, specifying the default complained of by Trustor. Copies of any notice of default given to Trustor shall also be delivered to any lender with a mortgage or deed of trust secured by the Property, including, without limitation in accordance with any Senior Financing, and to Trustor's limited partner. Beneficiary may not institute proceedings against Trustor until thirty (30) days after giving such notice or such longer period of time as may be provided herein. In no event shall Beneficiary be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default.

Except as otherwise expressly provided in this Deed of Trust, any failure or delay in giving such notice or in asserting any of its rights and remedies as to any default shall not constitute a waiver of any default, nor shall it change the time of default, nor shall it deprive either party of its rights to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

In the event of any inconsistency in the terms of this Rider and the provisions set forth in the standard deed of trust recorded in the Recorder's Office of the County of Riverside, the terms of this Rider shall control.

Notwithstanding anything to the contrary contained in this Deed of Trust, Beneficiary hereby agrees that any cure of any default made or tendered by Trustor's limited partner shall be deemed to be a cure by Trustor and shall be accepted or rejected on the same basis as if made or tendered by Trustor.

11. Default; Cross-Default; Acceleration. A default as specified above or a default under the DDLA, Note or Regulatory Agreement (subject to applicable notice and cure periods) shall be a default under this Deed of Trust. Upon a default of this Deed of Trust, Beneficiary may, at its option, declare the Note and all the Secured Obligations hereby evidenced immediately due and payable and collectible then or thereafter as Beneficiary may elect, regardless of the date of maturity, and notice of the exercise of said option is hereby expressly waived by Trustor.

12. Possession Upon Default. Subject to the above, upon the occurrence of a default, and after delivery of notice and the expiration of all applicable cure periods, Beneficiary may, at its option, without any action on its part being required and without in any way waiving such default, take possession of the Property and have, hold, manage, lease and operate the same, on such terms and for such period of time as Beneficiary may deem proper, and may collect and receive all rents and profits, with full power to make, from time to time, all alterations,

renovations, repairs or replacements thereto as may seem proper to Beneficiary, and to apply such rents and profits to the payment of (a) the cost of all such alterations, renovations, repairs and replacements, and all costs and expenses incident to taking and retaining possession of the Property, and the management and operation thereof, and keeping the same properly insured; (b) all taxes, charges, claims, assessments, and any other liens which may be prior in lien or payment of the Note, and premiums for insurance, with interest on all such items; and (c) the indebtedness secured hereby, together with all costs and reasonable attorney's fees, in such order or priority as to any of such items as Beneficiary in its sole discretion may determine, any statute, law, custom or use to the contrary notwithstanding. Any amounts received by Beneficiary or its agents in the performance of any acts prohibited by the terms of this assignment, including, but not limited to, any amounts received in connection with any cancellation, modification or amendment of any lease prohibited by the terms of this assignment and any rents and profits received by Trustor after the occurrence of a default shall be held by Trustor as trustee for Beneficiary and all such amounts shall be accounted for to Beneficiary and shall not be commingled with other funds of the Trustor. Any person receiving any portion of such trust funds shall receive the same in trust for Beneficiary as if such person had actual or constructive notice that such funds were impressed with a trust in accordance therewith.

13. Receiver; Power of Sale. In addition to any and all other remedies of Beneficiary set forth under this Deed of Trust or permitted at law or in equity, if a default shall have occurred, after delivery of notice and expiration of all cure periods, Beneficiary, to the extent permitted by law and without regard to the value, adequacy or occupancy of the security for the Note and other sums secured hereby, shall be entitled as a matter of right if it so elects to the appointment of a receiver to enter upon and take possession of the Property and to collect all rents and profits and apply the same as the court may direct, and such receiver may be appointed by any court of competent jurisdiction by ex parte application and without notice, notice of hearing being hereby expressly waived. The expenses, including receiver's fees, attorneys' fees, costs and agent's compensation, incurred pursuant to the power herein contained shall be promptly paid by Trustor.

