**Agenda Item #
or Public** CPS Reform and their Retaliation
Comment:

**State your
position below:** Neutral

Comments: We need to have CPS Reform in Riverside county, even at a national level. My son has been abused in the system and as I voiced my concerns last time in front of the board I was retaliated against. The CPS worker was "gone". And the misconstrued situation between my NEW worker and I, her not knowing that I have been abused by my ex husband and him and his gf being "supervisor" to my visits did not go well.
And my kids were taken from my custody, 100%. Now I'm fighting for my youngest son who is 2 and been in the system for a year on Jan 15.