If it chooses to do so in connection with any such cure, Beneficiary or Trustee may also enter the Property and/or do any and all other things that it may, in its sole and absolute discretion, consider necessary and appropriate to protect the security of this Deed of Trust. Such other things may include: appearing in and/or defending any action or proceeding that purports to affect the security of, or the rights or powers of Beneficiary or Trustee under, this Deed of Trust; paying, purchasing, contesting or compromising any encumbrance, charge, lien or claim of lien, which in Beneficiary's or Trustee's sole judgment is or may be senior in priority to this Deed of Trust; obtaining insurance and/or paying any premiums or charges for insurance required to be carried under the HACR Loan Documents; otherwise caring for and protecting any and all of the Property; and/or employing counsel, accountants, contractors and other appropriate persons to assist Beneficiary or Trustee. Beneficiary and Trustee may take any of the actions permitted under this Section either with or without giving notice to any person.

Beneficiary may bring an action in any court of competent jurisdiction to foreclose this Deed of Trust in the manner provided by law for the foreclosure of deeds of trusts or mortgages on real property and/or to obtain specific enforcement of any of the covenants or agreements of this Deed of Trust. If Beneficiary brings such an action, Trustor agrees to pay Beneficiary's

reasonable attorneys' fees (including the allocated costs of in-house counsel to the extent not prohibited by applicable law) and court costs as determined by the court.

Under the power of sale hereby granted, Beneficiary shall have the discretionary right to cause some or all of the Property, including any Property which constitutes personal property, to be sold or otherwise disposed of in any combination and in any manner permitted by applicable law.

14. Security Agreement. This Deed of Trust also constitutes a security agreement with respect to all personal property in which Beneficiary is granted a security interest hereunder, not including personal property owned by tenants occupying the Units on the Property, and Beneficiary shall have all of the rights and remedies of a secured party under the Uniform Commercial Code as enacted in California ("**California Uniform Commercial Code**") as well as all other rights and remedies available at law or in equity. Trustor hereby agrees to execute and deliver on demand and hereby irrevocably constitutes and appoints Beneficiary the attorney-in-fact of Trustor, to execute, deliver and, if appropriate, to file with the appropriate filing officer or office such security agreements, financing statements, continuation statements or other instruments as Beneficiary may request or require in order to impose, perfect or continue the perfection of, the lien or security interest created hereby. Trustor and Beneficiary agree that the filing of a financing statement in the record normally having to do with personal property shall never be construed as in any way derogating from or impairing the lien of this Deed of Trust and the intention of Trustor and Beneficiary that everything used in connection with the operation or occupancy of the Property is and at all times and for all purposes and in all proceedings, both legal and equitable, shall be regarded as real property or goods which are or are to become fixtures, irrespective of whether (i) any such item is physically attached to the buildings and improvements on the Property; (ii) serial numbers are used for the better identification of certain equipment items capable of being filed by the Beneficiary; or (iii) any such item is referred to or reflected in any such financing statement so filed at any time. Such mention in the financing statements is declared to be for the protection of the Beneficiary in the event any court or judge shall at any time hold that notice of Beneficiary's priority of interest must be filed in the California Commercial Code records to be effective against a particular class of persons, including, but not limited to, the federal government and any subdivision or entity of the federal government. Trustor covenants and agrees to reimburse Beneficiary for any costs incurred in filing such financing statement and any continuation statements.

Upon the occurrence of default hereunder, and after delivery of notice and the expiration of all applicable cure periods, Beneficiary shall have the right to cause any of the Property which is personal property and subject to the security interest of Beneficiary hereunder to be sold at any one or more public or private sales as permitted by applicable law, and Beneficiary shall further have all other rights and remedies, whether at law, in equity, or by statute, as are available to secured creditors under applicable law, specifically including without limitation the right to proceed as to both the real property and the personal property contained within the Property as permitted by Uniform Commercial Code Section 9501(4), including conducting a unified sale thereof. Any such disposition may be conducted by an employee or agent of Beneficiary or Trustee. Any person, including both Trustee and Beneficiary, shall be eligible to purchase any part or all of such property at any such disposition.

This Deed of Trust constitutes a fixture filing under Sections 9313 and 9402(6) of the California Uniform Commercial Code, as amended or recodified from time to time.

15. Reconveyance. Prepayment or payment of the HACR Loan shall not relieve Trustor of its obligations under the Regulatory Agreement. Trustor's performance under the Regulatory Agreement is secured by this Deed of Trust.

16. Indemnification.

(a) Subject to the provisions of Section 15 of the Note, Trustor agrees to indemnify, defend, and hold Trustee and Beneficiary harmless, for, from, and against, and reimburse them for, all losses, damages, liabilities, claims, causes of action, judgments, penalties, court costs, reasonable attorneys' fees and other legal expenses and expenses of professional consultants and experts, cost of evidence of title, cost of evidence of value, and other costs and expenses, including the settlement of any such matter, excepting those arising out of, or resulting, solely from Beneficiary's or Trustee's, as the case may be, gross negligence or willful misconduct, which either may suffer or incur:

(i) In performing any act required or permitted by this Deed of Trust or any of the other Authority Documents or by law;

(ii) Because of any failure of Trustor to perform any of Trustor's obligations; or

(iii) Because of any alleged obligation of or undertaking by Trustor to perform or discharge any of the representations, warranties, conditions, covenants, or other obligations in any document relating to the Property other than the Authority Documents.

This agreement by Trustor to indemnify Trustee and Beneficiary shall survive payoff, termination, or the release and cancellation of any or all of the Secured Obligations, and the full or partial release and/or reconveyance of this Deed of Trust.

(b) Trustor shall pay all obligations to pay money arising under this Section immediately upon written demand by Trustee or Beneficiary. Each such obligation shall be added to, and considered to be part of, the principal of the Note, and shall bear interest from the date the obligation arises at the Default Rate (as such term may be defined in the Note), or if no Default Rate is specified, at five percent (5%) in excess of the Stated Rate. For purposes hereof, "**Stated Rate**" means the stated interest rate in effect from time to time under the Note and/or other debt instrument evidencing the Loan; provided that if more than one rate of interest is in effect, the highest rate shall be used.

17. Defense and Notice of Claims and Actions. At Trustor's sole expense, Trustor shall protect, preserve and defend the Property and title to and right of possession of the Property, and the security of this Deed of Trust and the rights and powers of Beneficiary and Trustee created under it, against all adverse claims. Trustor shall give Beneficiary and Trustee prompt notice in writing if any claim is asserted which does or could affect any of such matters, or if any action or proceeding is commenced which alleges or relates to any such claim.

18. Subrogation. Beneficiary shall be subrogated to the liens of all encumbrances affecting the Property, whether released or not, which are discharged in whole or in part by

Beneficiary in accordance with this Deed of Trust or with the proceeds of any loan secured by this Deed of Trust.

19. **Transfers.** Notwithstanding anything to the contrary contained herein, any Permitted Transfer (as such term is defined in the DDLA) permitted under the DDLA, shall be permitted hereunder without prior written consent of Beneficiary, and any permitted Assignee shall assume all obligations of Trustor hereunder. All amounts secured hereby shall be immediately due and payable in the event of any transfer or assignment of the Property, the Project or the DDLA, or any portion thereof that does not constitute a Permitted Transfer under the DDLA.

20. **Notices, Demands, and Communications.** Formal notices, demands, and communications between Trustor and Beneficiary shall be given by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to:

Notices mailed shall be deemed effective on the second business day following deposit in the United States mail. Such written notices, demands, and communications shall be sent in the same manner to such other addresses as either party may from time to time designate by mail.

Copies of all notices which are sent to Trustor shall also be sent to Trustor's limited partner as specified above. This obligation may not be changed by Trustor but only upon written notice to Beneficiary by the limited partner.

21. **Successors and Assigns.** This Deed of Trust applies to, inures to the benefit of and binds all parties hereto, and the heirs, legatees, devisees, administrators, executors, successors and assigns of Beneficiary. The term "Beneficiary" means the owner and holder of the Note, whether or not named as Beneficiary herein. In exercising any rights hereunder or

taking any actions provided for herein, Beneficiary may act through its employees, agents or independent contractors authorized by Beneficiary.

22. Invalidity of Certain Provisions. Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal, invalid or unenforceable for any reason whatsoever by a court of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable.

23. Attorneys' Fees. In the event that either party hereto brings any action or files any proceeding in connection with the enforcement of its respective rights under this Deed of Trust or the Promissory Note, as a consequence of any breach by the other party of its obligations thereunder, the prevailing party in such action or proceeding shall be entitled to have its reasonable attorneys' fees and out-of-pocket expenditures paid by the losing party. The attorneys' fees so recovered shall include fees for prosecuting or defending any appeal and shall be awarded for any supplemental proceedings until the final judgment is satisfied in full. In addition to the foregoing award of attorneys' fees, the prevailing party in any lawsuit with respect to the Note or this Deed of Trust shall also be entitled to its attorneys' fees incurred in any post-judgment proceedings to collect or enforce the judgment. In addition to the foregoing, Trustor agrees to pay or reimburse Beneficiary, upon demand by Beneficiary, for all costs incurred by Beneficiary in connection with enforcement of this Deed of Trust or the Note, including without limitation, reasonable attorneys' fees and costs, if there shall be filed by or against Trustor any proceedings under any federal or state bankruptcy or insolvency laws, whether Beneficiary is a creditor in such proceedings or otherwise.

As used herein, the terms "attorneys' fees" or "attorneys' fees and costs" means the fees and expenses of counsel to the parties hereto (including, without limitation, in-house counsel employed by Beneficiary) which may include printing, duplicating and other expenses, air freight charges, and fees billed for law clerks, paralegals and others not admitted to the bar but performing services under the supervision of an attorney. The terms "attorneys' fees" or "attorneys' fees and costs" shall also include, without limitation, all such fees and expenses incurred with respect to appeals, arbitrations and bankruptcy proceedings, and whether or not any action or proceeding is brought with respect to the matter for which said fees and expenses were incurred.

24. Governing Law. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of California.

25. Joint and Several Obligations. Should this Deed of Trust be signed by more than one party, all obligations herein contained shall be deemed to be the joint and several obligations of each party executing this Deed of Trust.

26. Interpretation. In this Deed of Trust the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires.

27. Nonforeign Entity. Section 1445 of the Internal Revenue Code of 1986, as amended (the "Code") and Sections 18805, 18815 and 26131, as applicable, of the Revenue and Taxation Code ("CRTC") provide that a transferee of a U.S. real property interest must withhold tax, in the case of the Code, if the transferor is a foreign person, or if, in the case of the CRTC,

the transferor is not a California resident. To inform Beneficiary that the withholding of tax will not be required in the event of the disposition of the Property or the Improvements, or any portion thereof or interest therein, pursuant to the terms of this Deed of Trust, Trustor hereby certifies, under penalty of perjury, that: (a) Trustor is not a foreign corporation, foreign partnership, foreign trust or foreign estate, as those terms are defined in the Code and the regulations promulgated thereunder; and (b) Trustor's U.S. employer identification number is 84-4763655; and (c) Trustor's principal place of business is 1149 Hill Street, Suite 700, Los Angeles, CA 90015. It is understood that Beneficiary may disclose the contents of this certification to the Internal Revenue Service and the California Franchise Tax Board, and that any false statement contained herein could be punished by fine, imprisonment or both. Trustor covenants and agrees to execute such further certificates, which shall be signed under penalty of perjury, as Beneficiary shall reasonably require. The covenant set forth herein shall survive the foreclosure of the lien of this Deed of Trust or acceptance of a deed in lieu thereof.

28. Substitute Trustee. Beneficiary at any time and from time to time, by instrument in writing, may substitute and appoint a successor Trustee (either corporate or individual) to any Trustee named herein or previously substituted hereunder, which instrument when executed, acknowledged, and recorded in the Official Records of the Office of the Recorder of the county or counties where The Property is located shall be conclusive proof of the proper substitution and appointment of each successor trustee or trustees, who shall then have all the title, powers, duties and rights of the predecessor Trustee, without the necessity of any conveyance from such predecessor. Trustee shall not be obligated to notify any party hereto of pending sale under any other Deed of Trust, or, unless brought by Trustee, or any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party.

29. Tax Credit Provisions. Notwithstanding anything to the contrary contained herein or in any documents secured by this Deed of Trust or contained in any subordination agreement, the Beneficiary acknowledges and agrees that in the event of a foreclosure or deed-in-lieu of foreclosure (collectively, "Foreclosure") with respect to the Security encumbered by this Deed of Trust, the following rule contained in Section 42(h)(6)(E)(ii) of the Internal Revenue Code of 1986 (26 U.S.C. Section 429H)(6)(E)(ii)), as amended, shall apply:

For a period of three years from the date of Foreclosure, with respect to any unit that had been regulated by the Regulatory Agreement with the California Tax Credit Allocation Committee, (i) none of the tenants occupying those units at the time of Foreclosure may be evicted or their tenancy terminated (other than for good cause), (ii) nor may rent be increased except as otherwise permitted under Section 42 of the Code.

**Summary Report Pursuant To
California Health and Safety Code Section 33433
On A Disposition, Development and Loan Agreement
By and Between
The Housing Authority of The County of Riverside and
Villa Verde I, L.P.**

The following Summary Report has been prepared pursuant to California Health and Safety Code Section 33433 (“Section 33433”). The Summary Report sets forth certain details of the proposed Disposition, Development and Loan Agreement (“DDLA”) between the Housing Authority of the County of Riverside (“HACR”) and Villa Verde I, L.P., a California limited partnership (“Developer”). The DDLA obligates HACR to transfer approximately 9.44 acres of partially graded and generally rectangular, residentially zoned real property located on Calle Verde in the City of Coachella, County of Riverside, State of California, 92236, identified with Assessor’s Parcel Numbers 768-350-002 and 768-400-001 (collectively, the “Property”). The Property is identified by street addresses 84679 and 84824 Calle Verde, and is bordered by Calle Techa, and Calle Zamora, more particularly described on Exhibit A hereto. Pursuant to the DDLA, the Property will be conveyed to Developer for the construction of a multi-family affordable housing complex consisting of at least one hundred fifty two (152) apartment units, with shared open space and related amenities (“Project”).

HACR is California Housing Authority acting under the California Housing Authorities Law, Part 2 of Division 24 of the Health and Safety Code (the “Housing Authorities Law”).

The Property was acquired by the former Coachella Redevelopment Agency (“RDA”) for affordable housing purposes. The RDA, located in the County of Riverside, was duly created pursuant to California Redevelopment Law (Health and Safety Code Section 33000 et seq. the “CRL”). California redevelopment agencies were dissolved by Assembly Bill No. x1 26, as modified by Assembly Bill No. 1484 (“Dissolution Act”), which added Parts 1.8 and 1.85 to Division 24 of the CRL. The RDA was dissolved on February 1, 2012, such that the RDA is now deemed a former redevelopment agency under CRL section 34173.

Pursuant to CRL section 34176, on January 25, 2011, the City of Coachella adopted Resolution No. 2012-10 electing not to retain responsibility for the housing assets and functions of the RDA, thus declining to become the “housing successor” to the RDA under the Dissolution Act.

Pursuant to CRL section 34176 (a), on June 4, 2013, the HACR Board of Commissioners approved that certain Memorandum of Understanding accepting the transfer of housing assets and functions previously performed by the RDA, excluding any enforceable obligations retained by the non-housing successor agency (“Asset Transfer”). As a result, HACR constitutes the “housing successor” to the RDA under the Dissolution Act. The Asset Transfer

included, among other things, the transfer of a fee interest in the Property. The Property was acquired by the RDA with 2006 Series A Taxable Housing Bond proceeds deposited into the low and moderate income housing fund (“LMIHF”).

The proposed sale of the Property to Developer is subject to the reporting requirements imposed by CRL section 33433 (“Section 33433”) because the former RDA utilized LMIHF to acquire the Property for affordable housing purposes. Section 33433 requires the selling entity to prepare a report that summarizes the following information in connection with the sale of the Property:

- (i) The cost of the agreement to the agency, including land acquisition costs, clearance costs, relocation costs, the costs of any improvements to be provided by the agency, plus the expected interest on any loans or bonds to finance the agreements.
- (ii) The estimated value of the interest to be conveyed or leased, determined at the highest and best uses permitted under the redevelopment plan.
- (iii) The estimated value of the interest to be conveyed or leased, determined at the use and with the conditions, covenants, and development costs required by the sale or lease. The purchase price or present value of the lease payments which the lessor will be required to make during the term of the lease. If the sale price or total rental amount is less than the fair market value of the interest to be conveyed or leased, determined at the highest and best use consistent with the redevelopment plan, then the agency shall provide as part of the summary an explanation of the reasons for the difference.
- (iv) An explanation of why the sale or lease of the property will assist in the elimination of blight, with reference to all supporting facts and materials relied upon in making this explanation.

It is the intent of this Summary Report to meet all of the Section 33433 requirements and provide the required information and data. This Summary Report is based upon the information contained within the DDLA, and is organized into the following six sections:

1. Salient Points of the DDLA: This section summarizes the major responsibilities imposed on HACR and Developer in the DDLA.
2. Cost of the DDLA to HACR: This section details the total cost to HACR associated with implementing the terms of the DDLA.
3. Estimated Value of the Interests to be Conveyed Determined at the Highest Use Permitted Under the Existing Zoning: This section estimates the value of the interest to be conveyed determined at the highest use permitted under the Property's existing zoning.

4. Estimated Reuse Value of the Interests to be Conveyed: This section summarizes the valuation estimate for the Property based on the required scope of development, and the other conditions and covenants required by the DDLA.
5. Consideration Received and Comparison with the Established Value: This section describes the compensation to be received by HACR, and explains any difference between the compensation to be received and the established value of the Property.
6. Blight Elimination: This section describes the existing blighting conditions on the Property, and explains how the DDLA will assist in alleviating the blighting influence.

1. **SALIENT POINTS OF THE DDLA**

Description of the Property and Project

The Property to be sold by HACR to Developer pursuant to the DDLA is located at street addresses of 84679 and 84824 Calle Verde, is approximately 9.44 acres, partially graded and generally rectangular, residentially zoned real property located on Calle Verde in the City of Coachella, County of Riverside, State of California, 92236 identified with Assessor's Parcel Numbers 768-350-002 and 768-400-001. The site is bordered by Calle Techa and Calle Zamora. A legal description of the Property is shown on Exhibit A and map of the Property is shown in Exhibit B.

The former RDA acquired the Property primarily for the purpose of carrying out its obligation to eliminate blight and for future affordable housing development. When the Property was purchased by the former RDA, the Property consisted of vacant land. HACR has determined that the best use for the Property would be to complete a sale of the Property to Developer for purposes of development of a housing project affordable to low and moderate income households.

On May 1, 2018, the Board of Directors approved an Exclusive Negotiation Agreement with Predevelopment Loan ("ENA") with Abode Communities, which was extended on January 31, 2020 and will expire on January 31, 2021. Abode and Developer entered into that certain Assignment and Assumption Agreement, effective November 14, 2019 ("Assignment Agreement") to assign all of Abode's right, title, obligation and interest in and to the ENA. HACR consented to Abode's assignment of all its rights, title, obligations and interest in the Project to Developer in that certain Consent to Assignment and Assumption Agreement of Exclusive Negotiation Agreement with Predevelopment Loan ("Consent") effective December 31, 2019. The ENA included a predevelopment loan of up to \$450,000 for customary predevelopment expenses incurred in the predevelopment and entitlement process. As of the date hereof, Four Hundred Thirty One Thousand Nine Hundred Eighty Dollars and One Cent (\$431,980.01) of the proceeds of the loan have been disbursed on a "cost-as-incurred" basis for eligible predevelopment costs.

Scope of Development

The proposed scope of development for the Project includes the construction and development on the Property of an affordable multi-family housing complex, with a shared open space and related amenities consisting of at least one hundred fifty-two (152) apartment units. Forty-nine percent (49%) of the units in the Project not used as manager units will be restricted to low income households whose incomes do not exceed sixty percent (60%) of the Area Median Income (“AMI”) (collectively, the “Restricted Units”). The maximum qualifying income for all other units in the Project will be one hundred twenty percent (120%) of AMI. Affordability will be restricted for fifty-five (55) years from the issuance of a certificate of occupancy for the Project. The affordability restrictions for the Project will be set forth in an Agreement Containing Covenants to be recorded against the land upon sale of the Property by HACR to Developer.

Developer Responsibilities

The DDLA requires Developer to accept the following responsibilities:

1. Developer will acquire the Property at a purchase price equal to fair market value, paid for by delivery to HACR of a note in the amount of the purchase price plus outstanding principal under the predevelopment loan. The HACR loan evidenced by the promissory note will be secured by a deed of trust recorded against the Property and payable over 55 years from residual receipts of the operation of the Project.
2. Developer must accept the Property in an “as-is” condition.
3. Developer shall develop the Property in accordance with the Scope of Development attached to the DDLA.
4. Developer is responsible for satisfying all requirements of the California Environmental Quality Act, and obtaining all necessary entitlements and easements to develop the Property in accordance with the Scope of Development.
5. Developer shall maintain affordability restrictions on the Restricted Units pursuant to the Agreement Containing Covenants attached to the DDLA, which shall be recorded against the Property upon transfer to Developer.
6. Developer must satisfy all conditions precedent to closing, including obtaining all Project entitlements and securing all financing for the development of the Project by December 31, 2024. Developer must satisfy various milestones prior to such date by the dates set forth in the Schedule of Performance attached to the DDLA.

HACR Responsibilities

The DDLA imposes the following responsibilities on HACR, subject to the satisfaction of certain conditions precedent set forth therein:

1. HACR must sell the Property to Developer for a purchase price equal to appraised fair market value. HACR will provide seller financing for the full fair market value purchase price.
2. HACR shall monitor affordability restrictions for the entire affordability period of 55 years.

2. COST OF THE TRANSFER OF FEE TITLE TO HACR

The former RDA purchased the Property in 2007 and 2008 (APN 768-400-001 on July 27, 2008 and APN 768-350-002 on November 8, 2007) along with another property for \$2,400,000 with bond funds deposited into the LMIHF. The former RDA conveyed the Property to RANCHO Housing Alliance, a California public benefit corporation ("Rancho") pursuant to that certain Coachellita Affordable Housing Agreement between the former RDA and Rancho dated July 17, 2007. In connection with the conveyance, the RDA made a loan to Rancho secured by a Deed of Trust. The HACR became the beneficiary of the deed of trust as a result of its receipt of the housing assets of the former RDA. In 2016, the HACR received title to the Property and the deed of trust was reconveyed. The current HACR book value for APN 748-400-001 is \$650,000 and for APN 768-350-002 is \$768,621, for a total of \$1,418,621. Additional costs to HACR that may be incurred in connection with the proposed sale include consulting fees, appraisal costs, title expenses, legal fees and various other costs and expenses.

Costs Incurred

Land Acquisition/Carrying Cost	\$1,418,621
---------------------------------------	--------------------

3. ESTIMATED VALUE OF THE INTEREST TO BE CONVEYED DETERMINED AT THE HIGHEST USE PERMITTED UNDER THE EXISTING ZONING

Section 33433 requires HACR to identify the value of the interests being transferred at the highest use allowed by the Property's zoning. The valuation must be based on the assumption that near-term development is required, but the valuation does not take into consideration any extraordinary use, quality and/or income restrictions that are being imposed on the development by HACR.

In an Appraisal Report prepared by Bluewater Appraisal Services dated February 14, 2020 (the "Appraisal"), the appraiser, concluded that given the Property's residential zoning and considering the current property uses in the immediate and greater surrounding areas, the highest and best use of the Property is for multi-family

residential development. The Appraiser's conclusion was based on a sales comparison approach. Based on the above, the estimated fair market value of the Property is determined to be \$1,850,000.

4. ESTIMATED REUSE VALUE OF THE INTERESTS TO BE CONVEYED

Re-use value is defined as the highest price in term of cash or its equivalent which a property or development right is expected to bring for a specified use in a competitive open market, subject to the covenants, conditions, and restrictions imposed by any agreements to develop Project.

The method used to establish the re-use value is based on the anticipated income characteristics for project, the operating expenses and the cost of development for Project. The DDLA imposes affordability covenant restrictions on the Project. The Property can only be used for the development of affordable housing for the period set forth in the DDLA.

The anticipated cost for development of the Project, including indirect and direct costs, is substantial but unknown at this time. Taking into consideration the estimated cost of construction, and the affordability and use restrictions imposed on the Project, the fair re-use value is less than \$0, an amount less than the purchase price due under the DDLA. It is also anticipated that the Developer will secure other sources of financing that will require loan servicing and additional monitoring fees.

5. CONSIDERATION RECEIVED IN COMPARISON WITH THE ESTABLISHED VALUE

The DDLA imposes extraordinary controls on the Project. Specifically, the Developer must accept a 55-year covenant that imposes income and affordability restrictions on the Project. The impacts created by these requirements reduce the Property's value. HACR will finance the full fair market value of the purchase price. In order to make the project financially feasible and in recognition of the long-term affordability restrictions impacting fair reuse value, the HACR loan will accrue simple interest at 3% and Developer will make annual debt service payments on these obligations based on the residual receipts generated by the Project. With the consideration of the value of the land compared to development costs and operating costs, the cost to develop and maintain the project exceeds the fair re-use value.

6. BLIGHT ELIMINATION

The Property consists of vacant land. Development of the Project on the Property will provide much needed affordable housing on a vacant Property. The Project will increase employment during the construction phase. Thus, the proposed Project fulfills the blight elimination requirement imposed by Section 33433.
